Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to purchase the Local Bonds, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

- (i) to pay Operating Expenses of the System;
- (ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or

otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that the Local Government is in compliance with the terms and provisions of the Local Act and this Bond Purchase Agreement and that the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to purchase the Local Bonds shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to purchase the Local Bonds.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Local Bonds.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties,

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

6.6 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Government hereby agrees to file with the Authority and DEP upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach,

whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Bond Purchase Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

OPINION OF BOND COUNSEL FOR LOCAL GOVERNMENT

[To Be Dated as of Date of Closing]

West Virginia Water Development Authority
180 Association Drive
Charleston, WV 25311

West Virginia Department of Environmental Protection
1560 Kanawha Boulevard, East
Charleston, WV 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a
_____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a bond purchase agreement dated ____, ____, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated ____, ____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning ____ 1, ____, and ending ____ 1, ____, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____

(collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.
2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.
3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.
4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.
5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.
6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

WHEREAS, the Governmental Agency constitutes a governmental agency as defined by the Act;

WHEREAS, the Governmental Agency is authorized and empowered by the statutes of the State to acquire, construct, improve, operate and maintain a project, as defined by the Act, and to finance the cost of acquisition and construction of the same by borrowing money to be evidenced by revenue bonds issued by the Governmental Agency;

ARTICLE II

The Project and the System

2.1 The Project shall generally consist of the construction and acquisition of the facilities described in the Application, to be, being or having been constructed in accordance with plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers, the Authority and Council having found, to the extent applicable, that the Project is consistent with the Act.

2.2 Subject to the terms, conditions and provisions of this Loan Agreement and the Local Act, the Governmental Agency has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute unless a sale or transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, during and after completion of construction and

commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must

also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

2.10 The Governmental Agency shall at all times provide operation and maintenance of the System in compliance with any and all State and federal standards. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.11 The Governmental Agency hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Council, the Authority or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

2.12 The Governmental Agency, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward a copy by the 10th of each month to the Authority and Council.

ARTICLE III

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority and Council to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority and the Council, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(h) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and the Council shall have received a certificate of the accountant for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority and the Council, to such effect; and

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of projects and satisfactory to the Authority and the Council, to such effect, such certificate to be in form and substance satisfactory to the Authority and the Council, and evidence satisfactory to the Authority and the Council of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority, the Council or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, the Council and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by the Council.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used

West Virginia Water Development Authority

Ladies and Gentlemen:

We are bond counsel to _____ the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and
(ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF LOGAN COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A, Chapter 22C, Article 2 and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Logan County Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Logan, Lincoln, Mingo and Wyoming Counties of said State.

B. The Issuer does not presently own or operate a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed new public sewer facilities of the Issuer, consisting of a wastewater collection and treatment system to serve approximately 1,217 new customers in the Towns of West Logan and Mitchell Heights and in the unincorporated communities of Aracoma, Peach Creek, Crooked Creek, Justice Addition, Henlawson and surrounding areas in Logan County, together with all appurtenant facilities (collectively, the "Project"), which constitute public service properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the United States of America, United States Department of Agriculture, Rural Utilities Service (the "Government") and the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund and the West Virginia Infrastructure Fund administered by the Authority pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than \$7,818,940, in three series (collectively, the "Series 2002 Bonds"), being the Sewer Revenue Bonds, Series 2002 A (West Virginia SRF Program), in the aggregate principal amount of not more than \$5,328,940 (the "Series 2002 A Bonds"), the Sewer Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$2,190,000 (the "Series 2002 B Bonds"), and the Sewer Revenue Bonds, Series 2002 C (United States Department of Agriculture), in the aggregate principal amount of not more than \$300,000 (the "Series 2002 C Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2002 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident

to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2002 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2002 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that (i) the Series 2002 A Bonds be sold to the Authority pursuant to the terms and provisions of a bond purchase agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), (ii) the Series 2002 B Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), both loan agreements in form satisfactory to the respective parties (collectively, the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer, and (iii) the Series 2002 C Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions (as hereinafter defined).

