Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 19 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Lewisburg (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Greenbrier County of said State.

B. The Issuer presently owns and operates a public Waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public waterworks facilities of the Issuer to construct additions and improvements to its waterworks distribution system, consisting of installation of 12 inch, and smaller, water line, service lines, gate valves, fire hydrants together with all necessary appurtenances (the "Project") (the existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications

prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Recorder of the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council") pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund) in the total aggregate principal amount of not more than $2,600,000 as a single bond (the "Series 2010 A Bonds"), permanently finance the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2010 A Bonds prior to and during acquisition and construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Account (as hereinafter defined) for the Series 2010 A Bonds; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2010 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the Council, in form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

G. The Issuer has the following outstanding obligations: (i) Water Revenue Bonds, Series 1975 (United States Department of Agriculture), dated December 22, 1976, issued in the original aggregate principal amount of $450,000 (the "Series 1975 Bonds"); (ii) Water Revenue Bonds, Series 1982 A (United States Department of Agriculture), dated October 5, 1982, issued in the original aggregate principal amount of $2,200,000 (the "Series 1982 A Bonds"); (iii) Water Revenue Bonds, Series 2009 A (Branch Banking & Trust Company), dated March 22, 2009, issued in the original aggregate principal amount of $1,000,000 (the "Series 2009 A Bonds"); and (iv) Water Revenue Bonds, Series 2010 B (West Virginia SRF Program/ARRA), dated January 27, 2010, issued in the original aggregate principal amount of $1,982,850 (the "Series 2010 B Bonds") (collectively, the "Prior Bonds").

The Series 2010 A Bonds shall be issued on a parity with the Prior Bonds. Prior to the issuance of the Series 2010 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified

Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Series 1975 Bonds, Series 1982 A Bonds and Series 2010 B Bonds to the issuance of the Series 2010 A Bonds on a parity with the Series 1975 Bonds, Series 1982 A Bonds and Series 2010 B Bonds. The Series 2009 A Bonds do not require consent prior to the issuance of the Series 2010 A Bonds as a parity bond. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Issuer's Prior Bonds and the Series 2010 A Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law, the Loan Agreement (hereinafter defined) relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2010 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2010 A Bonds or such final order will not be subject to appeal.

So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority and the Council.

So long as the Series 2010 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2010 A Bonds Sinking Fund, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2010 A Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Series 2010 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of the Prior Ordinances and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the source fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders , or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2010 A Bonds.

All obligations issued by the Issuer after the issuance of the Series 2010 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2010 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2010 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Conncil prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2010 A Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issned at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the RUS Bonds are no longer Outstanding, the following requirement shall be met:

So long as the Series 2009 A Bonds, Series 2010 B Bonds or Series 2010 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of aud interest on the following:

(1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisious contained in the Prior Ordinances and this Bond Legislation then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on acconnt of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliauce with this section. Bouds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Boud of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from

the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the Council, or any other original purchaser of the Series 2010 A Bonds and shall mail in each year to any Holder or Holders of the Series 2010 A Bonds, requesting the same, an annual report containing the following:

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2010 A Bonds and shall submit the report to the Authority and the Council, or any other original purchaser of the Series 2010 A Bonds. Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer or the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority or the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the

maximum amount required in any year for payment of principal of and interest on the Series 2010 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 A Bonds including the Prior Bonds; provided that, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Series 2010 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2010 A Bonds are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the Council and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2010 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and to assure the exclusion of interest, if any, on the Series 2010 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2010 A Bonds which would cause the Series 2010 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2010 A Bonds) so that the interest on the Series 2010 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2010 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions,

as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the paymeuts to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. To the extent not so performed by the Authority, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2010 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2010 A Bonds subject

to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2010 A Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2010 A Bonds; or

(2) If default occurs in the Issuer or the Issuer's observance of any of the covenants, agreements or conditions on their respective parts relating to the Series 2010 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2010 A Bonds, and such default shall have continued for a period of 30 days after the Issuer or Issuer, as appropriate, shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner or Bondholder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners or Bondholders including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners or Bondholders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2010 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the

Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer or the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent

The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the

principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and

the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month. When required by the Authority, the Local Entity shall make monthly payments to the Commission by electronic transfer;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxi) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

(xxiii) That the Governmental Agency shall submit all proposed change orders to the Council for written approval. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule B attached to the certificate of the Consulting Engineer. The Governmental Agency shall obtain the written approval of the Council before making any changes to the final Schedule B and also before expending any proceeds of the Local Bonds available due to bid/construction/project underruns;

(xxiv) That the Governmental Agency shall list the funding provided by the Authority and the Council in any press release, publication, program bulletin,

sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any groundbreaking or dedication of the Project; and

The Governmental Agency shall provide the Council and the Authority with a certificate stating that (I) the Governmental Agency will comply with all the requirements of the West Virginia Jobs Act; (II) the Governmental Agency has included the provisions of the West Virginia Jobs Act in each contract and subcontract for the Project; (III) the Governmental Agency has received or will receive, prior to entering into contracts or subcontracts, from each contractor or subcontractor a certificate demonstrating compliance with Section 4 of the West Virginia Jobs Act or waiver certificates from the West Virginia Division of Labor ("DOL"); and (IV) the Governmental Agency will file with the DOL and the Council copies of the waiver certificates and certified payrolls or comparable documents that include the number of employees, the county and state wherein the employees reside and their occupation, following the procedures established by the DOL. The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority and the Council.

Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.6 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the bonds which are the source of money used to purchase the Local Bonds, unless otherwise agreed to by the Council.

