B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage, and stormwater system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the project area, that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks portion of the existing public combined waterworks, sewerage, and stormwater system of the Issuer, consisting of additions and improvements to the City's existing water treatment plant facilities, including capacity expansion, replacement of raw water intake and pumps, membrane filtration facilities, SCADA system and electrical upgrades, fire protection facilities, lines, transmission mains, storage tanks, shop, garage and office improvements, other additions and improvements and all necessary appurtenances; and if not financed through other sources, water distribution system additions and improvements, including new water storage tanks, transmission lines, pumping stations, SCADA system and electrical improvements, building improvements and expansion, other additions and improvements and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks, sewerage, and stormwater system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

Section 3.02. Execution of Bonds. The Series 2009 B Bonds shall be executed in the name of the Issuer by the Mayor and City Manager, by their respective manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2009 B Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2009 B Bonds be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2009 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2009 B Bond, substantially in the form set forth in EXHIBIT A - Series 2009 B BOND FORM attached hereto and incorporated herein by reference with respect to the Series 2009 B Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2009 B Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2009 B Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2009 B Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2009 B Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2009 B Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2009 B Bonds. The Series 2009 B Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2009 B Bond, there shall be issued at the option of the Holder or the transferee another

Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2009 B Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2009 B Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2009 B Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2009 B Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2009 B Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2009 B Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2009 B Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2009 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2009 B Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2009 B Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2009 B Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2009 B Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series

2009 B Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2009 B Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2009 B Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2009 B Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, the Original Purchaser, and the registered owner of the Series 2009 B Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2009 B Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be sent to registered securities depositories, nationally recognized municipal securities information repositories and to *Standard & Poor's Called Bond Record*.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2009 B Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2009 B Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2009 B Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2009 B Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2009 B Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2009 B Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten

Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2009 B Bonds. For the purposes of paying costs of acquisition and construction of improvements and betterments to the waterworks portion of the System, funding the Series 2009 B Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2009 B Bonds of the Issuer, in an aggregate principal amount of not more than $60,000,000. Said Series 2009 B Bonds shall be designated "Combined Utility System Revenue Bonds, Series 2009 B (Taxable)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2009 B Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2009 B Bonds shall be numbered from AR-1 consecutively upward. The Series 2009 B Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $60,000,000); shall bear interest at such rate or rates, not exceeding the then legally permissible rate (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 35 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2009 B Bonds.

A. The Series 2009 B Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2009 B Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2009 B Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2009 B Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2009 B Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2009 B Bond or any other evidence of ownership of the Series 2009 B Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2009 B Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2009 B Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2009 B Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2009 B Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2009 B Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2009 B Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2009 B Bonds so redeemed, but DTC may retain such Series 2009 B Bonds and make an appropriate notation on the Series 2009 B Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2009 B Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2009 B Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2009 B Bonds, selecting the Series 2009 B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2009 B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2009 B Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2009 B Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2009 B Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2009 B Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2009 B Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2009 B Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2009 B Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2009 B Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 B Bonds.

Section 3.12. Delivery of Series 2009 B Bonds.

A. The Issuer shall execute and deliver the Series 2009 B Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 B Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2009 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2009 B Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2009 B Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2009 B Bonds. The definitive Series 2009 B Bonds shall be in substantially the form set forth in EXHIBIT A - Series 2009 B BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2009 B Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series

2009 B Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2009 B Bonds. Upon the issuance and delivery of the Series 2009 B Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2009 B Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2009 B Bonds Sinking Fund and applied to payment of interest on the Series 2009 B Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2009 B Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2009 B Bonds Reserve Account, provided that, to the extent the Series 2009 B Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2009 B Bonds shall be deposited in the Series 2009 B Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2009 B Bonds Reserve Requirement.

3. The amount of Series 2009 B Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Series 2009 B Bonds shall be deposited with the Depository Bank in the Series 2009 B Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2009 B Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2009 B Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2009 B Bonds Sinking Fund established in Section 4.01 hereof and applied to the next ensuing payment of interest on the Series 2009 B Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2009 B Bonds from which such proceeds are derived.

4. The balance of Series 2009 B Bonds proceeds, if any, shall be deposited in the Series 2009 B Bonds Acquisition and Construction Fund and disbursed as provided in Section 3.15(A) hereof.

Section 3.15. Disbursements from the Acquisition and Construction Funds. Disbursements from the Series 2009 B Bonds Acquisition and Construction Fund, except for payment of Costs of Issuance of the Series 2009 B Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon

request of the Issuer, shall be made only for acquisition and construction of capital improvements, repairs and replacements for the System, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2009 B Bonds Acquisition and Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

on the Prior Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2009 B Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2009 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2009 B Bonds on the next ensuing semiannual interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2009 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2009 B Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2009 B Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2009 B Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2009 B Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Sinking Funds for payment of principal on the Prior Bonds; and (ii) for deposit in the Series 2009 B Bonds Sinking Fund (and in the Series 2009 B Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Series 2009 B Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2009 B Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2009 B Bonds on the next ensuing principal payment or mandatory Redemption Date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2009 B Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2009 B Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2009 B Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Reserve Accounts for the Prior Bonds; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2009 B Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2009 B Bonds, for deposit in the Series 2009 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 B

Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 B Bonds Reserve Requirement; provided further, that if the amounts in the Series 2009 B Bonds Reserve Account, as a result of a decrease in value of the Series 2009 B Bonds Reserve Account below the Series 2009 B Reserve Account Requirement or any withdrawal from the Series 2009 B Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2009 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (i) the valuation of investments in the Series 2009 B Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2009 B Bonds Reserve Account is less than the Series 2009 B Reserve Account Requirement, or (ii) any amount is withdrawn from the Series 2009 B Bonds Reserve Account for deposit into the Series 2009 B Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2009 B Bonds Reserve Account to an amount equal to the Series 2009 B Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Series 2009 B Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2009 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2009 B Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2009 B Reserve Account Requirement.

Amounts in the Series 2009 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2009 B Bonds when due, when amounts in the Series 2009 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to

the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2009 B Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2009 B Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2009 B Bonds, all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2009 B Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, annually transfer from the Series 2009 B Bonds Reserve Account to the Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2009 B Bonds Reserve Requirement, provided, however, that there shall at all times remain on deposit in the Series 2009 B Bonds Reserve Account an amount at least equal to the Series 2009 B Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2009 B Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2009 B

Bonds Reserve Account shall, at any time, be less than the applicable Series 2009 B Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2009 B Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Series 2009 B Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and City Manager to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 B Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2009 B Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 B Bonds or the Series 2002 B Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Series 2009 B Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2009 B Bonds or monies in a construction fund, if any, all as herein provided. No Holder or

Holders of any Series 2009 B Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2009 B Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2009 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and, in the instance of the Series 2009 B Bonds, all monies and securities in the Series 2009 B Sinking Fund, including the Series 2009 B Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2009 B Bonds herein authorized, and to make the payments into the Series 2009 B Bonds Sinking Fund, all monies and securities in the Series 2009 B Bonds Sinking Fund, including the Series 2009 B Bonds Reserve Account therein.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2009 B Bonds, including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage. In any event, subject to the requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate ordinance.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2009 B Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2009 B Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the

Renewal and Replacement Fund shall reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer and the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2009 B; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2009 B Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2009 B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2009 B Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived,

subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2009 B Bonds then Outstanding;

(2) The Prior Bonds Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Accountant, which shall be filed in the office of the Clerk prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountant, as stated in a certificate on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Series 2009 B Bonds and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2009 B Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and

accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the Net Revenues remaining after all payments required to be made pursuant to Section 4.03(1), (2) and (3) have first been paid. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2009 B Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in the Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2009 B Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and properties similar to the System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise

from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Board, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be

required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer or the Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the

full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the Issuer's waterworks system, to all delinquent users of services and facilities of the System and will not restore such services of the System (or waterworks system) until all billing for charges for the services and facilities of the System, plus penalty charges for the restoration of service, has been fully paid or an appropriate payment plan has been established.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2009 B Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet,

statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer or the Board shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer or the Board shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Accountant, or a summary thereof, to any Holder or Holders of Series 2009 B Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and the Bond Insurer, if any, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia. shall connect with and use the sewerage portion of the

System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 B Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2009 B Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer intends to obtain Municipal Bond Insurance Policies for the Series 2009 B Bonds. In the event such Municipal Bond Insurance Policies are obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2009 B Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2009 B Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 B Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2009 B Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2009 B Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such

remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2009 B Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2009 B Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein

contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2009 B Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2009 B Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2009 B Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be

responsible for any representation in its Certificate of Authentication on the Series 2009 B Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2009 B Bonds, the first exchange of Series 2009 B Bonds and the exchange of Series 2009 B Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2009 B Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2009 B Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2009 B Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2009 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2009 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further

act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2009 B Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2009 B Bond shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX
DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2009 B Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2009 B Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2009 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X
MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2009 B Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2009 B Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2009 B Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2009 B Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2009 B Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2009 B Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2009 B Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2009 B Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2009 B Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date

of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

EXHIBIT C

PROVISIONS RELATING TO BOND INSURANCE AND SURETY BOND

Bond Insurance Provisions

(a) "Insurance Policy" shall be defined as follows: "the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due". "Insurer" shall be defined as follows: "Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), a New York stock insurance company, or any successor thereto or assignee thereof".

(b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Debt Service Reserve Fund, if any. Notwithstanding anything to the contrary set forth in the Ordinance, amounts on deposit in the Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Bonds.

(c) The Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the Ordinance pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. Remedies granted to the Bondholders shall expressly include mandamus.

(d) The security for the Bonds shall include a pledge of any agreement with any underlying obligor that is a source of payment for the Bonds and a default under any such agreement shall constitute an Event of Default under the Ordinance.

(e) If acceleration is permitted under the Ordinance, the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.

(f) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(g) The Insurer shall be included as a third party beneficiary to the Ordinance.

(h) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Ordinance which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

(i) Any amendment, supplement, modification to, or waiver of, the Ordinance or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(j) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.

(k) The rights granted to the Insurer under the Ordinance or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.

