Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Preston County of said State.

B. The Issuer now owns and operates a public sewerage System, the construction, extension and improvement of which it has financed or refinanced pursuant to the issuance of the Prior Bonds.

C. The Issuer has determined that present value debt service savings will result from the current refunding of its Outstanding Series 1997 A Refunding Revenue Bonds, and that it is in the best interest of the residents of the Issuer and other users of the System to currently refund such Series 1997 A Refunding Revenue Bonds.

D. It is deemed necessary for the Issuer to issue its Sewer Refunding Revenue Bonds, Series 2010 A, in the original aggregate principal amount of not more than $2,000,000, in order to repay in full the remaining principal balance of and all accrued interest on the Issuer 's Series 1997 A Refunding Revenue Bonds. The proceeds of the Series 2010 A Bonds may also be applied to funding the Series 2010 A Bonds Reserve Account and the payment of underwriter's discount; legal expenses; expenses for estimates of costs and revenues; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

E. It is in the best interest of the Issuer that the Series 2010 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by the Supplemental Resolution of the Issuer.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds").

The Series 2010 A Bonds shall be issued on a parity with one another and with the Prior Bonds, all of which shall have a first lien position with respect to pledge and source of and

security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds of the Prior Bonds and the Prior Ordinances and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature.

Prior to the issuance of the Series 2010 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2010 A Bonds on a parity with such Prior Bonds if required by the Prior Ordinances.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer derives revenues from the System which are pledged for payment of the Prior Bonds. Except for such pledge thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner. The Issuer intends to issue the Series 2010 A Bonds and to pledge for payment thereof, the Net Revenues of the System. Upon issuance of the Series 2010 A Bonds, the Series 2010 A Bonds will be secured by a first lien on the Net Revenues of the System, on a parity with the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for repair, maintenance and operation of the System, the payment of interest on the Series 2010 A Bonds and the Prior Bonds, and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2010 A Bonds and the Prior Bonds as and when it becomes due and reasonable reserves therefore, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

I. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2010 A Bonds, and secure the Series 2010 A Bonds by a pledge and assignment of the Net Revenues derived from the operation of the System, the monies in the Series 2010 A Bonds Reserve Account, unexpended proceeds of the Series 2010 A Bonds and as further set forth herein.

J. The Series 2010 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A - SERIES 2010 A BOND FORM, attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2010 A Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2010 A Bonds will be timely done and duly performed.

L. The enactment of this Ordinance, and the execution and issuance of the Series 2010 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

M. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2010 A Bonds for the purposes set forth herein.

N. The Issuer has complied with all requirements of West Virginia law relating to the operation of the System, the issuance of the Series 2010 A Bonds and the refunding of the Series 1997 A Refunding Revenue Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2010 A Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2010 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Registered Owners of any and all of such Series 2010 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2010 A Bond and any other Series 2010 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF REFUNDING

Section 2.01. Authorization of Refunding. All Series 1997 A Refunding Revenue Bonds Outstanding as of the date of issuance of the Series 2010 A Bonds and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full and the pledge of Net Revenues in favor of the Registered Owners of the Series 1997 A Refunding Revenue Bonds imposed by the Prior Ordinance authorizing the issuance of the Series 1997 A Refunding Revenue Bonds, the monies in the funds and accounts created by the Prior Ordinances pledged to payment of the Series 1997 A Refunding Revenue Bonds, and any other funds pledged by the Prior Ordinances to payment of the Series 1997 A Refunding Revenue Bonds are hereby ordered terminated, discharged and released upon such payment to the Registered Owners of the Series 1997 A Refunding Revenue Bonds. ARTICLE III

THE BONDS

Section 3.01. Form and Payment of Bonds. No Series 2010 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2010 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2010 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2010 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2010 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2010 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2010 A Bonds shall be in default, Series 2010 A Bonds issued in exchange for Series 2010 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2010 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2010 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2010 A Bonds shall be paid by check or draft made payable and mailed to the Registered Owner thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2010 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2010 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Registered Owner thereof, another Series 2010 A Bond in the principal amount of said Series 2010 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2010 A Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Recorder by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2010 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2010 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper

office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2010 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2010 A BOND attached hereto and incorporated herein by reference with respect to such respective Series 2010 A Bond, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2010 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2010 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2010 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2010 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting any of said Series 2010 A Bonds, shall be conclusively deemed to have agreed that such Series 2010 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2010 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2010 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2010 A Bonds. The Series 2010 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2010 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2010 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2010 A Bond is exercised, Series 2010 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2010 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2010 A Bonds, the initial exchange

of Series 2010 A Bonds and exchanges of such Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2010 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of such Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2010 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2010 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond so destroyed, stolen or lost, and upon the Registered Owner furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Registered Owner listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2010 A Bonds issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2010 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2010 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Registered Owner of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the Registered Owner of the Series 2010 A Bond or Bonds, as applicable, to be redeemed at the address shown on the Bond

Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all outstanding Series 2010 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

Prior to any redemption date, the Issuer shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2010 A Bonds or portions of such Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Series 2010 A Bonds or portions of such Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Series 2010 A Bonds or portions of such Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2010 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on,

such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefore, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefore to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds, funding the Series 2010 A Bonds Reserve Account and paying costs of issuance of the Series 2010 A Bonds and related costs, there shall be issued the Series 2010 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,000,000. The Series 2010 A Bonds shall be designated "The Town of Kingwood (West Virginia) Sewer Refunding Revenue Bonds, Series 2010 A" and shall be issued in fully registered form, in denominations of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2010 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2010 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2010 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2010 A Bonds. The Series 2010 A Bonds (if purchased by the Original Purchaser) shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2010 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2010 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Registered Owner for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede

& Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein."

With respect to Series 2010 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2010 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any notice with respect to any Series 2010 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2010 A Bonds and the purchase price of any Bond only to or upon the order of the respective Registered Owners, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2010 A Bonds to the extent of the sum or sums so paid. No Person other than a Registered Owner, as shown in the records of the Registrar, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Registered Owners have no right to a depository for the Series 2010 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2010 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2010 A Bonds

shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2010 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2010 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 3.12. Delivery of Series 2010 A Bonds. The Issuer shall execute and deliver the Series 2010 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2010 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2010 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2010 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies of this Ordinance and the Supplemental Resolution certified by the Recorder;

(4) The unqualified approving opinion of Bond Counsel regarding the Series 2010 A Bonds; and

(5) A copy of such other documents and certificates as the Original Purchaser may reasonably require.

Section 3.13. Form of Series 2010 A Bonds. The definitive Series 2010 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2010 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2010 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2010 A Bonds shall have the

form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2010 A Bonds. Upon the issuance and delivery of the Series 2010 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2010 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2010 A Bonds Sinking Fund and applied to payment of interest on the Series 2010 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2010 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2010 A Bonds Reserve Account.

3. An amount of the proceeds of the Series 2010 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds as set forth in the Supplemental Resolution shall be remitted to the Bond Commission to pay the Series 1997 A Refunding Revenue Bonds in full.

4. An amount of Series 2010 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2010 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2010 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2010 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2010 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2010 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2010 A Bonds from which such proceeds are derived.

(1) The Issuer shall first, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Series 2001 A Bonds and Series 2009 A Bonds the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing 7 months prior to the first interest payment date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2010 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2010 A Bonds deposited therein, and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund and in the Series 2010 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2010 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2010 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such

initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing principal payment date or mandatory Redemption Date is more or less than 13 months (or 7 months if the Series 2010 A Bonds mature semiannually rather than annually), then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

Moneys in the Series 2010 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2010 A Bonds, whether by maturity or redemption prior to maturity. Moneys on deposit in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2010 A Bonds when the funds on deposit in the Series 2010 A Bonds Sinking Fund are insufficient therefore, and for no other purpose. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2010 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2010 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2010 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2010 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2010 A Bonds, if not fully funded upon issuance of the Series 2010 A Bonds, for deposit in the Series

2010 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2010 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2010 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2010 A Bonds Reserve Requirement, and thereafter the Issuer shall deposit in the Series 2010 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2010 A Bonds Reserve Account below the Series 2010 A Bonds Reserve Requirement or any withdrawal from the Series 2010 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2010 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2010 A Bonds Reserve Account is less than the Series 2010 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2010 A Bonds Reserve Account for deposit into the Series 2010 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefore, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2010 A Bonds Reserve Account to an amount equal to the Series 2010 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2010 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2010 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2010 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2010 A Bonds Reserve Requirement.

Amounts in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2010 A Bonds when due, when amounts in the Series 2010 A Bonds Sinking Fund are insufficient therefore and for no other purpose.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of

any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds and accounts as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

(7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any other subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2010 A Bonds and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Renewal and Replacement Fund or any Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from each Reserve Account to the corresponding Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the applicable Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in each Reserve Account an amount at least equal to the applicable Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from a Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit

in a Reserve Account shall, at any time, be less than the applicable Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Net Revenues after required deposits to the applicable Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in any Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2010 A Bonds in such manner and to such extent as may be necessary, so that such Series 2010 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2010 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all

such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2010 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds Not to be Indebtedness of the Issuer. The Series 2010 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Net Revenues of the System, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2010 A Bonds, all as herein provided. No Holder or Holders of the Series 2010 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 A Bonds or the interest thereon.

Section 6.03. Series 2010 A Bonds Secured by Parity Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2010 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first

lien on the Net Revenues derived from the operation of the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The payment of the debt service on the Series 2010 A Bonds shall also be secured by the moneys in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized, and to make the payments into the Series 2010 A Bonds Sinking Fund, all moneys and securities in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Net Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the Maximum Annual Debt Service on the Series 2010 A Bonds, and all obligations issued on a parity with the Series 2010 A Bonds, including the Prior Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance. The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Ordinances. Additionally, so long as the Series 2010 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Ordinance and the Prior Ordinances. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Net Revenues with the Series 2010 A Bonds; and all obligations hereafter

issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Series 2010 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or refunding the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder of the Issuer a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds then Outstanding;

(2) The Series 2010 A Bonds then Outstanding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(4) The additional parity Bonds then proposed to be issued.

Notwithstanding the foregoing, the Issuer shall be permitted to issue bonds which refund any Outstanding Series 2010 A Bonds, any additional parity Bonds hereafter issued or any Prior Bonds if, prior to the issuance of such refunding bonds, the Issuer shall have filed with the Recorder: (i) a verification report of the Independent Accountants concluding that present

value debt service savings shall be realized by the Issuer as a result of such refunding, after taking into account all costs of issuance of such refunding bonds, and (ii) a certificate of the Independent Accountants reciting the conclusion that the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such refunding bonds shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds Outstanding after such refunding;

(2) The Series 2010 A Bonds Outstanding after such refunding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance which shall be Outstanding following such refunding; and

(4) The additional parity refunding Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years" as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such parity Bonds any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such additional parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Series 2010 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 A Bonds, the Prior Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2010 A Bonds, except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2010 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefore.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and

payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Holder of Bonds requesting the same, an annual report within 120 days following the end of each Fiscal Year containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Holder of Bonds requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2010 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2010 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds during the terms thereof is, under the terms of such Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2010 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2010 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2010 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2010 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Designation of Series 2010 A Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 2010 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2010 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2010 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2010, all as determined in accordance with the Code.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 A Bonds:

(A) If default by the Issuer occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Registered Owner of any Bond;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If the Issuer defaults on the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Registered Owner of any Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Registered Owners, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Registered Owners of the Bonds; provided that, all rights and remedies of the Registered Owners of the Series 2010 A Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owners hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Registered Owners shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2010 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Registered Owners of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession,

operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Registered Owners of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Registered Owners. In case any Registered Owner shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Registered Owners shall be restored to their former positions and rights hereunder, and all rights and remedies of such Registered Owners shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2010 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Fiduciaries, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2010 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2010 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2010 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2010 A Bonds, the first exchange of Series 2010 A Bonds and the exchange of Series 2010 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2010 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners or effect or aid in any reorganization growing out of the enforcement of the Series 2010 A Bonds or this Ordinance, whether or not any such committee shall represent the Registered Owners of a majority in principal amount of the Series 2010 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Registered Owner in the event all Series 2010 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Registered Owners. The Issuer shall publish in an Authorized Newspaper (or mail to each Registered Owner in the event all Series 2010 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be

mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Registered Owners. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it and relating to the Series 2010 A Bonds to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2010 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2010 A Bonds so authenticated, and, in case any Series 2010 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2010 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent and Depository Bank. The Registrar shall also serve as the Paying Agent and Depository Bank. The Registrar's acceptance of the duties and responsibilities of the Registrar expressed in Section 8.02 shall also include the trusts and the duties of Paying Agent and Depository Bank. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2010 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefore.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Registered Owners may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All moneys received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Registered Owners of all Series 2010 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Net Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Registered Owners of the Series 2010 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2010 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2010 A Bonds on and prior to the maturity date thereof, or if the

Issuer irrevocably determines to redeem any of said Series 2010 A Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2010 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. This Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2010 A Bonds, provided that, in the event any of the Series 2010 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2010 A Bonds or the rights of the applicable Bond Insurer for such Series 2010 A Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Registered Owners of 60% in aggregate principal amount of the Series 2010 A Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Recorder of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2010 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2010 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Registered Owners and Ownership of Series 2010 A Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Registered Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Registered Owners in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Registered Owner or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Holder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2010 A Bonds held by a person executing any instrument as a Registered Owner, the date of his holding such Series 2010 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Registered Owner of any Bond shall bind all future Registered Owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Registered Owner, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Series 2010 A Bonds. All Series 2010 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2010 A Bonds shall be deemed Outstanding under this Ordinance and no Series 2010 A Bonds shall be issued in lieu thereof. All such Series 2010 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Series 2010 A Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2010 A Bonds which remain unclaimed for 1 year after the date on which such Series 2010 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively, the "Prior Bonds").

The Bonds and the interest thereon are payable only from and are secured by the Net Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the Issuer's outstanding Series 1997 A

Refunding Revenue Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Bond is issued, shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

The Town of Kingwood
Sewer Refunding Revenue Bonds, Series 2010 A

Dated: August 27, 2010

Delivery Date: August 27, 2010

TAX AND NON-ARBITRAGE CERTIFICATE

The undersigned are the Mayor of The Town of Kingwood, West Virginia (the *"Town"*).

This Tax and Non-Arbitrage Certificate (the *"Tax and Non-Arbitrage Certificate"*) is executed as of August 27, 2010 for the purpose of establishing the reasonable expectations of the Town as to future events regarding the $1,605,000 Sewer Refunding Revenue Bonds, Series 2010 A (Tax-Exempt) (the *"Refunding Bonds"*) and the use of the proceeds of the Refunding Bonds. The certifications and representations made herein are intended, and may be relied upon, as a certification described in Section 1.148-2(b)(2) of the Treasury Regulations. The Refunding Bonds are authorized to be executed and delivered by the Mayor of the Town pursuant to an Ordinance enacted by the Council of the Town on July 27, 2010, as supplemented by a resolution adopted by the Council of the Town on July 27, 2010 (collectively, the *"Ordinance"*).

This Tax and Non-Arbitrage Certificate also sets forth certain terms and conditions relating to the restrictions on the use and investment of the proceeds of the Refunding Bonds in order that the interest received by the owners of the Refunding Bonds will be excluded from gross income for federal income tax purposes.

NOW, THEREFORE, the Town hereby certifies, covenants, represents and agrees as follows:

ARTICLE I

GENERAL

Section 1.1 Authorization. The Refunding Bonds are being executed and delivered by the Mayor pursuant to the Ordinance and such execution and delivery was authorized by the Ordinance.

Section 1.2 Definitions. Capitalized terms used herein which are not otherwise defined herein shall have the respective meanings set forth in the Ordinance or, if not defined in the Ordinance, in Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the *"Code"*), and related Treasury Regulations.