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Water Revenue Bonds, Series 2010 A
(West Virginia Infrastructure Fund)

City of Lewisburg
Lewisburg, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Infrastructure and Jobs Development Council
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the City of Lewisburg (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its $1,482,000 Water Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated December 2, 2010, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority") on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing interest at a rate of 3% per annum, with principal and interest payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2012, to and including March 1, 2032, all as set forth in "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 19 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public water system of the Issuer (the "Project"); (ii) funding the Series 2010 A Bonds Reserve Account; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by a Supplemental Resolution duly adopted

by the Issuer on November 16, 2010 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Legislation and in certain certificates delivered in connection with the issuance of the Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Gross Revenues of the System on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1975 (United States Department of Agriculture), dated December 22, 1976, issued in the original aggregate principal amount of $450,000 (the "Series 1975 Bonds"); (ii) Water Revenue Bonds, Series 1982 A (United States Department of Agriculture), dated October 5, 1982, issued in the original aggregate principal amount of $2,200,000 (the "Series 1982 A Bonds"); (iii) Water Revenue Bonds, Series 2009 A (Branch Banking & Trust Company), dated March 22, 2009, issued in the original aggregate principal amount of $1,000,000 (the "Series 2009 A Bonds"); and (iv) Water Revenue Bonds, Series 2010 B (West Virginia SRF Program), dated January 27, 2010, issued in the original aggregate principal amount of $1,982,850 (the "Series 2010 B Bonds") (collectively, the "Prior Bonds").

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Steptoe & Johnson PLLC

Ladies and Gentlemen:

I am counsel to the City of Lewisburg in Greenbrier County, West Virginia (the "Issuer"), in connection with the above-captioned bond issue. As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a loan agreement dated December 2, 2010, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority") on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), a Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 16, 2010 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

I am of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, and the Council constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, exemptions, consents, registrations, certificates and authorizations required by law for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Bureau for Public Health, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of ordinances prescribing such rates and charges. The time for appeal of such rate ordinances has expired prior to the date hereof without any appeal.

6. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

7. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that comply with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. All successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (i) are in compliance with the contracts; (ii) are adequate in form, substance and amount to protect the various interests of the Issuer; (iii) have been executed by duly authorized representatives of the proper parties; (iv) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (v) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Jesse O. Guills, Jr.

That I have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and /or rights-of-way, required for the Project as set forth in the plans for the Project prepared by Chapman Technical Group, the consulting engineers for the Project.

4. That I have examined the records on file in the Office of the Clerk of the County Commission of Greenbrier County, West Virginia, the county in which the Project is to be located, and, in my opinion, the City has already acquired legal title or such other estate or interest in the necessary site components for the Project, including 100% of the easements and /or rights-of-way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the facilities to be constructed.

5. That any deeds or other documents which have been acquired to date by the City have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title to and interest of the City.

Very truly yours,

Ladies and Gentlemen:

Based upon the rates and charges set forth in the water rate ordinance dated May 18, 2010 and the current operation and maintenance expenses and customer usage as furnished to us by the City of Lewisburg (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will (i) pay all repair, operation and maintenance expenses of the System, and (ii) leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Water Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund) (the "Bonds"), to be issued to the West Virginia Water Development Authority in the principal amount of $1,482,000, and all other obligations secured by a lien on or payable from the revenues of the System, on a parity with the Bonds, including the Issuer's: (i) Water Revenue Bonds, Series 1975 (United States Department of Agriculture), dated December 22, 1976, issued in the original aggregate principal amount of $450,000(the "Series 1975 Bonds"); (ii) Water Revenue Bonds, Series 1982 A (United States Department of Agriculture), dated October 5, 1982, issued in the original

aggregate principal amount of $2,200,000 (the "Series 1982 A Bonds"); (iii) Water Revenue Bonds, Series 2009 A (Branch Banking & Trust Company), dated March 22, 2009, issued in the original aggregate principal amount of $1,000,000 (the "Series 2009 A Bonds"); and (iv) Water Revenue Bonds, Series 2010 B (West Virginia SRF Program), dated January 27, 2010, issued in the original aggregate principal amount of $1,982,850 (the "Series 2010 B Bonds") (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2010 A Bonds are issued will be at least 120% of the average annual debt service on the Prior Bonds and the Series 2010 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2010 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2010 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2010 A Bonds.

Very truly yours,

On this 2nd day of December, 2010, the undersigned Mayor of the City of Lewisburg in Greenbrier County, West Virginia (the "Issuer"), being the official of the Issuer duly charged with the responsibility for the issuance of $1,482,000 Water Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund), of the Issuer, dated December 2, 2010 (the "Bonds" or the "Series 2010 A Bonds"), hereby certifies as follows:

1. I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by Supplemental Resolution duly enacted by the Issuer on November 16, 2010, (collectively, the "Bond Ordinance"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on December 2, 2010, the date on which the Bonds are being physically delivered in exchange for a portion of the principal amount of the Series 2010 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Ordinance pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The balance of the principal amount of the Series 2010 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2010 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public water of the Issuer (the "Project"), (ii) funding the series 2010 A Bonds reserve account; and (iii) paying certain costs of issuance of the Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Series 2010 A Bonds Reserve Account, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before March 1, 2012. The acquisition and construction of the Project is expected to be completed by September 1, 2011.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF LEWISBURG:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of Article 19, Chapter 8 of the West Virginia Code and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

(A) The City of Lewisburg (herein called the "City"), in the County of Greenbrier, State of West Virginia, is now served by a municipal waterworks (the "System") owned and operated by the City. The inhabitants of the City and surrounding area served by the System urgently require that the System be improved as herein provided in order that adequate provision may be made for supplying sufficient quantities of potable water to the customers of the System.

(B) It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the said inhabitants, and, accordingly, it is hereby ordered that the City cause to be constructed additions, extensions and improvements for the System, consisting of river intake structure, waste water lagoons, booster station, meter station, and approximately 12,000 feet of water lines,

with all necessary appurtenant facilities (such additions, extensions and improvements being collectively called the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recorder.

(C) It is necessary for the City to issue its revenue bond in the principal amount of $450,000 to finance the costs of acquisition and construction of the Project in the manner hereinafter provided.

(D) The estimated maximum cost of the acquisition and construction of the Project is $450,000, all which will be obtained from the proceeds of sale of the Bond herein authorized.

(E) The costs of such acquisition and construction of the Project shall be deemed to include, without being limited to, the construction and acquisition of the additions, extensions and improvements referred to above; the acquisition of any necessary additional property, real or personal, or interest therein; interest on the 1975 Bond during and for six months after the estimated completion of such construction to the extent that revenues of the System (hereinafter defined) are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby, and payment of outstanding unbonded indebtedness of the System.