(l) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be

acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Ordinance and (iv) a certificate of discharge of the Trustee with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Trustee and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Ordinance unless and until they are in fact paid and retired or the above criteria are met.

(m) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Ordinance and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Ordinance. The Ordinance shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(n) Each of the Issuer and Trustee covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.

(o) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Ordinance, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or

otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the [Trust Estate] and payable from such [Trust Estate] on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any

funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

(p) The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(q) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Ordinance or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Ordinance or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Ordinance or any other Related Document.

(r) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Debt Service Reserve Fund to the Debt Service Reserve Requirement.

(s) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Ordinance, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

(t) The notice address of the Insurer is: Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. _____, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(u) The Insurer shall be provided with the following information by the Issuer or Trustee, as the case may be:

(i) Annual audited financial statements within 150 days after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Ordinance), and the Issuer's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(ii) Notice of any draw upon the Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;

(iii) Notice of any default known to the Trustee or Issuer within five Business Days after knowledge thereof;

(iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(v) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(vi) Notice of the commencement of any proceeding by or against the Issuer or Obligor commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

In addition, to the extent that the Issuer or the [Obligor] has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Bonds, all information

furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(v) The Insurer shall have the right to receive such additional information as it may reasonably request.

(w) The Issuer will permit the Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the Issuer on any business day upon reasonable prior notice.

(x) The Trustee shall notify the Insurer of any failure of the Issuer to provide notices, certificates and other information under the transaction documents.

(y) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Ordinance, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Debt Service Reserve Fund is fully funded at the Debt Service Reserve Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.

(z) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Ordinance would adversely affect the security for the Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(aa) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(bb) If the Bonds are issued for refunding purposes, there shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge of the trustee for the Refunded Bonds, to the effect that, upon the making of the required deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred. If the Refunded Bonds are insured by Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), at least three business days prior to the proposed date for delivery of the Policy with respect to the Refunding Bonds, the Insurer shall also receive (i) the verification letter, of which the Insurer shall be an addressee, by an independent firm of certified public accountants which is either nationally recognized or otherwise acceptable to the Insurer, of the adequacy of the escrow established to provide for the payment of

the Refunded Bonds in accordance with the terms and provisions of the Escrow Deposit Agreement, and (ii) the form of an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto) to the effect that the Escrow Deposit Agreement is a valid and binding obligation of the parties thereto, enforceable in accordance with its terms (such Escrow Deposit Agreement shall provide that no amendments are permitted without the prior written consent of the Insurer). An executed copy of each of such opinion and reliance letter, if applicable, or Trustee's discharge certificate, as the case may be, shall be forwarded to the Insurer prior to delivery of the Bonds.

(cc) Any interest rate exchange agreement ("Swap Agreement") entered into by the Issuer shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months, and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by the Insurer, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to debt service on the Bonds and on any debt on parity with the Bonds. The Issuer shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of the Insurer prior to the payment of any such termination amount that such payment will not cause the Issuer [Obligor] to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least "A-" and "A3" by Standard & Poor's ('S&P") and Moody's Investors Service ("Moody's"). If the counterparty or guarantor's rating falls below "A-" or "A3" by either S&P or Moody's, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to the Insurer. If the counterparty or the guarantor's long term unsecured rating falls below "Baa1" or "BBB+" by either Moody's or S&P, a replacement counterparty or guarantor, acceptable to the Insurer, shall be required.

(dd) The Issuer shall not receive a credit against debt service for BAB Interest Payment Subsidies to the extent it does not receive such subsidy in any year and shall promptly fund any shortfall in the debt service reserve fund resulting from such event.

(ee) The Issuer shall not issue Additional Parity Bonds unless Net Revenues equal at least 115% of Maximum Annual Debt Service on a historical basis (i.e. estimated revenues shall not be included).

Any Series 2010 A Bonds and Series 2010 F Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2010 A Bonds and Series 2010 F Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Series 2010 A Bonds and Series 2010 F Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2010 A Bonds and Series 2010 F Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2010 A Bonds and Series 2010 F Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2010 A Bonds and Series 2010 F Bonds shall be in default, Bonds issued in exchange for Series 2010 A Bonds and Series 2010 F Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2010 A Bonds and Series 2010 F Bonds surrendered.

The principal of and the premium, if any, on the Series 2010 A Bonds and Series 2010 F Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2010 A Bonds and Series 2010 F Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2010 A Bonds and Series 2010 F Bonds, by wire transfer to a

domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2010 Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2010 Bond in the principal amount of said 2010 Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2010 A Bonds and Series 2010 F Bonds shall be executed in the name of the Issuer by the Mayor and City Manager, by their respective manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2010 A Bonds and Series 2010 F Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2010 A Bonds and Series 2010 F Bonds be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2010 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2010 A Bond, substantially in the form set forth in EXHIBIT A - Series 2010 A BOND FORM attached hereto and incorporated herein by reference with respect to the Series 2010 A Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2010 A Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2010 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2010 A Bonds issued hereunder. No Series 2010 F Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2010 F Bond, substantially in the form set forth in EXHIBIT B - Series 2010 F BOND FORM attached hereto and incorporated herein by reference with respect to the Series 2010 F Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2010 F Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2010 F Bond shall be deemed to have

been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2010 F Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2010 A Bonds and Series 2010 F Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2010 A Bonds and Series 2010 F Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2010 A Bonds and Series 2010 F Bonds. The Series 2010 A Bonds and Series 2010 F Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2010 Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2010 A Bonds and Series 2010 F Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2010 Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2010 A Bonds and Series 2010 F Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2010 A Bonds and Series 2010 F Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2010 A Bonds and Series 2010 F Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2010 A Bonds and Series 2010 F Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial

exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2010 A Bonds and Series 2010 F Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2010 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2010 A Bonds and Series 2010 F Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds.

