ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Huttonsville Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Randolph County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the

inhabitants of the Issuer that there be designed certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer (the design and other preconstruction activities referred to herein as the "Project") (the existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System").

C. In order to complete the Project, the Issuer has entered into a contract with the Consulting Engineer for preconstruction engineering services. The Issuer intends to permanently finance a portion of the Costs of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Drinking Water Treatment Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Waterworks Design Revenue Bonds in the total aggregate principal amount of not more than $244,500 in one or more series (the "Series 2012 A Bonds"), being the Waterworks Design Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), to permanently finance a portion of the Costs of the Project and to pay costs of issuance of the Series 2012 A Bonds. The remaining Costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said Costs shall be deemed to include the cost of interest, if any, upon the Series 2012 A Bonds prior to and during the Project and for a period not exceeding 6 months after completion of the Project; amounts which may be deposited in the Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the Administrative Fee, if any, (as hereafter defined); discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2012 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the undertaking of the Project and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2012 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer as defined in Section 1.02 B is not less than 32 years.

F. It is in the best interests of the Issuer that its Series 2012 A Bonds be sold to the Authority pursuant to the terms and provisions of a Loan Agreement by and between the Issuer and the Authority, on behalf of the West Virginia Bureau for Public Health (the "BPH"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding bonds or obligations of the Issuer which will rank on a parity with the Series 2012 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's: (i) Water Revenue Bonds, Series 1996 (United States

Department of Agriculture), dated June 7, 1996, issued in the original aggregate principal amount of $1,000,000 (the "Series 1996 Bonds"); (ii) Water Reveuue Bouds, Series 2000 A (United States Department of Agriculture), dated July 27, 2000, issued in the original aggregate principal amount of $731,000 (the "Series 2000 A Bonds"); (iii) Water Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), dated August 25, 2004, issued in the original aggregate principal amount of $952,000 (the "Series 2004 A Bonds"); and (iv) Water Revenue Bonds, Series 2004 B (United States Department of Agriculture), dated August 25, 2004, issued in the original aggregate principal amount of $400,000 (the "Series 2004 B Bonds"), (collectively, the "Prior Bonds").

The Series 2012 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2012 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consents of the Holders of the Prior Bonds to the issuance of the Series 2012 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

H. The estimated revenues to be derived in each year from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest, if any, on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein and in the Prior Resolution, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the Project, the contract and the System and issuance of the Series 2012 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of approval of public convenience and necessity of the financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2012 A Bonds or such final order will not be subject to appeal or rehearing.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2012 A Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2012 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision dated April 11, 2012, and Commission Order dated ____, 2012, in Case No. 11-1804-PWD-42T of the Public Service Commission of West Virginia and such rates are hereby adopted, which rates are incorporated herein by refereuce as a part hereof.

So long as the Series 2012 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2012 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2012 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the BPH, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2012 A Bonds, immediately be remitted to the Commission for deposit in the Series 2012 A Bonds Sinking Fund, and, with the written permission of the Authority and the BPH, or, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2012 A Bonds. Any balance remaining after the payment of the Series 2012 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted,

determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000, but not in excess of $50,000, the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacemeut Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other dispositiou of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2012 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2012 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2012 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issner shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2012 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2012 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are ontstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolntion shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2012 A Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the BPH under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2012 A Bonds.

No such Parity Bonds shall be issued except for the pnrpose of financing the costs of the design, acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

(1) The Bonds Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the RUS Bonds are no longer outstanding, the following parity requirement shall be met:

So long as the Series 2004 A Bonds or Series 2012 A Bonds are Outstanding no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2012 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2012A Bonds.

No Parity Bonds shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2012 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2012 A Bonds, including the Prior Bonds; provided that, in the event amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2012 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2012 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2012 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2012 A Bonds, including the Prior Bonds. 3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Entity by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, BPH and the Local Entity. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided that if the Local Entity has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues, as applicable, of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Entity will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the DWTRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of the System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Entity shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority;

(vi) That the Local Entity will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Entity will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Entity under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

If the Local Entity receives $500,000 or more (in any combination of federal funds) in a fiscal year, the audit shall be obtained in accordance with the Single Audit Act (as amended from time to time) and the applicable OMB Circular (or any successor thereto). (xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Entity and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Local Entity, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the BPH, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Entity may authorize redemption of the Local Bonds with 30 days written notice to BPH and the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

The Local Entity shall make monthly payments to the Commission by electronic transfer;

(xviii) That, if required by the Authority and BPH and, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Entity will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xx) That the Local Entity shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate its services to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore such services until all delinquent charges for the services of the System have been fully paid; and

(xxi) That the Local Entity shall submit all proposed change orders to the BPH for written approval. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds held in

"contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

4.3 At least two and one-half percent (2½%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the Authority monthly as required by the Local Entity to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Entity, the BPH and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the DWTRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Entity. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

Such administrative expenses shall be determined by the BPH and the Authority and shall include, without limitation, Program expenses, legal fees paid by the

BPH and the Authority and fees paid for any bonds or notes to be issued by the Authority for contribution to the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Entity; Imposition and Collection of User Charges; Payments To Be Made by Local Entity to the Authority

5.1 The Local Entity hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. 5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Local Entity hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Local Entity defaults in any payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Entity hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Entity, the Authority

may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Entity

6.1 The Local Entity hereby acknowledges to the Authority and BPH its understanding of the provisions of the Act, vesting in the Authority and BPH certain powers, rights and privileges with respect to drinking water projects in the event of default by local entities in the terms and covenants of this Loan Agreement, and the Local Entity hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Entity shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.3 The Local Entity hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Entity hereby covenants that, if required by the Authority, it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Entity fails to make any such rebates as required, then the Local Entity shall pay

any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Entity to be monitored or cause the rebate calculations for the Local Entity to be prepared, in either case at the expense of the Local Entity.

6.6 The Local Entity hereby agrees to give the Authority prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Entity hereby agrees to file with the Authority upon completion of acquisition and construction of the Project a schedule setting forth the actual costs of the Project and sources of funds.