(F) The period of usefulness of the System after completion of the Project is not less than forty years.

(G) There are outstanding two series of revenue bonds of the City which will have priority over the Bond hereby authorized as to liens and source of and security for payment, as follows:

Water Works Revenue Bonds, Series of 1964, dated February 1, 1964 (the "1964 Bonds"), now outstanding in the principal amount of $30,000; and

Waterworks Revenue Bonds, Series 1968, dated August 1, 1968 (the "1968 Bonds"), now outstanding in the principal amount of $180,000.

The 1964 Bonds and the 1968 Bonds are on a parity as to lien, pledge and source of and security for payment, and the 1975 Bond will be junior and subordinate as to lien, pledge and source of and security for payment, and in all other respects, to the 1964 Bonds and the 1968 Bonds.

Section 1.03. Ordinance to Constitute Contract. In consideration of the acceptance of the Bond authorized to be issued hereunder by the Holder from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the City and such Bondholder, and the covenants and agreements herein set forth to be performed by the City shall be for the benefit, protection and security of the legal holder of the Bond.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

ARTICLE III

1975 BOND PROCEEDS; REVENUES AND APPLICATION THEREOF

Section 3.01. 1975 Bond Proceeds; Project Construction Account. All moneys received from the sale of the 1975 Bond and all moneys received under any construction loan shall be deposited on receipt by the City in Greenbrier Valley Bank, Lewisburg, West Virginia, a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "City of Lewisburg Waterworks Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the City solely for the purposes provided herein.

Until completion of construction of the Project, the City will pay from the Project Construction Account such sums as shall be from time to time required to pay the interest becoming due on the 1975 Bond.

If the City shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the City may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all cost thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be promptly used in accordance with the regulations of the Government.

Section 3.02. Covenants as to Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and the Reserve Account therein hereinafter established, a sum sufficient to pay the entire principal of the Bond remaining unpaid together with interest accrued thereon, the City further covenants with the holder of the Bond issued pursuant hereto as follows:

(A) Water Fund. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the City in a special fund known as the "Water Fund" heretofore established or continued for the 1964 Bonds and the 1968 Bonds, and shall be kept with said Bank. The Water Fund shall constitute a trust fund for the purposes provided herein and in the ordinances providing for the 1964 Bonds and the 1968 Bonds, and shall be kept separate and distinct from all other funds of the City and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All revenues at any time on deposit in the Water Fund shall be disposed of only in the following order and priority:

(1) The City shall first, each month, from the moneys in the Water Fund, pay or provide for all payments required in the ordinances authorizing the 1964 Bonds and the 1968 Bonds.

(2) The City shall next, before the end of each month, pay from the Water Fund to the Bondholder, as provided in the 1975 Bond, the installment payment required by the terms of the 1975 Bond.

(3) The City shall next, each month, transfer from the Water Fund and deposit into the Reserve Account hereby established in said Bank, one-twelfth of one-tenth of the maximum annual aggregate amount of interest and principal which will fall due on the Bond until the amount in the Reserve Account equals such maximum annual aggregate amount of interest and principal (such account being called the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Account, the City shall monthly pay into the Reserve Account such part of the moneys remaining in the Water Fund, after such provision for payment of maturing

principal of and interest on the Bond, as shall be required to maintain the Reserve Requirement. Moneys in the Reserve Account shall be used solely to make up any deficiency of revenues for payment of the principal of and interest on the 1975 Bond as the same shall mature or for mandatory prepayment of the principal of the 1975 Bond as hereinafter provided and for no other purpose.

(4) The City shall next, each month, transfer from the Water Fund the moneys then remaining in the Water Fund and shall deposit the same in the Depreciation Reserve hereby established with the said Bank until there has been accumulated therein the sum of $9,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used by the City first to make up any deficiencies for the payment of principal of and interest on the 1975 Bond as the same become due, and next to restore to the Reserve Account any sum or sums transferred therefrom to pay such principal or interest. Thereafter, and provided that payments of installments of the 1975 Bond and into the Reserve Account are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the City and used for extensions, replacements and improvements of the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund, as the case may be, have been fully complied with, any moneys remaining therein may be used to prepay the principal of the 1975 Bond or for any lawful purpose in connection with the System.

Whenever the moneys in the Reserve Account shall be sufficient to pay or prepay the 1975 Bond, it shall be the mandatory duty of the City, anything to the contrary in this Ordinance notwithstanding, to pay or prepay at the earliest practical date and in accordance with applicable provisions hereof, the 1975 Bond and accrued interest thereon to such prepayment date.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used the Bondholder shall have a lien thereon for further securing payment of the Bond and the interest thereon. The moneys in excess of the sum insured by FDIC in the Revenue Fund, the Reserve Account and the Depreciation Reserve shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the Laws of the State of West Virginia.

If on any payment date the revenues are insufficient to place the required amount in any of the funds or accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to those which would otherwise be required to be made into the funds or accounts on the subsequent payment dates.

The City shall keep the moneys in the Reserve Account and the Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

(D) The bank in which the funds provided for in this Section are on deposit shall not be the trustee of any of such funds, but merely the depository thereof.

(E) To the full extent necessary, the City shall withdraw moneys monthly from the Depreciation Account established by the 1934 Ordinance described in the ordinance authorizing the 1968 Bonds and shall use such moneys to make the monthly installment payments required for the 1975 Bond, such 1975 Bond being issued to finance extensions and additions to the System and to make good depreciation of the System.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as any of the 1975 Bond shall be outstanding and unpaid, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the City and the Bondholder.

Section 4.02. Rates. The City will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the average annual debt service on the 1975 Bond and to make the payments required herein to be made for payment of the Bond and the interest thereon and into the Reserve Account and the Depreciation Reserve, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of without the prior written consent of the Government. Such consent will specify the use of the proceeds of any such disposition.

Section 4.04. Covenant Against Encumbrances. The City will not issue any obligations whatsoever payable from the revenues of the System without the prior written consent of the Government.

Section 4.05. Issuance of Additional Parity Bonds. No additional parity Bonds payable out of the revenues of the System, shall be issued after the issuance of the 1975 Bond pursuant hereto, except upon prior written consent of the Government.

