ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage, and stormwater system. It is

deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the project area, that there be acquired and constructed certain extensions, additions, betterments and improvements to the wastewater portion of the existing public combined waterworks, sewerage, and stormwater system of the Issuer, consisting of additions and improvements to the City's existing sanitary sewer facilities, including new force mains, transmission lines and pumps, storage tanks, odor control facilities, SCADA system and other electrical improvements, miscellaneous building improvements, other additions and improvements and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks, sewerage, and stormwater system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), which the Authority administers pursuant to the Act, and from a contribution from the West Virginia Department of Transportation, and an EPA 319 Grant (collectively the "Grants").

D. It is deemed necessary for the Issuer to issue its Combined Utility System Revenue Bonds, Series 2009 A (West Virginia SRF Program), in one or more series in the aggregate principal amount of not more than \$22,000,000 (the "Series 2009 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest upon the Series 2009 A Bonds for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 2009 A Bonds Reserve Account (as hereinafter defined) or amounts which may be used to purchase a surety bond to fund the Series 2009 A Bonds Reserve Account; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined); discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2009 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer or the Board for any amounts expended by them for allowable costs prior to the issuance of the Series 2009 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 30 years.

F. It is in the best interests of the Issuer that its Series 2009 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2009 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's (1) Combined Utility System Revenue Bonds, Series 1992 (West Virginia SRF Program), dated September 8, 1992, issued in the original aggregate principal amount of \$11,900,000 (the "Series 1992 Bonds"), (2) Combined Utility System Revenue Bonds, Series 1995 (West Virginia SRF Program), dated April 27, 1995, issued in the original aggregate principal amount of \$1,601,477 (the "Series 1995 Bonds"), (3) Combined Utility System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated February 29, 2000, issued in the original aggregate principal amount of \$7,842,000 (the "Series 2000 A Bonds"), (4) Combined Utility System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated February 29, 2000, issued in the original aggregate principal amount of \$2,488,000 (the "Series 2000 B Bonds"), (5) Combined Utility System Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), dated February 8, 2001, issued in the original aggregate principal amount of \$3,812,470 (the "Series 2001 A Bonds"), (6) Combined Utility System Revenue Bonds, Series 2006 A (West Virginia SRF Program), dated June 30, 2006, issued in the original aggregate principal amount of \$6,410,191 (the "Series 2006 A Bonds"); and (7) Combined Utility System Revenue Bonds, Series 2007 A (West Virginia SRF Program), dated August 14, 2007, issued in the original aggregate principal amount of \$8,500,000 (the "Series 2007 A Bonds"), (collectively, the "Prior Bonds").

The registered Series 2009 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

All Series 2009 A Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2009 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2009 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2009 A Bonds or, in the case of any proposed redemption of Series 2009 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

In case any Series 2009 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be

about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the System as herein provided. Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2009 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2009 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 A Bonds to the original purchasers upon receipt of the documents set forth below:

The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Prior Ordinances and this Bond Legislation. All moneys at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the respective Sinking Funds for the Prior Bonds, the amounts required by the respective Prior Ordinances to pay interest on the Prior Bonds; and (ii) commencing 4 months prior to the first date of payment of interest on the Series 2009 A Bonds for which interest has not been capitalized or as required in the Loan Agreement, for deposit in the Series 2009 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will become due on the Series 2009 A Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2009 A Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the respective Sinking Funds for the Prior Bonds, the amounts required by the respective Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 4 months prior to the first date of payment of principal of the Series 2009 A Bonds, for deposit in the Series 2009 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2009 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2009 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the respective Reserve Accounts for the Prior Bonds, the amounts required by the respective Prior Ordinances to be deposited therein; and (ii) commencing 4 months prior to the first date of payment of principal of the Series 2009 A Bonds, if not fully funded upon issuance of the Series 2009 A Bonds or otherwise provided for pursuant to a surety bond, for deposit in the Series 2009 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Operation and Maintenance Fund, an amount sufficient to pay the current Operating Expenses of the System.

(5) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month transfer to the Depreciation Fund, an amount equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Reserve Accounts (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Fund.

(6) After making all of the foregoing deposits and payments, any excess moneys then remaining in the Revenue Fund ("Surplus Revenues") may be used for any lawful purpose of the System.

All investment earnings on moneys in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2009 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2009 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2009 A Bonds Reserve Account which results in a reduction in the balance therein to below the Series 2009 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2009 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund or the Series 2009 A Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2009 A

Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2009 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

The Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 A Bonds under the conditions and restrictions set forth herein.

The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, principal and reserve payments with respect to the Series 2009 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission, the SRF Administrative Fee as set forth in the Schedule Y attached to the Loan Agreement.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees, as received, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

Section 5.04. Reserve Account Letter of Credit or Surety Bond. With the advance written consent of the Authority, the Issuer may, in lieu of funding the Series 2009 A Bonds Reserve Account with cash or Qualified Investments, satisfy the Series 2009 A Bonds Reserve Requirement by obtaining a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Authority in an amount equal to the Series 2009 A Bonds Reserve Requirement. The Issuer hereby authorizes the purchase of a reserve account letter of credit, a surety bond, or other credit facility satisfactory to the Authority, all as set forth in a Supplemental Resolution, and the execution and delivery of any applicable reimbursement agreement or note in such forms as shall be described in a Supplemental Resolution.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2009 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2009 A Bonds, there shall first be deposited with the Commission in the Series 2009 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest.

B. Next, from the proceeds of the Series 2009 A Bonds, the Issuer may purchase a surety bond to fund the Series 2009 A Bonds Reserve Account as set forth in the Supplemental Resolution, or there shall be deposited with the Commission in the Series 2009 A

Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 2009 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2009 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2009 A Bonds Construction Trust Fund and applied solely to payment of the costs of the Project in the manner set forth in Section 6.02 hereof and until so expended, are hereby pledged as additional security for the Series 2009 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2009 A Bonds shall be expended as approved by the DEP.

Section 6.02. Disbursements From the Series 2009 A Bond Construction Trust Fund. On or before the closing date, the Board shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2009 A Bonds will be expended and the disbursement procedures of such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly.

The Issuer hereby appoints and designates the Board, and the Authorized Officers thereof, as its agent (i) for the review and approval of all invoices for the Project to be paid from the proceeds of the Series 2009 A Bonds; (ii) to take any and all actions necessary to apply for and obtain a commitment from the DEP, specifically including, but not limited to, any administrative loan documents required by DEP; and (iii) to act on and execute documents on behalf of the Issuer for any and all federal and state actions as they relate to the planning, design and/or construction of the Project.

Except as provided in Section 6.01 hereof, disbursements from the Series 2009 A Bonds Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement, in compliance with the construction schedule.

Pending such application, moneys in the Series 2009 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2009 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2009 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2009 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2009 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted July 21, 2009, the sewer rate ordinance of the Issuer enacted July 21, 2009, and the stormwater rate ordinance of the Issuer enacted April 17, 2008, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2009 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2009 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2009 A Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds, immediately be remitted to the Commission for deposit in the Series 2009 A Bonds Sinking Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the

Series 2009 A Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section 7.05 to the contrary, the Issuer hereby reserves the right to sell a tract of about 200 acres on Mayfield Road heretofore acquired for the System, which property is not being used nor is it useful for the System, such sale to be at such time and in such manner and for such price as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sale insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds;

provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the

improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2009 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2009 A Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2009 A Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if there are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the

Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Board shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Board shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2009 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2009 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2009 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2009 A Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2009 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and

recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the stormwater portion of the System and any services and facilities of the waterworks portion of the System, to all users of the services of the stormwater system delinquent in payment of charges for the services of the stormwater system and will not restore such services of either the waterworks system or the stormwater system until all delinquent charges for the services of the stormwater system, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the Issuer, the Issuer shall use diligent efforts to enter into a termination agreement with the provider of such water services, subject to any required approval of such agreements by the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer or the Board, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds.

