AMENDATORY ORDINANCE

AMENDATORY ORDINANCE PROVIDING FOR THE AMENDMENT OF THE DEFINITION OF "THE PROJECT" AS SAID TERM IS DESCRIBED IN THE ORDINANCE AUTHORIZING THE ISSUANCE OF THE COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2000 A (WEST VIRGINIA SRF PROGRAM), AND COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2000 B (WEST VIRGINIA INFRASTRUCTURE FUND), OF THE CITY OF MORGANTOWN.

WHEREAS, the City Council (the "Governing Body") of The City of Morgantown (the "Issuer") has duly and officially enacted a bond ordinance, effective February 15, 2000 (the "Ordinance"), entitled:

ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF EXTENSIONS, ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE SEWERAGE PORTION OF THE EXISTING PUBLIC COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF MORGANTOWN AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN $8,000,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2000 A (WEST VIRGINIA SRF PROGRAM) AND NOT MORE THAN $2,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2000 B (WEST VIRGINIA

INFRASTRUCTURE FUND); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; APPROVING, RATIFYING AND CONFIRMING LOAN AGREEMENTS RELATING TO SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

WHEREAS, capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance when used herein;

WHEREAS, Section 11.01 of the Ordinance provides that it may be amended, provided that the consent of the Registered Owners of the Series 2000 A Bonds and the Series 2000 B Bonds to such amendment is obtained;

WHEREAS, the Governing Body hereby determines that the Ordinance should be amended to include certain additional facilities within the definition of "the Project" set forth in the Ordinance;

WHEREAS, the Issuer has obtained (or will obtain prior to implementation hereof) the consent of the West Virginia Water Development Authority, as the Registered Owner of the Series 2000 A Bonds and the Series 2000 B Bonds, to the amendment of the Ordinance; and

WHEREAS, the Governing Body deems it essential and desirable that this amendatory ordinance (the "Amendatory Ordinance") be enacted and adopted, and that the definition of the Project, as described in Section 1.02B of the Ordinance, be amended hereby in the manner stated herein;

NOW, THEREFORE, BE IT ORDAINED AND ENACTED BY THE CITY COUNCIL OF THE CITY OF MORGANTOWN:

Section 1. Pursuant to the Ordinance and the Act, this Amendatory Ordinance is enacted and Section 1.02B of the Ordinance, is hereby amended to read as follows:

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks and sewerage system. The existing operation and control system at the water treatment plant and parts of the plant system which monitor distribution system operations are outdated and do not perform consistently. Furthermore, certain existing water treatment and/or storage facilities are either beyond serviceability or of insufficient capacity to provide reliable/appropriate service to the customers of the System. It is, therefore, deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of a 750,000 GPD wastewater treatment facility, 18,500 feet of 8-inch and 10-inch gravity sewer line to the Sunset Beach Road area, 5,700 feet of 8-inch gravity sewer line to the Rolling Hills Mobile Home Park, 2,500 feet of 8-inch gravity sewer line to the Cheat Canyon Park subdivision, 5,800 feet of 12-inch, 15-inch and 18-inch gravity interceptor along Whites Run, 1,600 GPM sewage lift station on property along Tyrone Road near Babbling Brook, a 12-inch force main, 8,800 feet long, that will extend from the lift station to the wastewater treatment plant, two small lift stations, 75 GPM, near the Cheat Canyon Park subdivision, and certain additional facilities for which the Issuer will pay a portion and the West Virginia Department of Highways will pay a portion, consisting of approximately 1,850 feet of 8-inch and 5,500 feet of 12-inch gravity sewer lines and 45 manholes from the wastewater treatment plant to the proposed intersection of West Virginia Route 857 and the proposed eastern access road to the proposed Mon-Fayette Expressway, with side extensions and approximately 600 feet of 8-inch and 1,700 feet of 12-inch gravity sewer lines and 15 manholes from the proposed intersection of Route 857 and the proposed eastern access road to the proposed Mon-Fayette Expressway to the Braemar Townhouses, near Goodwin Hill Road, with side extensions, together with all appurtenant facilities (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers (or approved change orders), which plans and specifications have heretofore been filed with the Issuer.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF MORGANTOWN:

ARTICLE I

STATUTORY AUTHORITY; FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20, Chapter 22C, Article 2 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks and sewerage system. Certain domestic, commercial and industrial residents located outside the corporate boundaries of the Issuer, in the Cheat Lake area of Monongalia County, West Virginia (the "Cheat Lake Area") are currently either not served by a public sewerage system or are served by public sewerage systems which are inadequate, obsolete and inefficient. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed in the Cheat Lake Area certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of a 750,000 GPD wastewater treatment facility, 18,500 feet of 8-inch and 10-inch gravity sewer line to the Sunset Beach Road area, 5,700 feet of 8-inch gravity sewer line to the Rolling Hills Mobile Home Park, 2,500 feet of 8-inch gravity sewer line to the Cheat Canyon Park subdivision, 5,800 feet of 12-inch, 15-inch and 18-inch gravity interceptor along Whites Run, 1,600 GPM sewage lift station on property along Tyrone Road near Babbling Brook, a 12-inch force main, 8,800 feet long, that will extend from the lift station to the wastewater treatment plant, and two small lift stations, 75 GPM, near the Cheat Canyon Park subdivision, together with all appurtenant facilities (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund and the West Virginia Infrastructure Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds in the total aggregate principal amount of not more than $10,500,000 in two series (collectively, the "Series 2000 Bonds"), being the Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), in the aggregate principal amount of not more than $8,000,000 (the "Series 2000 A Bonds"), and the Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $2,500,000 (the "Series 2000 B Bonds"), to permanently finance the costs of

acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2000 Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2000 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2000 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2000 A Bonds be sold to the Authority pursuant to the terms and provisions of a bond purchase agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), and its Series 2000 B Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), both the bond purchase agreement and the loan agreement in form satisfactory to the respective parties (collectively, the bond purchase agreement and the loan agreement are referred to herein as the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2000 Bonds as to liens, pledge, source of and security for payment, being the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program), dated September 8, 1992, issued in the original aggregate principal amount of $11,900,000 (the "Series 1992 Bonds"), Combined Waterworks and Sewerage System Revenue Bonds, Series 1995 (West Virginia SRF Program), dated April 27, 1995, issued in the original aggregate principal amount of $1,601,477 (the "Series 1995 Bonds"), and Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated July 1, 1997, issued in the original aggregate principal amount of $10,000,000 (the "Series 1997 Bonds") (collectively with the Cheat Neck Public Service District Bond as hereinafter defined, the "Prior Bonds"). There is outstanding an obligation of the Issuer

which will rank junior and subordinate to the Series 2000 Bonds as to lien, pledge, source of and security for payment being the Issuer's Cheat Neck Public Service District Bond, Series 1992, dated December 16, 1992, issued in the original aggregate principal amount of $313,000 (the "Cheat Neck Public Service District Bond").

H. Prior to the issuance of the Series 2000 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1992 Bonds and the Series 1995 Bonds to the issuance of the Series 2000 Bonds on a parity with the Series 1992 Bonds and the Series 1995 Bonds. The written consent of the holders of the Series 1997 Bonds to the issuance of the Series 2000 Bonds on a parity with the Series 1997 Bonds is not required. The written consent of the holders of the Cheat Neck Public Service District Bond to the issuance of the Series 2000 Bonds on a senior and prior basis to the Cheat Neck Public Service District Bond is not required. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

I. The rates and charges in effect and applicable to the customers of the System located in the Cheat Lake Area upon completion of the Project (which rates and charges are greater than the rates and charges applicable to customers of the System who are not located in the Cheat Lake Area) have been determined to be sufficient, on an independent basis, to provide for payment of the principal of and interest on the Series 2000 Bonds and to provide for payment of all Operating Expenses of the Project, and the Issuer has agreed to issue the Series 2000 Bonds based upon such determination and its understanding that the Project will have no effect on the rates and charges of the System applicable to customers outside the Cheat Lake Area. Notwithstanding any provision of this Section 1.02I to the contrary, the Bonds are secured by a pledge of the Gross Revenues of the System.

J. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 2000 Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

K. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2000 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2000 Bonds or such final order will not be subject to appeal.

L. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Series 1999 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer).

M. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2000 Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Series 2000 Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Moneys in the Series 2000 A Bonds Reserve Account and the Series 2000 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2000 A Bonds and the Series 2000 B Bonds, respectively, as the same shall come due, when other moneys in the Series 2000 A Bonds Sinking Fund and the Series 2000 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2000 A Bonds Sinking Fund, the Series 2000 A Bonds Reserve Account, the Series 2000 B Bonds Sinking Fund and the Series 2000 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the respective Bond Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2000 A Bonds and the Series 2000 B Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2000 A Bonds Reserve Account or the Series 2000 B Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2000 Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 2000 A Bonds Sinking Fund, the Series 2000 A Bonds Reserve Account, the Series 2000 B Bonds Sinking Fund or the Series 2000 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2000 A Bonds and the Series 2000 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds and the Series 2000 Bonds, and thereafter with respect to the Cheat Neck Public Service District Bond, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2000 A Bonds Sinking Fund, the Series 2000 A Bonds Reserve Account, the Series 2000 B Bonds Sinking Fund and the Series 2000 B Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2000 A Bonds Sinking Fund, the Series 2000 A Bonds Reserve Account, the Series 2000 B Bonds Sinking Fund and the Series 2000 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2000 A Bonds Sinking Fund, the Series 2000 A Bonds Reserve Account, the Series 2000 B Bonds Sinking Fund and the Series 2000 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2000 A Bonds and the Series 2000 B Bonds, respectively, and any additional Bonds ranking on a parity therewith that may be issued and outstanding under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, principal and reserve payments with respect to the Series 2000 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the

custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the SRF Administrative Fee as set forth in Schedule Y attached to the Loan Agreement for the Series 2000 A Bonds.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

Section 5.04. Reserve Account Letter of Credit or Surety Bond. With the advance written consent of the Authority, the Issuer may, in lieu of funding the respective Reserve Accounts for the Series 2000 Bonds with cash or Qualified Investments, satisfy the respective Reserve Requirements by the deposit into the respective Reserve Accounts of a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Authority in an amount at least equal to the respective Reserve Requirement. ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2000 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2000 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2000 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2000 Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2000 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2000 A Bonds and the Series 2000 B Bonds shall be secured equally and ratably with each other by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the lien on the Gross Revenues in favor of the Holders of the Cheat Neck Public Service District Bond. Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2000 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted November 29, 1994, and the sewer rate ordinance of the Issuer enacted November 4, 1992, as amended by the sewer rate ordinance of the Issuer enacted June 4, 1999, which rates are incorporated herein by reference as a part hereof

In the event the schedule of rates and charges initially established for the System in connection with the Series 2000 Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and

increase such schedule of rates and charges so as to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2000 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP, the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2000 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP, the Council and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2000 Bonds. Any balance remaining after the payment of the Series 2000 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received

during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section 7.05 to the contrary, the Issuer hereby reserves the right to sell the Tibbs Run reservoir properties consisting of about 80 acres, and a tract of about 200 acres on Mayfield Road heretofore acquired for the System, neither of which properties is now being used or is useful for the System, such sales to be at such times and in such manner and for such prices as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sales insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund. Furthermore, the Board and the Issuer are hereby authorized to negotiate, lease and otherwise dispose of the oil and gas minerals underlying a tract of real estate situate in Clinton Taxing District, Monongalia County, West Virginia, and containing 104 acres, more or less, for a royalty of not less than 1/8th of all oil and gas produced from said property, or a delay rental of not less than $312.00 per year, for a primary term of not to exceed 8 years. All moneys received from the leasing of the aforesaid oil and gas or from any other property of the System shall be deposited in the Revenue Fund and expended therefrom as provided herein.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2000 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2000 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2000 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2000 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2000 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority, the DEP and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the First Lien Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2000 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority, the DEP and the Council and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2000 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding the Series 2000 Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during the Fiscal Year immediately preceding the date of the actual issuance of such Parity Bonds so long as the Series 1997 Bonds are outstanding, and thereafter during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall, so long as the Series 1997 Bonds are outstanding, not be less than 125%, and thereafter, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the

above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2000 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2000 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority, the DEP and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority, the DEP and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority, the DEP and the Council, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority, the DEP and the Council, or any other original purchaser of the Series 2000 Bonds, and shall mail in each year to any Holder or Holders of the Series 2000 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2000 Bonds and shall submit said report to the Authority, the DEP and the Council, or any other original purchaser of the Series 2000 Bonds. Such audit report submitted to the Authority, the DEP and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Board shall permit the Authority, the DEP and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Board shall also provide the Authority, the DEP and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, the DEP and the Council with respect to the System pursuant to the Act.