Section 4.06. Insurance and Bonds. The City hereby covenants and agrees that so long as the 1975 Bond remains outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and

maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the City will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The City will itself, or will require each contractor and subcontractor to obtain and maintain builder's risk insurance to protect the interests of the City during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than $100,000 for one person and $300,000 for more than one person injured or killed in one accident to protect the City from claims for bodily injury and/or death and not less than $50,000 from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(c) Vehicular Public Liability Insurance, in the event the City owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the City is operated for the benefit of the City, with limits of not less than $100,000 for one person and $300,000 for more than one person injured or killed in one accident to protect the City from claims for bodily injury and/or death, and not less than $50,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(d) Workmen's Compensation Coverage for all Employees of or for the System Eligible Therefor; and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be

required of each contractor dealing directly with the City and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(e) Fidelity Bonds will be provided as to every officer and employee of the City having custody of the Water Fund or of any other funds of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of $10,000 upon the Recorder, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Government holds the 1975 Bond, the City will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the City and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, with insurance carriers or bonding companies acceptable to the Government.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any installment of the principal or interest due on the 1975 Bond on the date specified for the payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the City in the 1975 Bond or herein, or violation of or failure to observe any provision of any pertinent law, provided any such failure or violation, excluding those covered in (A) above in this Section, shall continue for a period of thirty days after written notice shall have been given to the City by the Bondholde specifying such failure or violation and requiring the same to be remedied.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, any Bondholder may proceed to protect and enforce the rights of the Bondholders by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by such Bondholder, such court may, upon proof of such default, appoint a receiver for the affairs of the City and the System. The receiver so appointed shall administer the System on behalf of the City, shall exercise all the rights and powers of the City with respect to the System and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the 1975 Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the City agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Council. Copies of each Annual Budget shall be delivered to the Government by the beginning of each fiscal year.

If for any reason the City shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current

Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the City. Each such Budget of Current Expenses shall be delivered and mailed immediately as in the case of the Annual Budget.

Section 4.10. Covenant to Proceed and Complete. The City hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Recorder on the date of enactment hereof, subject to permitted changes.

Section 4.11. Books and Records. The City will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the City in which complete and correct entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds, his agents and representatives, shall have the right at all reasonable times to inspect the System and all records, accounts and data of the City relating thereto.

The City shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants, shall mail a copy of such audit report to the Government, and shall make available the report of said accountants at all reasonable times to any customer receiving services from the System, or anyone acting for and in behalf of such Bondholder or customer. The Government, so long as it holds the 1975 Bond, may permit substitution of a copy of the annual audit report by the office of the State Tax Commissioner for the copy of annual audit report by a certified public accountant.

Section 4.12. Maintenance of the System. The City covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 4.13. No Competition. The City will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to, or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the City or within the territory served by the System.

Section 4.14. Initial Connections. The Bond will not be issued until there are not lless than 1882 bona fide customers connected with the System.

Section 4.15. Arbitrage Covenant. The City shall not permit at any time or times any of the proceeds of the 1975 Bond or any other funds of the City to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause the 1975 Bond to be an "arbitrage bond" as defined in Section 103(d)(2) of the Internal Revenue Code, and the Mayor of the City shall deliver his certificate, based upon this covenant, with regard thereto to the original purchaser of the 1975 Bond directly from the City. It is not reasonably expected that the proceeds of the 1975 Bond will be invested in such a way as to violate the operating rules in the regulations of the Internal Revenue Service or of the Treasury Department of the United States of America in connection with the arbitrage provisions of Section 103(d) of the Internal Revenue Code of 1954, as amended.

CITY OF LEWISBURG

$450,000 Date: _____

FOR VALUE RECEIVED, the CITY OF LEWISBURG (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (herein called the "Government") at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Four Hundred Fifty Thousand Dollars ($450,000), plus interest on the unpaid principal balance at the rate of five per cent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Installments of interest only on the first day of each month for the first twenty-four months after the date hereof and $2,210, covering principal and interest on the first day of each month thereafter, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions for the waterworks of the Borrower, is payable solely from the revenues to be derived from the operation of such waterworks after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the waterworks. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including among others, Article 19 of Chapter 8 of the West Virginia Code (herein called the "Act"), and with an Ordinance of the City duly enacted.

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or

private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is junior and subordinate as to lien, pledge and source of and security for payment, and in all other respects, to the 1964 Bonds and the 1968 Bonds of the City defined in the aforesaid Ordinance.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and, accordingly, it is hereby ordered, that there be acquired and constructed additions, extensions and improvements to the existing waterworks system of the Issuer consisting of renovation and upgrading of the City's water treatment facilities and construction of additional transmission and distribution lines with all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recording Officer of the Common Council (the "Governing Body") of the Issuer. The construction and

acquisition of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. It is necessary for the Issuer to issue its revenue bonds in the aggregate principal amount of $2,774,000 to finance a portion of the cost of such construction in the manner hereinafter provided.

D. The estimated maximum cost of the construction of the Project is $6,774,000 of which $2,774,000 will be obtained from the proceeds of sale of the Bonds herein authorized and the balance of $4,000,000 will be obtained from grants as follows:

Appalachian Regional Commission ("ARC")	400,000
State of West Virginia (the "State")	235,000
Total	$4,000,000

E. The cost of such construction shall be deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or interest therein; interest on the Bonds prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby.

F. The period of usefulness of the System after completion of the Project is not less than forty years.

G. There are outstanding obligations of the Issuer which will rank senior to or on a parity with the Bonds as to lien and source of and security for payment as follows:

BOND PROCEEDS; REVENUES AND APPLICATION THEREOF

Section 3.01. Bond Proceeds; Project Construction Account. The proceeds of sale of the Bonds, shall be deposited on receipt by the Issuer in Greenbrier Valley Bank, Lewisburg, West Virginia, a member of Federal Deposit Insurance Corporation ("FDIC"), in a special account hereby created and designated as "City of Lewisburg Project Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of construction of the Project, the Issuer will transfer from the Project Construction Account and pay to the Purchaser on or before the due date thereof, such sums as shall be from time to time required to make the monthly installments on the Bonds if there are not sufficient Net Revenues to make such monthly payment.

