ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16; Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Jane Lew Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Lewis County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, consisting of improvement to existing waterlines, decommission an existing treatment plant to purchase from West Virginia American Water Company and construction of an extension to serve a small amount of customers near Claylick (collectively, the "Project") (the existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Drinking Water Treatment Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds in the total aggregate principal amount of not more than \$858,798 in two series (collectively, the "Series 2009 Bonds"), being the Water Revenue Bonds, Series 2009 A (West Virginia DWTRF Program), in the aggregate principal amount of not more than \$429,399 (the "Series 2009 A Bonds"), and the Water Revenue Bonds, Series 2009 B (West Virginia DWTRF Program/ARRA), in the aggregate principal amount of not more than \$429,399 (the "Series 2009 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2009 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereafter defined); discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2009 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2009 Bonds or the repayment of

indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 32 years.

F. It is in the best interests of the Issuer that its Series 2009 Bonds be sold to the Authority pursuant to the terms and provisions of an ARRA Assistance Agreement by and between the Issuer and the Authority, on behalf of the West Virginia Bureau for Public Health (the "BPH"), in form satisfactory to the respective parties (the "ARRA Assistance Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding bonds or obligations of the Issuer which will rank on a parity with the Series 2009 A Bonds and the Series 2009 B Bonds as to liens, pledge and source of and security for payment, being the Issuer's Water Revenue Bonds, Series 2004, (United States Department of Agriculture) dated December 16, 2004, issued in the original aggregate principal amount of \$580,000 (the "Series 2004 Bonds" or "Prior Bonds.")

Prior to the issuance of the Series 2009 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consents of the Holders of the Prior Bonds to the issuance of the Series 2009 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest, if any, on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein and in the Prior Resolution, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the ARRA Assistance Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2009 A Bonds and the Series 2009 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2009 A Bonds and the Series 2009 B Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

The Series 2009 A Bonds and the Series 2009 B Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Series 2009 A Bonds and the Series 2009 B Bonds shall cease to be such officer of the Issuer before the Series 2009 A Bonds and the Series 2009 B Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any such Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2009 A Bond nor Series 2009 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2009 A Bond and the Series 2009 B Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2009 A Bonds and the Series 2009 B Bonds issued hereunder.

So long as the Series 2009 A Bonds and the Series 2009 B Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Series 2009 A Bonds and the Series 2009 B Bonds.

The registered Series 2009 A Bonds and the Series 2009 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

In case any Series 2009 A Bond or Series 2009 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate, register and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds and the Series 2009 B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. - (3) The Issuer shall next, each month, simultaneously (i) on or before the due date, transfer from the Revenue Fund and remit to the National Finance Office, the amounts required by the Prior Resolution to pay the principal of the Series 2004 Bonds; (ii) on the first day of each month, remit to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 A Bonds, for deposit in the Series 2009 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2009 A Bonds on the next ensuing quarterly principal payment date; and (iii) on the first day of each month, remit to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 B Bonds, for deposit in the Series 2009 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2009 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2009 A Bonds Sinking Fund and the Series 2009 B Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly

principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit (i) to the Commission the amounts required by the Prior Resolution to be deposited in the Reserve Account for the Prior Bonds; (ii) to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 A Bonds, if not fully funded upon issuance of the Series 2009 A Bonds, for deposit in the Series 2009 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 A Bonds Reserve Requirement; and (iii) to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 B Bonds, if not fully funded upon issuance of the Series 2009 B Bonds, for deposit in the Series 2009 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 B Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund to the Renewal and Replacement Fund an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Accounts. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies

remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose of the System.

Monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2009 A Bonds and the Series 2009 B Bonds, respectively, as the same shall become due. Monies in the Series 2009 A Bonds Reserve Account and the Series 2009 B Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2009 A Bonds and the Series 2009 B Bonds, respectively, as the same shall come due, when other monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2009 A Bonds Sinking Fund, the Series 2009 B Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account and the Series 2009 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the respective Bond Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2009 A Bonds and the Series 2009 B Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2009 A Bonds Reserve Account or the Series 2009 B Bonds Reserve Account which result in a reduction in the balance of the Series 2009 A Bonds Reserve Account or the Series 2009 B Bonds Reserve Account to below the Series 2009 A Bonds Reserve Requirement or the Series 2009 B Bonds Reserve Requirement, respectively, shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Prior Bonds, Series 2009 A Bonds and the Series 2009 B Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, the Series 2009 B Bonds Sinking Fund and the Series 2009 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2009 A Bonds and the Series 2009 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the

