Engineers to such effect the form of which certificate is attached hereto as Exhibit A;

(d) No Loan shall be made for the purpose of refinancing any outstanding long-term indebtedness of a Governmental Agency unless an opinion of counsel is received by the Authority to the effect that such refinancing is permitted by the Act and the Resolution, and that such refinancing will not cause a violation of any covenant, representation or agreement of the Authority contained in the Resolution or Tax Regulatory Agreement with respect to the exclusion of the interest on the Bonds from gross income of the holder thereof for federal income tax purposes;

(e) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority shall have received a certificate of the Consulting Engineers to such effect;

(f) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") necessary for the construction of the Project and operation of the System with all requisite appeal periods having expired without successful appeal, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsection 4.1(b)(ii) hereof, and the Authority shall have received a certificate of the

accountants for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of water development projects and satisfactory to the Authority, to such effect, such certificate to be in form and substance satisfactory to the Authority, and evidence satisfactory to the Authority of such irrevocably committed grants.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied

to the Authority for loans to finance water development projects and that the obligation of the Authority to make any such loan is subject to the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the right of the Authority to make such loans to other governmental agencies as in the aggregate will permit the fullest and most timely utilization of such proceeds to enable the Authority to pay debt service on the water development revenue bonds issued by it. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until it has available funds sufficient to purchase all the Local Bonds and that, prior to such execution, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available. The Governmental Agency further specifically recognizes that during the last 90 days of a period to originate Loans from its water development revenue bond proceeds, the Authority may execute Loan Agreements, commit moneys and close Local Bond sales in such order and manner as it deems in the best interest of the Program.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly, in the order of priority listed, as set forth on Schedule Y attached hereto and incorporated herein by reference. The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by the gross or net revenues from the System, as more fully set forth in Schedules X and Y attached hereto;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least

one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the reserve account established for the payment of debt service on the Local Bonds (the "Reserve Account") is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount at least equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement") and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That any Local Bond owner may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its operation and maintenance expenses and debt service requirements;

(xii) That the Governmental Agency shall annually adopt a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing for non-construction costs) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the

Authority, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency shall not authorize redemption of any Local Bonds by it without the written consent of the Authority and otherwise in compliance with this Loan Agreement;

(xvi) That, unless it qualifies for an exception to the provisions of Section 148 of the Code, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xvii) That the Governmental Agency shall take any and all action, or shall refrain from taking any action, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for Federal income tax purposes of interest on the Authority's water development revenue bonds;

(xviii) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached to the Loan Application, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority, the Project is adequate for the purposes for which it was designed and the funding plan as submitted to the Authority is sufficient to pay the costs of acquisition and construction of the Project;

(xix) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the West Virginia Public Service Commission, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider; and

(xx) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that

term is defined in the Code) from time to time as the Authority may request.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority.

4.3 An Origination Fee Account shall be established with the Trustee to hold the portion of the proceeds of any Loan established to fund an Origination Fee. Amounts on deposit in an Origination Fee Account shall belong to the Governmental Agency receiving the related Loan, but such amounts may only be disbursed from the Account to pay the Origination Fee as and when required to satisfy the requirements of the State's Revolving Fund program established pursuant to Title VI of the Water Quality Act of 1987 or for such other purposes as the Authority may approve in writing.

4.4 The principal of the Loan shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a semiannual basis as provided in said Schedule X.

4.5 The Loan shall bear interest from the date of the delivery to the Authority of the Local Bonds until the date of payment thereof, at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.6 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.7 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be as determined by the Authority and shall include without limitation Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for the water development revenue bonds. The Authority shall provide both the Governmental Agency and the trustee for the water development revenue bonds with a schedule of such fees and charges, and the Governmental Agency shall pay such fees and charges on the dates indicated directly to the trustee. The Governmental Agency hereby specifically authorizes the Authority to exercise the powers granted it by Section 9.06 of the General Resolution.

4.8 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the Authority's bonds.