ARTICLE VII

Miscellaneous

7.2 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.4 No waiver by any party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.5 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Local Entity specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Loan Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Entity from either the Authority or BPH;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by the BPH if the Local Entity has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and BPH pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Entity to the Authority or BPH.

In the event funds are not available to make all of the Loan, the responsibility of the Authority and BPH to make all the Loan is terminated; provided further that the obligation of the Local Entity to repay the outstanding amount of the Loan made by the Authority and BPH is not terminated due to such non-funding on any balance of the Loan. The BPH agrees to use its best efforts to have the amount contemplated under this Loan Agreement included in its budget. INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Entity to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of $1,200 are anticipated to be received for the year, each month the base would be increased by $100 ($1,200/12). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of $900 are anticipated to be incurred for the year, each month the base would be increased by $75 ($900/12). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Entity according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Entity.

The Local Entity must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

Charleston, WV 25301-2616

Ladies and Gentlemen:

We are bond counsel to _____(the "Local Entity"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of a (i) loan agreement dated _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Local Entity and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and (ii) the issue of a series of revenue bonds of the Local Entity, dated _____(the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____1, ____, and ending _____1, ____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____duly adopted or enacted by the Local Entity on _____, as supplemented by the supplemental resolution duly adopted by the Local Entity on _____(collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan

Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Entity and is a valid and binding special obligation of the Local Entity, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Local Entity without the consent of the Authority and the BPH.

3. The Local Entity is a duly organized and validly existing_____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Entity and constitute valid and binding obligations of the Local Entity, enforceable against the Local Entity in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Entity to the Authority and are valid, legally enforceable and binding special obligations of the Local Entity, payable from the gross or net revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the gross or net revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Huttonsville Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its $244,500 Waterworks Design Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated August 7, 2012, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2013, to and including March 1, 2043, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds. The Series 2012 A Bonds are subject to the Administrative Fee equal to 1% as set forth in the Schedule Y attached to the Loan Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purpose of (i) paying a portion of the costs of design and other preconstruction activities related to certain additions, betterments, improvements and extensions to the existing public waterworks system of the Issuer; and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on July 16, 2012, as supplemented by a Supplemental Resolution duly adopted by the Issuer on July 16, 2012 (collectively, the "Bond Legislation"), pursuant to and under which Act and

Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation, and political subdivision of the State of West Virginia, with full power and authority to complete the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary orders and resolutions have been duly adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (i) Water Revenue Bonds, Series 1996 (United States Department of Agriculture), dated June 7, 1996, issued in the original aggregate principal amount of $1,000,000 (the "Series 1996 Bonds"); (ii) Water Revenue Bonds, Series 2000 A (United States Department of Agriculture), dated July 27, 2000, issued in the original aggregate principal amount of $731,000 (the "Series 2000 A Bonds"); (iii) Water Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), dated August 25, 2004, issued in the original aggregate principal amount of $952,000 (the "Series 2004 A Bonds"); and (iv) Water Revenue Bonds, Series 2004 B (United States Department of Agriculture), dated August 25, 2004, issued in the original aggregate principal amount of $400,000 (the "Series 2004 B Bonds"), (hereinafter, collectively, the "Prior Bonds"); all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

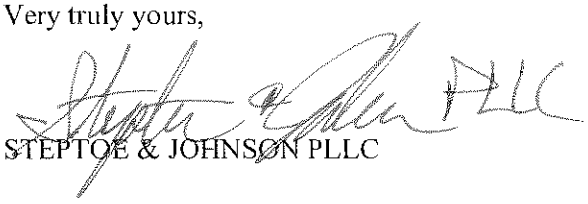

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners

thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the Holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter adopted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON PLLC

Ladies and Gentlemen:

We are counsel to Huttonsville Public Service District, a public service district, in Randolph County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a loan agreement for the Series 2012 A Bonds dated August 7, 2012, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), the Bond Resolution duly adopted by the Issuer on July 16, 2012 , as supplemented by the Supplemental Resolution duly adopted by the Issuer on July 16, 2012 (collectively, the "Bond Legislation"), and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (collectively, the "Bonds") and orders of The County Commission of Randolph County relating to the Issuer and the appointment of the members of the Public Service Board of the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a public service district and public corporation and political subdivision of the State of West Virginia.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the design of certain extensions, additions, betterments and improvements to the existing public waterworks facilities of the Issuer (the "Project"), the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from the Council, the BPH, The County Commission of Randolph County, the Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of resolution prescribing such rates and charges.

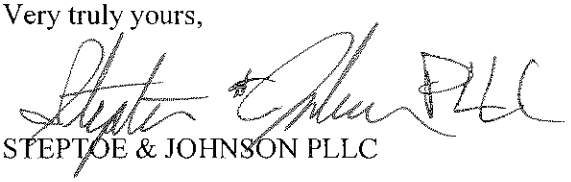

7. The Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Recommended Decision dated April 11, 2012 and Commission Order dated June 13, 2012 in Case No. 11-1804-PWD-42T approving rates for the System.

8. The Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Commission Order dated March 29, 2012, in Case No. 11-1805-PWD-PC, approving the financing for the Project. The time for appeal of the Commission Order has expired prior to the date hereof. Such Order remains in full force and effect.

9. To the best of our knowledge, there is no litigation, action, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the design of the Project, the operation of the System, the validity of the Bonds or the collection of the Gross Revenues or the pledge of the Net Revenues for payment of the Bonds.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Ladies and Gentlemen:

Based upon the water rates and charges set forth in the Recommended Decision of the Public Service Commission of West Virginia in Case No. 11-1804-PWD-42T, entered April 11, 2012 and Commission Order dated June 13 2012, and projected operating expenses and anticipated customer usage as furnished to me by Huttonsville Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will provide for all Operating Expenses of the System and will leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the proposed Waterworks Design Revenue Bonds, Series 2012 A (West Virginia DWTRF Program) issued in the aggregate principal amount of $244,500, (the "Series 2012 A Bonds") and all other obligations secured by or payable from such revenues, including the Issuer's: (i) Water Revenue Bonds, Series 1996 (United States Department of Agriculture), dated June 7, 1996, issued in the original aggregate principal amount of $1,000,000 (the "Series 1996 Bonds"); (ii) Water Revenue Bonds, Series 2000 A (United States Department of Agriculture), dated July 27, 2000, issued in the original aggregate principal amount of $731,000 (the "Series 2000 A Bonds"); (iii) Water Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), dated August 25, 2004, issued in the original aggregate principal amount of $952,000 (the "Series 2004 A Bonds"); and (iv) Water Revenue Bonds, Series 2004 B (United States Department of Agriculture), dated August 25, 2004, issued in the original aggregate principal amount of $400,000 (the "Series 2004 B Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2012 A Bonds are issued will be at least 120% of the average annual debt service on the Prior Bonds and the Series 2012 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2012 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2012 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2012 A Bonds.