A. The Board hereby covenants and agrees that so long as the Series 2009 A Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Board will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Board, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the Board, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Board from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Board shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Board shall verify such bonds prior to commencement of construction.

The Board shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. The Board shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the Board, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Use. The mandatory use of the stormwater facilities of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer. Accordingly, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, every owner, tenant or occupant of any real property located near the stormwater portion of the System, and where stormwater from real property affects or drains into the stormwater portion of the System, shall be deemed to be a user served by the stormwater portion of the System and it is declared that the mandatory use of the stormwater portion of the System by such real property owner is necessary and essential for the health and welfare of the inhabitants and residents of the Issuer and the State. To the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, every such owner, tenant or occupant shall, after a 30-day notice of the availability of the stormwater portion of the System, pay the rates and charges established therefor.

Section 7.17. Completion of Project; Permits and Orders. The Board shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Board has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Council and the DEP necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2009 A Bonds required by state law, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect.

The Issuer and the Board shall also comply with all applicable laws, rules and regulations issued by the Authority and the DEP or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. **PRIVATE BUSINESS USE LIMITATION.** The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2009 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2009 A Bonds during the term thereof is, under the terms of the Series 2009 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2009 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2009 A Bonds during the term thereof is, under the terms of the Series 2009 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2009 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2009 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% or \$5,000,000 of the Net Proceeds of the Series 2009 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2009 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Change Orders; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2009 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP for written approval. The Issuer shall obtain the written approval of the DEP before expending any proceeds of the Series 2009 A Bonds held in "contingency" as set forth in the schedule attached to the Certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the DEP before expending any proceeds of the Series 2009 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the Authority and the DEP in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

Section 7.22. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 A Bonds, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2009 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2009 A Bonds which would cause the Series 2009 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2009 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary,

the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2009 A Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2009 A Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on any Series 2009 A Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2009 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2009 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. **Payment of Bonds.** If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2009 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2009 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

ARTICLE XI

Prior to the issuance of the Series 2009 A Bonds, this Ordinance may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2009 A Bonds, no material modification or amendment of this Ordinance, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2009 A Bonds shall be made without the consent in writing of the Registered Owners of the Series 2009 A Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2009 A Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest on the Series 2009 A Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF MORGANTOWN:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Morgantown (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Morgantown Utility Board (the "Board"), a public combined waterworks, sewerage, and stormwater system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the project area, that there be acquired and constructed certain extensions, additions, betterments and improvements to the wastewater portion of the existing public combined waterworks, sewerage, and stormwater system of the Issuer, consisting of additions and improvements to the City's existing sanitary sewer facilities, including new force mains, transmission lines and pumps, storage tanks, odor control facilities, SCADA system and other electrical improvements, miscellaneous building improvements, other additions and improvements and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks, sewerage, and stormwater system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), which the Authority administers pursuant to the Act, and from a contribution from the West Virginia Department of Transportation, and an EPA 319 Grant (collectively the "Grants").

D. It is deemed necessary for the Issuer to issue its Combined Utility System Revenue Bonds, Series 2010 B (West Virginia SRF Program/ARRA), in the aggregate principal amount of not more than \$81,600 (the "Series 2010 B Bonds") and Combined Utility System Revenue Bonds, Series 2010 C (West Virginia SRF Program), in the aggregate principal amount of not more than \$15,380,227 (the "Series 2010 C Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest upon the Series 2010 B Bonds and Series 2010 C Bonds for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 2010 C Bonds Reserve Account (as hereinafter defined) or amounts which may be used to purchase a surety bond to fund the Series 2010 C Bonds Reserve Account; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined); discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 B Bonds and Series 2010 C Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer or the Board for any amounts expended by them for allowable costs prior to the issuance of the Series 2010 B Bonds and Series 2010 C Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 22 years.

F. It is in the best interests of the Issuer that its Series 2010 B Bonds and Series 2010 C Bonds be sold to the Authority pursuant to the terms and provisions of a ARRA Assistance Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the respective parties (the "ARRA Assistance Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. The Issuer shall not be required to make any further payments into the Series 2010 C Bonds Sinking Fund or the Series 2010 C Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2010 C Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2010 Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2010 B Bonds Sinking Fund, Series 2010 C Bonds Sinking Fund, Series 2010 B Bonds Reserve Account and the Series 2010 C Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. Moneys in the Series 2010 C Bonds Sinking Fund and the Series 2010 C Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2010 B Bonds Sinking Fund and the Series 2010 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2010 B Bonds under the conditions and restrictions set forth herein.

The Series 2010 C Bonds Sinking Fund and the Series 2010 C Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2010 C Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, principal and reserve payments with respect to the Series 2010 b Bonds and series 2010 C Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission, the SRF Administrative Fee as set forth in the Schedule Y attached to the ARRA Assistance Agreement.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the ARRA Assistance Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such

insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees, as received, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

Pending such application, moneys in the Series 2010 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 B Bonds and Series 2010 C Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2010 B Bonds and Series 2010 C Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 B Bonds and Series 2010 C Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 B Bonds and Series 2010 C Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2010 B Bonds or Series 2010 C Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 B Bonds or Series 2010 C Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2010 B Bonds and Series 2010 C Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Series 2010 A Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds and the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2010 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted July 21, 2010, the sewer rate ordinance of the Issuer enacted July 21, 2009, and the stormwater rate ordinance of the Issuer enacted April 17, 2008, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2010 B Bonds or Series 2010 C Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required

sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2010 B Bonds and Series 2010 C Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2010 B Bonds and Series 2010 C Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2010 B Bonds and Series 2010 C Bonds, immediately be remitted to the Commission for deposit in the Series 2010 B Bonds Sinking Fund and Series 2010 C Bonds Sinking Fund respectively, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2010 B Bonds and Series 2010 C Bonds. Any balance remaining after the payment of the Series 2010 B Bonds and Series 2010 C Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall

be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Notwithstanding any of the foregoing provisions of this Section 7.05 to the contrary, the Issuer hereby reserves the right to sell a tract of about 200 acres on Mayfield Road heretofore acquired for the System, which property is not being used nor is it useful for the System, such sale to be at such time and in such manner and for such price as the Issuer, with prior written approval of the Board, shall determine and without any other restrictions upon such sale insofar as this Bond Legislation is concerned. Moneys received upon any such sale under this paragraph, after deduction of all costs of such sale, shall be deposited in the Revenue Fund.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2010 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2010 B Bonds and Series 2010 C Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2010 B Bonds and Series 2010 C Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2010 B Bonds and Series 2010 C Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 B Bonds and Series 2010 C Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2010 B Bonds and Series 2010 C Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2010 B Bonds and Series 2010 C Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2010 B Bonds and Series 2010 C Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2010 B Bonds and Series 2010 C Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2010 B Bonds and Series 2010 C Bonds, and shall mail in each year to

any Holder or Holders of the Series 2010 B Bonds and Series 2010 C Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountant (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2010 B Bonds and Series 2010 C Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2010 B Bonds and Series 2010 C Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if there are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the ARRA Assistance Agreement or as promulgated from time to time.