4.9 As long as the Authority is the owner of any of the Local Bonds outstanding, the Governmental Agency shall not redeem any of such Local Bonds outstanding without the written consent of the Authority, and any such redemption of Local Bonds authorized by the Authority shall provide for the payment of interest to the first allowable redemption date for the applicable water development revenue bonds, the redemption premium payable on the applicable water development revenue bonds redeemable as a consequence of such redemption of Local Bonds and the costs and expenses of the Authority in effecting any such redemption, all as further prescribed by Section 9.11 of the General Resolution. Nothing in this Loan Agreement shall be construed to prohibit the Authority from refunding applicable water development revenue bonds, and such refunding need not be based upon or result in any benefit to the Governmental Agency.

5.3 In the event the Governmental Agency defaults in the payment of any fees due to the Authority pursuant to Section 4.6 hereof, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under Section 6a of the Act, including without limitation the right to impose, enforce and collect directly charges upon users of the System.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

5. The Local Bonds are valid and legally enforceable special obligations of the Governmental Agency, payable from the [net] revenues of the System referred to in the Local Act and secured by a [first] lien on and pledge of the [net] revenues of said System, all in accordance with the terms of the Local Bonds and the Local Act, and have been duly issued and delivered to the Authority.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer is a public corporation and political subdivision of the State located in Wyoming County, West Virginia.

B. The Issuer presently owns and operates a public water system.

C. The District has a long history of service problems including inadequate capacity and poor water quality and certain areas of the Issuer are currently without public water service and it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain extensions and improvements to the System of the Issuer, consisting of the Project under the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer. The Issuer will purchase water from the Town of Oceana, West Virginia, pursuant to an Operation and Maintenance Agreement which has been approved by the PSC.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Series 1996 Bonds and all sinking funds, reserve accounts and other payments provided for herein and in the PSC Order.

E. The estimated maximum cost of the construction and acquisition of the Project is \$2,344,000, of which approximately 644,000 will be permanently obtained from the Bonds herein authorized, approximately \$1,196,400 will be obtained from the EDA Grant and approximately 366,500 will be obtained from the ARC Grant. The Issuer may obtain such other grants and contributions or from other sources as may be necessary to pay Costs of Project.

F. It is deemed necessary for the Issuer to issue its revenue bonds, being the Kopperston Public Service District Water Revenue Bonds, Series 1996 Bonds in the aggregate principal amount of not more than \$644,000 to permanently finance the cost of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; amounts which may be deposited in the Reserve Account; interest during construction and for a period not to exceed six months thereafter; engineering and legal expenses; expenses for estimates of costs and revenues and for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense, commitment fees, fees of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the financing herein authorized and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 1996 Bonds be sold to the Authority pursuant to the terms and provisions of the Loan Agreement.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Series 1996 Bonds, or will have so complied prior to issuance of any Series 1996 Bonds, including, among other things, the obtaining of the PSC Order, the time for rehearing and appeal of which expired or the rights of all parties to appeal have been waived and "approved by" the West Virginia Infrastructure and Jobs Development Council.

In consideration of the acceptance of the Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders and the covenants and agreements herein set forth to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owners of any and all of such Bonds of like series.

The District has received acceptable bids for the acquisition and construction of the Project.

In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.05. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.06. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain Outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Bonds or transferring the Bonds is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obligated to make any such exchange or transfer of Bonds during the period commencing on the fifteenth day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.07. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing proof of its ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.08. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided and amounts, if any, in the Reserve Account. No Holder or Holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Bonds or the interest thereon.

Section 3.09. Bonds Secured by Pledge of Net Revenues. [Form of Bonds]

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
KOPPERSTON PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 1996

No. R-1

\$644,000

KNOW ALL MEN BY THESE PRESENTS: That KOPPERSTON PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Wyoming County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns the sum of Six Hundred Forty-Four Thousand Dollars (\$644,000) in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference, with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1996. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the Registered Owner hereof at the address as it appears on the books of First Century Bank, Oceana, West Virginia, as registrar (the "Registrar") on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority dated September 20, 1996.