Very truly yours,

On this 7th day of August, 2012, the undersigned Chairman of the Public Service Board of Huttonsville Public Service District in Randolph County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of its $244,500 Waterworks Design Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), dated August 7, 2012 (the "Series 2012 A Bonds" or the "Bonds"), hereby certifies as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on July 16, 2012, as supplemented by Supplemental Resolution duly adopted July 16, 2012 (collectively, the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on August 7, 2012, the date on which the Bonds are being physically delivered in exchange for an initial advance of the principal amount of the Series 2012 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Bureau for Public Health (the "BPH"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2012 A Bonds were sold on August 7, 2012, to the Authority, pursuant to a loan agreement dated August 7, 2012, by and between the Issuer and the Authority, on behalf of the BPH, for an aggregate purchase price of $244,500 (100% of par), at which time, the Issuer received $99,000 from the Authority and the BPH, being the first advance of the priucipal amount of the Series 2012 A Bonds. No accrued interest has been or will be paid on the Series 2012 A Bonds. The balance of the principal amount of the Series 2012 A Bonds will be advauced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2012 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of design of certain additions, betterments, unprovements and extensions to the existing pnblic waterworks facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance of the Series 2012 A Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Series 2012 A Bonds for the Project, constituting a substantial binding commitment. The Project and the allocation of proceeds of the Bonds to expenditures for Costs of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Reserve Account for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of Costs of the Project on or before June 1, 2013. The Project is expected to be completed by December 1, 2012.

11. Monies held in the Series 2012 A Bonds Sinking Fund will be used solely to pay principal of and interest, if any, on the Series 2012 A Bonds and will not be available to meet Costs of the Project. 16. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

20. The Issuer shall use the Bond proceeds solely for the Costs of the Project, and the system will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental or public purpose bonds.

23. The Issuer has either (a) funded the Series 2012 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2012 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2012 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year. Monies in the Series 2012 A Bonds Reserve Account and the Series 2012 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay Costs of the Project.

24. Other than the Series 2012 A Bonds, there are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HUTTONSVILLE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Huttonsville Public Service District (the "Issuer") is a public corporation and public service district and political subdivision of the State of West Virginia in Randolph County of said State, duly created pursuant to the Act by The County Commission of Randolph County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer does not currently own or operate a public waterworks system. The Issuer desires to finance and acquire, construct, operate and maintain certain public service properties consisting of an existing water system, and improvements and extensions to such existing waterworks facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired certain waterworks facilities heretofore owned by Valley Water Company, and that there be constructed certain improvements and extensions thereto, the abandonment of the Valley Water Company plant, and replacement of approximately fifteen and one-half (15-1/2) miles of watermain, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed with the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The Project and any further extensions or improvements thereto constituting waterworks facilities, are herein called the "System." The Issuer will purchase water from the Town of Beverly pursuant to a water purchase contract between the Issuer and the Town of Beverly. The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is $2,839,000, of which $1,000,000 will be obtained from the proceeds of sale of the Bond herein authorized, $1,134,000 from a grant by the Purchaser (as hereinafter defined), and $705,000 from a grant by the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia).

E. It is necessary for the Issuer to issue its water revenue bond in the principal amount of $1,000,000 to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the cost of acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Bond prior to, during and for 6 months after completion of such acquisition or construction; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing authorized hereby and the acquisition or construction of the properties and the placing of same in operation; provided, that reimbursement to the

Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are no outstanding bonds or obligations of the Issuer which will rank prior to or on a parity with the Bond as to liens, pledge and/or source of and security for payment.

H. It is in the best interest of the Issuer that the Bond be sold to the Purchaser, pursuant to the terms and provisions of a Letter of Conditions dated June 24, 1993, and all amendments thereto, if any (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bond, or will have so complied prior to issuance of the Bond, including, among other things and without limitation, the consent and approval, pursuant to the Act and other applicable provisions of law, of the issuance of the Bond, the acquisition and construction of the Project, the imposition of rates and charges, and the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bond by those who shall be the Registered Owner of the same from time to time, this Resolution (the "Bond Legislation") shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Bond.

(FORM OF BOND)

HUTTONSVILLE PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 1996

$1,000,000

No. R-1 Date: _____

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of ONE MILLION DOLLARS ($1,000,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and $4,590, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this

Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing the cost of improvements and extensions to the existing waterworks system (the "System") of the Borrower, is payable solely from and secured by the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a resolution of the Borrower duly adopted authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, HUTTONSVILLE PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with, and shall be held by, the Depository Bank, separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

(1) Revenue Fund;

(2) Reserve Fund;

(3) Depreciation Fund; and

(4) Project Construction Account.

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Bond shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance

remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bond remaining unpaid, together with interest accrued to the date of such payment, the Issuer further covenants with the holder of the Bond as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolution.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(i) The Issuer shall first, each month, pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, each month, on or before the due date of payment of each installment on the Bond, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bond), the amounts required to pay the interest on the Bond, and to amortize the principal of the Bond over the life of the Bond issue.

(iii) The Issuer shall next, each month, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bond in any year, until the amount in the Reserve Fund equals such maximum amount (the "Minimum Reserve"). After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such

provision for payment of monthly installments on the Bond and for payment of Operating Expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bond to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bond, or for mandatory prepayment of the Bond as hereinafter provided, and for no other purpose.