Section 1.3 **Purpose of the Refunding Bonds.** The Refunding Bonds are being executed and delivered for and on behalf of the Town for the following purposes:

(i) to refund within 90 days of the issue date of the Refunding Bonds, all of the Town's outstanding Sewer Refunding Revenue Bonds, Series 1997 A (the *"Bonds to be Refunded"*);

(ii) to fund a debt service reserve account for the Refunding Bonds; and

(iii) to pay the costs of issuing the Refunding Bonds.

Section 1.4 **Reliance on Other Parties.** The expectations of the Town concerning certain uses of the proceeds of the Refunding Bonds and other matters are based in whole or in part on representations and certifications of other parties set forth in this Tax and Non-Arbitrage Certificate and accompanying certificates. The Town is not aware of any facts or circumstances that would cause it to question the accuracy or reasonableness of any representation or certification made in this Tax and Non-Arbitrage Certificate and accompanying certificates.

Section 1.5 **Private Activity Bond Representations.** For purposes of determining whether the Refunding Bonds are private activity bonds, the Town makes the following representations. For this purpose, the proceeds of the Refunding Bonds used for refunding purposes are treated in the same manner as the Bonds to be Refunded.

(i) Not more than five percent (5%) of the proceeds of the Refunding Bonds will be used, directly or indirectly, to replace funds which were used in any business carried on by any person other than a state or local governmental unit.

(ii) Not more than ten percent (10%) of the payment of principal of or interest on the Refunding Bonds will be, directly or indirectly, (A) secured by any interest in (1) property used or to be used for a private business use by any person other than a state or local governmental unit, or (2) payments in respect of such property, or (B) derived from payments (whether or not to the Town), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit.

(iii) Not more than ten percent (10%) of the proceeds of the Refunding Bonds will be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(iv) No user of the facilities that were financed with the Bonds to be Refunded other than a state or local governmental unit will use more than ten percent (10%) of such facilities on any basis other than the same basis as the general public, and no person other than a state or local governmental unit will be a user of more than ten percent (10%) of such facilities as a result of (A) ownership, (B) actual or beneficial use pursuant to a lease or a management or incentive payment contract, or (C) any other similar arrangement.

Section 1.6 **Single Issue for Certain Tax Purposes.** No obligations are (i) being sold at substantially the same time (i.e., within fifteen (15) days) as the Refunding Bonds, (ii) being sold pursuant to the same plan of financing as the Refunding Bonds, and (iii) reasonably expected to be paid from substantially the same source of funds as the Refunding Bonds, determined without regard to guarantees from unrelated parties.

Section 1.7 **Refunding Bonds not Hedge Bonds.** The Town reasonably expected at the time the Bonds to be Refunded were issued, to spend at least eighty-five percent (85%) of the spendable proceeds of such issue to carry out the governmental purposes for which such issue was being issued within three (3) years of the date such issue was issued. Not more than fifty percent (50%) of the Bonds to be Refunded have been or are expected to be, invested in investments having a substantially guaranteed yield for four (4) years or more.

Section 1.8 **Qualified Tax-Exempt Obligations.** The Town has designated the Refunding Bonds as "qualified tax-exempt obligations" for purposes of paragraph (3) of Section 265(b) of the Code and as determined in accordance with Section 265(b)(3) of the Code, and that not more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Refunding Bonds, have been or shall be issued by the Town during the calendar year 2010, all as determined in accordance with the Code. None of the Refunding Bonds are part of a direct or indirect composite issue.

ARTICLE II

ARBITRAGE

Section 2.1 **Reasonable Expectations.** This Article II states the reasonable expectations, statements of facts and estimates of the Town with respect to the amount and use of the proceeds of the Refunding Bonds and certain other funds. On the basis of the following, it is not expected that the Refunding Bonds will be *"arbitrage bonds"* within the meaning of Section 148 of the Code.

Section 2.2 **Sale Proceeds.**

(a) Sources of Proceeds. Sale proceeds of the Refunding Bonds, net of accrued interest, are as follows:

Par Amount	$1,605,000
Less Underwriter's Discount	($40,125)
Less Original Issue Discount	($11,108)
Sale Proceeds	$1,553,767

(b) Uses of Proceeds. The sale proceeds of the Refunding Bonds, minus underwriters' discount ($40,125), together with funds currently on deposit with the paying agent for the Bonds to be Refunded in the Series 1997 A Bonds Debt Service Reserve Fund in the

amount of $158,425 and in the Series 1997 A Bonds Sinking Fund in the amount of $111,287.50 are expected to be needed and fully expended as follows:

(i) An amount of $33,920.61 will be deposited in the Series 2010 A Bonds Costs of Issuance Fund established under the Ordinance and used to pay the costs of issuance of the Refunding Bonds;

(ii) An amount of $2,000 will be transferred to the paying agent for the Series 1997 A Bonds on the Closing Date and applied to the payment of the fees and expenses of such paying agent then due and owing with respect to the Bonds to be Refunded;

(iii) Refunding Bond proceeds in the amount of $1,370,546.39 will be deposited on the Closing Date with the paying agent for the Bonds to be Refunded and, together with funds currently on deposit with the paying agent for the Bonds to be Refunded in the Series 1997 A Bonds Debt Service Reserve Fund in the amount of $158,425 and in the Series 1997 A Bonds Sinking Fund in the amount of $111,287.50, shall be transferred on or before September 27, 2010 to the registrar for the Bonds to be Refunded to be applied by the registrar on September 27, 2010 to the payment of the principal of, redemption premium and interest on the Bonds to be Refunded; and

(iv) An amount of $147,300 will be deposited into the Series 2010 A Bonds Debt Service Reserve Fund established under the Ordinance for the Refunding Bonds.

Section 2.3 No Overissuance. The total proceeds to be received from the sale of the Refunding Bonds and anticipated investment earnings thereon do not exceed the total of the amount necessary to finance the governmental purposes for which the Refunding Bonds are issued as described above.

Section 2.4 Investment of Proceeds. No portion of the Refunding Bonds is being issued solely for the purpose of investing the proceeds at a yield higher than the yield on the Refunding Bonds or to replace funds which were used, directly or indirectly, to acquire investments with a yield higher than the yield on the Refunding Bonds.

Section 2.5 Funds and Accounts.

(a) General. The following funds and accounts are created and established or continued under the Ordinance:

(i) Revenue Fund;

(ii) Renewal and Replacement Fund;

(iii) Series 2010 A Bonds Costs of Issuance Fund;

(iv) Rebate Fund;

(v) Series 2010 A Bonds Sinking Fund; and

(vi) Within the Series 2010 A Bonds Sinking Fund, the Series 2010 A Bonds Reserve Account (the "Debt Service Reserve Fund"); and the Series 2010 A Bonds Redemption Account.

The Town certifies that the following subsections accurately reflect various matters relating to these funds and accounts.

(b) Revenue Fund. All monies received from time to time by the Town from the operation of the sewer system of the Town are deposited into the Revenue Fund. From the Revenue Fund such monies are disbursed pursuant to Section 4.03A of the Ordinance. At no time were any proceeds of the Bonds to be Refunded on deposit in the Revenue Fund and no proceeds of the Refunding Bonds shall be deposited in the Revenue Fund.

(c) Renewal and Replacement Fund. A Renewal and Replacement Fund is created under the Ordinance, to be funded through monthly deposits of Gross Revenues. Absent an Event of Default on the Refunding Bonds, and depletion in full of the Series 2010 A Bonds Reserve Account, the Renewal and Replacement Fund is not expected to be used for the purpose of paying debt service on the Refunding Bonds. The Town is required to deposit 2 1/2% of the Gross Revenues each month into the Renewal and Replacement Fund. Disbursements may be made from the Renewal and Replacement Fund at any time to pay for replacements, repairs or improvements of the System. In the event the Town experiences financial difficulties with respect to the System, it is not expected that the Renewal and Replacement Fund or any portion thereof will be available to pay debt service on the Refunding Bonds. Such monies will be invested without restriction as to yield and are not subject to rebate.

(d) Series 2010 A Bonds Costs of Issuance Fund. As described in Section 2.2(b)(ii) hereof, a Series 2010 A Bonds Costs of Issuance Fund is created under the Ordinance to be funded from proceeds of the Refunding Bonds in the amount of $33,920.61 ($35,920.60 less the Municipal Bond Commission (the "MBC") fees of $2,000 wired directly to the MBC), to pay costs of issuance of the Refunding Bonds. Proceeds of the Refunding Bonds deposited in the Costs of Issuance Fund generally may be invested at an unrestricted yield for a period of thirteen (13) months from the date hereof, and, thereafter, at a yield not materially higher than the yield on the Refunding Bonds. For investments of amounts described in the preceding sentence, the term *"materially higher"* means one-thousandth of one percentage point (.001%).

(e) Rebate Fund. The Town has covenanted not to use moneys of any fund or account in connection with the Refunding Bonds in a manner which will cause the Refunding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. To that end, the Rebate Fund created under the Ordinance and will be funded to the extent required either from transfers from the other funds or accounts or from the Town's general funds. The Paying Agent shall deposit into the Rebate Fund any payments received in accordance with this Tax and Non-Arbitrage Certificate for purposes of paying rebate to the United States Treasury Department and so identified. The amount required to be held in the Rebate Fund at any point in time is determined pursuant to the requirements of the Code, including particularly Section 148(f) of the Code and the Treasury Regulations promulgated thereunder. Moneys in the Rebate Fund are neither pledged to nor expected to be used to pay debt service on the Refunding Bonds.

(f) Series 2010 A Bonds Sinking Fund. The Series 2010 A Bonds Sinking Fund will be used primarily to achieve a proper matching of revenues and debt service within each bond year. To the extent the Series 2010 A Bonds Sinking Fund will be used to pay debt service on the Refunding Bonds, it is expected to be depleted at least once each bond year except for a reasonable carryover amount not to exceed the greater of (i) the earnings on investment of the moneys in these accounts for the immediately preceding bond year, or (ii) one-twelfth (1/12th) of the debt service on the Refunding Bonds for the immediately preceding bond year. Amounts deposited in the Series 2010 A Bonds Sinking Fund will be expended to pay debt service on the Refunding Bonds within thirteen (13) months from the date of deposit therein pursuant to the Ordinance. The Series 2010 A Bonds Sinking Fund is expected to constitute a *"bona fide debt service fund"* within the meaning of the Treasury Regulations.

Amounts deposited into the Series 2010 A Bonds Sinking Fund for the purpose of paying current debt service on the Refunding Bonds may be invested at an unrestricted yield for a period not exceeding thirteen (13) months from the date of the first deposit of such amounts to such fund and, thereafter, at a yield not materially higher than the yield on the Refunding Bonds. For investments of amounts described in the preceding sentence, the term *"materially higher"* means one-thousandth of one percentage point (.001%). As long as the Series 2010 A Bonds Sinking Fund qualifies as bona fide debt service funds, amounts therein will not be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(g) Series 2010 A Bonds Debt Service Reserve Fund. As described in Section 2.2(b)(iii) hereof, $147,300 of the proceeds of the Refunding Bonds will be deposited in the Series 2010 A Bonds Debt Service Reserve Fund to secure the Refunding Bonds. The Underwriter has certified, in Exhibit A attached hereto, that the establishment and maintenance of the Series 2010 A Bonds Debt Service Reserve Fund is a vital factor in the marketing of the Refunding Bonds. The Series 2010 A Bonds Debt Service Reserve Fund does not exceed the lesser of (i) 10% of the proceeds of the Refunding Bonds, (ii) 125% of average annual debt service on the Refunding Bonds or (iii) maximum annual debt service on the Refunding Bonds. The Series 2010 A Bonds Debt Service Reserve Fund may be invested at an unrestricted yield throughout the term of the Refunding Bonds and is subject to rebate.

(h) Series 2010 A Redemption Account. The Series 2010 A Redemption Account is created under the Ordinance. In the event moneys are deposited into the Series 2010 A Redemption Account, to the extent they are not part of a "bona fide debt service fund" within the meaning of the Treasury Regulations, they will, to the extent the yield thereon exceeds the yield on the Refunding Bonds, be subject to rebate. Otherwise, they will be invested without restriction as to yield and are not subject to rebate.

Section 2.6 No Replacement. Other than proceeds of the Refunding Bonds, neither the Town nor any person related to it within the meaning of Section 147(a) of the Code (a *"Related Person"*) has on hand any funds which could legally and practically be used for the purposes for which the Refunding Bonds are being issued which are not pledged, budgeted, earmarked or otherwise necessary to be used for other purposes. Accordingly, no portion of the proceeds of the Refunding Bonds will be used (i) directly or indirectly to replace funds of the Town or any Related Person that could be used for the purpose for which the Refunding Bonds

are being issued, or (ii) to replace any proceeds of any prior issuance of obligations by the Town or any Related Person.

Section 2.7 No Other Sinking or Pledged Funds. Except for the Series 2010 A Bonds Sinking Fund, no other funds or accounts have been or are expected to be established, and no moneys or property have been or are expected to be available or pledged (no matter where held or the source thereof) which are expected to be used or available to pay, directly or indirectly, principal or interest on the Refunding Bonds, or restricted so as to give reasonable assurance of their availability for such purposes.

Section 2.8 No Abusive Arbitrage Device. The Town certifies, warrants and covenants that the Refunding Bonds are not and will not be part of a transaction or series of transactions that (i) attempts to circumvent the provisions of Section 148 of the Code and related Treasury Regulations, thereby enabling the Town to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage, and (ii) overburdens the tax-exempt bond market in any manner, including, without limitation, issuing more bonds, issuing bonds earlier, or allowing them to remain outstanding longer than is otherwise reasonably necessary to accomplish the governmental purpose of the Refunding Bonds.

Section 2.9 Temporary Period and Transferred Proceeds. The Town acknowledges that pursuant to Section 149(d)(3)(A)(iv)(II) of the Code, any temporary period under Section 148(c) of the Code for the proceeds of the Bonds to be Refunded will end on the date hereof, and thus the yield on such proceeds will be restricted to a yield not materially higher than the yield on the Bonds to be Refunded.

Proceeds of each issue of the Bonds to be Refunded will become transferred proceeds of the Refunding Bonds when proceeds of the Refunding Bonds discharge the Bonds to be Refunded on September 27, 2010. When proceeds of the Bonds to be Refunded become transferred proceeds of the Refunding Bonds, the yield on such proceeds will be restricted to a yield not materially higher than the yield on the Refunding Bonds or the Town will make timely yield reduction payments to reduce the yield on such proceeds to a yield not materially higher than the yield on the Refunding Bonds.

ARTICLE III

CALCULATION OF YIELD

Section 3.1 Yield. For purposes of this Tax and Non-Arbitrage Certificate, yield is calculated as set forth in Section 148(h) of the Code and Sections 1.148-4 and 1.148-5 of the Treasury Regulations. Thus, yield generally means that discount rate which, when used in computing the present value of all unconditionally payable payments of principal and interest with respect to an obligation and the cost of qualified guarantees (if any) paid and to be paid with respect to such obligation, produces an amount equal to the issue price of the obligation.

The Town certifies, based upon representations of the Underwriters shown in Exhibit A hereto, that the aggregate reoffering price of the Refunding Bonds is $1,593,892, which represents the price at which the Refunding Bonds were sold to the public (excluding bond houses, brokers and other intermediaries) plus accrued interest. For purposes hereof, yield shall

be calculated on a 360-day year basis with interest compounded semiannually. The yield on the Refunding Bonds on an aggregate basis as computed by Crews & Associates, Inc., the underwriter of the Refunding Bonds is at least 4.0887522%.

ARTICLE IV

REBATE

Section 4.1 Undertakings. The Town has covenanted to comply with certain requirements of the Code. The Town covenants that it shall retain an arbitrage consultant to determine any rebate due with respect to the Bonds to be Refunded and any rebate or yield reduction payments required to be made with respect to the Refunding Bonds. The Town acknowledges that the United States Department of the Treasury has issued Treasury Regulations with respect to these undertakings, including the proper method for computing whether any rebate amount is due the United States under Section 148(f) of the Code (i.e., Sections 1.148-0 through 1.148-11, 1.149(d)-1, 1.149(g)-1, 1.150-1 and 1.150-2 of the Treasury Regulations). The Town covenants that it will undertake to determine (or have determined on its behalf) what is required with respect to the rebate provisions contained in Section 148(f) of the Code from time to time and will undertake to comply with any requirements that may be applicable to the Refunding Bonds. The Town will undertake the methodology described in this Article IV of this Tax and Non-Arbitrage Certificate, except to the extent inconsistent with any requirements of present or future law, regulations or future guidance issued by the United States Department of the Treasury or if the Town receives an opinion of Bond Counsel.

