West Virginia Infrastructure and

Charleston, West Virginia 25301

West Virginia Water Development Authority

Charleston, West Virginia 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute unless a sale or

transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, during and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and

Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Notes is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Notes are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

(ix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Notes, as shall be deemed necessary by the Authority to maintain the exclusion from gross income

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act.

5.2 In the event the Governmental Agency defaults in any payment to the Authority, the amount of such default shall bear interest at the annual rate of 3% on the installment of the Loan next due, from the date of the default until the date of the payment thereof, unless waived by the Authority.

5.3 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under the Act and State law, including without limitation the right to an appointment of a receiver.

6.2 The Governmental Agency hereby covenants that it will rebate any amounts required by Section 148 of the Code, if applicable, and will take all steps necessary to make any such rebates. In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Notes.

6.3 Notwithstanding Section 6.2, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.4 The Governmental Agency hereby agrees to give the Authority and the Council prior written notice of the issuance by it of any other obligations to be used to pay costs of the Project, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

ARTICLE VII

7.2 The Authority shall take all actions required by the Council in making and enforcing this Loan Agreement and the provisions of the Note.

7.3 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.4 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all

documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.5 No waiver by either party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.6 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.7 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Notes to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.8 This Loan Agreement shall terminate upon the earlier of:

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, ____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of notes of the Governmental Agency, dated _____, ____ (the "Notes"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Notes are issued in the principal amount of $_____, in the form of one note, fully registered as to principal to the Authority, with no interest, and the entire outstanding principal of the Notes shall be payable on _____, ____, as set forth in Schedule Y incorporated in and made a part of the Notes.

The Notes are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local

Statute"), and the note _____duly adopted or enacted by the Governmental Agency on _____(the "Local Act"), pursuant to and under which Local Statute and Local Act the Notes are authorized and issued, and the Loan Agreement that has been undertaken. The Notes are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Notes have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid and legally enforceable special obligations of the Governmental Agency, payable from and secured by a first lien on the proceeds of any grants received by the Governmental Agency for the System, proceeds of any revenue bonds, refunding bonds, bond anticipation notes or other obligations of the Governmental Agency, issued subsequent to the issuance of the Notes, all in accordance with the terms of the Notes and the Local Act.

6. [If required, the Notes are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Notes is excludable from the gross income of the recipients thereof for federal income tax purposes.]

No opinion is given herein as to the effect upon enforceability of the Notes of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Note numbered R-1, and in our opinion the form of said Note and its execution and authentication are regular and proper.

Very truly yours,

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Lubeck Public Service District (the "Issuer") is a public service district, a public corporation and political subdivision of the State of West Virginia in Wood County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer, the Issuer has heretofore acquired and constructed certain improvements and extensions to the existing public sewerage system of the Issuer, consisting of approximately 40 miles of sewer collection lines and a 1.5 million gallons per day wastewater treatment plant, together with all appurtenant facilities (collectively, the "Project") (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers and filed with the Issuer.

C. The Issuer has heretofore temporarily financed a portion of the costs of the acquisition and construction of the Project through the issuance of its Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund), dated September 27, 2005, in the original aggregate principal amount of $6,278,679, of which $6,278,279 is presently outstanding (the "Prior Notes").

D. Pursuant to the Act, the Issuer is authorized and empowered to issue refunding revenue bonds for the purpose of refunding, retiring or refinancing the Prior Notes. The Issuer hereby determines that it is necessary and desirable to refund the Prior Notes.

E. The Issuer intends to refund the Prior Notes through the issuance of its revenue bonds and notes to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council").

F. It is deemed necessary for the Issuer to issue its (i) Sewer Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $2,136,720 (the "Series 2010 A Bonds"); and (ii) Sewerage System Bond Anticipation Notes, Series 2010 (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $4,141,959 (the "Series 2010 Notes" or the "Notes"), to refund the Prior Notes and pay all costs relating thereto. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2010 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding six (6) months after

completion of acquisition and construction of the Project; amounts which may be deposited in the respective Reserve Accounts (as hereinafter defined); costs of refunding the Prior Notes; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 A Bonds and the Series 2010 Notes and such other expenses as may be necessary or incidental to the financing herein authorized, the cost of acquisition and construction of the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

G. The period of usefulness of the System after the refunding of the Prior Notes is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2010 A Bonds and the Series 2010 Notes be sold to the Authority pursuant to the terms and provisions of the respective loan agreements by and between the Issuer and the Authority, on behalf of the Council, in forms satisfactory to the Issuer, the Authority and the Council (collectively, the "Loan Agreements"), all of which are approved hereby if not previously approved by resolution of the Issuer.

I. Upon the refunding of the Prior Notes, there are outstanding obligations of the Issuer which will rank on a parity with the Series 2010 A Bonds as to liens, pledge and source of and security for payment, being the Sewerage System Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated March 9, 1999, issued in the original aggregate principal amount of $7,950,000 (the "Series 1999 A Bonds"); Sewerage System Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated March 9, 1999, issued in the original aggregate principal amount of $2,000,000 (the "Series 1999 B Bonds"); Sewer Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated September 27, 2005, issued in the original aggregate principal amount of $7,879,443 (the "Series 2005 A Bonds"); and Sewer Revenue Bonds, Series 2005 B (West Virginia Infrastructure Fund), dated September 27, 2005, issued in the original aggregate principal amount of $2,411,178 (the "Series 2005 B Bonds") (collectively, the "Prior Bonds").

Prior to the issuance of the Series 2010 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity

tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2010 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolution.

The Series 2010 Notes shall be issued junior and subordinate to the Prior Bonds and the Series 2010 A Bonds as to liens, pledge and source of and security for payment.

J. The estimated revenues to be derived in each year following the refunding of the Prior Notes from the operation of the System will be sufficient to pay all Operating Expenses of the System and the principal of and interest on the Series 2010 A Bonds and the Prior Bonds, and all funds and accounts and other payments provided for herein, all as such terms are hereinafter defined.

K. The Issuer has complied with all requirements of West Virginia law and the Loan Agreements relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2010 A Bonds and the Series 2010 Notes, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the financing hereof by the Council and the approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2010 A Bonds and the Series 2010 Notes or such final order will not be subject to appeal or rehearing.

L. The Project has been approved by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond is issued to pay a portion of the refunding of the Issuer's Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund) (the "Prior Notes"). The existing public sewerage facilities of the Issuer and any further improvements or extensions thereto are herein called the "System." Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

The Notes shall be issued as a single note, designated "Sewerage System Bond Anticipation Notes, Series 2010 (West Virginia Infrastructure Fund)," in the aggregate principal amount of not more than $4,141,959, and shall have such terms as set forth hereinafter and in the Supplemental Resolution.

Section 4.02. Terms of Notes. The Notes shall be issued in such principal amounts; shall bear interest, if any, at such rate or rates, not exceeding the then legal maximum rate, payable on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in the Supplemental Resolution or as specifically provided in the Loan Agreement. The Notes shall be payable as to principal at the principal office of the Paying Agent, in any coin or currency which, on the date of payment of principal is legal tender for the payment of public and private debts under the laws of the United States of America (US Dollars $).

Unless otherwise provided in the Supplemental Resolution, the Notes shall be issued in the form of a single note, fully registered to the Authority, all as provided in the Loan Agreement and the Supplemental Resolution. The Notes shall be exchangeable at the option and expense of the Registered Owner for other fully registered Notes in aggregate principal amount equal to the amount of said Notes then Outstanding, with a maturity corresponding to the dates of maturity of the Notes; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Section 4.03. Execution of Notes. The Notes shall be executed in the name of the Issuer by the Chairperson, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Notes shall cease to be such officer of the Issuer before the Notes so signed and sealed have been sold and delivered, such Notes may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. The Notes may be signed and sealed on behalf of the Issuer by such person as, at the actual time of the execution of the Notes, shall hold the

proper office in the Issuer, although at the date of the Notes such person may not have held such office or may not have been so authorized.

Section 4.04. Authentication and Registration. No Note shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Note, substantially in the form set forth in Section 4.10, shall have been duly manually executed by the Notes Registrar. Any such executed Certificate of Authentication and Registration upon any such Note shall be conclusive evidence that such Note has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Note shall be deemed to have been executed by the Notes Registrar if manually signed by an authorized officer of the Notes Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all the Notes issued hereunder.

Section 4.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner, in accepting any of the Notes shall be conclusively deemed to have agreed that such Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner shall further be conclusively deemed to have agreed that such Notes shall be incontestable in the hands of a bona fide registered owner for value.

So long as the Notes remain Outstanding, the Issuer, through the Notes Registrar as its agent, shall keep and maintain books for the registration and transfer of the Notes.

The registered Notes shall be transferable only upon the books of the Notes Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Notes Registrar, duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Notes or transferring the Notes is exercised, the Notes shall be delivered in accordance with the provisions of this Resolution. All Notes surrendered in any such exchanges or transfers shall forthwith be canceled by the Notes Registrar. For every such exchange or transfer of Notes, the Notes Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing

each new Note upon each exchange or transfer, and any other expenses of the Notes Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer.

In case any Note shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Notes Registrar shall, if so advised by the Issuer, authenticate, register and deliver a new Note of the same series and of like tenor as the Notes so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note, upon surrender and cancellation of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, and upon the Registered Owner's furnishing the Issuer proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Notes Registrar may incur. All Notes so surrendered shall be canceled by the Notes Registrar and held for the account of the Issuer. If such Note shall have matured or be about to mature, instead of issuing a substitute Note, the Issuer may pay the same, upon being indemnified as aforesaid, and, if such Note be lost, stolen, or destroyed, without surrender therefor.