Series 2009 A Bonds and the Series 2009 B Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, the Series 2009 B Bonds Sinking Fund and the Series 2009 B Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, the Series 2009 B Bonds Sinking Fund and the Series 2009 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, the Series 2009 B Bonds Sinking Fund and the Series 2009 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 A Bonds and the Series 2009 B Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2009 A Bonds and the Series 2009 B Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the Administrative Fee as set forth in the Schedule Y attached to the ARRA Assistance Agreement for the Series 2009 B Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the ARRA Assistance Agreement and submit a copy of said form, together with a copy of its payment check, to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Resolution, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Series 2009 Bonds Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2009 A Bonds and the Series 2009 B Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2009 A Bonds, there shall first be deposited with the Commission in the Series 2009 A Bonds Sinking Fund, the amount, if

any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2009 A Bonds for the period commencing on the date of issuance of the Series 2009 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. From the proceeds of the Series 2009 B Bonds, there shall first be deposited with the Commission in the Series 2009 B Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2009 B Bonds for the period commencing on the date of issuance of the Series 2009 B Bonds and ending 6 months after the estimated date of completion of construction of the Project.

C. From the proceeds of the Series 2009 A Bonds, there shall next be deposited with the Commission in the Series 2009 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2009 A Bonds Reserve Account.

D. From the proceeds of the Series 2009 B Bonds, there shall next be deposited with the Commission in the Series 2009 B Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2009 B Bonds Reserve Account.

E. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2009 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2009 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2009 A Bonds.

F. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2009 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2009 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2009 B Bonds.

G. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2009 Bonds shall be applied as directed by the BPH.

Section 6.02. Disbursements From the Bond Construction Trust Fund.

On or before the Closing Date, the Issuer shall have delivered to the Authority and the BPH a report listing the specific purposes for which the proceeds of the Series 2009 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for the costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the respective Series 2009 Bonds Construction Trust Fund shall be made only after submission to and approval from the BPH, of a certificate, signed by an Authorized Officer, as appropriate stating that:

- (A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;
- (B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
- (C) Each of such costs has been otherwise properly incurred; and
- (D) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the respective Bonds Construction Trust Funds shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds and the Series 2009 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds and the Series 2009 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds and the Series 2009 B Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds and the Series 2009 B Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2009 A Bonds or the Series 2009 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if

any, to pay the Series 2009 A Bonds or the Series 2009 B Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2009 A Bonds and the Series 2009 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2009 A Bonds, the Series 2009 B Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia dated March 13, 2009, the Commission Order dated April 7, 2009, and Commission Order dated September 14, 2009 (collectively, the "Order") in Case No. 08-1867-PWD-T-PC-CN.

So long as the Series 2009 A Bonds and the Series 2009 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2009 A Bonds and the Series 2009 B Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2009 A Bonds and the Series 2009 B Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the BPH, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or

substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds and the Series 2009 B Bonds, immediately be remitted to the Commission for deposit in the respective Sinking Funds, and, with the written permission of the Authority and the BPH, or, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2009 A Bonds and the Series 2009 B Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and the Series 2009 B Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000, but not in excess of \$50,000, the Issuer shall first, in writing, determine upon consultation with a professional engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the

revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds and the Series 2009 B Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and the Series 2009 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds and the Series 2009 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds and the Series 2009 B Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the Series 2009 B Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the BPH prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds and the Series 2009 B Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the BPH under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds and the Series 2009 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 2009 Bonds are outstanding no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently

issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds and the Series 2009 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds and the Series 2009 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the BPH such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction and commencement of operation of the Project, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the BPH, the Authority, or any other original purchaser of the Series 2009 A Bonds and the Series 2009 B Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 A Bonds and the Series 2009 B Bonds and the Consulting Engineer, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2009 A Bonds and the Series 2009 B Bonds, and shall submit said report to the BPH and the Authority, or any other original purchaser of the Series 2009 A Bonds and the Series 2009 B Bonds. Such audit report submitted to the Authority and the BPH shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. (h) The Local Entity shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and BPH shall have received an opinion of counsel to the Local Entity, which may be local counsel to the Local Entity, bond counsel or special PSC counsel but must be satisfactory to the Authority and BPH, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and BPH shall have received a certificate of the accountant for the Local Entity, or such other person or firm experienced in the finances of local entities and satisfactory to the Authority and BPH, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority and BPH shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of drinking water projects and satisfactory to the Authority and BPH, to such effect, such certificate to be in form and substance satisfactory to the Authority and BPH, and evidence satisfactory to the Authority and BPH of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this ARRA Assistance Agreement, the rules and regulations promulgated by the BPH, including the DWTRF Regulations, or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Local Entity and the Local Entity shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Local Entity shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this ARRA Assistance Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Entity by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, BPH and the Local Entity. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing

shall in no event occur more than ninety (90) days after the date of execution of this ARRA Assistance Agreement by the Authority.