If the Issuer shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the Issuer may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America ("Federal Obligations"), which shall mature not later than eighteen months after the date of such investment, or in certificates of deposit or other securities or investments secured by a pledge of Federal Obligations. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 3.02. Covenants of the Issuer as to Revenues and Funds. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund hereinafter established, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the

Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bonds as follows:

A. REVENUE FUND. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, now designated "Revenue Fund" was known as the "Water Fund" and was established or continued by the 1968 and 1975 Ordinances and is now with Greenbrier Valley Bank, Lewisburg, West Virginia. The Revenue Fund shall constitute a trust fund for the purposes provided herein and in the 1968 and 1975 Ordinances and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided herein.

B. DISPOSITION OF REVENUES. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all payments required by the 1968 Ordinance.

(2) The Issuer shall next, on or before the due date thereof, transfer from the Revenue Fund and pay to the National Finance Office designated in the Bonds the amount required to pay the interest on the Bonds and the Series 1975 Bond, and to amortize the principal of the Bonds and the Series 1975 Bond over the life of the respective issues.

(3) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the said Bank in the Reserve Account established by the 1975 Ordinance and now with said Bank, one-twelfth of one-tenth of the maximum annual aggregate amount of interest and principal which will fall due on the Bonds and the 1975 Bond until the amount in the Reserve Account equals such maximum annual aggregate amount of interest and principal (such sum being herein called the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Account, the Issuer shall monthly deposit into the Reserve Account such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and the 1975 Bond, and for payment of operating expenses of the System, as shall be required to maintain the Reserve

Requirement in the Reserve Account. Moneys in the Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bonds and the 1975 Bond as the same shall become due or for prepayment of installments or for mandatory prepayment of the Bonds and the 1975 Bond, as hereinafter provided, and for no other purpose.

(4) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve established by the 1975 Ordinance and now with said Bank, the sum of $1,875, until there has been accumulated the aggregate sum of $225,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds and the 1975 Bond as the same become due, and next to restore to the Reserve Account any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Account are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds and the 1975 Bond or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the Bonds and the 1975 Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The aforesaid Bank (and any successor appointed by the Issuer) is hereby designated as the Fiscal Agent for the administration of the Revenue Fund, the Reserve Account and the Depreciation Reserve as herein provided, and all amounts required therefor will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such Fund.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bonds and the 1975 Bond and the interest thereon, but the aforesaid Bank shall not be a trustee as to such funds. The moneys in excess of the sum insured by FDIC in any of such funds shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Fiscal Agent shall keep the moneys in the Reserve Account and the Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years. Earnings upon moneys in the Reserve Account, so long as the Reserve Requirement is on deposit and maintained therein, shall be paid annually in July into the Revenue Fund by the Fiscal Agent.

C. CHANGE OF FISCAL AGENT. The Issuer may designate another bank insured by FDIC as Fiscal Agent if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by Ordinance that said Bank or its successor should no longer serve as Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, certify to the Purchaser that not less than 2,492 bona fide full time users will be served by the System when the Project is completed and placed in operation. In addition, the Issuer shall, prior to delivery of the Bond, certify to the Purchaser there are not less than 2,303 existing users of the System.

E. To the full extent necessary, the Issuer shall withdraw moneys monthly from the Depreciation Account described in the ordinance authorizing the 1968 Bonds and shall use such moneys to make the monthly installment payments required for the Bonds and the 1975 Bond, such Bonds and the 1975 Bond being issued to finance extensions and additions to the System and to make good depreciation of the System.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as the Bonds and the 1975 Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Account a sum sufficient to prepay the entire principal of the Bonds and the 1975 Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 4.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the annual debt service on the Bonds and the 1975 Bonds and to make the payments required herein into the Reserve Account and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as any of the Bonds and the 1975 Bond are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 4.04. Issuance of Additional Parity Bonds. No additional parity bonds payable out of the revenues of the System shall be issued after the issuance of the Bonds pursuant hereto except with the prior written consent of the Purchaser.

Section 4.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bonds and the 1975 Bond remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an

amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than $500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than $200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than $500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than $200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workmen's Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of $10,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 4.06. Statutory Mortgage. For the further protection of the holder of the Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect as to the Bonds immediately upon the delivery of the Bonds, junior and subordinate to the 1968 Bonds and on a parity with the 1975 Bond.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment upon the Bonds, the 1968 Bond or the 1975 Bond at the date specified for payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bonds, the 1968 Bond, the 1975 Bond, or herein, or violation of or failure to observe any provision of any pertinent law.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each fiscal year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 4.10. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and

on file with the Recording Officer on the date of adoption hereof, subject to permitted changes.

Section 4.11. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser.

Section 4.12. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bonds are outstanding.

Section 4.13. No Competition. The Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 4.14. Concerning Arbitrage. The proceeds of sale of the Bonds will not be invested in such a way as to violate the regulations of the Internal Revenue Service or of the Treasury Department of the United States of America in connection with the arbitrage provisions of Section 103(c) of the Internal Revenue Code of 1954, as amended.

Date: _____

FOR VALUE RECEIVED, the CITY OF LEWISBURG (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), at its National Finance Office, St. Louis, Missouri, 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ ($_____) plus interest on the unpaid principal balance at the rate of _____ percent (_____%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing on the 30th day following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof and $_____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the

obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, extensions and improvements to the existing waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower

within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 19 of Chapter 8 of the West Virginia Code and with an Ordinance of the Borrower duly enacted.

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is junior and subordinate in all respects to the 1968 Bonds described in said Bond Legislation and is on a parity in all respects with the 1975 Bond described in the said Bond Legislation.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF LEWISBURG:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Lewisburg (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Greenbrier County of said State.