Section 4.07. Pledge of Security for the Notes. The Notes shall be payable solely from proceeds of any additional sewerage system revenue bonds or refunding revenue bonds of the Issuer, any additional grants which the Issuer may receive and any additional bond anticipation notes which the Issuer may issue from time to time upon maturity of the Notes.

Section 4.08. Notes Not to be Indebtedness of Issuer. The Notes shall be special obligations of the Issuer, payable solely from the sources set forth in Section 4.07 hereof. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power, if any, of the Issuer is pledged for the payment of the Notes. The Registered Owner of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues.

Section 4.09. Covenants of Resolution Applicable to Notes. All covenants and restrictions contained in the Resolution, where appropriate and to the extent required by the Council, the Authority or the Loan Agreement for the Notes, are recognized and agreed by the Issuer to be applicable to the Notes.

(3) Series 2010 Notes Payment Fund.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund all Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Sinking Funds for the Prior Bonds, the amounts required to pay principal of the Prior Bonds as required by the Prior Resolution; and (ii) commencing 3 months prior to the first date of

payment of principal of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2010 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

for the purposes of paying principal of and interest, if any, on the Series 2010 A Bonds as the same shall come due, when other monies in the Series 2010 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2010 A Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2010 A Bonds Reserve Account which result in a reduction in the balance of such accounts to below the respective Reserve Requirements thereof, shall be restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the respective Series 2010 A Bonds Sinking Funds or the respective Series 2010 A Bonds Reserve Accounts therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2010 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2010 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the respective Series 2010 A Bonds Sinking Funds and the respective Series 2010 A Bonds Reserve Accounts created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at any time, the Issuer shall make the necessary arrangements whereby required payments into the Series 2010 A Bonds Sinking Funds and the respective Series 2010 A Bonds Reserve Accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the respective Series 2010 A Bonds Sinking Funds and the respective Series 2010 A Bonds Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2010 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2010 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreements, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of each calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as such parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

EXCHANGE OF BONDS AND NOTES FOR PRIOR NOTES

Section 6.01. Exchange of Bonds and Notes for Prior Notes. On the Closing Date, the Issuer shall deliver the Series 2010 A Bonds and the Series 2010 Notes to the Authority in exchange for the Prior Notes, which exchange shall release and discharge the liens, pledges and encumbrances securing the Prior Notes.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2010 A Bonds and the Series 2010 Notes. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owners of the Series 2010 A Bonds and the Series 2010 Notes as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2010 A Bonds and the Series 2010 Notes or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2010 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2010 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2010 A Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2010 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreements. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2010 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in

the Bond Legislation and in compliance with the Loan Agreements. In the event the schedule of rates and charges initially established for the System in connection with the Series 2010 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2010 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the respective Series 2010 A Bonds Sinking Fund, and, with the written permission of the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the respective Series 2010 A Bonds. Any balance remaining after the payment of the respective Series 2010 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such

sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2010 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2010 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2010 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2010 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2010 A Bonds pursuant to this Bond Legislation,

except with the prior written consent of the Authority and the Council under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2010 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition, or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained
in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the

System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2010 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2010 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the cost of designing, acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as it may reasonably require in connection with the design, acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, or any other original purchaser of the Series 2010 A Bonds, and shall mail in each year to any Registered Owner of the Series 2010 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2010 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2010 A

Bonds. Such audit report submitted to the Council and the Authority shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreements and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Council and the Authority, or their agents and representatives, to enter and inspect the Project site and facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Council and the Authority, or their agents and representatives, with access to the System site and facilities, as may be reasonably necessary to accomplish all of the powers and rights of the Council and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2010 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the respective Series 2010 A Bonds

Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2010 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Council and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Council and the Authority and to any Registered Owner of the Series 2010 A Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Council and the Authority and to any Registered Owner of the Series 2010 A Bonds, or anyone acting for and on behalf of such Registered Owner.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreements, and forward a copy of such report to the Council and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreements, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Council and the Authority, the Project is adequate for the purposes for which it was designed, the funding

plan as submitted to the Council and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Council and the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreements.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted

by law. If the water facilities are not owned by the Issuer, the Issuer will use diligent efforts to enter into a termination agreement with the provider of such water, subject to any required approval of such agreement by the PSC and all its rules, regulations and orders.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2010 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to

protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Council and the Authority. In the event the Loan Agreements so require, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

SPECIMEN

This Bond is issued to pay a portion of the refunding of the Issuer's Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund) (the "Prior Notes"). The existing public sewerage facilities of the Issuer and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Resolution duly adopted by the Issuer on February 11, 2010, and a Supplemental Resolution duly adopted by the Issuer on February 11, 2010 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, or the interest, if any, hereon, except from said special fund

Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on this Bond and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2010 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. Section 1.04. Findings. It is hereby found, determined and declared as follows:

A. The Issuer is a public corporation and political subdivision of the State in Wood County of said State. The Issuer now owns and operates a public wastewater collection and treatment system furnishing service to residences, premises and businesses residing or located within the territory of the Issuer. However, the Issuer has experienced numerous environmental problems in connection with the operation of the various package wastewater treatment plants within its territory, most of which are in poor condition and in need of repair. In addition, many residences within the service territory of the Issuer are served only by private septic systems, many of which are not working well. The deficiencies in the package plants and private septic systems described above are causing extreme environmental damage and serious health concerns.

B. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the Issuer that there be acquired and constructed the Project, generally consisting of the acquisition and construction of approximately forty miles of sanitary sewer collection lines and appurtances and a 1.5 million gallon per day wastewater treatment plant at an estimated cost of $26,500,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have been approved by DEP and are on file with the Issuer. The Project is generally described in Exhibit A attached hereto and incorporated by reference herein. The Project has an estimated useful life in excess of forty years.

C. The Issuer derives Net Revenues from the System. The Net Revenues are currently encumbered by two outstanding obligations. These obligations include the Issuer's 1992 Sewer Revenue Bonds in the approximate outstanding principal amount of $75,193.43; the outstanding Step I Design Loan of the Parkersburg Sanitary Board in the approximate outstanding principal amount of $10,544.41; and the Step II Design Loan of the Issuer in the approximate outstanding principal amount of $178,981.65 (collectively, the "Prior Obligations"). The Issuer deems it advisable and hereby authorizes the payment in full of the outstanding principal and interest, if any, of the Prior Obligations from the proceeds of the Series 1999 B Bonds. Other than the Prior Obligations, the Net Revenues of the System are not encumbered in any manner.

D. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project and to pay in full the Prior Obligations through

the issuance of its revenue bonds to the Authority. The Issuer intends to temporarily finance a portion of the costs of acquisition and construction of the Project through the issuance of bond anticipation notes to the Authority.

E. The estimated revenues to be derived in each year after the enactment of this Resolution from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on each series of Original Bonds of the Issuer and all sinking fund and other payments provided for in this Resolution.

F. It is deemed necessary for the Issuer to issue its Original Bonds in the aggregate principal amount of $9,950,000 to finance the costs of the acquisition and construction of the Project herein described through the Program and the Infrastructure Council and to finance the payment in full of the outstanding principal of and interest, if any, on the Prior Obligations. It is also deemed necessary for the Issuer to issue its Notes in the aggregate principal amount of not more than $16,550,000 to temporarily finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest on the Original Bonds prior to and during construction or acquisition and for six months after completion of construction of the Project, if any; engineering, fiscal and legal expenses; expenses for estimates of cost and revenue; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense, any fees or expenses of the Authority, DEP and the Infrastructure Council, commitment fees, discount, initial fees for the service of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Original Bonds, and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Original Bonds or the repayment of the indebtedness incurred by the Issuer for such purposes shall be deemed part of the Cost of the Project.

G. The Infrastructure Council has approved the Project and has authorized the Authority to purchase bonds of the Issuer to permanently finance a portion of the Costs of the Project and to issue bond anticipation notes of the Issuer to temporarily finance a portion of the Costs of the Project. It is in the best interests of the Issuer that its Series 1999 A Bonds, Series 1999 B Bonds and Series 1999 Bond Anticipation Notes be sold to the Authority pursuant to the terms and provisions of the respective Loan Agreements.

H. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Original Bonds and Notes, or will have so complied prior to the issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity from the PSC by Final Order, the time for rehearing and appeal of which has expired.

ARTICLE II

The repayment of principal on the Original Bonds shall be as set forth on Schedule Y to the respective Loan Agreements. The Original Bonds shall contain such other terms, provisions, conditions and limitations, all as provided by this Resolution and the Loan Agreements and as the Board shall prescribe by a supplemental or amendatory resolution hereto adopted in connection with the sale of such Original Bonds.

The Original Bonds shall be payable as to principal, at the principal office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America.

Unless otherwise provided in the Supplemental Resolution, the Original Bonds shall be issued in the form of a single bond for each series, fully registered to the Authority, with a record of advances and a payment record attached, representing the aggregate principal amount, and shall mature in principal installments, all as provided in the Loan Agreements and said Supplemental Resolution. Bonds shall be exchangeable at the option and expense of the Bondholder for other fully registered Bonds in aggregate principal amount equal to the amount of said Bonds then Outstanding, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds may be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof, all as determined by a Supplemental Resolution. Said Bonds shall be dated as of the date specified in said Supplemental Resolution.

Section 3.02. Execution of Bonds. Said Bonds shall be executed in the name of the Issuer by the Chairman and attested by the Secretary, and the seal of the Issuer shall be affixed thereto or imprinted thereon. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as, at the actual time of the execution of such Bonds, shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.08, shall have been duly manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.04. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner, in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Bonds.