G. The Series 2002 A Bonds, the Series 2002 B Bonds and the Series 2002 C Bonds shall be issued on a parity with each other. There are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System and the principal of and interest, if any, on the Series 2002 Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2002 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary

user rates and charges described herein from the Public Service Commission of West Virginia (the "PSC") by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2002 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2002 Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2002 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

FOR VALUE RECEIVED, LOGAN COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Logan, Lincoln, Mingo and Wyoming Counties of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of _____ DOLLARS (\$_____), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of _____% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of \$_____, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security therefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

The Project and any further improvements or extensions thereto are herein called the "System". The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 2002 A (WEST VIRGINIA SRF PROGRAM), DATED ____, 200__, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$____, AND SEWER REVENUE BONDS, SERIES 2002 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED ____, 200__, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$____ (COLLECTIVELY, THE "SERIES 2002 BONDS").

Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2002 C Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest on this Bond payable in any year and all other obligations secured by a lien or payable from such revenues on a parity with this Bond, including the Series 2002 Bonds; provided however, that so long as there exists in the Series 2002 C Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Series 2002 Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2002 A Bonds, for deposit in the Series 2002 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2002 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2002 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date; (ii) remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2002 B Bonds, for deposit in the Series 2002 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2002 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2002 B Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date; and (iii) remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2002 C Bonds, for deposit in the Series 2002 C Bonds Sinking Fund, the amount of principal due as set forth in the Series 2002 C Bonds.

The deposits into the Series 2002 C Bonds Sinking Fund provided in this paragraph and in Section 5.03A(2) above, constitute actual payments of principal of and interest on the Series 2002 C Bonds to the Government.

(4) The Issuer shall next, on the first day of each month, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, if not fully funded upon the issuance of the Series 2002 Bonds, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 2002 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2002 A Bonds Reserve Requirement, until the amount in the Series 2002 A Bonds Reserve Account equals the Series 2002 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2002 A Bonds Reserve Account when there shall have been deposited

therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2002 A Bonds Reserve Requirement; (ii) for deposit in the Series 2002 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2002 B Bonds Reserve Requirement, until the amount in the Series 2002 B Bonds Reserve Account equals the Series 2002 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2002 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2002 B Bonds Reserve Requirement; and (iii) for deposit in the Series 2002 C Bonds Reserve Account, an amount equal to 1/120th of the Series 2002 C Bonds Reserve Requirement, until the amount in the Series 2002 C Bonds Reserve Account equals the Series 2002 C Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2002 C Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2002 C Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Sinking Funds shall be used only for the purposes of paying principal of and interest, if any, on the Series 2002 Bonds, respectively, as the same shall become due. Moneys in the Reserve Accounts shall be used only for the purposes of paying principal of and interest, if any, on the Series 2002 Bonds, respectively, as the same shall come due, when other moneys in the Sinking Funds are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Reserve Accounts (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2002 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment,

if any, due on the Series 2002 Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Reserve Accounts which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2002 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Sinking Funds or the Reserve Accounts when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2002 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2002 Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2002 A Bonds Sinking Fund, the Series 2002 A Bonds Reserve Account, the Series 2002 B Bonds Sinking Fund, the Series 2002 B Bonds Reserve Account and the Series 2002 C Bonds Reserve Account created hereunder, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority or the Government at any time, the Issuer shall make the necessary arrangements whereby required payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2002 A Bonds Sinking Fund, the Series 2002 A Bonds Reserve Account, the Series 2002 B Bonds Sinking Fund, the Series 2002 B Bonds Reserve Account and the Series 2002 C Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Sinking Funds and the Reserve Accounts shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2002 Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Loan Agreement for the Series 2002 A Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority or the Government at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in

the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2002 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

H. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2002 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2002 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2002 A Bonds.

I. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2002 B Bonds, such moneys shall be deposited with the Depository Bank in the Series 2002 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2002 B Bonds.

J. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2002 C Bonds, such moneys shall be deposited with the Depository Bank in the Series 2002 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2002 C Bonds.

K. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2002 A Bonds shall be expended as directed by the DEP, any remaining proceeds of the Series 2002 B Bonds shall be expended as directed by the Council and any remaining proceeds of the Series 2002 C Bonds shall be expended as directed by the Government.