3.5 The Local Entity understands and acknowledges that it is one of several local entities which have applied to the Authority and BPH for loans from the Fund to finance drinking water projects and that the obligation of the Authority to make any such loan is subject to the Local Entity's fulfilling all of the terms and conditions of this ARRA Assistance Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Entity specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to execution of this ARRA Assistance Agreement, the Authority may purchase the bonds of other local entities set out in the State Project Priority List, as defined in the DWTRF Regulations. The Local Entity further specifically recognizes that all loans will be originated in conjunction with the DWTRF Regulations and with the prior approval of BPH or such later date as is agreed to in writing by the BPH.

3.6 The Local Entity shall provide BPH with the appropriate documentation to comply with the special conditions regarding the public release requirements established by federal and State regulations as set forth in Exhibit D attached hereto at such times as are set forth therein.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Local Entity shall, as one of the conditions of the Authority and BPH to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Entity in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided that if the Local Entity has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues, as applicable, of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the

Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Entity will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the DWTRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of the System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Entity shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and BPH;

(vi) That the Local Entity will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Entity will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Entity under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or

construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Entity will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Entity shall annually, within six months of the end of the fiscal year, cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and BPH. If the Local Entity receives \$500,000 or more (in federal funds) in a fiscal year, the audit shall be obtained in accordance with the Single Audit Act (as amended from time to time) and the applicable OMB Circular (or any successor thereto). Financial statement audits are required once all funds have been received by the Local Entity. The audit shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Entity's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Entity shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and BPH within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Entity and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim

funding of such Local Entity, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and BPH, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Entity may authorize redemption of the Local Bonds with 30 days written notice to BPH and the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Entity shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Entity shall complete the Monthly Payment Form, attached hereto as Exhibit E and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month. When required by the Authority, the Local Entity shall make monthly payments to the Commission by electronic transfer;

(xviii) That, if required by the Authority and BPH and, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Entity will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Entity shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and BPH is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Entity shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate its services to any customer of the System who is delinquent in payment of charges for services provided by

the System and will not restore such services until all delinquent charges for the services of the System have been fully paid; and

(xxi) That the Local Entity shall submit all proposed change orders to the BPH for written approval. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Entity hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit F.

4.2 The Loan shall be secured by the pledge and assignment by the Local Entity, as effected by the Local Act, of the fees, charges and other revenues of the Local Entity from the System.

4.3 At least two and one half percent (2.5%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the Authority monthly as required by the Local Entity to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Entity, the BPH and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the DWTRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Entity. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the DWTRF Regulations, the Local Entity agrees to pay from time to time, if required by the Authority and BPH, the Local Entity's allocable share of the reasonable administrative expenses of the BPH and the Authority relating to the Program. Such administrative expenses shall be determined by the BPH and the Authority and shall include, without limitation, Program expenses, legal fees paid by the BPH and the Authority and fees paid for any bonds or notes to be issued by the Authority for contribution to the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Entity; Imposition and Collection of User Charges; Payments To Be Made by Local Entity to the Authority

5.1 The Local Entity hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this ARRA Assistance Agreement and the Local Act. The Local Entity hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this ARRA Assistance Agreement, the Local Entity hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this ARRA Assistance Agreement.

5.3 In the event the Local Entity defaults in any payment due to the Authority pursuant to this ARRA Assistance Agreement, the amount of such default shall

bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Entity hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Entity, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Entity

6.1 The Local Entity hereby acknowledges to the Authority and BPH its understanding of the provisions of the Act, vesting in the Authority and BPH certain powers, rights and privileges with respect to drinking water projects in the event of default by local entities in the terms and covenants of this ARRA Assistance Agreement, and the Local Entity hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Entity shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this ARRA Assistance Agreement.

6.2 The Local Entity hereby warrants and represents that all information provided to the Authority and BPH in this ARRA Assistance Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and BPH shall have the right to cancel all or any of their obligations under this ARRA Assistance Agreement if (a) any representation made to the Authority and BPH by the Local Entity in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Entity has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the DWTRF Regulations or this ARRA Assistance Agreement.

6.3 The Local Entity hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Entity hereby covenants that, if required by the Authority and BPH, it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Entity fails to make any such rebates as required, then the Local Entity shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and BPH may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Entity to be monitored or cause the rebate calculations for the Local Entity to be prepared, in either case at the expense of the Local Entity.

6.6 The Local Entity hereby agrees to give the Authority and BPH prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Entity hereby agrees to file with the Authority and BPH upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule B to the Application, setting forth the actual costs of the Project and sources of funds therefore.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this ARRA Assistance Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Local Entity supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this ARRA Assistance Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ARRA Assistance Agreement, and this ARRA Assistance Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This ARRA Assistance Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this ARRA Assistance Agreement.

7.4 No waiver by any party of any term or condition of this ARRA Assistance Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this ARRA Assistance Agreement.

7.5 This ARRA Assistance Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this ARRA Assistance Agreement, notwithstanding the date hereof, the Local Entity specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This ARRA Assistance Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Entity from either the Authority or BPH;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by the BPH if the Local Entity has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and BPH pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Entity to the Authority or BPH.