So long as any of the Bonds remain Outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

Bonds shall be transferable only upon the books of the Bond Registrar, by the registered Owner thereof in person or by the Owner's attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered Owner or the Owner's duly authorized attorney.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge

required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the 15 days preceding an interest payment date on the Bonds, or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Bond in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Owner's furnishing the Issuer proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur and the Bond Registrar shall authenticate the new Bond. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by anyone, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Owner or Owners of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Bonds or any interest thereon.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all the Original Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Bonds and to make the payments into the sinking funds and the reserve accounts therein and in the Renewal and Replacement Fund hereinafter established are hereby irrevocably pledged to the payment of the principal of and any interest on the Bonds as the same become due.

ARTICLE IV

AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION OF BOND ANTICIPATION NOTES

Section 4.01. Authorization and Terms of Notes. In order to pay certain Costs of the Project pending receipt of proceeds from the issuance of additional sewerage system revenue bonds for the System or proceeds of additional grants (other than Infrastructure Council grants) received for the System, there shall be issued the Notes of the Issuer. The Notes shall be issued in one series, designated "Bond Anticipation Notes, Series 1999," in the aggregate principal amount of $16,550,000, and numbered R-1. The Notes shall be dated as of the date of delivery thereof, shall mature at such time and in such amount or amounts as shall be set forth in the Series 1999 Notes Loan Agreement and the Supplemental Resolution. The Notes shall bear no interest. The repayment of principal on the Notes shall be as set forth on Schedule Y to the Series 1999 Notes Loan Agreement and the Supplemental Resolution. The Notes shall contain such other terms, provisions, conditions and limitations, all as provided by this Resolution and the Series 1999 Notes Loan Agreement and as the Board may prescribe by a supplementary or amendatory resolution hereto in connection with the sale of the Notes.

The Notes shall be payable as to principal at the principal office of the Paying Agent, in any coin or currency which, on the date of payment of principal is legal tender for the payment of public and private debts under the laws of the United States of America.

Unless otherwise provided in the Supplemental Resolution, the Notes shall be issued in the form of a single note, fully registered to the Authority, with a record of advances attached, all as provided in the Series 1999 Note Loan Agreement and said Supplemental Resolution. The Notes shall be exchangeable at the option and expense of the Bondholder for other fully registered Notes in aggregate principal amount equal to the amount of said Notes then Outstanding, with a maturity corresponding to the dates of maturity of the Notes; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Section 4.02. Execution of Notes. The Notes shall be executed in the name of the Issuer by the Chairman and attested by the Secretary, and the seal of the Issuer shall be affixed thereto or imprinted thereon. In case any one or more of the officers who shall have signed or sealed the Notes shall cease to be such officer of the Issuer before the Notes so signed and sealed have been sold and delivered, such Notes may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. The Notes may be signed and sealed on behalf of the Issuer by such person as, at the actual time of the execution of the Notes, shall hold the proper office in the Issuer, although at the date of the Notes such person may not have held such office or may not have been so authorized.

Section 4.03. Authentication and Registration. No Note shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Note, substantially in the form set forth in Section 4.08, shall have been duly manually executed by the Notes Registrar. Any such executed Certificate of Authentication and Registration upon any such Note shall be conclusive evidence that such Note has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Notes Registrar if manually signed by an authorized officer of the Notes Registrar.

Section 4.04. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Notes shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner, in accepting any of said Notes shall be conclusively deemed to have agreed that such Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner shall further be conclusively deemed to have agreed that said Notes shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Notes.

So long as the Notes remain Outstanding, the Issuer, through the Notes Registrar, shall keep and maintain books for the registration and transfer of the Notes.

The Notes shall be transferable only upon the books of the Notes Registrar, by the registered Owner thereof in person or by the Owner's attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Notes Registrar, duly executed by the registered Owner or the Owner's duly authorized attorney.

In all cases in which the privilege of exchanging the Notes or transferring the Notes is exercised, the Notes shall be delivered in accordance with the provisions of this Resolution. All Notes surrendered in any such exchanges or transfers shall forthwith be canceled by the Notes Registrar. For every such exchange or transfer of Bonds, the Notes Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Note upon each exchange or transfer, and any other expenses of the Notes Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer.

Section 4.05. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Note in exchange and substitution for such mutilated Note, upon surrender and cancellation of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, and upon the Owner's furnishing the Issuer proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur and the Notes Registrar shall authenticate the new Note. All Notes so surrendered shall be

canceled by the Notes Registrar and held for the account of the Issuer. If such Note shall have matured or be about to mature, instead of issuing a substitute Note, the Issuer may pay the same, upon being indemnified as aforesaid, and, if such Note be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Notes issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Notes be at any time found by anyone, and such duplicate Notes shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment Notes with any other Notes issued hereunder.

Section 4.06. Notes are Special Obligations. The Notes shall be special obligations of the Issuer payable as to principal and interest, if any, solely from proceeds of any additional sewerage system revenue bonds or refunding revenue bonds of the Issuer which may be issued for the Project, any additional grants (other than Infrastructure Council grants) which the Issuer may receive for the Project and any additional bond anticipation notes which the Issuer may issue from time to time upon maturity of the Notes. If, on the fortieth anniversary of the date of issuance of the Notes, the Issuer has not (i) issued any additional sewerage system revenue bonds, refunding revenue bonds, or bond anticipation notes pursuant to the terms of this Resolution or (ii) received any additional grants (other than Infrastructure Council grants) for the Project, then the Infrastructure Council shall instruct the Authority to convert the outstanding principal amount of the Note or Notes then Outstanding to a grant and to cancel the Note or Notes then Outstanding; provided, that in no event shall an amount of the principal amount of the Notes greater than $8,600,000 be converted to a grant.

The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power, if any, of the Issuer is pledged for the payment of the Notes. The Holder of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as may be set forth in the Supplemental Resolution.

Section 4.07. Covenants of Resolution Applicable to Notes. All covenants and restrictions contained in the Resolution, where appropriate and to the extent required by the Infrastructure Council, the Authority or the Series 1999 Notes Loan Agreement, are recognized and agreed by the Issuer to be applicable to the Notes.

Section 4.08. Form of Notes. The text of the Notes shall be of substantially the following tenor, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Resolution or any subsequent resolution adopted prior to the issuance thereof.

(iv) the rate coverage requirements established by Section 7.04 of this Resolution and any more stringent rate coverage requirements established in any resolution adopted after this Resolution authorizing the issuance of other bonds, notes or other obligations of the Issuer then Outstanding;

(v) the then-current rates and charges of the Issuer;

(vi) the sources of permanent financing potentially available to the Issuer during the succeeding six months, including, for each such source, the applicable principal amount available to be loaned to the Issuer, the applicable interest rate, the existence and amount of any administrative or similar fee to be imposed by the lender, and the term of the loan; and

(vii) whether, considering the factors stated in subdivisions (ii), (iii), (iv) and (v) above and the terms of the available sources of permanent financing stated in subdivision (vi) above, the additional Net Revenues of the System attributable to the annual customer growth experienced by the System stated in subdivision (i) are sufficient to permit the Issuer to issue additional revenue bonds payable from the Net Revenues of the System to repay all or a portion of the Outstanding principal amount of the Notes and, if so, the principal amount of such additional revenue bonds that could be so issued.

No later than twelve months prior to the maturity date of the Notes, the Issuer will contact all available governmental funding sources to secure the information required to be set forth in subdivision (vi) above.

C. The Issuer will provide the Customer Growth Report to the Authority and the Infrastructure Council no later than ten and one-half months prior to the maturity date of the Notes. Based on its review of the Customer Growth Report, the Infrastructure Council will recommend that the Issuer take one or both of the following actions:

(i) that the Issuer issue additional revenue bonds, notes or other obligations of the System and that the proceeds of such additional revenue bonds, notes or other obligations be deposited in the Series 1999 Bond Anticipation Notes Payment Fund prior to the maturity date of the Notes to be applied to the payment of all or a portion of the Outstanding principal amount of the Notes; or

(ii) to the extent that the proceeds of such additional revenue bonds, notes or other obligations be deposited in the Series 1999 Bond Anticipation Notes Payment Fund will be sufficient to repay only a portion of the Outstanding principal amount of the Notes, that on the maturity date of the notes, the Issuer issue an additional bond anticipation note or notes to the Authority on behalf of the Infrastructure Council, containing such terms as the Authority and the Infrastructure Council may request, with an aggregate principal amount equal to the principal amount of the Notes not paid in full on the maturity date of the Notes.

D. Upon receipt of the Infrastructure Council's recommendations offered in response to the Customer Growth Report, the Issuer will take such actions as are necessary and convenient to implement the recommendations of the Infrastructure Council, including the adoption of a bond and/or note resolution, the issuance of additional revenue bonds, notes or other obligations payable from the Net Revenues of the System or the issuance of additional bond anticipation notes or both in principal amounts sufficient to convert all of the Outstanding principal amount of the Notes to permanent financing or additional bond anticipation notes.

E. Notwithstanding any other provision of this Resolution, if the Program is amended prior to the maturity date of the Notes to permit the Authority and the DEP to authorize and make loans under the Program for terms in excess of twenty years, the Authority, acting on behalf of the Infrastructure Council and upon providing reasonable written notice to the Issuer, may declare all or any portion of the outstanding principal amount of the Notes to be due and payable prior to maturity.

Section 4.12. Prohibition of Other Debt. So long as the Notes are outstanding, no bonds, notes or other evidences of indebtedness secured by the System or the proceeds of any grants, revenue bonds or bond anticipation notes for the System, shall be issued by the Issuer other than pursuant to Section 4.11 hereof without the prior written consent of the Authority and the Infrastructure Council.