The Board shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Board shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2010 B Bonds and Series 2010 C Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to

inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 B Bonds and Series 2010 C Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 B Bonds and Series 2010 C Bonds, including the Series 2010 A Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds and the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2010 B Bonds Reserve Account, Series 2010 C Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2010 B Bonds and Series 2010 C Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2010 B Bonds and Series 2010 C Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 B Bonds and Series 2010 C Bonds, including the Series 2010 A Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds and the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the

ARRA Assistance Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board shall obtain a certificate of the Consulting Engineers in the form attached to the ARRA Assistance Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

D. **INFORMATION RETURN.** If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 C Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2010 C Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it

(including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any

fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2010 C Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2010 C Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2010 C Bonds which would cause the Series 2010 C Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2010 C Bonds) so that the interest on the Series 2010 C Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2010 C Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 C Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports

and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2010 C Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2010 C Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2010 C Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

(1) If default occurs in the due and punctual payment of the principal of or interest on any Series 2010 B Bonds and Series 2010 C Bonds; or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2010 B Bonds and Series 2010 C Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2010 B Bonds and Series 2010 C Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2010 B Bonds and Series 2010 C Bonds shall be on a parity with those of the Holders of the Series 2010 A Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds and the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2010 B Bonds and Series 2010 C Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 2010 B Bonds and Series 2010 C Bonds from gross income for federal income tax purposes.

ARTICLE XI

Prior to the issuance of the Series 2010 B Bonds and Series 2010 C Bonds, this Ordinance may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2010 B Bonds and Series 2010 C Bonds, no material modification or amendment of this Ordinance, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2010 B Bonds and Series 2010 C Bonds shall be made without the consent in writing of the Registered Owners of the Series Series 2010 B Bonds and Series 2010 C Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2010 B Bonds and Series 2010 C Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest on the Series 2010 B Bonds and Series 2010 C Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Ordinance should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance, the Supplemental Resolution or the Series 2010 B Bonds and Series 2010 C Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed; Prior Ordinances. All ordinances, orders or resolutions and or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed; provided that, in the event of any

This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. [To Be Dated as of Date of Loan Closing]

West Virginia Water Development Authority
180 Association Drive
Charleston, WV 25311

West Virginia Department of Environmental Protection
601 57th Street
Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a
_____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a ARRA assistance agreement dated _____, _____, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental

resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the ARRA Assistance Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the ARRA Assistance Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The ARRA Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing , with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

(West Virginia SRF Program/ARRA)

The City of Morgantown
Morgantown, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Department of Environmental Protection
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel to The City of Morgantown (the "Issuer"), a municipal corporation and political subdivision of the State of West Virginia in connection with its \$81,600 Combined Utility System Revenue Bonds, Series 2010 B (West Virginia SRF Program/ARRA), dated the date hereof (the "Bonds").

We have examined the law and a certified copy of proceedings and other papers relating to the authorization of (i) a ARRA Assistance Agreement dated January 28, 2010, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are issued in the principal amount of \$81,600, in the form of one bond, bearing no interest, registered as to principal only to the Authority, with principal forgivable in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2012 to and including September 1, 2032, as set forth in "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Series 2010 B Bonds are not subject to the SRF administrative fee (as defined in the hereinafter described Bond Legislation).

The Bonds are issued for the purposes of: (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the wastewater portion of the existing public combined waterworks, sewerage, and stormwater system of the Issuer; and (ii) to pay certain costs of issuance of the Bonds and related costs.

We have also examined the applicable provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and the Bond Ordinance duly enacted by the Issuer on September 1, 2009, as supplemented by the Supplemental Resolution and Conformed Ordinance duly adopted by the Issuer on January 5, 2010 (collectively, the

"Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been undertaken. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not defined herein shall have the same meanings set forth in the Bond Legislation.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof.
2. The ARRA Assistance Agreement inures to the benefit of the Authority and DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
3. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
4. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.
5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with the Issuer's: (1) Combined Utility System Revenue Bonds, Series 1992 (West Virginia DWTRF Program), dated September 8, 1992, issued in the original aggregate principal amount of \$11,900,000 (the "Series 1992 Bonds"); (2) Combined Utility System Revenue Bonds, Series 1995 (West Virginia DWTRF Program), dated April 27, 1995, issued in the original aggregate principal amount of \$1,601,477 (the "Series 1995 Bonds"); (3) Combined Utility System Revenue Bonds, Series 2000 A (West Virginia DWTRF Program), dated February 29, 2000, issued in the original aggregate principal amount of \$7,842,000 (the "Series 2000 A Bonds"); (4) Combined Utility System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated February 29, 2000, issued in the original aggregate principal amount of \$2,488,000 (the "Series 2000 B Bonds"); (5) Combined Utility System Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), dated February 8, 2001, issued in the original aggregate principal amount of \$3,812,470 (the "Series 2001 A Bonds"); (6) Combined Utility System Revenue Bonds, Series 2006 A (West Virginia DWTRF Program), dated June 30, 2006, issued in the original aggregate principal amount of \$6,410,191 (the "Series 2006 A Bonds"); (7) Combined Utility System Revenue Bonds, Series 2007 A (West Virginia DWTRF Program), dated August 14, 2007, issued in the original aggregate principal amount of \$8,500,000 (the "Series 2007 A Bonds"); (collectively, the "Prior Bonds") (8) Combined Utility System Revenue Bonds, Series 2010 A Direct Payment Build America Bonds), dated January 28, 2009, issued simultaneously herewith in the

original aggregate principal amount of \$37,950,000 (the "Series 2010 A Bonds"); (9) Combined Utility System Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$15,380,227, (the "Series 2010 C Bonds"); (10) Combined Utility System Revenue Bonds, Series 2010 D (West Virginia DWTRF Program), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$9,317,286, (the "Series 2010 D Bonds (11) Combined Utility System Revenue Bonds, Series 2010 E (West Virginia DWTRF Program/ARRA), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$100,000, (the "Series 2010 E Bonds"); and (12) Combined Utility System Revenue Bonds, Series 2010 F (Bank Qualified), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$7,250,000, (the "Series 2010 F Bonds");

6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

7. The Bonds have not been issued on the basis that the interest thereon, if any, is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon enforceability of the Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel to The City of Morgantown (the "Issuer"), a municipal corporation and political subdivision of the State of West Virginia in connection with its \$15,380,227 Combined Utility System Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and a certified copy of proceedings and other papers relating to the authorization of (i) a ARRA Assistance Agreement dated January 28, 2010, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are issued in the principal amount of \$15,380,227, in the form of one bond, bearing interest at the rate of 2% per annum, registered as to principal and interest to the Authority, with principal of and interest on the Bonds payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning December 1, 2012, to and including September 1, 2032, all as set forth in "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. We have also examined the applicable provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and the Bond Ordinance duly enacted by the Issuer on September 1, 2009, as supplemented by the Supplemental

1. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof.
2. The ARRA Assistance Agreement inures to the benefit of the Authority and DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

4. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.
5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with the Issuer's: (1) Combined Utility System Revenue Bonds, Series 1992 (West Virginia DWTRF Program), dated September 8, 1992, issued in the original aggregate principal amount of \$11,900,000 (the "Series 1992 Bonds"); (2) Combined Utility System Revenue Bonds, Series 1995 (West Virginia DWTRF Program), dated April 27, 1995, issued in the original aggregate principal amount of \$1,601,477 (the "Series 1995 Bonds"); (3) Combined Utility System Revenue Bonds, Series 2000 A (West Virginia DWTRF Program), dated February 29, 2000, issued in the original aggregate principal amount of \$7,842,000 (the "Series 2000 A Bonds"); (4) Combined Utility System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated February 29, 2000, issued in the original aggregate principal amount of \$2,488,000 (the "Series 2000 B Bonds"); (5) Combined Utility System Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), dated February 8, 2001, issued in the original aggregate principal amount of \$3,812,470 (the "Series 2001 A Bonds"); (6) Combined Utility System Revenue Bonds, Series 2006 A (West Virginia DWTRF Program), dated June 30, 2006, issued in the original aggregate principal amount of \$6,410,191 (the "Series 2006 A Bonds"); (7) Combined Utility System Revenue Bonds, Series 2007 A (West Virginia DWTRF Program), dated August 14, 2007, issued in the original aggregate principal amount of \$8,500,000 (the "Series 2007 A Bonds"); (collectively, the "Prior Bonds") (8) Combined Utility System Revenue Bonds, Series 2010

A (Direct Payment Build America Bonds), dated January 28, 2009, issued simultaneously herewith in the original aggregate principal amount of \$37,950,000 (the "Series 2010 A Bonds"); (9) Combined Utility System Revenue Bonds, Series 2010 B (West Virginia SRF Program/ARRA), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$81,600, (the "Series 2010 C Bonds"); (10) Combined Utility System Revenue Bonds, Series 2010 D (West Virginia DWTRF Program), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$9,317,286, (the "Series 2010 D Bonds (11) Combined Utility System Revenue Bonds, Series 2010 E (West Virginia DWTRF Program/ARRA), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$100,000, (the "Series 2010 E Bonds"); and (12) Combined Utility System Revenue Bonds, Series 2010 F (Bank Qualified), dated January 28, 2010, issued simultaneously herewith in the original aggregate principal amount of \$7,250,000, (the "Series 2010 F Bonds");

6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

7. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon enforceability of the Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered CR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We are counsel to The City of Morgantown in Monongalia County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a ARRA Assistance Agreement for the Series 2010 D Bonds and Series 2010 E Bonds, dated January 28, 2010, including all schedules and exhibits attached thereto, by and among the Issuer and the West Virginia Water Development Authority (the "Authority") and the West Virginia Bureau for Public Health (the "BPH"), (the "ARRA Assistance Agreement"), a Bond Ordinance duly enacted by the Issuer on September 1, as supplemented by a Supplemental Resolution and Conformed ordinance duly adopted by the Issuer on January 5, 2010 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Clerk and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The ARRA Assistance Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding agreements of the Issuer enforceable in accordance with its terms.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds, the ARRA Assistance Agreement and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the DEP and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of a water ordinance adopted July 21, 2009, sewer rate ordinance adopted July 21, 2009 and a stormwater rate ordinance dated April 17, 2008. Such ordinances remain in full force and effect.

6. The Issuer has received the Recommended Decision entered on December 7, 2009, which became Final Order on December 27, 2009, in Case No. 09-1220-WS-CN of the Public Service Commission of West Virginia, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of such Final Order has expired prior to the date hereof without any appeal. Such Order is not subject to any appeal, further hearing, reopening or rehearing by any customer, protestant, intervener or other person not a party to such Order. Such order remains in full force and effect.

7. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

8. We have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that complies with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. Prior to the execution of construction contracts by the Issuer, we will verify that all successful bidders have made the required provisions for all insurance and payment and performance bonds and we will verify such insurance policies and bonds for accuracy. Prior to the execution of construction contracts by the Issuer, we will review the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, and verify that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3)

have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the ARRA Assistance Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

STEPTOE & JOHNSON PLLC

- (a) underwriters' spread (whether realized directly or derived through purchase of the Bonds at a discount below the price at which a substantial number of Bonds are sold to the public);

Except as specifically otherwise provided below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a bona fide arm's length transaction. The Fair Market Value of an Investment that is purchased directly from the United States Treasury is its purchase price.

(b) Safe Harbor for Establishing Fair Market Value for Guaranteed Investment Contracts and Investments Purchased for a Yield Restricted Defeasance Escrow. The purchase price of a guaranteed investment contract is treated as its Fair Market Value on the purchase date if -

(i) The institution makes a bona fide solicitation for a specified guaranteed investment contract and reserves at least three (3) bona fide bids from providers that have no material financial interest in the issue (e.g. as underwriters or brokers);

(ii) The institution purchases the highest yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

(iii) The yield on the guaranteed investment contract (determined net of broker's fees) is not less than the yield then available from the provider on reasonably comparable guaranteed investment contracts, if any, offered to persons from a source of funds other than gross proceeds of tax exempt bonds;

(iv) The determination of the terms of the guaranteed investment contract takes into account as a significant factor the Issuer's reasonably expected draw down schedule for the amounts to be invested, exclusive of amounts deposited in debt service funds and reasonably required reserve or replacement funds;

(vi) The obligor on the governmental investment contract certifies the administrative costs that it is paying (or expects to pay) to third parties in connection with the guaranteed investment contract.

yield that is published or posted by the provider to be currently available on reasonably comparable certificates of deposit offered to the public.

“Final Computation Date” means the date on which the last Bond is Discharged.

“Future Value” means the amount determined by using the following formula:

$$FV = PV(1+i)^n$$

where:

FV = The future value of the nonpurpose receipt or payment at the end of the interval. Each interval ends on the last day of a compounding interval. The compounding interval is the same compounding interval used in computing the Bond Yield.

PV = The future value of the nonpurpose receipt or payment at the beginning of the interval, or the amount thereof if the computation is for the first interval. The first interval begins on the date the nonpurpose receipt or payment is actually or constructively received or paid (or otherwise is taken into account). The amount of every nonpurpose receipt and payment with respect to an issue that is taken into account at the beginning of the first interval may be rounded to the nearest whole dollar. The preceding sentence shall not apply to receipts and payments with respect to investments in a restricted escrow within the meaning of Section 1.148-8(g) of the Regulations.

i = The Bond Yield during the interval (expressed as a decimal) divided by the number of compounding intervals in a year.

n = A fraction, the numerator of which is the length of the interval and the denominator of which is the length of a whole compounding interval.

For the Series 2010 F Bonds, the Issue Price is the initial offering price to the public at which price a substantial amount of the Bonds is sold. For this purpose, ten percent (10%) is a substantial amount, and the term "the public" does not include bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers. The Issue Price generally is the first price at which the Bonds are sold to the public, and the issue price will not change if part of the issue is subsequently sold at a different price. The Issue Price of bonds that are not substantially identical is determined separately. The Issue Price of a bond issue for which a bona fide public offering is made is determined as of the sale date based on reasonable expectations regarding the initial public offering price. The Issue Price of the Bonds may not exceed their fair market value as of the sale date.

"Net Sale Proceeds" means Sale Proceeds less the amount of those Sale Proceeds invested in a reasonably required reserve or replacement fund under Section 148(d) of the Code and as part of a minor portion under Section 148(e) of the Code.

$$PV = \frac{FV(1+i)^n}{(1+i)^n}$$

where *i* equals the discount rate divided by the number of compounding intervals in a year and *n* equals the sum of (i) the number of whole compounding intervals for the period ending on the date as of which the Future Value is determined and (ii) a fraction the numerator of which is the length of any short compounding interval during such period and the denominator of which is the length of a whole compounding interval.

"Present Value of an Investment" shall mean the value of an investment computed under the economic accrual method; using the same compounding interval and financial conventions used to compute the yield on the Bonds. On any valuation date, the Present Value of an Investment is equal to the Present Value of all unconditionally payable receipts to be received from the payments to be paid for the investment after that date, using the Yield on the Investment as the discount rate.