A. In the event Term Bonds are issued as part of the Series 2010 A Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 A Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2010 A Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with

respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2010 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2010 A Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2010 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

B. In the event Term Bonds are issued as part of the Series 2010 F Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 F Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2010 F Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2010 F Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by

the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2010 F Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2010 F Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2010 A Bonds and Series 2010 F Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, the Original Purchaser, and the registered owner of the Series 2010 Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2010 A Bonds and Series 2010 F Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be sent to registered securities depositories, nationally recognized municipal securities information repositories and to *Standard & Poor's Called Bond Record.*

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2010 A Bonds and Series 2010 F Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2010 A Bonds and Series 2010 F Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2010 A Bonds and Series 2010 F Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2010 A Bonds and Series 2010 F Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2010 Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2010 A Bonds and Series 2010 F Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay,

prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2010 A Bonds and Series 2010 F Bonds.

A. For the purposes of paying a portion of the costs of acquisition and construction of improvements and betterments to the waterworks portion of the System, funding the Series 2010 A Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2010 A Bonds of the Issuer, in an aggregate principal amount of not more than $50,000,000. Said Series 2010 A Bonds shall be designated "Taxable-Combined Utility System Revenue Bonds, Series 2010 A (Direct Payment Build America Bonds)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2010 A Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2010 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2010 A Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $50,000,000); shall bear interest at such rate or rates, not exceeding the then legally permissible rate (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 35 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

B. For the purposes of paying a portion of the costs of acquisition and construction of improvements and betterments to the waterworks portion of the System, funding the Series 2010 F Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2010 F Bonds of the Issuer, in an aggregate principal amount of not more than $9,000,000. Said Series 2010 F Bonds shall be designated "Combined Utility System Revenue Bonds, Series 2010 F (Bank Qualified)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2010 F Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2010 F Bonds shall be numbered from FR-1 consecutively upward. The Series 2010 F Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $9,000,000); shall bear interest at such rate or rates, not exceeding the then legally permissible rate (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 35 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such

other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2010 A Bonds and Series 2010 F Bonds.

A. The Series 2010 A Bonds and Series 2010 F Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2010 Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2010 A Bonds and Series 2010 F Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2010 A Bonds and Series 2010 F Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2010 A Bonds and Series 2010 F Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2010 Bond or any other evidence of ownership of the Series 2010 A Bonds and Series 2010 F Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2010 A Bonds and Series 2010 F Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2010 A Bonds and Series 2010 F Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2010 A Bonds and Series 2010 F Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2010 A Bonds and Series 2010 F Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2010 A Bonds and Series 2010 F Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2010 A Bonds and Series 2010 F Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2010 A Bonds and Series 2010 F Bonds so redeemed, but DTC may retain such Series 2010 A Bonds and Series 2010 F Bonds and make an appropriate notation on the Series 2010 A Bonds and Series 2010 F Bonds certificate as to the amount of such partial redemption; provided that DTC

shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2010 A Bonds and Series 2010 F Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2010 A Bonds and Series 2010 F Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2010 A Bonds and Series 2010 F Bonds, selecting the Series 2010 A Bonds and Series 2010 F Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2010 A Bonds and Series 2010 F Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2010 A Bonds and Series 2010 F Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2010 A Bonds and Series 2010 F Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2010 A Bonds and Series 2010 F Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2010 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2010 A Bonds and Series 2010 F Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2010 A Bonds and Series 2010 F Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2010 A Bonds and Series 2010 F Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2010 A Bonds and Series 2010 F Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2010 A Bonds and Series 2010 F Bonds.

Section 3.12. Delivery of Series 2010 A Bonds and Series 2010 F Bonds.