Section 4.13. Investment of Funds. Pending application as provided above, any moneys held in the Series 1999 Bond and Note Construction Trust Fund on account of the proceeds of the Notes and in the Series 1999 Bond Anticipation Notes Payment Fund shall

be invested and reinvested by the Depository Bank or the Commission, as applicable, at the direction of the Issuer to the fullest extent possible under applicable laws, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once a year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Notes are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Notes from gross income for federal income tax purposes.

ARTICLE V

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Continuation of Funds and Accounts with Depository Bank. The following special funds or accounts are created with (or, if established by a resolution prior to this resolution, continued hereby) and shall be held by the Depository Bank:

(1) Revenue Fund;

(2) Renewal and Replacement Fund; and

(3) Series 1999 Bond and Note Construction Trust Fund (with a separate subaccount to be established for each series of Original Bonds and for the Notes).

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby established with the Commission:

(1) Series 1999 A Bonds Sinking Fund;

(a) Within the Series 1999 A Bonds Sinking Fund, the Series 1999 A Bonds Reserve Account;

(2) Series 1999 B Bonds Sinking Fund;

(a) Within the Series 1999 B Bonds Sinking Fund, the Series 1999 B Bonds Reserve Account; and

(3) Series 1999 Notes Payment Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner therein and herein provided.

(1) The Issuer shall, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month (i) commencing 4 months prior to the first date of payment of interest, if any, on the respective series of Bonds for which interest has not been capitalized, apportion and set apart out of the

Revenue Fund and remit to the Commission, for deposit in the respective Sinking Funds, a sum equal to 1/3rd of the amount of interest which will become due on the respective series of Bonds on the next ensuing quarterly interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the respective Sinking Fund and the next quarterly interest payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly interest payment date, the required amount of interest coming due on such date, and (ii) on the first day of each month, commencing 4 months prior to the first date of payment of principal on the respective series of Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the respective Sinking Funds, a sum equal to 1/3rd of the amount of principal which will mature and become due on the respective series of Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the respective Sinking Fund and the next quarterly principal payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date. When additional series of Original Bonds are issued, the payment of interest and principal on said bonds shall be made simultaneously with the payments described in this Section 5.03A(2) and to the extent that Revenues are insufficient to make all of the payments, such payments shall be made, pro rata, among each series of Bonds.

(3) The Issuer shall next transfer from the Revenue Fund and pay to the Commission on the first day of each month, commencing 3 months prior to the first date of payment of principal of each respective series of Bonds, if not fully funded upon issuance of such series of Bonds, for deposit in the respective Reserve Account, an amount equal to 1/120 of the respective Reserve Requirement; provided, that no further payments shall be made into the respective Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the respective Reserve Requirement. When additional series of Original Bonds are issued, the payment of interest and principal on said bonds shall be made simultaneously with the payments described in this Section 5.03A(3) and to the extent that Revenues are insufficient to make all of the payments, such payments shall be made, pro rata, among each series of Bonds.

(4) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Renewal and Replacement Fund a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the

maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the respective Sinking Funds shall be used only for the purposes of paying principal of and interest on the respective series of Bonds as the same shall become due. Moneys in the Reserve Account in the respective Sinking Funds shall be used only for the purpose of paying principal of or interest on the respective series of Bonds, as the same shall come due, when other moneys in the respective Sinking Fund are insufficient therefor, and for no other purpose. Except for the funds required to be deposited in the Rebate Fund, all investment earnings on moneys in the respective Reserve Accounts shall be transferred, not less than once each year, to the respective Bond Construction Trust Funds prior to completion of the Project and thereafter, pro rata, to the respective Sinking Funds.

Any withdrawals from the Reserve Accounts which result in a reduction in the balance of any Reserve Account to an amount below the applicable Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Sinking Funds for payment of debt service on the Bonds have been made in full.

B. As and when additional Bonds ranking on a parity with the Original Bonds are issued, provision shall be made for additional payments into the Sinking Fund sufficient to pay any interest on such additional Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the Reserve Account in an amount equal to the Reserve Requirement.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Article VIII hereof.

The Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective series of Bonds and any additional Bonds ranking on a parity with them that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Sinking Funds, including the Reserve Accounts therein, and the Renewal and Replacement Fund during the following month or such longer period as shall be required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenue"). Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank, on such dates as the Commission or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any Depository Bank's charges then due.

Simultaneously with the deposits made to the Commission pursuant to Section 5.03A(2) and (3) the Issuer shall remit to the Commission the SRF Administrative Fee.

The Issuer shall complete the "monthly payment form," which form is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the fifth day of each calendar month.

E. The moneys in excess of the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If, on any monthly payment date, the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments, in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

G. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

Section 5.04. Excess Bond and Note Proceeds. Upon completion of construction of the Project, as certified by the Consulting Engineers, and after all costs have been paid, any remaining proceeds of the Series 1999 A Bonds shall be used as directed in writing by the Authority and the DEP and any remaining proceeds of the Series 1999 B Bonds or the Notes shall be used as directed in writing by the Authority and the Infrastructure Council.

ARTICLE VI

APPLICATION OF ORIGINAL BOND AND NOTE PROCEEDS; FUNDS AND ACCOUNTS

Section 6.01. Application of Original Bond and Note Proceeds. From the moneys received from time to time from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Bonds, there shall be deposited with the Commission in the respective Reserve Accounts the sums, if any, set forth in the Supplemental Resolution for funding of said Reserve Accounts.

B. The remaining moneys derived from the sale of the Original Bonds and the Notes shall be deposited by the Issuer, as received from time to time, in the Bond and Note Construction Trust Fund hereinafter established.

C. There is hereby created and established with the Depository Bank a special fund, designated the "Series 1999 Bond and Note Construction Trust Fund," with a separate subaccount to be established for each series of Original Bonds and for the Notes. The Depository Bank shall act as a trustee and fiduciary for the Bondholders and Noteholders with respect to the Bond and Note Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond and Note Construction Trust Fund set forth in this Resolution. Moneys in the Bond and Note Construction Trust Fund shall be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Bonds.

Section 6.02. Disbursements From the Bond and Note Construction Trust Fund.

A. With respect to the proceeds of the Series 1999 A Bonds, on or before the Closing Date, the Issuer shall have delivered to the Authority a report listing the specific purposes for which the proceeds of the Series 1999 A Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule.

Except as provided in Section 6.01 hereof, disbursements from the Bond and Note Construction Trust Fund from proceeds of the Series 1999 A Bonds (except for the cost of issuance of the Series 1999 A Bonds which shall be made upon request of the Issuer) shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) A "Payment Requisition Form," attached to the SRF Loan Agreement, and

(2) a certificate, signed by the Chairman and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursements theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

B. With respect to the proceeds of the Series 1999 B Bonds and the Notes, on or before the Closing Date, the Issuer shall have delivered to the Infrastructure Council a report listing the specific purposes for which the proceeds of the Series 1999 B will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule.

With respect to the proceeds of the Series 1999 B Bonds and the Notes, each month the Issuer shall provide the Infrastructure Council with a requisition for costs incurred for the Project with such documentation as the Infrastructure Council shall from time to time require. Upon receipt of the proceeds from the Authority, the Issuer shall deposit the proceeds in the Bond and Note Construction Trust Fund and pay any approved costs. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond and Note Construction Trust Fund (except for the cost of issuance of the Series 1999 B Bonds or the Notes, which shall be made upon request of the Issuer) shall be made only after submission to, and approval from, the Authority and the Infrastructure Council, of a certificate, signed by the Chairman and the Consulting Engineers, stating that:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursements theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

C. In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond and Note Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond and Note Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond and Note Construction Trust Fund. The Consulting Engineers shall, from time to time, file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond and Note Construction Trust Fund, including any subaccounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions set forth in this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any owner or owners of the Bonds or the Notes. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the owners of the Bonds and the Notes as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or Notes, or the interest, if any, thereon, is Outstanding and unpaid.

Section 7.02. Bonds and Notes not to be Indebtedness of the Issuer. The Bonds and Notes shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or Notes or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Original Bonds issued hereunder shall be secured forthwith, equally and ratably, by a first lien on the Net Revenues derived from the operation of the System. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds herein authorized and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in this Resolution are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds and for the other purposes provided in the Resolution.

Section 7.04. Rates. Prior to issuance of the Original Bonds and the Notes, equitable rates or charges for the use of and service rendered by the System will be established in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reductions in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all reasonable expenses of operation, repair and maintenance of the System, including any reserves required by the PSC Order or any supplemental or amendments thereto, and (ii) to leave a balance each Fiscal Year equal to at least 115% of the maximum amount required in any succeeding Fiscal Year for payment

of principal of and interest on the Bonds; provided that, in the event that amounts at least equal to or in excess of the respective Reserve Requirements are on deposit in the respective Reserve Accounts, such balance each Fiscal Year need only equal at least 110% of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest on the Original Bonds.

Section 7.05. Completion, Operation and Maintenance; Schedule of Cost. The Issuer will expeditiously complete the Project and will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures, for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof, from the revenues of said System, in the manner provided in the Resolution.

Upon completion of the Project, the Issuer shall file with the Authority a schedule, in substantially the form of Amended Schedule A to the Program loan application, setting forth the actual costs of the Project and sources of funds therefor.