Section 4.2 Rebate Fund. A special fund designated the *"Rebate Fund"* has been continued pursuant to the Ordinance. The Town shall keep the Rebate Fund separate and apart from all other funds and moneys held by it.

Section 4.3 Recordkeeping. Detailed records with respect to each and every Nonpurpose Investment attributable to Gross Proceeds (within the meaning of Section 1.148-1(b) of the Treasury Regulations) of the Refunding Bonds must be maintained by the Town, including (i) purchase date, (ii) purchase price, (iii) any accrued interest paid, (iv) face amount, (v) coupon rate, (vi) frequency of interest payments, (vii) disposition price, (viii) any accrued interest received, (ix) disposition date, and (x) broker's fees. Such detailed record keeping is required for the calculation of the rebate amount (within the meaning of Section 1.148-3 of the Treasury Regulations) which, in part, will require a determination of the difference between the actual aggregate earnings of all Nonpurpose Investments and the amount of such earnings assuming a rate of return equal to the yield on the Refunding Bonds.

Section 4.4 Rebate Amount Calculation and Payment.

(a) The Town represents, warrants and covenants that it will prepare or cause to be prepared a calculation of the rebate amount with respect to the Refunding Bonds consistent with the rules described in this Section 4.4. The Town will prepare the calculation of the rebate amount (i) within fifty-five (55) days after the close of the fifth Bond Year and each fifth Bond Year thereafter so long as any Refunding Bonds remain unpaid, and (ii) within fifty-five (55) days after the first date on which there are no unpaid Refunding Bonds. Not later than fifty-five

(55) days after the end of the fifth Bond Year and each fifth Bond Year thereafter so long as any Refunding Bond remains unpaid, and within fifty-five (55) days after the last Refunding Bond is paid, the Town shall deposit an amount necessary to increase or decrease the sum held in the Rebate Fund to the rebate amount.

(b) For purposes of calculating the rebate amount (i) the aggregate amount earned with respect to a Nonpurpose Investment shall be determined by assuming that the Nonpurpose Investment was acquired for an amount equal to its value at the time it becomes a Nonpurpose Investment, and (ii) the aggregate amount earned with respect to any Nonpurpose Investment shall include any unrealized gain or loss with respect to the Nonpurpose Investment on the first date when there are no unpaid Refunding Bonds or when the investment ceases to be a Nonpurpose Investment.

(c) The Paying Agent shall pay to the United States Department of the Treasury, pursuant to instructions from the Town, out of designated funds (i) not later than sixty (60) days after the end of each fifth Bond Year, a payment equal to at least ninety percent (90%) of the rebate amount with respect to the Refunding Bonds, calculated as of the end of such fifth Bond Year, and (ii) not later than sixty (60) days after the first date when there are no unpaid Refunding Bonds, an amount equal to one hundred percent (100%) of the rebate amount (determined as of the first date when there are no unpaid Refunding Bonds) plus any actual or imputed earnings on such rebate amount, all as set forth in Sections 1.148-1 through 1.148-11 of the Treasury Regulations and as determined by or on behalf of the Town.

(d) Each payment required to be made pursuant hereto and relating to the Refunding Bonds shall be filed with the Internal Revenue Service Center designated in the then-applicable Internal Revenue Service forms and instructions, on or before the date such payment is due and shall be accompanied by Internal Revenue Service Form 8038-T or successor form. The Town must retain records of the calculations required by this Section 4.4 until six (6) years after the retirement of the last obligation of the Refunding Bonds.

Section 4.5 Valuation of Investments.

(a) General Rule. Except as otherwise provided in this Section 4.5, for all purposes of Section 148 of the Code, the value of an investment allocated to the Refunding Bonds (including a payment or receipt on the investment) on a date must be determined using one of the following valuation methods:

(i) Outstanding Principal Amount Method. A plain par investment (as defined in Section 1.148-1(b) of the Treasury Regulations) may be valued at its outstanding stated principal amount, plus any accrued unpaid interest on that date.

(ii) Present Value Method. An investment whose yield is fixed and determinable on the issue date (a *"fixed rate investment"*) may be valued at its present value on that date. Present value of an investment is computed under the economic accrual method, using the same compounding interval and financial conventions used to compute the yield on the Refunding Bonds (i.e., 360-day year basis with interest compounded semiannually). The present value of an investment on a date is equal to the

present value of all unconditionally payable receipts to be received from and payments to be paid for the investment after that date, using the yield on the investment as the discount rate.

(iii) Fair Market Value Method. An investment may be valued at its fair market value on that date. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's-length transaction. Fair market value generally is determined on the date on which a contract to purchase or sell the nonpurpose investment becomes binding (i.e., the trade date rather than the settlement date). Except as otherwise provided in Subsections 4.5(e), (f) and (g) hereof, an investment that is not of a type traded on an established securities market, within the meaning of Section 1273 of the Code, is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

(b) Mandatory Valuation of Certain Investments at Fair Market Value. Except as provided in Subsections 4.5(c) and (d), an investment must be valued at fair market value on the date that it is first allocated to the Refunding Bonds or first ceases to be allocated to the Refunding Bonds as a consequence of a deemed acquisition or deemed disposition.

(c) Mandatory Valuation of Yield Restricted Investments at Present Value. Any yield restricted investment must be valued at present value.

(d) Transferred Proceeds Allocations, Universal Cap Allocations and Commingled Funds. Notwithstanding Subsection 4.5(b) hereof, an investment need not be valued at fair market value if it is allocated to the Refunding Bonds or ceases to be allocated to the Refunding Bonds as a result of the transferred proceeds allocation rule under Section 1.148-9(b) of the Treasury Regulations or the universal cap rule under Section 1.148-6(b)(2) of the Treasury Regulations. In addition, investments in a commingled fund (other than a bona fide debt service fund) need not be valued at fair market value unless it is a commingled fund described in Section 1.148-6(e)(5)(iii) of the Treasury Regulations.

(e) Certificates of Deposit. The purchase price of a certificate of deposit that has a fixed interest rate, a fixed payment schedule and a substantial penalty for early withdrawal will be treated as its fair market value on the purchase date if:

(i) the yield on the certificate of deposit is not less than the yield on reasonably comparable direct obligations of the United States; and

(ii) the yield on the certificate of deposit is not less than the highest yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(f) Guaranteed Investment Contracts. The purchase price of a guaranteed investment contract will be treated as its fair market value on the purchase date if:

(i) the Town has made (or had made on its behalf) a bona fide solicitation for a specified guaranteed investment contract and received at least three (3) bona fide bids from providers that have no material financial interest in the Refunding Bonds;

(ii) the Town purchased (or had purchased on its behalf) the highest-yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

(iii) the yield on the guaranteed investment contract (determined net of broker's fees) is not less than the yield then available from the provider on reasonably comparable guaranteed investment contract, if any, offered to other persons from a source of funds other than gross proceeds of tax-exempt bonds;

(iv) the determination of the terms of the guaranteed investment contract took into account as a significant factor the Town's reasonably expected drawdown schedule for the amounts to be invested, exclusive of amounts deposited in debt service funds and reasonably required reserve or replacement funds;

(v) the terms of the guaranteed investment contract, including collateral security requirements, are reasonable; and

(vi) the provider of the guaranteed investment contract certified the administrative costs that it paid (or expects to pay) to third parties in connection with the guaranteed investment contract.

(g) United States Treasury Obligations. The fair market value of a United States Treasury obligation that is purchased directly from the United States Treasury is its purchase price.

Section 4.6 Segregation of Proceeds. In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Town hereby agrees to establish separate funds, accounts or subaccounts or take other accounting measures in order to account fully for all Gross Proceeds.

Section 4.7 Filing Requirements. The Town shall file or cause to be filed such reports or other documents with the Internal Revenue Service as may be required by the Code from time to time (e.g., Form 8038-G and Form 8038-T).

Section 5.6 Permitted Changes; Opinion of Bond Counsel. The yield restrictions contained in Section 2.5 or any other restriction or covenant contained herein need not be observed or may be changed if the Town receives an opinion of Bond Counsel to the effect that such noncompliance or change will not adversely affect the exclusion of interest on the Refunding Bonds for federal income tax purposes.

Section 5.7 Successors and Assigns. The terms, provisions, covenants and conditions of this Tax and Non-Arbitrage Certificate shall bind and inure to the benefit of the respective successors and assigns of the Town.

Notice of Redemption

So long as the Series 2010 A Bonds are maintained under a book-entry system, notice of the call for any redemption of the Series 2010 A Bonds shall be given as described below under "BOOK-ENTRY ONLY SYSTEM." At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2010 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2010 A Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2010 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Town by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Town shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

There are outstanding obligations of the Town which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively, the "Prior Bonds").

The Bonds and the interest thereon are payable only from and are secured by the Net Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Town within any constitutional or statutory provision or limitation, nor shall the Town be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Town has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Town has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the Town's outstanding Series 1997 A Refunding Revenue Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Town for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Bond is issued, shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2010 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2010 A Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2010 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2010 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2010 A Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2010 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

The Town has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the Town's outstanding Series 1997 A Refunding Revenue Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Town for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2010 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2010 A Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2010 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

There are outstanding obligations of the Town which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively, the "Prior Bonds").

The Town has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Town for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

Sewer Refunding Revenue Bonds, Series 2010 A
(Tax-Exempt)

The Town of Kingwood
Kingwood, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by The Town of Kingwood, West Virginia (the "Issuer") of its $1,605,000 aggregate principal amount of Sewer Refunding Revenue Bonds, Series 2010 A (Tax-Exempt) (the "Series 2010 A Bonds").

The Series 2010 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 13, Article 2E of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on July 27, 2010, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on July 27, 2010 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Ordinance when used herein.

The Series 2010 A Bonds are issued in fully registered form, are dated August 27, 2010, upon original issuance, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing April 1, 2011, as set forth in the Ordinance.

The Series 2010 A Bonds shall be subject to optional redemption on or after October 1, 2015, at par plus accrued interest thereon to the date set for redemption.

The Ordinance provides that the Series 2010 A Bonds are issued for the purpose of currently refunding the Issuer's Sewer Refunding Revenue Bonds, Series 1997 A (the "Series

1997 A Bonds"), funding a debt service reserve account for the Series 2010 A Bonds and paying costs of issuance of the Series 2010 A Bonds and related costs.

The Series 2010 A Bonds have been sold to Crews & Associates, Inc. (the "Original Purchaser"), pursuant to a Bond Purchase Agreement dated August 12, 2010, and accepted by the Issuer (the "Bond Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2010 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance, has authorized, executed and delivered the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2010 A Bonds, and has issued and delivered the Series 2010 A Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2010 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Net Revenues of the System, on a parity with the Issuer's outstanding: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued

in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds"). The Series 2010 A Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. The Series 1997 A Bonds have been paid within the meaning and with the effect expressed in the Ordinance, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 1997 A Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2010 A Bonds (including any original issue discount properly allocable to owners of the Bonds) is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2010 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2010 A Bonds. Prospective purchasers of the Series 2010 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied subsequent to issuance of the Series 2010 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2010 A Bonds set forth in the Ordinance, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2010 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2010 A Bonds.

7. Under the Act, the Series 2010 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Issuer has designated the Series 2010 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and covenanted that not

more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Bonds, have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2010, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer. Therefore, the Series 2010 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

9. The Series 2010 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2010 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2010 A Bonds and the enforceability of the Series 2010 A Bonds, the Ordinance, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the official statement prepared and used in connection with the offering and sale of the Series 2010 A Bonds.

We have examined the executed and authenticated Series 2010 A Bonds of said issue, and in our opinion, said Series 2010 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance and sale by The Town of Kingwood (the "Town" or "Issuer") of its $1,605,000 aggregate principal amount of Sewer Refunding Revenue Bonds, Series 2010 A (Tax-Exempt) (the "Series 2010 A Bonds"). In our capacity as bond counsel, we are delivering an opinion of even date herewith concerning the legality of the Series 2010 A Bonds and the exclusion of interest on the Series 2010 A Bonds from gross income for federal income tax purposes (the "Bond Opinions"). We have examined the documents and instruments as described in the Bond Opinions, the Official Statement and such other matters as we have deemed necessary or appropriate to render this opinion. Words and terms used in this opinion shall have the meanings assigned to them in the Bond Purchase Agreement (the "Bond Purchase Agreement") dated August 12, 2010, between the Town and Crews & Associates, Inc. (the "Underwriter").

Based upon the foregoing, we are of opinion that:

(1) The Bond Documents have been authorized, executed and delivered by the Town and, assuming due authorization, execution and delivery by the other parties thereto, are legal, valid, binding and enforceable obligations of the Town (except to the extent that enforceability may be limited by bankruptcy, insolvency or other laws or equitable principles affecting creditors' right generally).

(2) The Town, under the Act, has full power and authority to enact the Ordinance, enter into the Bond Purchase Agreement and perform its obligations thereunder.

(3) The Official Statement has been duly approved, signed and delivered by the Town, and the Town has authorized the distribution of the Official Statement and the use thereof by the Underwriter in connection with the offering of the Series 2010 A Bonds.

(4) The statements and information contained in the Official Statement under the captions or subcaptions (i) "Tax Matters" are true and accurate in all material respects and presents a fair summary and description of the matters summarized and described under such caption, and (ii) the statements and information contained in the Official Statement under the captions or subcaptions, "Introduction," "Security for the Series 2010 A Bonds," "The Series 2010 A Bonds" (except for the statements referred to therein under "Appendix G- Book-Entry Only System" with respect to the Depository Trust Company), "Appendix D- Form of Bond Counsel Opinion" and "Appendix F-Ordinance", except for financial or statistical data therein as to which no opinion is hereby expressed, do not contain any untrue statement of a material fact or omit to state a material fact necessary to make such statements, in light of the circumstances under which they were made, not misleading in any material respect and are accurate and present a fair summary of the matters referred to therein.

(5) The Series 2010 A Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Ordinance is exempt from qualification as a trust indenture pursuant to the Trust Indenture Act of 1939, as amended.

Charleston, West Virginia

Ladies and Gentlemen:

We have acted as counsel for The Town of Kingwood, West Virginia (the "Town") in connection with the sale of the above-referenced Bonds (the "Series 2010 A Bonds"), which are being delivered and sold pursuant to a Bond Purchase Agreement dated as of August 12, 2010 (the "Bond Purchase Agreement") between Crews & Associates, Inc. (the "Underwriter") and the Town. Any capitalized term used herein and not defined herein shall have the meaning assigned to it in the Bond Purchase Agreement.

In this connection, we have reviewed and examined certain proceedings and documents with respect to the Series 2010 A Bonds, any such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, the Constitution and the laws of the State of West Virginia, including Chapter 16, Article 13 and Chapter 13, Article 2E of the Code of West Virginia, 1931, as amended (the "Act"), the Ordinance of the Town relating to the Series 2010 A Bonds enacted on July 27, 2010, as supplemented by a supplemental parameters resolution adopted by the Council of the Town on July 27, 2010 (collectively, the "Ordinance"), the Bond Purchase Agreement and the Official Statement dated August 12, 2010, with respect to the issuance and offering of the Series 2010 A Bonds (the "Official Statement"), and certifications of the Town. Based on such review and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

1. The Town is a municipal corporation and political subdivision duly organized and existing under the laws and Constitution of the State of West Virginia. The Town is authorized by the laws of the State of West Virginia, as provided by the Act, to enter into and perform its obligations under the Ordinance and the Bond Purchase Agreement.