A. The Issuer shall execute and deliver the Series 2010 A Bonds and Series 2010 F Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2010 Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2010 A Bonds and Series 2010 F Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2010 A Bonds and Series 2010 F Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2010 A Bonds and Series 2010 F Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2010 A Bonds and Series 2010 F Bonds. The definitive Series 2010 A Bonds shall be in substantially the form set forth in EXHIBIT A - Series 2010 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2010 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2010 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof. (F) Notwithstanding the foregoing, all monies deposited in the Series 2010 A Bonds Sinking Fund and the Series 2010 F Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and City Manager to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage, Build America Bonds and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action

with respect to the gross or other proceeds of the Series 2010 A Bonds and Series 2010 F Bonds which would cause the Series 2010 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2010 A Bonds) so that the Series 2010 A Bonds will be Build America Bonds, and (iii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2010 F Bonds) so that the interest on the Series 2010 F Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2010 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall assure preparation of the rebate

calculations and the performance of all matters in connection with such rebates. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the Series 2010 A Bonds as Build America Bonds and to maintain the exclusion of interest on the Series 2010 F Bonds from gross income for federal income tax purposes.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 A Bonds and Series 2010 F Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2010 A Bonds and Series 2010 F Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 A Bonds and Series 2010 F Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 A Bonds and Series 2010 F Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Series 2010 A Bonds Sinking Fund and the Series 2010 F Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2010 A Bonds and Series 2010 F Bonds or monies in a construction fund, if any, all as herein provided. No Holder or Holders of any Series 2010 A Bonds and Series 2010 F Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2010 A Bonds and Series 2010 F Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2010 A Bonds and Series 2010 F Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the

System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds and the Prior Bonds and, in the instance of the Series 2010 A Bonds, all monies and securities in the Series 2010 A Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, in the instance of the Series 2010 F Bonds, all monies and securities in the Series 2010 B Sinking Fund, including the Series 2010 F Bonds Reserve Account therein to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2010 Bonds herein authorized, to make the payments into the Series 2010 A Bonds Sinking Fund, all monies and securities in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, and to make the payments into the Series 2010 F Bonds Sinking Fund, all monies and securities in the Series 2010 F Bonds Sinking Fund, including the Series 2010 F Bonds Reserve Account therein.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 Bonds, including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage. In any event, subject to the requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate ordinance.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing

enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2010 A Bonds and Series 2010 F Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2010 A Bonds Sinking Fund and the Series 2010 F Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer and the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2010 A Bonds and Series 2010 F Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2010 A Bonds and Series 2010 F Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2010 A Bonds and Series 2010 F Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and Series 2010 F Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the

System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2010 Bonds then Outstanding;

(2) The Prior Bonds Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Accountant, which shall be filed in the office of the Clerk prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Accountant, as stated in a certificate on account of (i) increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds and (ii) any BAB Interest Subsidy Payments (or similar form of federal subsidized bond designation) projected to be received with respect to such proposed Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Series 2010 Bonds and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply

fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the Net Revenues remaining after all payments required to be made pursuant to Section 4.03(1), (2) and (3) have first been paid. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2010 A Bonds and Series 2010 F Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in the Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2010 A Bonds and Series 2010 F Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and

properties similar to the System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Board, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer or the Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same

shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the Issuer's waterworks system, to all delinquent users of services and facilities of the System and will not restore such services of the System (or waterworks system) until all billing for charges for the services and facilities of the System, plus penalty charges for the restoration of service, has been fully paid or an appropriate payment plan has been established.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2010 A Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer or the Board shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer or the Board shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Accountant, or a summary thereof, to any Holder or Holders of Series 2010 A Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and the Bond Insurer, if any, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated

to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds and Series 2010 F Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2010 A Bonds and Series 2010 F Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds and the Prior Bonds.

Section 6.17. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer intends to obtain Municipal Bond Insurance Policies for the Series 2010 A Bonds and Series 2010 F Bonds. In the event such Municipal Bond Insurance Policies are obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2010 A Bonds and Series 2010 F Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2010 A Bonds and Series 2010 F Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds and Series 2010 F Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2010 A Bonds and Series 2010 F Bonds during the term thereof is, under the terms of the Series 2010 A Bonds and Series 2010 F Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2010 A Bonds and Series 2010 F Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds and Series 2010 F Bonds during the term thereof is, under the terms of the Series 2010 A Bonds and Series 2010 F Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds and Series 2010 F Bonds used for a Private Business Use shall

be used for a Private Business Use related to the governmental use of the Project, or if the Series 2010 A Bonds and Series 2010 F Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or $5,000,000 of the Net Proceeds of the Series 2010 A Bonds and Series 2010 F Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Non-purpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds and Series 2010 F Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and Series 2010 F Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer shall take any and all actions that may be required of it so that the Series 2010 A Bonds shall be Build America Bonds, and shall not take any actions, or fail to take any actions, the result of which would adversely affect such status as Build America Bonds. The Issuer shall take any and all actions that may be required of it so that the interest on the Series 2010 F Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions, the result of which would adversely affect such exclusion.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 A Bonds and Series 2010 F Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2010 A Bonds and Series 2010 F Bonds contained, and

such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2010 A Bonds and Series 2010 F Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2010 Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2010 A Bonds and Series 2010 F Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2010 A Bonds and Series 2010 F Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall

remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2010 A Bonds and Series 2010 F Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2010 A Bonds and Series 2010 F Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2010 A Bonds and Series 2010 F Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or

matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2010 A Bonds and Series 2010 F Bonds, the first exchange of Series 2010 A Bonds and Series 2010 F Bonds and the exchange of Series 2010 A Bonds and Series 2010 F Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2010 A Bonds and Series 2010 F Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2010 A Bonds and Series 2010 F Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2010 A Bonds and Series 2010 F Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2010 A Bonds and Series 2010 F Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2010 A Bonds and Series 2010 F Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2010 A Bonds and Series 2010 F Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2010 Bond shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2010 A Bonds and Series 2010 F Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and