Section 7.06. Sale of the System. The System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay or redeem at or prior to maturity all the Bonds and Notes Outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the appropriate Sinking Funds for the Bonds and the Series 1999 Notes Payment Fund, and the Issuer shall direct the Commission to apply such proceeds to the payment of principal and any interest, if any, at maturity of Bonds and Notes about to mature and to the redemption prior to maturity, at the earliest date permitted hereby and at the redemption price, of all other Outstanding Bonds and Notes. Any balance remaining after the redemption or payment of all the Bonds and Notes and the interest, if any, thereon shall be remitted to the Issuer by the Commission, unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. The Board may then, if it be so advised, as evidenced by certificates of the Consulting Engineers, by resolution duly adopted, approve and concur in such finding and provide for the sale of such property if the amount to be received therefor is not in excess of ten thousand dollars ($10,000), or authorize such sale, lease or other disposition of such property, upon public bidding, if the amount to be received therefor is in excess of ten thousand dollars ($10,000) but not in excess of fifty thousand dollars ($50,000). The proceeds of any such sale, lease or other disposition of such property, not in excess of $10,000, shall be deposited in the Renewal and Replacement Fund. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $10,000 and not in excess of $50,000, shall be remitted by the Issuer to the Commission for deposit, or a pro rata basis, in the respective Sinking Funds for

the Bonds and the Series 1999 Notes Payment Fund, and shall be applied only (i) to the redemption of Bonds of the last maturities then Outstanding or to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the redemption price of such Bonds and (ii) to the payment prior to maturity of the Notes. Such payments of such proceeds into the respective Sinking Funds, the Series 1999 Notes Payment Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of fifty thousand dollars ($50,000) and be insufficient to pay or redeem, prior to maturity, all the Bonds and Notes then Outstanding, without the prior approval and consent in writing of the owners, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of the Bonds and Notes then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then owners of the Bonds and Notes, for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except pari passu additional Bonds provided for in Section 7.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Parity Bonds may be issued as provided in Section 7.08 hereafter. All obligations hereafter issued by the Issuer payable from the revenues of the System, except such additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds to the extent such are Outstanding; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the respective Reserve Accounts and the Renewal and Replacement Fund, at the time of the issuance of such subordinate obligations, have been made and are current.

In addition to the provisions and limitations stated in the preceding paragraph, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System so long as any portion of principal amount of the Notes or any additional bond anticipation notes issued for the purpose of renewing a portion of the original principal amount of the Notes is outstanding, unless the Issuer has secured the prior written consent of the Infrastructure Council and the Authority. The limitations imposed by the preceding sentence shall apply equally (i) in the case all or any portion of the aggregate principal amount of the Bonds is Outstanding and the obligations sought to be issued would rank prior to, equally, or junior and subordinate to such Outstanding Bonds as to lien on and source and security for payment with such Bonds; or (ii) in the case the aggregate principal amount of the Bonds has been paid in full or defeased pursuant to Section 10.01 hereof.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to said pari passu additional Bonds, being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Resolution or upon the System or any part thereof.

The Issuer shall give the Authority, the Infrastructure Council and the DEP prior written notice of its issuance of any other obligations to be used for the Project, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.08. Parity Bonds. No Parity Bonds payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided and with the prior written consent of DEP, the Infrastructure Council and the Authority.

No Parity Bonds shall be issued, except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the entirety of one or more issues or series of bonds or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by Independent Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the net revenues actually derived, subject to the adjustments hereinafter provided, from the System during any twelve (12) consecutive months within the eighteen (18) months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual net revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional Parity Bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on the following:

(1) Each series of Original Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual net revenues to be received in each of the three (3) succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased net revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired

prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such additional Parity Bonds.

The Net Revenues actually derived from the System during the twelve (12) consecutive month period hereinabove referred to may be adjusted by adding to such net revenues such additional net revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Accountants as stated in a certificate jointly made and signed by the Consulting Engineers and the Independent Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of such extensions, additions, betterments or improvements to the System which are to be financed by such Parity Bonds.

All the covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the owners of the Original Bonds and the owners of any Parity Bonds subsequently issued, from time to time, within the limitations of and in compliance with this Section. All the Bonds, regardless of the time or times of their issuance shall rank equally with respect to their respective liens on the revenues of the System, and their respective sources of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds created in this Resolution required for and on account of such additional Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution on account of the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.09. Insurance and Construction Bonds. The Issuer will carry such insurance and in such amounts as is customarily carried with respect to works and properties similar to the System, with a reputable insurance carrier or carriers, against loss or damage

by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks. The Issuer will require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority, the Infrastructure Council and the DEP, so long as the Authority is the Owner of the Bonds. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their interests may appear, in accordance with the Loan Agreements, during construction of the Project in the full insurable value thereof. In time of war, the Issuer shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be disposed of as provided in the Resolution and otherwise shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer shall also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System. The Issuer shall carry such other insurance as is required by the Authority, the Infrastructure Council and DEP and as set forth in the Loan Agreements, including but not limited to flood insurance and business interruption insurance, to the extent available at reasonable cost to the Issuer.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract, as security for the faithful performance of such contract.

Section 7.10. Consulting Engineers. The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority, the Infrastructure Council and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers. Such resident engineer shall certify to the Authority, the DEP and the Issuer, at the completion of construction, that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies. The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a Performance Certificate, the form of which is attached as Exhibit A to the SRF Loan Agreement and is incorporated herein by reference, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project

is 90% completed. The Issuer agrees that it will, at all times, provide operation and maintenance of the System to comply with any and all State and federal standards. The Issuer agrees that qualified operating personnel, properly certified by the State, will be employed before the Project is 25% complete and agrees that it will retain such a certified operator(s) to operate the System during the entire term of the SRF Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 25% completion stage.

The Issuer agrees that qualified operating personnel, properly certified by the State, will be retained to operate the System during the entire terms of the Loan Agreements.

Section 7.11. Compliance With Loan Agreements, Rules and Regulations. The Issuer hereby covenants and agrees to perform and satisfy all terms and conditions of the Loan Agreements and to comply with all applicable laws, rules and regulations issued by the Authority, the Infrastructure Council, the DEP or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP and the Infrastructure Council with copies of all documents submitted to the Authority.

Section 7.12. No Free Services. The Issuer will not render or cause to be rendered any free services, of any nature, by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or himself or herself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for the services or facilities of the System, or of the waterworks system or sewerage system constituting a part thereof, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The Issuer further covenants and agrees that it will, to the full extent permitted by law, and any rules and regulations promulgated by the PSC applicable thereto, discontinue and shut off both the

water and sewerage services and facilities of the System to all delinquent users of the services and facilities of the System, or of the waterworks system or sewerage system constituting a part thereof, and will not restore either water or sewerage services of the System until all delinquent charges for the service and facilities of the System, or of the waterworks system or sewerage system constituting a part thereof, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 7.14. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.15. Books, Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, the Infrastructure Council, and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System, at all reasonable times, for the purpose of audit and examination. The Issuer shall submit to the Authority, the Infrastructure Council, and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the Loan Agreements or Grant Receipts or other sources of financing for the Project.

The Issuer shall permit the Authority, the Infrastructure Council and the DEP, or their agents and representatives, to inspect all records pertaining to the operation of the System, at all reasonable times, following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any owner of a Bond or Bonds issued pursuant to the Resolution shall have the right, at all reasonable times, to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow currently accepted accounting practices in accordance with the rules and regulations of the PSC and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books, and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Board shall direct.

The Issuer shall file with the Consulting Engineers and the Authority, the Infrastructure Council and DEP, and shall mail in each year to any owner or owners of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Bonds or other obligations Outstanding and secured by a lien on the Net Revenues of the System.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants in compliance with the applicable OMB Circular, or any successors thereto, and the Single Audit Act, or any successors thereto, and shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any owner or owners of Bonds issued pursuant to this Resolution, and shall submit said report to the Authority, the Infrastructure Council and the DEP. The report of said audit shall include a statement that the Issuer is in compliance with the terms and provisions of the Act and the Loan Agreements and that the Issuer's revenues are adequate to meet its operation and maintenance expenses and debt service requirements.

The Issuer shall, commencing on the date contracts are executed for the construction of the Project and for two years following the completion of the Project, each month complete a Monthly Financial Report and forward a copy by the 10th of each month to the Authority, the Infrastructure Council and the DEP.

The Issuer shall, during construction of the Project, complete Payment Requisition Forms, the form of which is attached to the SRF Loan Agreement as Exhibit C and is incorporated herein by reference, and forward a copy to the DEP in compliance with the Issuer's construction schedule.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the SRF Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority, the Infrastructure Council or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority, the Infrastructure Council and the DEP, or their agents and representatives, with access to the System site and System facilities as may be

reasonably necessary to accomplish all of the powers and rights of the Authority, the Infrastructure Council and the DEP with respect to the System pursuant to the Act.

Section 7.16. Operating Budget. The Issuer shall, annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority, the Infrastructure Council and the DEP within thirty days of the adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made, except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Section 7.17. Mandatory Connection. The mandatory use of the System is essential and necessary to protect and preserve the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau of Public Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the PSC shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matter from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau of Public Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer

and a public nuisance, which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.18. Statutory Mortgage Lien. For the further protection of the Bondholders, a statutory mortgage lien upon the System is granted and created by the Bond Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon delivery of the Bonds and shall be for the benefit of all Owners of the Bonds.

Section 7.19. PSC Order. The Issuer shall comply with the conditions of the PSC Order and any supplement or amendment thereto.

Section 7.20. Covenant to Amend Resolution. The Issuer retains the right to make any amendments, insertions or deletions by Supplemental Resolution of this Resolution as the Issuer deems necessary prior to the issuance of the Bonds to meet the requirements of the Authority and the Infrastructure Council.

