A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Board, a public combined potable waterworks, sanitary sewerage, and stormwater utility system, the design, acquisition, construction and equipping of additions, betterments and improvements for which have been financed or refinanced through the issuance of the Prior Bonds and the Series 2012 C Bonds. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the Stormwater System and Sewer System of the Combined Utility System, specifically the Project.

C. The Issuer has determined that present value debt service savings will result from the current refunding of the Series 2012 C Bonds, and that it is in the best interest of the residents of The City of Morgantown and the customers of the Combined Utility System to currently refund the Series 2012 C Bonds.

D. It is deemed necessary for the Issuer to issue its Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified), in the aggregate principal amount of not more than $3,000,000, in order to permanently finance all or a portion of the costs of design, acquisition, construction and equipping of the Project and to pay in full the outstanding principal amount of, and all interest accrued on, the Issuer's Series 2012 C Bonds. Said costs shall be deemed to include, but not be limited to, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2017 A Bonds prior to and during acquisition, construction and/or equipping and for a period not exceeding 6 months after completion of acquisition, construction and equipping of the Project; amounts which may be deposited in the Series 2017 A Bonds Reserve Account; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expenses; commitment fees; the premium for a Municipal Bond Insurance Policy; the premium for a Municipal Bond Debt Service Reserve Insurance Policy; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2017 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the design, acquisition, construction and equipping of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2017 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project.

E. The period of usefulness of the Combined Utility System is not less than 30 years.

F. It is in the best interests of the Issuer that the Series 2017 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by Supplemental Resolution of the Issuer.

G. There are or will be outstanding obligations of the Issuer which will rank on a parity with the Series 2017 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Prior Bonds and any hereinafter issued Additional Parity Bonds, as provided in this Ordinance.

Prior to the issuance of the Series 2017 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and the Series 2016 B-1 Bonds to the issuance of the Series 2017 A Bonds on a parity with the Series 1992 Bonds, Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and Series 2016 B-1 Bonds. I. payment of the principal of and interest on the Series 2017 A Bonds, will be timely done and duly performed.

M. The enactment of this Ordinance, the execution and issuance of the Series 2017 A Bonds and the amendment, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

N. Prior to commencing, acquisition, construction and equipping of the Project, the Issuer will have complied with all requirements of West Virginia law relating to authorization and approval of the acquisition, construction and equipping of the Project and the operation of the Combined Utility System, the refunding of the Series 2012 C Bonds, and issuance of the Series 2017 A Bonds including but not limited to Chapter 24, Article 2, Paragraph 11 (l), if required.

ARTICLE III
THE SERIES 2017 A BONDS

Section 3.01 Form and Payment of Bonds. No Series 2017 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2017 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2017 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Series 2017 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2017 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2017 A Bonds has been paid, from the date thereof; provided, however, that, if, as shown by the records of the Registrar, interest on such Series 2017 A Bonds shall be in default, Bonds issued in exchange for Series 2017 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2017 A Bonds surrendered.

The principal of, and the interest and premium, if any, on, the Series 2017 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2017 A Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2017 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2017 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2017 A Bond in the principal amount of said Series 2017 A Bond then Outstanding.

Section 3.02. Execution of the Series 2017 A Bonds. The Series 2017 A Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2017 A Bonds shall cease to be such officer of the Issuer before the Series 2017 A Bonds so signed and sealed have been actually sold and delivered, such Series 2017 A Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 A Bonds had not ceased to hold such office. Any Series 2017 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2017 A Bonds shall hold the proper office in the Issuer, although at the date of such Series 2017 A Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2017 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2017 A Bond, substantially in the form set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference with respect to the Series 2017 A Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2017 A Bond shall be conclusive evidence that such Series 2017 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any

Series 2017 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2017 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2017 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds, in accepting any of said Series 2017 A Bonds, shall be conclusively deemed to have agreed that such Series 2017 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds shall further be conclusively deemed to have agreed that said Series 2017 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2017 A Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2017 A Bonds. The Series 2017 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2017 A Bond, there shall be issued at the option of the Holder of the Series 2017 A Bonds or the transferee another Series 2017 A Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Series 2017 A Bond and of the same series, interest rate and maturity of said transferred Series 2017 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2017 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2017 A Bonds, of the same maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2017 A Bond is exercised, Series 2017 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2017 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2017 A Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2017 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2017 A Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2017 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2017 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2017 A Bond of like series, maturity and principal amount as the Series 2017 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Series 2017 A Bond, or in lieu of and substitution for the Series 2017 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the

Registrar proof of his ownership thereof and that said Series 2017 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2017 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2017 A Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 A Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2017 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2017 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2017 A Bonds be at any time found by any one, and such duplicate Series 2017 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2017 A Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2017 A Bonds Redemption Account in accordance with Section 4.03 shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2017 A Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2017 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued

interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2017 A Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2017 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2017 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer and the registered owner of the Series 2017 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2017 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be posted on EMMA.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Series 2017 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2017 A Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2017 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Series 2017 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2017 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is conditioned on, and subject to, the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited,

the Registrar shall notify all holders of Series 2017 A Bonds called for redemption of such fact and no holder of any Series 2017 A Bonds shall have any claim of any type, of law or inequity, against the Issue.

Official notice of redemption having been given as aforesaid, the Series 2017 A Bonds, or portions of the Series 2017 A Bonds so to be redeemed, shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2017 A Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2017 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2017 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2017 A Bond is registered as the owner of such Series 2017 A Bond for the purpose of receiving payment of the principal of, and interest on, such Series 2017 A Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Series 2017 A Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2017 A Bonds. For the purposes of financing all or a portion of the costs of the Project, paying in full the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds (along with other funds of the Issuer available therefor), paying the premium for a Municipal Bond Insurance Policy (if any), funding the Series 2017 A Bonds Reserve Account with proceeds of the Series 2017 A Bonds or paying the premium for a Municipal Bond Debt Service Reserve Insurance Policy (if any), in an amount equal to the Series 2017 A Bonds Debt Service Reserve Requirement and paying costs in connection with the issuance of the Series 2017 A Bonds, or any or all such purposes, there shall be issued the Series 2017 A Bonds of the Issuer, in an aggregate principal amount of not more than $3,000,000. Said Series 2017 A Bonds shall be designated "Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in the Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2017 A Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2017 A Bonds shall be

numbered from AR-1 consecutively upward. The Series 2017 A Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $3,000,000); shall bear interest at such rate or rates, (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2017 A Bonds. A. The Series 2017 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2017 A Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in Paragraph E below, all of the Series 2017 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2017 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2017 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2017 A Bond or any other evidence of ownership of the Series 2017 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2017 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in Paragraph E below.

B. At or prior to settlement for the Series 2017 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2017 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2017 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of, or interest on, the Series 2017 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2017 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2017 A Bonds so redeemed, but DTC may retain such Series 2017 A Bonds and make an appropriate notation on the Series 2017 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2017 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2017 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2017 A Bonds, selecting the Series 2017 A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2017 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2017 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2017 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2017 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2017 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2017 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2017 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2017 A Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2017 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2017 A Bonds.

Section 3.12. Delivery of Series 2017 A Bonds. A. The Issuer shall execute and deliver the Series 2017 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2017 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2017 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2017 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies certified by the City Clerk of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2017 A Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2017 A Bonds. The definitive Series 2017 A Bonds shall be in substantially the form set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2017 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2017 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2017 A Bonds. Upon the issuance and delivery of the Series 2017 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2017 A Bonds from the date thereof to the date of delivery thereof, if any, shall be deposited in the Series 2017 A Bonds Sinking Fund and applied to payment of interest on the Series 2017 A Bonds at the first interest payment date.

2. If a Municipal Bond Insurance Policy has been obtained to secure the payment of the principal of, and interest on, the Series 2017 A Bonds, the premium for such Municipal Bond Insurance Policy shall be paid to the Bond Insurer.

3. An amount of the proceeds of the Series 2017 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2017 A Bonds Reserve Account; provided, that to the extent the Series 2017 A Bonds Reserve Requirement is satisfied in whole or in part from a Municipal Bond Debt Serve Reserve Insurance Policy, proceeds of the Series 2017 A Bonds shall be (i) paid to the Bond Insurer, via wire transfer, in an amount equal to the premium for the Municipal Bond Debt Service Reserve Insurance Policy and (ii) deposited in the Series 2017 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2017 A Bonds Reserve Requirement.

4. An amount of the proceeds of the Series 2017 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds as set forth in the Supplemental Resolution, less any monies available at the Bond Commission for payment of the Series 2012 C Bonds, shall be remitted to the Bond Commission to pay the Series 2012 C Bonds in full.

5. The amount of Series 2017 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2017 A Bonds shall be deposited with the Depository Bank in the Series 2017 A Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2017 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2017 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2017 A Bonds Construction Fund established in Section 4.01 hereof and applied to Costs of the Project. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2017 A Bonds from which such proceeds are derived.

6. The balance of Series 2017 A Bonds proceeds, if any, shall be deposited in the Series 2017 A Bonds Construction Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2017 A Bonds Construction Fund. Disbursements from the Series 2017 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2017 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for design, acquisition, construction and equipping of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2017 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the direction of the Board.

Section 4.03. Combined Utility System Revenues and Application Thereof. So long as any of the Series 2017 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be held by the Board and kept separate and distinct from all other funds of the Issuer, the Board and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, from the monies in the Revenue Fund, on the first day of each month, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to for payment of interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds, Series 2014 B Bonds, Series 2015 A Bonds, Series 2016 A Bonds and Series 2016 B-1 Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2017 A Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2017 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2017 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2017 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective Sinking Funds for the Prior Bonds for the payment of principal of the Prior Bonds; and (ii) for deposit in the Series 2017 A Bonds Sinking Fund (and in the Series 2017 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal

payment or mandatory Redemption Date of the Series 2017 A Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2017 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2017 A Bonds on the next ensuing principal payment or mandatory Redemption Date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2017 A Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective reserve accounts for the Prior Bonds; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2017 A Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2017 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2017 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2017 A Bonds Reserve Requirement; provided further, that if the amounts in the Series 2017 A Bonds Reserve Account, as a result of a decrease in value of the Series 2017 A Bonds Reserve Account below the Series 2017 A Bonds Reserve Account Requirement or any withdrawal from the Series 2017 A Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2017 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 A Bonds Reserve Account is less than the Series 2017 A Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 A Bonds Reserve Account for deposit into the Series 2017 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 A Bonds Reserve Account to an amount equal to the Series 2017 A Bond Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Series 2017 A Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2017 A Bond Reserve Account Requirement.

Amounts deposited in, or pledged to, the Series 2017 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2017 A Bonds when due, when amounts in the Series 2017 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2.5% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, or improvements or extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such Reserve Account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided for transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the Combined Utility System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2017 A Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2017 A Bonds, if any, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2017 A Bonds and any hereinafter issued Additional Parity Bonds all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer, through the Board, shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any

profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall, though the Board, sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer, through the Board, may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2017 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer, through the Board, shall, or shall cause the Bond Commission to, annually transfer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2017 A Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 2017 A Bonds Reserve Account an amount at least equal to the Series 2017 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2017 A Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If no longer funded with a Municipal Bond Debt Service Reserve Insurance Policy equal to the Series 2017 A Bonds Reserve Requirement and the amounts on deposit in the Series 2017 A Bonds Reserve Account shall, at any time, be less than the applicable Series 2017 A Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the respective sinking funds for the Prior Bonds and the Series 2017 A Bonds Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest, if any, shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2017 A Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Series 2017 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2017 A Bonds in such manner and to such extent as may be necessary, so that such Series 2017 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Series 2017 A Bonds) so that the interest on the Series 2017 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2017 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2017 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Combined Utility System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.04. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.04 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2017 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2017 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2017 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. The Series 2017 A Bonds not to be Indebtedness of the Issuer. The Series 2017 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the Combined Utility System, the monies in the Series 2017 A Bonds Sinking Fund and the Series 2017 A Bonds Reserve Account therein, the unexpended proceeds of the Series 2017 A Bonds or monies in the Series 2017 A Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2017 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2017 A Bonds or the interest thereon.

Section 6.03. Series 2017 A Bonds Secured by Pledge of Gross Revenues and Monies in Series 2017 A Bonds Sinking Fund. The payment of the debt service of all of the Series 2017 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the Combined Utility System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and hereinafter issued Additional Parity Bonds, and with respect to the Series 2017 A Bonds, all monies and securities in the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the Combined Utility System, in an amount sufficient to pay the principal of and interest on the Prior Bonds, the Series 2017 A Bonds herein authorized and any hereinafter issued Additional Parity Bonds, and to make the payments into the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, are pledged *pari passu* by the Issuer.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the Combined Utility System have been established all in the manner and form required by law. Copies of such rates and charges so established may be obtained from the Board by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the Combined Utility System (i) to provide for all Operating Expenses of the Combined Utility System, and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2017 A Bonds and all other obligations secured by a lien on or payable from such Gross Revenues on a parity with the Series 2017 A Bonds, including the Prior Bonds and any hereinafter issued Additional Parity Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the Combined Utility System within 180 days following a determination of an Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

The Issuer expressly reserves the right to reduce the rates for the Combined Utility System, whether approved or in effect as of the date of issuance of the Series 2017 A Bonds, in the event that, based on a certificate of an Independent Certified Public Accountant, after any such decrease in rates, the Issuer will meet the requirements of this Section 6.04 and is not in default under any other provision of any ordinance authorizing any bonds or other indebtedness secured by the Gross Revenues of the Combined Utility System.

Section 6.05. Operation and Maintenance of the Combined Utility System. The Issuer will maintain the Combined Utility System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said Combined Utility System in the manner provided in this Ordinance.

The Issuer either has, or will, obtain all permits required by state and federal laws for the acquisition, construction and equipping of the Project.

Section 6.06. Sale of the Combined Utility System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the Combined Utility System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2017 A Bonds are Outstanding, the Combined Utility System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the Combined Utility System shall be immediately remitted to the Bond Commission for deposit in the Series 2017 A Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the Combined Utility System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Combined Utility System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $1,000,000, the Board shall, in writing, determine that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be used for any lawful purpose of the Combined Utility System. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $1,000,000 but not in excess of $5,000,000, the Board shall first obtain the written approval of the Consulting Engineers that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $1,000,000 and not in excess of $5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of

such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the Combined Utility System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of (i) any applicable Bond Insurer, or (ii) if the Series 2017 A Bonds are not insured, the Holders, or their duly authorized representatives, of 60% in an amount of Series 2017 A Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer or the then Holders of the Series 2017 A Bonds for the disposition of the proceeds from the sale, lease or other disposition of such properties of the Combined Utility System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the Gross Revenues of the Combined Utility System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2017 A Bonds and the Prior Bonds; and all obligations hereafter issued by the Issuer payable from the Gross Revenues of the Combined Utility System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Gross Revenues and in all other respects to the Series 2017 A Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2017 A Bonds, upon any of the income and revenues of the Combined Utility System pledged for payment of the principal of, and interest on the Series 2017 A Bonds in this Ordinance or upon the Combined Utility System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding the limitations on the issuance of parity obligations set forth in the Prior Ordinances authorizing such bonds shall be applicable. In addition, no Additional Parity Bonds, as in this section defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 A Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction and/or equipping of additions, betterments and/or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 A Bonds and the Prior Bonds, refunding all or a portion of any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 A Bonds then Outstanding;

(2) The Prior Bonds then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the Combined Utility System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received in the opinion of the Independent Certified Public Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean evidence of indebtedness, specifically including, but not limited to, bonds and notes issued under the provisions and within the limitations of the Act and this section, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 A Bonds, and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 A Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the Combined Utility System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the Combined Utility System of which is subject to the prior and superior lien of the Series 2017 A Bonds, the Prior Bonds and any theretofore issued Additional Parity Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the Combined Utility System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues with the Series 2017 A Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Series 2017 A Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the

covenants, agreements and terms in this Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2017 A Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense of the Combined Utility System, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the Combined Utility System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the Combined Utility System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require any contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during acquisition, construction and/or equipping of any additions, betterment and/or improvements for the Combined Utility System.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by public utilities of equivalent size with respect to works and properties similar to the Combined Utility System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the ownership, management, operation and maintenance of the Combined Utility System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the Combined Utility System; provided, that the Board, with the review of an independent insurance consultant and the concurrence of the Issuer, may elect to self-insure.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE COMBINED UTILITY SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of acquisition, construction and/or equipping of any additions, extensions or improvements for the Combined Utility System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the Combined Utility System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Board having custody of the revenues or of any other funds of the Combined Utility System, as required by State law.

If required by State law, the Issuer and/or the Board shall require all contractors engaged in the acquisition, construction or equipping of any additions, betterments or improvements for the Combined Utility System to furnish a performance bond and a payment bond, each in an amount equal to

100% of the contract price for that particular contract as security for the faithful performance of such contract.

The Issuer and/or the Board shall also require all contractors engaged in the acquisition, construction and/or equipping of additions, betterments or improvements for the Combined Utility System to carry such workers' compensation coverage for all of the contractor's employees and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to such contracts.

If the Issuer or the Board determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer or the Board for the Combined Utility System, taking into consideration the costs and practices of other municipal utility systems of similar size and to the extent that such information is available. The Issuer and/or the Board may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer or the Board determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its Combined Utility System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of any or all of the facilities or services provided by the Combined Utility System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the Combined Utility System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the Combined Utility System.

Section 6.11. Enforcement of Collections. The Issuer shall, through the Board, diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the Combined Utility System.

Section 6.13. Books and Records. The Board will keep books and records of the Combined Utility System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the Combined Utility System. Any Holder of a Series 2017 A Bond shall have the right at all reasonable times to inspect the Combined Utility System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the Combined Utility System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall, at least once a year, cause the books, records and accounts of the Combined Utility System to be completely audited by an Independent Certified Public Accountant.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the Combined Utility System during the succeeding Fiscal Year.

Section 6.15. Mandatory Connections. The mandatory use of the sanitary sewerage portion of the Combined Utility System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sanitary sewerage portion of the Combined Utility System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the sanitary sewerage portion of the Combined Utility System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sanitary sewerage portion of the Combined Utility System.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected to the sanitary sewerage portion of the Combined Utility System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2017 A Bonds, a statutory mortgage lien upon the Combined Utility System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2017 A Bonds and shall be on a parity with all series of the Series 2017 A Bonds and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2017 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2017 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2017 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or

5% of the interest due on the Series 2017 A Bonds during the terms thereof is, under the terms of such Series 2017 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2017 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Combined Utility System, or if the Series 2017 A Bonds are for the purpose of financing more than one project, a portion of the Combined Utility System, and shall not exceed the proceeds used for the governmental use of that portion of the Combined Utility System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2017 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2017 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2017 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2017 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Certificate, which are hereby incorporated herein. This covenant shall survive payment in full or defeasance of the Series 2017 A Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for all, or certain maturities, of the Series 2017 A Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2017 A Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2017 A Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.19. Covenants Regarding the Municipal Bond Debt Service Reserve Insurance Policy. The Issuer intends to obtain a Municipal Bond Debt Service Reserve Insurance Policy either contemporaneously with, or subsequent to, the date of issuance of the Series 2017 A Bonds to fund the Series 2017 A Bonds Debt Service Reserve Account in an amount equal to the Series 2017 A Bonds Reserve Requirement. In the event such Municipal Bond Debt Service Reserve Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to providing the Municipal Bond Debt Service Reserve Insurance Policy. These additional covenants shall be set forth in full in a Supplemental Resolution, shall apply to the Series 2017 A Bonds, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.20. Continuing Disclosure Agreement. The Issuer shall deliver a Continuing Disclosure Agreement, Dissemination Agent Agreement or Continuing Disclosure Certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Mayor is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Continuing Disclosure Agreement.