The Board shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement for the Series 2000 A Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2000 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of

rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 125% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 2000 Bonds, including the Prior Bonds, so long as the Series 1997 Bonds are outstanding, and thereafter 115% of such amount; provided that, in the event the Series 1997 Bonds are no longer outstanding and amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2000 A Reserve Account, the Series 2000 B Bonds Reserve Account and any reserve accounts for obligations prior to or on a parity with the Series 2000 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds, including the Prior Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets, so long as the Series 1997 Bonds are outstanding. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority, the DEP and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP, the Council and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the

System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority, the DEP and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the DEP and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority, the DEP and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority, the DEP and the Council covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority, the DEP, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Board shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Board shall notify the DEP in writing of such receipt. The Board shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement for the Series 2000 A Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Board shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Board shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Board shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Board further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law or, if the waterworks facilities are not owned by the Issuer, the Board will, to the extent allowed by law, use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as the Series 2000 Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Board will also carry and maintain insurance to the extent available against the risks and hazards of war. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the

collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2000 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2000 Bonds during the term thereof is, under the terms of the Series 2000 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect

of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2000 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2000 Bonds during the term thereof is, under the terms of the Series 2000 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2000 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2000 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2000 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2000 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2000 Bonds and the interest, if any, thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest, if any, on the Series 2000 Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of

changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2000 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP and the Council for written approval. The Issuer shall obtain the written approval of the DEP and the Council before expending any proceeds of the Series 2000 Bonds held in "contingency" as set forth in the respective Schedules attached to the Loan Agreement. The Issuer shall also obtain the written approval of the DEP and the Council before expending any proceeds of the Series 2000 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the DEP, the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

Section 7.22. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2000 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2000 Bonds, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and senior to the statutory mortgage lien in favor of the Holder of the Cheat Neck Public Service District Bond.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2000 Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Series 2000 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2000 Bonds which would cause the Series 2000 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2000 Bonds) so that the interest, if any, on the Series 2000 Bonds will be and remain excludable from gross income for federal

income tax purposes, and will not take any actions which would adversely affect such exclusion.

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 2000 Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 2000 Bonds. In the event of a failure to pay the correct rebate amount, the Issuer will pay from any lawful sources available therefor, to the United States such amount, plus a penalty equal to 50% of the rebate amount not paid, plus interest on that amount unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2000 Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2000 Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2000 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any Series 2000 Bonds; or

(2) If default occurs in the Issuer or Bond's observance of any of the covenants, agreements or conditions on their respective parts relating to the Series 2000 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2000 Bonds, and such default shall have continued for a period of 30 days after the Issuer or Board, as appropriate shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2000 Bonds shall be on a parity with those of the Holders of the First Lien Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the

Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and

making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2000 Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2000 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2000 Bonds from gross income for federal income tax purposes.

ARTICLE XI

MISCELLANEOUS

Following issuance of the Series 2000 Bonds, no material modification or amendment of this Ordinance, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the respective rights of Registered Owners of the Series 2000 Bonds shall be made without the consent in writing of the Registered Owners of the Series 2000 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest, if any, thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein respectively pledged therefor without the consent of the respective Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2000 Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest, if any, on the Series 2000 Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Ordinance should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance, the Supplemental Resolution or the Series 2000 Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed; Prior Ordinances. All ordinances, orders or resolutions and or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed; provided that, in the event of

any conflict between this Ordinance and the Prior Ordinances, the Prior Ordinances shall control (unless less restrictive), so long as the Prior Bonds are outstanding.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid and legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

The Project and the System

2.1 The Project shall generally consist of the construction and acquisition of the facilities described in the Application, to be, being or having been constructed in accordance with plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers, the Authority and Council having found, to the extent applicable, that the Project is consistent with the Act.

2.2 Subject to the terms, conditions and provisions of this Loan Agreement and the Local Act, the Governmental Agency has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or

other security interest as is provided for in the Local Statute unless a sale or transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, at and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such bonds prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall

maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.12 The Governmental Agency, commencing on the date contracts are executed for the construction of the Project and for two years following the completion of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward a copy by the 10th of each month to the Authority and Council.

ARTICLE III

Conditions to Loan;
Issuance of Local Bonds

3.1 The agreement of the Authority and Council to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority and the Council, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which

may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(h) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and the Council shall have received a certificate of the accountant for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority and the Council, to such effect; and

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of projects and satisfactory to the Authority and the Council, to such effect, such certificate to be in form and substance satisfactory to the Authority and the Council, and evidence satisfactory to the Authority and the Council of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority, the Council or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the

Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, the Council and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3)

of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof;

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid and legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

(WEST VIRGINIA INFRASTRUCTURE FUND)

No. BR-1 $2,488,000

KNOW ALL MEN BY THESE PRESENTS: That THE CITY OF MORGANTOWN, a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of TWO MILLION FOUR HUNDRED EIGHTY EIGHT THOUSAND DOLLARS ($2,488,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2002, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated February 8, 2000.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public combined waterworks and sewerage system of the Issuer, the Project, and any further extensions, additions, betterments or improvements thereto are herein called the "System." This Bond is issued under the authority of and in full

compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 20 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on February 15, 2000, and a Supplemental Resolution duly adopted by the Issuer on February 15, 2000 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 1992 (WEST VIRGINIA SRF PROGRAM), DATED SEPTEMBER 8, 1992, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $11,900,000 (THE "SERIES 1992 BONDS"); (2) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 1995 (WEST VIRGINIA SRF PROGRAM), DATED APRIL 27, 1995, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,601,477 (THE "SERIES 1995 BONDS"); (3) COMBINED WATERWORKS AND SEWERAGE SYSTEM REFUNDING REVENUE BONDS, SERIES 1997, DATED JULY 1, 1997, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $10,000,000 (THE "SERIES 1997 BONDS"); AND (4) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2000 A (WEST VIRGINIA SRF PROGRAM), DATED FEBRUARY 29, 2000, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $7,842,000 (THE "SERIES 2000 A BONDS").

THE SERIES 1992 BONDS, THE SERIES 1995 BONDS AND THE SERIES 1997 BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Series 2000 A Bonds and the Prior Bonds and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 2000 B Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Gross Revenues, the moneys in the Series 2000 B Bonds Reserve Account and unexpended proceeds of the Bonds. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The City of Morgantown (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its $7,842,000 Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a bond purchase agreement, dated February 8, 2000, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Division of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2002, and ending March 1, 2026, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have reviewed a Surety Bond (the "Surety") issued by Ambac Assurance Corporation ("Ambac") which Surety has been pledged to the respective Reserve Accounts for the Bonds and the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), issued concurrently herewith. The Surety has been delivered to the West Virginia Municipal Bond Commission, as paying agent for the Bonds.

We have also examined the applicable provisions of the Act, a Guaranty Agreement dated the date hereof, by and between the Issuer and Ambac (the "Guaranty), the Bond Ordinance duly enacted by the Issuer on February 15, 2000, as supplemented by a Supplemental Resolution duly adopted by the Issuer on February 15, 2000 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System referred to in the Bond Purchase Agreement and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.I of the Bond Purchase Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on

and pledge of the Gross Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program), dated September 8, 1992, Combined Waterworks and Sewerage System Revenue Bonds, Series 1995 (West Virginia SRF Program), dated April 27, 1995, Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated July 1, 1997, and Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), issued concurrently herewith in the original aggregate principal amount of $2,488,000, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest thereon is or will be excluded from gross income for federal income tax purposes, therefore, the interest, if any, on the Bonds is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

7. The Issuer has duly approved and authorized the Surety and the execution of all documents related thereto. The Guaranty has been duly authorized by and executed on behalf of the Issuer, and constitutes the valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The City of Morgantown (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its $2,488,000 Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated February 8, 2000, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between among the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have reviewed a Surety Bond (the "Surety") issued by Ambac Assurance Corporation ("Ambac") which Surety has been pledged to the respective Reserve Accounts for the Bonds and the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), issued concurrently herewith. The Surety has been delivered to the West Virginia Municipal Bond Commission, as paying agent for the Bonds.

We have also examined the applicable provisions of the Act, a Guaranty Agreement dated the date hereof, by and between the Issuer and Ambac (the "Guaranty"), the Bond Ordinance duly enacted by the Issuer on February 15, 2000, as supplemented by a Supplemental Resolution duly adopted by the Issuer on February 15, 2000 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System referred to in the Loan Agreement and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable

from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program), dated September 8, 1992, Combined Waterworks and Sewerage System Revenue Bonds, Series 1995 (West Virginia SRF Program), dated April 27, 1995, Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated July 1, 1997, and Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), issued concurrently herewith in the original aggregate principal amount of $7,842,000, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

7. The Issuer has duly approved and authorized the Surety and the execution of all documents related thereto. The Guaranty has been duly authorized by and executed on behalf of the Issuer, and constitutes the valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

I am of the opinion that:

1. The members of the Morgantown Utility Board have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

3. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Division of Environmental Protection, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges. The Issuer has received the Final Order of the Public Service Commission of West Virginia entered on October 15, 1999, in Case No.99-0453-S-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of such Final Order has expired prior to the date hereof without any appeal.

4. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

Ladies and Gentlemen:

We have examined the accompanying computations of debt service coverage of Morgantown Utility Board Water and Sewerage System (the "System"). Our examination was made in accordance with standards established by the American Institute of Certified Public Accountants and, accordingly, included such procedures as we considered necessary in the circumstances.

Based upon the rates and charges set forth in the water rate ordinance of The City of Morgantown (the "Issuer") enacted November 29, 1994, and the sewer rate ordinance of the Issuer enacted June 4, 1999, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Morgantown Utility Board, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the System, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 125% of the maximum amount required in any year for debt service on the Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), and Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund) (collectively, the "Bonds"), to be issued in the respective original aggregate principal amounts of $7,842,000 and $2,488,000 to the West Virginia Water Development Authority on the date hereof, and all other obligations secured by or payable from the revenues of the System, on a parity with the Bonds, including the Issuer's Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, Combined Waterworks and Sewerage System Revenue Bonds, Series 1995 (West Virginia SRF Program) and Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program) (collectively, the "Prior Bonds").

330 WEST MAIN STREET P.O. BOX 2408 CLARKSBURG, WEST VIRGINIA 26302-2408 PHONE 304-624-5471 FAX 304-623-2807

It is our further opinion that the Net Revenues actually derived from the System during the fiscal year preceding the date of actual issuance of the Bonds, that is, the fiscal year ending June 30, 1999, plus the estimated average increased annual net revenues to be received in each of the three succeeding years after the completion of the improvements to be financed by the Bonds, shall not be less than 125% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

Toothman Rice, P.L.L.C.

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specificed by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

Ambac Assurance Corporation ("Ambac"), in consideration of the payment of the premium and subject to the terms of this Surety Bond, hereby unconditionally and irrevocably guarantees the full and complete payments which are to be applied to payment of principal of and interest on the Obligations (as hereinafter defined) and which are required to be made by or on behalf of the City of Morgantown, West Virginia (the issuer, as "Obligor") to the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent") as such payments are due by the Obligor but shall not be so paid pursuant to a Bond Ordinance and Supplemental Resolution of the Obligor, enacted and adopted on February 15, 2000 (collectively, the "Ordinance"), authorizing the issuance of its Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program) and its Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), in the respective original aggregate principal amounts of $7,842,000 and $2,488,000 (collectively, the "Obligations") of said Obligor and providing the terms and conditions for the issuance of said Obligations; provided that the amount available at any particular time to be paid to the Paying Agent under the terms hereof shall not exceed the Surety Bond Coverage, defined herein as the lesser of $388,860 or the Reserve Requirement for the Obligations, as that term is defined in the Ordinance (the "Reserve Requirement"). The Surety Bond Coverage shall be reduced and may be reinstated from time to time as set forth herein.