In the event funds are not available to make all of the Loan, the responsibility of the Authority and BPH to make all the Loan is terminated; provided further that the obligation of the Local Entity to repay the outstanding amount of the Loan made by the Authority and BPH is not terminated due to such non-funding on any balance of the Loan. The BPH agrees to use its best efforts to have the amount contemplated under this ARRA Assistance Agreement included in its budget. Non-funding of the Loan shall not be considered an event of default under this ARRA Assistance Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this ARRA Assistance Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Entity to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Entity according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Entity.

The Local Entity must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

ADDENDUM
FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT
AMERICAN RECOVERY AND REINVESTMENT ACT

A. Purpose and Summary

The purpose of this Addendum is to ensure that recipients of grant awards from the West Virginia Department of Health and Human Resources understand their responsibilities under the Federal Funding Accountability and Transparency Act of 2006 and the American Recovery and Reinvestment Act of 2009, as may be applicable.

As part of these responsibilities, and as condition for execution of this Grant Agreement, Grantees must remain current in the Central Contractor Registration (CCR) database (<http://www.ccr.gov>) at all times during which they have active DHHR grant awards. The CCR database is the repository for standard information about Federal financial assistance applicants, recipients and subrecipients. Grantees must update or renew their CCR registration at least once per year to maintain an active status.

In order to register in the Central Contractor Registration database, Grantees must first obtain a valid Data Universal Numbering System (DUNS) Number from Dun and Bradstreet at <http://www.dnb.com>. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving Federal funds. The identifier is used for tracking purposes and for validating the address and point of contact information for Federal assistance applicants, recipients and subrecipients.

Additional information about obtaining a DUNS number and maintaining registration with the CCR are included on the websites referenced above and on the attached instructions for Completion of the Subrecipient (Grantee) Information Form. As further explained within this Addendum, the attached Subrecipient (Grantee) Information Form must be completed by the Grantee and submitted to the DHHR during the negotiation (pre-award) stage of the grant cycle.

B. Federal Funding Accountability and Transparency Act of 2006

The Federal Funding Accountability and Transparency Act of 2006, Public Law 109-252, hereinafter referred to as the Transparency Act, is an Act of Congress that requires full disclosure to the public of all entities or organizations receiving Federal funds. The Transparency Act directed the Office of Management and Budget (OMB), by January 1, 2008, to ensure the existence and operation of a single searchable website, accessible to the public at no cost, which includes for each Federal award:

1. The amount of the award;
2. Information including transaction type, funding agency, the North American Industry Classification System code or Catalog of Federal Domestic Assistance number (where applicable), program source, and an award title descriptive of the purpose of each funding action;
3. The name and location of the recipient and the primary location of performance;
4. A unique identifier of the recipient and any parent agency (DUNS Number); and
5. Any other relevant information specified by the OMB

The Transparency Act also required the OMB, by July 1, 2007, to commence a pilot program to test the collection of and access to data about subgrants and to determine how to implement a subaward-reporting program across the Federal Government. Thereafter, the Transparency Act required the OMB to terminate the pilot program by January 1, 2009 and, subject to extensions, replace it with a permanent system of ensuring that data regarding subawards is disclosed in the same manner as data regarding other Federal awards.

ADDENDUM
FEDERAL FINANCIAL ACCOUNTABILITY AND TRANSPARENCY ACT
AMERICAN RECOVERY AND REINVESTMENT ACT

C. American Recovery and Reinvestment Act of 2009

The American Recovery and Reinvestment Act of 2009, Public Law 111-5, hereinafter referred to as the ARRA, is an economic stimulus package enacted by the 111th United States Congress and signed into law by President Barack Obama on February 17, 2009. The ARRA is intended to provide a stimulus to the U.S. economy in the wake of the economic downturn and includes Federal tax relief, expansion of unemployment benefits and other social welfare provisions; and domestic spending on education, health care, and infrastructure, including the energy sector. The ARRA provides for unprecedented levels of transparency and accountability so that the public will be able to know how, when and where their tax dollars are being spent. Specific information and requirements under the ARRA are as follows:

1. Funding provided from the Federal Government through the ARRA is "one-time only" funding and, to maximize the transparency and accountability of ARRA funds, organizations receiving funding under the ARRA must maintain records that identify adequately the source and application of those funds.
2. Section 1512(c) of the ARRA requires quarterly reporting on the use of funds. The data elements proposed for reporting the information described in Section 1512(c) were published in the Federal Register on April 1, 2009 (74 FR 14824). The reporting requirements under Section 1512(c) of the ARRA currently apply only to entities receiving ARRA funds directly from the Federal Government, sometimes referred to as primary recipients.
3. Section 1512(h) of the ARRA requires recipients of ARRA funds, and their first-tier recipients (subrecipients) to register in the Central Contractor Registration (CCR) database at <http://www.ccr.gov>. In order to register in the CCR, a valid Data Universal Numbering System (DUNS) Number is required, as further described within this Addendum and within the Instructions for Completion of the Subrecipient (Grantee) Information Form.
4. Section 1605 of the ARRA requires that projects funded by the ARRA for the construction, alteration, maintenance, or repair of a public building or public work use American iron, steel, and manufactured goods in the project unless one of the specified exemptions applies. The ARRA provides that this requirement be applied in a manner consistent with U.S. obligations under international agreements. Definitions of "manufactured good," "public building and public work," and other terms as they pertain to the Buy American guidance in 2 CFR part 176 are found in § 176.140 and § 176.160.
5. Section 1606 of the ARRA requires the payment of Davis-Bacon Act (40 U.S.C. 31) wage rates to "laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government" pursuant to the ARRA.
6. Grantees bound by the Single Audit Act Amendments of 1996 and OMB Circular A-133, *Audits of States, Local Governments and Nonprofit Organizations*, must separately identify the expenditures for Federal awards under the ARRA on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. This requirement shall be accomplished by identifying expenditures for Federal awards made under the ARRA separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC. Additional information regarding the Federal audit requirements of OMB Circular A-133 is located within Exhibit F of the DHHR Grant Agreement and the Source of Funds Schedule, attached to this Grant Agreement as Exhibit B, identifies whether the funds awarded under this grant are being made available through appropriations under the ARRA.

ADDENDUM
FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT
AMERICAN RECOVERY AND REINVESTMENT ACT

D. DHHR Reporting to the Federal Government

At present time, direct reporting to the Federal Government lies solely at the primary recipient level. Therefore, while subrecipients of grant awards from the DHHR do not have to report data directly to the Federal Government, the DHHR, as a primary recipient and pass-through entity of Federal awards, does have a responsibility to report on certain data elements regarding its subgrant activities. As such, the DHHR is required to report the following information to the Federal Government with respect to its subawards:

1. Subrecipient DUNS number
2. Award number or other identifying number
3. Subrecipient name
4. Subrecipient location
5. Subrecipient type
6. Amount of subaward disbursed
7. Total amount of subaward
8. Subaward date
9. Subaward project/grant period
10. Primary performance location
11. Names and total compensation of the five most highly compensated officers of the entity

E. Subrecipient (Grantee) Information Form

Both the Transparency Act and the ARRA address the primary recipient's requirements to report information on the subawards it makes to subrecipient (Grantee) organizations. To ensure completeness and consistency in accounting for the funds received and subawarded by the West Virginia Department of Health and Human Resources (DHHR) to DHHR Grantees, the DHHR has developed a standardized form in which Grantees shall be required to complete and submit to the DHHR during the negotiation (pre-award) stage of the grant cycle. The DHHR will not process the Grant Agreement or commit any of the funds related thereto until the Grantee submits a signed copy of the Subrecipient (Grantee) Information Form.

F. Future Informational Updates and Regulatory Requirements

Currently, the rules, regulations and guidance issued by the Federal Government with respect to the oversight, accountability and reporting requirements associated with the Transparency Act and the ARRA are a work-in-progress. As referenced in the aforementioned sections of this Addendum, there are a number of reporting requirements (data elements) for which the DHHR, as a primary recipient of Federal funds, must report directly to the Federal Government. While the Federal Government has not currently placed specific reporting obligations on all subrecipients (Grantees), by all indications, these requirements are forthcoming from the Executive Office of the President or through the release of individual Federal agency regulations. Therefore, as additional information becomes available and the Federal Government provides more details on managing Federal funds, the DHHR will transmit the information or requirements to its grant community through an update to this memorandum or by other determinable means to ensure overall compliance with the Transparency Act and the ARRA.

KNOW ALL MEN BY THESE PRESENTS: That on this day 23rd of October, 2009, JANE LEW PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Lewis County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns the sum of FOUR HUNDRED TWENTY-NINE THOUSAND THREE HUNDRED NINETY NINE DOLLARS (\$429,399), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2011, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference. The Series 2009 A Bonds are not subject to the Administrative Fee (as defined in the hereinafter described Bond Legislation).