Section 6.21 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2017 A Bonds shall be and the same is hereby approved. The Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final Official Statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2017 A Bonds and as the Mayor may approve (the "Official Statement"). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.22. Bond Purchase Agreement. The Series 2017 A Bonds shall be sold to the Original Purchaser pursuant to the terms and conditions of the Bond Purchase Agreement. If not so authorized by previous ordinance, the Mayor is specifically authorized and directed to execute the said Bond Purchase Agreement in such form as may be approved by the Supplemental Resolution, and the City Clerk is directed to affix the seal of the Issuer, attest the same and deliver the said Bond Purchase Agreement to the Original Purchaser.

Section 6.23. Bond Documents. The Issuer shall deliver a Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and such other closing documents as shall be required for the issuance of the Series 2017 A Bonds, in forms acceptable to the Original Purchaser, the forms of which shall be approved by the Supplemental Resolution, and the Mayor is authorized and directed to execute and deliver such Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and other closing documents on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Tax Certificate and such other closing documents by the Mayor. ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2017 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2017 A Bond; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or Supplemental Resolution or in the Series 2017 A Bonds

contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Bond Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2017 A Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute, all pro rata, with respect to the Prior Bonds and the Series 2017 A Bonds, in accordance with the respective principal amounts then Outstanding.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the Combined Utility System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2017 A Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the Combined Utility System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said Combined Utility System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2017 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Gross Revenues of the Combined Utility System shall have been paid and made good, and all defaults under the provisions of this Ordinance and any Supplemental Resolution shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the Combined Utility System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the Combined Utility System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2017 A Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the Combined Utility System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the Combined Utility System, for the sole purpose of the protection of both the Issuer and the Holders of the Series 2017 A Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said Combined Utility System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the Combined Utility System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders of the Series 2017 A Bonds will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee representing the Holders of the Series 2017 A Bonds shall consider the effect on the Holders of the Series 2017 A Bonds as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holders of the Series 2017 A Bonds. In case any Holder of the Series 2017 A Bonds shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holder of the Series 2017 A Bonds shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holder of the Series 2017 A Bonds shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2017 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2017 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2017 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2017 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2017 A Bonds, the first exchange of Series 2017 A Bonds and the exchange of Series 2017 A Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2017 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2017 A Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2017 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than sixty (60) days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within twenty (20) days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately; provided, that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided, that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within twenty (20) days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within forty-five (45) days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted, or with which it may be consolidated, or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2017 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent as required by the Act. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed

upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2017 A Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within thirty (30) days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX
DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2017 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2017 A Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Series 2017 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Series 2017 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2017 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies

which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2017 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2017 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2017 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Series 2017 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X
MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2017 A Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2017 A Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Holder of the Series 2017 A Bonds or other person, be amended, modified or supplemented in any manner which, in the written opinion of Bond Counsel, does not materially adversely affect the interests of the Holder of the Series 2017 A Bonds or any Bond Insurer; provided, that in the event any of the Series 2017 A Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Series 2017 A Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made (i) without the written consent of the Holders of 60% in aggregate principal amount of the Series 2017 A Bonds then Outstanding and affected thereby; or (ii) the Bond Insurer. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2017 A Bond without the express written consent of the Holder of such Series 2017 A Bond, nor reduce the percentage of Series 2017 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person

signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2017 A Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2017 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2017 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2017 A Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2017 A Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly

TAX COMPLIANCE POLICY

THE CITY OF MORGANTOWN (WEST VIRGINIA)

Purpose

Governmental issuers of tax-exempt and tax-credit bonds must comply with certain federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by The City of Morgantown, West Virginia (the *"Issuer"*), as the issuer, with these rules in connection with the issuance of the Issuer's Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified) (the "*Tax-Exempt Bonds*"). It is understood and agreed by the Issuer, and the Issuer has covenanted to take all actions necessary to maintain the Tax-Exempt Bonds as tax-exempt state and local bonds.

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by The City Manager or his designee (the "*Oversight Officer*").

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Governmental Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to the Bond Ordinance, and will be a written order of an Authorized Officer, stating the date, amount and purpose of the disbursement.

- Requisitions must identify the financed property in conformity with the Tax and Non-Arbitrage Certificate executed by the Issuer at closing, including any certifications as to the character and average economic life of the bond-financed property.

- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the

date a "declaration of intent" to reimburse the costs was adopted by The City. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be in accordance with expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.

- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:

  15% within 6 months
  60% within 12 months
  100% within 18 months

- If the 2-year spending exception to rebate applies, expenditure of "available construction proceeds" will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:

  10% within 6 months
  45% within 12 months
  75% within 18 months
  100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Reserve funds cannot exceed the least of 10% of bond proceeds, maximum annual debt service, or 125% of average annual debt service. The initial funding of any reserve fund will be measured against this limit.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other "working capital" costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.

- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.

- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property subject to the Bond Ordinance is bond-financed.

- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit, as set forth in the Tax and Non-Arbitrage Certificate.

- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a "remedial action" under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts ("*GIC*") will be purchased only using the three-bid "safe harbor" of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.

- Other investments will be purchased only in market transactions.

- Calculations of rebate liability will be performed annually by outside consultants.

- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.

- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.

- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, Bond Ordinance, Form 8038-G, and Tax and Non-Arbitrage Certificate) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.

- Retainable records pertaining to expenditures of bond proceeds include requisitions, accounting statements and final allocation of proceeds.

- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.

- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Amendment

This Tax Compliance Policy may be amended and/or modified by the Mayor as required from time to time to ensure ongoing compliance by The City with requirements related to tax-exempt bonds, such as the Tax-Exempt Bonds. Such amendments and/or modifications shall not require any action by City Council.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer, as designated by the Mayor.

CONTINUING DISCLOSURE POLICY

CONTINUING DISCLOSURE POLICIES AND PROCEDURES

FOR THE CITY OF MORGANTOWN, WEST VIRGINIA

Background

Pursuant to SEC Rule 15c2-12 (the "Rule"), issuers of obligations are required under most circumstances to file financial and operating information on an annual basis with the Municipal Securities Rulemaking Board (MSRB) using the Electronic Municipal Market Access system (EMMA- http://www.emma.msrb.org). The City of Morgantown, West Virginia (the "City") has issued or may issue obligations which are covered by the Rule (the "Obligations") and must comply with any required filings in a timely manner. These Policies and Procedures are intended to assure, for all Obligations of the City, that all filings required under the Rule are made timely and completely and meet all requirements of the Rule. The City has covenanted or will covenant to comply with the Rule through the execution and delivery of continuing disclosure agreements or certificates (each, a "Continuing Disclosure Undertaking") applicable to each issue of Obligations.

With respect to the City, the Rule requires that an underwriter, prior to purchasing or selling an issue of obligations in connection with a covered offering, determine that the City has undertaken in writing, with respect to that issue of Obligations, to provide the following information to the MSRB using EMMA and to the appropriate state information depository ("SID"), if any:

- By a specified date, annual financial and operating information for the City substantially similar to the financial information and operating data presented in the official statement for such issue (an "Annual Information Filing");
- By a specified date, if available, audited annual financial statements for the City ("Audited Financial Statements") and, if not available by the date required, unaudited financial statements with Audited Financial Statements within 10 business days of their availability;
- In a timely manner, notice of the occurrence of one or more of the listed events described in the Rule (a "Rule 15c2-12 Event Notice"); and
- In a timely manner, notice of a failure by the City to make the required Annual Information Filing and/or file the Audited Financial Statements on or before the date(s) specified in the Continuing Disclosure Undertaking ("Notice of Failure").

Note: There is no SID currently in the State of West Virginia. If the State of West Virginia should establish a SID, the City also will be required to file all required information with the SID.

Responsible Party; Maintenance of List and Files

The Responsible Party for the City shall be the City Manager of the City and any alternate or assistant as the City Manager shall appoint. The Responsible Party shall maintain a current list for each fiscal year identifying each issue of Obligations of the City outstanding during such fiscal year setting forth the name, original principal amount, date of issuance and CUSIP numbers for each such issue and the dates by which the Annual Information Filings and the Audited Financial Statements are required to be submitted to the MSRB using EMMA, such list to be accompanied by copies of the related Continuing Disclosure Undertakings.

Annual Information Filing Requirements

The Responsible Party shall be knowledgeable and familiar with the provisions of each Continuing Disclosure Undertaking as to the type, format and content of the financial and operating information to be included in each Annual Information Filing to be made thereunder and the timing requirements for the filing thereof.

Audited Financial Statements

Audited Financial Statements of the City, or such other Audited Financial Statements as required by a specific Continuing Disclosure Undertaking, are also required to be filed no later than the submission dates established under each Continuing Disclosure Undertaking. The Responsible Party shall be knowledgeable and familiar with the specific timing requirements for the filing of such Audited Financial Statements and, if not available by the date(s) required, the provisions regarding the filing of unaudited financial statements under the terms of each Continuing Disclosure Undertaking. In any event, the Audited Financial Statements shall be filed within 10 business days of their receipt and acceptance.

Notices of Failures to File

The Responsible Party shall be knowledgeable and familiar with the specific requirements for the filing of a Notice of Failure to make Annual Information Filings and/or to file Audited Financial Statements by the date(s) required under the terms of each Continuing Disclosure Undertaking.

Preparation

Approximately 90 days before the submission date for required filings established under each Continuing Disclosure Undertaking, the Responsible Party shall initiate the process of preparing the financial and operating information required to be submitted thereunder. The Responsible Party shall assemble the information available at that time and determine the scope of additional information to be required and also contact the auditors to establish a schedule for completion and submission for the Audited Financial Statements.

On or before the submission date established under each Continuing Disclosure Undertaking, the Responsible Party (either on its own behalf or through a dissemination agent which the City has engaged for such purpose) shall file the Annual Information Filing together with the Audited

Financial Statements. If the Audited Financial Statements are not then available, unaudited financial information shall be filed with the MSRB using EMMA and the Audited Financial Statements shall be filed within 10 business days of their receipt and acceptance.

The Responsible Party shall set calendar reminders in the City's recordkeeping systems.

Listed Events

The Rule also requires filing of a Rule 15c2-12 Event Notice upon the occurrence of certain listed events described in the Continuing Disclosure Undertakings. Attached hereto is a description of the listed events current as of the date of execution of these Policies and Procedures, but the Responsible Party shall review the EMMA web site from time to time to determine whether there have been any changes to the listed events for which a Rule 15c2-12 Event Notice is required. The Responsible Party shall provide a Rule 15c2-12 Event Notice to the MSRB using EMMA within 10 business days of occurrence of any such listed event.

Familiarity with EMMA Submission Process

The Responsible Party shall register with EMMA and review the on-line process of filing with EMMA located at www.emma.msrb.org in order to submit the required information. If the City engages the services of a dissemination agent to make required filings hereunder, the Responsible Party shall not be required to register with EMMA. A tutorial is available at the MSRB website and a practice submission is available as well.

The Responsible Party also shall enroll the City in EMMA's reminder system, so long as such system is available, to ensure timely performance of their responsibilities and obligations.

Training Efforts

To ensure adequate resources to comply with the Rule, the Responsible Party shall develop a training process aimed at providing additional assistance in preparing required information. The training process shall be conducted at least annually and shall encompass a review of the City's filing requirements under its existing Continuing Disclosure Undertakings, the EMMA submission process and an understanding of the timing requirements necessary for full compliance. Such training may occur in conjunction with other issuers of governmental bonds and may be coordinated and/or sponsored by an association of which the City is a member (e.g. the West Virginia Municipal League or the West Virginia Chapter of the Government Finance Officers Association).

Coordination Effort

The Responsible Party shall coordinate the preparation and submission of the required information with any dissemination agent which has been engaged by the City for such purpose to ensure full compliance with the requirements of the Rule and the Continuing Disclosure Undertakings.

Records Retention

The Responsible Party, or the dissemination agent at the direction of the Responsible Party, shall maintain records with respect to the filings with the MSRB using EMMA, including, but not limited to, EMMA posting receipts showing the dates and nature or contents of all filings for each issue of Obligations of the City outstanding during each fiscal year.

There are or will be outstanding obligations of the Issuer which will rank on a parity with the Series 2017 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's Series 2017 A Bonds (if issued), Prior Bonds and any hereinafter issued Additional Parity Bonds, as provided in this Ordinance.

Prior to the issuance of the Series 2017 B Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Series 2017 A Bonds (if issued) and the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds, the Series 2016 B-1 Bonds and the Series 2017 A Bonds (if issued) to the issuance of the Series 2017 B Bonds on a parity with the Series 1992 Bonds, Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and Series 2016 B-1 Bonds. The Series 2010 A Bonds, Series 2010 F Bonds, Series 2014 B Bonds, Series 2016 A Bonds and Series 2017 A Bonds (if issued) do not require written consent from the holders thereof.

Other than the Series 2017 A Bonds (if issued) and the Prior Bonds, there are no other presently outstanding bonds or obligations of the Issuer which are secured by Gross Revenues or assets of the Combined Utility System. The Issuer is in compliance with all the covenants of the Series 2017 A Bonds (if previously issued), the Prior Bonds and the Prior Ordinances.

H. The Issuer intends to issue the Series 2017 B Bonds, and to pledge for payment thereof, the Gross Revenues of the Combined Utility System, on a parity with one another and on a parity with such pledge in favor of the Holders of the Series 2017 A Bonds (if issued), the Prior Bonds and any hereinafter issued Additional Parity Bonds.

I. The estimated revenues to be derived in each year after the date hereof from the operation of the Combined Utility System will be sufficient to provide for the repair, maintenance and operation of the Combined Utility System, to pay the principal of and interest on the Series 2017 B Bonds, the Series 2017 A Bonds (if issued) and the Prior Bonds as and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

J. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2017 B Bonds, and secure the Series 2017 B Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the Combined Utility System, the monies in the Series 2017 B Bonds Sinking Fund, including the Series 2017 B Bonds Reserve Account therein, unexpended proceeds of the Series 2017 B Bonds and as further set forth herein.

K. The Series 2017 B Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in "EXHIBIT A – FORM OF SERIES 2017 B BONDS" attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

L. All things necessary to make the Series 2017 B Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2017 B Bonds, will be timely done and duly performed.

M. The enactment of this Ordinance, the execution and issuance of the Series 2017 B Bonds and the amendment, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

N. Prior to issuance of the Series 2017 B Bonds, the Issuer will have complied with all requirements of West Virginia law relating to operation of the Combined Utility System, the refunding of the Series 2012 C Bonds, and the issuance of the Series 2017 B Bonds, or will have so complied prior to the issuance of the Series 2017 B Bonds.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2017 B Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2017 B Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2017 B Bond and any other Series 2017 B Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II
AUTHORIZATION OF REFUNDING

Section 2.01 Authorization of Refunding of Series 2012 C Bonds. All Series 2012 C Bonds Outstanding as of the date of issuance of the Series 2017 A Bonds and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full and the pledge of Gross Revenues in favor of the Registered Owners of the Series 2012 C Bonds imposed by the Series 2012 C Bonds Ordinance, the monies in the funds and accounts created by the Series 2012 C Bonds Ordinance pledged to payment of the Series 2012 C Bonds, and any other funds pledged by the Series 2012 C Bonds Ordinance to payment of the Series 2012 C Bonds are hereby ordered terminated, discharged and released upon such payment to the Registered Owners of the Series 2012 C Bonds. Contemporaneously with the payment in full of the Series 2012 C Bonds, the amounts on deposit in the sinking fund, and the reserve account therein, and all other funds and accounts created and maintained on behalf of the Series 2012 C

Bonds, shall be released from the lien created by the Series 2012 C Bonds Ordinance authorizing the issuance of the Series 2012 C Bonds.

ARTICLE III
THE SERIES 2017 B BONDS

Section 3.01 Form and Payment of Bonds. No Series 2017 B Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2017 B Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2017 B Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Series 2017 B Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2017 B Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2017 B Bonds has been paid, from the date thereof; provided, however, that, if, as shown by the records of the Registrar, interest on such Series 2017 B Bonds shall be in default, Bonds issued in exchange for Series 2017 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2017 B Bonds surrendered.

The principal of, and the interest and premium, if any, on, the Series 2017 B Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2017 B Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2017 B Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2017 B Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2017 B Bond in the principal amount of said Series 2017 B Bond then Outstanding.

Section 3.02. Execution of the Series 2017 B Bonds. The Series 2017 B Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2017 B Bonds shall cease to be such officer of the Issuer before the Series 2017 B Bonds so signed and sealed have been actually sold and delivered, such Series 2017 B Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 B Bonds had not ceased to hold such office. Any Series 2017 B Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2017 B Bonds shall hold the proper office in the Issuer, although at the date of such Series 2017 B Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2017 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2017 B Bond, substantially in the form set forth in "EXHIBIT A – FORM OF SERIES 2017 B BONDS" attached hereto and incorporated herein by reference with respect to the Series 2017 B Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2017 B Bond shall be conclusive evidence that such Series 2017 B Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any

Series 2017 B Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2017 B Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2017 B Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 B Bonds, in accepting any of said Series 2017 B Bonds, shall be conclusively deemed to have agreed that such Series 2017 B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 B Bonds shall further be conclusively deemed to have agreed that said Series 2017 B Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2017 B Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2017 B Bonds. The Series 2017 B Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2017 B Bond, there shall be issued at the option of the Holder of the Series 2017 B Bonds or the transferee another Series 2017 B Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Series 2017 B Bond and of the same series, interest rate and maturity of said transferred Series 2017 B Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2017 B Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2017 B Bonds, of the same maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2017 B Bond is exercised, Series 2017 B Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2017 B Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2017 B Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2017 B Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2017 B Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2017 B Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2017 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2017 B Bond of like series, maturity and principal amount as the Series 2017 B Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Series 2017 B Bond, or in lieu of and substitution for the Series 2017 B Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the

Registrar proof of his ownership thereof and that said Series 2017 B Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2017 B Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2017 B Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 B Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2017 B Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2017 B Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2017 B Bonds be at any time found by any one, and such duplicate Series 2017 B Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2017 B Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2017 B Bonds Redemption Account in accordance with Section 4.03 shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2017 B Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2017 B Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued

interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2017 B Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2017 B Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2017 B Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer and the registered owner of the Series 2017 B Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2017 B Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be posted on EMMA.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Series 2017 B Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2017 B Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2017 B Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Series 2017 B Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2017 B Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is conditioned on, and subject to, the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited,

the Registrar shall notify all holders of Series 2017 B Bonds called for redemption of such fact and no holder of any Series 2017 B Bonds shall have any claim of any type, of law or inequity, against the Issue.