This Bond is one of a series of Bonds (the "Bonds") issued in the original principal amount of \$644,000 (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing waterworks system of the Issuer (the "Project"); (ii) to pay interest on the Bonds during the construction of the Project and for not more than six months thereafter; [(iii) to fund a reserve account for the Bonds;] and (iv) to

pay certain costs of issuance hereof and related costs. This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and a Resolution duly adopted by the Issuer on September 19, 1996, and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, moneys in the Reserve Account created under the Resolution for the Bonds (the "Series 1996 Bonds Reserve Account") and unexpended proceeds of the Bonds (the "Bond Proceeds"). Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside in a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 1996 Bonds Reserve Account and unexpended Bond Proceeds. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Series 1996 Bonds, and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with any of the Series 1996 Bonds, provided however, that so long as the Series 1996 Bonds Reserve Account is funded at an amount at least equal to the maximum amount of principal and interest which will come due on said Bonds in the then current or any succeeding year, and the reserve account for any other obligations outstanding prior to or on a parity with the Series 1996 Bonds, is funded at an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds for the terms of which reference is made to the Resolution. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Resolution, only upon the books of the Registrar by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the costs of the Project described in the Resolution, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

LINE OF CREDIT

Section 4.01. Authorization of Line of Credit. To provide funds for the acquisition and construction of the Project when other funds are not available therefor, the Issuer is hereby authorized to arrange for a Line of Credit, in an amount not to exceed \$300,000. The amount and terms of the Line of Credit may be approved by a resolution supplemental hereto; Provided, that the Issuer has obtained an order of the PSC approving the Line of Credit, the time for rehearing and appeal of which expired or the rights of all parties have been waived.

Section 4.02. Authorization of Credit Line Note. For the purpose of evidencing any draw upon the Line of Credit and thus, of financing a portion of the cost of acquisition and construction of the Project, there may be issued the Credit Line Note of the Issuer in an amount and upon such terms as set forth in a resolution supplemental hereto. The Credit Line Note may be issued in single, fully registered form and dated as of the date of delivery thereof. There shall be attached to the Credit Line Note a Record of Advances and Payments, upon which the date and principal amount of any draw upon the Line of Credit, the date and amount of any payment of principal of the Credit Line Note and the amount of the Credit Line Note outstanding after either of said transactions shall be recorded. Anything to the contrary herein, in the Line of Credit Agreement or therein notwithstanding, the Credit Line Note shall evidence only the outstanding indebtedness recorded on the Record of Advances and Payments attached thereto, and interest shall accrue only on the amount of each advance from the actual date thereof as listed on said Record of Advances and Payments. Each such advance shall bear interest, payable at such times and at a rate set forth in a supplemental resolution, but not to exceed the then legally permissible limit. Interest shall cease to accrue on the amount of the Credit Line Note outstanding, or portions thereof, as the same are paid, as reflected by said Record of Advances and Payments. The Credit Line Note shall mature not more than thirty (30) months from the date thereof. The Credit Line Note shall be subject to such further terms as shall be provided by the Line of Credit Agreement. Notwithstanding the foregoing, the terms of the Credit Line Note, other than the principal amount thereof, may be modified by resolution supplemental and amendatory hereto, subject to the limits of the Act.

The Credit Line Note shall be payable as to principal upon surrender at the principal office of the Notes Registrar, in any coin or currency which on the date of payment of principal is legal tender for the payment of public and private debts under the laws of the United States of America; provided, that any partial payment or principal prior to the final maturity of the Credit Line Note shall be recorded on the Record of Advances and Payments attached to the Credit Line Note, and the Credit Line Note shall be returned to the Registered Owner. Interest on the Credit Line Note shall be paid by check or draft mailed to the Registered Owner thereof at the address as it appears on the books of said Notes Registrar;

provided, that, at the option of the Registered Owner, such payment may be made by wire transfer or such other lawful method as shall be mutually agreeable.