"Proceeds" means any Sale Proceeds and Investment Proceeds of an issue of bonds. Proceeds do not include amounts that are actually or constructively received that with respect to an Investment that is acquired for the governmental purpose of an issue that are properly allocable to the immaterially higher yield under Section 1.148-2(d) of the Regulations or Section 143(g) of the Code or to qualified administrative cost recoverable under Section 1.148-5(e).

“Rebate Amount” means, in respect of the Series 2010 Bonds, the amount determined pursuant to the Code and Regulations in accordance with section E(1) hereof. Generally, under the Regulations, the rebate amount, as of any date, equals the excess of the Future Value of all Receipts with respect to Nonpurpose Investments allocated to the Gross Proceeds of the Series 2010 Bonds over the Future Value of all the Payments with respect to such Nonpurpose Investments computed in accordance with the Regulations.

“Rebate Analyst” means the entity or person chosen by the Issuer in accordance with section E(3) hereof to determine the Rebate Amounts.

“Replacement Proceeds” means amounts that are treated as replacement proceeds of an issue of bonds under Section 1.148-1(c) of the Regulations. Generally, amounts are Replacement Proceeds of an issue if the amounts have a sufficiently direct nexus to the governmental purpose of the issue to conclude that the amounts would have been used for that governmental purpose if the proceeds of the issue were not used or to be used for that governmental purpose. Replacement Proceeds include, but are not limited to, sinking funds or pledged funds to the extent that those funds are held by or derived from a substantial beneficiary of the issue (which, for this purpose includes the issuer and any related party to the issuer).

“Sale Proceeds” means amounts actually or constructively received from the sale of an issue of bonds (including amounts used to pay underwriter’s discount and compensation and accrued interest other than pre-issuance accrued interest). Sale Proceeds also include, but are not limited to, amounts derived from the sale of a right that is associated with a Series 2010 Bond and that is described in Section 1.148-4(b)(4) of the Regulations.

For purposes of this determination Nonpurpose Investments include cash, Tax-Exempt Bonds (i.e., any tax-exempt bond that is not investment property under Section 148(b)(3) of the Code), qualified mortgage loans, and qualified student loans.

“Valuation Date” means the date on which the value of the Universal Cap and the Nonpurpose Investments allocable to the Series 2010 Bonds thereunder must be determined under Section 1.148-6 of

the Regulations. In general, beginning with the first Bond Year beginning after second year anniversary of the Issue Date, the first day of each Bond Year constitutes a Valuation Date.

“Value of a Bond” means the value of a bond determined under Section 1.148-4(e) of the Regulations. Under those Regulations, value generally means:

(a) In the case of a plain par bond (within the meaning of Section 1.148-1(b) of the Regulations), its outstanding stated principal amount, plus accrued unpaid interest or in the case of a plain par bond actually redeemed, or that is treated as redeemed, its stated redemption price on the redemption date plus accrued unpaid interest; and

(b) In the case of a bond other than a plain par bond, the value on a date of such a bond is generally its Present Value on that date, using the yield on the issue of which the bonds are a part as the discount factor. In determining the Present Value of a variable rate bond, the initial interest rate on the bond established by the index or other rate setting mechanism is used to determine the interest payments on that bond.

“Value of an Investment” means the value of an investment determined under Section 1.148-5(d) of the Regulations. Under those Regulations, value as of any date generally means, for any fixed rate investment (within the meaning of Section 1.148-1(b) of the Regulations) or Yield Restricted Investment, Present Value on that date, and for any plain par investment (within the meaning of Section 1.148-1(b) of the Regulations), the outstanding stated principal amount, plus accrued unpaid interest, as of that date.

“Yield Restricted Investments” means any Investments which either (1) bear a yield that is no greater than the Bond Yield, or (2) are investments in one or more Tax-Exempt Bonds.

C. THE SERIES 2010 C BONDS

1. Pursuant to Article V of the Bond Legislation, the following special funds or accounts have been created or continued:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Renewal and Replacement Fund (established by the Prior Resolutions);
- (3) Rebate Fund (established by the Prior Resolutions);
- (4) Series 2010 Bonds Construction Trust Fund;
- (5) Series 2010 C Bonds Sinking Fund; and
- (6) Series 2010 C Bonds Reserve Account.

2. Pursuant to Article VI of the Bond Legislation, the proceeds of the Series 2010 C Bonds will be deposited as follows:

(1) Proceeds of the Series 2010 C Bonds in the amount of \$0 will be deposited with the Commission in the Series 2010 C Bonds Sinking Fund as capitalized interest.

(2) Proceeds of the Series 2010 C Bonds in the amount of \$934,937 will be deposited with the Commission in the Series 2010 C Bonds Reserve Account.

(3) As the Issuer receives advances of the remaining monies derived from the sale of the Series 2010 C Bonds, such monies shall be deposited with the Depository Bank in the Series 2010 Bonds Construction Trust Fund and applied solely to payment of the costs of the Project and, until so expended, are hereby pledged as additional security for the Series 2010 C Bonds.

3. Monies held in the Series 2010 C Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2010 C Bonds, and will not be available to meet costs of acquisition and construction of the Project. Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on monies in the Series 2010 C Bonds Sinking Fund and the Series 2010 C Bonds Reserve Account will be withdrawn therefrom, not less than once each year, and, during construction of the Project, deposited into the Series 2010 Bonds Construction Trust Fund, and following completion of construction of the Project, will be deposited in the Revenue Fund, and such amounts will be applied as set forth in the Bond Legislation.

4. Except for the Series 2010 C Bonds Sinking Fund, and the Series 2010 C Bonds Reserve Account there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay debt service on the Series 2010 C Bonds, or which are pledged as collateral for the Series 2010 C Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Series 2010 C Bonds, if the Issuer encounters financial difficulties. The Issuer does not expect that monies in the Renewal and Replacement Fund will be used or needed for payments upon the Series 2010 C Bonds, and because such amounts may be expended for other purposes, there is no reasonable assurance that such amounts would be available to meet debt service if the Issuer encounters financial difficulties; thus, such amounts may be invested without yield limitation. Except as provided herein, no funds which have been or will be used to acquire directly or indirectly securities, obligations, annuity contracts, investment-type property or any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved desegregation plan or other investment property producing a yield in excess of the yield on the Series 2010 C Bonds, have been or will be pledged to payment of the Series 2010 C Bonds. Less than 10% of the proceeds of the Series 2010 C Bonds, if any, will be deposited in the Series 2010 C Bonds Reserve Account and or any other reserve or replacement fund. The amounts deposited in the Series 2010 C Bonds Reserve Account from time to time by the Issuer will not exceed the maximum annual principal and interest on the Series 2010 C Bonds, and will not exceed 125% of average annual principal and interest on the Series 2010 B Bonds. The amounts deposited in the Series 2010 C Bonds Reserve Account from time to time by the Issuer will not exceed the maximum annual principal and interest on the Series 2010 C Bonds, and will not exceed 125% of

average annual principal and interest on the Series 2010 C Bonds. Amounts in the Series 2010 B Bonds Reserve Account, not to exceed 10% of the proceeds of the Series 2010 B Bonds, if invested, will be invested without yield limitation. The establishment of the Series 2010 C Bonds Reserve Account is required by the Authority, is vital to its purchase of the Series 2010 C Bonds, and is reasonably required to assure payments of debt service on the Series 2010 C Bonds.