Official notice of redemption having been given as aforesaid, the Series 2017 B Bonds, or portions of the Series 2017 B Bonds so to be redeemed, shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2017 B Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2017 B Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2017 B Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2017 B Bond is registered as the owner of such Series 2017 B Bond for the purpose of receiving payment of the principal of, and interest on, such Series 2017 B Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Series 2017 B Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2017 B Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds (along with other funds of the Issuer available therefor), paying the premium for a Municipal Bond Insurance Policy (if any), funding the Series 2017 B Bonds Reserve Account with proceeds of the Series 2017 B Bonds or paying the premium for a Municipal Bond Debt Service Reserve Insurance Policy (if any), in an amount equal to the Series 2017 B Bonds Debt Service Reserve Requirement and paying costs in connection with the issuance of the Series 2017 B Bonds, or any or all such purposes, there shall be issued the Series 2017 B Bonds of the Issuer, in an aggregate principal amount of not more than $3,000,000. Said Series 2017 B Bonds shall be designated "Combined Utility System Refunding Revenue Bonds, Series 2017 B" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in the Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2017 B Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2017 B Bonds shall be numbered from BR-1 consecutively upward. The Series 2017 B Bonds

shall be dated; shall be in such aggregate principal amount (not to exceed $3,000,000); shall bear interest at such rate or rates, (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 40 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2017 B Bonds. A. The Series 2017 B Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2017 B Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in Paragraph E below, all of the Series 2017 B Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2017 B Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2017 B Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2017 B Bond or any other evidence of ownership of the Series 2017 B Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2017 B Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in Paragraph E below.

B. At or prior to settlement for the Series 2017 B Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2017 B Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2017 B Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of, or interest on, the Series 2017 B Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2017 B Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2017 B Bonds so redeemed, but DTC may retain such Series 2017 B Bonds and make an appropriate notation on the Series 2017 B Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2017 B Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2017 B Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2017 B Bonds, selecting the Series 2017 B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2017 B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2017 B Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2017 B Bonds, (ii) the accuracy of

any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2017 B Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2017 B Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2017 B Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2017 B Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2017 B Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2017 B Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2017 B Bonds.

Section 3.12. Delivery of Series 2017 B Bonds. A. The Issuer shall execute and deliver the Series 2017 B Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2017 B Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2017 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2017 B Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies certified by the City Clerk of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2017 B Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2017 B Bonds. 3. An amount of the proceeds of the Series 2017 B Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds as set forth in the Supplemental Resolution, less any monies available at the Bond Commission for payment of the Series 2012 C Bonds, shall be remitted to the Bond Commission to pay the Series 2012 C Bonds in full.

Section 4.03. Combined Utility System Revenues and Application Thereof. So long as any of the Series 2017 B Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be held by the Board and kept separate and distinct from all other funds of the Issuer, the Board and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, from the monies in the Revenue Fund, on the first day of each month, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to for payment of interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds, Series 2014 B Bonds, Series 2015 A Bonds, Series 2016 A Bonds and Series 2016 B-1 Bonds; (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2017 B Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2017 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2017 B Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2017 B Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2017 B Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2017 B Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2017 B Bonds Sinking Fund; and (iii) if the Series 2017 A Bonds are issued, the amount required by the Series 2017 A Ordinance to pay the interest, if any, on the Series 2017 A Bonds.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective Sinking Funds for the Prior Bonds for the payment of principal of the Prior Bonds; (ii) for deposit in the Series 2017 B Bonds Sinking Fund (and in the Series 2017 B Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Series 2017 B Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2017 B Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2017 B Bonds on the next ensuing principal payment or mandatory Redemption Date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 B Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2017 B Bonds mature semiannually rather than annually), then such monthly payments shall be

increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2017 B Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph; and (iii) if the Series 2017 A Bonds are issued, the amount required by the Series 2017 A Ordinance to repay the principal of the Series 2017 A Bonds.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective reserve accounts for the Prior Bonds; (ii) commencing 13 months prior to the first date of payment of principal of the Series 2017 B Bonds, if not fully funded upon issuance of the Series 2017 B Bonds, for deposit in the Series 2017 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2017 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2017 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2017 B Bonds Reserve Requirement; provided further, that if the amounts in the Series 2017 B Bonds Reserve Account, as a result of a decrease in value of the Series 2017 B Bonds Reserve Account below the Series 2017 B Bonds Reserve Account Requirement or any withdrawal from the Series 2017 B Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2017 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 B Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 B Bonds Reserve Account is less than the Series 2017 B Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 B Bonds Reserve Account for deposit into the Series 2017 B Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 B Bonds Reserve Account to an amount equal to the Series 2017 B Bond Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Series 2017 B Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 B Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2017 B Bond Reserve Account Requirement; and (iii) if the Series 2017 A Bonds are issued, the amount required by the Series 2017 A Ordinance to be deposited in the Series 2017 A Bonds Reserve Account.

Amounts deposited in, or pledged to, the Series 2017 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2017 B Bonds when due, when amounts in the Series 2017 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2.5% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances and the Series 2017 A Ordinance so

long as the Prior Bonds and the Series 2017 A Bonds, respectively, are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, or improvements or extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such Reserve Account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided for transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the Combined Utility System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2017 B Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2017 B Bonds, if any, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2017 B Bonds, the Series 2017 A Bonds (if issued) and any hereinafter issued Additional Parity Bonds all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer, through the Board, shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall, though the Board, sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer, through the Board, may make any and all investments permitted by this section through the bond department of the

Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2017 B Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer, through the Board, shall, or shall cause the Bond Commission to, annually transfer from the Series 2017 B Bonds Reserve Account to the Series 2017 B Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2017 B Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 2017 B Bonds Reserve Account an amount at least equal to the Series 2017 B Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2017 B Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If no longer funded with a Municipal Bond Debt Service Reserve Insurance Policy equal to the Series 2017 B Bonds Reserve Requirement and the amounts on deposit in the Series 2017 B Bonds Reserve Account shall, at any time, be less than the applicable Series 2017 B Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the respective sinking funds for the Prior Bonds and the Series 2017 A Bonds (if issued), and the Series 2017 B Bonds Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest, if any, shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2017 B Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Series 2017 B Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2017 B Bonds in such manner and to such extent as may be necessary, so that such Series 2017 B Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Series 2017 B

Bonds) so that the interest on the Series 2017 B Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2017 B Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2017 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Combined Utility System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.04. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.04 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2017 B Bonds from gross income for federal income tax purposes.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2017 B Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2017 B Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be

irrevocable, except as provided herein, as long as any of the Series 2017 B Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. The Series 2017 B Bonds not to be Indebtedness of the Issuer. The Series 2017 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the Combined Utility System, the monies in the Series 2017 B Bonds Sinking Fund and the Series 2017 B Bonds Reserve Account therein, and the unexpended proceeds of the Series 2017 B Bonds, if any, all as herein provided. No Holder or Holders of any Series 2017 B Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2017 B Bonds or the interest thereon.

Section 6.03. Series 2017 B Bonds Secured by Pledge of Gross Revenues and Monies in Series 2017 B Bonds Sinking Fund. The payment of the debt service of all of the Series 2017 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the Combined Utility System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds, the Series 2017 A Bonds (if issued) and hereinafter issued Additional Parity Bonds, and with respect to the Series 2017 B Bonds, all monies and securities in the Series 2017 B Bonds Sinking Fund, including the Series 2017 B Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the Combined Utility System, in an amount sufficient to pay the principal of and interest on the Prior Bonds, the Series 2017 B Bonds herein authorized, the Series 2017 A Bonds (if issued) and any hereinafter issued Additional Parity Bonds, and to make the payments into the Series 2017 B Bonds Sinking Fund, including the Series 2017 B Bonds Reserve Account therein, are pledged *pari passu* by the Issuer.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the Combined Utility System have been established all in the manner and form required by law. Copies of such rates and charges so established may be obtained from the Board by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the Combined Utility System (i) to provide for all Operating Expenses of the Combined Utility System, and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2017 B Bonds and all other obligations secured by a lien on or payable from such Gross Revenues on a parity with the Series 2017 B Bonds, including the Prior Bonds, the Series 2017 A Bonds (if issued) and any hereinafter issued Additional Parity Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the Combined Utility System within 180 days following a determination of an Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

The Issuer expressly reserves the right to reduce the rates for the Combined Utility System, whether approved or in effect as of the date of issuance of the Series 2017 B Bonds, in the event that, based on a certificate of an Independent Certified Public Accountant, after any such decrease in rates, the Issuer will meet the requirements of this Section 6.04 and is not in default under any other provision of any ordinance authorizing any bonds or other indebtedness secured by the Gross Revenues of the Combined Utility System.

Section 6.05. Operation and Maintenance of the Combined Utility System. The Issuer will maintain the Combined Utility System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said Combined Utility System in the manner provided in this Ordinance.

Section 6.06. Sale of the Combined Utility System. So long as the Prior Bonds and the Series 2017 A Bonds (if issued) are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the Combined Utility System, except as provided by the Prior Ordinances and the Series 2017 A Ordinance, respectively. Additionally, so long as the Series 2017 B Bonds are Outstanding, the Combined Utility System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the Combined Utility System shall be immediately remitted to the Bond Commission for deposit in the Series 2017 B Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the Combined Utility System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Combined Utility System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $1,000,000, the Board shall, in writing, determine that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be used for any lawful purpose of the Combined Utility System. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $1,000,000 but not in excess of $5,000,000, the Board shall first obtain the written approval of the Consulting Engineers that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $1,000,000 and not in excess of $5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the Combined Utility System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of (i) any applicable Bond Insurer, or (ii) if the Series 2017 B Bonds are not insured, the Holders, or their duly authorized representatives, of 60% in an amount of Series 2017 B Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution

by the Bond Insurer or the then Holders of the Series 2017 B Bonds for the disposition of the proceeds from the sale, lease or other disposition of such properties of the Combined Utility System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the Gross Revenues of the Combined Utility System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2017 B Bonds, the Prior Bonds and the Series 2017 A Bonds (if issued); and all obligations hereafter issued by the Issuer payable from the Gross Revenues of the Combined Utility System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Gross Revenues and in all other respects to the Series 2017 B Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2017 B Bonds, upon any of the income and revenues of the Combined Utility System pledged for payment of the principal of, and interest on the Series 2017 B Bonds in this Ordinance or upon the Combined Utility System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds and the Series 2017 A Bonds (if issued) are outstanding the limitations on the issuance of parity obligations set forth in the Prior Ordinances and the Series 2017 A Ordinance, respectively, authorizing such bonds shall be applicable. In addition, no Additional Parity Bonds, as in this section defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 B Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction and/or equipping of additions, betterments and/or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 B Bonds, the Prior Bonds and/or the Series 2017 A Bonds (if issued), refunding all or a portion of any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 B Bonds then Outstanding;

(2) The Prior Bonds and Series 2017 A Bonds (if issued) then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the Combined Utility System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received in the opinion of the Independent Certified Public Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean evidence of indebtedness, specifically including, but not limited to, bonds and notes issued under the provisions and within the limitations of the Act and this section, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 B Bonds, the Series 2017 A Bonds (if issued) and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 B Bonds, the Series 2017 A Bonds (if issued) and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the Combined Utility System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the Combined Utility System of which is subject to the prior and superior lien of the Series 2017 B Bonds, the Series 2017 A Bonds (if issued), the Prior Bonds and any theretofore issued Additional Parity Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the Combined Utility System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues with the Series 2017 B Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Series 2017 B Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in this Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2017 B Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense of the Combined Utility System, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies

rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the Combined Utility System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the Combined Utility System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require any contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during acquisition, construction and/or equipping of any additions, betterment and/or improvements for the Combined Utility System.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by public utilities of equivalent size with respect to works and properties similar to the Combined Utility System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the ownership, management, operation and maintenance of the Combined Utility System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the Combined Utility System; provided, that the Board, with the review of an independent insurance consultant and the concurrence of the Issuer, may elect to self-insure.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE COMBINED UTILITY SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of acquisition, construction and/or equipping of any additions, extensions or improvements for the Combined Utility System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the Combined Utility System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Board having custody of the revenues or of any other funds of the Combined Utility System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer and/or the Board shall require all contractors engaged in the acquisition, construction and/or equipping of any additions, betterments or improvements for the Combined Utility System to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price for that particular contract as security for the faithful performance of such contract.

The Issuer and/or the Board shall also require all contractors engaged in the acquisition, construction and/or equipping of additions, betterments or improvements for the Combined Utility System to carry such workers' compensation coverage for all of the contractor's employees and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to such contracts.

If the Issuer or the Board determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer or the Board for the Combined Utility System, taking into consideration the costs and practices of other municipal utility systems of similar size and to the extent that such information is available. The Issuer and/or the Board may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer or the Board determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its Combined Utility System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of any or all of the facilities or services provided by the Combined Utility System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the Combined Utility System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the Combined Utility System.

Section 6.11. Enforcement of Collections. The Issuer shall, through the Board, diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the Combined Utility System.

Section 6.13. Books and Records. The Board will keep books and records of the Combined Utility System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the Combined Utility System. Any Holder of a Series 2017 B Bond shall have the right at all reasonable times to inspect the Combined Utility System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the Combined Utility System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall, at least once a year, cause the books, records and accounts of the Combined Utility System to be completely audited by an Independent Certified Public Accountant.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the Combined Utility System during the succeeding Fiscal Year.

Section 6.15. Mandatory Connections. The mandatory use of the sanitary sewerage portion of the Combined Utility System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sanitary sewerage portion of the Combined Utility System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the sanitary sewerage portion of the Combined Utility System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sanitary sewerage portion of the Combined Utility System.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected to the sanitary sewerage portion of the Combined Utility System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2017 B Bonds, a statutory mortgage lien upon the Combined Utility System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2017 B Bonds and shall be on a parity with all series of the Series 2017 B Bonds and with the statutory mortgage lien in favor of the Holders of the Prior Bonds and the Series 2017 A Bonds (if issued).

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2017 B Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2017 B Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2017 B Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2017 B Bonds during the terms thereof is, under the terms of such Series 2017 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2017 B Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Combined Utility System, or if the Series 2017 B Bonds are for the purpose of financing more than one project, a portion of the Combined Utility System, and shall not exceed the proceeds used for the governmental use of that portion of the

Combined Utility System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2017 B Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2017 B Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2017 B Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2017 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Certificate, which are hereby incorporated herein. This covenant shall survive payment in full or defeasance of the Series 2017 B Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for all, or certain maturities, of the Series 2017 B Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2017 B Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2017 B Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.19. Covenants Regarding the Municipal Bond Debt Service Reserve Insurance Policy. The Issuer intends to obtain a Municipal Bond Debt Service Reserve Insurance Policy either contemporaneously with, or subsequent to, the date of issuance of the Series 2017 B Bonds to fund the Series 2017 B Bonds Debt Service Reserve Account in an amount equal to the Series 2017 B Bonds Reserve Requirement. In the event such Municipal Bond Debt Service Reserve Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to providing the Municipal Bond Debt Service Reserve Insurance Policy. These additional covenants shall be set forth in full in a Supplemental Resolution, shall apply to the Series 2017 B Bonds, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.20. Continuing Disclosure Agreement. The Issuer shall deliver a Continuing Disclosure Agreement, Dissemination Agent Agreement or Continuing Disclosure Certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Mayor is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Continuing Disclosure Agreement.

Section 6.21 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2017 B Bonds shall be and the same is hereby approved. The Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2017 B Bonds and as the Mayor may approve (the "Official Statement"). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.22. Bond Purchase Agreement. The Series 2017 B Bonds shall be sold to the Original Purchaser pursuant to the terms and conditions of the Bond Purchase Agreement. If not so authorized by previous ordinance, the Mayor is specifically authorized and directed to execute the said Bond Purchase Agreement in such form as may be approved by the Supplemental Resolution, and the City Clerk is directed to affix the seal of the Issuer, attest the same and deliver the said Bond Purchase Agreement to the Original Purchaser.

Section 6.23. Bond Documents. The Issuer shall deliver a Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and such other closing documents as shall be required for the issuance of the Series 2017 A Bonds, in forms acceptable to the Original Purchaser, the forms of which shall be approved by the Supplemental Resolution, and the Mayor is authorized and directed to execute and deliver such Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and other closing documents on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Tax Certificate and such other closing documents by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Pre-Payment Agreement, Tax Certificate, the Tax Compliance Policy, the Continuing Disclosure Policy and such other closing documents.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2017 B Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2017 B Bond; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or Supplemental Resolution or in the Series 2017 B Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Bond Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If the Series 2017 A Bonds are issued, default occurs with respect to the Series 2017 A Bonds or the Series 2017 A Ordinance; or

(E) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2017 B Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute, all pro rata, with respect to the Prior Bonds, the Series 2017 A Bonds (if issued) and the Series 2017 B Bonds, in accordance with the respective principal amounts then Outstanding.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the Combined Utility System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2017 B Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the Combined Utility System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said Combined Utility System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2017 B Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Gross Revenues of the Combined Utility System shall have been paid and made good, and all defaults under the provisions of this Ordinance and any Supplemental Resolution shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the Combined Utility System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the Combined Utility System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2017 B Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the Combined Utility System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the Combined Utility System, for the sole purpose of the protection of both the Issuer and the Holders of the Series 2017 B Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said Combined Utility System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the Combined Utility System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders of the Series 2017 B Bonds will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee representing the Holders of the Series 2017 B Bonds shall consider the effect on the Holders of the Series 2017 B Bonds as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holders of the Series 2017 B Bonds. In case any Holder of the Series 2017 B Bonds shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holder of the Series 2017 B Bonds shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holder of the Series 2017 B Bonds shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2017 B Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2017 B Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2017 B Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2017 B Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2017 B Bonds, the first exchange of Series 2017 B Bonds and the exchange of Series 2017 B Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2017 B Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2017 B Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2017 B Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than sixty (60) days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within twenty (20) days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately; provided, that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2017 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided, that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2017 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within twenty (20) days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within forty-five (45) days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted, or with which it may be consolidated, or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2017 B Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent as required by the Act. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed

upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2017 B Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within thirty (30) days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX
DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2017 B Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2017 B Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Series 2017 B Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Series 2017 B Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2017 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies

which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2017 B Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2017 B Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2017 B Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Series 2017 B Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X
MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2017 B Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2017 B Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Holder of the Series 2017 B Bonds or other person, be amended, modified or supplemented in any manner which, in the written opinion of Bond Counsel, does not materially adversely affect the interests of the Holder of the Series 2017 B Bonds or any Bond Insurer; provided, that in the event any of the Series 2017 B Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Series 2017 B Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made (i) without the written consent of the Holders of 60% in aggregate principal amount of the Series 2017 B Bonds then Outstanding and affected thereby; or (ii) the Bond Insurer. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2017 B Bond without the express written consent of the Holder of such Series 2017 B Bond, nor reduce the percentage of Series 2017 B Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person

signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2017 B Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2017 B Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2017 B Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2017 B Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2017 B Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the authorization, issuance, sale, and the initial delivery on the date hereof, by The City of Morgantown, West Virginia (the "Issuer") of its $2,695,000 aggregate principal amount of Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified) (the "Series 2017 A Bonds").