1. As used herein, the term "Owner" shall mean the registered owner of any Obligation as indicated in the books maintained by the applicable Paying Agent, the Obligor or any designee of the Obligor for such purpose. The term "Owner" shall not include the Obligor or any person or entity whose obligation or obligations by agreement constitute the underlying security or source of payment of the Obligations.

2. Upon the later of: (i) one (1) day after receipt by the General Counsel of Ambac of a demand for payment in the form attached hereto as Attachment 1 (the "Demand for Payment"), duly executed by the Paying Agent certifying that payment due as required by the Ordinance has not been made to the Paying Agent; or (ii) the payment date of the Obligations as specified in the Demand for Payment presented by the Paying Agent to the General Counsel of Ambac, Ambac will make a deposit of funds in an account with the Paying Agent or its successor, in Charleston, West Virginia, sufficient for the payment to the Paying Agent, of amounts which are then due to the Paying Agent(as specified in the Demand for Payment) up to but not in excess of the Surety Bond Coverage.

3. Demand for Payment hereunder may be made by prepaid telecopy, telex, or telegram of the executed Demand for Payment c/o the General Counsel of Ambac. If a Demand for Payment made hereunder does not, in any instance conform to the terms and conditions of this Surety Bond, Ambac shall give notice to the Paying Agent, as promptly as reasonably practicable that such Demand for Payment was not effected in accordance with the terms and conditions of this Surety Bond and briefly state the reason(s) therefor. Upon being notified that such Demand for Payment was not effected in accordance with this Surety Bond, the Paying Agent may attempt to correct any such nonconforming Demand for Payment if, and to the extent that, the Paying Agent is entitled and able to do so.

4. The amount payable by Ambac under this Surety Bond pursuant to a Demand for Payment shall be limited to the Surety Bond Coverage. The Surety Bond Coverage shall be reduced automatically to the extent of each payment made by Ambac hereunder and will be reinstated to the extent of each reimbursement of Ambac by the Obligor pursuant to Article II of the Guaranty Agreement, dated as of the date of the Obligations, by and between Ambac and the Obligor (the "Guaranty Agreement"); provided, that in no event shall such reinstatement exceed the Surety Bond Coverage. Ambac will notify the Paying Agent, in writing within five (5) days of such reimbursement, that the Surety Bond Coverage has been reinstated to the extent of such reimbursement pursuant to the Guaranty Agreement and such reinstatement shall be effective as of the date Ambac gives such notice. The notice to the Paying Agent will be substantially in the form attached hereto as Attachment 2. The Surety Bond Coverage shall be automatically reduced to the extent that the Reserve Requirement for the Obligations is lowered or reduced pursuant to the terms of Ordinance.

5. Any service of process on Ambac may be made to Ambac or the office of the General Counsel of Ambac and such service of process shall be valid and binding as to Ambac. During the term of its appointment, General Counsel will act as agent for the acceptance of service of process and its offices are located at One State Street Plaza, New York, New York 10004, Telephone: (212) 668-0340.

6. This Surety Bond is noncancelable for any reason. The term of this Surety Bond shall expire on the earlier of (i)December 1, 2039 or (ii) the date on which the Obligor, to the satisfaction of Ambac, has made all payments required to be made on the Obligations pursuant to the Ordinance. The premium on this Surety Bond is not refundable for any reason, including the payment prior to maturity of the Obligations.

7. This Surety Bond shall be governed by and interpreted under the laws of the State of Wisconsin, and any suit hereunder in connection with any payment may be brought only by the Paying Agent within one year after (i) a Demand for Payment, with respect to such payment, is made pursuant to the terms of this Surety Bond and Ambac has failed to make such payment or (ii) payment would otherwise have been due hereunder but for the failure on the part of the Paying Agent to deliver to Ambac a Demand for Payment pursuant to the terms of this Surety Bond, whichever is earlier.

IN WITNESS WHEREOF, Ambac has caused this Surety Bond to be executed and attested on its behalf this 29th day of February, 2000.

WHEREAS, Ambac will issue its Surety Bond (the "Surety Bond"), substantially in the form set forth in Annex A to this Agreement, guaranteeing certain payments by the Obligor subject to the terms and limitations of the Surety Bond; and

WHEREAS, to induce Ambac to issue the Surety Bond, the Obligor has agreed to pay the premium for such Surety Bond and to reimburse Ambac for all payments made by Ambac under the Surety Bond from Legally Available Funds, all as more fully set forth in this Agreement; and

WHEREAS, the Obligor understands that Ambac expressly requires the delivery of this Agreement as part of the consideration for the execution by Ambac of the Surety Bond; and

NOW, THEREFORE, in consideration of the premises and of the agreements herein contained and of the execution of the Surety Bond, the Obligor and Ambac agree as follows:

ARTICLE I

DEFINITIONS; SURETY BOND

Section 1.01. Definitions. Except as otherwise expressly provided herein or unless the context otherwise requires, the terms which are capitalized herein shall have the meanings specified in Annex B hereto.

(a) Ambac will issue the Surety Bond in accordance with and subject to the terms and conditions of the Commitment.

(b) The maximum liability of Ambac under the Surety Bond and the coverage and term thereof shall be subject to and limited by the Surety Bond Coverage and the terms and conditions of the Surety Bond.

(c) Payments made under the Surety Bond will reduce the Surety Bond Coverage to the extent of that payment, provided that the Surety Bond Coverage shall be automatically reinstated to the extent of the reimbursement of principal by the Obligor of any payment made by Ambac. Ambac shall notify the Paying Agent in writing no later than the fifth (5th) day following the reimbursement by the Obligor that the Surety Bond has been reinstated to the extent of such reimbursement.

Section 1.03. Premium. In consideration of Ambac agreeing to issue the Surety Bond hereunder, the Obligor hereby agrees to pay or cause to be paid from Legally Available Funds the premium set forth in the Commitment.

ARTICLE II

REIMBURSEMENT OBLIGATIONS OF OBLIGOR AND SECURITY THEREFORE

Section 2.01. Reimbursement for Payments Under the Surety Bond and Expenses.

(a) The Obligor will reimburse Ambac, from Legally Available Funds within the Reimbursement Period, without demand or notice by Ambac to the Obligor or any other person, to the extent of each Surety Bond Payment with interest on each Surety Bond Payment from and including the date made to the date of the reimbursement by the Obligor at the Effective Interest Rate. The Obligor agrees that it shall make monthly level principal repayments for each Surety Bond Payment during the Reimbursement Period. Interest on each Surety Bond Payment shall be paid monthly during the Reimbursement Period. To the extent that interest payments due hereunder are not paid on a monthly basis, or are not paid as each principal repayment is made, interest shall accrue on such unpaid amounts at a rate equal to the Effective Interest Rate.

(b) The Obligor also agrees to reimburse Ambac, from Legally Available Funds, immediately and unconditionally upon demand for all reasonable expenses incurred by Ambac in connection with the Surety Bond and the enforcement by Ambac of the Obligor's obligations under this Agreement together with interest on all such expenses from and including the date which is 30 days from the date a statement for such expenses is received by the Obligor incurred to the date of payment at the rate set forth in subsection (a) of this Section 2.01.

Section 2.02. Allocation of Payments. Ambac and the Obligor hereby agree that each repayment of principal received by Ambac from or on behalf of the Obligor as a reimbursement to Ambac as required by Section 2.01(a) hereof shall be applied to reinstate all or a portion of the Surety Bond Coverage to the extent of such repayment. Any interest payable pursuant to Section 2.01(a) hereof shall not be applied to the reinstatement of any portion of the Surety Bond Coverage.

Section 2.03. Security for Payments; Instruments of Further Assurance. To the extent, but only to the extent, that the Ordinance pledges to the Owners or any paying agent therefor, or grants a security interest or lien in or on any collateral property, revenue or other payments ("Collateral and Revenues") in order to secure the Obligations or provide a source of payment for the Obligations, the Obligor hereby grants to Ambac a security interest in or lien on, as the case may be, and pledges to Ambac all such Collateral and Revenues as security for payment of all amounts due hereunder, which security interest, lien and/or pledge created or granted under this Section 2.03 shall be subordinate only to the interests of the Owners and any paying agent therefor in such Collateral and Revenues. The Obligor agrees that it will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, any and all financing statements, if applicable, and all other further instruments as may be required by law or as shall reasonably be requested by Ambac for the perfection of the security interest, if any, granted under this Section 2.03 and for the preservation and protection of all rights of Ambac under this Section 2.03.

Section 2.04. Unconditional Obligation. The obligations of the Obligor hereunder are absolute and unconditional and will be paid or performed strictly in accordance with this Agreement, irrespective of:

(b) any exchange, release or nonperfection of any security interest in property securing the Obligations or this Agreement or any obligations hereunder;

(c) any circumstances which might otherwise constitute a defense available to, or discharge of, the Obligor with respect to the Obligations; or

(d) whether or not such obligations are contingent or matured, disputed or undisputed, liquidated or unliquidated.

ARTICLE III

EVENTS OF DEFAULT; REMEDIES

Section 3.01. Events of Default. The following events shall constitute Events of Default hereunder:

(a) The Obligor shall fail to pay to Ambac any amount payable under Sections 1.04 and 2.01 hereof and such failure shall have continued for a period in excess of the Reimbursement Period;

(b) Any material representation or warranty made by the Obligor hereunder or under the Ordinance or any statement in the application for the Surety Bond or any report, certificate, financial statement or other instrument provided in connection with the Commitment, the Surety Bond or herewith shall have been materially false at the time when made;

(c) Except as otherwise provided in this Section 3.01, the Obligor shall fail to perform any of its other obligations under this Agreement or hereunder, provided that such failure continues for more than thirty (30) days after receipt by the Obligor of notice of such failure to perform;

(d) The Obligor shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, paying agent, custodian, sequestrator or similar official for the Obligor or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) become unable, admit in writing its inability or fail generally to pay its debts as they become due or (vii) take action for the purpose of effecting any of the foregoing; or

(e) An involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Obligor, or of a substantial part of its property, under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law or (ii) the appointment of a receiver, paying agent, custodian, sequestrator or similar official for the Obligor or for a substantial part of its property; and such proceeding or petition shall continue

undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall continue unstayed and in effect for thirty (30) days.

Section 3.02. Remedies. If an Event of Default shall occur and be continuing, then Ambac may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due under this Agreement or any related instrument and any obligation, agreement or covenant of the Obligor under this Agreement; provided, however, that Ambac may not take any action to direct or require acceleration or other early redemption of the Obligations or adversely affect the rights of the Owners. All rights and remedies of Ambac under this Section 3.02 are cumulative and the exercise of any one remedy does not preclude the exercise of one or more of the other available remedies.

ARTICLE IV

SETTLEMENT

Ambac shall have the exclusive right to decide and determine whether any claim, liability, suit or judgment made or brought against Ambac, the Obligor or any other party on the Surety Bond shall or shall not be paid, compromised, resisted, defended, tried or appealed, and Ambac's decision thereon, if made in good faith, shall be final and binding upon the Obligor. An itemized statement of payments made by Ambac, certified by an officer of Ambac, or the voucher or vouchers for such payments, shall be prima facie evidence of the liability of the Obligor, and if the Obligor fails to reimburse Ambac, pursuant to subsection (b) of Section 2.01 hereof, upon the receipt of such statement of payments, interest shall be computed on such amount from the date of any payment made by Ambac at the rate set forth in subsection (a) of Section 2.01 hereof.