other obligations of the Issuer on behalf of the Holders of the Series 2010 A Bonds and Series 2010 F Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2010 A Bonds and Series 2010 F Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2010 A Bonds and Series 2010 F Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2010 A Bonds and Series 2010 F Bonds, this Ordinance and any Supplemental Resolution may, without

the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2010 A Bonds and Series 2010 F Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2010 A Bonds and Series 2010 F Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2010 A Bonds and Series 2010 F Bonds held by a person executing any instrument as a Bondholder, the date of his

holding such Series 2010 A Bonds and Series 2010 F Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2010 A Bonds and Series 2010 F Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2010 A Bonds and Series 2010 F Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2010 A Bonds and Series 2010 F Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the

Section 10.07. No Personal Liability. No member of the Council, the Board or officer or employee of the Issuer shall be individually or personally liable for the payment of the principal of or the interest on any Bond, but nothing herein contained shall relieve any such member, official or employee from the performance of any official duty provided by law or this Ordinance.

Section 10.08. Law Applicable. The laws of the State shall govern the construction of this Ordinance and of all Series 2010 A Bonds and Series 2010 F Bonds issued hereunder.

Section 10.09. Parties Interested Herein. Nothing in this Ordinance expressed or implied is intended or shall be construed to confer upon, or give to, any person or corporation, other than the Issuer, the Registrar, the Paying Agent, the Holders of the Series 2010 A Bonds and Series 2010 F Bonds, the applicable Bond Insurer, if any, and the Original Purchaser, any right, remedy or claim under or by reason of this Ordinance. Section 10.10. Designation of Series 2010 F Bonds as Qualified Tax-Exempt Obligations. The Issuer hereby designates the Series 2010 F Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and that not more than $30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Series 2010 F Bonds, have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2010, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer.

Section 10.12. Table of Contents and Headlines. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 10.13. Conflicting Provisions Repealed. All ordinances, orders, resolutions or parts thereof in conflict with the provisions of this Ordinance, are, to the extent of such conflict, hereby repealed.

Section 10.14. Procedure on Enactment of Ordinance; Public Hearing. The Issuer has entered into certain further covenants with the registered owners of the Series 2010 F Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2010 F Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2010 F Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2010 F Bonds.

Extraordinary Optional Redemption of the Series 2010 A Bonds

The Series 2010 A Bonds are subject to redemption on any date prior to December 1, 2010, at the option of the City, in whole or in part upon the occurrence of an Extraordinary Event, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the Series 2010 A Bonds to be redeemed; or

(2) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series 2010 A Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series 2010 A Bonds are to be redeemed, discounted to the date on which the Series 2010 A Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate, plus 100 basis point; plus, in each case, accrued interest on the Series 2010 A Bonds to be redeemed to the redemption date.

"Code" shall mean the Internal Revenue Code of 1986, as amended and supplemented from time to time, and Regulations thereunder and including the American Recovery and Reinvestment Act of 2009 and such guidance with respect thereto as may be issued by the Internal Revenue Service or Department of the Treasury from time to time.

"Treasury Rate" means, with respect to any redemption date for a particular Series 2010 A Bond, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity excluding inflation indexed securities (as compiled and published in the most recent Federal Reserve Statistical Release H. 15 (519) that has become publicly available at least two Business Days prior to the redemption date or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Series 2010 A Bond to be redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

An "Extraordinary Event" will have occurred if a change has occurred to Section 54AA or 6431 of the Code (as such Sections were added by Section 1531 of the Recovery Act, pertaining to "Build America Bonds") pursuant

to which the City's 35% cash subsidy payment from the United States Treasury with respect to Series 2010 A Bonds is reduced or eliminated.

In the event of any redemption of less than all outstanding Series 2010 A Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2010 A Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2010 A Bonds are to be redeemed, the Series 2010 A Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2010 A Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2010 A Bond or Series 2010 A Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Paying Agent. Such notice shall also be given by the Paying Agent to the Registrar. Notice of redemption having been given as aforesaid, the Series 2010 A Bonds or portions of Series 2010 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2010 A Bonds or portions of Series 2010 A Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2010 A Bond.

The Series 2010 A Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds and the Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds and Series 2010 F Bonds, all monies in the Series 2010 A Bonds Sinking Fund, and the Series 2010 A Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2010 A Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2010 A Bond does not constitute an indebtedness of the

Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and said unexpended Series 2010 A Bond proceeds. Pursuant to the Ordinance, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2010 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 A Bonds, including the Prior Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds and Series 2010 F Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2010 A Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2010 A Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2010 A Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2010 A Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2010 A Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2010 A Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2010 A Bonds of which this Series 2010 A Bond is one.