2. The Town has full power and authority to consummate all transactions contemplated by the Series 2010 A Bonds, the Bond Purchase Agreement, the Official Statement and any other agreements relating thereto, to which the Town is a party and the Town has

complied with all requirements of the Act that must be satisfied in connection with the issuance of the Series 2010 A Bonds.

3. To the best of our knowledge following due inquiry, there is no litigation pending or threatened against the Town, in any court, which in any way affects the existence of the Town or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Bonds, or the collection of revenues and assets of the Town pledged or to be pledged to pay the principal of and interest on the Series 2010 A Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Series 2010 A Bonds, the Ordinance, the Bond Purchase Agreement, or contesting the powers of the State of West Virginia with respect to the Series 2010 A Bonds, the Ordinance or this Bond Purchase Agreement or any transaction described in or contemplated by the Official Statement.

4. The Official Statement, as amended or supplemented to the date hereof, contains no untrue statement regarding the Town of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein regarding the Town, in light of the circumstances under which they were made, not misleading.

5. The statements contained in the Official Statement under the captions "The System," "Financing Plan," "Absence of Material Litigation," "Continuing Litigation," and "Appendix B- The System," insofar as such statements contained under such captions purport to summarize certain matters set forth therein and certain provisions of the Ordinance, except for financial or statistical data therein or matters relating to the book entry system maintained by the Depository Trust Company as to which no opinion is hereby expressed, are accurate and present a fair summary of the matters referred to therein.

All counsel to this transaction may rely upon the foregoing opinion as if specifically addressed to them.

Re: $1,605,000 The Town of Kingwood
Sewer Refunding Revenue Bonds, Series 2010 A

Ladies and Gentlemen:

We have acted as counsel to you (the "Underwriter") in connection with the issuance and sale by The Town of Kingwood (the "Town") of its Sewer Refunding Revenue Bonds, Series 2010 A, in the aggregate principal amount of $1,605,000 (the "Series 2010 A Bonds"). In connection with rendering this opinion, we have examined the Official Statement dated August 12, 2010, the Bond Purchase Agreement dated August 12, 2010 (the "Purchase Agreement"), and Rule 15c2-12 of the Securities and Exchange Commission promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). Capitalized terms used but not defined herein shall have the meanings set forth in the Purchase Agreement.

Based upon the foregoing review, we are of the opinion that you are not required to comply with the requirements of paragraph (b)(5) of the Rule.

Without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement, but on the basis of our conferences with representatives of the Town, counsel for the Town, Bond Counsel and the Underwriter, and our examination of certain documents referred to in the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (excluding therefrom the financial and statistical data included in the Official Statement, including Appendix B thereto as to which we express no opinion) contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

This opinion is solely for the benefit of, and may be relied upon only by, the Underwriter; and it is not to be used, circulated, quoted or otherwise referred to for any other purpose, except that a copy hereof may be included in the transcript of closing documents pertaining to the delivery of the Series 2010 A Bonds.

West Virginia Water Development Authority

Ladies and Gentlemen:

Based upon the principal and interest payments for the proposed $1,605,000 Sewer Refunding Revenne Bonds, Series 2010 A (the "Bonds"), the sewer rates and charges set forth in the Sewer Rate Ordinance enacted January 26, 2010, and the projected operating expenses and the anticipated customer usage as furnished to us by The Town of Kingwood (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of the Issuer, will (i) to pay all operating expenses of the System, and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Bonds and all other obligations secured by or payable from the revenues of the System, including the Issuer's: (1) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860; (2) Sewer Revenue Bonds, Series 2001 (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181; and (3) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (collectively, the "Prior Bonds").

It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, if any, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Bonds and the Prior Bonds.

The proceeds of the Series 2010 A Bonds, together with other funds available therefor, will be used as follows: (i) to refund the Town's Sewer Refunding Revenue Bonds, Series 1997 A (the "Refunded Bonds"); (ii) to provide funds in the amount of $_____, to be deposited in the Series 2010 A Bonds Reserve Account; and (iii) to pay certain costs of issuance of the Series 2010 A Bonds and related costs.

The Series 2010 A Bonds are payable from and secured by the Net Revenues, as defined in the Ordinance, derived from the existing sewerage system of the Town, known as the City of Kingwood Sanitary Sewer Works, and any extensions, improvements or betterments thereto (the "System") on parity with the Prior Bonds, as hereinafter defined, and any additional parity bonds that may hereafter be issued by the Town as permitted by the Ordinance (the Series 2010 A Bonds, the Prior Bonds and any such additional parity bonds are collectively referred to herein as the "Bonds"), and the Series 2010 A Bonds are also payable from funds on deposit in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account therein. The Series 2010 A Bonds do not constitute an indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, and the Town shall not be obligated to pay the Series 2010 A Bonds or premium, if any, or the interest thereon except from such Net Revenues and such funds on deposit. Pursuant to the Ordinance and the ordinances enacted with respect to other Bonds outstanding payable from the Net Revenues, the Town has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Net Revenues, as defined in the Ordinance, equal to at least 115% of the maximum amount required in any year to pay the principal of and interest on the Bonds and the Prior Bonds. See "ADDITIONAL SECURITY FOR THE SERIES 2010 A BONDS - Rate Covenant."

THE SERIES 2010 A BONDS

General

The Series 2010 A Bonds shall be dated as of the date provided in a Supplemental Resolution and shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2010 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2010 A Bonds shall be in default, Series 2010 A Bonds issued in exchange for Series 2010 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2010 A Bonds surrendered. The Series 2010 A Bonds will bear interest from their date, payable semiannually on each April 1 and October 1, commencing October 1, 2010, upon original issuance, at the rates per annum and will mature on the dates and in the amounts set forth on the cover page of this Official Statement.

The Series 2010 A Bonds will be issued as fully registered bonds without coupons in denominations of $5,000 and integral multiples thereof for any year of maturity. The Series 2010 A Bonds initially shall be maintained under a book-entry system; Beneficial Owners shall have no right to receive physical possession of the Series 2010 A Bonds and payments of principal or redemption price of and interest on the Series 2010 A Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, interest on the Series 2010 A Bonds will be payable by check or draft made payable and mailed to the owners thereof at the addresses appearing in the books kept by the Registrar as of the 15th day of the month preceding such interest payment date (the "Record Date"). If the book-entry system is discontinued, principal of and premium, if any, on the Series 2010 A Bonds will be payable to the owner thereof upon surrender thereof at the office of the Paying Agent.

So long as the Series 2010 A Bonds are maintained under a book-entry system, transfers of ownership interests in the Series 2010 A Bonds will be made as described herein under "BOOK--ENTRY ONLY SYSTEM." If the book-entry system is discontinued, ownership of any Series 2010 A Bond may be transferred upon surrender thereof to the Registrar, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his duly authorized attorney or legal representative. Upon any such transfer of a Series 2010 A Bond, there will be issued another Series 2010 A Bond or Series 2010 A Bonds, at the option of the transferee, of the same aggregate principal amount, series, maturity and interest rate as said Series 2010 A Bond. For every exchange or transfer of Series 2010 A Bonds, the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer. The party requesting such transfer shall pay any service charge of the Registrar and any applicable tax or other governmental charge.

Optional Redemption*

The Series 2010 A Bonds maturing on or after October 1, 20__, at the option of the Town, will be subject to redemption prior to maturity, as a whole or in part at any time, at a redemption price (expressed as a percentage of the principal amount to be redeemed) set forth below, plus accrued interest to the date fixed for redemption:

Period During Which Redeemed
(both dates inclusive)

Redemption Dates	Redemption Price

If fewer than all of the Series 2010 A Bonds shall be called for optional redemption, the particular maturities of the Series 2010 A Bonds to be redeemed shall be selected by the Town in such manner as it shall determine. So long as the Series 2010 A Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2010 A Bonds to be credited with any partial redemption shall be made as described herein under "BOOK-ENTRY ONLY SYSTEM."

Mandatory Redemption

The Series 2010 A Bonds maturing October 1, 201_, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2010 A Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2010, and on each October 1 thereafter to and including October 1, 201_, in annual principal amounts as follows:

Year	Amount

201_	__,000
201_ (Maturity)	__,000

The principal amount of Series 2010 A Bonds maturing October 1, 201_, delivered to or purchased by the Trustee shall reduce pro tanto the principal amount of Series 2010 A Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

Notice of Redemption

So long as the Series 2010 A Bonds are maintained under a book-entry system, notice of the call for any redemption of the Series 2010 A Bonds shall be given as described below under "BOOK-ENTRY ONLY SYSTEM." At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2010 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2010 A Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2010 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

BOOK-ENTRY ONLY SYSTEM

The information in this section has been obtained from sources that the Town and the Underwriter believe to be reliable, but neither the Town nor the Underwriter takes any responsibility for the accuracy thereof.

The Depository Trust Company

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2010 A Bonds. The Series 2010 A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2010 A Bond will be issued for each maturity, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such

as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at **www.dtcc.com** and www.dtc.org.

3. Purchases of the Series 2010 A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2010 A Bonds on DTC's records. The ownership interest of each actual purchaser of the Series 2010 A Bonds ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2010 A Bonds, except in the event that use of the book-entry system for the Series 2010 A Bonds is discontinued.

4. To facilitate subsequent transfers, all the Series 2010 A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2010 A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2010 A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Series 2010 A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of the Series 2010 A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2010 A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2010 A Bonds documents. For example, Beneficial Owners of the Series 2010 A Bonds may wish to ascertain that the nominee holding the Series 2010 A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.]

6. Redemption notices shall be sent to DTC. If less than all of the Series 2010 A Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2010 A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Bondholders as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s

consenting or voting rights to those Direct Participants to whose accounts the Series 2010 A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds on the Series 2010 A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Series 2010 A Bonds at any time by giving reasonable notice to the Town or the Registrar. Under such circumstances, in the event that a successor depository is not obtained, Series 2010 A Bonds are required to be printed and delivered.

10. The Town may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2010 A Bonds will be printed and delivered to DTC.

ADDITIONAL SECURITY FOR THE SERIES 2010 A BONDS

The Series 2010 A Bonds are special obligations of the Town and are payable as to principal, premium, if any, and interest solely from the sources described below. The Town is under no obligation to pay the Series 2010 A Bonds except from said sources.

Outstanding Prior Bonds

The Town has outstanding the following bonds payable from the Net Revenues of the System that are on parity with the Series 2010 A Bonds: the Sewer Revenue Bonds, Series 1986 B, dated March 26, 1986, issued in the original aggregate principal amount of $850,860, of which approximately $380,648 is currently outstanding (the "Series 1986 B Bonds"); the Sewer Revenue Bonds, Series 2001 A, dated December 20, 2001, issued in the original aggregate principal amount of $818,181, of which approximately $693,768 is currently outstanding; and the Sewer Revenue Bonds, Series 2009 A, dated January 30, 2009, issued in the original aggregate principal amount of $724,650, of which approximately $172,900 is currently outstanding (collectively, the "Prior Bonds").

Sources of Payment

The payment of the debt service on the Series 2010 A Bonds shall be secured forthwith equally and ratably by a first lien on and pledge of the Net Revenues derived from the System, on parity with the Prior Bonds and any additional parity bonds that may hereafter be issued by the Town as permitted by the Ordinance, and the Series 2010 A Bonds are also payable from the funds

on deposit in the Series 2010 A Bonds Sinking Fund and the Reserve Account therein. Net Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Bonds and to make the payments into the Series 2010 A Bonds Sinking Fund and all other payments provided for in the Ordinance, and the funds in the Series 2010 A Bonds Sinking Fund and the Reserve Account therein are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2010 A Bonds as the same become due and for the other purposes provided in the Ordinance.

Rate Covenant

Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the Town, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Town has covenanted and agreed that the schedule or schedules of rates or charges from time to time in effect shall be sufficient to produce Net Revenues equal to not less than 115% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year and all payments required into all funds and accounts of the Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets. In any event, the Town shall not reduce the rates or charges of the System set forth in the rate ordinance enacted by the Town on January 26, 2010.

The Town further covenanted that it will enact any rate increases as shall be required to comply with the aforementioned rate covenant, to the extent and in the manner authorized by law, immediately following a determination by the Town or upon an annual audit of the Town that the Town is not in compliance with such rate covenant.

Series 2010 A Bonds Reserve Account

$_____ of proceeds of the Series 2010 A Bonds will be deposited in the Series 2010 A Bonds Reserve Account.

In the event of a transfer from the Series 2010 A Bonds Reserve Account to the Series 2010 A Bonds Sinking Fund as aforesaid, the Town shall restore the balance to the Series 2010 A Bonds Reserve Account in an amount up to the Series 2010 A Bonds Reserve Requirement, and the Town shall replenish the Series 2010 A Bonds Reserve Account with the first Net Revenues available after all required payments have been made in full in the order set forth in the Ordinance.

THE SYSTEM

Sewer System

The System, pursuant to statute, is under the custody, supervision, control, administration, maintenance and operation of the Sanitary Board. The Sanitary Board operates a sewage collection and treatment system with a treatment plant of approximately 1.3 million gallons per day capacity and about twenty-five (25) miles of sewer lines. The System, valued at approximately $10,000,000, serves 100% of the Town with a total population of approximately 2,944. The System consists of six different treatment facilities whose average age is nine years. Certain facilities of the base System were constructed through funds provided from the sale of sewer revenue bonds in the original amount of $2,560,000. The base system became operational in September of 1987. These Bonds are payable from sewer user charges which provide the requisite net revenues for payment of sewer revenue bonds.

Organization and Administration

The System is a municipally owned public sewer utility operated in accordance with the Act and the rules and regulations of the Public Service Commission of West Virginia. The Sanitary Board was created by the Town by an ordinance passed February 25, 1986, to acquire, construct, equip, operate and maintain a sewage collection and disposal system. The Sanitary Board serves as the policy making body for the System. The Sanitary Board consists of three members, with the Mayor of the Town as ex-officio chairman. Two (2) other members are appointed by Council. During any period of construction, one member must be a Registered Professional Engineer. Under the Act, the Council retains the authority to establish and maintain rates and charges for the use of services provided by the Sanitary Board and to issue bonds on behalf of the Town for the purpose of paying the costs of improvements and extensions to the System.

The present membership of the Sanitary Board:

James Lobb	–	Mayor and Ex-Officio Chairman Term Expires June 30, 2011
William Rosier	–	Vice Chairman Term Expires September 1, 2010
Fred Koch	–	Secretary/Treasurer Term Expires September 1, 2010

Service Area

The System presently serves the municipal limits that comprise Kingwood, West Virginia. The Town is located centrally in Preston County, just west of the Cheat River.

History and Development

The Kingwood sewerage system dates back to the early 1900's. The Town has storm, sanitary and combined sewers. Sewer construction has taken place continuously since the 1980's. The primary sewage treatment plant ("rotating biological contactors" system) was built in 1985. There are approximately twenty-five miles of sewer lines in the Town.

Rates

The current schedule of rates and charges has been in place since January 26, 2010. The following table sets for the current rates and charges.

Applicability

Applicable to entire area served.

Availability of Service

Available for general domestic, commercial and industrial sanitary sewer service.

Rates

(Based upon metered volume of water supplied)

Number of Gallons/Month		Rate
First	10,000 gallons	$10.18 per 1000 gallons
Next	490,000 gallons	$3.26 per 1000 gallons
All Over	500,000 gallons	$2.44 per 1000 gallons

Minimum Bill

No bill shall be rendered for less than $37.67 per month.

The monthly Minimum Bill shall be $37.67 per month.

Unmetered/Unmeasured Rates

In the event the water supply is unmetered or otherwise unmeasurable, the unmetered rate shall be charged. The unmetered rate shall be $37.67 per month for residential customers. Each occupied trailer located within or outside of a house trailer court and which occupied trailer receives unmetered water service is required to pay a minimum of $37.67 per month. The Municipality of Kingwood shall collect from each unmetered customer who has only a sanitary connection with the Municipality of Kingwood a sewer use flat rate per month of $37.67.

Delayed Payment Penalty

The above rates are net. On all current usage billings not paid in full within twenty (20) days of billing date, a ten percent (10%) penalty will be added to the net amount shown. This delayed payment penalty is not interest and is only to be collected once for each bill where it is appropriate.