5. With the exception of the amount deposited in the Series 2010 C Bonds Sinking Fund for payment of interest on the Series 2010 C Bonds, if any, and amounts deposited in the Series 2010 C Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 30 months from the date of issuance thereof.

6. The Series 2010 C Bonds Sinking Fund (other than the Series 2010 C Bonds Reserve Account therein) is intended primarily to achieve a proper matching of payments of debt service on the Series 2010 C Bonds each year. The Series 2010 C Bonds Sinking Fund (other than the Series 2010 C Bonds Reserve Account therein) will be depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1/12th of annual debt service on the Series 2010 C Bonds, or 1 year's interest earnings on the Series 2010 C Bonds Sinking Fund (other than the Series 2010 C Bonds Reserve Account therein). Except as otherwise allowed, any money deposited in the Series 2010 C Bonds Sinking Fund for payment of the principal of or interest on the Series 2010 C Bonds (other than the Series 2010 C Bonds Reserve Account therein), will be spent within a 13-month period beginning on the date of receipt and will be invested without yield limitation, and any monies received from the investment of amounts held in the Series 2010 C Bonds Sinking Fund (other than in the Series 2010 C Bonds Reserve Account therein) will be spent within a 1-year period beginning on the date of receipt.

D. THE SERIES 2010 F BONDS

1. The principal amounts, interest rates, interest and principal payment dates, and debt service with respect to the Series 2010 F Bonds are detailed in the Series 2010 F Bonds.

2. [Reserved]

3. A Sinking Fund for the Series 2010 F Bonds is created under the Bond Legislation. Monies deposited in the Series 2010 F Sinking Fund, including subsequent deposits thereto, will be spent within a 13-month period beginning on the date of deposit and will be depleted at least once a year, except for a reasonable carryover amount not in excess of 1/12 of the annual debt service with respect to the Series 2010 F Bonds. The Series 2010 F Bonds all bear interest at a fixed interest rate and the average maturity of the Series 2010 F Bonds is in excess of 5 years. The Series 2010 F Sinking Fund is designed to achieve a proper matching of the Issuer's revenues and debt service on the Series 2010 F Bonds within each Bond Year. All monies held in the Series 2010 F Sinking Fund will be used to pay debt service on the Series 2010 F Bonds. The Series 2010 F Sinking Fund qualifies as a Bona Fide Debt Service Fund and all monies in the Series 2010 F Sinking Fund will be invested without restriction as to yield and are not subject to rebate.

4. A Reserve Account is created under the Bond Legislation for the Series 2010 F Bonds in an aggregate amount equal to the lesser of (i) 10% of the original principal amount of the Series 2010 F Bonds, (ii) Maximum Annual Debt Service at the time of original issuance of the Series 2010 F Bonds, or (iii) 125% of average annual Debt Service at the time of original issuance of the Series 2010 F Bonds (the "Reserve Account Requirement"). The monies in the Reserve Account will be invested

without restriction as to yield. All earnings on amounts deposited in the Reserve Accounts will, to the extent the yield thereon exceeds the yield on the Series 2010 F Bonds, be subject to rebate.

5. A Renewal and Replacement Fund is created, or continued, under the Bond Legislation, to be funded through monthly deposits of Revenues in an amount equal to 2 1/2% of the Gross Revenues of the System. Absent an Event of Default on the Series 2010 F Bonds, and depletion in full of the Reserve Account, the Renewal and Replacement Fund is not expected to be used for the purpose of paying Debt Service on the Series 2010 F Bonds. Such monies will be invested without restriction as to yield and are not subject to rebate.

6. A Redemption Account for the Series 2010 F Bonds is created under the Bond Legislation. In the event monies are deposited into the Redemption Account, to the extent they are not part of a Bona Fide Debt Service Fund, they will, to the extent the yield thereon exceeds the yield on the Series 2010 F Bonds, be subject to rebate. Otherwise, they will be invested without restriction as to yield and are not subject to rebate.

7. A Costs of Issuance Fund is created under the Bond Legislation to be funded from proceeds of the Series 2010 F Bonds in the amount of \$23,964.06, to pay costs of issuance of the Series 2010 F Bonds. An additional \$135,530.64 will be deposited in the Costs of Issuance Fund to pay the premium of Bond Insurer and the premium for surety bond to fully fund the Series 2010 F Bonds Reserve Account at the Reserve Requirement. All such amounts shall be fully expended within 6 months from the date hereof. Pending such disbursement, such monies will be invested without restriction as to yield and are not subject to rebate.

8. A Construction Fund is created under the Bond Legislation to be funded only from remaining proceeds of the Series 2010 F Bonds to pay costs of the Project. All such amounts shall be fully expended within 3 years from the date hereof. Pending such disbursement, such monies will be invested without restriction as to yield and are not subject to rebate. Work with respect to the acquisition and construction of the Project will commence shortly and will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 3 years. All proceeds of the Series 2010 F Bonds designated for the Project will be expended within 3 years from the date of issuance thereof. The Project will be operated solely for a public purpose as a local governmental activity of the Issuer. The Issuer expects no part of the Project financed by proceeds of the Series 2010 F Bonds will be sold or otherwise disposed of prior to the last maturity date of the Series 2010 F Bonds. None of the proceeds of the Series 2010 F Bonds will be used to reimburse the Issuer for costs of the Project previously incurred and paid by the Issuer with its own funds.

Except for the proceeds of the Series 2010 F Bonds designated for the Project, no other funds of the Issuer will be available to meet costs of the Project, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Series 2010 F Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Series 2010 F Bonds does not exceed 120% of the average expected economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Series 2010 F Bonds or to the governmental purpose of the Series 2010 F Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Series 2010 F Bonds were not used or to be used for that governmental purpose.

9. Other than the funds and accounts described above, there are no other funds or accounts of the Issuer which (i) are reasonably expected to be used to pay Debt Service on the Series

2010 F Bonds or which are pledged as collateral to secure repayment of Debt Service on the Series 2010 F Bonds and (ii) for which there is a reasonable assurance that amounts therein will be available to pay Debt Service on the Series 2010 F Bonds.

10. Accrued interest, if any, with respect to the Series 2010 F Bonds in an amount less than 6 month's interest on the Series 2010 F Bonds may be applied within one year from the date hereof toward the payment of interest first due on the Series 2010 F Bonds, as detailed in the Schedules. Pending such disbursement, such monies, if any, will be invested without restriction as to yield.

E. REBATE OF EXCESS ARBITRAGE

1. Rebate Fund; Calculation of Rebate Amount.

(a) Section 148(f) of the Code requires the payment to the United States of the excess of the amount earned on the investment of Gross Proceeds in Nonpurpose Investments over the amount that would have been earned on such investments had the amount so invested been invested at a rate equal to the Bond Yield, together with any income attributable to such excess. Except as provided below, and as previously set forth as excepted in Sections C and D hereof, all other funds or accounts treated as containing Gross Proceeds are subject to this requirement.

(b) Pursuant to the Bond Legislation, the Issuer has created the Rebate Fund to be held by the Depository Bank. On or before 45 days following each Computation Date, an amount shall be deposited into the Rebate Fund by the Issuer so that the balance held in the Rebate Fund shall equal the aggregate Rebate Amount due as of the Rebate Payment Date following such Computation Date. Monies so deposited shall be derived from the Issuer's own funds.