The Series 2017 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on September 5, 2017, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on December 5, 2017 and a Certificate of Determinations dated as of, and executed by the Mayor on, December 13, 2017 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Ordinance.

The Series 2017 A Bonds are issued in fully registered form, are dated December 21, 2017, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing April 1, 2018, all as set forth in the Ordinance.

The Ordinance provides that the Series 2017 A Bonds are being issued by Issuer, to provide funds, along with available funds of the Combined Utility System and/or Additional Parity Bonds: (i) to design, acquire, construct and equip certain additions, betterments and improvements to the stormwater portion and sanitary sewer portion of the Issuer's existing combined potable water, sanitary

sewer and stormwater utility system (collectively, the "Project," as herein further described); (ii) to refund the Issuer's Combined Utility System Revenue Bonds, Series 2012 C, dated October 5, 2012, issued in the aggregate principal amount of $2,330,000, and outstanding as of December 31, 2016, in the principal amount of $1,955,000 (the "Series 2012 C Bonds"); (iii) to fund the Series 2017 A Bonds Reserve Account through the purchase of a municipal bond debt service reserve insurance policy (the "Series 2017 A Reserve Policy") from Build America Mutual Assurance Company (" BAM" or the "Bond Insurer"); (iv) to pay the premium for a municipal bond insurance policy (the "Series 2017 A Insurance Policy") from the Bond Insurer to secure the payment of the principal of, and interest on, the Series 2017 A Bonds; and (v) to pay Costs of Issuance of the Series 2017 A Bonds and related costs.

The Series 2017 A Bonds have been sold to Crews & Associates, Inc. (the "Original Purchasers"), pursuant to a Bond Purchase Agreement dated December 13, 2017 (the "Bond Purchase Agreement"), accepted by the Issuer.

In connection with our engagement as Bond Counsel, we have examined the law and such documents and matters as we have deemed necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, the Prepayment Agreement and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation and have relied upon, and have assumed, due compliance with the provisions of, the proceedings and other documents.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, the Prepayment Agreement and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation and political subdivision under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and the Prepayment Agreement, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2017 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance; has authorized, executed and delivered the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and the Prepayment Agreement; has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2017 A Bonds; and has issued and delivered the Series 2017 A Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto (where applicable), the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and the Prepayment Agreement constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2017 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable special limited

obligations of the Issuer, payable from, and secured by a lien on, the Gross Revenues of the Combined Utility System, on a parity with the Prior Bonds, as defined in the Ordinance, and from the unexpended proceeds of the Series 2017 A Bonds. The Series 2017 A Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. We have examined the executed and authenticated Series 2017 A Bonds of said issue, and in our opinion, said Series 2017 A Bonds are in proper form and have been duly executed and authenticated.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 A Bonds is excluded from the gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations; *provided, that* the interest on the Series 2017 A Bonds is taken into account as an adjustment to current earnings when computing the federal alternative minimum tax on certain corporations. Ownership of tax-exempt obligations, including the Series 2017 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2017 A Bonds. Prospective purchasers of the Series 2017 A Bonds should consult their own tax advisors as to such consequences.

The Issuer has designated the Series 2017 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Internal Revenue Code of 1986, as amended. See "Tax Matters" for additional information.

The opinions set forth in this paragraph 6 are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the *"Code"*) that must be satisfied in order for interest on the Series 2017 A Bonds to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2017 A Bonds set forth in the Ordinance, the Bond Purchase Agreement, the Tax Certificate, the Prepayment Agreement and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2017 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2017 A Bonds.

7. Under the Act, the Series 2017 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2017 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2017 A Bonds, to register any securities under said Securities Acts.

9. The Series 2012 C Bonds have been paid within the meaning and with the effect expressed in the ordinances pursuant to which the Series 2012 C Bonds were issued, and the covenants,

agreements and other obligations of the Issuer to the holders and owners of the Series 2012 C Bonds have been satisfied and discharged.

It is to be understood that the rights of the holders of the Series 2017 A Bonds and the enforceability of the Series 2017 A Bonds, the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2017 A Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressees and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance and sale by The City of Morgantown (the "Issuer") of its $2,695,000 aggregate principal amount of Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified) (the "Series 2017 A Bonds"). In our capacity as bond counsel, we are delivering an opinion of even date herewith concerning the legality of the Series 2017 A Bonds and the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes (the "Bond Opinion"). We have examined the documents and instruments as described in the Bond Opinion, the Official Statement and such other matters as we have deemed necessary or appropriate to render this opinion. Words and terms used in this opinion shall have the meanings assigned to them in the Bond Purchase Agreement (the "Bond Purchase Agreement") dated December 13, 2017, between the Issuer and Crews & Associates, Inc. (the "Underwriter").

Based upon the foregoing, we are of opinion that:

(1) The Bond Purchase Agreement has been duly authorized, executed and delivered by, and (assuming due authorization, execution and delivery by the Underwriter and that it is a binding agreement of the Underwriter in accordance with its terms) constitutes a binding agreement in accordance with its terms of, the Issuer.

(2) The Series 2017 A Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

(3) The statements contained in the Official Statement under the caption "Tax Matters" are true and accurate in all material respects and present a fair and accurate summary and description of the matters summarized and described under such caption.

(4) Nothing has come to our attention which would lead us to believe that the statements contained in the Official Statement under the captions "Purpose and Plan of Financing," "The Series 2017 A Bonds," "Security for the Series 2017 A Bonds" (except for the statements referred to therein under "Appendix C - Book-Entry Only System" with respect to The Depository Trust Company), "Litigation," "Appendix D – Proposed Form of Bond Counsel Opinion," and "Appendix E – Form of Series 2017 A Ordinance" insofar as such statements contained under such captions purport to summarize certain matters set forth therein and certain provisions of the Ordinance, do not present fairly in all material respects the matters referred to therein.

(5) The Debt Service Reserve Agreement, dated December 21, 2017, between the Bond Insurer and the Issuer has been duly authorized, executed and delivered by the Issuer and constitutes a valid, legal, binding and enforceable instrument of the Issuer in accordance with its terms.

(6) The Reserve Policy constitutes an instrument eligible for deposit to the credit of the debt service reserve fund for the Series 2017 A Bond (the "Reserve Fund") under the Ordinance.

Re: $2,695,000 The City of Morgantown (West Virginia)
Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified)

Ladies and Gentlemen:

We have acted as counsel to you (the "Underwriter") in connection with the issuance and sale by The City of Morgantown, West Virginia (the "Issuer") of its Combined Utility System Revenue Bonds, Series 2017 A (the "Bonds") in the aggregate principal amount of $2,695,000. In connection with rendering this opinion, we have examined (a) the Bond Purchase Agreement dated December 13, 2017 (the "Purchase Agreement"), by and between the Issuer and Crews & Associates, Inc., (b) portions of the Official Statement of the Issuer dated December 13, 2017, relating to the Bonds, (the "Official Statement"), (c) the Disclosure Dissemination Agent Agreement by and between the Issuer and Digital Assurance Certification, L.L.C., as exclusive disclosure dissemination agent, with respect to the Bonds, dated as of December 21, 2017 (the "Disclosure Dissemination Agent Agreement"), (d) the opinions of Ryan Simonton, Esq., as Counsel to the Issuer, Timothy Stranko, Esq., as General Counsel to the Morgantown Utility Board ("MUB") and Steptoe & Johnson PLLC, as Bond Counsel and Disclosure Counsel, dated as of the date hereof and addressed to, among others, you, (e) the Bond Ordinance enacted on September 5, 2017, as supplemented by resolution on December 5, 2017 (the "Bond Ordinance") and (f) certified copies of proceedings of the Issuer with respect to the Purchase Agreement, the Bond Ordinance, and the Official Statement, as well as such other papers as we deem necessary for purposes of the opinions expressed below. In connection therewith, and in our capacity as your counsel to assist you in your investigations concerning the Official Statement, we have reviewed certain documents and participated in certain conferences with representatives of the Underwriter, Bond Counsel and Disclosure Counsel, and others, during which the contents of the Official Statement and related matters were discussed. However, we did not make any independent investigation of the information provided by any of those parties, and we did not prepare the Official Statement or the Disclosure Dissemination Agent Agreement. We are not passing on, and do not assume any responsibility for, the accuracy, completeness or fairness of any of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. We have assumed that all records, documents, certificates and opinions that we have reviewed, and the signatures thereto, are accurate. Capitalized terms used but not defined herein shall have the meanings set forth in the Purchase Agreement.

Based upon the foregoing, we are of the opinion that:

1. The Disclosure Dissemination Agent Agreement satisfies the requirements set forth in Section (b)(5) of Rule 15c2-12 promulgated under the Securities Act.

2. During the course of our work in connection with our representation of you, no information has come to our attention that causes us to believe that the Official Statement as of date of this letter (except for any financial and statistical data and forecasts, numbers, estimates, assumptions, information concerning The Depository Trust Company and book-entry only system for the Bonds, or expressions of opinion included in the Official Statement or in the Appendices thereto, all of which we expressly exclude from the scope of this sentence), contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

We express no view as to the laws of any jurisdiction other than the laws of the State of West Virginia and the federal laws of the United States of America as in effect as of the date hereof. The views expressed above are limited to the matters set forth above, and no opinions should be inferred beyond the matters expressly stated. We assume no obligation to supplement this letter if any applicable laws or interpretations thereof change after the date hereof or if we become aware of any facts or circumstances that might change the views expressed herein after the date hereof.

This opinion is solely for the benefit of, and may be relied upon only by, the Underwriter; and it is not to be used, circulated, quoted or otherwise referred to for any other purpose, except that a copy hereof may be included in the transcript of closing documents pertaining to the delivery of the Bonds. Without limiting the foregoing, this letter may not be relied upon by the holders of the Bonds or any other person or entity to whom it is not specifically addressed.

Ladies and Gentlemen:

I have acted as counsel for The City of Morgantown, West Virginia (the "Issuer") in connection with the sale of the above-referenced bonds (collectively, the "Bonds"), which are being delivered and sold pursuant to a Bond Purchase Agreement dated as of December 13, 2017 (the "Bond Purchase Agreement") between Crews & Associates, Inc. (the "Underwriter") and the Issuer. Any capitalized term used herein and not defined herein shall have the meaning assigned to it in the Bond Purchase Agreement.

In this connection, I have reviewed and examined certain proceedings and documents with respect to the Bonds, any such records, certificates and other documents as I have considered necessary or appropriate for the purposes of this opinion and the laws of the State of West Virginia, including Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (the "Act"), the Bond Ordinance of the Issuer relating to the Bonds enacted September 5, 2017, as supplemented by a supplemental parameters resolution and conformed ordinance adopted by the Issuer on December 5, 2017 (collectively, the "Authorizing Ordinance"), the Bond Purchase Agreement and the Official Statement dated December 13, 2017 (the "Official Statement"), with respect to the issuance and offering of the Bonds, and certifications of the Issuer (collectively, the "Legal Documents").

Based on such review and such other considerations of law and fact as I believe to be relevant, I am of the opinion that:

(1) The Issuer has been duly organized and is validly existing under the Constitution and laws of the State of West Virginia, and has all requisite power and authority thereunder: (a) to enact the Authorizing Ordinance, and to enter into, execute, deliver and perform its covenants and agreements under the Legal Documents; (b) to approve and authorize the use, execution and distribution of the Preliminary Official Statement and the Official Statement; (c) to issue, sell, execute and deliver the Bonds; (d) to pledge the Gross Revenues as contemplated by the Legal Documents; and (e) to carry on its activities as currently conducted.

(2) The Issuer has taken all actions required to be taken by it before the Closing Date material to the transactions contemplated by the documents mentioned in paragraph (a) above, and the Issuer has duly authorized the execution and delivery of, and the due performance of its obligations under, the Legal Documents.

(3) The Authorizing Ordinance was duly enacted by the City Council of the Issuer at meetings of the City Council of the Issuer which were called and held pursuant to law and with all required notices and in accordance with all applicable open meetings laws and at which a quorum was present and acting at the time of the adoption of the Authorizing Ordinance.

(4) The adoption of the Authorizing Ordinance, the execution and delivery by the Issuer of the Legal Documents and the compliance with the provisions of the Legal Documents do not and will not conflict with or violate in any material respect any West Virginia constitutional, statutory or regulatory provision or, to the best of my knowledge after due inquiry, conflict with or constitute on the part of the Issuer a material breach of or default under any agreement or instrument to which the Issuer is a party or by which it is bound.

(5) The Legal Documents constitute legal, valid and binding obligations of the Issuer and are enforceable according to the terms thereof, except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting enforcement of creditors' rights generally, and by the application of equitable principles if equitable remedies are sought, by the exercise of judicial discretion and the limitations on legal remedies against public entities in the State.

(6) To the best of my knowledge, no litigation is pending or, after due inquiry, threatened against the Issuer in any court in any way affecting the titles of the officials of the Issuer to their respective positions, or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds, or the collection of revenues pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Authorizing Ordinance or the Legal Documents, or contesting in any way the completeness or accuracy of the Official Statement, or contesting the powers of the Issuer or its authority with respect to the Authorizing Ordinance or the Legal Documents.

(7) The information contained in the Official Statement under the captions "The Issuer and The Morgantown Utility Board," "Litigation" and "Continuing Disclosure" does not contain any untrue statement of a material fact and does not omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(8) To the best of my knowledge after due inquiry, no authorization, approval, consent or other order of the State or any local agency of the State, other than such authorizations, approvals and consents which have been obtained, is required for the valid authorization, execution and delivery by the Issuer of the Legal Documents and the authorization and distribution of the Preliminary

Official Statement and the Official Statement (provided that no opinion need be expressed as to any action required under state securities or Blue Sky laws in connection with the purchase of the Bonds by the Underwriters).

(9) To the best of my knowledge after due inquiry, the Issuer is not in breach of or default under any applicable law or administrative regulation of the State of West Virginia or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or is otherwise subject, which breach or default would materially adversely affect the Issuer's ability to enter into or perform its obligations under the Legal Documents, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under any such instrument and which would materially adversely affect the Issuer's ability to enter into or perform its obligations under the Legal Documents.

All counsel to this transaction may rely upon the foregoing opinion as if specifically addressed to them.

Very truly yours,

The City of Morgantown

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

I have acted as counsel for Morgantown Utility Board (the "Utility Board") in connection with the sale of the above-referenced bonds (collectively, the "Bonds"), which are being delivered and sold pursuant to a Bond Purchase Agreement dated as of December 13, 2017 (the "Bond Purchase Agreement") between Crews & Associates, Inc. (the "Underwriter") and The City of Morgantown (the "Issuer"). Any capitalized term used herein and not defined herein shall have the meaning assigned to it in the Bond Purchase Agreement.

In this connection, I have reviewed and examined certain proceedings and documents with respect to the Bonds, any such records, certificates and other documents as I have considered necessary or appropriate for the purposes of this opinion and the laws of the State of West Virginia, including Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (the "Act"), the Bond Ordinance of the Issuer relating to the Bonds enacted September 5, 2017, as supplemented by a supplemental parameters resolution and conformed ordinance adopted by the Issuer on December 5, 2017 (collectively, the "Authorizing Ordinance"), the Bond Purchase Agreement and the Official Statement dated December 13, 2017 (the "Official Statement"), with respect to the issuance and offering of the Bonds, and certifications of the Issuer (collectively, the "Legal Documents").

Based on such review and such other considerations of law and fact as I believe to be relevant, I am of the opinion that:

(1) To the best of my knowledge, no litigation is pending, threatened in any court in any way affecting the existence of the Utility Board or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Bonds, or the collection of revenues and assets of the Combined Utility System pledged or to be pledged to pay the principal of and interest on the

Bonds, or the pledge thereof, or the construction of the Project, or any transaction described in or contemplated by the Official Statement.

(2) The Official Statement, as amended or supplemented to the date of Closing (except as aforesaid) contains no untrue statement regarding the Utility Board and/or the Combined Utility System of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein regarding the Utility Board, in light of the circumstances under which they were made, not misleading.

(3) The statements contained in the Official Statement under the captions "Purpose and Plan Of Financing," "The Issuer and The Morgantown Utility Board," "MUB Pension Obligations," "The Combined Utility System," "MUB Capital Improvement Program," "State Regulation, Rates, Billing and Collection Procedures," "Litigation," "Legal Matters" and "Continuing Disclosure," insofar as such statements contained under such captions relate to the Utility Board and/or the Combined Utility System, or purport to summarize certain matters set forth therein, are accurate and present a fair summary of the matters referred to therein.

(4) The Utility Board has met and shall meet any requirement as to legal matters as the Underwriter shall reasonably require.

All counsel to this transaction may rely upon the foregoing opinion as if specifically addressed to them.

Very truly yours,
ATTORNEY TIM STRANKO PLLC

This Preliminary Official Statement and the information contained herein are subject to completion and amendment. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. The City deems this Preliminary Official Statement to be final for the purposes of the Securities and Exchange Commission Rule 15c2-12(b)(1), except for certain information on the cover page hereof and certain pages herein which have been omitted in accordance with said Rule and which will be supplied in the final Official Statement.

PRELIMINARY OFFICIAL STATEMENT DATED DECEMBER 11, 2017

NEW ISSUE – BOOK ENTRY ONLY **RATINGS: See "Ratings" herein**

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing law and assuming continuing compliance with various requirements of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Bonds is excluded from gross income of the owners thereof for federal income tax purposes pursuant to the Code and such interest is not a specific item of tax preference for purposes of the Federal individual or corporate alternative minimum taxes; however, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. Bond Counsel is further of the opinion that under the laws of the State of West Virginia, as presently written and applied, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof. See West Virginia Code Section 8-20-5 and "APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION" herein. The above opinions are subject to certain limitations and exceptions. See "TAX MATTERS" herein.