If any bill is not paid within sixty (60) days after date, water service to the customer will be discontinued. Water service will not be restored until all past due water

and sewer bills have been paid in full and all accrued penalties plus a Reconnection Charge have been paid.

Sewer Connection Charge (Tap Fee)

All new Tap-ons will be charged a $500.00 connection fee.

The Town shall have no obligation to acquire by condemnation or otherwise additional rights of way or easements necessary for the extension of lines, which shall be provided by applicant upon terms and conditions approved by the Town.

Reconnection Service Charge

There shall be a Reconnection Charge of $20, which shall be paid prior to restoration of water service previously disconnected for non-payment of sewer charges.

Returned Checks for Insufficient Funds

If a check received is returned by the bank for any reason, the bank's charge to the Town shall be the Town's charge to the customer for such a bad check, but such charge to the customer shall not exceed $20.00.

Leak Adjustment

$1.00 per 1,000 gallons. To be used when a water bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. The rate shall be applied to all such consumption above the customer's historic average.

Public Service Commission

The tariffs, rates, joint rates, tolls and schedules of municipality utilities are not subject to the general authority of the West Virginia Public Service Commission (the "PSC") to enforce, originate, establish, change and promulgate rates and charges. However, such rates and charges shall be just, reasonable, applied without unjust discrimination or preference, and based primarily on the costs of providing such services. Municipal utility rates and charges shall become effective not sooner than forty-five (45) days after adoption. Notice of intent to effect a rate change shall be specified on the monthly bill sent to the customers. Such rates and charges shall be filed with the PSC, together with such information showing the basis of such rates and charges and such other information as the PSC considers necessary.

The PSC shall review and approve or modify such rates upon the filing of a petition, within thirty (30) days of the adoption of the ordinance changing said rates or charges, (1) by any customer aggrieved by the changed rates or charges, who presents to the PSC a petition signed by not less than twenty-five percent (25%) of the customers served by a municipal utility or (2) by any customer or group of customers who presents a petition alleging discrimination between said customer or group of customers and other customers of the municipal utility, accompanied by evidence of discrimination. Upon the filing of a petition or sufficient showing of discrimination, the PSC shall suspend the adoption of the rate change contained in the ordinance for a period of one hundred twenty (120) days from the date said rates or charges would

otherwise go into effect or until an order approving, disapproving or modifying the rate change is issued.

The PSC shall have general supervision of all municipal utilities. The PSC may audit and investigate the Town's practices and policies and shall have power to order such improvements as will best promote the public interests.

Billing and Collections

Billing and collecting is performed by the Sanitary Board using monthly water meter readings obtained from the Town's Water Department. Accounts not paid in full within twenty (20) days of the date of billing are assessed an additional 10%.

The Board elected to participate in the West Virginia Public Employees Retirement System, a statewide system comprised of the State of West Virginia and such of its political subdivisions as elect to participate.

Annuity benefits under the Retirement System are financed through employer and member contributions and investment earnings on such contributions. The following table summarized the contributions made by the Sanitary Board to the Retirement System during each of the past five fiscal years.

Summary: Rate increases have been enacted to respond to rising O & M expenses - primarily the addition of Sewer Field crew employees previously employed by the City of Kingwood. The Sewer System gained operational efficiencies by adding the crew, but also increased expenses.

BOND ORDINANCE

See APPENDIX C – FORM OF BOND ORDINANCE, for the Bond Ordinance enacted by the Town on July 27, 2010. The Ordinance includes, inter alia, a description of the intended uses of the proceeds of the Series 2010 A Bonds, the System's application of revenues and flow of funds, general covenants imposed upon the Town and the System as a result of the issuance of the Series 2010 A Bonds and defaults and remedies associated with the issuance of the Series 2010 A Bonds.

TAX MATTERS

In the opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, interest on the Series 2010 A Bonds [including any original issue discount properly allocable to an owner thereof] is excludable from gross income of the holders thereof for federal income tax purposes and will not be treated as a preference item for

purposes of the federal alternative minimum tax imposed on individuals and corporations. It should be noted, however, that for purposes of computing the alternative minimum tax on corporations, such interest is taken into account in determining adjusted current earnings.

The Town has designated the Series 2010 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Code, and in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the Code), a deduction is allowed for 80% of that portion of such financial institution's interest expense allocable to interest on the Series 2010 A Bonds.

The Code imposes certain requirements as a condition to exclusion from gross income of the interest on the Series 2010 A Bonds for federal income tax purposes, including a requirement that the Town rebate to the United States Treasury certain arbitrage earnings. The Town will covenant or certify that it will comply with all applicable requirements of the Code. Failure of the Town to comply with such requirements could result in interest on the Series 2010 A Bonds being included in gross income for federal income tax purposes from the date of issue.

Prospective purchasers of the Series 2010 A Bonds should be aware that ownership of the Series 2010 A Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Series 2010 A Bonds. Bond Counsel does not express any opinion regarding such collateral tax consequences. Prospective purchasers of the Series 2010 A Bonds should consult their tax advisors regarding collateral federal income tax consequences.

Bond Counsel is further of the opinion that under the laws of the State of West Virginia, as presently written and applied, the Series 2010 A Bonds and the interest thereon are exempt from taxation by the State of West Virginia or any county or municipality thereof.

[Original Issue Premium

"Acquisition Premium" is the excess of the cost of a bond over the stated redemption price of such bond at maturity or, for bonds that have one or more earlier call dates, the amount payable at the next earliest call date. The Series 2010 A Bonds that mature _____ (collectively, the "Premium Bonds") are being initially offered and sold to the public at an Acquisition Premium. For federal income tax purposes, the amount of Acquisition Premium on each bond the interest on which is excludable from gross income for federal income tax purposes ("tax-exempt bonds") must be amortized and will reduce the bondholder's adjusted basis in that bond. However, no amount of amortized Acquisition Premium on tax-exempt bonds may be deducted in determining bondholder's taxable income for federal income tax purposes. The amount of any Acquisition Premium paid on the Premium Bonds, or on any of the Bonds, that must be amortized during any period will be based on the "constant yield" method, using the original bondholder's basis in such bonds and compounding semiannually. This amount is amortized ratably over that semiannual period on a daily basis.

Holders of any Series 2010 A Bonds, including any Premium Bonds, purchased at an Acquisition Premium should consult their own tax advisors as to the actual effect of such

Acquisition Premium with respect to their own tax situation and as to the treatment of Acquisition Premium for State of West Virginia tax purposes.

Original Issue Discount

The Series 2010 A Bonds maturing _____ (the "Discount Bonds") are being offered and sold to the public at an original issue discount ("OID") from the amounts payable at maturity thereon. OID is the excess of the stated redemption price of a bond at maturity (the face amount) over the "issue price" of such bond. The issue price is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of bonds of the same maturity are sold pursuant to that initial offering. For federal income tax purposes, OID on each bond will accrue over the term of the bond, and for the Discount Bonds, the amount of accretion will be based on a single rate of interest, compounded semiannually (the "yield to maturity"). The amount of OID that accrues during each semi-annual period will do so ratably over that period on a daily basis. With respect to an initial purchaser of a Discount Bond at its issue price, the portion of OID that accrues during the period that such purchaser owns the Discount Bond is added to such purchaser's tax basis for purposes of determining gain or loss at the maturity, redemption, sale or other disposition of that Discount Bond and thus, in practical effect, is treated as stated interest, which is excludable from gross income for federal income tax purposes.

Holders of Discount Bonds should consult their own tax advisors as to the treatment of OID and the tax consequences of the purchase of such Discount Bonds other than at the issue price during the initial public offering and as to the treatment of OID for State of West Virginia tax purposes.]

APPROVAL OF LEGALITY

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Preston County of said State.

B. The Issuer now owns and operates a public sewerage System, the construction, extension and improvement of which it has financed or refinanced pursuant to the issuance of the Prior Bonds.

C. The Issuer has determined that present value debt service savings will result from the current refunding of its Outstanding Series 1997 A Refunding Revenue Bonds, and that it is in the best interest of the residents of the Issuer and other users of the System to currently refund such Series 1997 A Refunding Revenue Bonds.

D. It is deemed necessary for the Issuer to issue its Sewer Refunding Revenue Bonds, Series 2010 A, in the original aggregate principal amount of not more than $2,000,000, in order to repay in full the remaining principal balance of and all accrued interest on the Issuer 's Series 1997 A Refunding Revenue Bonds. The proceeds of the Series 2010 A Bonds may also be applied to funding the Series 2010 A Bonds Reserve Account and the payment of underwriter's discount; legal expenses; expenses for estimates of costs and revenues; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

E. It is in the best interest of the Issuer that the Series 2010 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by the Supplemental Resolution of the Issuer.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds").

The Series 2010 A Bonds shall be issued on a parity with one another and with the Prior Bonds, all of which shall have a first lien position with respect to pledge and source of and

security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds of the Prior Bonds and the Prior Ordinances and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature.

Prior to the issuance of the Series 2010 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2010 A Bonds on a parity with such Prior Bonds if required by the Prior Ordinances.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer derives revenues from the System which are pledged for payment of the Prior Bonds. Except for such pledge thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner. The Issuer intends to issue the Series 2010 A Bonds and to pledge for payment thereof, the Net Revenues of the System. Upon issuance of the Series 2010 A Bonds, the Series 2010 A Bonds will be secured by a first lien on the Net Revenues of the System, on a parity with the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for repair, maintenance and operation of the System, the payment of interest on the Series 2010 A Bonds and the Prior Bonds, and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2010 A Bonds and the Prior Bonds as and when it becomes due and reasonable reserves therefore, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

I. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2010 A Bonds, and secure the Series 2010 A Bonds by a pledge and assignment of the Net Revenues derived from the operation of the System, the monies in the Series 2010 A Bonds Reserve Account, unexpended proceeds of the Series 2010 A Bonds and as further set forth herein.

J. The Series 2010 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A - SERIES 2010 A BOND FORM, attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2010 A Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2010 A Bonds will be timely done and duly performed.

L. The enactment of this Ordinance, and the execution and issuance of the Series 2010 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

M. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2010 A Bonds for the purposes set forth herein.

N. The Issuer has complied with all requirements of West Virginia law relating to the operation of the System, the issuance of the Series 2010 A Bonds and the refunding of the Series 1997 A Refunding Revenue Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2010 A Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2010 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Registered Owners of any and all of such Series 2010 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2010 A Bond and any other Series 2010 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2010 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2010 A BOND attached hereto and incorporated herein by reference with respect to such respective Series 2010 A Bond, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2010 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2010 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2010 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2010 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting any of said Series 2010 A Bonds, shall be conclusively deemed to have agreed that such Series 2010 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2010 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2010 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2010 A Bonds. The Series 2010 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2010 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2010 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2010 A Bond is exercised, Series 2010 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2010 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2010 A Bonds, the initial exchange

of Series 2010 A Bonds and exchanges of such Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2010 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of such Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2010 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2010 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond so destroyed, stolen or lost, and upon the Registered Owner furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Registered Owner listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2010 A Bonds issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2010 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2010 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Registered Owner of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the Registered Owner of the Series 2010 A Bond or Bonds, as applicable, to be redeemed at the address shown on the Bond

Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all outstanding Series 2010 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

Prior to any redemption date, the Issuer shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2010 A Bonds or portions of such Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Series 2010 A Bonds or portions of such Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Series 2010 A Bonds or portions of such Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2010 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on,

such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefore, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefore to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds, funding the Series 2010 A Bonds Reserve Account and paying costs of issuance of the Series 2010 A Bonds and related costs, there shall be issued the Series 2010 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,000,000. The Series 2010 A Bonds shall be designated "The Town of Kingwood (West Virginia) Sewer Refunding Revenue Bonds, Series 2010 A" and shall be issued in fully registered form, in denominations of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2010 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2010 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2010 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2010 A Bonds. The Series 2010 A Bonds (if purchased by the Original Purchaser) shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2010 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2010 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Registered Owner for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede

& Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein."

With respect to Series 2010 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2010 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any notice with respect to any Series 2010 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2010 A Bonds and the purchase price of any Bond only to or upon the order of the respective Registered Owners, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2010 A Bonds to the extent of the sum or sums so paid. No Person other than a Registered Owner, as shown in the records of the Registrar, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Registered Owners have no right to a depository for the Series 2010 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2010 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2010 A Bonds

shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2010 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2010 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 3.12. Delivery of Series 2010 A Bonds. The Issuer shall execute and deliver the Series 2010 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2010 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2010 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2010 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies of this Ordinance and the Supplemental Resolution certified by the Recorder;

(4) The unqualified approving opinion of Bond Counsel regarding the Series 2010 A Bonds; and

(5) A copy of such other documents and certificates as the Original Purchaser may reasonably require.

Section 3.13. Form of Series 2010 A Bonds. The definitive Series 2010 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2010 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2010 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2010 A Bonds shall have the

form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2010 A Bonds. Upon the issuance and delivery of the Series 2010 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2010 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2010 A Bonds Sinking Fund and applied to payment of interest on the Series 2010 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2010 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2010 A Bonds Reserve Account.

3. An amount of the proceeds of the Series 2010 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds as set forth in the Supplemental Resolution shall be remitted to the Bond Commission to pay the Series 1997 A Refunding Revenue Bonds in full.

4. An amount of Series 2010 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2010 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2010 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2010 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2010 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2010 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2010 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2010 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on

deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Series 2001 A Bonds and Series 2009 A Bonds the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing 7 months prior to the first interest payment date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2010 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2010 A Bonds deposited therein, and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund and in the Series 2010 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2010 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2010 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such

initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing principal payment date or mandatory Redemption Date is more or less than 13 months (or 7 months if the Series 2010 A Bonds mature semiannually rather than annually), then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

Moneys in the Series 2010 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2010 A Bonds, whether by maturity or redemption prior to maturity. Moneys on deposit in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2010 A Bonds when the funds on deposit in the Series 2010 A Bonds Sinking Fund are insufficient therefore, and for no other purpose. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2010 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2010 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2010 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2010 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2010 A Bonds, if not fully funded upon issuance of the Series 2010 A Bonds, for deposit in the Series

2010 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2010 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2010 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2010 A Bonds Reserve Requirement, and thereafter the Issuer shall deposit in the Series 2010 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2010 A Bonds Reserve Account below the Series 2010 A Bonds Reserve Requirement or any withdrawal from the Series 2010 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2010 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2010 A Bonds Reserve Account is less than the Series 2010 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2010 A Bonds Reserve Account for deposit into the Series 2010 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefore, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2010 A Bonds Reserve Account to an amount equal to the Series 2010 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2010 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2010 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2010 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2010 A Bonds Reserve Requirement.

Amounts in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2010 A Bonds when due, when amounts in the Series 2010 A Bonds Sinking Fund are insufficient therefore and for no other purpose.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of

any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds and accounts as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

(7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any other subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2010 A Bonds and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Renewal and Replacement Fund or any Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from each Reserve Account to the corresponding Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the applicable Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in each Reserve Account an amount at least equal to the applicable Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from a Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit

in a Reserve Account shall, at any time, be less than the applicable Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Net Revenues after required deposits to the applicable Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in any Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2010 A Bonds in such manner and to such extent as may be necessary, so that such Series 2010 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2010 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all

such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2010 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds Not to be Indebtedness of the Issuer. The Series 2010 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Net Revenues of the System, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2010 A Bonds, all as herein provided. No Holder or Holders of the Series 2010 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 A Bonds or the interest thereon.

Section 6.03. Series 2010 A Bonds Secured by Parity Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2010 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first

lien on the Net Revenues derived from the operation of the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The payment of the debt service on the Series 2010 A Bonds shall also be secured by the moneys in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized, and to make the payments into the Series 2010 A Bonds Sinking Fund, all moneys and securities in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Net Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the Maximum Annual Debt Service on the Series 2010 A Bonds, and all obligations issued on a parity with the Series 2010 A Bonds, including the Prior Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance. The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Ordinances. Additionally, so long as the Series 2010 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Ordinance and the Prior Ordinances. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Net Revenues with the Series 2010 A Bonds; and all obligations hereafter

issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Series 2010 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or refunding the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder of the Issuer a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds then Outstanding;

(2) The Series 2010 A Bonds then Outstanding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(4) The additional parity Bonds then proposed to be issued.