B. The Issuer presently owns and operates, a public water system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to the waterworks portion of the existing public water system of the Issuer, consisting of construction of a 12 inch line to connect the City of Ronceverte, together with all appurtenant facilities (collectively, the "Project"), (the existing public water system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2009 A, in the total aggregate principal amount of not more than $1,500,000 (the "Series 2009 A Bonds"), initially to be represented by a single bond, to permanently finance the costs of acquisition and construction of the Project. THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S: (I) WATER REFUNDING BONDS, SERIES 1975, (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 22, 1976, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $450,000 (THE "SERIES 1975 BONDS"); AND (II) WATER REVENUE BONDS, SERIES 1982 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED OCTOBER 5, 1982, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $2,200,000 (THE "SERIES 1982 A BONDS"), (COLLECTIVELY, THE "PRIOR BONDS")

payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds; provided however, that so long as there exists in the Series 2009 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with or junior to the Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

This Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, except inheritance, estate and transfer taxes.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation and in the Prior Ordinances. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to (i) the National Finance Office the amounts required by the Prior Ordinances to pay interest on the Prior Bonds; and (ii) the Commission commencing the first date of payment of interest on the Series 2009 A Bonds the required amount of interest coming due on such date.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to (i) the National Finance Office the amounts required by the

Prior Ordinances to pay the principal of the Prior Bonds; and (ii) the Commission commencing the first date of payment of principal of the Series 2009 A Bonds, to the Commission the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to (i) the Depository Bank the amount required by the Prior Ordinances for deposit in the respective Reserve Accounts of the Prior Bonds; and (ii) to the Commission commencing 3 months prior to the first date of payment of principal of the Series 2009 A Bonds, if not fully funded upon issuance of the Series 2009 A Bonds, for deposit in the Series 2009 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 A Bonds Reserve Requirement.

(4) The Issuer shall next each month, pay from the Revenue Fund the current Operating Expenses of the System

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 ½% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2009 A Bonds as the same shall come due and for no other purpose.

All investment earnings on monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2009 A Bonds Construction Trust Fund, and following completion of

construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2009 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2009 A Bonds Reserve Account which result in a reduction in the balance of the Series 2009 A Bonds Reserve Account to below the Series 2009 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the priority as set forth above.

As and when additional Bonds ranking on a parity with the Series 2009 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2009 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2009 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Reserve Account created hereunder, and all required amounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

Monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required reserve account payments with respect to the Series 2009 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the

Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due.

E. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Ordinances, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

A. The entire principal amount of the Series 2009 A Bonds shall be deposited in the Series 2009 A Bonds Construction Trust Fund.

B. From the proceeds of the Series 2009 A Bonds, there shall be deposited with the Commission in the Series 2009 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution for capitalizing interest on the Series 2009 A Bonds.

As the Issuer receives advances from the Series 2009 A Bonds Construction Fund such monies shall be applied solely to payment of Costs of the Project as directed by the Issuer in the manner set forth in Section 6.02 hereof, and until expended, are hereby pledged as additional security for the Series 2009 A Bonds.

Section 6.02. Disbursements From the Series 2009 A Bonds Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2009 A Bonds Construction Trust Fund shall be made only after submission to the Purchaser of written approval from the Issuer.

Pending such application, monies in the Series 2009 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2009 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2009 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2009 A Bonds shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2009 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Legislation. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the water rate ordinance of the Issuer dated February 19, 2002, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2009 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Legislation. In the event the schedule of rates and charges initially established for the System in connection with the Series 2009 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. So long as the Series 2009 A Bonds are outstanding, the Issuer shall not sell or dispose of all, or substantially all, of the System without either defeasing, or paying in full, the Series 2009 A Bonds.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, betterments or improvements to the System, refunding any or all outstanding Bonds to pay claims which may exist against the revenues or facilities of the System, or all such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the

provisions contained in this Bond Legislation then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the additional customers to be connected to the System as a result of additions, extensions and improvements thereto, or from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System and their source of and security for payment from said Gross Revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

No additional bonds, notes, certificates, contracts or any other obligations shall

be issued by the City unless no Event of Default shall have occurred and be continuing with respect to the Bonds.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Governing Body shall prescribe and institute the manner by which subsidiary records of the ~~accounting system which may be installed remote from the~~ direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail and make available generally, the report of said Independent Certified Public Accountants, to any Holder or Holders of the Series 2009 A Bonds.

Subject to the terms, conditions and provisions of Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

Section 7.09. Rates. Prior to the issuance of the Series 2009 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule or schedules of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 A Bonds, including the Prior Bonds so; provided that, in the amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2009 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with or junior to the Series 2009 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, ~~such balance each year need only equal at least 110% of the maximum amount required in any~~ year for payment of principal of and interest, if any, on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 A Bonds.

All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04 hereof.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers stating, among other things, that the Project has been or will be constructed in accordance with the plans, specifications and designs, the Project is adequate for the purposes for which it was designed, the funding plan is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans,

specifications and designs prepared by the Consulting Engineers.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission ~~shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance~~ in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2009 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2009 A Bonds which would cause the Series 2009 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Designation of Series 2009 A Bonds as "Qualified Tax-Exempt Obligations." The Issuer hereby designates the Series 2009 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2009 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income

tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2009 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2009, all as determined in accordance with the Code

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Purchaser, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Purchaser in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Purchaser at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Purchaser, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Purchaser.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2009 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2009 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2009 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Section 5. The Issuer does hereby appoint and designate the Branch Banking and Trust Company, Charleston, West Virginia, to serve as Registrar and Depository Bank for the Bonds under the Bond Ordinance.

Section 6. Series 2009 A Bonds proceeds in the amount of $-0- shall be deposited in the Series 2009 A Bonds Sinking Fund as capitalized interest.

Section 7. Series 2009 A Bonds proceeds in the amount of $75,982 shall be deposited in the Series 2009 A Bonds Reserve Account.

Section 8. The balance of the proceeds of the Series 2009 A Bonds shall be deposited in or credited to the Series 2009 A Bond Construction Trust Fund and advanced to the Issuer from time to time for payment of the costs of the Project, including, without limitation, costs of issuance of the Bonds and related costs.

Section 9. The Issuer hereby designates the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), and covenants that the Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Bonds, have been or are reasonably anticipated to be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2009.

Section 10. The Issuer is a governmental unit and has general taxing powers; no Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds) issued by the Issuer during the calendar year 2007, the calendar year in which the Bonds are issued, is not reasonably expected to exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code. For purposes of this paragraph and for purposes of applying such Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as

one issuer. Therefore, the Issuer qualifies for the small governmental issuer exception to rebate.