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Bureau for Public Health (the "BPH"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the ARRA Assistance Agreement by and between the Issuer and the Authority, on behalf of the BPH, dated October 23, 2009.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing waterworks system of the Issuer (the "Project"); and (ii) to pay costs of issuance for the Bonds of this Series (the "Bonds") and related costs. The existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System." Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2009 A Bonds Reserve Account and unexpended proceeds of the Bonds. This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance for the Bonds of this Series (the "Bonds") and related costs. The existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), a

Bond Resolution duly adopted by the Issuer on October 8, 2009, and a Supplemental Resolution duly adopted by the Issuer on October 8, 2009 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (I) WATER REVENUE BONDS, SERIES 2004, (UNITED STATES DEPARTMENT OF AGRICULTURE) DATED DECEMBER 16, 2004, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$580,000 (THE "SERIES 2004 BONDS"), AND (II) WATER REVENUE BONDS, SERIES 2009 A (WEST VIRGINIA DWTRF PROGRAM), DATED OCTOBER 23, 2009, ISSUED SIMULTANEOUSLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$429,399 (THE "SERIES 2009 A BONDS"). THE SERIES 2004 BONDS ARE HEREINAFTER REFERRED TO AS THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds and the Series 2009 A Bonds, and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2009 B Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Prior Bonds and the Series 2009 A Bonds; provided however, that so long as there exists in the Series 2009 B Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including the Prior Bonds and the Series 2009 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of The Huntington National Bank, Charleston, West Virginia (the "Registrar") by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

Jane Lew Public Service District
Water Revenue Bonds, Series 2009 A
(West Virginia DWTRF Program)

Jane Lew Public Service District
Jane Lew, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Bureau for Public Health
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Jane Lew Public Service District (the "Issuer"), a public service district, public corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$429,399 Water Revenue Bonds, Series 2009 A (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of an ARRA Assistance Agreement, dated October 23, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2011, and to and including December 1, 2040, all as set forth in the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Bonds are not subject to an Administrative Fee.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on October 8, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 8, 2009 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge, and source of and security for payment with the Issuer's (i) Water Revenue Bonds, Series 2004 (United States Department of Agriculture) dated December 16, 2004, issued in the original aggregate principal amount of \$580,000 (the "Series 2004 Bonds"), and (ii) Water Revenue Bonds, Series 2009 B (West Virginia DWTRF Program/ARRA), dated October 23, 2009, issued in the original aggregate principal amount of \$429,399 (the "Series 2009 B Bonds"), issued concurrently herewith, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

I am counsel to Jane Lew Public Service District in Lewis County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, an ARRA Assistance Agreement for the Series 2009 A Bonds and Series 2009 B Bonds, dated October 23, 2009, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), (the "ARRA Assistance Agreement"), a Bond Resolution duly adopted by the Issuer on October 8, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 8, 2009 (collectively, the "Bond Legislation"), orders of The County Commission of Lewis County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise

defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully, and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

5. The execution and delivery of the Bonds and the ARRA Assistance Agreement and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from The County Commission of Lewis County, the BPH and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received a Recommended Decision of the Public Service Commission of West Virginia entered

on March 13, 2009, Commission Order dated April 7, 2009 and Commission Order dated September 14, 2009, and an affidavit of CPA dated October 8, 2009 (collectively, the "Order") in Case No. 08-1867-PWD-CN, among other things, granting the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project and the rates of the System. The time for appeal has expired prior to the date hereof without any appeal. The Order remains in full force and effect.

7. The Issuer has duly published a notice of the acquisition and construction of the Project, the issuance of the Bonds and related matters, as required under Chapter 16, Article 13 A, Section 25 of the West Virginia Code of 1931, as amended, and has duly complied with the provisions thereof.

8. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreement, the Bonds and the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

9. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that comply with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code and made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (i) are in compliance with the contracts; (ii) are adequate in form, substance and amount to protect the various interests of the Issuer; (iii) have been executed by duly authorized representatives of the proper parties; (iv) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (vi) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

CERTIFICATE AS TO USE OF PROCEEDS

On this 23rd day of October, 2009, the undersigned Chairman of the Public Service Board of Jane Lew Public Service District in Jane Lew, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$429,399 Water Revenue Bonds, Series 2009 A (West Virginia DWTRF Program) (the "Series 2009 A Bonds") and \$429,399 Water Revenue Bonds, Series 2009 B (West Virginia DWTRF Program/ARRA) (the "Series 2009 B Bonds"), of the Issuer, both dated October 23, 2009 (collectively, the "Bonds"), hereby certify as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on October 8, 2009 and Supplemental Resolution duly adopted on October 8, 2009 (collectively the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on October 23, 2009, the date on which the Bonds are being physically delivered in exchange for an initial advance of the principal of the Bonds and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") and the West Virginia Bureau for Public Health (the "BPH"), from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2009 A Bonds were sold on October 23, 2009, to the Authority, pursuant to an ARRA Assistance Agreement dated October 23, 2009, by and between the Issuer and the Authority, on behalf of the BPH, for an aggregate purchase price of \$429,399