ARTICLE V

MISCELLANEOUS

Section 5.01. Computations. All computations of premium, interest and fees hereunder shall be made on the basis of the actual number of days elapsed over a year of 360 days.

Section 5.02. Exercise of Rights. No failure or delay on the part of Ambac to exercise any right, power or privilege under this Agreement and no course of dealing between Ambac and the Obligor or any other party shall operate as a waiver of any such right, power or privilege, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which Ambac would otherwise have pursuant to law or equity. No notice to or demand on any party in any case shall entitle such party to any other or further notice or demand in similar or other circumstances, or constitute a waiver of the right of the other party to any other or further action in any circumstances without notice or demand.

Section 5.03. Amendment and Waiver. Any provision of this Agreement may be amended, waived, supplemented, discharged or terminated only with the prior written consent of the Obligor and Ambac. The Obligor hereby agrees that upon the written request of the Paying Agent, Ambac may make or consent to issue any substitute for the Surety Bond to cure any ambiguity or formal defect or omission in the Surety Bond which does not materially change the terms of the Surety Bond nor adversely affect the rights of the Owners, and this Agreement shall apply to such substituted Surety Bond. Ambac agrees to

deliver to the Obligor and to the company or companies, if any, rating the Obligations, a copy of such substituted Surety Bond.

Section 5.04. Successors and Assigns; Descriptive Headings.

(a) This Agreement shall bind, and the benefits thereof shall inure to, the Obligor and Ambac and their respective successors and assigns; provided, that the Obligor may not transfer or assign any or all of its rights and obligations hereunder without the prior written consent of Ambac.

(b) The descriptive headings of the various provisions of this Agreement are inserted for convenience of reference only and shall not be deemed to affect the meaning or construction of any of the provisions hereof.

Section 5.05. Other Sureties. If Ambac shall procure any other surety to reinsure the Surety Bond, this Agreement shall inure to the benefit of such other surety, its successors and assigns, so as to give to it a direct right of action against the Obligor to enforce this Agreement, and "Ambac," wherever used herein, shall be deemed to include such reinsuring surety, as its respective interests may appear.

Section 5.06. Signature on Bond. The Obligor's liability shall not be affected by its failure to sign the Surety Bond nor by any claim that other indemnity or security was to have been obtained nor by the release of any indemnity, nor the return or exchange of any collateral that may have been obtained.

Section 5.07. Waiver. The Obligor waives any defense that this Agreement was executed subsequent to the date of the Surety Bond, admitting and covenanting that such Surety Bond was executed pursuant to the Obligor's request and in reliance on the Obligor's promise to execute this Agreement.

Section 5.08. Notices, Requests, Demands. Except as otherwise expressly provided herein, all written notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been given or made when actually received, or in the case of telex or telecopier notice sent over a telex or a telecopier machine owned or operated by a party hereto, when sent, addressed as specified below or at such other address as either of the parties hereto or the Paying Agent may hereafter specify in writing to the others:

Section 5.10. Governing Law. This Agreement and the rights and obligations of the parties under this Agreement shall be governed by and construed and interpreted in accordance with the laws of the State.

Section 5.11. Counterparts. This Agreement may be executed in any number of copies and by the different parties hereto on the same or separate counterparts, each of which shall be deemed to be an original instrument. Complete counterparts of this Agreement shall be lodged with the Obligor and Ambac.

Ambac Assurance Corporation ("Ambac"), in consideration of the payment of the premium and subject to the terms of this Surety Bond, hereby unconditionally and irrevocably guarantees the full and complete payments which are to be applied to payment of principal of and interest on the Obligations (as hereinafter defined) and which are required to be made by or on behalf of the City of Morgantown, West Virginia (the issuer, as "Obligor") to the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent") as such payments are due by the Obligor but shall not be so paid pursuant to a Bond Ordinance and Supplemental Resolution of the Obligor, enacted and adopted on February 15, 2000 (collectively, the "Ordinance"), authorizing the issuance of its Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program) and its Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), in the respective original aggregate principal amounts of $7,842,000 and $2,488,000 (collectively, the "Obligations") of said Obligor and providing the terms and conditions for the issuance of said Obligations; provided that the amount available at any particular time to be paid to the Paying Agent under the terms hereof shall not exceed the Surety Bond Coverage, defined herein as the lesser of $388,860 or the Reserve Requirement for the Obligations, as that term is defined in the Ordinance (the "Reserve Requirement"). The Surety Bond Coverage shall be reduced and may be reinstated from time to time as set forth herein.

1. As used herein, the term "Owner" shall mean the registered owner of any Obligation as indicated in the books maintained by the applicable Paying Agent, the Obligor or any designee of the Obligor for such purpose. The term "Owner" shall not include the Obligor or any person or entity whose obligation or obligations by agreement constitute the underlying security or source of payment of the Obligations.

2. Upon the later of: (i) one (1) day after receipt by the General Counsel of Ambac of a demand for payment in the form attached hereto as Attachment 1 (the "Demand for Payment"), duly executed by the Paying Agent certifying that payment due as required by the Ordinance has not been made to the Paying Agent; or (ii) the payment date of the Obligations as specified in the Demand for Payment presented by the Paying Agent to the General Counsel of Ambac, Ambac will make a deposit of funds in an account with the Paying Agent or its successor, in Charleston, West Virginia, sufficient for the payment to the Paying Agent, of amounts which are then due to the Paying Agent(as specified in the Demand for Payment) up to but not in excess of the Surety Bond Coverage.

3. Demand for Payment hereunder may be made by prepaid telecopy, telex, or telegram of the executed Demand for Payment c/o the General Counsel of Ambac. If a Demand for Payment made hereunder does not, in any instance conform to the terms and conditions of this Surety Bond, Ambac shall give notice to the Paying Agent, as promptly as reasonably practicable that such Demand for Payment was not effected in accordance with the terms and conditions of this Surety Bond and briefly state the reason(s) therefor. Upon being notified that such Demand for Payment was not effected in accordance with this Surety Bond, the Paying Agent may attempt to correct any such nonconforming Demand for Payment if, and to the extent that, the Paying Agent is entitled and able to do so.

4. The amount payable by Ambac under this Surety Bond pursuant to a Demand for Payment shall be limited to the Surety Bond Coverage. The Surety Bond Coverage shall be reduced automatically to the extent of each payment made by Ambac hereunder and will be reinstated to the extent of each reimbursement of Ambac by the Obligor pursuant to Article II of the Guaranty Agreement, dated as of the date of the Obligations, by and between Ambac and the Obligor (the "Guaranty Agreement"); provided, that in no event shall such reinstatement exceed the Surety Bond Coverage. Ambac will notify the Paying Agent, in writing within five (5) days of such reimbursement, that the Surety Bond Coverage has been reinstated to the extent of such reimbursement pursuant to the Guaranty Agreement and such reinstatement shall be effective as of the date Ambac gives such notice. The notice to the Paying Agent will be substantially in the form attached hereto as Attachment 2. The Surety Bond Coverage shall be automatically reduced to the extent that the Reserve Requirement for the Obligations is lowered or reduced pursuant to the terms of Ordinance.

5. Any service of process on Ambac may be made to Ambac or the office of the General Counsel of Ambac and such service of process shall be valid and binding as to Ambac. During the term of its appointment, General Counsel will act as agent for the acceptance of service of process and its offices are located at One State Street Plaza, New York, New York 10004, Telephone: (212) 668-0340.

6. This Surety Bond is noncancelable for any reason. The term of this Surety Bond shall expire on the earlier of (i)December 1, 2039 or (ii) the date on which the Obligor, to the satisfaction of Ambac, has made all payments required to be made on the Obligations pursuant to the Ordinance. The premium on this Surety Bond is not refundable for any reason, including the payment prior to maturity of the Obligations.

7. This Surety Bond shall be governed by and interpreted under the laws of the State of Wisconsin, and any suit hereunder in connection with any payment may be brought only by the Paying Agent within one year after (i) a Demand for Payment, with respect to such payment, is made pursuant to the terms of this Surety Bond and Ambac has failed to make such payment or (ii) payment would otherwise have been due hereunder but for the failure on the part of the Paying Agent to deliver to Ambac a Demand for Payment pursuant to the terms of this Surety Bond, whichever is earlier.

Ambac

Ladies and Gentlemen:

This opinion has been requested of the undersigned, a Vice President and an Assistant General Counsel of Ambac Assurance Corporation, a Wisconsin stock insurance company ("Ambac Assurance"), in connection with the issuance by Ambac Assurance of a certain Surety Bond, effective as of the date hereof (the "Surety"), guaranteeing payment of an amount not to exceed $388,860 to fund the Reserve Account established in connection with the issuance of $7,482,000 in aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program) and $2,488,000 in aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund) (the "Bonds").

In connection with my opinion herein, I have examined the Surety, such statutes, documents and proceedings as I have considered necessary or appropriate under the circumstances to render the following opinion.

Based upon the foregoing and having regard to legal considerations I deem relevant, I am of the opinion that:

1. Ambac Assurance is a stock insurance company duly organized and validly existing under the laws of the State of Wisconsin and duly qualified to conduct an insurance business in the State of West Virginia.

2. Ambac Assurance has full corporate power and authority to execute and deliver the Surety and the Surety has been duly authorized, executed and delivered by Ambac Assurance and constitutes a legal, valid and binding obligation of Ambac Assurance enforceable in accordance with its terms except to the extent that the enforceability (but not the validity) of such obligation may be limited by any applicable bankruptcy, insolvency, liquidation, rehabilitation or other similar law or enactment now or hereafter enacted affecting the enforcement of creditors' rights.

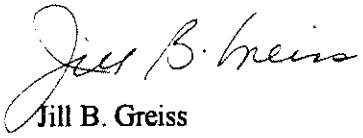

3. The execution and delivery by Ambac Assurance of the Surety will not, and the consummation of the transactions contemplated thereby and the satisfaction of the terms thereof will not, conflict with or result in a breach of any of the terms, conditions or provisions of the Certificate of Authority, Articles of Incorporation or By-Laws of Ambac Assurance, or any restriction contained in any contract, agreement or instrument to which Ambac Assurance is a party or by which it is bound or constitute a default under any of the foregoing.

4. Proceedings legally required for the issuance of the Surety have been taken by Ambac Assurance and licenses, orders, consents or other authorizations or approvals of any governmental boards or bodies legally required for the enforceability of the Surety have been obtained; any proceedings not taken and any licenses, authorizations or approvals not obtained are not material to the enforceability of the Surety.

The opinions expressed herein are solely for your benefit, and may not be relied upon by any other person.

Very truly yours,

Jill B. Greiss

(iii) no portion of such premium represents a payment for any direct or indirect services other than the transfer of credit risk, including costs of underwriting or remarketing the Bonds or the cost of insurance for casualty of Bond financed property;

(iv) we are not co-obligors on the Bonds and we do not reasonably expect that we will be called upon to make any payment under the Surety Bond; and

THE CITY OF MORGANTOWN HEREBY ORDAINS:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 20, Article 5I of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a combined public waterworks and sewerage system. By ordinance enacted August 21, 1990 (the "Notes

Ordinance"), the Issuer deemed it necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements for the existing sewerage facilities portion of the combined public waterworks and sewerage system of the Issuer, consisting of construction of aeration tanks, final clarifiers, a sludge thickening facilities blower building, return sludge pumping facilities, modifications to the existing final clarifiers, site work, interior and yard piping, electrical, heating and ventilation, a river cribwall and all appurtenant facilities (collectively, the "Project") which constitute properties for the collection and transportation of liquid or solid wastes, sewage or industrial wastes (the existing combined public waterworks and sewerage system facilities, the Project and any further additions thereto or extensions thereof is herein called the "System") at an estimated cost of $11,300,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Clerk of the Issuer.

C. The Notes Ordinance also authorized, and the Issuer has issued, its Combined Waterworks and Sewerage System Bond Anticipation Notes, Series 1990, in the aggregate principal amount of $10,000,000 (the "Notes"), for the purpose of temporarily financing the costs of acquisition and construction of the Project.

D. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Loan Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

E. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program) (the "Series 1992 Bonds") in the total aggregate principal amount of not more than $12,500,000 to be initially represented by a single Bond, to pay, at maturity, the principal of and interest on the Notes not otherwise provided for, and to otherwise permanently finance costs of acquisition and construction of the Project not previously paid with proceeds of the Notes. Said costs shall be deemed to include the repayment of the Notes, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1992 Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 1992 Bonds Reserve Account; engineering and legal expenses; expenses for estimates of costs and

revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 20 years.

G. It is in the best interests of the Issuer that its Series 1992 Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, formerly, prior to July 1, 1992, known as the West Virginia Division of Natural Resources, a division of the West Virginia Department of Commerce, Labor and Environmental Resources (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, to be approved hereby if not previously approved by resolution of the Issuer.

H. There are outstanding obligations of the Issuer which will rank on parity with the Bonds as to lien, pledge, sources of and security for payment, being the Issuer's Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1987 (the "Prior Bonds"), issued pursuant to an ordinance enacted by the Issuer on September 1, 1987 (the "Prior Ordinance").

I. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Prior Bonds and the Series 1992 Bonds and all Sinking Fund, Reserve Account and other payments provided for herein and in the Prior Ordinance, all as such terms are hereinafter defined.

J. The Issuer has met the parity test requirements of the Prior Ordinance and the Series 1992 Bonds shall be issued on parity with the Prior Bonds, with respect to lien, pledge and sources of and security for payment and in all other respects.

K. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1992 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1992 Bonds or such final order will not be subject to appeal.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of Bonds by the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and

distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and pay to the Commission the amounts required by the Prior Ordinance to be deposited in the Prior Bonds Sinking Fund for payment of the principal of and interest on the Prior Bonds, and (i) simultaneously therewith, commencing 4 months prior to the first date of payment of interest on the Series 1992 Bonds for which interest has not been capitalized or as required in the Loan Agreement, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in the Series 1992 Bonds Sinking Fund, a sum equal to 1/3rd of the amount of interest which will become due on said Series 1992 Bonds on the next ensuing quarterly interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 1992 Bonds Sinking Fund and the next quarterly interest payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly interest payment date, the required amount of interest coming due on such date, and (ii) on the first day of each month, commencing 4 months prior to the first date of payment of principal on the Series 1992 Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1992 Bonds Sinking Fund, a sum equal to 1/3rd of the amount of principal which will mature and become due on said Series 1992 Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1992 Bonds Sinking Fund and the next quarterly principal payment date is less than 4 months then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(2) The Issuer shall next, transfer from the Revenue Fund and pay to the Commission the amounts required by the Prior Ordinance to be deposited in the Prior Bonds Reserve Account and on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 1992 Bonds, if not fully funded upon issuance of the Series 1992 Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1992 Bonds Reserve Account, an amount equal to 1/120

of the Series 1992 Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1992 Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1992 Bonds Reserve Requirement.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund an amount sufficient to pay the current Operating Expenses of the System.

(4) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month (as previously set forth in the Prior Ordinance and not in addition thereto), transfer to the Depreciation Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the reserve accounts established with respect to the Prior Bonds or the Series 1992 Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof] shall be promptly eliminated with moneys from the Depreciation Fund.

(5) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, accrue the surplus then remaining in the Reserve Fund until there is on deposit in the Revenue Fund a sum equal to the budgeted Operating Expenses for the remainder of the then current Fiscal Year and the next ensuing Fiscal Year. Any excess of moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System.

Moneys in the Series 1992 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, on the Series 1992 Bonds as the same shall become due. Moneys in the Series 1992 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 1992 Bonds, as the same shall come

due, when other moneys in the attendant Series 1992 Bonds Sinking Fund are insufficient therefor, and for no other purpose except for permitted transfers to the Rebate Fund.

Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on moneys in the several Sinking Funds and Reserve Accounts shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments, if any, due on the respective series of Bonds, and then to the next ensuing principal payments due thereon.

Except with respect to transfers to the Rebate Fund, any withdrawals from the Series 1992 Bonds Reserve Account which result in a reduction in the balance of the Series 1992 Bonds Reserve Account to below the Series 1992 Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full to the Prior Bonds Sinking Fund for payment of debt service on the Prior Bonds and to the Series 1992 Bonds Sinking Fund for payment of debt service on the Series 1992 Bonds.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum provided and required to be paid into the concomitant sinking fund in any year for account of the Bonds of such series, including such additional Bonds which by their terms are payable from such sinking fund.

The Issuer shall not be required to make any further payments into the Series 1992 Bonds Sinking Fund, or into the Reserve Account therein when the aggregate amount of funds in said Sinking Fund and Reserve Account are at least equal to the aggregate principal amount of the Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the respective maturities thereof.

Principal and interest payments, and any payments made for the purpose of funding a deficiency in any Reserve

Account, shall be made on a parity and pro rata, with respect to the Prior Bonds and Series 1992 Bonds in accordance with the respective principal amounts then Outstanding, and thereafter shall be made on a parity and pro rata.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

Except with respect to transfers to the Rebate Fund, the Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission its required interest, principal and reserve payments. The Issuer shall complete the "Monthly Payment Form," attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its check to the Authority by the 5th day of such calendar month.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due. The Issuer shall also remit from the Revenue Fund to the Authority, on such dates as the Authority shall

require, the Issuer's allocable share of reasonable administrative expenses of the Authority relating to the SRF Program, if any.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund, the Depreciation Fund and the Rebate Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and following the Completion Date, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Series 1992 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1992 Bonds, there shall first be deposited with the Commission in the Series 1992 Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1992 Bonds for the period commencing on the date of issuance of the Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1992 Bonds, there shall be deposited with the Commission in the Series 1992 Bonds Reserve Account the sum, if any, set forth in the Supplemental Resolution for funding of the Reserve Account.

C. Next, from the proceeds of the Series 1992 Bonds, there shall first be credited to the Bond Construction Trust Fund and then deposited with the paying agent for the Notes, the amount which, together with other moneys then on deposit with such paying agent for such purpose, will be sufficient to pay, on September 15, 1992, the entire principal of and interest accrued on the Notes.

D. Next from the proceeds of the Series 1992 Bonds, there shall first be credited to the Bond Construction Trust Fund and then paid, any and all other borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, including interest accrued thereon to the date of such payment, not otherwise paid from funds of the Issuer.

E. The remaining moneys derived from the sale of the Series 1992 Bonds shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02 hereof.

F. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Except with respect to any transfers to the Rebate Fund,

moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 1992 Bonds.

Section 6.02. Disbursements From the Bond Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority a report listing the specific purposes for which the proceeds of the Series 1992 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a "Payment Requisition Form," attached to the Loan Agreement as Exhibit C, and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank

written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Gross Revenues derived from the operation of the System, on parity with the lien on said Gross Revenues in favor of the Holders of the Prior Bonds. The Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds and to make the payments into the Sinking Fund, including the Reserve Account therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted August 7, 1990, and the water rate ordinance of the Issuer enacted June 4, 1991.

Section 7.05. Sale of the System. The System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized

shall be sufficient to defease the pledge created by this Bond Legislation as provided by Section 10.01 hereof. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to Bond Commission for deposit in the Sinking Fund, and otherwise as prescribed by Section 10.01 hereof. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Council may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Depreciation Fund. Such payments of such proceeds into the Depreciation Fund or the Redemption Account shall reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Bond Legislation, as provided by Section 10.01 hereof, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section 7.05 to the contrary, the Issuer hereby reserves the right to sell the Tibbs Run reservoir properties consisting of about 80 acres, and a tract of about 200 acres on Mayfield Road heretofore acquired for the System, neither of which properties is now being used or is useful for the System, such sales to be at such times and in such manner and for such prices as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sales insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund. Furthermore, the Board and the City are hereby authorized to negotiate, lease and otherwise dispose of the oil and gas minerals underlying a tract of real estate situate in Clinton Taxing District, Monongalia County, West Virginia, and containing 104 acres, more or less, for a royalty of not less than 1/8th of all oil and gas produced from said property, or a delay rental of not less than $312.00 per year, for a primary term of not to exceed 8 years. All moneys received from the leasing of the aforesaid oil and gas or from any other property of the System shall be deposited in the Revenue Fund and expended therefrom as provided herein.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Reserve Account and the Depreciation Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for

the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during the Fiscal Year preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall, so long as any of the Prior Bonds are Outstanding not be less than 125% and thereafter shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Prior Bonds and any other obligations with a lien on the Net Revenues prior to that of the Bonds;

(2) The Bonds then Outstanding;

(3) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall

have expired (without successful appeal) prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk of the Issuer prior to the issuance of such Parity Bonds. The Net Revenues actually derived from the System during the preceding Fiscal Year hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Certified Public Accountants as stated in a certificate jointly made and signed by the Consulting Engineers and the Independent Certified Public Accountants, and filed with said City Clerk, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

The Issuer covenants that not later than 1 day following the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction of such additions, betterments or improvements to the System which are to be financed by such Parity Bonds.

The term "Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Bonds and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other.. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

No Parity Bonds shall be valid unless authenticated pursuant to Section 3.04. Prior to such authentication, registration, if applicable, and delivery, the Registrar shall receive those documents prescribed by Section 3.09 with respect to the Series 1992 Bonds, modified as deemed necessary by the Registrar to reflect the issuance of such Parity Bonds.

The term "Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior lien of the Bonds on such Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Bonds except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding (excluding the Depreciation Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Parity Bonds.

The Issuer may issue Parity Bonds without compliance with any other conditions for the purpose of refunding prior to maturity any series of the Bonds or portion thereof, provided that the annual debt service required on account of the refunding Bonds and the Bonds which are not refunded shall not be greater in any year in which the Bonds not refunded and the refunding Bonds are to be Outstanding than the annual debt service required in such year if the Bonds to be refunded were not so refunded.

Section 7.08. Books; Records and Facilities. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Consulting Engineers, the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate

to meet the Issuer's operation and maintenance expenses and debt service requirements.

The Board shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Board shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Board shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 125% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds, so long as the Prior Bonds are Outstanding, and thereafter 115% of such amount; provided that, in the event that the Prior Bonds are no longer Outstanding and an amount equal to or in excess of the Reserve Requirement is on deposit in the Series 1992 Reserve Account and any reserve accounts for obligations prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and

interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

The Board shall notify the DEP in writing of the certified operator employed at the 25% completion stage..

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

The Board further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, the Board, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Board, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account, except as otherwise provided with respect to the Rebate Fund. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Board, at least once each year (or more often if reasonably requested by the Board), a summary of such funds, accounts and investment earnings. The Board shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage. The Board and Issuer covenant that (i) they shall not take, or permit or suffer to be taken, any

action with respect to the gross or other proceeds of the Series 1992 Bonds which would cause the Series 1992 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) they will take all actions that may be required of either (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 1992 Bonds) so that the interest on the Series 1992 Bonds will be and remain excludable from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1992 Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1992 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall calculate, or cause to be calculated, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Board to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the

United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. To the extent not so performed by the Authority, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 1992 Bonds from gross income for federal income tax purposes.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception therefrom, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1992 Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "Gross Proceeds" of the Bonds (as defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's or the Board's observance of any of the covenants, agreements or conditions on their respective parts relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer or Board, as appropriate shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making

and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the

Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

DEFEASANCE

Section 10.01. Defeasance of Bonds. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1992 Bonds from gross income for federal income tax purposes.

Series 1992 Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agents at the same or earlier time, shall be sufficient, to pay as and when due either at maturity or at the next redemption date, the principal installments of and interest on such Series 1992 Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 1992 Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Series 1992 Bonds on and prior to the next redemption date or the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of and interest on said Series 1992 Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the next redemption date or the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Board as received by

the Commission or its agent, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

THE COUNCIL OF THE CITY OF MORGANTOWN HEREBY ORDAINS:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation"), supplemental to the Prior Ordinances (as hereinafter defined), is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of the reconstruction of three sewage lift stations, together with all appurtenant facilities (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") at an estimated cost of not more than $2,000,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 1995 (West Virginia SRF Program), in the total aggregate principal amount of not more than $2,000,000 (the "Series 1995 Bonds"), to be initially represented by a single bond, to permanently finance costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1995 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 1995 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1995 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1995 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 20 years.