Section 7.21. Compensation of the Issuer. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Board of the Issuer in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is a default in the performance of or compliance with any covenants or provision hereof.

Section 7.22. Securities Law Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, including but not limited to those in the Bond and Note Construction Trust Fund, and used for the purpose of such fund or account. The interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the Owner, including the value of accrued interest and giving effect to the amortization of discount and investments in the "consolidated fund" of the West Virginia Board of Investments shall be valued at par. The Commission or the Depository Bank, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. Such Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

Notwithstanding the foregoing, any investments made pursuant to this Resolution shall comply with the guidelines of the Authority and the Infrastructure Council.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any series of Original Bonds; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to such Bonds set forth in this Resolution, any supplemental Resolution, or in such Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by any bank or banking association holding any fund or account hereunder or an owner of such Bonds; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default with respect to any Bonds, any Registered Owner of such Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding, enforce all rights of such registered Owners, including the right to require the Issuer to perform its duties under the Act and the Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon such Bonds, (iv) by action at law or bill in equity, require the Issuer to account as if it were the trustee of an express trust for the registered Owners of such Bonds, and (v) by action or bill in equity, enjoin any acts in violation of the Resolution with respect to such Bonds, or the rights of such registered Owners.

Section 9.03. Appointment of Receiver. Any Bondholder may, by proper legal action, compel the performance of the duties of the Issuer under the Resolution and the Act, including the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any default in the payment of interest on any Bonds when the same shall become due, or in the payment of the principal of any Bond or Bonds, either at the specified date of maturity thereof or at a date set for redemption thereof, or otherwise in the performance of any covenant contained in the Resolution other than as to such payment and such default shall continue for a period of thirty (30) days after written notice to the Issuer of such default, any Bondholder shall, in addition to all other remedies or rights, have the right, by appropriate

legal proceedings, to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the Bonds and any interest thereon, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of the Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds issued pursuant to the Resolution and interest thereon and under any covenants of the Resolution for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Owners of Bonds issued pursuant to the Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and Bondholders, and the curing and making good of any default under the provisions of the Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

DEFEASANCE

Section 10.01. Defeasance of Bonds. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Bonds the principal thereof, and redemption premium, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Resolution, then the pledge of Net Revenues and any other moneys and securities pledged under this Resolution and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient to pay, as and when due, the principal of and interest on the Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section. All Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agents, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments and interest due and to become due on said Bonds on and prior to the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this Section nor principal or interest payments on any such securities shall be withdrawn or used for any purposes other than, and shall be held in trust for, the payment of the principal of and redemption premium, if applicable, on and interest on said Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if applicable, on and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the Commission, free and clear of any trust, lien or pledge. For the purpose of this Section, securities shall mean and include only Government Obligations.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Modification or Amendment. No material modification or amendment of this Resolution or of any resolution amendatory hereof or supplemental hereto which would materially and adversely affect the rights of Bondholders or Noteholders shall be made without the consent in writing of the owners of two-thirds (2/3) or more in principal amount of the Bonds or Notes then Outstanding and to be affected by said modification; provided, however, that no change shall be made in the maturity of any Bond or Note or the rates of interest, if any, thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, as provided in this Resolution without the consent of the owner thereof. No amendment or modification shall be made which would reduce the percentage of the principal amount of Bonds or Notes required for consent to the above permitted amendments or modifications.

Section 11.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution.

Section 11.03. Table of Contents and Headings. The Table of Contents and the headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 11.04. Repeal of Conflicting Resolutions. All resolutions, resolutions and orders, or parts thereof, in conflict with this Resolution are, to the extent of such conflict, repealed.

Section 11.05. Covenant of Due Procedure. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the final enactment and passage of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, the Secretary and members of the Board were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 11.06. Effective Date. This Resolution shall take effect immediately upon its adoption.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF LUBECK PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Lubeck Public Service District (the "Issuer") is a public service district, a public corporation and political subdivision of the State of West Virginia in Wood County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer, the Issuer has heretofore acquired and constructed certain improvements and extensions to the existing public sewerage system of the Issuer, consisting of approximately 40 miles of sewer collection lines and a 1.5 million gallons per day wastewater treatment plant, together with all appurtenant facilities (collectively, the "Project") (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers and filed with the Issuer.

C. The Issuer has heretofore temporarily financed a portion of the costs of the acquisition and construction of the Project through the issuance of its Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund), dated March 9, 1999, in the original aggregate principal amount of $16,550,000, of which $16,549,300 is presently outstanding (the "Prior Notes").

D. Pursuant to the Act, the Issuer is authorized and empowered to issue refunding revenue bonds for the purpose of refunding, retiring or refinancing the Prior Notes. The Issuer hereby determines that it is necessary and desirable to refund the Prior Notes.

E. The Issuer intends to refund the Prior Notes through the issuance of its revenue bonds and notes to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council").

F. It is deemed necessary for the Issuer to issue its (i) Sewer Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $7,879,443 (the "Series 2005 A Bonds"); (ii) Sewer Revenue Bonds, Series 2005 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $2,411,178 (the "Series 2005 B Bonds"); and (iii) Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $6,278,679 (the "Series 2005 Notes" or the "Notes"), to refund the Prior Notes and pay all costs relating thereto. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2005 Bonds prior to and during acquisition and construction of the Project and for a

period not exceeding six (6) months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Reserve Accounts (as hereinafter defined); costs of refunding the Prior Notes; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2005 Bonds and the Series 2005 Notes and such other expenses as may be necessary or incidental to the financing herein authorized, the cost of acquisition and construction of the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2005 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

G. The period of usefulness of the System after the refunding of the Prior Notes is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2005 Bonds and the Series 2005 Notes be sold to the Authority pursuant to the terms and provisions of the respective loan agreements by and between the Issuer and the Authority, on behalf of the Council, in forms satisfactory to the Issuer, the Authority and the Council (collectively, the "Loan Agreements"), all of which are approved hereby if not previously approved by resolution of the Issuer.

I. Upon the refunding of the Prior Notes, there are outstanding obligations of the Issuer which will rank on a parity with the Series 2005 Bonds as to liens, pledge and source of and security for payment, being the Sewerage System Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated March 9, 1999, issued in the original aggregate principal amount of $7,950,000 (the "Series 1999 A Bonds"); and Sewerage System Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated March 9, 1999, issued in the original aggregate principal amount of $2,000,000 (the "Series 1999 B Bonds") (collectively, the "Prior Bonds").

Prior to the issuance of the Series 2005 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2005 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolution.

The Series 2005 Notes shall be issued junior and subordinate to the Prior Bonds and the Series 2005 Bonds as to liens, pledge and source of and security for payment.

J. The estimated revenues to be derived in each year following the refunding of the Prior Notes from the operation of the System will be sufficient to pay all Operating Expenses of the System and the principal of and interest on the Series 2005 Bonds and the Prior Bonds, and all funds and accounts and other payments provided for herein, all as such terms are hereinafter defined.

K. The Issuer has complied with all requirements of West Virginia law and the Loan Agreements relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2005 Bonds and the Series 2005 Notes, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the financing hereof by the Council and the approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2005 Bonds and the Series 2005 Notes or such final order will not be subject to appeal or rehearing.

L. The Project has been approved by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. Unless otherwise provided in the Supplemental Resolution, the Notes shall be issued in the form of a single note, fully registered to the Authority, all as provided in the Loan Agreement and the Supplemental Resolution. The Notes shall be exchangeable at the option and expense of the Registered Owner for other fully registered Notes in aggregate principal amount equal to the amount of said Notes then Outstanding, with a maturity corresponding to the dates of maturity of the Notes; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Section 4.03. Execution of Notes. The Notes shall be executed in the name of the Issuer by the Chairperson, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Notes shall cease to be such officer of the Issuer before the Notes so signed and sealed have been sold and delivered, such Notes may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. The Notes may be signed and sealed on behalf of the Issuer by such person as, at the actual time of the execution of the Notes, shall hold the proper office in the Issuer, although at the date of the Notes such person may not have held such office or may not have been so authorized.

Section 4.04. Authentication and Registration. No Note shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Note, substantially in the form set forth in Section 4.10, shall have been duly manually executed by the Notes Registrar. Any such executed Certificate of Authentication and Registration upon any such Note shall be conclusive evidence that such Note has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Note shall be deemed to have been executed by the Notes Registrar if manually signed by an authorized officer of the Notes Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all the Notes issued hereunder.

Section 4.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner, in accepting any of the Notes shall be conclusively deemed to have agreed that such Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner shall further be conclusively deemed to have agreed that such Notes shall be incontestable in the hands of a bona fide registered owner for value.

So long as the Notes remain Outstanding, the Issuer, through the Notes Registrar as its agent, shall keep and maintain books for the registration and transfer of the Notes.

The registered Notes shall be transferable only upon the books of the Notes Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Notes Registrar, duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Notes or transferring the Notes is exercised, the Notes shall be delivered in accordance with the provisions of this Resolution. All Notes surrendered in any such exchanges or transfers shall forthwith be canceled by the Notes Registrar. For every such exchange or transfer of Notes, the Notes Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Note upon each exchange or transfer, and any other expenses of the Notes Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer.

Section 4.06. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Notes Registrar shall, if so advised by the Issuer, authenticate, register and deliver a

new Note of the same series and of like tenor as the Notes so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note, upon surrender and cancellation of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, and upon the Registered Owner's furnishing the Issuer proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Notes Registrar may incur. All Notes so surrendered shall be canceled by the Notes Registrar and held for the account of the Issuer. If such Note shall have matured or be about to mature, instead of issuing a substitute Note, the Issuer may pay the same, upon being indemnified as aforesaid, and, if such Note be lost, stolen, or destroyed, without surrender therefor.