Section 4.03. Execution of Credit Line Note. The Credit Line Note shall be executed in the name of the Issuer by the signature of its Chairperson, and the seal of the Issuer shall be impressed thereon and attested by the signature of the Secretary. Any Credit Line Note may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Credit Line Note shall hold the proper office of the Issuer, although at the date of such Credit Line Note such person may not have held such office or may not have been so authorized.

Section 4.04. Negotiability, Transfer and Registration. Subject to the restrictions on transfer set forth below, the Credit Line Note shall be and have all of the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting the Credit Line Note, shall be conclusively deemed to have agreed that said Credit Line Note shall be incontestable in the hands of a bona fide holder for value.

So long as the Credit Line Note or any portion thereof remains Outstanding, the Notes Registrar shall keep and maintain books for the registration and transfer of the Credit Line Note. The Credit Line Note shall be transferable only upon the books of the Notes Registrar which shall be kept for that purpose at the office of the Notes Registrar (and in such capacity as paying agent) by the Registered Owner thereof in person or by its attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Notes Registrar duly executed by the Registered Owner or its duly authorized attorney. Upon the transfer of the Credit Line Note, there shall be issued at the option of the Registered Owner or the transferee another Credit Line Note or Notes of the aggregate stated principal amount equal to the stated principal amount of such transferred Credit Line Note not paid as reflected on the Record of Advances and Payments attached thereto and outstanding in the aggregate principal amount equal to the advanced but unpaid amount of the transferred Credit Line Note as reflected on the Record of Advances and Payments attached thereto.

In all cases in which the privilege of transferring the Credit Line Note is exercised, Credit Line Notes shall only be issued in accordance with the provisions of this Ordinance and the Supplemental Resolution. All Credit Line Notes surrendered in any such transfers shall forthwith be cancelled by the Notes Registrar. For every such transfer of Credit Line Notes, the Notes Registrar may make a charge sufficient to reimburse its office for any tax, fee or other governmental charge required to be paid with respect to such transfer and the cost of preparing each Credit Line Note upon each transfer, and any other expenses of the Notes Registrar incurred in connection therewith, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. The Notes Registrar shall not be obligated to make any such transfer of Credit Line Notes during the ten (10) days preceding an interest payment date on

the Credit Line Notes or after notice of any prepayment of the Credit Line Notes have been given.

Section 4.05. Form of Credit Line Note and Line of Credit Agreement. The text of the Credit Line Note and the Line of Credit Agreement shall be in substantially the form set forth in the Supplemental Resolution. Any withdrawals from the Series 1996 Bonds Reserve Account which result in a reduction in the balance of the Series 1996 Bonds Reserve Account to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Series 1996 Bonds Sinking Fund and the Series 1996 Bonds Reserve Account, including deficiencies for prior payments, have been made in full.

As and when additional Bonds ranking on a parity with the Series 1996 Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund sufficient to pay any interest on such Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate Reserve Account in an amount equal to the maximum provided and required to be paid into the concomitant Sinking Fund in any year for account of the bonds of such series, including such additional Bonds which by their terms are payable from such Sinking Fund.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Fund shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

Surplus Revenues may be used for any lawful purpose of the System.

D. The moneys in excess of the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Paragraph (A), above, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority. No such deficiency shall exist solely because the required payments into the Reserve Accounts have not, as of such date, funded such account to the requirement therefor.

G. The Gross Revenues of the System shall only be used for purposes of the System.

of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. So long as any of the Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that Parity Bonds may be issued as provided for in Section 7.07 hereof. All obligations hereafter issued by the Issuer payable from the revenues of the System, except such Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments to be made into the Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the respective liens of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Resolution, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1996 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions or improvements to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the three succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding:

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the three succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such extensions or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 1996 Bonds and the Holders of any Parity Bonds issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their respective liens on the revenues of the System and their respective source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of another series on a parity therewith. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in

this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1996 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

B. Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Bonds may be issued pursuant to a Supplemental Resolution solely for the purpose of completing the Project as described in the application to the Authority and in accordance with the plans and specifications of the Consulting Engineer, in the event that the Series 1996 Bonds should be insufficient, together with other funds lawfully available therefore, to pay all costs of construction and acquisition of the project without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority to the issuance of bonds on a parity with the Bonds and provided further that prior to the issuance of such Parity Bonds and under the provisions of this paragraph, the Consulting Engineers shall file with the Secretary a certificate to the effect that additional funds are necessary for such purpose. All such Parity Bonds authorized and issued under the provisions of this paragraph shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of the construction costs to complete the Project, and the maturities of any such Parity Bonds shall be in years and amounts suggested by the Authority.

Section 7.08. Books, Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, or its agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed by the Uniform System of

accounts promulgated by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system, which may be installed remote from the direct supervision of the Governing Body, shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Bonds, Notes or other obligations outstanding and secured by a lien on the Net Revenues of the System.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority, or any other original purchaser of the Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Resolution and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

The Issuer shall permit the Authority, or its agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds

created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System, including any reserves required by the PSC Order or any supplement or amendment thereto and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirement are on deposit respectively in the Reserve Account and reserve accounts for obligations prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds.

Section 7.10. Operating Budget: Audit and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within thirty days of the adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit C, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority that the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be

established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interest of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer and the Authority from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer

from claims arising out of operation and ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code § 38-2-39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractors and all subcontractors, as their interests may appear.

Section 7.16. Operation and Maintenance Agreement. The Operation and Maintenance Agreement, the form of which is attached hereto as Exhibit C and incorporated herein by reference and which has been approved by the PSC, is hereby approved, adopted and ratified. The Chairperson and Secretary are hereby authorized to execute such Agreement and the governing body hereby intends to be legally bound by such Agreement.

Section 7.17. Completion, Operation and Maintenance, Permits and Orders. The Issuer will expeditiously complete the Project in accordance with the plans and specifications prepared by the Consulting Engineers and will maintain the System in good

condition and with all federal and state requirements and standards and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of the System in the manner provided in this Resolution.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and operation of the System.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and all applicable laws, rules and regulations issued by the Authority, or other State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. **PUBLIC PURPOSE BONDS.** The Issuer shall use the Bond proceeds solely for the Project and as otherwise set forth herein, and the Project will be solely operated as a public purpose and as local governmental activity of the Issuer.

B. **PRIVATE ACTIVITY BOND COVENANT.** The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Bonds as 'private activity bonds' within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Bonds.

C. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1996 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

D. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

E. **TWO YEAR CONSTRUCTION ELECTION.** The Issuer will expend the gross proceeds of the Bonds for the Project no later than the day which is two years after the date of issuance of the Bonds. The Issuer will expend the net proceeds (including,

without limitation, investment proceeds earned before the close of the period involved on the investment of the proceeds of the Bonds) of the Bonds for the Project within the following periods beginning on the date of issuance of the Bonds.

Not less than 10 percent within 6 months,

Not less than 45 percent within 1 year,

Not less than 75 percent within 18 months, and

Not less than 100 percent within 2 years

(except for a reasonable retainage not exceeding 5% of the net proceeds of the Bonds which will be spent within 3 years). At least 75% of the net proceeds of the Bonds are to be used for construction expenditures with respect to property owned by the Issuer, and the Project will be owned by the Issuer.

F. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax exempt status of the Bonds, including without limitation the information return required under Section 149(e) of the Code.

G. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it (including those deemed necessary by the Authority) so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including those determined by the Authority) which would adversely affect such exclusion.

Section 7.20. Statutory Mortgage Lien. A statutory mortgage lien upon the System is granted and created by Section 19 of the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Bonds and shall be for the benefit of all Registered Owners of Bonds.

Section 7.21. PSC Order. The Issuer shall comply with the conditions of the PSC Order and any supplement or amendment thereto.