THE CITY OF MORGANTOWN
COMBINED UTILITY SYSTEM REVENUE BONDS, SERIES 2017 A (BANK QUALIFIED)

INTRODUCTION

General

This Official Statement, including the cover page and the Appendices herein, is provided to set forth certain information concerning the issuance by The City of Morgantown, a political subdivision and municipal corporation of the State of West Virginia (the "Issuer"), of $2,695,000* in aggregate principal amount of its Combined Utility System Revenue Bonds, Series 2017 A (the "Series 2017 A Bonds"). The Series 2017 A Bonds are being issued pursuant to the Constitution and laws of the State of West Virginia (the "State"), particularly Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and an ordinance enacted by the Council of the Issuer on September 5, 2017, supplemented by a Supplemental Parameters Resolution and Conformed Ordinance adopted by the Council of the Issuer on December 5, 2017, and a Certificate of Determinations executed by the Mayor of the Issuer on December __, 2017 (said ordinance, as so supplemented, is collectively referred to herein as the "Series 2017 A Ordinance").

Capitalized terms used in this Official Statement and not otherwise defined herein shall have the meanings ascribed thereto in the Series 2017 A Ordinance.

The City of Morgantown

The Issuer is a municipality of approximately 30,000 residents located in Monongalia County, West Virginia (the "County"). The Issuer, through the Morgantown Utility Board (hereinafter described), provides potable water treatment, storage and distribution service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Water System"), sanitary sewerage collection and treatment service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Sewer System") and stormwater management, conveyance and containment service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Stormwater System") to the residents of the Issuer, as well as to customers located in surrounding municipalities and unincorporated areas of the County, both directly as retail customers and through bulk sales to surrounding utilities. Pursuant to the Act, the Issuer enacted an ordinance on September 1, 1987 (as supplemented, the "MUB Ordinance"), creating the Morgantown Utility Board ("MUB") for the purpose of operating, managing and maintaining the Water System and the Sewer System as a combined Water System and Sewer System under the Act. Pursuant to an ordinance enacted by the Council of the Issuer on May 21, 2002, a stormwater utility was created, the management, control and operation of which was vested in MUB. Pursuant to an ordinance enacted by the Council of the Issuer on May 1, 2007, the Stormwater System, was combined with the existing combined Water System and Sewer System to create a Combined Water System, Sewer System and Stormwater System, as authorized by the Act (collectively, the "Combined Utility System").

Pursuant to the Act, the Issuer, through its City Council, retains the following authority with respect to MUB and the Combined Utility System:

a. Appointment of the members of the Board of Directors of MUB;

b. Authorization of changes in rates and charges for the Water System, Sewer System and Stormwater System;

c. Issuance of bonds, notes and other debt obligations secured by the Revenues of the Combined Utility System; and

* Preliminary, subject to change.

d. Approval of capital projects for the Water System and Stormwater System which are not "in the normal course of business."

The Combined Utility System is an "enterprise" of the Issuer and, as such, the Gross Revenues from, and assets of, the Combined Utility System may only be used for the purposes of the Combined Utility System. Gross Revenues are defined in the Series 2017 A Ordinance as:

> the aggregate gross operating and non-operating revenues of the System, as hereinafter defined, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and reasonable provision for uncollectible accounts; provided, that "Gross Revenues" include any gains from the sale or other disposition of capital assets, but does not include any increase in the value of capital assets, including Qualified Investments or any Tap Fees. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Morgantown Utility Board

MUB has control over, and is responsible for, all aspects of the management, operation, maintenance, expansion and improvement of the Combined Utility System with the exception of the powers specifically reserved to City Council pursuant to the Act, as set forth herein. MUB operates as an independent and autonomous agency of the City, funded entirely from the Gross Revenues of the Combined Utility System.

MUB provides retail potable water service to approximately 26,200 service connections and retail sewer service to approximately 22,575 service connections. The Stormwater System serves 15,260 customers in the City and surrounding unincorporated areas. MUB provides wholesale potable water and/or wastewater conveyance and treatment to a variety of surrounding public utilities which serve, in aggregate, approximately 17,900 customers in their respective service territories. See "THE ISSUER AND THE MORGANTOWN UTILITY BOARD" herein.

Use of the Series 2017 A Bonds Proceeds

The net proceeds from the sale of the Series 2017 A Bonds will be applied as follows: (i) to pay, along with available funds of the Combined Utility System and/or the proceeds of Additional Parity Bonds, the costs to design, acquire, construct and equip certain additions, betterments and improvements to the Stormwater System and Sewer System of the Combined Utility System (collectively, the "Project," as hereinafter described); (ii) to refinance the outstanding Combined Utility System Revenue Bonds, Series 2012 C (Bank Qualified), dated October 5, 2012, issued in the aggregate principal amount of $2,330,000 (the "Series 2012 C Bonds"); (iii) to fund the Series 2017 A Bonds Reserve Account through the purchase of a municipal bond debt service reserve insurance policy (the "Series 2017 A Reserve Policy") from Build America Mutual Assurance Company ("BAM" or the "Bond Insurer"); (iv) to pay the premium for a municipal bond insurance policy (the "Series 2017 A Insurance Policy") from the Bond Insurer to secure the payment of the principal of, and interest on, the Series 2017 A Bonds; and (v) to pay costs of issuance of the Series 2017 A Bonds and related costs. See "INTRODUCTION – Concurrent Financing for the Project by the Issuer" and "PURPOSE AND PLAN OF FINANCING" herein.

The portion of the proceeds of the Series 2017 A Bonds to be used to finance the Costs of the Project shall be deposited in a segregated account known as the Series 2017 A Bonds Construction Account. The proceeds of the Series 2017 A Bonds will be invested in Permitted Investments pursuant to the Series 2017 A Ordinance.

Security and Sources of Payment for the Series 2017 A Bonds

The Series 2017 A Bonds are payable solely from and secured by the Gross Revenues derived from the Combined Utility System of the Issuer, on a parity with the Prior Bonds (hereinafter defined), and any Additional Parity Bonds (hereinafter defined) that may hereafter be issued by the Issuer as permitted by the Series 2017 A Ordinance (the Series 2017 A Bonds, the Prior Bonds and any such Additional Parity Bonds, are collectively referred to herein as the "Bonds"), from the unexpended proceeds of the Series 2017 A Bonds, and from funds on deposit in the Series 2017 A Bonds Sinking Fund, and the Series 2017 A Reserve Policy pledged to, and any funds in, the Series 2017 A Bonds Reserve Account, established for the Series 2017 A Bonds under the Series 2017 A Ordinance. Additionally, the payment of the principal of and interest on the Series 2017 A Bonds when due will be guaranteed under a municipal bond insurance policy to be issued by BAM. See "APPENDIX G – BOND INSURANCE" and "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY" herein.

The Series 2017 A Bonds are special obligations of the Issuer. SECURITY FOR THE SERIES 2017 A BONDS

The Series 2017 A Bonds are special obligations of the Issuer and are payable as to principal, premium, if any, and interest solely from the sources described below. Neither the Issuer nor MUB is under no obligation to pay the Series 2017 A Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2017 A Bonds shall be secured forthwith equally and ratably by a first lien on and pledge of the Gross Revenues derived from the Combined Utility System, on a parity with the Prior Bond, and any Additional Parity Bonds that may hereafter be issued by the Issuer as permitted by the Series 2017 A Ordinance, and the unexpended proceeds of the Series 2017 A Bonds. The Series 2017 A Bonds are also payable from the funds on deposit in the Series 2017 A Bonds Sinking Fund, and the Series 2017 A Reserve Policy pledged to, and any funds on deposit in, the Series 2017 A Bonds Reserve Account therein. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein. Gross Revenues derived from the Combined Utility System in an amount sufficient to pay the principal of, and premium, if any, and interest on, the Series 2017 A Bonds and to make the payments into the Series 2017 A Bonds Sinking Fund and to pay all other payments provided for in the Series 2017 A Ordinance, and the funds on deposit in the Series 2017 A Bonds Sinking Fund, and the Series 2017 A Reserve Policy pledged to, and any funds on deposit in, the Series 2017 A Bonds Reserve Account therein, are irrevocably pledged to the payment of the principal of, and premium, if any, and interest on, the Series 2017 A Bonds as the same become due and for other purposes provided in the Series 2017 A Ordinance.

Bond Insurance. The payment of the principal of and interest on the Series 2017 A Bonds when due will be guaranteed under a municipal bond insurance policy to be issued concurrently with the delivery of the Series 2017 A Bonds by BAM. Information with respect to the Bond Insurer and the Series 2017 A Insurance Policy is set forth in "APPENDIX G – BOND INSURANCE," and "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY" herein.

Rate Covenant

Prior to the issuance of the Series 2017 A Bonds, rates and charges for service from the Water System and the Sewer System were approved by ordinances enacted by the City Council on February 2, 2016, and went into effect on July 1, 2016, and the rates and charges for service from the Stormwater System were approved by ordinance enacted by the City Council on July 15, 2014, and went into effect on July 15, 2014, all in the manner and form required by law. See "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES" herein. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to make the prescribed payments into the funds and accounts created under the Series 2017 A Ordinance and to pay all Operating Expenses of the Combined Utility System. The Issuer has covenanted that such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer covenants and agrees in the Series 2017 A Ordinance that the schedule or schedules of rates and charges for the Combined Utility System from time to time in effect shall be sufficient to produce Net Revenues equal to not less than 115% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Series 2017 A Bonds Reserve Account

The Series 2017 A Bonds Reserve Requirement is $_____, which is equal to the least of (i) 10% of the original stated principal amount of the Series 2017 A Bonds; (ii) the maximum amount of principal and

interest which will become due on the Series 2017 A Bonds in any Fiscal Year; or (iii) 125% of the average amount of principal and interest which will become due on the Series 2017 A Bonds. The Issuer will obtain a Municipal Bond Debt Service Reserve Insurance Policy from the Bond Insurer in the amount equal to the Series 2017 A Bonds Reserve Account Requirement which shall be pledged to the Series 2017 A Bonds Reserve Account (the "Series 2017 A Reserve Policy"). In the event funds in the Series 2017 A Sinking Fund are insufficient to pay the principal of and/or interest on the Series 2017 A Bonds, the Paying Agent shall submit a Notice of Nonpayment to the Bond Insurer, which will, pursuant to the Series 2017 A Reserve Policy, pay the Paying Agent sufficient amounts to make payments of principal of and/or interest on the Series 2017 A Bonds as the same becomes due, subject to the Series 2017 A Reserve Policy. If the Series 2017 A Reserve Policy is not in effect, the Paying Agent shall withdraw cash from the Series 2017 A Bonds Reserve Account for transfer to the Series 2017 A Bonds Sinking Fund.

Information with respect to the Bond Insurer and the Series 2017 A Reserve Policy is set forth in "APPENDIX G – BOND INSURANCE" and "APPENDIX I – SPECIMEN MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY" herein. Under the Series 2017 A Reserve Policy, the Issuer is required to repay any draws upon the Series 2017 A Reserve Policy and any administrative expenses incurred by Bond Insurer, together with interest on the draws and the administrative expenses (collectively, the "Policy Costs"). Repayment of the Policy Costs must commence in the first month following each draw on the Series 2017 A Reserve Policy, and each monthly payment must be in an amount at least equal to 1/12th of the aggregated Policy Costs related to such draw.

The amount available under the Series 2017 A Reserve Policy will be reduced by, and to the extent of, any payment made pursuant to the Series 2017 A Reserve Policy. Amounts equal to Policy Costs paid to BAM, will be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to BAM on account of principal due, the coverage under the Series 2017 A Reserve Policy will be increased by a like amount, subject to the terms of the Series 2017 A Reserve Policy. All cash and investments, if any, in the Series 2017 A Bonds Reserve Account shall be transferred to the Series 2017 A Bonds Sinking Fund for payment of the debt service on the Series 2017 A Bonds before any draw may be made on the Series 2017 A Reserve Policy. The Issuer does not expect there to be any cash or investments in the Series 2017 A Bonds Reserve Account.

If the Series 2017 A Reserve Policy is not in effect, in the event of a transfer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund as aforesaid, the Issuer shall restore the balance to the Series 2017 A Bonds Reserve Account in an amount up to the Series 2017 A Bonds Reserve Requirement. The transfer of any cash by the Issuer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund shall be replenished over twelve (12) equal monthly payments.

The Issuer's obligation to repay the Policy Costs or to otherwise replenish the Series 2017 A Bonds Reserve Account will be secured only by the Gross Revenues, as defined in the Ordinance, derived from the Combined Utility System and the funds on deposit in the Renewal and Replacement Fund.

The Issuer shall be required to replace the Series 2017 A Reserve Policy, or fund the Series 2017 A Bonds Reserve Account with cash, only in the event that the Bond Insurer, or its successor or assign, ceases to be licensed by any one state of the United States of America to provide such Series 2017 A Reserve Policy or similar insurance product. In such event, the Issuer shall have twelve (12) months after becoming aware of such event to either provide a new municipal bond debt service reserve insurance policy for, or deposit sufficient cash in, the Series 2017 A Bonds Reserve Account to satisfy the Series 2017 A Bonds Reserve Requirement therefore.

Working Capital Reserve

Pursuant to Chapter 24, Article 1, Section (k) of the Code of West Virginia, 1931, as amended (the "State Code"), effective June 12, 2015, the Combined Utility System is required to ". . . maintain a working capital reserve in an amount of no less than one eighth of actual annual operation and maintenance expense" (the "Working Capital Reserve"). The budget adopted by MUB for the July 1, 2017 to June 30, 2018 Fiscal Year includes the Working Capital Reserve. In the event that any audited or unaudited year-end financial statement of the Combined Utility System shall find that the Working Capital Reserve for such Fiscal Year was insufficient, such finding shall not be an event of default with respect to the Series 2017 A Bonds.

Application of Gross Revenues

The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof

shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing seven (7) months prior to the first interest payment date of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2017 A Bonds on the next ensuing semiannual interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than seven (7) months, then such monthly payments shall be decreased or increased proportionately to provide, one (1) month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and provided, further, that there shall be credited against the amount deposited any interest capitalized from the proceeds of the Series 2017 A Bonds and applied to such payment. All payments of interest on the Prior Bonds and the Series 2017 A Bonds shall be pro rata.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Sinking Fund and in the Series 2017 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2017 A Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 13 months, then such monthly payments shall be decreased or increased proportionately to provide, one (1) month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

Monies in the Series 2017 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2017 A Bonds, whether by maturity or redemption prior to maturity and, with respect to the Series 2017 A Bonds Reserve Account therein, any amounts necessary to fund such Reserve Account to maintain the Series 2017 A Bonds Reserve Account Requirement. Pending such use, such monies shall be invested in accordance with the Series 2017 A Ordinance.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Reserve Accounts of the Prior Bonds, the amount required by the Prior Ordinances; and (ii) in the event that the Series 2017 A Reserve Policy is no longer in effect, for deposit in the Series 2017 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2017 A Bonds Reserve Account below the Series 2017 A Reserve Account Requirement or any withdrawal from the Series 2017 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 A Bonds Reserve Account is less than the Series 2017 A Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 A Bonds Reserve Account for deposit into the Series 2017 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 A Bonds Reserve Account to an amount equal to the Series 2017 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided, however, that if the shortfall in the Series 2017 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than four (4) equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2017 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, from the monies remaining in the Revenue Fund, on the first day of each month, transfer to the Renewal and Replacement Fund a sum equal to not less than 2.5% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. Subject to the restrictions contained in the Prior Ordinances so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements and extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required thereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Enforcement of Collections

The Issuer covenants in the Series 2017 A Ordinance to diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State. Such fees, rentals and charges, if not paid when due, shall, to the extent allowed by the Act, become a lien on the premises served by the Combined Utility System.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the Combined Utility System and will not restore such services of the Combined Utility System until all billing for charges for the services and facilities of the Combined Utility System, including penalties and reconnect fees, have been fully paid, or the customer has entered into a payment agreement. For additional information on MUB's collection policy and history, see "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – MUB Retail Customer Collection Process" and "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – MUB Retail Customer Uncollectible Accounts" herein.

Additional Parity Bonds

So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Ordinances authorizing the Prior Bonds shall be applicable. In addition, no Additional Parity Bonds, as herein defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 A Bonds pursuant to the Ordinance, except under the conditions and in the manner set forth herein.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction or equipping of additions, betterments or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 A Bonds issued pursuant hereto, the Prior Bonds, and/or any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 A Bonds then Outstanding;

(2) The Prior Bonds then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and the Series 2017 A Ordinance then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal), prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, as stated in a certificate on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal), prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used herein, shall be deemed to mean additional bonds issued under the provisions and within the limitations of the Series 2017 A Ordinance, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 A Bonds and the Prior Bonds, and all the covenants and other provisions of the Series 2017 A Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 A Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with the Series 2017 A Ordinance. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any series of Bonds over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in the ordinance authorizing such Additional Parity Bonds required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Series 2017 A Ordinance and the Prior Ordinances.

The term "Additional Parity Bond," shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the System of which is subject to the prior and superior lien of the Series 2017 A Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Gross Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Gross Revenues with the Series 2017 A Bonds except in the manner and under the conditions provided in the Series 2017 A Ordinance.

No Additional Parity Bonds, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in the Series 2017 A Ordinance and the Prior Ordinances on account of the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in the Series 2017 A Ordinance and the other Prior Ordinances, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in the Series 2017 A Ordinance and the Prior Ordinances and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Provided, however, that if the audit by an Independent Certified Public Accountant for the Combined Utility System for the Fiscal Year immediately preceding the date of the proposed issuance of Additional Parity Bonds states that the Issuer was not in compliance with the rate covenant in the Series 2017 A Ordinance for the year being audited and the Issuer has, as required by the Series 2017 A Ordinance, enacted a rate ordinance changing the rates and charges for the Combined Utility System to comply with the Series 2017 A Ordinance, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Series 2017 A Ordinance, so as to prevent the Issuer from issuing Additional Parity Bonds under the Series 2017 A Ordinance.

The Issuer anticipates that it will from time to time issue Additional Parity Bonds to finance the costs of additions, betterments and improvements to the Combined Utility System and to refinance the Bonds and any hereinafter issued Additional Parity Bonds. See "OUTSTANDING INDEBTEDNESS OF THE COMBINED UTILITY SYSTEM – Future Bond Issues" herein.

Special Limited Obligations

The Series 2017 A Bonds do not constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation on indebtedness. No registered owner of any Series 2017 A Bond shall

ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2017 A Bonds or the interest or any premium thereon, or to make any claim against and of the funds or revenues of Issuer, either existing as of the date of issuance of the Series 2017 A Bonds or in the future, MUB has no taxing power.