F. It is in the best interests of the Issuer that its Series 1995 Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on parity with the Series 1995 Bonds as to liens, pledge, source of and security for payment, being the Issuer's Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1987 (the "Series 1987 Bonds"), dated October 1, 1987, issued in the original aggregate principal amount of $12,360,000, pursuant to an ordinance of the Issuer enacted September 1, 1987 (the "1987 Ordinance"), and the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1992 (West Virginia SRF Program) (the "Series 1992 Bonds"), dated September 8, 1992, issued in the original aggregate principal amount of $11,900,000, pursuant to an ordinance of the Issuer enacted September 1, 1992 (the "1992 Ordinance"). The Series 1987 Bonds and the Series 1992 Bonds are collectively herein called the "Prior Bonds," and the 1987 Ordinance and the 1992 Ordinance are collectively herein called the "Prior Ordinances".

The Issuer has met the parity test requirements of the Prior Bonds and the Prior Ordinances. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of said System, the principal of and interest on the Bonds (as hereinafter defined) and payments into all Sinking Funds, Reserve Accounts and other payments provided for herein and in the Prior Ordinances, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1995 Bonds, or will have so complied prior to issuance of any thereof, including, if necessary, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1995 Bonds or such final order will not be subject to appeal.

J. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Series 1995 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(D) of the Code and all other entities benefiting thereby reasonably expect to issue less than $5,000,000 aggregate principal amount of tax-exempt obligations (other than private activity bonds) during the calendar year in which the Series 1995 Bonds are to be issued.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 1995 Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and, simultaneously, (i) remit to the Commission the amounts required by the 1987 Ordinance to be deposited in the Series 1987 Bonds Sinking Fund for payment of the principal of and interest on the Series 1987 Bonds, (ii) remit to the Commission the amounts required by the 1992 Ordinance to be deposited in the Series 1992 Bonds Sinking Fund for payment of the principal of and interest on the Series 1992 Bonds, (iii) commencing 4 months prior to the first date of payment of interest on the Series 1995 Bonds for which interest has not been capitalized or as required in the Loan Agreement, remit to the Commission for deposit in the Series 1995 Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will become due on the Series 1995 Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1995 Bonds Sinking Fund and the next quarterly interest payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly interest payment date, the required amount of interest coming due on such date, and (iv) commencing 4 months prior to the first date of payment of principal of the Series 1995 Bonds, remit to the Commission for deposit in the Series 1995 Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 1995 Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1995 Bonds Sinking Fund and the next quarterly principal payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, (i) remit to the Commission the amount required by the 1987 Ordinance to be deposited in the Series 1987 Bonds Reserve Account; (ii) remit to the Commission the amount required by the 1992 Ordinance to be deposited in the Series 1992 Bonds Reserve Account; and (iii) commencing 3 months prior to the first date of payment of

principal of the Series 1995 Bonds, if not fully funded upon issuance of the Series 1995 Bonds, remit to the Commission for deposit in the Series 1995 Bonds Reserve Account, an amount equal to 1/120 of the Series 1995 Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 1995 Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1995 Bonds Reserve Requirement.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund, an amount sufficient to pay the current Operating Expenses of the System.

(4) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month (as previously set forth in the Prior Ordinances and not in addition thereto), transfer to the Depreciation Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Series 1987 Bonds Reserve Account, the Series 1992 Bonds Reserve Account and the Series 1995 Bonds Reserve Account (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Fund.

(5) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, accrue the surplus then remaining in the Revenue Fund until there is on deposit in the Revenue Fund, a sum equal to the budgeted Operating Expenses for the remainder of the then current Fiscal Year and the next ensuing Fiscal Year. Any excess of moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System.

Moneys in the Series 1995 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 1995 Bonds as the same shall become due. Moneys in the Series 1995 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 1995 Bonds as the same shall come due, when other moneys in the Series 1995 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1995 Bonds Sinking Fund and the Series 1995 Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 1995 Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 1995 Bonds Reserve Account which result in a reduction in the balance of the Series 1995 Bonds Reserve Account to below the Series 1995 Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full to the Series 1987 Bonds Sinking Fund, the Series 1992 Bonds Sinking Fund and the Series 1995 Bonds Sinking Fund.

As and when additional Bonds ranking on a parity with the Series 1995 Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional Bonds.

The Issuer shall not be required to make any further payments into the Series 1995 Bonds Sinking Fund, or the Series 1995 Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1995 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal and interest payments, and any payments made for the purpose of funding a deficiency in any Reserve Account, shall be made on a parity and pro rata, with respect to the Prior Bonds and Series 1995 Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1995 Bonds Sinking Fund and the Series 1995 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

Moneys in the Series 1995 Bonds Sinking Fund and the Series 1995 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1995 Bonds Sinking Fund, including the Series 1995 Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose

of servicing the Series 1995 Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 1995 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges, fees and expenses then due. The Issuer shall also remit from the Revenue Fund to the Authority, on such dates as the Authority shall require, the Issuer's allocable share of reasonable administrative expenses, if any, incurred by the Authority with respect to the SRF Program.

E. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Depreciation Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Ordinances, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Series 1995 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1995 Bonds, there shall first be deposited with the Commission in the Series 1995 Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1995 Bonds for the period commencing on the date of issuance of the Series 1995 Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1995 Bonds, there shall be deposited with the Commission in the Series 1995 Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 1995 Bonds Reserve Account.

C. Next, from the proceeds of the Series 1995 Bonds, there shall first be credited to the Bond Construction Trust Fund and then paid, any and all other borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project and any borrowings by the Issuer from the Authority, including interest accrued thereon to the date of such payment, not otherwise paid from funds of the Issuer.

D. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 1995 Bonds, such moneys shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02 hereof.

E. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 1995 Bonds.

Section 6.02. Disbursements From the Bond Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority a report listing the specific purposes for which the proceeds of the Series 1995 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement as Exhibit C, and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1995 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1995 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1995 Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1995 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 1995 Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1995 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Positions with respect to Prior Bonds. The payment of the debt service of the Series 1995 Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Gross Revenues derived from the operation of the System, on parity with the lien on said Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted November 29, 1994, and the sewer rate ordinance of the Issuer enacted November 4, 1992, which rates are incorporated herein by reference as a part hereof.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided in the Prior Ordinances. Additionally, so long as the Series 1995 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise

disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease the pledge created by this Bond Legislation in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1995 Bonds, immediately be remitted to the Commission for deposit in the Series 1995 Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Series 1995 Bonds. Any balance remaining after the payment of all the Series 1995 Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and the Governing Body may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $50,000 and not in excess of $200,000, shall be deposited in the Depreciation Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section 7.05 to the contrary, the Issuer hereby reserves the right to sell the Tibbs Run reservoir properties consisting of about 80 acres, and a tract of about 200 acres on Mayfield Road heretofore acquired for the System, neither of which properties is now being used or is useful for the System, such sales to be at such times and in such manner and for such prices as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sales insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund. Furthermore, the Board and the Issuer are hereby authorized to negotiate, lease and otherwise dispose of the oil and gas minerals underlying a tract of real estate situate in Clinton Taxing District, Monongalia County, West Virginia, and containing 104 acres, more or less, for a royalty of not less than 1/8th of all oil and gas produced from said property, or a delay rental of not less than $312.00 per year, for a primary term of not to exceed 8 years. All moneys received from the leasing of the aforesaid oil and gas or from any other property of the System shall be deposited in the Revenue Fund and expended therefrom as provided herein.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1995 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 1995 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1995 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System,

shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1995 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during the Fiscal Year preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall, so long as any of the Series 1987 Bonds are Outstanding, not be less than 125%, and thereafter, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the preceding Fiscal Year hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and the Independent Certified Public Accountants, and filed with the City Clerk, on account of increased rates, rentals, fees and

charges for the System adopted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Parity Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority to the issuance of the Parity Bonds.

Section 7.08. Books; Records and Facilities. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of

audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Consulting Engineers, the Authority and the DEP, or any other original purchaser of the Series 1995 Bonds, and shall mail in each year to any Holder or Holders of the Series 1995 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1995 Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 1995 Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

The Board shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Board shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Board shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 125% of the maximum amount required in any year for payment of principal of and interest on the Series 1995 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1995 Bonds, including the Prior Bonds, so long as the Series 1987 Bonds are Outstanding, and thereafter 115% of such amount; provided that, in the event the Series 1987 Bonds are no longer Outstanding and amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1995 Bonds Reserve Account and any reserve accounts for obligations prior to or on a parity with the Series 1995 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any

year for payment of principal of and interest on the Series 1995 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1995 Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1995 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1995 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1995 Bonds which would cause the Series 1995 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 1995 Bonds) so that the interest on the Series 1995 Bonds will be and remain excludable from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148 (f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Series 1995 Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Series 1995 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Series 1995 Bonds are issued does not and will not exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect an applicable to the Series 1995 Bonds. For purposes of the first paragraph of Section 8.03 and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1995 Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations form time to time in effect and applicable to the Series 1995 Bonds. In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with

rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1995 Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's or the Issuer's observance of any of the covenants, agreements or conditions on their respective parts relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer or Issuer, as appropriate shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 1995 Bonds shall be on a parity with the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and

charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no

court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

For the purpose of this section, securities shall mean and include only Government Obligations.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Monongalia County of said State.

B. The Issuer now owns and operates the System, the acquisition and construction of which has been financed and refinanced in part by the proceeds of the Series 1987 Bonds and the Prior Bonds.

C. The Issuer derives revenues from the System which are pledged for payment of the Series 1987 Bonds and the Prior Bonds. Except for such pledge thereof to secure and pay the Series 1987 Bonds and the Prior Bonds, such revenues are not pledged or encumbered in any manner.

D. The Issuer intends to refund the Series 1987 Bonds in their entirety with proceeds of the Series 1997 Bonds and other funds of the Issuer, to issue the Series 1997 Bonds and to pledge for payment thereof, the Gross Revenues of the System, on a parity with the Prior Bonds.

E. The estimated revenues to be derived in each year from the operation of the System after the refunding of the Series 1987 Bonds will be sufficient to pay all Operating Expenses of the System and the principal of and interest on the Series 1997 Bonds and the Prior Bonds and to make all other payments provided for in this Ordinance.

F. Based upon the assumed principal amount, maturity schedule and interest rates for the Series 1997 Bonds presented to the Issuer by the Original Purchaser, and after making allowance for the use of cash on hand of the Issuer, the Series 1997 Bonds show a net present value debt service savings to the Issuer, after deducting all expenses of the refunding and the costs of issuing the Series 1997 Bonds.

G. The Issuer shall not sell the Series 1997 Bonds without setting forth in the Supplemental Resolution the determination set forth in paragraph F above, based upon the actual principal amount, maturity schedule and interest rates for the Series 1997 Bonds and the Issuer shall not issue the Series 1997 Bonds without having obtained from an independent certified public accountant, a certification that the amount of savings stated to be achieved by the refunding shall in fact be saved, based upon their review, comparison and analysis of the net interest cost in dollars of the Series 1997 Bonds and the net interest cost in dollars of the Series 1987 Bonds.

H. Subject to the determination and certification required by paragraph G above, it is in the best interest of the Issuer and its residents that the Issuer issue the Series 1997 Bonds and secure the Series 1997 Bonds on a parity with the Prior Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the System, the moneys in the Series 1997 Bonds Sinking Fund and the moneys or other obligations in the Series 1997 Bonds Reserve Account, unexpended proceeds of the Series 1997 Bonds and as further set forth herein.

I. The Series 1997 Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

J. All things necessary to make the Series 1997 Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereunder to the payment of the principal of and interest on the Series 1997 Bonds, will be timely done and duly performed.