(iv) The Issuer shall next, each month, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Fund, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Fund the aggregate sum of $142,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Fund shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bond as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Fund may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(v) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any, may be used to prepay installments of the Bond, or for any lawful purpose.

Whenever the money in the Reserve Fund shall be sufficient to prepay the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Fund herein provided, and all amounts required for the Reserve Fund and the Depreciation Fund will be deposited therein by the Issuer upon transfers of funds from the

Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund, the Reserve Fund and the Depreciation Fund shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bond and the interest thereon, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund and the Depreciation Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually into the Revenue Fund by the Depository Bank.

C. CHANGE OF FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 491 bona fide full-time users

upon the Project on completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Interim Construction Financing. In order to pay certain costs of the Project pending receipt of proceeds of the grants and advances of principal of the Bond, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed $500,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby authorized to enter into a credit agreement, with such bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Bond or the grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bond and sufficient to make the payments required herein into the Reserve Fund and the Depreciation Fund and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued after the issuance of the Bond pursuant hereto, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

A. Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application

of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

B. Public Liability Insurance, with limits of not less than $500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than $200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

C. Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than $500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than $200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

D. Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

E. Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

F. Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of $50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the

Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

G. Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

A. Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

B. Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public

accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on December 11, 1995, Case No. 94-0070-PWD-CN, which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bond. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Bond, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Bond, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Bond, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. Prior to issuance of the Bond, this Resolution may be amended or supplemented in any way by resolution. Following issuance of the Bond, no resolution amendatory hereof or supplemental hereto, shall be made without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bond. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Bond, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

Section 7.05. Conflicting Provisions Repealed. All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed

or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

HUTTONSVILLE PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 1996

$1,000,000

No. R-1

Date: June 7, 1996

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of ONE MILLION DOLLARS ($1,000,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and $4,590, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing the cost of improvements and extensions to the existing waterworks system (the "System") of the Borrower, is payable solely from and secured by the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of

West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a resolution of the Borrower duly adopted authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, HUTTONSVILLE PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer is a public service district, public corporation and political subdivision of the State in Randolph County of said State. The Issuer presently owns and operates a public waterworks system. However, the Issuer deems it necessary and desirable for the health, welfare and safety of the inhabitants of the Issuer that there be acquired and constructed the Project, in accordance with the plans and specifications prepared by the Consulting Engineer, which plans and specifications have been approved by the Government and the Issuer.

B. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the Government.

C. The estimated maximum cost of acquisition and construction of the Project is $1,500,000. The Project will be financed with the proceeds of the sale of the Series 2000 A Bonds anticipated to be in the amount of $731,000, a grant from the Government in the amount of $469,000, and a grant from the Appalachian Regional Commission in the amount of $300,000.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest on the Prior Bonds and the Series 2000 A Bonds and to make payments into all funds and accounts provided for in this Resolution and the Prior Resolution.

E. It is deemed necessary for the Issuer to issue the Series 2000 A Bonds in the aggregate principal amount of not more than $731,000, to permanently finance a portion of the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of acquisition or construction of any public service properties, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest on the Series 2000 A Bonds, prior to and during acquisition or construction and for six months after completion of acquisition or construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense and such other expenses as may be necessary or incident to the financing herein authorized, the acquisition or construction of the Project and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof.

F. The Series 2000 A Bonds shall be issued on a parity with the Prior Bonds as to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the parity and coverage requirements of the Prior Bonds and the Prior Resolution. Prior to the issuance of the Series 2000 A Bonds, the Issuer will obtain the

consent of the Holders of the Prior Bonds to the issuance of the Series 2000 A Bonds on a parity with the lien of the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2000 A Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions.

I. The Issuer has complied with all requirements of West Virginia law and the Letter of Conditions relating to authorization of the acquisition, construction and operation of the Project and issuance of the Series 2000 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of the PSC Order, the time for rehearing and appeal of which have expired.

The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No registration of transfer of the Series 2000 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Series 2000 A Bonds.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, Borrower will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

The exact amount and terms of the Line of Credit shall be approved by a resolution supplemental hereto; provided, that the Issuer has obtained an order of the PSC approving the Line of Credit, the time for rehearing and appeal of which has expired or the rights of all parties have been waived. The text of the Note and the Line of Credit Agreement shall be in substantially the form set forth in a resolution supplemental hereto.

Section 4.02. Security for the Note. The principal of and interest on the Note shall be payable solely from and secured by the proceeds of the Series 2000 A Bonds and the grants for the Project.

ARTICLE V

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created with (or continued if previously established by the Prior Resolution) and shall be held by the Depository Bank separate and apart from all other funds or accounts of Depository Bank and from each other:

(1) Revenue Fund (established by the Prior Resolution);

(2) Series 2000 A Bonds Construction Trust Fund;

(3) Series 2000 A Bonds Reserve Account; and

(4) Depreciation Fund (established by the Prior Resolution).

Section 5.02. (Reserved)

Section 5.03. System Revenues and Application Thereof. So long as the Bonds shall be Outstanding and unpaid, the Issuer covenants with the Bondholders as follows:

(A) The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities and as provided in the Prior Resolution.

(1) The Issuer shall first, each month, pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, each month, from the moneys in the Revenue Fund (i) make the interest payments on the Prior Bonds in the amounts and on the dates required by the Prior Resolution, and (ii) commencing on the day which is 30 days following the date of delivery of the Series 2000 A Bonds and continuing on the corresponding day of each month, remit to the address designated by the Series 2000 A Bonds (herein called the "Series 2000 A Bonds Sinking Fund"), the monthly payment of interest set forth in the Supplemental Resolution or such lesser amount as is evidenced by the Record of Advances attached to the Series 2000 A Bonds. If funds in the Revenue Fund are not sufficient to make

all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

(3) The Issuer shall next, each month, from the moneys in the Revenue Fund (i) make the principal payments of the Prior Bonds in the amounts and on the dates required by the Prior Resolution, and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2000 A Bonds and continuing on the corresponding day of each month, remit to the Series 2000 A Bonds Sinking Fund, the monthly payment of principal set forth in the Supplemental Resolution or such lesser amount as is evidenced by the Record of Advances attached to the Series 2000 A Bonds, such amount being the amount required to amortize the principal of the Series 2000 A Bonds over the life of the Series 2000 A Bonds. If funds in the Revenue Fund are not sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

The deposits to the Series 2000 A Bonds Sinking Fund provided in this paragraph and in Section 5.03(A)(2) above, constitute actual payments of principal of and interest on the Series 2000 A Bonds to the Government.