(c) To meet the rebate requirements of Section 148(f) of the Code, the Issuer (or the Rebate Analyst described in section E(3) hereof) agrees and covenants to take the following actions:

(i) For each investment of (i) amounts held in the Reserve Accounts, and (ii) any other monies held by the Issuer which constitute Gross Proceeds, the Issuer shall record the purchase date of such investment, its purchase price, accrued interest due on its purchase date, its face amount, its coupon rate, the frequency of its interest payment, its disposition price, accrued interest due on its disposition date and its disposition date.

(ii) For each Installment Computation Date with respect to Rebate Amounts specified in paragraph (iii) below, the Issuer shall compute the Yield on the Series 2010 Bonds as required by the Code and Regulations. If any of the Series 2010 Bonds are redeemed prior to their scheduled maturity, the Issuer agrees to seek the advice of Bond Counsel or other rebate expert to recompute the Yield on the Series 2010 Bonds as required by the Regulations.

(iii) For each Computation Date, the Issuer shall determine the amount of earnings received on all Nonpurpose Investments described in paragraph (i) above this section E(1)(c) that are allocable to Gross Proceeds of the Series 2010 Bonds. In addition, where

Nonpurpose Investments are retained by the Bond Commission after retirement of the Series 2010 Bonds, any unrealized gains or losses as of the date of retirement of the Series 2010 Bonds must be taken into account in calculating the earnings on such Nonpurpose Investments to the extent required by the Regulations.

(iv) In determining the Nonpurpose Investments that are allocable to Gross Proceeds of the Series 2010 Bonds, the Issuer shall consider the allocation rules set forth in the Regulations, including the rules relating to the Universal Cap. In general, the Universal Cap represents the maximum value of Nonpurpose Investments that may be allocated to an issue of bonds and is determined by reference to the Value of all the outstanding bonds of the issue.

(v) For each Computation Date, the Issuer shall calculate for each Nonpurpose Investment described in paragraph (iii) above, an amount equal to the earnings which would have been received on such Nonpurpose Investment at an interest rate equal to the Yield on the Series 2010 Bonds as described in paragraph (ii) above. The method of calculation shall follow that set forth in the Regulations.

(vi) In determining the amount of any rebate computed pursuant to this section, all earnings on any Bona Fide Debt Service Fund to the extent such earnings do not exceed \$100,000 in any Bond year shall not be taken into account.

(vii) For each Computation Date, the Issuer shall calculate the Rebate Amount (computed from the Issue Date of the Series 2010 Bonds to each such Computation Date) by any appropriate method provided in the Code and Regulations that is applicable to the Series 2010 Bonds, taking into account any computation credit allowed thereunder. In determining the Rebate Amount, the Issuer shall account for the amounts determined under paragraphs (iii), (iv), and (v) above.

(viii) If the Rebate Amount exceeds the amount on deposit in the Rebate Account, the Issuer shall immediately pay that amount, or cause that amount to be paid, into the Rebate Account.

2. Payment to United States. (a) Installment Computation Dates. Unless the Series 2010 Bonds are redeemed prior to such time, the Issuer shall pay to the United States, not later than sixty (60) days after each Installment Computation Date, an amount which, when added to all previous rebate payments made with respect to the Series 2010 Bonds, is equal to not less than ninety percent (90%) of the Rebate Amount (computed from the date of issuance of the Series 2010 Bonds to each such Installment Computation Date).

(b) Final Computation Date. The Issuer shall pay to the United States, not later than sixty (60) days after the last outstanding Series 2010 Bonds are paid or redeemed, one hundred percent (100%) of the Rebate Amount for the Final Computation Date (computed from the date of issuance of the Series 2010 Bonds to the Final Computation Date).

(c) Mailing of Rebate Payment. Each Payment of an installment shall be mailed to the Internal Revenue Service Center, Internal Revenue Service Center, Ogden, Utah 84201-0027. Each payment shall be accompanied by (i) a copy of IRS Form 8038-T, and (ii) the CUSIP number for the Series 2010 Bond with the latest maturity.

(d) Excess Balance in Rebate Fund; Excess Rebate Payments. If on the Rebate Payment Date the balance on deposit in the Rebate Fund is in excess of the Rebate Amount attributable to the Series 2010 Bonds, such excess may be withdrawn by the Issuer from the Rebate Fund. The Issuer may direct that any overpayment of rebate may be recovered from any rebate payment previously made to the United States under any procedure that may be permitted by the Code or the Regulations.

(e) Recordkeeping. In connection with the rebate requirement, the Issuer shall maintain (or cause to be maintained) the following records:

(i) The Issuer shall record all amounts paid to the United States pursuant to section E(2) hereof.

(ii) The Issuer shall retain records of the rebate calculations until six years after the Final Computation Date.

(iii) The Issuer shall keep and record the data described in section E(1)(c) hereof pertaining to the investment of the proceeds of the Series 2010 Bonds until six years after the Final Computation Date.

3. Rebate Analyst. (a) A Rebate Analyst shall be appointed to perform the rebate calculations, as required herein.

(b) The Issuer may rely conclusively upon the opinions, calculations, determinations, directions and advice of the Rebate Analyst. The charges and fees for such Rebate Analyst shall be paid by the Issuer upon presentation of an invoice for services rendered in connection therewith.

4. Failure to Pay Rebate Amounts. In the event the Issuer fails to pay at the proper time and in the proper amounts, any Rebate Amount, it will pay the rebate amount plus interest within 180 days after discovery of such failure as set forth in Section 1.148-3(h)(3) of the Regulations. Notwithstanding the foregoing, in the event the Issuer fails to pay at the proper time and in the proper amount any Rebate Payment or correction amount, it hereby covenants and agrees to pay any penalty required by Internal Revenue Service in lieu of a declaration of taxability on the Series 2010 Bonds.

F. MISCELLANEOUS

1. The Series 2010 C Bonds and the Series 2010 F Bonds are considered a single issue pursuant to Section 1.150-1(c) of the Regulation.

2. The amount designated as "Cost of Issuance" of the Series 2010 Bonds consists only of costs which are directly related to and necessary for the issuance of the Series 2010 Bonds.

3. The Issuer shall, on the date hereof or immediately hereafter, enter into a

contract for the construction of the Project, and the amount to be expended pursuant to such contract exceeds 5% of the net sale proceeds of the Bonds.

4. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 24 months.

5. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service Center, Ogden, Utah. The Form 8038-G attached hereto as EXHIBIT B - FORM 8038-G is, to the best of my knowledge, true and correct, and may be relied upon by Bond Counsel.

6. None of the proceeds of the Series 2010 Bonds will be used (directly or indirectly) in any trade or business carried on by, or will be used to make or finance loans to, any person who is not a governmental unit.

7. The original proceeds of the Series 2010 Bonds will not exceed the amount necessary for the purpose of the issue, except to the extent any such proceeds are required for rebate to the United States.

8. A. The Issuer shall use the proceeds of the Series 2010 C Bonds solely to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the wastewater portion of the existing public combined waterworks, sewerage and stormwater system of the Issuer; to fully fund the Series 2010 C Bonds Reserve Account; and to pay costs of issuance and related costs.

B. The Issuer shall use the proceeds of the Series 2010 F Bonds solely to pay the premium for the surety bond to fund a Reserve Account for the Series 2010 F Bonds; to pay the costs of acquisition and construction of the Project; to capitalize the interest on the Series 2010 F Bonds to December 1, 2011; and to pay costs of issuance and related costs.

9. The Issuer shall not permit at any time or times any of the proceeds of the Series 2010 Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Series 2010 Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Series 2010 Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and the Treasury Regulations promulgated or to be promulgated thereunder.