K. The enactment of this Ordinance, and the execution and issuance of the Series 1997 Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 1997 Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer

and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of such Bondholders of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

THE BONDS

Section 3.01. Form and Payment of Bonds. No Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Bonds issued pursuant to this Ordinance, may be issued only as fully registered Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Bonds shall be in default, Bonds issued in exchange for Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Bonds surrendered, all as shall be set forth in the Bonds.

The principal of and the premium, if any, on the Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $500,000 or more of the Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to the Record Date by such Registered Owner.

In the event any Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Bond in the principal amount of said Bond then Outstanding.

Section 3.02. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the Mayor and City Manager, by their manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold

the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference with respect to the Series 1997 Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Bonds. Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Bonds, the initial exchange of Bonds and exchanges of Bonds in the

event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 1997 Bonds Redemption Account in accordance with Subsection 4.03.A(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount

required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 1997 Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 1997 Bonds Sinking Fund), as will exhaust as nearly as practicable the Series 1997 Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 1997 Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Bond Insurer, the Original Purchaser and the registered owner of the Series 1997 Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 1997 Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 1997 Bonds shall also be sent to registered securities depositories and to *Standard & Poor's Called Bond Record*.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

If funds sufficient to redeem all Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such moneys with the Paying Agent on or before the Redemption Date. If such moneys are not so deposited, the Registrar shall notify all holders of Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 1997 Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Bond. All Bonds which have been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.11. Book Entry System for Bonds. A. The Series 1997 Bonds shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 1997 Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 1997 Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 1997 Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 1997 Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 1997 Bond or any other evidence of ownership of the Series 1997 Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 1997 Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 1997 Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 1997 Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 1997 Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 1997 Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 1997 Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 1997 Bonds so redeemed, but DTC may return such Series 1997 Bonds and make an appropriate notation on the Series 1997 Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial

redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 1997 Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 1997 Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 1997 Bonds, selecting the Series 1997 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 1997 Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 1997 Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 1997 Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 1997 Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 1997 Bonds or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 1997 Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 1997 Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 1997 Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 1997 Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 1997 Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 1997 Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 1997 Bonds to the Original Purchaser upon receipt of the documents set forth below:

(A) A list of the names in which the Series 1997 Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(B) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 1997 Bonds to the Original Purchaser;

(C) Copies of this Ordinance and the Supplemental Resolution certified by the Clerk;

(D) The unqualified approving opinion of Bond Counsel regarding the Series 1997 Bonds; and

(E) A copy of the Escrow Agreement and such other documents, certificates and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 1997 Bonds shall be in substantially the form set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 1997 Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 1997 Bonds shall have the form of the opinion of Steptoe & Johnson, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 1997 Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

A. All interest accrued on the Series 1997 Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 1997 Bonds Sinking Fund and applied to payment of interest on the Series 1997 Bonds at the first interest payment date.

B. An amount of the proceeds of the Series 1997 Bonds which, together with other moneys or securities deposited therein and the earnings thereon, shall be sufficient to accomplish the refunding and defeasance of the Series 1987 Bonds (which amount shall be set forth in the Escrow Agreement) shall be deposited in the Escrow Fund.

C. An amount of the proceeds of the Series 1997 Bonds equal to the Series 1997 Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 1997 Bonds Reserve Account, provided that, to the extent the Series 1997 Bonds Reserve Requirement is satisfied in whole or in part with a reserve account letter of credit, surety bond or other credit facility, or from proceeds of any fund or account established pursuant to the 1987 Ordinance or other funds of the Issuer, proceeds of the Series 1997 Bonds shall be deposited in the Series 1997 Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 1997 Bonds Reserve Requirement.

D. The balance of the proceeds of the Series 1997 Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 1997 Bonds and miscellaneous costs of refunding the Series 1987 Bonds at the written direction of the Issuer. All such costs of issuance shall be paid within 60 days of the Closing Date. Moneys not to be applied immediately to pay such costs of issuance and refunding may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 1997 Bonds Redemption Account. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys until so applied in favor of the Holders of the Series 1997 Bonds.

Section 3.15. Designation of Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 1997 Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 1997 Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 1997 Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 1997.

Section 4.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Ordinance and in the Prior Ordinance and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Ordinance and in the Prior Ordinance. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority.

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Bond Commission the amounts required by the 1992 Ordinance to be deposited in the Series 1992 Bonds Sinking Fund for payment of the principal of and interest on the Series 1992 Bonds; (ii) remit to the Bond Commission the amounts required by the 1995 Ordinance to be deposited in the Series 1995 Bonds Sinking Fund for payment of the principal of and interest on the Series 1995 Bonds; (iii) commencing 6 months prior to the first interest payment date of the Series 1997 Bonds, remit to the Bond Commission for deposit in the Series 1997 Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 1997 Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1997 Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 6 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 1997 Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 1997 Bonds deposited therein; and (iv) commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 1997 Bonds, remit to the Bond Commission for deposit in the Series 1997 Bonds Sinking Fund and in the Series 1997 Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 1997 Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1997 Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 12 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing annual

principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Bond Commission the amount required by the 1992 Ordinance to be deposited in the Series 1992 Bonds Reserve Account; (ii) remit to the Bond Commission the amount required by the 1995 Ordinance to be deposited in the Series 1995 Bonds Reserve Account; and (iii) remit to the Bond Commission for deposit in the Series 1997 Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 1997 Bonds Reserve Account below the Series 1997 Bonds Reserve Requirement or any withdrawal from the Series 1997 Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 1997 Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 1997 Bonds Reserve Account is less than the Series 1997 Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 1997 Bonds Reserve Account for deposit into the Series 1997 Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 1997 Bonds Reserve Account to an amount equal to the Series 1997 Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 1997 Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 1997 Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 1997 Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 1997 Bonds Reserve Requirement.

Amounts in the Series 1997 Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 1997 Bonds when due, when amounts in the Series 1997 Bonds Sinking Fund are insufficient therefor and for no other purpose.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund, an

amount sufficient to pay the current Operating Expenses of the System.

(4) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month (as previously set forth in the Prior Ordinance and not in addition thereto), transfer to the Depreciation Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any reserve account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any reserve account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Fund.

(5) After making all of the foregoing deposits and payments, any excess of moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System, including payment of principal of and interest on the Cheat Neck PSD Bonds and other obligations subordinate to the Bonds.

Moneys in the Series 1997 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 1997 Bonds as the same shall become due. Moneys in the Series 1997 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 1997 Bonds, as the same shall come due, when other moneys in the Series 1997 Bonds Sinking Fund are insufficient therefor, and for no other purpose except for permitted transfers to the Rebate Fund.

Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on moneys in the Series 1997 Bonds Sinking Fund and the Series 1997 Bonds Reserve Account shall be returned, not less than once each year, by the Bond Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Bonds, and then to the next ensuing principal payments due thereon.

Except with respect to transfers to the Rebate Fund, any withdrawals from the Series 1997 Bonds Reserve Account which result in a reduction in the balance of the Series 1997 Bonds Reserve Account to below the Series 1997 Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1997 Bonds Sinking Fund, or into the Series 1997 Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1997 Bonds issued pursuant to this Bond Ordinance then Outstanding and all interest to accrue until the respective maturities thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 1992 Bonds, the Series 1995 Bonds and Series 1997 Bonds in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 1997 Bonds Sinking Fund, the Series 1997 Bonds Reserve Account and the Series 1997 Bonds Redemption Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

Moneys in the Series 1997 Bonds Sinking Fund, the Series 1997 Bonds Reserve Account and the Series 1997 Bonds Redemption Account shall be invested and reinvested by the Bond Commission in accordance with Section 8.01 hereof.

Except with respect to transfers to the Rebate Fund, the Series 1997 Bonds Sinking Fund, including the Series 1997 Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1997 Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Bond Commission the required principal, interest and reserve payments with respect to the Series 1997 Bonds and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be,

shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund, the Depreciation Fund, the Operation and Maintenance Fund and the Rebate Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the relevant provisions of the Prior Ordinance, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Reserve Account Letter of Credit or Surety Bond. In lieu of funding the Series 1997 Bonds Reserve Account with cash or Qualified Investments, the Series 1997 Bonds Reserve Requirement may be satisfied by the deposit by the Issuer into the Series 1997 Bonds Reserve Account of a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Bond Insurer in an amount at least equal to the Series 1997 Bonds Reserve Requirement. The Issuer hereby authorizes the purchase of a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Bond Insurer and the execution and delivery of any applicable reimbursement agreement or note in such forms as shall be described in the Supplemental Resolution.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 1997 Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to semiannually transfer from the Series 1997 Bonds Reserve Account to the Series 1997 Bonds Sinking Fund, any earnings on the moneys deposited therein and any other funds in excess of the Series 1997 Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 1997 Bonds Reserve Account an amount at least equal to the Series 1997 Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 1997 Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 1997 Bonds Reserve Account shall, at any time, be less than the Series 1997 Bonds Reserve Requirement, the Bond Insurer shall

be notified immediately of such deficiency and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Series 1997 Bonds Sinking Fund and otherwise in accordance with Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 1997 Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in the Series 1997 Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia State Board of Investments pursuant to Chapter 12, Article 6 of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 1997 Bonds in such manner and to such extent as may be necessary, so that the Series 1997 Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 1997 Bonds) so that the interest on such Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1997 Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1997 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the

United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the time and at the address prescribed by the Regulations as the same may be in effect from time to time with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amounts and any and all penalties and interest from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 1997 Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the moneys in the Series 1997 Bonds Sinking Fund and the Series 1997 Bonds Reserve Account therein and the unexpended proceeds of the Series 1997 Bonds, all as herein provided. No Holder or Holders of the Series 1997 Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1997 Bonds or the interest thereon.

Section 6.03. Bonds Secured by Parity Pledge of Gross Revenues. The payment of the debt service of all of the Series 1997 Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the System and all moneys and securities in the Series 1997 Bonds Sinking Fund, including the Series 1997 Bonds Reserve Account therein, on a parity in all respects with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Series 1997 Bonds herein authorized, and to make the payments into the Series 1997 Bonds Sinking Fund, including the Series 1997 Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Series 1997 Bonds herein authorized as the same become due, on a parity with the Prior Bonds and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 1997 Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and

accounts created hereunder. Such schedule of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 125% of the maximum amount required in any year for payment of principal of and interest on the Series 1997 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1997 Bonds, including the Prior Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will operate and maintain the System in good condition and as a revenue-producing enterprise in an efficient and economical manner, making all necessary expenditures for equipment, renewal, repair and replacement. The Issuer will also operate and maintain the System in compliance with all federal and state laws.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided in the Prior Ordinance. Additionally, so long as the Series 1997 Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease the pledge created by this Ordinance in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1997 Bonds, immediately be remitted to the Bond Commission for deposit in the Series 1997 Bonds Sinking Fund and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest and redemption premium, if any, on the Series 1997 Bonds. Any balance remaining after the payment of all the Series 1997 Bonds and interest and redemption premium, if any, thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and the Council may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $50,000 and not in excess of $200,000, shall be deposited in the Depreciation Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section to the contrary, the Issuer hereby reserves the right to sell the Tibbs Run reservoir properties consisting of about 80 acres, and a tract of about 200 acres on Mayfield Road heretofore acquired for the System, neither of which properties is now being used or is useful for the System, such sales to be at such times and in such manner and for such prices as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sales insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund. Furthermore, the Board and the Issuer are hereby authorized to negotiate, lease and otherwise dispose of the oil and gas minerals underlying a tract of real estate situate in Clinton Taxing District, Monongalia County, West Virginia, and containing 104 acres, more or less, for a royalty of not less than 1/8th of all oil and gas produced from said property, or a delay rental of not less than $312.00 per year, for a primary term of not to exceed 8 years. All moneys

received from the leasing of the aforesaid oil and gas or from any other property of the System shall be deposited in the Revenue Fund and expended therefrom as provided herein.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Revenues with the Series 1997 Bonds; and all obligations hereafter issued by the Issuer payable from the Revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such Revenues and in all other respects to the Bonds; provided that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and Revenues of the System pledged for payment of the Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinance shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1997 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during the Fiscal Year preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 125% of the largest aggregate amount

that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from additional customers to be connected to the System as a result of additions, extensions and improvements thereto, or from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the preceding Fiscal Year hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and the Independent Accountants, and filed with the City Clerk, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject

to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during acquisition and construction of any additions, betterments and improvements to the System in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer and the Board from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, betterments or improvements to the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Board or the Issuer having custody of the Revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1997 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1997 Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.11. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Board or the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable ~~to other~~ customers receiving like services under similar circumstances shall be charged the Issuer, the Board, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants

and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System or waterworks portion thereof, to all delinquent users of services and facilities of the System and will not restore such services of the System (or waterworks portion thereof) until all bills for charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall file with the Original Purchaser and the Bond Insurer, within 120 days following the end of each Fiscal Year, and shall mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses and Net Revenues derived from the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Ordinance, and the status of all said funds.