Notwithstanding the foregoing, the Issuer shall be permitted to issue bonds which refund any Outstanding Series 2010 A Bonds, any additional parity Bonds hereafter issued or any Prior Bonds if, prior to the issuance of such refunding bonds, the Issuer shall have filed with the Recorder: (i) a verification report of the Independent Accountants concluding that present

value debt service savings shall be realized by the Issuer as a result of such refunding, after taking into account all costs of issuance of such refunding bonds, and (ii) a certificate of the Independent Accountants reciting the conclusion that the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such refunding bonds shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds Outstanding after such refunding;

(2) The Series 2010 A Bonds Outstanding after such refunding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance which shall be Outstanding following such refunding; and

(4) The additional parity refunding Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years" as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such parity Bonds any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such additional parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Series 2010 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 A Bonds, the Prior Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2010 A Bonds, except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2010 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefore.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and

payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Holder of Bonds requesting the same, an annual report within 120 days following the end of each Fiscal Year containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Holder of Bonds requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2010 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2010 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds during the terms thereof is, under the terms of such Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2010 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2010 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2010 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2010 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Designation of Series 2010 A Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 2010 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2010 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2010 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2010, all as determined in accordance with the Code.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 A Bonds:

(A) If default by the Issuer occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Registered Owner of any Bond;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If the Issuer defaults on the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Registered Owner of any Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Registered Owners, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Registered Owners of the Bonds; provided that, all rights and remedies of the Registered Owners of the Series 2010 A Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owners hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Registered Owners shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2010 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Registered Owners of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession,

operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Registered Owners of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Registered Owners. In case any Registered Owner shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Registered Owners shall be restored to their former positions and rights hereunder, and all rights and remedies of such Registered Owners shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2010 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Fiduciaries, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2010 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2010 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2010 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2010 A Bonds, the first exchange of Series 2010 A Bonds and the exchange of Series 2010 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2010 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners or effect or aid in any reorganization growing out of the enforcement of the Series 2010 A Bonds or this Ordinance, whether or not any such committee shall represent the Registered Owners of a majority in principal amount of the Series 2010 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Registered Owner in the event all Series 2010 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Registered Owners. The Issuer shall publish in an Authorized Newspaper (or mail to each Registered Owner in the event all Series 2010 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be

mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Registered Owners. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it and relating to the Series 2010 A Bonds to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2010 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2010 A Bonds so authenticated, and, in case any Series 2010 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2010 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent and Depository Bank. The Registrar shall also serve as the Paying Agent and Depository Bank. The Registrar's acceptance of the duties and responsibilities of the Registrar expressed in Section 8.02 shall also include the trusts and the duties of Paying Agent and Depository Bank. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2010 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefore.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Registered Owners may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All moneys received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Registered Owners of all Series 2010 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Net Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Registered Owners of the Series 2010 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2010 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2010 A Bonds on and prior to the maturity date thereof, or if the

Issuer irrevocably determines to redeem any of said Series 2010 A Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2010 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. This Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2010 A Bonds, provided that, in the event any of the Series 2010 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2010 A Bonds or the rights of the applicable Bond Insurer for such Series 2010 A Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Registered Owners of 60% in aggregate principal amount of the Series 2010 A Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Recorder of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2010 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2010 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Registered Owners and Ownership of Series 2010 A Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Registered Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Registered Owners in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Registered Owner or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Holder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2010 A Bonds held by a person executing any instrument as a Registered Owner, the date of his holding such Series 2010 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Registered Owner of any Bond shall bind all future Registered Owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Registered Owner, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Series 2010 A Bonds. All Series 2010 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2010 A Bonds shall be deemed Outstanding under this Ordinance and no Series 2010 A Bonds shall be issued in lieu thereof. All such Series 2010 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Series 2010 A Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2010 A Bonds which remain unclaimed for 1 year after the date on which such Series 2010 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free

from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Registered Owners of such Series 2010 A Bonds shall look only to the Issuer for the payment of such Series 2010 A Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Registered Owner, at the address listed on the Bond Register, by certified mail, a notice that such moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such moneys then unclaimed will be returned to the Issuer. If any of said Series 2010 A Bonds is a coupon Bond the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such moneys will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, or the Original Purchaser shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively, the "Prior Bonds").

The Bonds and the interest thereon are payable only from and are secured by the Net Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the Issuer's outstanding Series 1997 A Refunding Revenue Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

FORM OF OPINION OF BOND COUNSEL

_____, 2010

The Town of Kingwood
Sewer Refunding Revenue Bonds, Series 2010 A
(Tax-Exempt)

The Town of Kingwood
Kingwood, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by The Town of Kingwood, West Virginia (the "Issuer") of its $_____ aggregate principal amount of Sewer Refunding Revenue Bonds, Series 2010 A (Tax-Exempt) (the "Series 2010 A Bonds").

The Series 2010 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 13, Article 2E of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on __ _____, 2010, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on _____, 2010 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Ordinance when used herein.

The Series 2010 A Bonds are issued in fully registered form, are dated _____ _____, 2010, upon original issuance, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing _____, 2010, as set forth in the Ordinance.

The Series 2010 A Bonds shall be subject to optional redemption on or after _____ 1, 20_____, at par plus accrued interest thereon to the date set for redemption.

The Ordinance provides that the Series 2010 A Bonds are issued for the purpose of currently refunding the Issuer's Sewer Refunding Revenue Bonds, Series 1997 A (the "Series

1997 A Bonds"), funding a debt service reserve account for the Series 2010 A Bonds and paying costs of issuance of the Series 2010 A Bonds and related costs.

The Series 2010 A Bonds have been sold to Crews & Associates, Inc. (the "Original Purchaser"), pursuant to a Bond Purchase Agreement dated _____, 2010, and accepted by the Issuer (the "Bond Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into a Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2010 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance, has authorized, executed and delivered the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2010 A Bonds, and has issued and delivered the Series 2010 A Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2010 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Net Revenues of the System, on a parity with the Issuer's outstanding: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued

in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds"). The Series 2010 A Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. The Series 1997 A Bonds have been paid within the meaning and with the effect expressed in the Ordinance, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 1997 A Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2010 A Bonds (including any original issue discount properly allocable to owners of the Bonds) is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2010 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2010 A Bonds. Prospective purchasers of the Series 2010 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied subsequent to issuance of the Series 2010 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2010 A Bonds set forth in the Ordinance, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2010 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2010 A Bonds.

7. Under the Act, the Series 2010 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Issuer has designated the Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and covenanted that not more than

$30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Bonds, have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2010, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer. Therefore, the Series 2010 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

9. The Series 2010 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2010 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2010 A Bonds and the enforceability of the Series 2010 A Bonds, the Ordinance, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the official statement prepared and used in connection with the offering and sale of the Series 2010 A Bonds.

We have examined the executed and authenticated Series 2010 A Bonds of said issue, and in our opinion, said Series 2010 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Preston County of said State.

B. The Issuer now owns and operates a public sewerage System, the construction, extension and improvement of which it has financed or refinanced pursuant to the issuance of the Prior Bonds.

C. The Issuer has determined that present value debt service savings will result from the current refunding of its Outstanding Series 1997 A Refunding Revenue Bonds, and that it is in the best interest of the residents of the Issuer and other users of the System to currently refund such Series 1997 A Refunding Revenue Bonds.

D. It is deemed necessary for the Issuer to issue its Sewer Refunding Revenue Bonds, Series 2010 A, in the original aggregate principal amount of not more than $2,000,000, in order to repay in full the remaining principal balance of and all accrued interest on the Issuer 's Series 1997 A Refunding Revenue Bonds. The proceeds of the Series 2010 A Bonds may also be applied to funding the Series 2010 A Bonds Reserve Account and the payment of underwriter's discount; legal expenses; expenses for estimates of costs and revennes; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

E. It is in the best interest of the Issuer that the Series 2010 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by the Supplemental Resolution of the Issuer.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, as follows: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds").

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer derives revenues from the System which are pledged for payment of the Prior Bonds. Except for such pledge thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner. The Issuer intends to issue the Series 2010 A Bonds and to pledge for payment thereof, the Net Revenues of the System. Upon issuance of the Series 2010 A Bonds, the Series 2010 A Bonds will be secured by a first lien on the Net Revenues of the System, on a parity with the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for repair, maintenance and operation of the System, the payment of interest on the Series 2010 A Bonds and the Prior Bonds, and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2010 A Bonds and the Prior Bonds as and when it becomes due and reasonable reserves therefore, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

M. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2010 A Bonds for the purposes set forth herein.

The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any snch mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2010 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2010 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Registered Owner of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the Registered Owner of the Series 2010 A Bond or Bonds, as applicable, to be redeemed at the address shown on the Bond

Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all outstanding Series 2010 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

Prior to any redemption date, the Issuer shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2010 A Bonds or portions of such Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Series 2010 A Bonds or portions of such Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Series 2010 A Bonds or portions of such Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2010 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on,

such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefore, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefore to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds, funding the Series 2010 A Bonds Reserve Account and paying costs of issuance of the Series 2010 A Bonds and related costs, there shall be issued the Series 2010 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,000,000. The Series 2010 A Bonds shall be designated "The Town of Kingwood (West Virginia) Sewer Refunding Revenue Bonds, Series 2010 A" and shall be issued in fully registered form, in denominations of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2010 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2010 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2010 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2010 A Bonds. The Series 2010 A Bonds (if purchased by the Original Purchaser) shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2010 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2010 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Registered Owner for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede

& Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein."

With respect to Series 2010 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2010 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any notice with respect to any Series 2010 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2010 A Bonds and the purchase price of any Bond only to or upon the order of the respective Registered Owners, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2010 A Bonds to the extent of the sum or sums so paid. No Person other than a Registered Owner, as shown in the records of the Registrar, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Registered Owners have no right to a depository for the Series 2010 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2010 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2010 A Bonds

shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2010 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2010 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 3.12. Delivery of Series 2010 A Bonds. The Issuer shall execute and deliver the Series 2010 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2010 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2010 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2010 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies of this Ordinance and the Supplemental Resolution certified by the Recorder;

(4) The unqualified approving opinion of Bond Counsel regarding the Series 2010 A Bonds; and

(5) A copy of such other documents and certificates as the Original Purchaser may reasonably require.

Section 3.13. Form of Series 2010 A Bonds. The definitive Series 2010 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2010 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2010 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2010 A Bonds shall have the

form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2010 A Bonds. Upon the issuance and delivery of the Series 2010 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2010 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2010 A Bonds Sinking Fund and applied to payment of interest on the Series 2010 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2010 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2010 A Bonds Reserve Account.

3. An amount of the proceeds of the Series 2010 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 1997 A Refunding Revenue Bonds as set forth in the Supplemental Resolution shall be remitted to the Bond Commission to pay the Series 1997 A Refunding Revenue Bonds in full.

4. An amount of Series 2010 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2010 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2010 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2010 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2010 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2010 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2010 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2010 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on

deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Series 2001 A Bonds and Series 2009 A Bonds the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing 7 months prior to the first interest payment date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2010 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2010 A Bonds deposited therein, and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund and in the Series 2010 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2010 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2010 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such

initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing principal payment date or mandatory Redemption Date is more or less than 13 months (or 7 months if the Series 2010 A Bonds mature semiannually rather than annually), then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

Moneys in the Series 2010 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2010 A Bonds, whether by maturity or redemption prior to maturity. Moneys on deposit in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2010 A Bonds when the funds on deposit in the Series 2010 A Bonds Sinking Fund are insufficient therefore, and for no other purpose. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2010 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2010 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2010 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2010 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2010 A Bonds, if not fully funded upon issuance of the Series 2010 A Bonds, for deposit in the Series

2010 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2010 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2010 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2010 A Bonds Reserve Requirement, and thereafter the Issuer shall deposit in the Series 2010 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2010 A Bonds Reserve Account below the Series 2010 A Bonds Reserve Requirement or any withdrawal from the Series 2010 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2010 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2010 A Bonds Reserve Account is less than the Series 2010 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2010 A Bonds Reserve Account for deposit into the Series 2010 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefore, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2010 A Bonds Reserve Account to an amount equal to the Series 2010 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2010 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2010 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2010 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2010 A Bonds Reserve Requirement.

Amounts in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2010 A Bonds when due, when amounts in the Series 2010 A Bonds Sinking Fund are insufficient therefore and for no other purpose.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of

any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds and accounts as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

(7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any other subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2010 A Bonds and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Renewal and Replacement Fund or any Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from each Reserve Account to the corresponding Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the applicable Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in each Reserve Account an amount at least equal to the applicable Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from a Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit

in a Reserve Account shall, at any time, be less than the applicable Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Net Revenues after required deposits to the applicable Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in any Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2010 A Bonds in such manner and to such extent as may be necessary, so that such Series 2010 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2010 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all

snch payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2010 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds Not to be Indebtedness of the Issuer. The Series 2010 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Net Revenues of the System, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2010 A Bonds, all as herein provided. No Holder or Holders of the Series 2010 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 A Bonds or the interest thereon.

Section 6.03. Series 2010 A Bonds Secured by Parity Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2010 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first

lien on the Net Revenues derived from the operation of the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The payment of the debt service on the Series 2010 A Bonds shall also be secured by the moneys in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized, and to make the payments into the Series 2010 A Bonds Sinking Fund, all moueys and securities in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Net Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the Maximum Annual Debt Service on the Series 2010 A Bonds, and all obligations issued on a parity with the Series 2010 A Bonds, including the Prior Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance. The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Ordinances. Additionally, so long as the Series 2010 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Ordinance and the Prior Ordinances. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Net Revenues with the Series 2010 A Bonds; and all obligations hereafter

issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Series 2010 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or refunding the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder of the Issuer a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds then Outstanding;

(2) The Series 2010 A Bonds then Outstanding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(4) The additional parity Bonds then proposed to be issued.

Notwithstanding the foregoing, the Issuer shall be permitted to issue bonds which refund any Outstanding Series 2010 A Bonds, any additional parity Bonds hereafter issued or any Prior Bonds if, prior to the issuance of such refunding bonds, the Issuer shall have filed with the Recorder: (i) a verification report of the Independent Accountants concluding that present

value debt service savings shall be realized by the Issuer as a result of such refunding, after taking into account all costs of issuance of such refunding bonds, and (ii) a certificate of the Independent Accountants reciting the conclusion that the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such refunding bonds shall not be less than 115% of the Maximum Annual Debt Service on the following:

(1) The Prior Bonds Outstanding after such refunding;

(2) The Series 2010 A Bonds Outstanding after such refunding;

(3) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance which shall be Outstanding following such refunding; and

(4) The additional parity refunding Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years" as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such parity Bonds any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such additional parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Series 2010 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 A Bonds, the Prior Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2010 A Bonds, except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Renewal aud Replacement Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2010 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from snch house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefore.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and

payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Holder of Bonds requesting the same, an annual report within 120 days following the end of each Fiscal Year containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Holder of Bonds requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2010 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2010 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds during the terms thereof is, under the terms of such Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2010 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2010 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2010 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2010 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Designation of Series 2010 A Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 2010 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2010 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2010 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2010, all as determined in accordance with the Code.