This Series 2010 A Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2010 A Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2010 A Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, as defined on the reverse hereof, and the statutes under which this Series 2010 A Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2010 A Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, THE CITY OF MORGANTOWN (West Virginia) has caused this Bond to be signed by its Mayor and City Manager, and its corporate seal to be imprinted hereon and attested by its City Clerk, and has caused this Series 2010 A Bond to be dated as of the Series 2010 A Bond Date specified above.

The Underwriter agrees to make a bona fide public offering of the Bonds at the initial offering prices as set forth in the Official Statement (as hereinafter defined) and in Exhibit A-1, which prices may be changed from time to time by the Underwriter.

2. Concurrently with the acceptance of this Purchase Agreement by the City, the City shall deliver or cause to be delivered to the Underwriter three copies of the Official Statement relating to the Bonds, substantially in the form of the Preliminary Official Statement, dated January 18, 2010 (the "Preliminary Official Statement") and prior to delivery of the Series 2010 Bonds, seven copies of the Official Statement (the "Official

Statement") dated the date of this Purchase Agreement, signed on behalf of the City by its Mayor and City Manager as requested below.

3. The Official Statement has been approved for distribution by the Ordinance. The City authorizes the use of copies of the Official Statement and the Ordinance in connection with the public offering and sale of the Bonds.

On January 18, 2010, the City delivered to the Underwriter the Preliminary Official Statement and the Underwriter received a certificate from the City which deemed the Preliminary Official Statement "final' within the meaning of clause (b)(1) of Rule 15c2-12 ("Rule 15c2-12") under the Securities and Exchange Act of 1934 (17 C.F.R. The City covenants and agrees that if, after the date of this Purchase Agreement and until after the End of the Underwriting Period (as determined above), any event shall occur of which the City has actual knowledge as a result of which it is necessary to amend or supplement the Official Statement to make the Official Statement not misleading in any material respect in light of the circumstances then existing, or if it is necessary to amend or supplement the Official Statement to comply with law, to notify the Underwriter (and for the purposes hereof to provide the Underwriter with such information as they may from time to time reasonably request), and to cooperate in the preparation of a reasonable number of copies of either amendments or supplements to the Official Statement (in form and substance satisfactory to the Underwriter and its counsel) at the expense of the City so that the Official Statement as so amended and supplemented will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading in any material respect.

For the purposes of this paragraph and for only so long as required by this paragraph, the City will furnish such information with respect to itself as the Underwriter from time to time reasonably requests. The Underwriter hereby agrees that it will deposit or

cause to be deposited with the Municipal Securities Rulemaking Board a copy of the Official Statement at or prior to the time contemplated by Rule 15c2-12.

The Underwriter acknowledges and agrees that any liability of the City that may arise from its representations and agreements made in this paragraph 3 shall be limited to the proceeds of the Bonds (provided that the foregoing shall not be deemed to prevent the Underwriter or the City from seeking to enforce such agreements).

4. Such delivery shall be made at DTC, with the payment and other requisite actions to be taken at the place designated by the parties to this Purchase Agreement. The Bonds shall be made available to the Underwriter at DTC at least forty-eight (48) hours before the Closing for the purpose of inspection and packaging; provided that if DTC Fast delivery is used, then the Bonds shall be made available to the Registrar by 4:00 p.m. on January 26, 2010. If the City does not have a Blanket DTC Letter of Representation (the "DTC Letter of Representations"), the City agrees to provide one to DTC.

5. The City represents and warrants to the Underwriter and agrees that:

(a) The City is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State. ASSURED GUARANTY MUNICIPAL CORP. (FORMERLY KNOWN AS FINANCIAL SECURITY ASSURANCE INC.) ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. (FORMERLY KNOWN AS FINANCIAL SECURITY ASSURANCE INC.) has caused this Policy to be executed on its behalf by its Authorized Officer.

If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. ASSURED GUARANTY MUNICIPAL CORP. (FORMERLY KNOWN AS FINANCIAL SECURITY ASSURANCE INC.) ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Insurance Agreement.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

"Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $725,000. INSURANCE AGREEMENT

INSURANCE AGREEMENT, dated January 28, 2010 (the "Agreement"), by and between The City of Morgantown, West Virginia (the "Issuer") and Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.) (the "Insurer").

In consideration of the issuance by the Insurer of its Municipal Bond Debt Service Reserve Insurance Policy No. 211600-R1 and No. 211600-R2 (collectively, the "Reserve Policy") with respect to the Issuer's Combined Utility System Revenue Bonds, Series 2010 A (Direct Payment Build America Bonds) and Series 2010 F (Bank Qualified) (collectively, the "Bonds") issued under the Bond Ordinance adopted September 1, 2009, as supplemented (the "Authorizing Document") and the Issuer's payment to the Insurer of the insurance premium for the Reserve Policy, the Insurer and the Issuer hereby covenant and agree as follows:

1. Upon any payment by the Insurer under the Reserve Policy, the Insurer shall furnish to the Issuer written instructions as to the manner in which payment of amounts owed to the Insurer as a result of such payment under the Reserve Policy shall be made.