(100% of par), at which time, the Issuer received \$96,434 from the Authority and the BPH, being the first advance of the principal amount of the Series 2009 A Bonds. No accrued interest has been or will be paid on the Series 2009 A Bonds. The balance of the principal amount of the Series 2009 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2009 B Bonds were sold on October 23, 2009, to the Authority, pursuant to an ARRA Assistance Agreement dated October 23, 2009, by and between the Issuer and the Authority, on behalf of the BPH, for an aggregate purchase price of \$429,399 (100% of par), at which time, the Issuer received \$-0- from the Authority and the BPH, being the first advance of the principal amount of the Series 2009 B Bonds. No accrued interest has been or will be paid on the Series 2009 B Bonds. The balance of the principal amount of the Series 2009 B Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

7. The Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance of the Bonds and related costs.

8. Within 30 days after the delivery of the Series 2009 Bonds, the Issuer shall enter into agreements which require the Issuer to expend in excess of 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment, or has already done so. The acquisition, construction and equipping of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the respective Reserve Accounts for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before December 1, 2010. Ladies and Gentlemen:

Based upon the water rates and charges set forth in the Commission Order of the Public Service Commission of West Virginia in Case 08-1867-PWD-T-PC-CN, entered April 7, 2009, the projected operating expenses and the anticipated customer usage as furnished to us by Greenhorne & O'Mara, Inc. the Consulting Engineer to Jane Lew Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will pay all operating expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Water Revenue Bonds, Series 2009 A (West Virginia DWTRF Program) and Water Revenue Bonds, Series 2009 B (West Virginia DWTRF Program/ARRA) (the "Bonds"), to be issued to the West Virginia Water Development Authority and all other obligations secured by or payable from the revenues of the System, including the Issuer's (i) Water Revenue Bonds, Series 2004 A, (United States Department of Agriculture) dated December 16, 2004, issued in the original aggregate principal amount of \$580,000 (the "Series 2004 A Bonds" or the "Prior Bonds")

It is my further opinion that the Net Revenues for the Fiscal Year following the year in which the Bonds are issued will be at least 120% of the average annual debt service requirements on the Bonds and the Prior Bonds.

Respectfully,

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF JANE LEW PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Jane Lew Public Service District (the "Issuer") is a public corporation, public service district and political subdivision of the State of West Virginia in Lewis County of said State, duly created pursuant to the Act by The County Commission of Lewis County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of the construction of approximately 50,000 linear feet of two-inch to six-inch water line, 81 new meters, and various valves, hydrants and other appurtenances to serve approximately 79 new customers in Lewis County and repairing a 500,000-gallon steel reservoir, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$1,280,000 of which \$580,000 will be obtained from the proceeds of sale of the Series 2004 A Bonds herein authorized and \$700,000 will be obtained from a grant from the United States Department of Agriculture, Rural Utilities Service.

E. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2004 A (United States Department of Agriculture), in the aggregate principal amount of \$580,000 (the "Series 2004 A Bonds"), to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2004 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility

or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are no outstanding obligations of the Issuer which will rank on a parity with the Series 2004 A Bonds as to liens, pledge and source of and security for payment.

There is an outstanding obligation of the Issuer which does not have a lien on any revenues of the System, nor is it payable from Net Revenues, held by Progressive Bank, issued in the original aggregate principal amount of \$16,015.

H. It is in the best interest of the Issuer that the Series 2004 A Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letters of Conditions, dated June 12, 2003, and all amendments thereto, if any (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2004 A Bonds, or will have so complied prior to issuance of the Series 2004 A Bonds, including, among other things and without limitation, obtaining a certificate of public convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

Subject and pursuant to the provisions of the Bond Legislation, the Series 2004 A Bonds of the Issuer, to be known as "Water Revenue Bonds, Series 2004 A (United States Department of Agriculture)", are hereby authorized to be issued in the principal amount of \$580,000, for the purpose of financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bonds. The Series 2004 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 2004 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 4.50% per annum, and shall be sold for the par value thereof.

The Series 2004 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the respective Bond forms hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 2004 A Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Series 2004 A Bonds, and the right to principal of and stated interest on the Series 2004 A Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 2004 A Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2004 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

The Series 2004 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. The Series 2004 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2004 A Bonds shall have

matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2004 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2004 A Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2004 A Bonds as the same become due.

No. AR-1

Date: _____

FOR VALUE RECEIVED, JANE LEW PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of 4.50% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 28 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$ _____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2004, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THERE ARE NO OUTSTANDING OBLIGATIONS OF THE ISSUER WHICH WILL RANK ON A PARITY WITH THE SERIES 2004 A BONDS AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT.

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IN WITNESS WHEREOF, JANE LEW PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit into the Series 2004 A Bonds Reserve Account, an amount equal to 10% of your monthly payment each month, until the amount in the Series 2004 A Bonds Reserve Account equals the Minimum Reserve; provided that, no further payments shall be made into the Series 2004 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Minimum

Reserve. Monies in the Series 2004 A Bonds Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 2004 A Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 2004 A Bonds, or for mandatory prepayment of the Series 2004 A Bonds as hereinafter provided, and for no other purpose; provided, however, earnings from monies in the Series 2004 A Bond Reserve Account, so long as the Series 2004 A Bonds Reserve Requirement is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

(4) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds or for any lawful purpose.