Section 7.22. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS; NON-ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once a year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records relating thereto so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of intent on the Bonds from gross income for Federal income tax purposes.

Section 8.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 1996 Bonds in such manner and to such extent as may be necessary, in view of the Issuer's reasonable expectations at the time of issuance of the Series 1996 Bonds so that the Series 1996 Bonds will not constitute "arbitrage bonds" under Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Bonds so that the interest on the Series 1996 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Rebate of Excess Investment Earnings to the United States. A. CREATION OF FUNDS. There are hereby created, to be held by the Depository Bank as separate funds distinct from all other funds and accounts held by the Depository Bank under this Resolution, the Earnings Fund and the Rebate Fund. All interest earnings and profits on amounts in all funds and accounts established under this Resolution on account of the Series 1996 Bonds, other than (i) interest earnings and profits on any funds referenced in Subsection C(5) of this Section if such earnings in any Bond Year are less than \$100,000, (ii) interest earnings and profits on amounts in funds and accounts which do not constitute Gross Proceeds, and (iii) interest earnings and profits on the Rebate Fund shall, upon receipt by the Depository Bank, be deposited in the Earnings Fund. In addition, all interest earnings and profits on Gross Proceeds in funds held by the Issuer shall, upon receipt, be paid to the Depository Bank for deposit in the Earnings Fund. Annually, on or before the 30th day following the end of each Bond Year or on the preceding business day in the event that such last day is not a business day, or such earlier date as may be required under the Code or the Loan Agreement, the Depository Bank shall transfer from the Earnings Fund to the Rebate Fund for purposes of ultimate payment to the United States an amount equal to Excess Investment Earnings, all as more particularly described in this Section. Following the transfer referenced in the preceding sentence, the Depository Bank shall transfer all amounts remaining in the Earnings Fund to the Construction Trust Fund until completion of the Project, and thereafter to the Revenue Fund.

B. DUTIES OF ISSUER IN GENERAL. The Issuer shall calculate Excess Investment Earnings in accordance with Subsection C and shall assure payment of an amount equal to Excess Investment Earnings to the United States in accordance with Subsections D and E.

C. CALCULATION OF EXCESS INVESTMENT EARNINGS. Within 15 days following the last day of the first Bond Year, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the Excess Investment Earnings referenced in clause (A) of the definition of Excess Investment Earnings. Thereafter, within 15 days following the last day of each Bond Year and within 15 days following the date of the retirement of the Series 1996 Bonds, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the amount of Excess Investment Earnings. Said calculations shall be made or caused to be made by the Issuer in accordance with the following:

(1) Except as provided in (2), in determining the amount described in clause A(i) of the definition of Excess Investment Earnings, the aggregate amount earned on Nonpurpose Investments shall include (i) all income realized under federal income tax accounting principles (whether or not the person earning such income is subject to federal income tax) with respect to such Nonpurpose Investments and with respect to the reinvestment of investment receipts from such Nonpurpose Investments (without regard to the transaction costs incurred in acquiring, carrying, selling or redeeming such Nonpurpose Investments), including, but not limited to, gain or loss realized on the disposition of such Nonpurpose Investments (without regard to when

such gains are taken into account under Section 453 of the Code relating to taxable year of inclusion of gross income), and income under Section 1272 of the Code (relating to original issue discount) and (ii) any unrealized gain or loss as of the date of retirement of the Bonds in the event that any Nonpurpose Investment is retained after such date.

(2) In determining the amount described in clause (A) of the definition of Excess Investment Earnings, Investment Property shall be treated as acquired for its fair market value at the time it becomes a Nonpurpose Investment, so that gain or loss on the disposition of such Investment Property shall be computed with reference to such fair market value as its adjusted basis.

(3) In determining the amount described in clause (A)(ii) of the definition of Excess Investment Earnings, the Yield on the Series 1996 Bonds shall be determined based on the actual Yield of the Series 1996 Bonds and during the period between the Closing Date for the Series 1996 Bonds and the date the computation is made (with adjustments for original issue discount or premium).