2. The Issuer shall pay the Insurer the principal amount of any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate, the Prime Rate shall be the prime or base lending rate of such national bank as the Insurer shall designate. If the interest provisions of this Section 2 shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

3. Repayment of draws and payment of expenses and the interest accrued thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12th of the aggregate of Policy Costs related to such draw. Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due.

4. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

5. All cash and investments in the Reserve Fund shall be transferred to the debt service fund for payment of debt service on the Bonds before any drawing may be made on the Reserve Policy or on any alternative credit instrument. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all alternative credit instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to coverage then available under each such alternative credit instrument) after applying available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to alternative credit instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund.

6. If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of the Authorizing Document and this Agreement, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Authorizing Document, other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

7. The Authorizing Document shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

8. In order to secure the Issuer's payment obligations with respect to the Policy Costs, there is hereby granted and perfected in favor of the Insurer a security interest (subordinate only to that of the owners of the Bonds) in all revenues and collateral pledged as security for the Bonds.

9. Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test and the rate covenant in the Authorizing Document.

10. The Trustee shall ascertain the necessity for a claim upon the Reserve Policy and provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the Issuer with the Trustee to the debt service fund for the Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two business days of the date due.

11. The Issuer will pay or reimburse the Insurer, to the extent permitted by law, and solely from amounts pledged or available to pay the Bonds, any and all charges, fees, costs, losses, liabilities and expenses which the Insurer may pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, in connection with (i) any accounts established to facilitate payments under the Reserve Policy, (ii) the administration, enforcement, defense or preservation of any rights in respect of this Agreement or any document executed in connection with the Bonds (the "Related Documents"), including defending, monitoring or participating in any litigation or proceeding (including any bankruptcy proceeding in respect of the Issuer) relating to this Agreement or any other Related Document, any party to this Agreement or any other Related Document or the transaction contemplated by the Related Documents, (iii) the foreclosure against, sale or other disposition of any collateral securing any obligations under this Agreement or any other Related Document, if any, or the pursuit of any remedies under any other Related Document, to the extent such costs and expenses are not recovered from such foreclosure, sale or other disposition, (iv) any amendment, waiver or other action with respect to, or related to this Agreement, the Reserve Policy or any other Related Document whether or not executed or completed, or (v) any action taken by the Insurer to cure a default or termination or similar event (or to mitigate the effect thereof) under any Related Document; costs and expenses shall include a reasonable allocation of compensation and overhead attributable to time of employees of the Insurer spent in connection with the actions described in clauses (ii)-(v) above. The Insurer reserves the right to charge a reasonable fee as a condition to

executing any amendment, waiver or consent proposed in respect of this Agreement or any other Related Document. Amounts payable by the Issuer hereunder shall bear interest at the Late Payment Rate from the date such amount is paid or incurred by the Insurer until the date the Insurer is paid in full.

12. The obligation of the Issuer to pay all amounts due under this Agreement shall be an absolute and unconditional obligation of the Issuer and will be paid or performed strictly in accordance with this Agreement, irrespective of (i) any lack of validity or enforceability of or any amendment or other modifications of, or waiver with respect to the Bonds or any Related Document, or (ii) any amendment or other modification of, or waiver with respect to the Reserve Policy; (iii) any exchange, release or non-perfection of any security interest in property securing the Bonds, this Agreement or any Related Documents; (iv) whether or not such Bonds are contingent or matured, disputed or undisputed, liquidated or unliquidated; (v) any amendment, modification or waiver of or any consent to departure from this Agreement, the Reserve Policy or all or any of the Related Documents; (vi) the existence of any claim, setoff, defense (other than the defense of payment in full), reduction, abatement or other right which the Issuer may have at any time against the Trustee or any other person or entity other than the Insurer, whether in connection with this Agreement, the transactions contemplated herein or in the Related Documents or any unrelated transactions; (vii) any statement or any other document presented under or in connection with the Reserve Policy proving in any and all respects invalid, inaccurate, insufficient, fraudulent or forged or any statement therein being untrue or inaccurate in any respect; or (viii) any payment by the Insurer under the Reserve Policy against presentation of a certificate or other document which does not strictly comply with the terms of the Reserve Policy.

13. Notices to the Insurer shall be sent to the following address (or such other address as the Insurer may designate in writing): Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), 31 West 52nd Street, New York, New York 10019 Attention: Risk Management Department – Public Finance– Surveillance, Re: Policy No. 211600-R1 and Policy No. 211600-R2.

14. If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such agreements, provisions or terms shall be deemed severable from the remaining agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement.

15. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Authorizing Document.

16. This Agreement may be executed in counterparts, each of which alone and all of which together shall be deemed one original Agreement.

THE REMAINER OF THIS PAGE INTENTIONALLY LEFT BLANK

17. This Agreement and the rights and obligations of the parties of the Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $725,000. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. (FORMERLY KNOWN AS FINANCIAL SECURITY ASSURANCE INC.) has caused this Policy to be executed on its behalf by its Authorized Officer.