The Issuer or the Board shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder of not less than $100,000 principal amount of Bonds issued

pursuant to this Ordinance and shall file said report with the Original Purchaser and the Bond Insurer.

Section 6.15. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and

welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may apply for a Municipal Bond Insurance Policy for the Series 1997 Bonds. In the event such a Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer may be required by the Bond Insurer as a condition to insuring the Series 1997 Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 1997 Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinance.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

All rights and remedies of the Holders of the Series 1997 Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder (or any Bond Insurer if the defaulted Bonds are insured) shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 1997 Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 1997 Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 1997 Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication and Registration on the Series 1997 Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or Bondholders, in which event such resignation shall take effect immediately; provided that, in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the Bond Insurer or by the Holders of a majority in principal amount of the Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided that, in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Registrar may also serve as the Paying Agent. The Registrar's acceptance of the duties and responsibilities of the Registrar expressed in Section 8.02 shall also include the trusts and the duties of Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All moneys received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all the Series 1997 Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Gross Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 1997 Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 1997 Bonds from gross income for federal income tax purposes.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by

the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 1997 Bonds, this Ordinance may be amended or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 1997 Bonds, this Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, solely for the purpose of maintaining the tax-exempt status of the Bonds, provided that, in the event any of the Bonds are insured, no such amendment or modification which adversely affects the security for such Bonds or the rights of the applicable Bond Insurer for such Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the

Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such

moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such moneys then unclaimed will be returned to the Issuer. If any of said Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such moneys will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Paying Agent, the Depository Bank or the Original Purchaser shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of $_____ designated " The City of Morgantown, West Virginia Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997" (the "Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated _____, 1997, the proceeds of which are to be used, together with other funds of the Issuer, to (i) currently refund in full the Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1987, of the Issuer, outstanding in the total aggregate principal amount of $_____ (the "Series 1987 Bonds"), which were issued to refinance the cost of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Bonds (with a surety bond), (iii) to pay the costs of acquisition and construction of additions, betterments and improvements to the System, and (iv) to pay costs of issuance of the Bonds and other costs in connection with such refunding.

additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in The City of Morgantown, West Virginia.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 1992 (WEST VIRGINIA SRF PROGRAM), DATED SEPTEMBER 8, 1992, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $11,900,000 (THE "SERIES 1992 BONDS"), AND (2) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 1995 (WEST VIRGINIA SRF PROGRAM), DATED APRIL 27, 1995, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,601,477 (THE "SERIES 1995 BONDS").

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

The Bonds and the interest thereon are payable only from and are secured by (i) the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Series 1992 Bonds and the Series 1995 Bonds and senior and prior to the Cheat Neck Public Service District Bond, (ii) all moneys in the Series 1997 Bonds Sinking Fund and the Series 1997 Bonds Reserve Account established under the Ordinance and (iii) the unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 1997 Bonds Sinking Fund and the Series 1997 Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least _____% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon, shall be applied solely to refund the Series 1987 Bonds, to fund a reserve account for the Bonds (with a surety bond), to pay the costs of acquisition and construction of additions, betterments and improvements to the System and to pay costs of issuance of the Bonds and other costs in connection with such refunding, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the

issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

B. "Bond Insurer" shall mean Financial Guaranty Insurance Company, a New York stock insurance company, or any successor thereto.

C. Notwithstanding anything contained in Section 3.07 of the Ordinance to the contrary, notice of redemption of any Series 1997 Bonds, other than mandatory sinking fund redemption and excepting any notice that refers to Series 1997 Bonds that are the subject of an advance refunding, shall be circulated only if sufficient funds have been deposited with the Paying Agent to pay the redemption price of the Series 1997 Bonds to be redeemed.

D. Notwithstanding anything contained in Article VII of the Ordinance to the contrary, in the event of a default, the following provisions shall also apply:

(i) The Paying Agent shall, to the extent there are no other available funds held under the Ordinance, apply the remaining funds in the Construction Fund to pay principal of and interest on the Series 1997 Bonds in the event of a payment default.

(ii) In determining whether an Event of Default has occurred under Section 7.01 of the Ordinance or whether a payment on the Series 1997 Bonds has been made under the Ordinance, no effect shall be given to payments made under the Municipal Bond Insurance Policy.

(iii) Any acceleration of the Series 1997 Bonds or any annulment thereof shall be subject to the prior written consent of the Bond Insurer (if it has not failed to comply with its payment obligations under the Municipal Bond Insurance Policy).

(iv) The Bond Insurer shall receive immediate notice of any payment default and notice of any other Event of Default known to the Paying Agent or the Issuer within 30 days of either party's knowledge thereof.

(v) For all purposes of the provisions governing events of default and remedies in the Ordinance, except the giving of notice of default to Bondholders, the Bond Insurer shall be deemed to be the sole holder of the Series 1997 Bonds, so long as the Issuer has not failed to comply with its payment obligations under the Municipal Bond Insurance Policy.

(vi) The Bond Insurer shall be included as a party in interest and as a party entitled to (i) notify the Issuer, the Paying Agent, or any applicable receiver of the occurrence of an Event of Default and (ii) request the Paying Agent or receiver to

intervene in judicial proceedings that affect the Series 1997 Bonds or the security therefor. The Paying Agent or receiver shall be required to accept notice of default from the Bond Insurer.

(vii) If on the third day preceding any interest payment date for the Series 1997 Bonds, there is not on deposit with the Paying Agent sufficient moneys available to pay all principal of and interest on the Series 1997 Bonds due on such date, the Paying Agent shall immediately notify the Bond Insurer and State Street Bank and Trust Company, N.A., New York, New York, or its successor, as its Fiscal Agent (the "Fiscal Agent"), of the amount of such deficiency. If by said interest payment date, the Issuer has not provided the amount of such deficiency, the Registrar shall simultaneously make available to the Bond Insurer and to the Fiscal Agent the registration books for the Series 1997 Bonds maintained by the Registrar.

(viii) In addition, the Registrar shall provide the Bond Insurer with a list of the Bondholders entitled to receive principal or interest payments from the Bond Insurer under the terms of the Municipal Bond Insurance Policy and shall make arrangements for the Bond Insurer and its Fiscal Agent (1) to mail checks or drafts to Bondholders entitled to receive full or partial interest payments from the Bond Insurer and (2) to pay principal of the Series 1997 Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial principal payments from the Bond Insurer.

(ix) Further, the Registrar shall, at the time it makes the registration books available to the Bond Insurer, notify Bondholders entitled to receive the payment of principal of or interest on the Series 1997 Bonds from the Bond Insurer (1) as to the fact of such entitlement, (2) that the Bond Insurer will remit to them all or part of the interest payments coming due subject to the terms of the Municipal Bond Insurance Policy, (3) that, except as provided in the paragraph below, in the event that any Bondholder is entitled to receive full payment of principal from the Bond Insurer, such Bondholder must tender his Bond with the instrument of transfer in the form provided on the Bond executed in the name of the Bond Insurer, and (4) that, except as provided in the paragraph below, in the event that such Bondholder is entitled to receive partial payment of principal from the Bond Insurer, such Bondholder must tender his Bond for payment first to the Registrar, which shall note on such Bond the portion of

principal paid by the Registrar, and then, with an acceptable form of assignment executed in the name of the Bond Insurer, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder subject to the terms of the Municipal Bond Insurance Policy.

(x) In the event that the Paying Agent has notice that any payment of principal of or interest on a Series 1997 Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Paying Agent shall, at the time it provides notice to the Bond Insurer, notify all Bondholders that in the event that any Bondholder's payment is so recovered, such Bondholder will be entitled to payment from the Bond Insurer to the extent of such recovery, and the Paying Agent shall furnish to the Bond Insurer its records evidencing the payments of principal of and interest on the Series 1997 Bonds which have been made by the Paying Agent and subsequently recovered from Bondholders, and the dates on which such payments were made.

(xi) The Bond Insurer shall, to the extent it makes payment of principal of or interest on the Series 1997 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Municipal Bond Insurance Policy and, to evidence such subrogation, (1) in the case of subrogation as to claims for past due interest, the Registrar shall note the Bond Insurer's rights as subrogee on the registration books maintained by the Registrar upon receipt from the Bond Insurer of proof of the payment of interest thereon to the Bondholders of such Bonds and (2) in the case of subrogation as to claims for past due principal, the Registrar shall note the Bond Insurer's rights as subrogee on the registration books for the Series 1997 Bonds maintained by the Registrar upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds. Notwithstanding anything in the Ordinance, this Supplemental Resolution or the Series 1997 Bonds to the contrary, the Paying Agent shall make payment of such past due interest and past due principal directly to the Bond Insurer to the extent that the Bond Insurer is a subrogee with respect thereto.

E. Notwithstanding anything contained in Section 10.01 of the Ordinance to the contrary, any amendment or supplement to the Ordinance or any other principal financing documents shall be subject to the prior written consent

of the Bond Insurer. Any rating agency rating the Series 1997 Bonds must receive notice of each amendment and a copy thereof at least 15 days in advance of its execution or adoption. The Bond Insurer shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.

F. Notwithstanding anything contained in Section 9.01 of the Ordinance to the contrary, only cash, direct non-callable obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, to which direct obligation or guarantee the full faith and credit of the United States of America has been pledged, Refcorp interest strips, CATS, TIGRS, STRPS, or defeased municipal bonds rated AAA by S&P or Aaa by Moody's (or any combination of the foregoing) shall be used to effect defeasance of the Series 1997 Bonds, unless the Bond Insurer otherwise approves. In the event of an advance refunding, the Issuer shall cause to be delivered a verification report of an independent nationally recognized certified public accountant. If a forward supply contract is employed in connection with the refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any discrepancy or difference between the terms of the forward supply contract and the escrow agreement (or the authorizing document, if no separate escrow agreement is utilized), the terms of the escrow agreement or authorizing document, if applicable, shall be controlling.

G. The Issuer shall provide to the Bond Insurer the following information:

(i) Within 120 days after the end of each Fiscal Year, a budget for the succeeding year, annual audited financial statements, a statement of the amount on deposit in the Reserve Account as of the last valuation, and, if not presented in the audited financial statements, a statement of the Gross Revenues pledged to payment of Bonds in such Fiscal Year;

If, in addition to the Reserve Policy, any other reserve fund substitute instrument ("Additional Reserve Policy") is provided, drawings under the Reserve Policy and any such Additional Reserve Policy, and repayment of Policy Costs and reimbursement of amounts due under the Additional Reserve Policy, shall be made on a pro rata basis (calculated by reference to the Maximum Amounts available thereunder) after applying all available cash in the Series 1997 Bonds Reserve Account and prior to replenishment of any such cash draws, respectively.

D. As security for the Issuer's repayment obligations with respect to the Reserve Policy, the Bond Insurer shall be granted a security interest (subordinate only to that of the Bondholders) in all revenues and collateral pledged as security for the Series 1997 Bonds.

E. No additional bonds may be issued without the Bond Insurer's prior written consent if any Policy Costs are past due and owing to the Bond Insurer.

F. The Paying Agent shall ascertain the necessity for a claim upon the Reserve Policy and provide notice to the Bond Insurer in accordance with the terms of the Reserve Policy at least two business days prior to each interest payment date.

G. The Ordinance and this Supplemental Resolution shall not be modified or amended without the prior written consent of the Bond Insurer.