Section 4.07. Pledge of Security for the Notes. The Notes shall be payable solely from proceeds of any additional sewerage system revenue bonds or refunding revenue bonds of the Issuer, any additional grants (other than Council grants) which the Issuer may receive and any additional bond anticipation notes which the Issuer may issue from time to time upon maturity of the Notes.

Section 4.08. Notes Not to be Indebtedness of Issuer. The Notes shall be special obligations of the Issuer, payable solely from the sources set forth in Section 4.07 hereof. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power, if any, of the Issuer is pledged for the payment of the Notes. The Registered Owner of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues.

Section 4.09. Covenants of Resolution Applicable to Notes. All covenants and restrictions contained in the Resolution, where appropriate and to the extent required by the Council, the Authority or the Loan Agreement for the Notes, are recognized and agreed by the Issuer to be applicable to the Notes.

Section 4.10. Form of Notes. The text of the Notes shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby or by any Supplemental Resolution adopted prior to the issuance thereof:

(1) Revenue Fund (established by the Prior Resolution); and

(2) Renewal and Replacement Fund (established by the Prior Resolution).

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by the Commission, separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

(3) Series 2005 B Bonds Sinking Fund;

(5) Series 2005 Notes Payment Fund.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund all Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Sinking Funds for the Prior Bonds, the amounts required to pay principal of the Prior Bonds as required by the Prior Resolution; (ii) commencing 3 months prior to the first date of payment of principal of the Series 2005 A Bonds, for deposit in the Series 2005 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2005 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date; and (iii) commencing 3 months prior to the first date of payment of principal of the Series 2005 B Bonds, for deposit in the Series 2005 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2005 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 B Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, (i) on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Reserve Accounts for the Prior Bonds, the amounts required by the Prior Resolution to be deposited therein; (ii) on March 1, 2021, after the Series 1999 A Bonds have been paid in full, the Issuer hereby authorizes and directs the Commission to transfer $437,747 from the Series 1999 A Bonds Reserve Account into the Series 2005 A Bonds Reserve Account to fully fund such account in an amount equal to the Series 2005 A Bonds Reserve Requirement; and (iii) on the first day of each month, commencing June 1, 2009, transfer from the Revenue Fund and remit to the Commission for deposit in the Series 2005 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2005 B Bonds Reserve Requirement, until the amount in the Series 2005 B Bonds Reserve Account equals the Series 2005 B Bonds Reserve Requirement; provided that, no further payments shall be made into the respective Series 2005 Bonds Reserve Accounts when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the respective Series 2005 Bonds Reserve Requirement. In the event any amount is withdrawn from any of the Series 2005 Bonds Reserve Account, the Issuer shall transfer from the Revenue Fund and restore the deficient Series 2005 Bonds Reserve Account to an amount equal to the Series 2005 Bonds Reserve Requirement.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank, for deposit in the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolution and not in addition thereto), exclusive of any payments for account of any

Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2005 A Bonds Sinking Fund and the Series 2005 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2005 A Bonds and the Series 2005 B Bonds, respectively, as the same shall become due. Monies in the Series 2005 A Bonds Reserve Account and the Series 2005 B Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2005 A Bonds and the Series 2005 B Bonds, respectively, as the same shall come due, when other monies in the Series 2005 A Bonds Sinking Fund and the Series 2005 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2005 A Bonds Sinking Fund, the Series 2005 A Bonds Reserve Account, the Series 2005 B Bonds Sinking Fund and the Series 2005 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2005 Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2005 A Bonds Reserve Account and the Series 2005 B Bonds Reserve Account which result in a reduction in the balance of such accounts to below the respective Reserve Requirements thereof, shall be restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2005 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the respective Series 2005 Bonds Sinking Funds or the respective Series 2005 Bonds Reserve Accounts therein when the aggregate amount of funds therein are at least equal to the aggregate principal

amount of the Series 2005 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2005 Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the respective Series 2005 Bonds Sinking Funds and the respective Series 2005 Bonds Reserve Accounts created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at any time, the Issuer shall make the necessary arrangements whereby required payments into the Series 2005 Bonds Sinking Funds and the respective Series 2005 Bonds Reserve Accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the respective Series 2005 Bonds Sinking Funds and the respective Series 2005 Bonds Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2005 A Bonds Sinking Fund, the Series 2005 A Bonds Reserve Account, the Series 2005 B Bonds Sinking Fund and the Series 2005 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2005 Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2005 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreements, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of each calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as such parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

EXCHANGE OF BONDS AND NOTES FOR PRIOR NOTES

Section 6.01. Exchange of Bonds and Notes for Prior Notes. On the Closing Date, the Issuer shall deliver the Series 2005 A Bonds, the Series 2005 B Bonds and the Series 2005 Notes to the Authority in exchange for the Prior Notes, which exchange shall release and discharge the liens, pledges and encumbrances securing the Prior Notes. From the proceeds of the Series 2005 Notes, there shall be paid by the Issuer all costs of issuance of the Series 2005 Bonds and the Series 2005 Notes.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2005 Bonds and the Series 2005 Notes. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owners of the Series 2005 Bonds and the Series 2005 Notes as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2005 Bonds and the Series 2005 Notes or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2005 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2005 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2005 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2005 Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2005 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreements. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2005 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreements. In the event the schedule

of rates and charges initially established for the System in connection with the Series 2005 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2005 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the respective Series 2005 Bonds Sinking Fund, and, with the written permission of the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the respective Series 2005 Bonds. Any balance remaining after the payment of the respective Series 2005 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into

the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2005 Bonds. All obligations issued by the Issuer after the issuance of the Series 2005 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2005 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2005 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2005 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2005 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the Council under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2005 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition, or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and

security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2005 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2005 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the cost of designing, acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as it may reasonably require in connection with the design, acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, or any other original purchaser of the Series 2005 Bonds, and shall mail in each year to any Registered Owner of the Series 2005 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2005 Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2005 Bonds. Such audit report submitted to the Council and the Authority shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreements and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Council and the Authority, or their agents and representatives, to enter and inspect the Project site and facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Council and the Authority, or their agents and representatives, with access to the System site and facilities, as may be reasonably necessary to accomplish all of the powers and rights of the Council and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2005 Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the respective Series 2005 Bonds Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2005 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Council and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Council and the Authority and to any Registered Owner of the Series 2005 Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Council and the Authority and to any Registered Owner of the Series 2005 Bonds, or anyone acting for and on behalf of such Registered Owner.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreements, and forward a copy of such report to the Council and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreements, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Council and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Council and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Council and the Authority and the Issuer at the completion of construction

that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreements.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer will use diligent efforts to enter into a termination agreement with the provider of such water, subject to any required approval of such agreement by the PSC and all its rules, regulations and orders.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the

operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2005 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Council and the Authority. In the event the Loan Agreements so require, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be

adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the PSC and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2005 Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. [Reserved.]

Section 7.19. Statutory Mortgage Lien. For the further protection of the Registered Owners of the Series 2005 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2005 Bonds, provided however, that the statutory mortgage lien of the Series 2005 Bonds shall be on a parity with the statutory mortgage lien of the Prior Bonds.

Section 7.20. Compliance with Loan Agreements and Law. The Issuer shall perform, satisfy and comply with all the terms, conditions and requirements of the Loan Agreements and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the Council with copies of all documents submitted to the Authority.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of

changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2005 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2005 Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2005 Bonds as a condition to issuance of the Series 2005 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2005 Bonds as may be necessary in order to maintain the status of the Series 2005 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be

taken, any action with respect to the Issuer's use of the proceeds of the Series 2005 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2005 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority, information with respect to the Issuer's use of the proceeds of the Series 2005 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2005 Bonds and the Series 2005 Notes:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2005 Bonds or the Series 2005 Notes; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2005 Bonds or the Series 2005 Notes set forth in this Bond Legislation, any supplemental resolution or in the Series 2005 Bonds or the Series 2005 Notes, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or a Registered Owner; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2005 Bonds or the Series 2005 Notes may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2005 Bonds or the Series 2005 Notes, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 2005 Bonds or the Series 2005 Notes, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Series 2005 Bonds or the Series 2005 Notes, or the rights of such Registered Owners; provided that, all rights and remedies of the Registered Owners of the Series 2005 Bonds shall be on a parity with the of the Registered Owners of the Prior Bonds and provided further that, all rights and remedies of the Registered Owners of the Series 2005 Notes shall be junior and subordinate to the Registered Owners of the Prior Bonds and the Series 2005 Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Series 2005 Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Series 2005 Bonds, any Registered Owner of a Series 2005 Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Series 2005 Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Series 2005 Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Series 2005 Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and

(WEST VIRGINIA INFRASTRUCTURE FUND)

CERTIFICATE AS TO USE OF PROCEEDS

On this 25th day of February, 2010, the undersigned Chairperson of the Public Service Board of Lubeck Public Service District in Wood County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of $2,136,720 Sewer Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund) and $4,141,959 Sewerage System Bond Anticipation Notes, Series 2010 (West Virginia Infrastructure Fund), of the Issuer, all dated February 25, 2010 (the "Bonds" and the "Notes" and individually, the "Series 2010 A Bonds" and the "Series 2010 Notes"), hereby certify as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds and the Notes. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution duly adopted by the Issuer on February 11, 2010 (the "Resolution"), authorizing the Bonds and the Notes.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on February 25, 2010, the date on which the Bonds and the Notes are being physically delivered in exchange for the Prior Notes and a portion of the proceeds of the Series 2010 Notes, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Resolution pursuant to which the Bonds and the Notes are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds or the Notes which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds or the Notes are

derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2010 A Bonds were sold on February 25, 2010, to the Authority, pursuant to a loan agreement dated February 25, 2010, by and between the Issuer and the Authority on behalf of the Council, for an aggregate purchase price of $2,136,720 (100% of par). No accrued interest has been or will be paid on the Bonds and the Notes.