(4) The Issuer shall next, each month, from the moneys in the Revenue Fund (i) make the reserve account payments into the Reserve Account of the Prior Bonds in the amounts and on the dates required by the Prior Resolution, and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2000 A Bonds and continuing on the corresponding day of each month, remit to the Depository Bank for deposit in the Series 2000 A Bonds Reserve Account, an amount equal to ½ of $1/12^{th}$ of $1/10^{th}$ of the Series 2000 A Bonds Reserve Requirement, until the amount in the Series 2000 A Bonds Reserve Account equals the Series 2000 A Bonds Reserve Requirement. In the event additional monies shall be required to maintain the Series 2000 A Bonds Reserve Requirement in the Series 2000 A Bond Reserve Account, payment of monies to the Depreciation Fund as provided in Section 5.03(A)(5) hereof shall not be made but instead such payments shall be made to the Series 2000 A Bonds Reserve Account until the Series 2000 A Bonds Reserve Requirement is accumulated therein, at which time payments to the Depreciation Fund shall resume.

(5) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the payments into the Depreciation Fund in the amounts and on the dates required by the Prior Resolution, and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2000 A Bonds and continuing on the corresponding day of each month, remit to the Depository Bank for deposit in Depreciation Fund, an amount equal to ½ of $1/12^{th}$ of $1/10^{th}$ of the Series 2000 A Bonds Reserve Requirement; provided, that after the Series 2000 A Bonds Reserve Requirement has been accumulated in the Series 2000 A Bonds Reserve Account as provided in Section 5.03(A)(4)(ii) hereof, the Issuer shall, each

month, remit to the Depository Bank for deposit in the Depreciation Fund, an amount equal to 1/12th of 1/10th of the Series 2000 A Bonds Reserve Requirement so long as the Series 2000 A Bonds are outstanding. Moneys in the Depreciation Fund shall be used first, to make up any deficiencies for monthly payments of principal of and interest on the Series 2000 A Bonds and the Prior Bonds as the same become due, and next to restore to the Reserve Accounts, any sum or sums transferred therefrom, all on a pro rata basis. Thereafter, and provided that payments into the Reserve Accounts are current and in accordance with the foregoing provisions, moneys in the Depreciation Fund may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part therefor.

(6) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any, may be used to prepay installments of the Bonds, or for any lawful purpose.

Whenever the moneys in the Series 2000 A Bonds Reserve Account shall be sufficient to prepay the Series 2000 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2000 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank shall keep the moneys in the Series 2000 A Bonds Reserve Account and the Depreciation Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Resolution shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Investment Management Board. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investments shall be credited or charged to the appropriate fund or account.

(B) All of the funds and accounts provided for above shall constitute trust funds and shall be used only for the purposes provided herein.

(C) The moneys in excess of the sum insured by the maximum amounts insured by the FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

(D) If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payments dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Section 5.03(A), above, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority.

(E) All remittances made by the Issuer to the Government or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(F) The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. All the moneys received from time to time from the sale of the Series 2000 A Bonds shall be deposited in the Series 2000 A Bonds Construction Trust Fund and shall be used solely to pay costs of the Project and until so expended, are hereby pledged as additional security for the Series 2000 A Bonds.

Section 6.02. Disbursements from Bond Construction Trust Fund. The Series 2000 A Bonds Construction Trust Fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the costs of the Project and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the costs of the Project, and for the payment of interest on the Series 2000 A Bonds during construction and for a period up to six months thereafter and for no other purposes whatsoever. If approved by the Government, the moneys in said fund shall be secured at all times by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Series 2000 A Bonds Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Holders of the Series 2000 A Bonds hereby authorized.

Expenditures or disbursements by the Depository Bank from the Series 2000 A Bonds Construction Trust Fund shall be made only after such expenditures or disbursements shall have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

The Issuer shall coordinate with the Government on the monthly payment of the costs of the Project and shall submit invoices and requisitions as directed by the Government.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2000 A Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2000 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Series 2000 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2000 A Bonds shall be secured by a first lien on the Net Revenues on a parity with the lien of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2000 A Bonds and to make the payments into all funds and accounts and all other payments provided for in this Resolution and the Prior Resolution are hereby irrevocably pledged, in the manner provided herein and therein, to the payment of the principal of and interest on the Prior Bonds and the Series 2000 A Bonds as the same become due, and for the other purposes provided in this Resolution and the Prior Resolution.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved in the PSC Order and such rates are hereby adopted.

In the event the schedule of rates and charges initially established for the System in connection with the Series 2000 A Bonds shall prove to be insufficient to produce the amounts required by this Resolution, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the amounts required by this Resolution.

Section 7.05. Sale of the System. So long as the Series 2000 A Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government, and such consent will specify the disposition of the proceeds of any such sale or transfer. So long as the Prior Bonds are outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of only in accordance with the terms of the Prior Resolution.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. So long as any of the Series 2000 A Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2000 A Bonds; provided, however, that Parity Bonds may be issued as provided for in Section 7.07 hereof and in the Prior Resolution (so long as the Prior Bonds are Outstanding). All obligations hereafter issued by the Issuer payable from the revenues of the System, except such Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2000 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein and in the Prior Resolution have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the liens of the Series 2000 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2000 A Bonds and the interest thereon in this Resolution, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, no Parity Bonds shall be issued except in accordance with the terms of the Prior Resolution. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued pursuant to this Resolution, except under the conditions and in the manner herein provided and with the prior written consent of the Government.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Prior Bonds and the Series 2000 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions or improvements to the System or refunding one or more series of Bonds issued pursuant hereto or the Prior Resolution, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the fiscal year following the year in which the Series 2000 A Bonds are issued will be at least 120% of the average annual debt service requirements on all Bonds Outstanding, including the Parity Bonds. This limitation may be waived or modified by the written consent of Bondholders representing 75% of the then Outstanding Series 2000 A Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their respective liens on the revenues of the System and their respective source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of another series on a parity therewith. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2000 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Government, acting by and through its duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Issuer shall submit to the Government such documents and information as it may reasonably require in connection with the acquisition, construction and