BOND INSURANCE AND RESERVE POLICY

The Issuer has applied to, and executed commitments from, the Bond Insurer for the issuance, concurrently with the issuance of the Series 2017 A Bonds, of the Series 2017 A Insurance Policy and the Series 2017 A Reserve Policy. Information regarding the Bond Insurer, the Series 2017 A Insurance Policy and the Series 2017 A Reserve Policy, specifically including "APPENDIX G – BOND INSURANCE," "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY," and "APPENDIX I – SPECIMEN MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY," has been furnished by the Bond Insurer for inclusion in this Official Statement. No representation is made by the Issuer nor the Underwriter as to the accuracy, completeness or adequacy of such information or as to the absence of material adverse changes in the condition of the Bond Insurer. Reference is made to "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY" and "APPENDIX I – SPECIMEN MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY" for specimens of the Series 2017 A Insurance Policy and the Series 2017 A Reserve Policy, which should be read in their entirety.

Series 2017 A Insurance Policy

Concurrently with the issuance of the Series 2017 A Bonds, the Bond Insurer will issue the Series 2017 A Insurance Policy for the benefit of the holders of the Series 2017 A Bonds. The Series 2017 A Insurance Policy guarantees the scheduled payment of principal of and interest on the Series 2017 A Bonds when due as set forth in the form of the Series 2017 A Insurance Policy included as an appendix in this Official Statement.

The Series 2017 A Insurance Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Series 2017 A Reserve Policy

Concurrently with the issuance of the Series 2017 A Bonds, the Bond Insurer will issue the Series 2017 A Reserve Policy for the Series 2017 A Bonds. The Series 2017 Reserve Policy is issued in an amount equal to the Series 2017 A Reserve Requirement and is pledged to the Series 2017 A Bonds Reserve Account.

THE ISSUER AND THE MORGANTOWN UTILITY BOARD

The City of Morgantown is the county seat of Monongalia County, located along the Monongahela River and close to the Pennsylvania border in north central West Virginia. Morgantown is the home of West Virginia University, the largest institution of higher education in the State with an annual enrollment of approximately 29,000 students. The City is the medical, cultural, and commercial hub of the region. The population of Morgantown is estimated to be 30,000.

Morgantown and Monongalia County offer "Mountains of Opportunity" for business development and expansion. This is one of the major growth areas in the State. Monongalia County was the only county in north central West Virginia to realize population growth for the last 20 years, and it has been one of the fastest growing counties in the State over the last two decades.

Morgantown and Monongalia County have consistently experienced some of the lowest unemployment rates in the State. Major employers in the area include the National Institute of Occupational Safety and Health (NIOSH), Mylan Pharmaceuticals, and West Virginia University.

One-half of the population of the United States and one-third of the population of Canada is within a 500-mile radius of Morgantown. The City is one day's drive from 6 of the 8 largest U.S. metropolitan areas, 20 metro areas with populations of 1 million or more, and 22 of the nation's top 35 industrial markets. See "APPENDIX A – THE CITY OF MORGANTOWN (WEST VIRGINIA) ECONOMIC AND DEMOGRAPHIC DATA" herein.

Audited Financial Statements

The Series 2017 A Bonds are payable only from the Gross Revenues of the Combined Utility System, which are pledged to their payment, and the unexpended proceeds of the Series 2017 A Bonds. No other funds of the Issuer are available for, or expected to be used to, pay the principal of, or interest on, the Series 2017 A Bonds. Likewise, the Gross Revenues of the Combined Utility System are not used for other purposes of the Issuer. Accordingly, detailed information regarding the Issuer has not been included in this Official Statement. The audited financial statements of the Morgantown Utility Board for the Fiscal Year ended June 30, 2017 are included in Appendix B herein. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF THE MORGANTOWN UTILITY BOARD FOR FISCAL YEAR ENDED JUNE 30, 2017" herein.

Morgantown Utility Board

The Morgantown Utility Board is a municipally owned and operated utility providing potable water, sanitary sewer, and stormwater services directly to the residents of The City of Morgantown and to customers in certain surrounding municipalities and unincorporated areas of Monongalia County, as well as bulk water sales and sanitary sewer transmission and treatment to certain potable water and wastewater utilities owned and operated by nearby municipalities and public service districts. MUB was created in 1987 by ordinance enacted on September 1, 1987 by the Council of The City of Morgantown under the provisions of the Act. The former Morgantown Water Commission and the Morgantown Sanitary Board were merged in 1987 to create MUB and the combined waterworks and sewerage system. On May 21, 2002, the Council of the Issuer enacted an ordinance creating a stormwater utility and expanding the authority of MUB to include stormwater management and control. On May 1, 2007, the City Council enacted an ordinance combining the existing combined waterworks and sewerage system and the stormwater system to create the combined waterworks, sewerage and stormwater system which presently exists.

MUB has provided bulk water sales and sanitary sewer transmission and treatment under longstanding mutually beneficial arrangements with surrounding public utilities (collectively, the "Resale Customers"). MUB benefits from strong working relationships with the Resale Customers, often providing other contract services such as repairs and billing. While MUB does not have long term contracts with the Resale Customers, the practical constraints created by regulatory requirement, state utility regulation and the economies of scale which MUB enjoys would make any other arrangement for these bulk customers difficult to realize.

The Combined Utility System includes retail potable water service to approximately 26,200 connections and retail sewer service to approximately 22,575 service connections. MUB provides wholesale potable water and/or wastewater conveyance and treatment to a variety of surrounding public utilities which serve, in aggregate, approximately 17,900 customers in their respective service territories. The Stormwater System serves approximately 15,260 customers in the City and surrounding unincorporated areas.

MUB's assets are valued at over $307,000,000. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF THE MORGANTOWN UTILITY BOARD FOR FISCAL YEAR ENDED JUNE 30, 2017" herein. These assets include the main wastewater treatment plant in Star City, a wastewater treatment plant at Cheat Lake, and the water treatment plant in Morgantown. In addition, the Combined Utility System includes approximately 414 miles of water distribution lines, 299 miles of sewerage collection and transmission lines, and approximately 225 miles of stormwater management, conveyance and control facilities. MUB operates with approximately 150 employees.

MUB Board of Directors

Pursuant to the Act and the MUB Ordinance, MUB is overseen and directed by a Board of Directors appointed by the City Council (the "Board"). The Board is comprised of five residential customers of MUB appointed for staggered terms of five years. In addition to being customers of the Combined Utility System, up to two MUB members may be residents of Monongalia County residing outside of the Issuer's corporate boundaries. The remaining three members must be residents of the Issuer. The Board is responsible to oversee the management, control and operation of the Combined Utility System. The Board selects a chairman and other officers from its members annually. The names, offices and summary biographical information of the current members of the Board are set forth below:

JT Straface was born and raised in Morgantown, has been a member of the Board since 2003, and currently serves as Board chairman. Mr. Straface is a graduate of Morgantown's former St. Francis High School and West Virginia

University School of Mines where he received a BS degree in mining engineering. Mr. Straface owns and operates a number of successful small businesses in the Morgantown area. Mr. Straface's term expires on November 11, 2022.

Ron Bane is a lifelong resident of Morgantown and has served as a member of the Board since 2005 where he serves as vice-chairman. Dr. Bane currently serves as manager at West Virginia University Health Care, has served on the Morgantown City Council for 12 years and continues to serve in that capacity. Dr. Bane holds a BA in political science, a MS in safety studies, a MBA, and a Ph.D. in safety engineering. In addition, Dr. Bane has served on the Mountain Line Transit Authority for 7 years, Parking Authority for 4 years, and Traffic Commission for 4 years. Dr. Bane's term expires on November 11, 2019.

Tom Witt (B.A. Oklahoma State University, M.A. and Ph.D. Washington University -St. Louis) is an emeritus professor of Economics following a distinguished career with the West Virginia University College of Business and Economics. During his tenure with West Virginia University, he also served as director of the Bureau of Business and Economic Research and associate dean for research and outreach within the College. In addition, Witt served on the Governor's Blue Ribbon Commission on Highways, has published extensively, and provided testimony to the U.S. Senate Committee on Energy and Natural Resources and the National Academy Committee on Identifying the Needs of the Forensic Science Community. As a professor at WVU he was twice recognized with an Outstanding Teacher Award and was honored by *The State Journal's* Who's Who in West Virginia Business in 2000. In June 2017, Witt was inducted into the Order of Vandalia, the highest honor for service to West Virginia University. Currently, he resides in the Cheat Lake community with his wife Grethe Myles and provides economic consulting services through Witt Economics, LLC. He previously served as the secretary-treasurer of the Check Neck Public Service District before its merger into MUB.

John Ganz has been a Morgantown resident since 1989 and is recently retired from the U.S. Department of Energy where he worked as a regulatory compliance officer. Mr. Ganz has served on the Board since 2011; however, his association with MUB spans many years beyond that. Mr. Ganz has been involved in extensive institutional research facilities operations and regulatory compliance interface with MUB while working for the U.S. Dept. of Energy's National Energy Technology Lab (NETL) in Morgantown. Within this work at NETL, Mr. Ganz interfaced with MUB personnel and public utility facilities and services at NETL in the areas of general site operations, research facilities activities, hazardous waste treatment, and environmental protection. Mr. Ganz has more than 38 years professional career experience in the areas of regulatory compliance, project planning, facilities operations, and environmental protection. Mr. Ganz attended Potomac State College, Keyser, WV and received a BS Agriculture from Arizona State University, Tempe, AZ. Mr. Ganz's term expires on November 11, 2020.

William Rice is a retired engineer, and has brought a host of directly relevant experience and skills to MUB since joining the Board in 2013. This includes service on the County Commission's Water and Wastewater Committee as well as the Sewage Advisory Board for the West Virginia Department of Health. Mr. Rice currently serves on the West Run Board of Zoning Appeals for the County Commission and as chairman of the Citizen's Advisory Committee for the Greater Morgantown Metropolitan Planning Organization (MPO). As a resident of Bakers Ridge Road, Mr. Rice represents the first MUB Board member to reside outside Morgantown city limits. Mr. Rice's term expires on November 11, 2018.

MUB Professional Management

Timothy L. Ball – General Manager

Timothy L. Ball was appointed as the General Manager of the Morgantown Utility Board in October, 2010. Before serving as the General Manager, Mr. Ball served as the Assistant General Manager and Chief Engineer of the Morgantown Utility Board for 14 years.

Mr. Ball joined MUB as its Senior Engineer in early 1988. He was instrumental in the development of operating plans and upgrade projects for the newly expanded utility. He contributed similarly to the recent startup of the stormwater utility at MUB.

Mr. Ball holds BS and MS degrees in Civil Engineering from West Virginia University. He earned a MBA from WVU in 2000. He is a registered Professional Engineer and is also a licensed Land Surveyor. He has taught both civil engineering and business management courses at his alma mater.

Mr. Ball was appointed as an inaugural member and continues to serve on the West Virginia State Public Water System Supply Study Commission. That Commission was created in 2014 by Senate Bill 373, in response to

a chemical leak that disrupted water supply to 300,000 persons in and around Charleston, WV. The Commission is charged with the responsibility to advise and report to the Legislature on matters related to implementation of Senate Bill 373 and protection of the State's drinking water sources.

Mr. Ball has been recognized by his peers as a leader in the utility industry. He served as Chair of the West Virginia section of the American Water Works Association (AWWA) in 1992, and served on the National Board of Directors of AWWA from 2000 to 2003. In 1994, he received from AWWA the George Warren Fuller Award for service to the water industry. He was recognized as the Young Engineer of the Year in 1988 by the West Virginia Society of Professional Engineers, and is a member of the Tau Beta Pi and Chi Epsilon engineering honoraries. Mr. Ball actively participates in several other utility industry groups including the West Virginia Rural Water Association, the Water Environment Federation, and the West Virginia Municipal Water Quality Association. He often speaks to state and national water industry audiences on the topics of leadership, effectiveness, strategic planning, and stormwater management.

Douglas R. Smith – Assistant General Manager/Chief Engineer

Douglas R. Smith was appointed as the Assistant General Manager and Chief Engineer of the MUB in October 2010. Before serving as the Assistant General Manager and Chief Engineer, Mr. Smith served as a Senior Engineer of MUB for 14 years. He was instrumental in the startup of the stormwater utility and continues to be intimately involved in the establishment of rules and regulations set by the West Virginia Department of Environmental Protection and the Public Service Commission of West Virginia.

Mr. Smith holds a BS degree in Civil Engineering and a MBA from West Virginia University. He is also a registered Professional Engineer.

Mr. Smith served on the board of the West Virginia Section of the American Water Works Association for eight years and served as Chairman from 2006-2007. He currently serves as a board member for the West Virginia Rural Water Association. In 2008, he received the George Warren Fuller Award for service to the water industry.

Debbie Osborne – Comptroller

Debbie Osborne is the Comptroller of the Morgantown Utility Board. She manages both the Financial and Customer Information Systems. She is responsible for the preparation of budgets and financial reporting statements as well as all business and accounting operations of MUB.

She and her staff are responsible for the customer service functions for all retail water, sewer, and stormwater customers as well as providing these services for many neighboring utilities.

Ms. Osborne holds the degrees of BS in Business Administration and MPA, both awarded by West Virginia University. Prior to joining MUB in 1989, she worked for six years as an accountant for West Virginia University.

Dave Rife – Distribution Superintendent

Dave Rife manages MUB's Distribution Department which is responsible for the maintenance and construction of the water distribution and sewerage collection systems. In addition, Mr. Rife is responsible for MUB's vehicle fleet and its inventory and purchasing operation. Mr. Rife has been a MUB employee since 1983. He has worked at nearly every assignment in the department that he now manages.

Greg A. Shellito – Manager of Treatment and Production Facilities

As Manager of Treatment and Production Facilities, Greg A. Shellito manages all of MUB's treatment and pumping operations. He and his staff are responsible for the operation and maintenance of the Morgantown Water Treatment Plant, the Morgantown Wastewater Treatment Plant, and the newly acquired Cheat Lake Wastewater Treatment Plant. In addition, Mr. Shellito is responsible for 15 pumping systems serving 38 water storage tanks throughout the water distribution system, totaling 73 wastewater lift stations in the two collection systems. Mr. Shellito also acts as MUB liaison to regulating federal and state agencies.

Prior to appointment his current position, Mr. Shellito served as Superintendent and Plant Engineer of the Wastewater Treatment Plant. He holds BS degrees in biology and chemistry from Gannon University in Erie,

Pennsylvania, and a MS in biology from West Virginia University. Mr. Shellito is an Environmental Engineer and is certified as a Registered Engineer in Training. He has been a licensed Class IV wastewater treatment plant operator since 1988.

Mr. Shellito has published several articles in national professional journals. He is a member of several professional associations, including the West Virginia Water Environment Association, which he served as President, the American Water Works Association and the Rural Water Association.

Chris Dale – Director of Communications

Chris Dale joined MUB in 2012 and provides oversight of public outreach activities. Prior to joining MUB, he served as a visiting instructor at West Virginia University for 12 years and as a public affairs officer for the American Red Cross for 13 years where he managed crisis and emergency communications. He is a veteran of the US Army having served as a medic in the 3rd Infantry Division.

Mr. Dale maintains mub.org, ensures that area residents remain informed of MUB activities, maintains relationships with members of the media and community leaders, continuously monitors traditional and social media, plans and conducts various outreach events, consults with MUB leadership on internal/external impacts of policy changes, provides customer service for demanding customers as well as 24/7 social media support, writes and designs various internal and external communication vehicles, and maintains MUB's crisis communications plan.

Mr. Dale holds a BA in Psychology and a MS in Journalism with a specialization in public relations, both from West Virginia University.

MUB Personnel

MUB employs approximately 150 individuals. Of that number, approximately 37 are assigned to the Treatment and Production Facilities Department, approximately 72 are assigned to the Distribution Department and 41 are assigned to Administration. All employees are available to work on any aspect of the three utilities, while employee and equipment time, as well as materials, are tracked and allocated to each of the three utilities. Employees are cross-trained in each Department and succession plans for key leadership positions throughout MUB are regularly reviewed and updated.

Employees of MUB are employed directly by MUB, not the Issuer. MUB employees are not represented by a collective bargaining unit. The City Charter expressly prohibits employees of the City and MUB from organizing collective bargaining units. MUB employees are required to participate in group medical insurance and retirement plans.

MUB Business Philosophy

MUB has several keystone practices that guide its business approach. One is that of minimizing reliance upon outside services, and doing as much as possible with its own staff. In addition to staffing for the regular operation and maintenance the Combined Utility System requires, MUB maintains sufficient personnel and equipment to field two to three full time construction crews. Doing so allows MUB to construct system extensions and perform renewal and replacement work at lower cost, and with less preparation time, than would be required using outside contractors. Engineering staffing is similarly robust and beneficial.

The pursuit of value, rather than minimizing immediate cost, is also a key practice of MUB. An easy example is the purchase of premium efficiency pump motors. A premium efficiency pump motor may cost 10% more than a standard efficiency motor, but will yield reduced electrical consumption to pay for its incremental cost in just two or three years, while providing continued savings for decades more. MUB invests for value at every purchase opportunity.

MUB requires that expansion of the Combined Utility System be self-supporting. Line extensions to newly developed areas are designed and constructed by MUB at the expense of the developer. Line extensions to existing unserved areas are designed and constructed by MUB at the expense of the new customers to be served. Acquisition of other systems is accomplished at a zero purchase price other than assumption of the acquired system's existing debt, in which case the associated debt service continues to be paid by the customers on the acquired system through a separate rate schedule for the acquired area.

MUB Governance

The municipal governmental structure in which MUB was created and continues to operate is designed to provide professional, apolitical, oversight and management of the Combined Utility System. The Board, while appointed by City Council, operates with near total autonomy. The only aspects of MUB which remain subject to City Council approval are establishment of rates and charges, the issuance of bonds, and approval of large capital projects, all of which require the enactment of an ordinance by City Council.

As a subunit of the City, MUB does not participate in political issues. MUB does, however, regularly work with political bodies to further MUB's mission.

For example, municipal ordinances to establish enforceable standards related to utility services are routinely drafted and proposed by MUB, and subsequently implemented by City Council as needed. Similarly, MUB's occasional acquisition of surrounding utilities requires and receives the cooperation of The County Commission of Monongalia County.

Similarly, MUB works closely with the West Virginia Legislature occasionally on its own behalf, but more often through the West Virginia Rural Water Association and/or the West Virginia Municipal League. MUB is well regarded in both organizations by virtue of its recognized leadership in the State and region. Two legislative initiatives in which MUB played a key role deserve special mention.

The first is House Bill 4619, enacted March 2002, which allowed the creation of stormwater utilities in West Virginia. MUB recognized early when regulations applying to municipal separate storm sewer systems (known as "MS4's") were newly issued, that MUB was better suited to meet the regulations than was the Morgantown Street Department which had responsibility for the Morgantown storm system at the time. MUB drafted a bill, obtained sponsors, and advocated successfully at the State Legislature for its passage, modifying the State code to authorize creation of locally owned and operated stormwater utilities. MUB then worked with City Council to enact the necessary ordinances to create the State's first stormwater utility under MUB. Since that time, MUB's Stormwater System has served as a model for others in the State and region.