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Registered Owner of any Bond;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Registered Owners of the Bonds; provided that, all rights and remedies of the Registered Owners of the Series 2010 A Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owners hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Registered Owners shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2010 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Registered Owners of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession,

operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Registered Owners of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Registered Owners. In case any Registered Owner shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Registered Owners shall be restored to their former positions and rights hereunder, and all rights and remedies of such Registered Owners shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2010 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Fiduciaries, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2010 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2010 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2010 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2010 A Bonds, the first exchange of Series 2010 A Bonds and the exchange of Series 2010 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2010 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners or effect or aid in any reorganization growing out of the enforcement of the Series 2010 A Bonds or this Ordinance, whether or not any such committee shall represent the Registered Owners of a majority in principal amount of the Series 2010 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Registered Owner in the event all Series 2010 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Registered Owners of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Registered Owners. The Issuer shall publish in an Authorized Newspaper (or mail to each Registered Owner in the event all Series 2010 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be

mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Registered Owners. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it and relating to the Series 2010 A Bonds to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2010 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2010 A Bonds so authenticated, and, in case any Series 2010 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2010 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent and Depository Bank. The Registrar shall also serve as the Paying Agent and Depository Bank. The Registrar's acceptance of the duties and responsibilities of the Registrar expressed in Section 8.02 shall also include the trusts and the duties of Paying Agent and Depository Bank. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2010 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefore.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Registered Owners may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All moneys received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Registered Owners of all Series 2010 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Net Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Registered Owners of the Series 2010 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2010 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2010 A Bonds on and prior to the maturity date thereof, or if the

Issuer irrevocably determines to redeem any of said Series 2010 A Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2010 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. This Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2010 A Bonds, provided that, in the event any of the Series 2010 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2010 A Bonds or the rights of the applicable Bond Insurer for such Series 2010 A Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Registered Owners of 60% in aggregate principal amount of the Series 2010 A Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Recorder of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2010 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2010 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Registered Owners and Ownership of Series 2010 A Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Registered Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Registered Owners in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Registered Owner or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Holder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2010 A Bonds held by a person executing any instrument as a Registered Owner, the date of his holding such Series 2010 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Registered Owner of any Bond shall bind all future Registered Owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Registered Owner, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Series 2010 A Bonds. All Series 2010 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2010 A Bonds shall be deemed Outstanding under this Ordinance and no Series 2010 A Bonds shall be issued in lieu thereof. All such Series 2010 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Series 2010 A Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2010 A Bonds which remain unclaimed for 1 year after the date on which such Series 2010 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free

from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Registered Owners of such Series 2010 A Bonds shall look only to the Issuer for the payment of such Series 2010 A Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Registered Owner, at the address listed on the Bond Register, by certified mail, a notice that such moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such moneys then unclaimed will be returned to the Issuer. If any of said Series 2010 A Bonds is a coupon Bond the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such moneys will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, or the Original Purchaser shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

FORM OF OPINION OF BOND COUNSEL

August 27, 2010

The Town of Kingwood
Sewer Refunding Revenue Bonds, Series 2010 A
(Tax-Exempt)

The Town of Kingwood
Kingwood, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by The Town of Kingwood, West Virginia (the "Issuer") of its $1,605,000 aggregate principal amount of Sewer Refunding Revenue Bonds, Series 2010 A (Tax-Exempt) (the "Series 2010 A Bonds").

The Series 2010 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 13, Article 2E of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on July 27, 2010, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on July 27, 2010 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Ordinance when used herein.

The Series 2010 A Bonds are issued in fully registered form, are dated August 27, 2010, upon original issuance, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing April 1, 2011, as set forth in the Ordinance.

The Series 2010 A Bonds shall be subject to optional redemption on or after October 1, 2015, at par plus accrued interest thereon to the date set for redemption.

The Ordinance provides that the Series 2010 A Bonds are issued for the purpose of currently refunding the Issuer's Sewer Refunding Revenue Bonds, Series 1997 A (the "Series

1997 A Bonds"), funding a debt service reserve account for the Series 2010 A Bonds and paying costs of issuance of the Series 2010 A Bonds and related costs.

The Series 2010 A Bonds have been sold to Crews & Associates, Inc. (the "Original Purchaser"), pursuant to a Bond Purchase Agreement dated August 12, 2010, and accepted by the Issuer (the "Bond Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2010 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance, has authorized, executed and delivered the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2010 A Bonds, and has issued and delivered the Series 2010 A Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2010 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Net Revenues of the System, on a parity with the Issuer's outstanding: (1) Sewerage System Design Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated January 30, 2009, issued in the original aggregate principal amount of $724,650 (the "Series 2009 A Bonds"); (2) Sewer Revenue Bonds, Series 2001 A (West Virginia SRF Program), dated December 20, 2001, issued

in the original aggregate principal amount of $878,181 (the "Series 2001 A Bonds"); and (3) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds") (collectively referred to herein as the "Prior Bonds"). The Series 2010 A Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. The Series 1997 A Bonds have been paid within the meaning and with the effect expressed in the Ordinance, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 1997 A Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2010 A Bonds (including any original issue discount properly allocable to owners of the Bonds) is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2010 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2010 A Bonds. Prospective purchasers of the Series 2010 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied subsequent to issuance of the Series 2010 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2010 A Bonds set forth in the Ordinance, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2010 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2010 A Bonds.

7. Under the Act, the Series 2010 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Issuer has designated the Series 2010 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and covenanted that not

more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Bonds, have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2010, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer. Therefore, the Series 2010 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

9. The Series 2010 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2010 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2010 A Bonds and the enforceability of the Series 2010 A Bonds, the Ordinance, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the official statement prepared and used in connection with the offering and sale of the Series 2010 A Bonds.

We have examined the executed and authenticated Series 2010 A Bonds of said issue, and in our opinion, said Series 2010 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Kingwood (the "Issuer") is a municipal corporation of the State of West Virginia in Preston County of said State.

B. The Issuer presently owns and operates a public sewage treatment and collection system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additional sewage treatment and collection facilities of the Issuer (the "Project") which constitute properties for the treatment and collection of liquid or solid wastes, sewage or industrial wastes (the existing facilities, the Project, and any additions thereto or extensions thereof is herein called the "System") at an estimated cost of $10,395,833, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Secretary of the Sanitary Board of the Issuer.

C. The estimated revenues to be derived in each year after the enactment hereof from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds (as hereinafter defined) and all Sinking Fund, Reserve Account and other payments provided for herein.

D. The Sanitary Board of the Issuer has presented a petition to the Issuer for enactment of this Bond and Notes Ordinance.

E. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than $3,000,000 in two series, being the Series 1986 A Bonds in the aggregate principal amount of not more than $2,000,000 and the Series 1986 B Bonds in the aggregate principal amount of not more than $1,000,000 (collectively, the "Bonds"), and contemporaneously therewith, or as soon as practicable thereafter, to issue its sewerage system grant anticipation notes, or a note or notes evidencing a line of credit, or both (collectively, the "Notes") in the aggregate principal amount of not more than $5,000,000 to temporarily finance costs of construction and acquisition of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Notes and the Bonds prior to and during construction or acquisition and for six months after completion of construction of the Project; engineering, and legal expenses; expenses for estimates of cost and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and Notes and such other expenses as may be necessary or incident to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and

the performance of the things herein required or permitted, in connection with any thereof, including, with respect to the Notes, any commitment fees to the Credit Bank, as hereinafter defined, and any costs of obtaining insurance thereon; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or Notes or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that its Original Bonds (as hereinafter defined) be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement and a supplemental loan agreement (collectively, the "Loan Agreement") entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority.

H. There are not outstanding any obligations of the Issuer which will rank prior to or on a parity with the Bonds and the Notes as to lien and source of and security for payment. The Series 1986 B Bonds shall be junior and subordinate to the Series 1986 A Bonds, as set forth herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds and the Notes, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bonds and the Notes by those who shall be the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders and such Noteholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of such Bonds and Notes, respectively, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series and between any one Note and any other Note, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Recorder. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same,

out of the Revenue Fund and remit to the Commission for deposit in the Series 1986 B Bonds Reserve Account, an amount equal to 1/120 of the Series 1986 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1986 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1986 B Bonds Reserve Requirement.

Moneys in the Series 1986 A Bonds Sinking Fund and the Series 1986 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the respective series of Bonds as the same shall become due. Moneys in the Series 1986 A Bonds Reserve Account and the Series 1986 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the respective series of Bonds, as the same shall come due, when other moneys in the attendant Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1986 A Bonds Reserve Account and the Series 1986 B Bonds Reserve Account shall be transferred, not less than once each year, to the respective Sinking Fund and applied in full to the next ensuing principal payment due on the respective Series of Bonds.

Any withdrawals from the Series 1986 A Bonds Reserve Account which result in a reduction in the balance of the Series 1986 A Bonds Reserve Account to below the Series 1986 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Series 1986 A Bonds Sinking Fund have been made in full.

Any withdrawals from the Series 1986 B Bonds Reserve Account which result in a reduction in the balance of the Series 1986 B Bonds Reserve Account to below the Series 1986 B Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Series 1986 A and Series 1986 B Bonds Sinking Funds and the Renewal and Replacement Fund for payment of debt service on the Bonds have been made in full.

As and when additional Bonds ranking on a parity with the Series 1986 B Bonds are issued, provision shall be made for additional payments into the Series B Sinking Fund sufficient to pay the interest on such additional

parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the Series B Reserve Account in an amount equal to the maximum provided and required to be paid into the Series B Sinking Fund in any Fiscal Year for account of all the Series 1986 B Bonds, including such additional Series 1986 B Bonds which by their terms are payable from such Sinking Fund.

The Issuer shall not be required to make any further payments into the Series 1986 A Bonds Sinking Fund or the Series 1986 B Bonds Sinking Fund or into the Reserve Accounts therein when the aggregate amount of funds in both said Sinking Funds and said Reserve Accounts are at least equal to the aggregate principal amount of the respective Bonds issued pursuant to this Bond Legislation then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Sinking Funds, including the Reserve Accounts therein, and the Renewal and Replacement Fund

during the following month, or such other period as required by law, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the Issuer, including, but not limited to, payment to the Trustee for deposit in the Notes Debt Service Fund, as defined in the Indenture.

C. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank, on such dates as the Commission or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund.

ARTICLE VI

BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. Any accrued interest received from the sale shall be deposited in the appropriate Sinking Fund and applied to the first interest payment due on the applicable Series of Bonds.

B. The amount of the proceeds which together with the proceeds deposited pursuant to Subsection (A) of this section and together with the earnings thereon, shall be at least sufficient to pay interest, if any, on the applicable Series of Bonds for the period specified in the Supplemental Resolution shall be deposited in the appropriate Sinking Fund; provided, that such period may not extend beyond the date which is 6 months after the estimated date of completion of construction of the Project.

C. The remaining moneys derived from the sale of the Bonds shall be deposited with the Depository Bank (which shall also be the Trustee) in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02.

D. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Indenture. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so expended, are hereby pledged as additional security for the Bonds. In the event that Notes are issued, the disposition of funds in the Bond Construction Trust Fund may be modified from that set forth herein, with the written consent of the Authority.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Disbursements from the Bond Construction Trust Fund, except for the costs of issuance thereof which shall be made upon request of the Issuer, shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in qualified investments at the direction of the Issuer.

Whenever the Depository Bank shall have received notice that any Grant has been suspended, terminated or annulled, or a stop-work order has been issued, the Depository Bank shall not make further disbursements from the Bond Construction Trust Fund until it shall have received notice of the lifting of such suspension or stop-work order. Notwithstanding the foregoing provisions of this paragraph, if the Grant which has been suspended, terminated or annulled is a Grant other than the EPA Grant or the WDA Grant, and the Issuer files with the Depository Bank a certificate of the Consulting Engineers reciting the conclusion and demonstrating that the Project can be completed without such other Grant, the Depository Bank shall continue to make disbursements from the Bond Construction Trust Fund.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund to the Reserve Fund.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Until the payment in full of the principal of and interest on the Notes when due, the covenants, agreements and provisions contained in this Bond Legislation shall, where applicable, also inure to the benefit of the Holders of the Notes and the Trustee therefor and constitute valid and legally binding covenants of the Issuer, enforceable in any court of competent jurisdiction by the Trustee or any Holder or Holders of said Notes as prescribed in the Indenture; provided, that Section 7.04 and Section 7.09 shall not be applied to the Notes.

Section 7.02. Bonds and Notes not to be Indebtedness of the Issuer. Neither the Bonds nor the Notes shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds or Notes, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or Notes or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 1986 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System and payment of the debt service of the Series 1986 B Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Net Revenues, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Holders of the Series 1986 A Bonds, to the extent necessary to make the payments required under Section 5.03 of this Ordinance. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into the Sinking Fund, including the Reserve Account therein, and all other payments

provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided in therein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges; Rules. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the ordinance of the Issuer enacted November 19, 1985.

Section 7.05. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds and Notes, if any, Outstanding, or to effectively defease this Ordinance in accordance with Section 10.01 hereof and, if not previously defeased, the Indenture in accordance with Section 8.01 thereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Fund, and, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds about to mature. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System. With respect to the Notes, such proceeds in an amount sufficient to pay in full the Notes shall be remitted to the Trustee for deposit in the Notes Debt Service Fund, to apply to the payment of the Notes, prior to maturity if allowable under the Supplemental Resolution.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in

excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $10,000 and not in excess of $50,000, shall be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value. Such payment of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all the Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever with a lien on or otherwise payable from any source of payment pledged originally to the Notes issued under the Indenture prior to or on a parity with the lien on behalf of such Notes until such Notes have been defeased in accordance with the provisions of the Indenture and the Bond Legislation; and, so long as any of the Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Series 1986 B Bonds only may be issued as provided for in Section 7.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to both the Series 1986 A Bonds and the Series 1986 B Bonds; provided, that no such subordinate obligations

shall be issued unless all payments required to be made into the Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

No Parity Bonds shall be issued which shall be payable out of the revenues of the System prior to or on a parity with the Series 1986 A Bonds. All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1986 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(A) The Bonds then Outstanding;

(B) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(C) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any one series of Bonds over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of both the Series 1986 A Bonds and the Series 1986 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with either the Series 1986 A Bonds or the Series 1986 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

B. Notwithstanding the foregoing or any provision of Section 7.06 to the contrary, Bonds on a parity with the Series 1986 A Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority on the date of the Loan Agreement, without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority.

Section 7.08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds or of a Note or Notes issued pursuant to this Bond Legislation or the Trustee shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Trustee and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds or Notes, as the case may be, requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the Indenture with respect to said Bonds or Notes, as the case may be, and the status of all said funds and accounts.

C. The amount of any Bonds, Notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds or Notes, as the case may be, and shall file said report with the Trustee and the Authority, or any other original purchaser of the Bonds.

Section 7.09. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. The Issuer shall take the necessary actions with respect to the imposition of rates at such times and with such provisions with respect to interest rate and maturity of the Bonds to finance the issuance of the Bonds as the purchasers thereof shall require. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each Fiscal

Year equal to at least 115% of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest on the Bonds and all other obligations secured by or payable from such revenues; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit in the Reserve Accounts or reserve accounts for bonds prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each Fiscal Year need only equal at least 110% of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest on the Bonds and all other obligations secured by or payable from such revenues.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which funding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Trustee and the Authority and to any Holder of any Bonds or Notes, as the case may be, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Trustee and to any Holder of any Bonds or Notes, as the case may be, or anyone acting for and in behalf of such Holder of any Bonds or Notes, as the case may be.

In addition, the Issuer shall annually cause the records of the System to be audited by an independent certified public accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement.

Section 7.11. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules of the Issuer, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the water system, if then owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of the water system until all billing for charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, has been fully paid.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds or the Notes remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(A) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE,, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $100,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(C) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and

as is customarily carried with respect to works and properties similar to the Project.

Section 7.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the System, pay the rates and charges established therefor.

ARTICLE IX

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds or Notes respectively, required for consent to the above-permitted amendments or modifications.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Registered Owners of the Bonds and Notes, and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Amendments to Maintain Tax Exemption. The Issuer hereby covenants to make any amendment or supplements to this Ordinance and to the Indenture authorized hereby to enable the Notes or Bonds to be issued in such form as to render the interest thereon exempt from federal income taxation, without further consent of the Holders of the Bonds or the Notes.

Section 11.06. Conflicting Provisions Repealed. All ordinances, orders or resolutions and or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Section 11.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the enactment of this Ordinance do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Mayor, Recorder and members of the Governing Body and the Sanitary Board were at all times when any actions in connection with this Ordinance occurred and are duly in office and duly qualified for such office.