10. The Series 2010 Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

11. The Issuer has not entered and will not enter into any transaction to reduce the Yield on an investment of the Gross Proceeds of the Series 2010 Bonds so as to cause the amount to be rebated to the United States Treasury to be less than it would have been had the transaction been at arm's length and the Yield on the Series 2010 Bonds not been relevant to either party to the transaction, and that all investments of Gross Proceeds will be made on an arm's length, Fair Market Value basis.

12. On each Valuation Date, the Issuer agrees to value the Universal Cap and the Nonpurpose Investments allocable to the Series 2010 Bonds thereunder in accordance with the Regulations. Notwithstanding anything herein to the contrary, the failure to perform the determination of

Nonpurpose Investments allocable to the Series 2010 Bonds as of a Valuation Date shall not be considered a violation of this provision if the application of the Universal Cap would not result in a reduction or reallocation of Gross Proceeds of an issue.

13. No portion of the proceeds of the Series 2010 Bonds will be used directly or indirectly to replace funds of the Issuer or other related governmental agency that have been used directly or indirectly to acquire securities or obligations which may reasonably be expected, on the date hereof, to produce a yield materially higher than the Yield on the Series 2010 Bonds.

14. In connection with the Series 2010 Bonds, there has not been created or established, and the Issuer does not expect that there will be created or established, any sinking fund, pledged fund or similar fund (other than as specifically identified in this Tax and Arbitrage Certificate), including without limitation any arrangement under which money, securities, or obligations are pledged directly or indirectly to secure the Series 2010 Bonds or any contract securing the Series 2010 Bonds or any arrangement providing for compensating or minimum balances to be maintained by the Issuer or related governmental agencies with any registered owner of the Series 2010 Bonds.

15. The Series 2010 Bonds are not and will not be part of a transaction or series of transactions that (i) attempt to circumvent the provisions of Section 148 of the Code, or any successor thereto, and the Regulations promulgated thereunder which enable the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage or (ii) increase the burden on the market for tax-exempt obligations in any manner, including, without limitation, by selling obligations that would not otherwise be sold or selling a larger amount of obligations, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

16. No other obligations are being issued by the Issuer or any related entity at substantially the same time and sold pursuant to a common plan of financing and which will be paid out of substantially the same source of funds (or which will have substantially the same claim to be paid out of substantially the same source of funds) as the Series 2010 Bonds or which will be paid directly or indirectly from proceeds of the sale of the Series 2010 Bonds.

17. The issuance of the Series 2010 Bonds will not involve the use of a "device" or an "abusive transaction" within the meaning of Section 149(d)(4) of the Code and the Regulations thereunder.

18. The Issuer covenants to comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2010 Bonds in order that the interest thereon be and continue to be excludable from gross income for federal income tax purposes.

19. The Issuer will rebate to the United States the amount, if any, required by the Code and to take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take all other actions required of it in order to maintain the exclusion of interest on the Series 2010 Bonds from gross income for federal income tax purposes.

20. The Issuer has retained the right to amend the Bond Legislation authorizing the issuance of the Series 2010 Bonds if such amendment is necessary to assure compliance with

Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Series 2010 Bonds from the gross income of the holders thereof.

21. The Issuer shall comply with all yield restrictions on Series 2010 Bond proceeds as set forth in the Code.

22. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Series 2010 Bonds and the interest thereon. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Bond Legislation.

23. The Series 2010 Bonds are a fixed yield issue. No interest or other amount payable on any of the Series 2010 Bonds (other than in the event of an unanticipated contingency) is determined by reference to (or by reference to an index that reflects) market interest rates or stock or commodity prices after the date of issue.

24. Under Section 1.148-2(b) of the Regulations, an officer of the Issuer must certify the issuer's expectations as of the issue date. In accordance therewith, the undersigned Mayor of the Issuer hereby in good faith certifies that the representations and covenants set forth in this Certificate constitute the reasonable expectations of the Issuer as of the Issue Date. Accordingly, the representations and covenants set forth herein are intended and may be relied upon as the certification described in Section 1.148-2(b) of the Regulations and are being delivered as part of the record of proceedings in connection with the issuance of the Series 2010 Bonds.

25. Pursuant to Section 265(b)(3)(D)(ii) of the Code, the Series 2010 F Bonds shall be treated as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code and shall be deemed so designated as the Series 2010 F Bonds and the issue of which they are a part satisfy the requirements set forth in Section 265(b)(3)(D)(ii) of the Code.

26. To the best of my knowledge, information and belief there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

27. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Series 2010 Bonds.

28. Notwithstanding any other provision hereof, any provision of this Tax and Arbitrage Certificate shall be amended at any time and such amendment shall be complied with, upon receipt by the Issuer of an opinion of Bond Counsel that such amendment is necessary or permissible under the then current Code and Regulations and is either necessary to or will not adversely affect the excludability of interest on the Series 2010 Bonds from gross income of the recipients thereof for federal income tax purposes.

29. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature on this 28th day of January, 2010.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the sewer rate ordinance enacted by The City of Morgantown (the "Issuer") on July 21, 2009, the water rate ordinance enacted July 21, 2009 and the stormwater rate ordinance enacted on April 17, 2008, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks, sewerage and stormwater system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's:

(1) Combined Utility System Revenue Bonds, Series 2010 A (Direct Payment Build America Bonds), in the original aggregate principal amount of \$37,950,000; (2) Combined Utility System Revenue Bonds, Series 2010 B (West Virginia SRF Program) in the original aggregate principal amount of \$81,600; (3) Combined Utility System Revenue Bonds, Series 2010 C (West Virginia SRF Program/ARRA), in the original aggregate principal amount of \$15,203,668; (4) Combined Utility System Revenue Bonds, Series 2010 D (West Virginia DWTRF Program), in the original aggregate principal amount of \$9,317,286; (5) Combined Utility System Revenue Bonds, Series 2010 E (West Virginia DWTRF Program/ARRA), in the original aggregate principal amount of \$100,000; and (6) Combined Utility System Revenue Bonds, Series 2010 F (Bank Qualified) in the original aggregate principal amount of \$7,250,000, (collectively the "Series 2010 Bonds"), and all other obligations secured by a lien on or payable from such revenues, including the Issuer's: (1) Combined Utility System Revenue Bonds, Series 1992 (West Virginia SRF Program), dated September 8, 1992, issued in the original aggregate principal amount of \$11,900,000 (the "Series 1992 Bonds"); (2) Combined Utility System Revenue Bonds, Series 1995 (West Virginia SRF Program), dated April 27, 1995, issued in the original aggregate principal amount of \$1,601,477 (the "Series 1995 Bonds"); (3) Combined Utility System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated February 29, 2000, issued in the original aggregate principal amount of \$7,842,000 (the "Series 2000 A Bonds"); (4) Combined Utility System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated February 29, 2000, issued in the original aggregate principal amount of \$2,488,000 (the "Series 2000 B Bonds"); (5) Combined Utility System Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), dated February 8, 2001, issued in the original aggregate principal amount of \$3,812,470 (the "Series 2001 A Bonds"); (6) Combined Utility System Revenue Bonds, Series 2006 A (West Virginia SRF Program), dated June 30, 2006, issued in the original aggregate principal amount of \$6,410,191 (the "Series 2006 A Bonds"); and (7) Combined Utility System Revenue Bonds, Series 2007 A (West Virginia SRF Program), dated August 14, 2007, issued in the original aggregate principal amount of \$8,500,000 (the "Series 2007 A Bonds").

It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, if any, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,