Section 11. The Mayor and the Recorder are hereby authorized and directed to execute and deliver such other documents and certificates required or desirable in connection with the Bonds hereby and by the Bond Ordinance approved and provided for, to the end that the Bonds may be delivered on or about May 22, 2009, to the Purchaser.

Section 12. The acquisition and construction of the Project and the financing thereof in part with proceeds of the Bonds are in the public interest, serve a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 13. The Issuer does hereby approve and authorize all contracts relating to the financing, acquisition and construction of the Project.

Section 14. The Issuer hereby determines to invest all monies in the funds and accounts established by the Bond Ordinance held by the Depository Bank until expended, in repurchase agreements or time accounts, secured by a pledge of Government Obligations, and therefore, the Issuer hereby directs the Depository Bank to take such actions as may be necessary to cause such monies to be invested in such repurchase agreements or time accounts until further directed in writing by the Issuer. Monies in the Series 2009 A Bonds Reserve Account shall be invested by the West Virginia Municipal Bond Commission in the West Virginia Consolidated Fund.

KNOW ALL MEN BY THESE PRESENTS: This 22nd day of May, 2009, that the City of Lewisburg, a municipal corporation and political subdivision of the State of West Virginia in Greenbrier County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the sources and in the manner hereinafter set forth, to the order of:

~~BRANCH BANKING & TRUST COMPANY~~

or registered assigns (the "Registered Owner"), the principal sum of ONE MILLION DOLLARS ($1,000,000) or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference together with principal and interest payments of $6,339.83 payable monthly beginning July 1, 2009 to and including June 1, 2029 at the rates per annum set forth as follows:

A. Interest on this Bond shall be payable at the rate of 4.51% per annum (hereinafter sometimes called the "Tax-Exempt Rate").

B. Notwithstanding any other provision herein, in the event the interest on this Bond is declared to be includible in gross income for federal income tax purposes by the Internal Revenue Service ("Determination of Taxability"), interest on this Note shall be payable at the rate of 6.895% per annum (hereinafter sometimes called the "Taxable Rate"). Interest at the Taxable Rate shall commence to accrue on the date of Determination of Taxability and such interest rate shall be charged retroactively and prospectively for all periods in which interest paid on this Note is asserted, declared or determined to be includible in gross income for federal income tax purposes, and shall continue until the entire principal of and interest on this Note are paid, notwithstanding that the entire principal amount of this Note may have been paid in full prior to the Determination of Taxability. Any interest being past due on this Note by reason of such increase shall become immediately due and payable.

The principal of and interest on this Note are payable in any coin or currency which on the date of payment thereof is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia as Paying Agent.

This Bond may only be redeemed prior to its stated date of maturity in whole on a scheduled payment date with a prepayment penalty of 1%.

This Bond is issued (i) to pay the costs of acquisition and construction of certain additions, betterments and improvements to the existing waterworks system of the Issuer (the "Project"); (ii) to fund the Series 2009 A Bonds Reserve Account; and (iii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public water system of the Issuer, the Project, and any further additions, betterments or improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), a Bond Ordinance duly enacted by the Issuer on April 14, 2009, and a Supplemental Resolution duly adopted by the Issuer on May 12, 2009 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S: (I) WATER REFUNDING BONDS, SERIES 1975, (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 22, 1976, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $450,000 (THE "SERIES 1975 BONDS"); AND (II) WATER REVENUE BONDS, SERIES 1982 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED OCTOBER 5, 1982, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $2,200,000 (THE "SERIES 1982 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the Holders of the Prior Bonds, and from monies in the Reserve Account created under the Bond Legislation for the Bonds (the "Series 2009 A Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Gross Revenues, the monies in the Series 2009 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds; provided however, that so long as there exists in the Series 2009 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective

reserve accounts established for any other obligations outstanding on a parity with or junior to the Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of Branch Banking & Trust Company, (the "Registrar") (as defined in the Bond Legislation), by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

This Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, except inheritance, estate and transfer taxes.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, THE CITY OF LEWISBURG has caused this Bond to be signed by its Mayor, and its corporate seal to be hereunto affixed and attested by its Recorder, and has caused this Bond to be dated the day and year first written above.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 19 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Lewisburg (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Greenbrier County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements for the existing public waterworks system of the Issuer, consisting of installation of system wide water meters with radio transponders, together with all necessary appurtenances (collectively, the "Project") (the existing public waterworks system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the "System"), in accordance

with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Clean Water State Revolving Fund.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, in the total aggregate principal amount of not more than $2,250,000 in one or more series (collectively, the "Series 2010 B Bonds") initially planned to be the Water Revenue Bonds, Series 2010 B (West Virginia SRF Program/ARRA) in the aggregate principal amount of not more than $2,250,000, (the "Series 2010 B Bonds") to permanently finance a portion of the costs of acquisition and construction of the Project, and pay the costs of issuance thereof. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2010 B Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority including the Administrative Fee (as hereinafter defined) for the Series 2010 B Bonds; discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 12 years.

F. It is in the best interests of the Issuer that its Series 2010 B Bonds be sold to the Authority pursuant to the terms and provisions of an ARRA Assistance Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP") in the form satisfactory to the respective parties (the "ARRA Assistance Agreement") approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's: (i) Water Refunding Bonds, Series 1975, (United States Department of Agriculture), dated December 22, 1976, issued in the aggregate principal amount of $450,000 (the "Series 1975 Bonds"); (ii) Water Revenue Bonds, Series 1982 A (United States Department of Agriculture), dated October 5, 1982, issued in the aggregate principal amount of $2,200,000 (the "Series 1982 A Bonds"), and (iii) Water Revenue Bonds, Series 2009 A, dated March 22, 2009, issued in the

original aggregate principal amount of $1,000,000 (the "Series 2009 A Bonds") (collectively, the "Prior Bonds").