(4) In determining the amount described in clause (B) of the definition of Excess Investment Earnings, all income attributable to the excess described in clause (A) of said definition must be taken into account, whether or not that income exceeds the Yield of the Series 1996 Bonds, and no amount may be treated as "negative arbitrage."

(5) In determining the amount of Excess Investment Earnings, there shall be excluded any amount earned on any fund or account which is used primarily to achieve a proper matching of revenues and Debt Service within each Bond Year and which is depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1 year's earnings on such fund or account or 1/12th of annual Debt Service as well as amounts earned on said earnings if the gross earnings on such fund or account for the Bond Year is less than \$100,000.

D. PAYMENT TO THE UNITED STATES. The Issuer shall direct the Depository Bank to pay from the Rebate Fund an amount equal to Excess Investment Earnings to the United States in installments with the first payment to be made not later than 30 days after the end of the 5th Bond Year and with subsequent payments to be made not later than 5 years after the preceding payment was due. The Issuer shall assure that each such installment is in an amount equal to at least 90% of the Excess Investment Earnings with respect to the Gross Proceeds as of the close of the computation period. Not later than 60 days after the retirement of the Series 1996 Bonds, the Issuer shall direct the Depository Bank to pay from the Rebate Fund to the United States 100% of the theretofore unpaid Excess Investment Earnings in the Rebate Fund. In the event that there are any amounts remaining in the Rebate Fund following the payment required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the address prescribed

by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required by this Subsection D, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

E. **FURTHER OBLIGATIONS OF ISSUER.** The Issuer shall assure that Excess Investment Earnings are not paid or disbursed except as required in this Section. To that end the Issuer shall assure that investment transactions are on an arm's length basis and that Nonpurpose Investments are acquired at their fair market value. ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Resolution, any Supplemental Resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Bond Registrar, any Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the Resolution with respect to the Bonds, or the rights of such Registered Owners.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to the Bonds any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates,

rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

KOPPERSTON PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 1996

No. R-1

\$644,000

KNOW ALL MEN BY THESE PRESENTS: That KOPPERSTON PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Wyoming County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns the sum of Six Hundred Forty-Four Thousand Dollars (\$644,000) in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference, with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1996. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the Registered Owner hereof at the address as it appears on the books of First Century Bank, Oceana, West Virginia, as registrar (the "Registrar") on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority dated September 20, 1996.

This Bond is one of a series of Bonds (the "Bonds") issued in the original principal amount of \$644,000 (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing waterworks system of the Issuer (the "Project"); (ii) to pay interest on the Bonds during the construction of the Project and for not more than six months thereafter; and (iii) to pay certain costs of issuance hereof and related costs. This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and a Resolution duly adopted by the Issuer on September 19, 1996, and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, moneys in the Reserve Account created under the Resolution for the Bonds (the "Series 1996 Bonds Reserve Account") and unexpended proceeds of the Bonds (the "Bond Proceeds"). Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside in a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 1996 Bonds Reserve Account and unexpended Bond Proceeds. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Series 1996 Bonds, and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with any of the Series 1996 Bonds, provided however, that so long as the Series 1996 Bonds Reserve Account is funded at an amount at least equal to the maximum amount of principal and interest which will come due on said Bonds in the then current or any succeeding year, and the reserve account for any other obligations outstanding prior to or on a parity with the Series 1996 Bonds, is funded at an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds for the terms of which reference is made to the Resolution. Remedies provided the Registered Owners of the Bonds are exclusively as

provided in the Resolution, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Resolution, only upon the books of the Registrar by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the costs of the Project described in the Resolution, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

Re: Kopperston Public Service District Water Revenue Bonds, Series 1996

Ladies and Gentlemen:

We are bond counsel to Kopperston Public Service District (the "Issuer"), a duly organized and presently existing public corporation under the laws of the State of West Virginia.

