This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. - Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

Ladies and Gentlemen:

We are counsel to Kanawha Falls Public Service District, a public service district in Fayette County, West Virginia (the "Local Government"). As such counsel, we have examined a certified copy of proceedings and other papers relating to the authorization of a Funding Assistance Agreement dated December 16, 2022, including all schedules and exhibits attached thereto (the "Funding Assistance Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"). All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Funding Assistance Agreement and the Local Act.

The Funding Assistance is being provided for the purposes of (i) paying a portion of the costs of acquisition and construction of the Project; and (ii) paying costs of issuance and related costs.

We have also examined the applicable provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the Funding Assistance Resolution duly adopted by the Local Government on November 30, 2022 (the "Local Act"), pursuant to and under which Local Statute and Local Act, the Funding Assistance is authorized and the Funding Assistance Agreement has been undertaken. 4. The members and officers of the governing body of the Local Government have been duly and properly authorized and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Local Government in their respective capacities.

5. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Funding Assistance Agreement.

6. The execution and delivery of the Funding Assistance Agreement and the consummation of the transactions contemplated by the Funding Assistance Agreement and the Local Act, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Local Government, a breach of or default under any resolution, agreement or other instrument to which the Local Government is a party or any existing law, regulation, court order or consent decree to which the Local Government is subject.

7. The Local Government has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Local Government, the acceptance of the Funding Assistance, the construction of the Project, and the operation of the System, including, without limitation, all requisite permits, approvals, orders and certificates from the DEP and the West Virginia Infrastructure and Jobs Development Council.

8. We are of the opinion that the Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Recommended Decision dated February 3, 2020 which became a Final Order on February 23, 2020 in Case No. 19-0303-PSD-42A-CN granting a certificate of convenience and necessity for the Project, approving the financing for the Project and approving rates and charges for the System. The Order is in full force and effect.

9. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Funding Assistance Agreement or the Local Act, the construction of the Project, or the operation of the System.

10. We have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that

complies with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. We have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy.