The Series 2010 B Bonds shall be issued on a parity with the Prior Bonds, with respect to liens, pledge, source of and security for payment and in all other respects. Prior to the issuance of the Series 2010 B Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1975 Bonds and Series 1982 Bonds to the issuance of the Series 2010 B Bonds on a parity with the Prior Bonds. The Series 2009 A Bonds do not require consent. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with covenants of the Prior Bonds and the Prior Ordinance.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Series 2010 B Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the ARRA Assistance Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2010 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and, if required, the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2010 B Bonds or such final order will not be subject to appeal.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2010 B Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Series 2010 B Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Subject to the provisions for transfer of registration set forth below, the Series 2010 B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2010 B Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of

West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

The registered Series 2010 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2010 B Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

The Series 2010 B Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the ARRA Assistance Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

F. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2010 B Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2010 B Bonds, there shall be deposited with the Commission in the Series 2010 B Bonds Reserve Accounts, the amount, if any, set forth in the Supplemental Resolntion for funding of the Series 2010 B Bonds Reserve Account.

B. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2010 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2010 B Bonds Construction Trust Fund and applied solely to payment of the costs of the Project in the manner set forth in Section 6.02 hereof and, until so expended, are hereby pledged as additional security for the Series 2010 B Bonds.

C. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2010 B Bonds shall be expended as approved by the DEP.

Section 6.02. Disbursement from the Bond Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2009 A Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly. Invoices for which repayment from the Series 2009 Bonds Construction Trust Fund will be sought must be first approved by the Issuer.

Except as provided in Section 6.01 hereof, disbursements from the Series 2009 Bonds Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of a completed and signed "Payment Requisition Form," a form of which is attached to the ARRA Assistance Agreement, in compliance with the construction schedule; and

Pending such application, monies in the Series 2009 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2010 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 B Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 B Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the

Series 2010 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 B Bonds, or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service on the Series 2010 B Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2010 B Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall provide an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall provide a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services of the facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted February 19, 2002, which rates are incorporated herein by reference as a part hereof.

So loug as the Series 2010 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2010 B Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinance and as provided herein and with the written consent of the Authority and the DEP. So long as the Series 2010 B Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2010 B Bonds, immediately be remitted to the Commission for deposit in the Series 2010 B Bonds Sinking Fund and pro rata with respect to the principal amount of each of the Bonds then outstanding and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2010 B Bonds in accordance with Article X hereof. Any balance

remaining after the payment of the Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $10,000 and not in excess of $50,000, shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2010 B Bonds. All obligations issued by the Issuer after the issuance of the Series 2010 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2010 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2010 B Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 B Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinance shall be applicable. In addition, no additional Parity Bonds payable out of the revenues of the System, shall be issued after the issuance of the Series 2010 B Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinance).

All Parity Bonds issued hereafter shall be on a parity in all respects with the Series 2010 B Bonds.

No Parity Bonds shall be issued except for the purposes of financing the costs of design, acquisition and construction of additions, betterments or improvements to the System or refunding the Bonds issued pursuant hereto, or both such purposes.

So long as the Series 1975 and Series 1982 are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

(1) The Bonds Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 2009A Bonds, or Series 2010 B Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate filed with the Recorder, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All the covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 B Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System, and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the revenues of the System of which is subject to the prior and superior lien of the Series 2010 B Bonds on such revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the revenues remaining after all payments required to be made in accordance with this Bond Legislation have first been paid. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such revenues, with the Series 2010 B Bonds except in the manner and under the conditions provided in this section.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation on account of the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been

made in full as required to the date of issuance of the Parity Bonds and the Issuer is then in full compliance with all the covenants, agreements and terms of this Bond Legislation and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency in such payments.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2010 B Bonds, and shall mail in each year to any Holder or Holders of the Series 2010 B Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2010 B Bonds and shall submit the report to the Authority and the DEP, or any other original purchaser of the Series 2010 B Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the ARRA Assistance Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2010 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 B Bonds, including the Prior Bonds; provided that, in the event that amounts equal to

or in excess of the reserve requirement are on deposit respectively in the Series 2010 B Bonds Reserve Account and reserve accounts for obligations on a parity with the Series 2010 B Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 B Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance currently in effect.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the ARRA Assistance Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the ARRA Assistance Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as

submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit As-Built Plans, as defined in the SRF Regulations, to the Issuer within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the Issuer when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and Federal standards. The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the ARRA Assistance Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The Issuer shall serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer shall not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority (the "Authority"). Following completion of the Project the Issuer shall certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be

delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2010 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. In the event of any damage to or destruction of any portion of the System, the proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repair or reconstruction of such damages or destroyed portion or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the ARRA Assistance Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP, and the Issuer shall verify such insurance prior to commencement of construction. In the event the ARRA Assistance Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require

every owner, tenant or occupant of any house, dwelling, or building intended to be served by the System to connect thereto.

KNOW ALL MEN BY THESE PRESENTS: That on this the 27th day of January, 2010, the CITY OF LEWISBURG, a municipal corporation and political subdivision of the State of West Virginia in Greenbrier County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION NINE HUNDRED EIGHTY-TWO THOUSAND EIGHT HUNDRED AND FIFTY DOLLARS ($1,982,850), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2011 to and including December 1, 2020 as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference. This Bond shall not be subject to the SRF Administrative fee (as defined in the hereinafter describe Bond Legislation).

This Bond shall bear no interest. Principal installments of this Bond are forgivable quarterly as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP), and upon the terms and conditions prescribed by, and otherwise in compliance with, the ARRA Assistance Agreement by and between the Issuer and the Authority, on behalf of the DEP, dated January 27, 2010.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public waterworks system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds and related costs. The existing public waterworks system of the Issuer, the Project, and any further additions, betterments or improvements thereto are herein called the "System." The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S WATER REFUNDING BONDS, SERIES 1975, (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 22, 1976, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $450,000 (THE "SERIES 1975 BONDS"); (II) WATER REVENUE BONDS, SERIES 1982 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED OCTOBER 5, 1982, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF $2,200,000 (THE "SERIES 1982 A BONDS"), AND (III) WATER RVENUE BONDS, SERIES 2009 A, DATED MARCH 22, 2009, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,000,000 (THE "SERIES 2009 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenue in favor of the Holders of the Prior Bonds, and unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all Bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Gross Revenues, the monies in the Series 2010 B Bonds Reserve Account and unexpended proceeds of the Bonds.