6. The Bonds and the Notes are being delivered simultaneously with the delivery of this Certificate and are issued for the purposes of (i) refunding the Issuer's Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund) (the "Prior Notes"), heretofore issued to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance of the Bonds and the Notes and related costs. Pursuant to Article IV of the Resolution, upon receipt of proceeds of any grants for the System, any sewerage system revenue bonds, refunding revenue bonds or any bond anticipation notes of the Issuer, an amount of the proceeds of such grants, revenue bonds, refunding bonds or bond anticipation notes sufficient to pay all or a portion of the entire outstanding principal of the Notes in full shall be deposited in the Series 2010 Notes Payment Fund. All moneys deposited in the Series 2010 Notes Payment Fund shall be immediately paid by the Commission to the Authority in full payment of the entire outstanding principal of the Notes and then to the Paying Agent for charges, if any, for services rendered.

12. The Issuer will take such steps as requested by the Authority to ensure that the Authority's bonds meet the requirements of the Code.

13. The Issuer does not expect to sell or otherwise dispose of the System in whole or in part prior to the last maturity date of the Bonds and the Notes.

14. The amount designated as costs of issuance of the Bonds and the Notes consists only of costs which are directly related to and necessary for the issuance of the Bonds and the Notes.

15. All property financed with the proceeds of the Prior Notes has been and will be owned and held by (or on behalf of) a qualified governmental unit.

16. The Project has been and will be operated solely for a public purpose as a local governmental activity of the Issuer.

17. The Bonds and the Notes are not federally guaranteed.

18. The Issuer has retained the right to amend the Resolution authorizing the issuance of the Bonds and the Notes if such amendment is necessary to assure that the Bonds and the Notes remain governmental or public purpose bonds.

19. The Issuer has either (a) funded the Series 2010 A Bonds Reserve Account at the maximum amount of principal and interest, if any, which will mature and become due on the Series 2010 A Bonds in the then current or any succeeding year with the proceeds of the Series 2010 A Bonds, or (b) created the Series 2010 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2010 A Bonds Reserve Account hold an amount equal to the maximum amount of principal and interest, if any, which will mature and become due on the Series 2010 A Bonds in the then current or any succeeding year. Moneys in the Series 2010 A Bonds Reserve Account and the Series 2010 A Bonds Sinking Fund will be used solely to pay principal of and interest, if any, on the Series 2010 A Bonds.

20. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds and the Notes, (b) are to be sold pursuant to a common plan of financing together with the Bonds and the Notes and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds and the Notes.

21. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

22. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds and the Notes, rebates and rebate calculations.

23. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature as of the date first written above.

Re: Lubeck Public Service District Sewer Revenue Bonds,
Series 2010 A (West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We have served as bond counsel to Lubeck Public Service District (the "Issuer") in connection with the issuance of its Sewer Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a loan agreement for the Bonds, dated February 25, 2010, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued in the principal amount of $2,136,720, in the form of one bond, registered to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2010, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended

(collectively, the "Act"), for the purpose of refunding the Issuer's Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund) (the "Prior Notes").

We have also examined the applicable provisions of the Act and a Resolution duly adopted by the Issuer on February 11, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on February 11, 2010 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Loan Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to refund the Prior Notes, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer, without the written consent of the Authority and the Council.

4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Resolution constitutes a valid and binding obligation of the Issuer, enforceable against the

Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewerage System Revenue Bonds, Series 1999 A (West Virginia SRF Program), Sewerage System Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), Sewer Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund) and Sewer Revenue Bonds, Series 2005 B (West Virginia Infrastructure Fund), all in accordance with the terms of the Bonds and the Resolution.

6. Under the Act, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

8. The Prior Notes have been paid within the meaning and with the effect expressed in the Prior Resolution, and the covenants, agreements and other obligations of the Issuer to the registered owners of the Prior Notes have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the certificate of the West Virginia Water Development Authority stating that it has received the Series 2010 A Bonds, the Series 2005 B Bonds and the Series 2010 Notes in exchange for the Prior Notes and that such exchange is sufficient to release and discharge the liens, pledges and encumbrances securing the Prior Notes.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Jackson Kelly PLLC

We have served as bond counsel to Lubeck Public Service District (the "Issuer") in connection with the issuance of its Sewerage System Bond Anticipation Notes, Series 2010 (West Virginia Infrastructure Fund), dated the date hereof (the "Notes").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a loan agreement for the Notes, dated February 25, 2010, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the Notes to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Notes are issued in the principal amount of $4,141,959, in the form of one note, registered to the Authority, bearing no interest, with principal payable in annual installments of $100 on June 1, 2010, June 1, 2011, June 1, 2012, June 1, 2013 and June 1, 2014, and with the entire outstanding principal payable in full on March 1, 2015, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Notes.

The Notes are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) refunding the Issuer's Sewerage System Bond Anticipation Notes, Series 2005 (West Virginia Infrastructure Fund) (the "Prior Notes"); and (ii) paying costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Resolution duly adopted by the Issuer on February 11, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on February 11, 2010 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Notes are authorized and issued, and the Loan Agreement is entered into. The Notes are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and a political subdivision of the State of West Virginia, with full power and authority to refund the Prior Notes, to operate and maintain the System, to adopt the Resolution and to issue and sell the Notes, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Notes. The Resolution constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Notes have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer. There are outstanding obligations of the Issuer which will rank senior and prior to the Notes as to liens, pledge and source of and security for payment, being the Issuer's Sewerage System Revenue Bonds, Series 1999 A (West Virginia SRF Program), Sewerage System Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), Sewer Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), and Sewer Revenue Bonds, Series 2005 B (West Virginia Infrastructure Fund) (collectively, the "Prior Bonds") and Sewer Revenue Bonds, Series 2010 A (West Virginia Infrastructure Fund) (the "Series 2010 A Bonds"). The Notes shall be issued junior and subordinate to the Prior Bonds and the Series 2010 A Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Notes shall be payable only from the proceeds of any grants, any sewerage system revenue bonds, refunding revenue bonds or bond anticipation notes of the Issuer, issued subsequent to the issuance of the Notes.

6. Under the Act, the Notes and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Notes have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Notes.

8. The Prior Notes have been paid within the meaning and with the effect expressed in the Prior Resolution, and the covenants, agreements and other obligations of the Issuer to the registered owners of the Prior Notes have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the certificate of the West Virginia Water Development Authority stating that it has received the Series 2010 A Bonds and the Series 2010 Notes in exchange for the Prior

Notes and that such exchange is sufficient to release and discharge the liens, pledges and encumbrances securing the Prior Notes.

No opinion is given herein as to the effect upon the enforceability of the Notes under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Note numbered R-1 and in our opinion, the form of said Note and its execution and authentication are regular and proper.

Very truly yours,

Jackson Kelly PLLC

Ladies and Gentlemen:

In re: Lubeck Public Service District Sewer Revenue Bonds, Series 2010A
(West Virginia Infrastructure Fund);
Sewerage System Bond Anticipation Notes, Series 2010
(West Virginia Infrastructure Fund).

I am counsel to Lubeck Public Service District (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Jackson Kelly, PLLC, as bond counsel, relating to the above-captioned bonds of the Issuer (collectively, the "Bonds"), and the above-captioned notes of the Issuer (the "Notes"), a loan agreement for the Bonds and Notes, all dated February 25, 2010, including all schedules and exhibits attached thereto (collectively, the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), a Resolution duly adopted by the Public Service Board of the Issuer (the "Board") on February 11, 2010, as supplemented by a Supplemental Resolution duly adopted on February 11, 2010, (collectively, the "Resolution"), orders of the County Commission of Wood County relating to the Issuer and the appointment of members of the Board, and other documents relating to the Bonds and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Loan Agreement and Resolution when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to refund the Prior Notes, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

2. The members and officers of the Board have been duly and properly appointed and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Resolution has been duly adopted by the Board and is in full force and effect.

5. The execution and delivery of the Bonds and the Notes and the Loan Agreement and the consummation of the transactions contemplated by the Bonds and the Notes, the Loan Agreement and the Resolution, and the carrying out of the terms thereof, do not, and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds and of the Notes, the refunding of the Prior Notes, the operation of the System and the imposition of rates and charges for the use of the System, including, without limitation, all

requisite permits, approvals, orders and certificates from The County Commission of Wood County, the Council, the West Virginia Department of Environmental Protection and the Public Service Commission of West Virginia (the "PSC"). The Issuer has taken all actions required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the PSC Order entered on November 13, 2009, in Case No. 08-2016-PSWD-42A, approving the refunding of the Prior Notes through the issuance of the Bonds and the Notes and the PSC Order entered November 13, 2009, in Case No. 08-2016-PSWD-42A, approving the rates for the System. The time for appeal of the Order has expired prior to the date hereof. The Order is in full force and effect.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bonds, the Notes and the Resolution, the operation of the System, the validity of the Bonds and the Notes, the collection of the Gross Revenues, the pledge of the Net Revenues for the payment of the Bonds or the pledge of the proceeds of additional revenue bonds, refunding bonds, bond anticipation notes and grants for the payment of the Notes.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Yours very truly,

Richard A. Hayhurst,
Counsel for Lubeck Public Service District.