Whenever the money in the Series 2004 A Bonds Reserve Account shall be sufficient to prepay the Series 2004 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2004 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2004 A Bonds Reserve Account. All amounts required for the Series 2004 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund and the Series 2004 A Bonds Reserve Account shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2004 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Commission, at the direction of the Issuer, shall keep the monies in the Series 2004 A Bonds Reserve Account and invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Investment Management Board. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2004 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually by the Commission to the Issuer and deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2004 A Bonds, provide evidence that there will be at least 453 bona fide users upon the System on completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Interim Construction Financing. In order to pay certain costs of the Project pending receipt of proceeds of the Grants and advances of principal of the Series 2004 A Bonds, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed \$580,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby authorized to enter into the credit agreement with such commercial bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Series 2004 A Bonds or the Grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2004 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2004 A Bonds Reserve Account a sum sufficient to prepay the entire principal of the Series 2004 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2004 A Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2004 A Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2004 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds than proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Bonds, representing 75% of the then-outstanding principal indebtedness.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2004 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2004 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2004 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2004 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2004 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 2004 A Bonds at the date specified for payment thereof; and

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2004 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 2004 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2004 A Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on August 25, 2004, in Case No. 04-0239-PWD-PC-CN, which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII
MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2004 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation; then with respect to the Series 2004 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2004 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2004 A Bonds, the Issuer may not defease the Series 2004 A Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2004 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2004 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 7.08. Effective Time. This Resolution shall take effect immediately upon its adoption.

JANE LEW PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS, SERIES 2004 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$580,000

No. A-1

Date: December 16, 2004

FOR VALUE RECEIVED, JANE LEW PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIVE HUNDRED EIGHTY THOUSAND DOLLARS (\$580,000), plus interest on the unpaid principal balance at the rate of 4.50% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,663, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted December 14, 2004, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THERE ARE NO OUTSTANDING OBLIGATIONS OF THE ISSUER WHICH WILL RANK ON A PARITY WITH THE SERIES 2004 A BONDS AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT.

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IN WITNESS WHEREOF, JANE LEW PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

GRANT AGREEMENT
(2009W-1151)

This Grant Agreement entered into by and between the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority"), on behalf of the WEST VIRGINIA INFRASTRUCTURE AND JOBS DEVELOPMENT COUNCIL (the "Council") and the JANE LEW PUBLIC SERVICE DISTRICT (the "Governmental Agency").

R E C I T A L S

WHEREAS, the Council has authorized the Authority to make a grant to the Governmental Agency in the amount not to exceed \$50,543 (the "Grant") for the purposes of the design, acquisition or construction of a project for which a preliminary application has been submitted and approved by the Council;

WHEREAS, the Governmental Agency wishes to accept the Grant upon such terms and conditions as are hereinafter set forth for the purposes of designing, acquiring or constructing the project described in Exhibit A attached hereto and incorporated herein by reference (the "Project");

WHEREAS, this Grant Agreement sets forth the Council, the Authority and the Governmental Agency's understandings and agreements with regard to the Grant.

NOW, THEREFORE, in consideration of the premises and the mutual agreements hereinafter contained, the Authority and the Governmental Agency hereby agree as follows:

T E R M S

1. Prior to the distribution of the Grant, the Governmental Agency shall provide the Authority with a Project budget and an anticipated monthly draw schedule reflecting the receipt dates and amounts from other funding sources. The Project budget shall not be amended unless the Governmental Agency has received the prior written consent of the Council.

2. The Authority shall advance the Council's share of the Project costs from the Grant from time to time upon receipt of a requisition evidencing the costs incurred, which requisition must be satisfactory to the Authority. Unless agreed to by the Council prior to the commencement of construction, the Grant shall be the last dollars expended on the Project.

3. The monthly requisition will also set forth (i) the amounts requested for that requisition period from all other funding agencies, and (ii) the amounts advanced for the Project to date from all other funding agencies.

4. The Authority shall wire the approved requisition amount using the wiring instructions provided in Exhibit A, unless the Council and Authority are provided replacement instructions in writing.

5. The Governmental Agency will use the proceeds of the Grant only for the purposes specifically set forth in Exhibit B.

6. The Governmental Agency shall comply with and is bound by the Council's rules set forth as Title 167, Series 1 and more particularly Section 5.9 with respect to the sale of the Project.

7. The Governmental Agency acknowledges that the Grant may be reduced, from time to time, to reflect actual Project costs and availability of other funding.

8. The Governmental Agency shall list the Grant provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any groundbreaking or dedication of the Project.