We have examined a certified copy of proceedings and other papers relating to (i) the authorization of a loan agreement, dated September 20, 1996, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Issuer and the West Virginia Water Development Authority (the "Authority"), and (ii) the issue of the Kopperston Public Service District Water Revenue Bonds, Series 1996 of the Issuer, dated September 20, 1996 (the "Bonds") to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one bond, registered as to principal and interest to the Authority, with interest payable April 1 and October 1 of each year, commencing October 1, 1996, at the rate of six and one quarter percent (6.25%) per annum, and with principal installments payable on October 1 of each year, commencing October 1, 1997, and ending October 1, 2035, all as set forth in "Schedule X" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued for the purposes of paying a portion of the costs of acquiring and constructing certain improvements and extensions to the existing public water distribution system for the Issuer, paying interest on the Bonds, during construction and for a period not to exceed six months thereafter and paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Local Statute"), under which the Bonds are issued, and the Loan Agreement that has been undertaken, including all schedules and exhibits to the Loan Agreement. The Bonds have been authorized by a Bond and Line of Credit Resolution (the "Resolution") and a Supplemental Resolution duly adopted by the Issuer on September 19, 1996 (collectively the "Local Act"), which contain provisions and covenants substantially in the form of those set forth in the Loan Agreement. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

In connection with the issuance of the Bond, the Issuer has executed a Certificate as to Non-Arbitrage, dated as of the date hereof (the "Certificate as to Non-Arbitrage"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Bond from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the respective terms thereof.
2. The Loan Agreement inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Issuer without the consent of the Authority.
3. The Issuer is a duly organized and presently existing public corporation with full power and authority to construct and acquire the Project and to operate and maintain the System referred to in the Loan Agreement and to issue and sell the Bonds, all under the Local Statute and other applicable provisions of law.
4. The Issuer has legally and effectively adopted the Local Act and all other necessary resolutions and orders in connection with the issuance and sale of the Bonds. The Local Act contains provisions and covenants substantially in the form of those set forth in the Loan Agreement.

5. The Bonds are valid and legally enforceable special obligations of the Issuer, payable from the net revenues of the System referred to in the Local Act and are secured by a first lien on and pledge of the net revenues of said System.

6. The Issuer has reserved the right to issue additional bonds ranking on a parity with the Bonds, as provided in the Local Act.

7. The interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply, on a continuing basis, with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bond set forth in the Resolution and the Certificate as to Non-Arbitrage and with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with all such requirements. Failure to comply with such certifications, covenants, representations and requirements could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences with respect to the Bonds.

8. The Bonds and the interest thereon are, by the Local Statute, exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds and the Local Act may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that such enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed Series 1996 Bond numbered R-1, and in our opinion the form of said bonds and their execution and authentication are regular and proper.

Very truly yours,

Tackson & Kelly

Gentlemen:

I am counsel to the Kopperston Public Service District (the "District"). As such counsel, I have examined copies of the approving opinion of Jackson & Kelly, as bond counsel, relating to the above-captioned Bonds, a Bond and Line of Credit Resolution adopted by the Public Service Board of the District on September 19, 1996, as supplemented by a Supplemental Resolution adopted September 19, 1996 (collectively, the "Resolution") and other documents relating to the above-captioned Bonds of the District. Terms used in said opinions and Resolution and not otherwise defined herein have the same meanings herein.

I am of the opinion that:

1. The District was duly and legally created and the members of the Public Service Board (the "Board") of the District were duly and properly elected or appointed and are thereby authorized to act on behalf of the District.

2. The Resolution has been duly adopted by the District and is in full force and effect.

3. The Issuer has received a Final Order from the Public Service Commission of West Virginia granting approval of the financing, including the above referenced Bond, granting a Certificate of Convenience and Necessity and approving rates for the Project and said order is in full force and effect and is not appealable.

4. The District has received all the necessary permits, licenses, approvals and authorizations that are presently obtainable to acquire and construct the Project.

5. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public council or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by or the validity of the Bonds, the operation of the System or the collection of Revenues or the pledge of Net Revenues to the Bonds.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

William S. Winfrey, II