installation of the Project, the operation and maintenance of the System and the administration of the loans or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Government and its agents and representatives to have access to the records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed by the uniform system of accounts promulgated by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system, which may be installed remote from the direct supervision of the Governing Body, shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Government, or any other original purchasers of the Series 2000 A Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Prior Bonds, Bonds, Notes or other obligations outstanding and secured by a lien on the Net Revenues of the System.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor

thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Government, or any other original purchasers of the Bonds. Such audit report submitted to the Government shall include a statement that the Issuer is in compliance with the terms and provisions of the Act and this Resolution and that the Issuer's revenues are adequate to meet its operation and maintenance expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Letter of Conditions and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Government, or its agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Government, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Government with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to issuance of the Series 2000 A Bonds, approvals of equitable rates or charges for the use of and service rendered by the System shall have been obtained in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reductions in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses and (ii) to leave a balance each year equal to at least 120% of the average annual debt service requirements on all Bonds Outstanding, including any Parity Bonds. This limitation may be waived or modified by the written consent of Bondholders representing 75% of the then Outstanding Series 2000 A Bonds.

Section 7.10. Fiscal Year; Budget. While the Bonds are Outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Government within 30 days of the adoption thereof. No expenditures for operation and maintenance expenses of the System in excess of such annual budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Board.

If for any reason the Issuer shall not have adopted the annual budget before the first day of any Fiscal Year, it shall adopt a budget of current expenses from month to month until the adoption of the annual budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten percent (10%); and provided further, that adoption of a budget of current expenses shall not constitute compliance with the covenant to adopt an annual budget unless the Issuer's failure to submit an annual budget shall be for a reason beyond the control of the Issuer. Each such budget of current expenses shall be delivered and mailed immediately as in the case of the annual budget.

Section 7.11. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the laws of the State and the rules and regulations of the PSC. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System to the extent allowed by law.

To the extent allowed by law and the PSC, whenever any rates, rentals or charges for the services and facilities of the System, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent and the owner, user and property shall be held liable at law until such time as all such rates and charges are fully paid.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, for any account not paid within sixty

(60) days, discontinue and shut off the services and facilities of the System and, in the event the Issuer owns a sewerage system, the sewerage system to all users of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System have been paid in full and all accrued penalties plus a reconnection charge have been paid and shall take all further actions to enforce collections to the maximum extent permitted by law. The Issuer further covenants to use its best efforts to enter into agreements with any other entities providing sewerage service to its users, providing for discontinuing and shutting off the services and facilities of the sewerage system to users of the System delinquent in payment.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Insurance and Bonds. The Issuer hereby covenants and agrees that, so long as the Bonds remain Outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than $500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than $200,000 from claims for damage to property of others which may arise from the

operation of the System, such insurance to be procured at the commencement of construction of the Project.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than $500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than $200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(D) Workers' Compensation Coverage for All Employees of the Issuer Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of Randolph County prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every officer and employee of the Issuer having custody of the Revenue Fund or of any revenues or other funds or property of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by the Government and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(G) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this section, during construction of the Project and so long as the Government holds any of the Bonds, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor to carry insurance, of such types and in such amounts as the Government may specify, and with insurance carriers or bonding companies acceptable to the Government.

Section 7.15. Certificate of Consulting Engineers. Prior to or on the date of issuance of the Series 2000 A Bonds, the Issuer shall obtain the certificate of the Consulting Engineers, stating that the Project has been designed and will be constructed in accordance with the approved plans, specifications and design as submitted to the Government, that the Project will be adequate for the purposes for which it was designed, and the funding plan as submitted to

the Government is sufficient to pay the costs of the acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the PSC, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2000 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Series 2000 A Bonds; provided however, that the statutory mortgage lien in favor of the Holders of the Series 2000 A Bonds issued hereunder shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.18. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the PSC and other state agencies necessary for the acquisition and construction of the Project, the operation of the System and the issuance of the Series 2000 A Bonds, with all requisite appeal periods having expired without successful appeal.

Section 7.19. Compensation of Board Members. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Board in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein and in the Prior Resolution, nor when there is a default in the performance of or compliance with any covenants or provision hereof or of the Prior Resolution.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, including but not limited to those in the Series 2000 A Bonds Construction Trust Fund, and used for the purpose of such fund or account. The interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the Owner, including the value of accrued interest and giving effect to the amortization of discount and investments in the "consolidated fund" of the West Virginia Investment Management Board shall be valued at par. The Commission or the Depository Bank, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

Notwithstanding the foregoing, any investments made pursuant to this Resolution shall comply with the guidelines of the Government.

ARTICLE IX

DEFAULTS AND REMEDIES

Section 9.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Series 2000 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2000 A Bonds; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2000 A Bonds set forth in this Resolution, any Supplemental Resolution or the Series 2000 A Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, any Paying Agent or a Registered Owner of a Bond; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs under the Prior Resolution or the Prior Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2000 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, after commencement of operation of the System, the making and

collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for any reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and Registered Owners, and the curing and making good of any default under the provisions of this

Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

If the Issuer shall pay, or there shall otherwise be paid, to the Holders of the Series 2000 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of Net Revenues and other moneys and securities pledged under this Resolution and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2000 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
HUTTONSVILLE PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS, SERIES 2000 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1 $731,000 July 27, 2000

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT, a public corporation organized and existing under the laws of, and a political subdivision of, the State of West Virginia, in Randolph County (herein called the "Borrower"), promises to pay to the order of the United States of America (herein called the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of SEVEN HUNDRED THIRTY ONE THOUSAND DOLLARS ($731,000), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 4.50% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of $3,356, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Borrower as requested by the Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Borrower. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Borrower to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government. Borrower has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing waterworks system of the Borrower (the "Project" and together with any further extensions, additions, betterments and improvements thereto, herein called the "System"); and (ii) to pay certain costs of issuance and related costs. This Bond is authorized and issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and a Resolution duly adopted by the Borrower on July 25, 2000, as supplemented by a Supplemental Resolution duly adopted by the Borrower on July 25, 2000 (collectively, the "Resolution"), and is subject to all the terms and conditions of the Resolution. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Resolution.