Section 6.02. Disbursements From the Bond Construction Trust Fund. A. On or before the Closing Date, the Issuer shall have delivered to the DEP and the Authority a report listing the specific purposes for which the proceeds of the Series 2002 A Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2002 A Bonds from the Series 2002 Bonds Construction Trust Fund shall be made only after submission to and approval from the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement for the Series 2002 A Bonds, in compliance with the construction schedule, and

(2) a certificate, signed by an Authorized Officer and the Managing Engineer, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

B. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2002 B Bonds from the Series 2002 Bonds Construction Trust Fund shall be made only after submission to and approval from the Council of a certificate, signed by an Authorized Officer and the Managing Engineer, stating that:

C. Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2002 C Bonds from the Series 2002 Bonds Construction Trust Fund shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Government.

Until completion of acquisition and construction of the Project, the Issuer will use proceeds of the Series 2002 C Bonds from the Series 2002 Bonds Construction Trust Fund to pay to the Government the monthly interest payments on the Series 2002 C Bonds, if there are not sufficient revenues to make such monthly payments.

Pending such application, moneys in the Series 2002 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2002 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2002 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2002 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2002 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2002 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2002 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2002 A Bonds, the Series 2002 B Bonds and the Series 2002 C Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2002 Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2002 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in

this Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2002 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Series 2002 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP, the Council, the Authority and the Government, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall be remitted to the respective Sinking Funds and applied to the payment of principal of and interest, if any, on the Series 2002 Bonds. Any balance remaining after the payment of the Series 2002 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Managing Engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be

derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2002 Bonds. All obligations issued by the Issuer after the issuance of the Series 2002 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2002 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2002 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2002 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP, the Authority, the Council and the Government prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2002 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority, the DEP, the Council and the Government under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2002 Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2002 C Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 2002 C Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2002 C Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2002 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2002 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer

shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP, the Authority, the Council and the Government, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Authority, the Council and the Government such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Authority, the Council and the Government, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Council, the Authority, the Government, or any other original purchaser of the Series 2002 Bonds, and shall mail in each year to any Holder or Holders of the Series 2002 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2002 Bonds, and shall submit said report to the DEP, the Council, the Authority and the Government, or any other original purchaser of the Series 2002 Bonds. Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2002 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the Council or the DEP, as the case may be, from which the proceeds of the Series 2002 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, the Council or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2002 Bonds and any additional information requested by the Authority.

ARTICLE IX

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to

KNOW ALL MEN BY THESE PRESENTS: That LOGAN COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Logan, Lincoln, Mingo and Wyoming Counties of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of FIVE MILLION THREE HUNDRED TWENTY EIGHT THOUSAND NINE HUNDRED FORTY DOLLARS (\$5,328,940), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2005, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference. The SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) on this Bond shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2005, as set forth on said EXHIBIT B.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Bond Purchase Agreement by and among the Issuer, the Authority and the DEP, dated November 8, 2002.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of new public sewer facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on December 10, 2002, and a Supplemental Resolution duly adopted by the Issuer on December 10, 2002 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 2002 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,190,000, AND SEWER REVENUE BONDS, SERIES 2002 C (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$300,000 (COLLECTIVELY, THE "SERIES 2002 BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the holders of the Series 2002 Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2002 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2002 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to parity with this Bond, including the Series 2002 Bonds; provided however, that so long as there at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a

parity with this Bond, including the Series 2002 Bonds; provided however, that so long as there exists in the Series 2002 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Series 2002 Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been

pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

SPECIMEN

No. BR-1

\$2,190,000

KNOW ALL MEN BY THESE PRESENTS: That LOGAN COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Logan, Lincoln, Mingo and Wyoming Counties of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of TWO MILLION ONE HUNDRED NINETY THOUSAND DOLLARS (\$2,190,000), or such lesser amount, as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2004, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated December 12, 2002.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of new public sewer facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on December 10, 2002, and a Supplemental Resolution duly adopted by the Issuer on December 10, 2002 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 2002 A (WEST VIRGINIA SRF PROGRAM), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$5,328,940, AND SEWER REVENUE BONDS, SERIES 2002 C (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$300,000 (COLLECTIVELY, THE "SERIES 2002 BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the holders of the Series 2002 Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2002 B Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2002 B Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Series 2002 Bonds; provided however, that so long as there

The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

SEWER REVENUE BOND, SERIES 2002 C
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. CR-1