At the date of issuance of the Bonds there is pending an act of the United States House of Representatives entitled the "Tax Reform Act of 1985" and designated "HR 3838" (the "Tax Act"). In the event the Tax Act (or a similar act in substitution thereof) becomes law, certain provisions thereof relating to Section 103 of the Internal Revenue Code of 1931, as amended, are, by the terms of the Tax Act, to be effective as of January 1, 1986. In order to attempt to comply with the Tax Act and therefore to maintain the exemption of interest on the Bonds from Federal income taxation to the extent possible, the Issuer hereby further covenants as follows:

(i) The facilities constituting the System will at all times be available to serve all members of the general public within the service area on an equal basis and will not be used in any manner which would cause the Bonds to constitute "nonessential function bonds;"

(ii) At least 5% of the net proceeds of the Bonds will be expended prior to the date which is 30 days after the date of issuance of the Bonds, and all of the gross proceeds of the Bonds shall be expended within 30 months following the date of issuance of the Bonds;

(iv) Any rebate required to be made by the Issuer to the United States will be made in a timely fashion; and

(v) All other requirements, if any, of the Tax Act will be met by the Issuer in order to maintain the tax-exempt status of the Bonds and the interest thereon.

At such hearing, all objections and suggestions shall be heard and the City Council shall take such action as it shall deem proper in the premises.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF KINGWOOD:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Kingwood (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Preston County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants

of the Issuer that there be acquired and constructed certain additions, betterments and improvements for the existing public sewerage system of the Issuer, including improvements to reduce the inflow and infiltration of storm water into the system, the installation of a new UV disinfection system, the replacement of the existing manual bar screen with a new mechanical bar screen, and the installation of sewer line video equipment and all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection and transportation of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2001 (West Virginia SRF Program), in the total aggregate principal amount of not more than $1,500,000 (the "Series 2001 Bonds"), initially to be represented by a single bond, to permanently finance the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest upon the Series 2001 Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2001 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2001 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2001 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 25 years.

F. It is in the best interests of the Issuer that its Series 2001 Bonds be sold to the Authority pursuant to the terms and provisions of a bond purchase agreement (the "Loan Agreement") by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2001 Bonds as to liens, pledge, source of and security for payment, being the Issuer's Sewer Revenue Bonds, Series 1986 B, dated March 26, 1986, issued in the original aggregate principal amount of $850,860, and Sewer Refunding Revenue Bonds, Series 1997 A, dated November 1, 1997, issued in the original aggregate principal amount of $2,130,000 (collectively, the "Prior Bonds", or individually, the "Series 1986 B Bonds" and the "Series 1997 A Bonds").

The Series 2001 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2001 Bonds, the Issuer will obtain (i) a certificate of an Independent Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) where required, the written consent of the holders of the Prior Bonds to the issuance of the Series 2001 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenue or assets of the System. The Issuer is in compliance with the covenants of the Prior Bonds and the Prior Ordinances.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Prior Bonds and the Series 2001 Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2001 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2001 Bonds or such final order will not be subject to appeal.

J. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board, and the Sanitary Board has petitioned the Council to issue the Series 2001 Bonds for the purposes set forth herein.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2001 Bonds and the Prior Bonds and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Prior Ordinances and in this Bond Legislation. All moneys in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund an amount sufficient to pay all current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Series 1997 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the interest on the Series 1997 A Bonds.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in as provided herein. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided that, any deficiencies in any reserve accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2001 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2001 Bonds as the same shall become due. Moneys in the Series 2001 Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2001 Bonds as the same shall come due, when other moneys in the Series 2001 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2001 Bonds Sinking Fund and the Series 2001 Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2001 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2001 Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2001 Bonds Reserve Account which result in a reduction in the balance of the Series 2001 Bonds Reserve Account to below the

Series 2001 Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority as set forth above.

As and when additional Bonds ranking on a parity with the Series 2001 Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2001 Bonds Sinking Fund or the Series 2001 Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2001 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and Series 2001 Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2001 Bonds Sinking Fund and the Series 2001 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2001 Bonds Sinking Fund and the Series 2001 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2001 Bonds Sinking Fund and the Series 2001 Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2001 Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2001 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the

custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Loan Agreement.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this Section, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2001 Bonds shall be expended as approved by the DEP.

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2001 Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2001 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2001 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2001 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2001 Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2001 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2001 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2001 Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2001 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges , with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services of the facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted March 21, 2000, which rates are incorporated herein by reference as a part hereof.

So long as the Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, loan, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority and the DEP.

So long as the Series 2001 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2001 Bonds, immediately be remitted to the Commission for deposit in the Series 2001 Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2001 Bonds. Any balance remaining after the payment of the Series 2001 Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer

necessary, useful or profitable in the operation thereof, and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $10,000 and not in excess of $50,000, shall be remitted by the Issuer to the Commission for deposit in the Sinking Funds and shall be applied only to the purchase of Bonds of the last maturities then outstanding at prices not greater than the par value thereof plus 3% of such par value. Such payments of such proceeds into the Renewal and Replacement Fund or the Sinking Funds shall not reduce the amounts required to be paid into said funds by other provisions of the Prior Ordinances and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Series 2001 Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Series 2001 Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2001 Bonds. All obligations issued by the Issuer after the issuance of the Series 2001 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2001 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2001 Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2001 Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the

System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System, shall be issued after the issuance of the Series 2001 Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the acquisition and construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by Independent Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments herein provided for, from the System during any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such parity Bonds, shall be not less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal and interest on the following:

(1) The Prior Bonds and the Series 2001 Bonds then Outstanding;

(2) Any additional parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Bond Legislation then Outstanding; and

(3) The additional parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such additional parity Bonds and (b) any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such additional parity Bonds and shall not exceed the

amount to be stated in a certificate of the Independent Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such additional parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountants, as stated in a certificate filed with the Recorder, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate acquisition and construction of such additions, extensions, betterments or improvements to the System which are to be financed by such parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, and the Prior Ordinances, payable from the Net Revenues of the System on a parity with the Prior Bonds and the Series 2001 Bonds, and all the covenants and other provisions of the Prior Ordinances and this Bond Legislation (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Prior Bonds and the Series 2001 Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in the Prior Ordinances and this Bond Legislation required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Prior Ordinances and this Bond Legislation.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the revenues of the System of which is subject to the prior and superior lien of the Bonds on such revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the Net Revenues remaining after all payments required to be made in accordance with the Prior Ordinances and this Bond Legislation have first been paid. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such revenues, with the Prior Bonds and the Series 2001 Bonds except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in the Prior Ordinances and this Bond Legislation on account of the Prior Bonds and the Series 2001 Bonds then Outstanding, and any other payments provided for in the Prior Ordinances and this Bond Legislation, shall have been made in full as required to the date of issuance of the additional parity Bonds and the Issuer is then in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency in such payments.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2001 Bonds, and shall mail in each year to any Holder or Holders of the Series 2001 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Accountants in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Accountants, or a summary thereof, to any Holder or Holders of the Series 2001 Bonds and shall submit the report to the Authority and the DEP, or any other original purchaser of the Series 2001 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and

representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2001 Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2001 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirement are on deposit respectively in the Series 2001 Bonds Reserve Account and reserve accounts for obligations on a parity with the Series 2001 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2001 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance currently in effect.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year

and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit B, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, if so owned by the Issuer to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions

to enforce collections to the maximum extent permitted by law or, if the waterworks facilities are not owned by the Issuer, the Issuer will, to the extent allowed by law, use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2001 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. In the event of any damage to or destruction of any portion of the System, the proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repair or reconstruction of such damages or destroyed portion or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP, and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so

requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for the issuance of the Series 2001 Bonds required by State law, with all appeal periods having expired without successful appeal.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with copies of all documents submitted to the Authority. The Issuer also agrees to

comply with all applicable laws, rules and regulations issued by the Authority, the DEP or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2001 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2001 Bonds during the term thereof is, under the terms of the Series 2001 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2001 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2001 Bonds during the term thereof is, under the terms of the Series 2001 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2001 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2001 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or $5,000,000 of the Net Proceeds of the Series 2001 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2001 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2001 Bonds

and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2001 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Law Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2001 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP for written approval. The Issuer shall obtain the written approval of the DEP before expending any proceeds of the Series 2001 Bonds held in "contingency" as set forth in the schedule attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the DEP before expending any proceeds of the Series 2001 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the DEP and the Authority in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2001 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2001 Bonds from gross income for federal income tax purposes.

Section 8.02. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2001 Bonds as a condition to issuance of the Series 2001 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2001 Bonds as may be necessary in order to maintain the status of the Series 2001 Bonds as governmental bonds;

(ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2001 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, as the case may be, from which the proceeds of the Series 2001 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2001 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2001 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any Series 2001 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2001 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2001 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2001 Bonds shall be on a parity with the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the

Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the

protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

The SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) shall be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2003, as set forth on EXHIBIT B attached hereto.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the DEP, dated November 26, 2001.

This Bond is issued (i) to pay the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); (ii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iii) to pay certain costs of issuance of the Bonds and related costs. The existing public sewerage system of the Issuer, the Project, and any further additions, betterments or improvements thereto are herein called the "System." This Bond is issued

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01 Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13, and Chapter 22C, Article 1 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02 Findings. It is hereby found, determined and declared that:

A. The Town of Kingwood (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Preston County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public sewerage facilities of the Issuer (the design of such herein known as the "Project") and at the costs estimated in Section 2.01 hereof.

C. In order to complete the Project, the Issuer has entered into a Contract with the Consulting Engineer for the engineering services. The Issuer intends to temporarily finance a portion of the costs of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority") pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewerage System Design Revenue Bonds in one single series, being the Sewerage System Design Revenue Bonds, Series 2008 A (West Virginia Water Development Authority), in the aggregate principal amount of not more than $724,650 (the "Series 2008 A Bonds"); to temporarily finance a portion of the costs of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2008 A Bonds prior to and during a period not exceeding 6 months after completion of the Project; amounts which may be deposited in the Reserve Account (as hereinafter defined) for the Series 2008 A Bonds; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2008 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the Project and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2008 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2008 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, in form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2008 A Bonds as to liens, pledge and source of and security for payment being the Issuers: (i) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority) dated March 26, 1986, issued in the original aggregate principal amount of $850,860 (the "Series 1986 B Bonds"); (ii) Sewer Refunding Revenue Bonds, Series 1997A, dated November 1, 1997 issued in the original aggregate principal amount of $2,130,000 (the "Series 1997 A Bonds"); and (iii)) Sewer Revenue Bonds, Series 2001 (West Virginia SRF Program) dated December 20, 2001, issued in the original aggregate principal amount of $878,181 (the "Series 2001 Bonds") (collectively, the "Prior Bonds").

The Series 2008 A Bonds shall be issued on a parity with the Prior Bonds. Prior to the issuance of the Series 2008 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Series 1986 B Bonds

and the Series 2001 Bonds to the issuance of the Series 2008 A Bonds on a parity with the Prior Bonds. The Series 1997 A Bonds do not require consent. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Series 2008 A Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law, the Loan Agreement (hereinafter defined) relating to authorization of the Project and the System and issuance of the Series 2008 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the Authority.

J. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2008 A Bonds for the purposes set forth herein.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2008 A Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Series 2008 A Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

(1) The Issuer shall first, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund an amount sufficient to pay current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission the amount required by Prior Ordinance to pay interest on the Series 1997 Bonds, and (ii) remit to the Commission commencing 3 months prior to the first date of payment of interest on the Series 2008 A Bonds for which interest has not been capitalized or as required in the Loan Agreement, for deposit in the Series 2008 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will become due on the Series 2008 A Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2008 A Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission the amount required by Prior Ordinance to pay principal on the Prior Bonds; and (ii) remit to the Commission commencing 3 months prior to the first date of payment of principal of the Series 2008 A Bonds, for deposit in the Series 2008 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2008 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2008 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission the amounts as required by Prior Ordinance to be deposited in the Prior Bonds Reserve Account; and (ii) remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2008 A Bonds, if not fully funded upon issuance of the Series 2008 A Bonds, for deposit in the Series 2008 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2008 A Bonds Reserve Requirement; provided that, no

further payments shall be made into the Series 2008 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2008 A Bonds Reserve Requirement. Monies in the Series 2008 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2008 A Bonds as the same shall come due, when other monies in the Sinking Fund are insufficient therefor, and for no other purpose.

(5) The Issuer shall next, on the first day of each month, from the monies remaining in the Revenue Fund transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2008 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2008 A Bonds as the same shall become due. Monies in the Series 2008 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2008 A Bonds as the same shall come due, when other monies in the Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2008 A Bonds Sinking Fund shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during the Project, as applicable, be deposited in the Series 2008 A Bonds Project Trust Fund, and following completion thereof, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2008 A Bonds.

Any withdrawals from the Series 2008 A Bonds Reserve Account, which result in a reduction in the balance of such account to below the Reserve Requirement thereof, shall be restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2008 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2008 A Bonds Sinking Fund, or the Series 2008 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2008 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2008 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2008 A Bonds Sinking Fund, and the Series 2008 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2008 A Bonds, under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2008 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require,

such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2008 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2008 A Bonds, there shall first be deposited with the Commission in the Series 2008 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2008 A Bonds for the period commencing on the date of issuance of the Series 2008 A Bonds and ending 6 months after the estimated date of completion of the Project.

Section 6.02. Disbursements of Bond Proceeds.

The Issuer shall each month provide the Authority with a requisition for the costs incurred for the Project, together with such documentation as the Authority shall require. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of the proceeds of the Series 2008 A Bonds from the Series 2008 A Bonds Project Trust Fund shall be made only after submission to, and approval from, the Authority of a certificate, signed by an Authorized Officer stating that:

(2) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(3) Each of such costs has been otherwise properly incurred; and

(4) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the Series 2008 A Bonds Project Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2008 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2008 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2008 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2008 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2008 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2008 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2008 A Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with each other and with the lien on Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted August 12, 2008 which rates are incorporated herein by reference as a part hereof.

So long as the Series 2008 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rate and charges initially established for the System in connection with the Series 2008 A Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such

schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System.So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority.

So long as the Series 2008 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2008 A Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2008 A Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Series 2008 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the source fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such

approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2008 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2008 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2008 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2008 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2008 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations of parity obligations set forth in the Prior Ordinances shall be applicable. In addition no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2008 A Bonds pursuant to this Ordinance, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided.

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and account created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance, shall have been made in full as required to the date of issuance of such Parity Bonds, and the

Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority such documents and information as they may reasonably require in connection with the Project; the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of the Project.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority, or any other original purchaser of the Series 2008 A Bonds and shall mail in each year to any Holder or Holders of the Series 2008 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2008 A Bonds and shall submit the report to the Authority, or any other original purchaser of the Series 2008 A Bonds. Such audit report submitted to the Authority shall include a statement that notes whether the results of test disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Prior to, during and after completion of the Project, the Issuer shall also provide the Authority, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2008 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System; (ii) so long as the Prior Bonds are Outstanding, always provide revenues on each fiscal year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bonds and to make the payments required into Reserve Account; and (iii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2008 A Bonds including the Prior Bonds; provided that, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2008 A Bonds, if applicable, are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2008 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted

or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Interest only shall commence on the date hereof on the amounts advanced and outstanding, payable in quarterly installments on January 1, April 1, July 1 and October 1 of each year in arrears at the rate of 3% per annum, with the first payment due on April 1, 2009. Commencing January 1, 2011, interest accrues at 5% per annum and interest and principal payments are payable in quarterly installments on January 1, April 1, July 1 and October 1 of each year commencing on April 1, 2011 to and including January 1, 2049, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

Principal installments of this Bond are payable in any coin or currency which, on the dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of The Huntington National Bank, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority dated January 30, 2009.

This Bond is issued (i) to pay the costs of design related to the acquisition and construction of certain extensions, additions, betterments and improvements to the public sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance hereof and related costs.