THIS BOND IS ISSUED ON A PARITY AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 1996, DATED JUNE 7, 1996, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,000,000 (THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of a first lien on the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, which lien is on a parity with the lien of the Prior Bonds, moneys in the Series 2000 A Bonds

Reserve Account created under the Resolution and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provisions or limitations, nor shall the Borrower be obligated to pay the same or the interest hereon except from the Net Revenues, the moneys in the Series 2000 A Bonds Reserve Account and unexpended Bond proceeds. Pursuant to the Resolution, the Borrower has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient to provide for the proper and reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the average annual debt service requirements on this Bond, the Prior Bonds and on all obligations secured by or payable from such revenues on a parity with this Bond. The Borrower has entered into certain further covenants with the owner of this Bond for the terms of which reference is made to the Resolution. Remedies provided the owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

This Bond is transferable, as provided in the Resolution, only upon the books of the Secretary of the Borrower, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar duly executed by the owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements in the Resolution, this Bond under the provision of the Act is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, Borrower will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts connected with the issuance hereof, as provided by law and the Resolution, shall be applied solely to the costs of acquisition and construction of the Project, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and upon the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Borrower, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Borrower for the prompt payment of the principal of and interest on this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Huttonsville Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State.

B. The Issuer presently owns and operates a public water system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public water facilities of the Issuer, consisting of approximately 178,000 linear feet of 12-inch, 10-inch, 8-inch, 6-inch, 4-inch and 2-inch waterlines, 2 water storage tanks and 3 water booster pump stations to serve approximately 438 potential customers, together with all appurtenant facilities (collectively, the "Project"), which constitute public service properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the United States of America, United States Department of Agriculture, Rural Utilities Service (the "Government") and the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Infrastructure Fund administered by the Authority pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds in the total aggregate principal amount of not more than $1,352,000, in two series (collectively, the "Series 2004 Bonds"), being the Water Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $952,000 (the "Series 2004 A Bonds"), and the Water Revenue Bonds, Series 2004 B (United States Department of Agriculture), in the aggregate principal amount of not more than $400,000 (the "Series 2004 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of acquisition and construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, on the Series 2004 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Reserve Account for the Series 2004 Bonds (as hereinafter defined);

engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2004 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2004 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that (i) the Series 2004 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer, and (ii) the Series 2004 B Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions (as hereinafter defined).

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2004 Bonds as to liens, pledge, source of and security for payment, being the Water Revenue Bonds, Series 1996, dated June 7, 1996, issued in the original principal amount of $1,000,000, and the Water Revenue Bonds, Series 2000 A (United States Department of Agriculture), dated July 27, 2000, issued in the original principal amount of $731,000 (collectively, the "Prior Bonds").

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest, if any, on the Series 2004 Bonds and the Prior Bonds and all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, and the issuance of the Series 2004 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia (the "PSC") by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2004 Bonds or such final order will not be subject to appeal or rehearing.

So long as the Series 2004 B Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2004 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner, in accepting the Series 2004 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide registered owner for value.

So long as the Series 2004 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2004 Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2004 Bonds or transferring the registered Series 2004 Bonds is exercised, all such Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All such Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of such Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on such Bonds or, in the case of any proposed redemption of such Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

In case any Series 2004 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2004 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. The payment of the debt service of the Series 2004 A Bonds and the Series 2004 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2004 Bonds and the Prior

Bonds and to make all other payments provided for in the Bond Legislation and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Depository Bank for deposit in the Reserve Accounts for the Prior Bonds, the amounts required by the Prior Resolutions to be deposited therein; (ii) remit to the Commission, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, if not fully funded upon the issuance of the Series 2004 A Bonds, for deposit in the Series 2004 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2004 A Bonds Reserve Requirement, until the amount in the Series 2004 A Bonds Reserve Account equals the Series 2004 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2004 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2004 A Bonds Reserve Requirement; and (iii) remit to the Commission, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, if not fully funded upon the issuance of the Series 2004 B Bonds, for deposit in the Series 2004 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2004 B Bonds Reserve Requirement, until the amount

in the Series 2004 B Bonds Reserve Account equals the Series 2004 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2004 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2004 B Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Fund, (i) the amounts required by the Prior Resolutions to be deposited therein; and (ii) an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account, so long as the Series 2004 Bonds are outstanding. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Depreciation Fund.

Moneys in the Series 2004 A Bonds Sinking Fund and the Series 2004 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2004 Bonds, respectively, as the same shall become due. Moneys in the Series 2004 A Bonds Reserve Account and the Series 2004 B Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2004 Bonds, respectively, as the same shall come due, when other moneys in the respective Sinking Funds are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2004 A Bonds Reserve Account and the Series 2004 B Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2004 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2004 Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2004 A Bonds Reserve Account or the Series 2004 B Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2004 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the respective Sinking Fund or the Reserve Account for the Series 2004 Bonds when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2004 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2004 Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2004 A Bonds Sinking Fund, the Series 2004 A Bonds Reserve Account and the Series 2004 B Bonds Reserve Account created hereunder, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority or the Government at any time, the Issuer shall make the necessary arrangements whereby required payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2004 A Bonds Sinking Fund, the Series 2004 A Bonds Reserve Account and the Series 2004 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The respective Sinking Fund and the Reserve Account for the Series 2004 Bonds shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2004 Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority or the Government at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2004 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2004 A Bonds, there shall first be deposited in the Series 2004 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2004 A Bonds for the period commencing on the date of issuance of the Series 2004 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. From the proceeds of the Series 2004 B Bonds, there shall first be deposited in the Series 2004 B Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2004 B Bonds for the period commencing on the date of issuance of the Series 2004 B Bonds and ending 6 months after the estimated date of completion of construction of the Project.