\$300,000

FOR VALUE RECEIVED, LOGAN COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Logan, Lincoln, Mingo and Wyoming Counties of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of THREE HUNDRED THOUSAND DOLLARS (\$300,000), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 4.625% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of \$1,401, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security therefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of new public sewer facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The Project and any further improvements or extensions thereto are herein called the "System". This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on December 10, 2002, and a Supplemental Resolution duly adopted by the Issuer on December 10, 2002 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 2002 A (WEST VIRGINIA SRF PROGRAM), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$5,328,940, AND SEWER REVENUE BONDS, SERIES 2002 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED DECEMBER 12, 2002, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,190,000 (COLLECTIVELY, THE "SERIES 2002 BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the holders of the Series 2002 Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2002 C Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2002 C Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest on this Bond payable in any year and all other obligations secured by a lien or payable from such revenues on a parity with this Bond, including the Series 2002 Bonds; provided however, that so long as there exists in the Series 2002 C Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Series 2002 Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth in the Bond Legislation, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Secretary of the Issuer, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the Registered Owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements set forth in the Bond Legislation, this Bond under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, the Issuer will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, LOGAN COUNTY PUBLIC SERVICE DISTRICT
has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto
affixed and attested by its Secretary, and has caused this Bond to be dated December 12, 2002.

Ladies and Gentleman:

I have reviewed the sewer rates of Logan County Public Service District (the "Issuer"), as approved by the order of the Public Service Commission of West Virginia entered November 26, 2002, in Case No. 00-1469-PSD-CN, and the projected operating expenses and anticipated customer usage provided by Charles R. Roberts, PE, the District Managing Engineer and HMB Professional Engineers, Inc., the consulting engineer of the Issuer. It is my opinion that such rates are sufficient (i) to provide for all operating expenses of the sewer facilities of the Issuer and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Issuer's Sewer Revenue Bonds, Series 2002 A (West Virginia SRF Program), Series 2002 B (West Virginia Infrastructure Fund), and Series 2002 C (United States Department of Agriculture).

Very truly yours,

Re: Logan County Public Service District Sewer Revenue Bonds,
Series 2002 A (West Virginia SRF Program)

Ladies and Gentlemen:

We have served as bond counsel to Logan County Public Service District (the "Issuer") in connection with the issuance of its Sewer Revenue Bonds, Series 2002 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a bond purchase agreement for the Bonds, dated November 8, 2002, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued in the principal amount of \$5,328,940, in the form of one bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2005, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Bonds. The Bonds are subject to the SRF Administrative Fee equal to 0.5% of the principal amount of the Bonds as set forth in the Schedule Y attached to the Loan Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16,

Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of new public sewer facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Resolution duly adopted by the Issuer on December 10, 2002, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 10, 2002 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Loan Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.
3. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Resolution

constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund) and Series 2002 C (United States Department of Agriculture), all in accordance with the terms of the Bonds and the Resolution.

6. Under the Act, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, Orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for the use of the System, including, without

limitation, all requisite permits, approvals, Orders and certificates from the DEP, the Council and the Public Service Commission of West Virginia (the "PSC"), and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. 7. The Issuer has duly published the required notice with respect to, among other things, the amount of the Bonds to be issued, the interest rate and terms of the Bonds, the Project to be constructed, the costs of the Project, the anticipated user rates and charges and the date that a formal application for a certificate of public convenience and necessity is to be filed with the PSC in accordance with Chapter 16, Article 13A, Section 25 of the Code of West Virginia, 1931, as amended, and has duly complied with the provisions thereof.

8. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any Court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bonds and the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Resolution and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

Please be advised of the following:

2. The Issuer has obtained all necessary permits and approvals for the construction of the Project.

3. I have investigated and ascertained the location of, and am familiar with the legal description of the necessary sites, including easements and/or rights-of-way, required for the Project as set forth in the plans for the Project prepared by HMB Professional Engineers, Inc., the consulting engineers for the Project.

4. I have examined the records on file in the Office of the Clerk of the County Commission of Logan County, West Virginia, the county in which the Project is to be located and, in my opinion, the Issuer has acquired legal title or such other estate or interest in all the necessary site components for the Project, including all easements and/or rights-of-way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

5. All deeds, easements and rights-of-way which have been acquired to date by the Issuer have been duly recorded in the Office of the Clerk of the County Commission of Logan County to protect the legal title to and interest of the Issuer.

Very Truly Yours,