The second is Senate Bill 234, enacted in March 2015, with further clarifications enacted March 2017 (collectively, "Senate Bill 234") which reduced the regulatory authority of the Public Service Commission of West Virginia ("PSC") over the state's largest publicly owned water and/or sewer utilities. Excessive regulation of rates by the PSC was widely perceived to have suppressed and/or discouraged justifiable rate increases, thus leaving utilities without adequate revenues to fund proper O&M activities. Similarly, the PSC capital project approval process was widely viewed as an unproductive and expensive review that added little or no value, but often delayed work as much as a year. In 2014, a report by an internationally recognized credit rating agency cited excessive regulation as a significant credit risk arising from West Virginia's regulatory scheme. To address this issue, MUB drafted and proposed to the Legislature Senate Bill 234, and working with its partners at WVWRA and West Virginia Municipal League, obtained multiple sponsors from the leadership in both houses of the Legislature, and successfully advocated for its passage. See "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – State Utility Regulation" and "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – Rate Setting and Project Approval Process" herein.

The above examples illustrate MUB's willingness and ability to achieve Legislative solutions to issues. MUB also monitors legislation each year and provides insight to the West Virginia Legislature on the potential impact of proposed bills.

MUB Fiscal Policies

The Board has adopted a comprehensive Statement of Investment Policy. The statement outlines broad investment policies to include delegation of certain authority to the General Manager, investment objectives, collateralization of deposits, protection of funds, permitted investments, investment of bond proceeds and investment reporting.

The Board recently formalized MUB's long-standing practices regarding cash management through the adoption of a Liquidity Policy. The Liquidity Policy establishes a stated goal for MUB to maintain between 110 – 140 days of operation and maintenance expense in unrestricted cash and cash equivalents available for unexpected economic and operational events. The Liquidity Policy assumes daily operation and maintenance expense of $40,000, which results in available liquid assets of $4,400,000 to $5,600,000.

MUB's combined cash reserves are currently and temporarily reduced by the unique costs related to planning and design of the proposed stormwater and sanitary sewer improvements, and by similar costs related to proposed water system improvements which will be funded by a future bond issue. MUB typically finances the pre-construction costs of bond financed projects "out of pocket". Those costs are then reimbursed to MUB immediately upon closing of the long-term financing for the project. For the Project the anticipated reimbursement will be up to $160,000 from the Series 2017 A Bonds and up to $750,000 from the Series 2018 B Bonds, respectively.

MUB PENSION OBLIGATIONS

As authorized by state law and required by City ordinance, MUB employees are enrolled in The City of Morgantown Employees' Retirement and Benefit Fund. Employees contribute 5.95% of their compensation. MUB likewise contributes an actuarially determined share toward each employee account, currently at 13.23% of payroll. See "MUB Personnel" herein.

The pension fund is managed by an elected Board of Trustees and its agents. The fund is estimated to be 78.35% funded as of June 30, 2017. MUB's share of the unfunded pension liability as of June 30, 2017 was $8,686,000.

As of the July 1, 2011 actuarial valuation, the Board of Trustees adopted a closed amortization period of 25 years to amortize the unfunded liability. As of the July 1, 2016 valuation, the remaining amortization period is 20 years.

Of the 13.23% of payroll currently contributed by MUB, 6.91% goes toward the amortized unfunded liability. The remaining 6.32% of payroll is MUB's actuarially determined normal contribution.

MUB Water System

The Water System provides retail potable water service to approximately 26,200 customers. Water System facilities include, but are not limited to, approximately 414 miles of transmission pipe, a 16 million gallon per day (MGD) water treatment plant, 15 booster pumping stations and 34 water storage tanks with a combined volume of 18.8 million gallons. Raw water is currently supplied through an intake on the Monongahela River and Coburn Creek Reservoir #1. The water treatment plant was recently significantly upgraded, the design for which began in 2009. Construction of the overall water treatment plant upgrade began in 2010 and was completed in 2012. The project replaced the existing Monongahela River intake structure, added a membrane filtration process, expanded clear well storage and updated and improved the various chemical feed systems. The improved water treatment plant has an immediate capacity of 16 MGD, and can be incrementally expanded to 24 MGD.

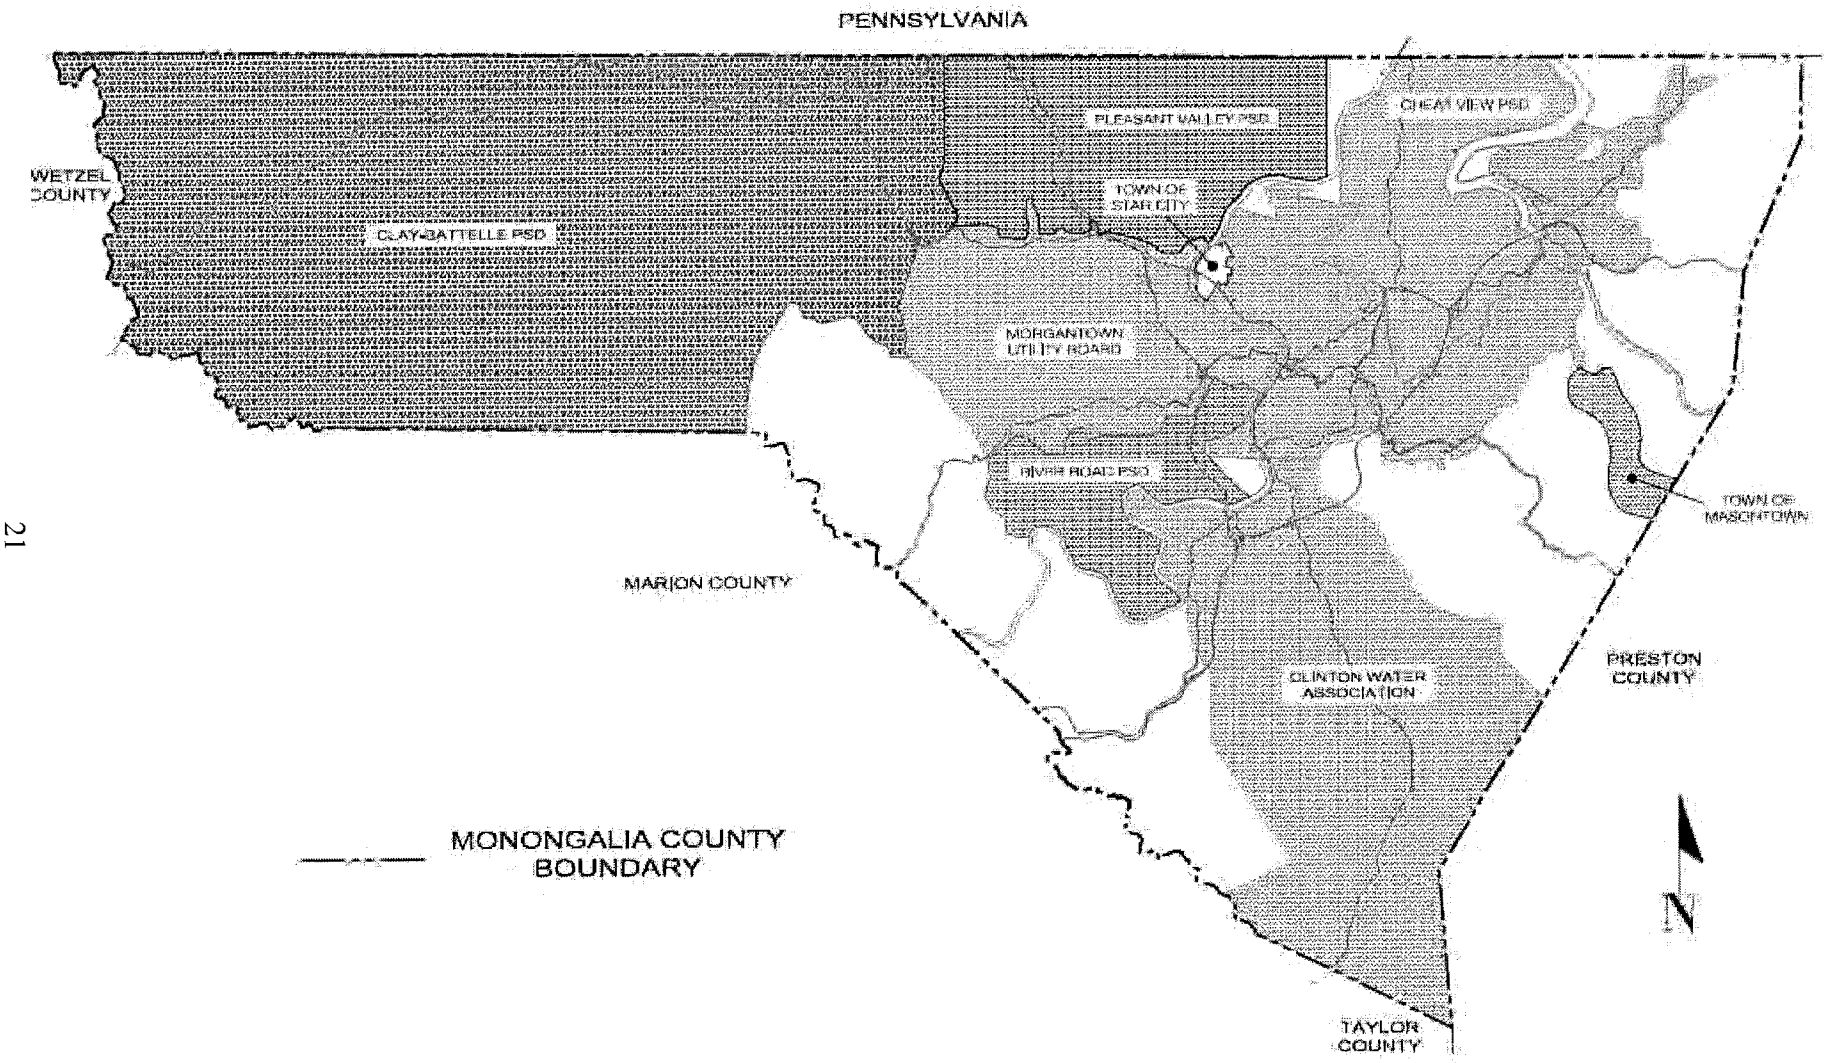

MUB Water System – Service Area

MUB's Water System retail service area:

- includes the entirety of the City and surrounding areas in Monongalia County, West Virginia;
- covers approximately 52.6 square miles; and
- includes a diversified group of healthcare, higher education, manufacturing, and service industry customers.

In addition to MUB's retail customers, MUB sells bulk treated water to seven (7) separate adjacent public water utilities: Cheat View Public Service District, Clinton Water Association, Clay Battelle Public Service District, Pleasant Valley Public Service District, the Town of Masontown, the Town of Star City, and River Road Public Service District (collectively, the "Water Resale Customers"). The Water Resale Customers utilize the purchased water to provide retail potable water service to nearly 12,500 customers within their respective service territories.

MUB Sewer System

The Sewer System provides sanitary sewer service directly to approximately 22,575 customers. The Sewer System has two distinct portions. The first, the "Morgantown Sewer System," includes both The City of Morgantown and the immediately surrounding areas, encompassing the traditional service area of MUB. The facilities in the Morgantown Sewer System include, but are not limited to, approximately 299 miles of collection lines and mains, the primary wastewater treatment plant located in Star City (the "Star City WWTP") which has a 12 million gallon per day (MGD) capacity, 53 lift stations, and 40 combined sewer overflows. The Series 2016 A Bonds, the Series 2016 B-1 Bonds and the Series 2016 B-2 Bonds were issued to finance the costs of design, acquisition, construction and equipping of a project to upgrade the Star City WWTP (the "2016 Sewer System Project"). The 2016 Sewer Project will increase treatment capacity at the Star City WWTP to 20.8 MGD and is expected to be completed in 2020.

The second distinct portion of the Sewer System is the sanitary sewer collection and treatment system which serves the Cheat Lake area outside of, but adjacent to, the municipal limits of the Issuer in Monongalia County. The Cheat Lake System serves approximately 2,800 retail customers. The facilities of the Cheat Lake System includes approximately 50 miles of collection and transmission lines, a 750,000 gallon per day (GPD) wastewater treatment plant (the "Cheat Lake WWTP") and 20 lift stations. The Cheat Lake System contains no combined sewer overflows. The Cheat Lake WWTP, lift stations, and major interceptors and force mains were constructed in 2000 at a cost of $10,000,000. Growth and demand for expanded utility services is generally strong throughout the MUB service area and particularly so in the Cheat Lake area.

MUB Sewer System – Service Area

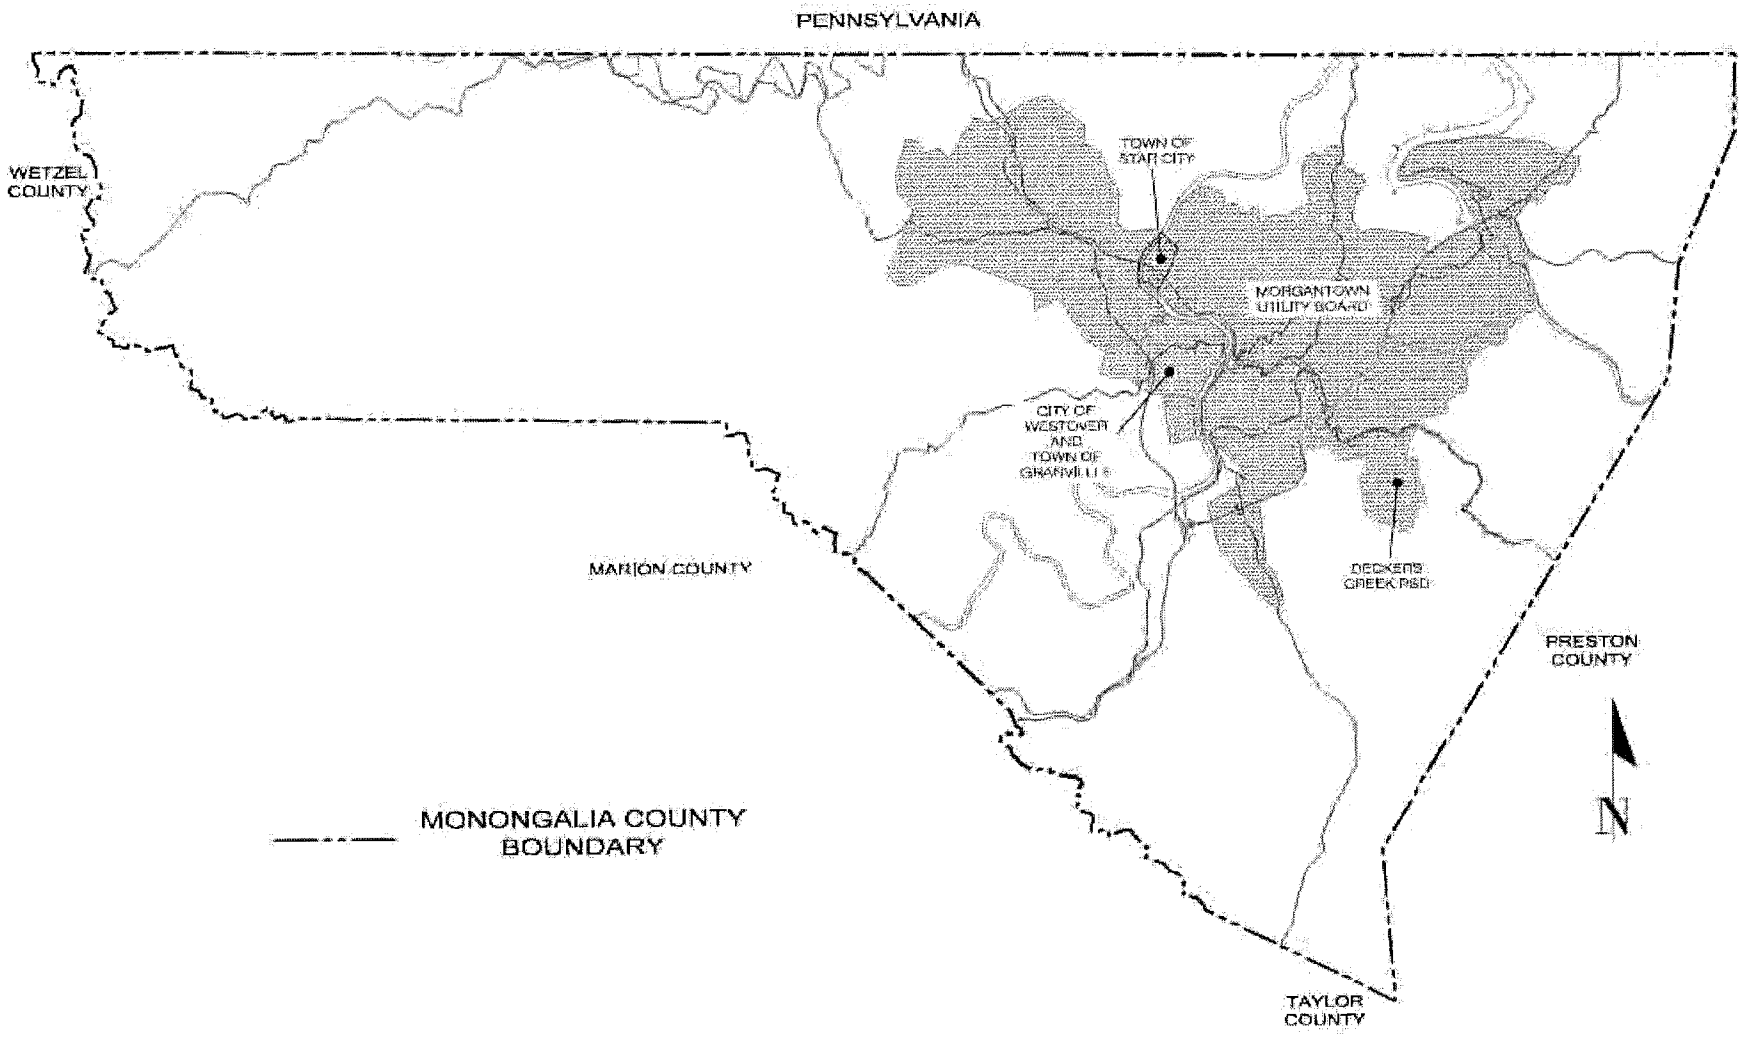

MUB's Sewer System Service area:

- includes the entirety of the City and surrounding areas in Monongalia County, West Virginia;
- covers approximately 49.75 square miles; and
- includes a diversified group of healthcare, higher education, manufacturing, and service industry customers.