C. Next, from the proceeds of the Series 2004 A Bonds, there shall be deposited in the Series 2004 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2004 A Bonds Reserve Account.

D. Next, from the proceeds of the Series 2004 B Bonds, there shall be deposited in the Series 2004 B Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2004 B Bonds Reserve Account.

E. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2004 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2004 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2004 A Bonds.

F. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2004 B Bonds, such moneys shall be deposited with the Depository Bank in the Series 2004 Bonds Construction Trust Fund and applied solely to payment of costs of

the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2004 B Bonds.

G. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2004 A Bonds shall be expended as directed by the Council and any remaining proceeds of the Series 2004 B Bonds shall be expended as directed by the Government.

Section 6.02. Disbursements From the Bond Construction Trust Fund.

A. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2004 A Bonds from the Series 2004 Bonds Construction Trust Fund shall be made only after submission to and approval from the Council of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

The Issuer shall expend all proceeds of the Series 2004 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

B. The proceeds of the Series 2004 B Bonds in the Series 2004 Bonds Construction Trust Fund shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Government.

Until completion of acquisition and construction of the Project, the Issuer will transfer sufficient proceeds of the Series 2004 B Bonds from the Series 2004 Bonds Construction Trust Fund and pay to the Government on or before the due date, such sums as

shall be required to make the monthly payments on the Series 2004 B Bonds, if there are not sufficient revenues to make such monthly payments.

Pending such application, moneys in the Series 2004 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2004 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2004 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2004 Bonds or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2004 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2004 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2004 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2004 A Bonds and the Series 2004 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2004 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2004 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2004 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. Additionally, so long as the Series 2004 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Council, the Authority and the Government, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2004 Bonds, be remitted to the respective Sinking Funds and applied to the payment of principal of and interest, if any, on the Series 2004 Bonds. Any balance remaining after the payment of the Series 2004 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Depreciation Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of

such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2004 Bonds. All obligations issued by the Issuer after the issuance of the Series 2004 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2004 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2004 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2004 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority, the Council and the Government prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2004 Bonds pursuant to this Bond Legislation, except

with the prior written consent of the Authority, the Council and the Government under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2004 Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition or construction of extensions and improvements to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the Series 2004 B Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Series 2004 B Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2004 B Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2004 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority, the Council and the Government such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, the Government, or any other original purchaser of the Series 2004 Bonds, and shall mail in each year to any Registered Owner of the Series 2004 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2004 Bonds, and shall submit said report to the Council, the Authority and the Government, or any other original purchaser of the Series 2004 Bonds. Such audit report submitted to the Authority, the Council and the Government shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority, the Council and the Government, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, the Council and the Government with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2004 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Reserve Accounts for the Series 2004 Bonds and the reserve accounts for obligations on a parity with the Series 2004 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority, the Council and the Government within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for

operation and maintenance to the Authority, the Council and the Government and to any Registered Owner of the Series 2004 Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the Council and the Government and to any Registered Owner of the Series 2004 Bonds, or anyone acting for and on behalf of such Registered Owner.

Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2004 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2004 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2004 Bonds:

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2004 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2004 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or a Registered Owner of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs under the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2004 Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Registered Owners of the Series 2004 Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of the Series 2004 Bonds may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and

segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and

ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

STATE OF WEST VIRGINIA
HUTTONSVILLE PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2004 A
(WEST VIRGINIA INFRASTRUCTURE FUND)

No. AR-1 $952,000

KNOW ALL MEN BY THESE PRESENTS: That HUTTONSVILLE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of NINE HUNDRED FIFTY TWO THOUSAND DOLLARS ($952,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2006, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated August 25, 2004.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of

West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on August 23, 2004, and a Supplemental Resolution duly adopted by the Issuer on August 23, 2004 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1996, DATED JUNE 7, 1996, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,000,000 (THE "SERIES 1996 BONDS"); (2) WATER REVENUE BONDS, SERIES 2000 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JULY 27, 2000, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $731,000 (THE "SERIES 2000 A BONDS"); AND (3) WATER REVENUE BONDS, SERIES 2004 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED AUGUST 25, 2004, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $400,000 (THE "SERIES 2004 B BONDS"). THE SERIES 1996 BONDS AND THE SERIES 2000 A BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series 2004 B Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2004 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2004 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds and the Series 2004 B Bonds; provided however, that so long as there exists in the Series 2004 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a

parity with this Bond, including the Prior Bonds and the Series 2004 B Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

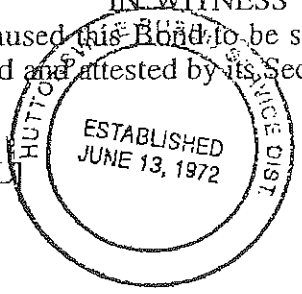

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, HUTTONSVILLE PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated August 25, 2004.

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
HUTTONSVILLE PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2004 B
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. BR-1 $400,000

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of FOUR HUNDRED THOUSAND DOLLARS ($400,000), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 4.5% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of $1,836, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security therefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on August 23, 2004, and a Supplemental Resolution duly adopted by the Issuer on August 23, 2004 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1)WATER REVENUE BONDS, SERIES 1996, DATED JUNE 7, 1996, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,000,000 (THE "SERIES 1996 BONDS"); (2)WATER REVENUE BONDS, SERIES 2000 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JULY 27, 2000, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $731,000 (THE "SERIES 2000 A BONDS"); AND (3) WATER REVENUE BONDS, SERIES 2004 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED AUGUST 25, 2004, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $952,000 (THE "SERIES 2004 A BONDS"). THE SERIES 1996 BONDS AND THE SERIES 2000 A BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series 2004 A

Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2004 B Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2004 B Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest on this Bond payable in any year and all other obligations secured by a lien or payable from such revenues on a parity with this Bond, including the Prior Bonds and the Series 2004 A Bonds; provided however, that so long as there exists in the Series 2004 B Bonds Reserve Account, an amount at least equal to the maximnm amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds and the Series 2004 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth in the Bond Legislation, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Secretary of the Issuer, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the Registered Owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements set forth in the Bond Legislation, this Bond under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, the Issuer will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.