In addition to MUB's retail customers, MUB provides sanitary sewerage transmission and treatment to four (4) separate adjacent public sewer utilities: the City of Westover, Deckers Creek Public Service District ("Decker's Creek PSD"), the Town of Star City, and the Town of Granville (collectively, the "Sewer Resale Customers"). The Sewer Resale Customers provide retail sanitary sewer service to nearly 5,500 customers within their respective service territories.

MUB Stormwater System

The Stormwater System serves approximately 15,260 customers. The West Virginia Department of Environmental Protection ("DEP") implemented federal MS4 (Municipal Separate Storm Sewer System) regulations effective 2003. The City of Morgantown added stormwater to the mission of MUB on May 21, 2002. Prior to that, the Stormwater System was maintained by the City Street department. The MUB stormwater utility was the first created in West Virginia, and has served as the model for others created statewide since that time. Stormwater rates, based on measured impervious area, were enacted by the Council of the Issuer to fund a suitable annual budget for both ongoing operations and maintenance, and for capital improvements. The MUB stormwater service area is defined on a watershed basis, and therefore includes areas that flow into the City from beyond the municipal corporate limits. Stormwater System facilities include a known inventory of 103 miles of pipe and culverts, however, the length of the total stormwater conveyance facilities is estimated to be approximately 225 miles. A mapping project to determine the full system inventory is underway, as required by recent federal regulations. An $8,500,000 project was completed in 2009 to improve the Burroughs Run and Popenoe Run streams, providing stream restoration to stabilize the streams and to improve stream conveyance capacity in order to reduce the potential for flooding. A $2,475,000 project to improve and protect the Sabraton area along the Hartman Run stream, and at the intersection of Hartman Run Road (W.V. Route 857) and W.V. Route 7 was completed in 2015.

MUB Stormwater System – Proposed Improvements

Forest Ave - Includes installation of approximately 500 feet of stormwater piping, related catchment structures, curb and pavement reconstruction.

Valley View Ave - Includes installation of approximately 1,100 feet of stormwater pipe ranging in sizes from 18 inches to 48 inches in diameter, related catchment structures and pavement reconstruction. Additionally, approximately 600 feet of sanitary sewer will need to be installed to facilitate the construction of the proposed storm line.

Acorn Village/Tanglewood – Includes approximately 1,000 feet of storm system reconstruction including a combination of pipeline and stream/ditch line restoration and potentially detention facilities.

Third Street - Includes replacement approximately 260 of 15 inch storm line.

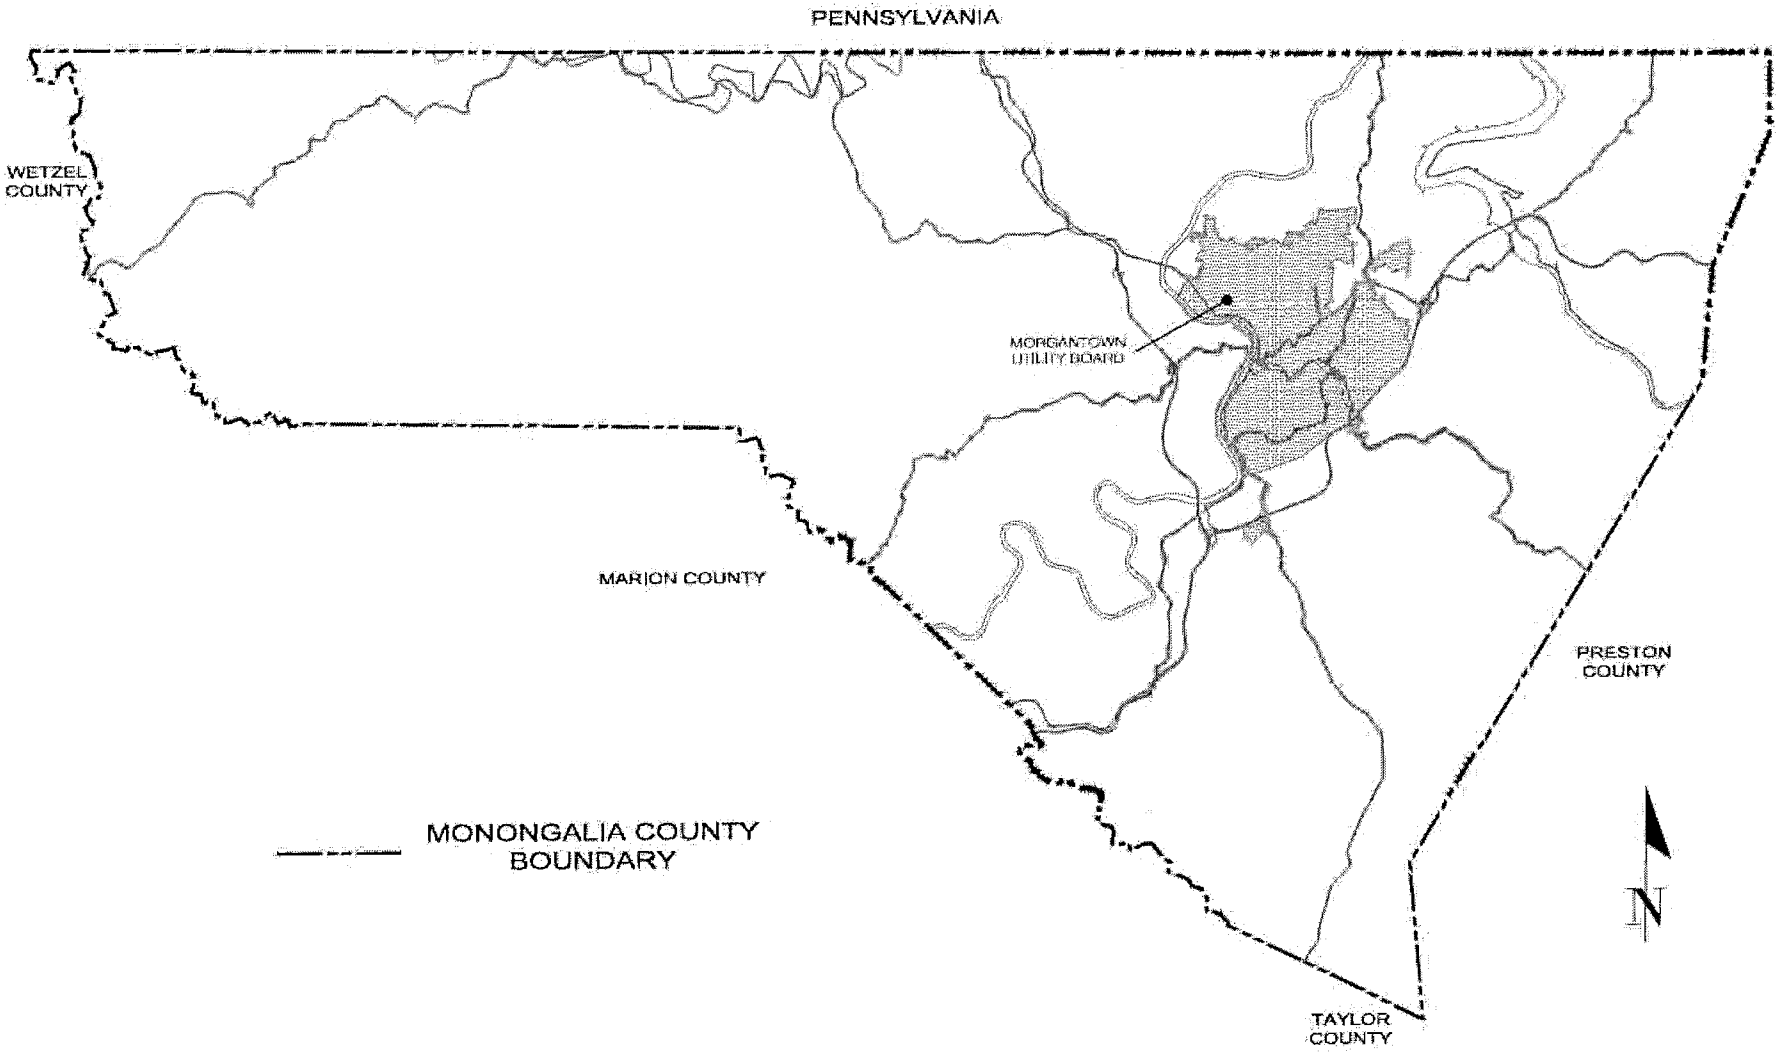

MUB Stormwater System – Service Area

MUB stormwater service area:

- includes the entirety of the City and surrounding areas in Monongalia County, West Virginia;
- covers approximately 14.68 square miles; and
- includes a diversified group of healthcare, higher education, manufacturing, and service customers.

Set forth on the next page is a map which reflects the retail service area of the Stormwater System.

MUB Operating and Capital Budgets

Operating and Capital budgets for the Water System, Sewer System and Stormwater System are prepared and approved annually by MUB.

MUB Combined Utility System Environmental Regulatory Performance

MUB maintains an excellent record of regulatory compliance. Discussion follows with respect to the Water System, the Sewer System and the Stormwater System.

MUB Water System.

Although numerous standards apply to regulate the treatment process and quality of treated potable water, a permitting process analogous to the National Pollutant Discharge Elimination System ("NPDES") permit does not exist. Nonetheless, monthly reports are required by WV Department of Health and Human Resources ("DHHR"), and consistently indicate full compliance.

The PSC requires annual reporting of water loss, which is measured by a percentage of water that is un-accounted, and requires a corrective action plan for water loss exceeding 15%. MUB's program of loss prevention and leak location is very effective, and consistently complies with the PSC standard. The most recent reported water loss was 10.35% for FY 2017.

There are no outstanding enforcement actions applicable to the Water System.

MUB Sewer System.

Sewer service is regulated under the separate NPDES permits for the Star City WWTP and the Cheat Lake WWTP, and each corresponding collection system. As evidenced by receipt of numerous consecutive Platinum Awards from the National Association of Clean Water Agencies ("NACWA"), MUB has had zero permit violations in the last 16 years at the Star City WWTP, and in the last 18 years at the Cheat Lake WWTP.

An Administrative Order has been issued by West Virginia Department of Environmental Protection ("DEP") related to the Long Term Control Plan, and is procedural in nature. MUB is fully compliant with the terms of the Administrative Order.

An Administrative Order has been issued by DEP related to the 2016 Sewer System Project, and confirms the construction plan and schedule proposed by MUB in the approved NPDES permit modification. MUB anticipates full compliance with the Administrative Order.

There are no other outstanding enforcement actions applicable to the Sewer System.

MUB Stormwater System

Numerous standards apply to regulate the operation and maintenance of stormwater systems by way of the MS4 variation of the NPDES permit. Semi-annual reports are required by DEP, and consistently indicate substantial compliance.

A 2014 inspection by DEP of MUB's MS4 reporting resulted in a Notice of Violation for failure to achieve certain permit requirements and/or goals expressed in MUB's Stormwater Management Plan. In most cases, the requirement/goal had been achieved, but the achievement was not properly documented. MUB was directed to submit a report describing how the unmet goals would be achieved/documented for compliance; said report was promptly submitted, appropriate program corrections were made, and no further enforcement action has been taken or is expected to be taken.

A 2015 inspection by the United States Environmental Protection Agency ("EPA") of MUB's MS4 reporting (for years 2012 and 2013) resulted in an Administrative Order for failure to achieve certain permit requirements. MUB was directed to submit a report describing how the unmet goals would be achieved/documented for compliance; said report was promptly submitted, and EPA has now issued a letter accepting the Report and closing the Administrative Order docket as having been appropriately resolved.

There are no outstanding enforcement actions applicable to the Stormwater System.

MUB Sewer System Long Term Control Plan

MUB's original Long Term Control Plan ("LTCP") was submitted to WV DEP and approved in 2002. Because such complex plans and the regulations to which they respond are constantly evolving, the LTCP is best considered a "living document" that remains subject to continuous revision and re-negotiation.

Work completed under the 2002 LTCP includes the following: (i) an addition of a third secondary clarifier at the Star City WWTP, which was completed in 2009 at a cost of $6,400,000; and (ii) an upgrade of Deckers Creek Pump station and force main, which was completed in 2012 at a cost of $15,500,000.

MUB submitted updates to its LTCP to WV DEP in 2011 and 2014. These updates have not been formally approved or rejected by DEP, and remain under ongoing discussion. The 2014 LTCP served as the basis for the 2016 Sewer System Project.

The 2014 LTCP describes four phases of anticipated improvements (all cost estimates are in 2015-2016 dollars):

- Group 1 – 2020 completion
  - WWTP upgrade – financed as a portion of the 2016 Sewer System Project at a cost of $101,000,000 (estimated $70,000,000 in LTCP).
  - Popenoe Run Interceptor replacement – financed as a portion of the 2016 Sewer System Project at a cost of $1,600,000 (estimated $6,000,000 in LTCP).

- Group 2 – 2025 completion
  - Star City WWTP upgrade Phase 2 at $21,000,000.* (Since the 2014 LTCP, portions of the Star City WWTP upgrade Phase 2 have been included in the 2016 Sewer System Project.)

- Group 3 – 2030 completion
  - Upgrade of Deckers Creek Pump Station and Interceptor at $19,000,000.*
  - Popenoe Run Pumping and Storage at $12,000,000.*

- Group 4 – 2035 completion
  - Add High Flow Wet Weather Treatment to WWTP at $44,000,000.*

* Preliminary, subject to change. Also, construction subject to availability of grant and low interest loan funds and affordability under %MHI indices.

MUB actively participates in the activities and leadership of several West Virginia based industry groups and national industry organizations, including:

West Virginia Based Organizations

- WV American Water Works Association ("WV AWWA"),
- WV Rural Water Association ("WV RWA"),
- West Virginia Municipal League ("WVML"),
- West Virginia Municipal Water Quality Association ("WVMWQA"), and
- West Virginia Water Environment Association ("WVWEA").

National Organizations

- American Water Works Association ("AWWA"),
- Water Environment Federation ("WEF"),
- Rural Water Association ("RWA"),
- National Association of Clean Water Agencies,
- Association of Metropolitan Water Agencies ("AMWA"),
- Wet Weather Partnership, and
- National Association of Clean Water Agencies ("NACWA).

MUB's active participation in these organizations has broadened its reach to include a wide network of resources and contacts. This allows MUB to bring cutting edge ideas to practice in its service areas. Most importantly, it empowers MUB to compare itself to, learn from, and compete with larger utilities throughout the nation and region.

In addition to formal recognition, MUB is unique among public utilities in West Virginia as the first, and to this date, the only, combined potable water, sanitary sewer and stormwater utility.

MUB Operations, Maintenance, and Asset Management

MUB Operations Overview.

The Water Treatment Plant, Star City WWTP and the Cheat Lake WWTP (collectively, the "Treatment Plants") are under the direct supervision of the Manager of Treatment and Production Facilities. The Treatment Plants are operated by professionals licensed by the WV Bureau for Public Health (Water) and the West Virginia Department of Environmental Protection (Sewer). In addition to the Treatment Plants, the Manager of Treatment and Production Facilities is responsible for the operation and maintenance of the 15 pumping stations and 34 storage tanks included in the Water System and the 73 pumping stations in the Sewer System.

The distribution and transmission lines in the Water System, collection and transmission lines in the Sewer System and the management and conveyance infrastructure in the Stormwater System are the responsibility of the Distribution Superintendent. The Combined Utility System includes approximately 414 miles of water distribution

lines, 299 miles of sewerage collection and transmission lines, and approximately 225 miles of stormwater management, conveyance and control facilities.

MUB Maintenance Overview.

MUB has a structured maintenance program which focuses on ensuring the expected useful life of facilities and equipment throughout the Combined Utility System. A computerized maintenance management system is utilized to track and document preventative maintenance, predictive maintenance and unplanned repair activities. A computerized purchasing and inventory control system is utilized.

Asset Management Plan Overview.

MUB maintains an Asset Management Plan which is updated on an annual basis to reflect depreciation, replacement and upgrades of existing assets, as well the addition of new assets. The purposes of the Asset Management Plan are to (i) ensure the maximum reasonable useful life of assets; (ii) reduce the occurrence of lost service through anticipatory replacement, repair or improvement of assets; and (iii) support optimal decision-making through consistent life-cycle costing and renewal and replacement planning.

MUB CAPITAL IMPROVEMENT PROGRAM

MUB utilizes an annually adopted five-year Capital Improvement Program ("CIP") to plan and manage the capital improvements necessary to fulfill its service mission, comply with regulatory requirements and preserve and upgrade each system within the Combined Utility System. MUB updates the CIP annually in conjunction with its budget process, based on detailed project review by engineering staff, external engineering consultants retained by MUB and senior management.

MUB CIP Management and Administration

Consulting engineering services are generally employed for the design of major projects. MUB's engineering department has fourteen (14) employees who design certain projects and review and coordinate the plans submitted by consulting engineers for others. Depending on the size and type of project, responsibility for design, bidding, construction management, and/or resident inspection may be provided by MUB engineering, staff, consulting engineers, or a combination of both. All projects are scheduled and monitored under the direction of a licensed professional engineer. Overall project coordination and management is the responsibility of the General Manager and Assistant General Manager/Chief Engineer.

MUB CIP Funding Sources

MUB anticipates funding the CIP through a combination of long term debt (i.e. Additional Parity Bonds) and internally generated funds for capital additions. Additional funding is routinely received from developers, the West Virginia Department of Highways, West Virginia University and others for the purpose of increasing capacity, relocating facilities and expanding the service area.

The ordinances which authorized the issuance of the Prior Bonds, as supplemented, are herein collectively referred to as the "Prior Ordinances." As of June 30, 2017, the Prior Bonds were outstanding in the amount of $159,967,436. See chart contained in "DEBT SERVICE REQUIREMENTS – Existing Long-Term Debt of the Combined Utility System" herein.

The Issuer also has outstanding is Combined Utility System Revenue Bonds, Series B-2 (West Virginia SRF Program/Green), dated December 15, 2016, issued in the original aggregate principal amount of $500,000 (the "Series 2016 B-2 Bonds") the repayment of which is not secured by the Gross Revenues of the System. The outstanding principal amount of the Series 2016 B-2 Bonds which is advanced in each Fiscal Year is forgiven by the holder of the Series 2016 B-2 Bonds on the last day of such Fiscal Year. The Series 2016 B-2 Bonds do not bear any interest.

Future Bond Issues

The Issuer and MUB anticipate the issuance of bonds on a parity with the Series 2017 A Bonds in the future. Such future bond issues include, but will not be limited to, Additional Parity Bonds to finance the following projects which are in various states of planning or commitment:

Rockley Road Water Project.

The Issuer is scheduled to enact a Supplemental Resolution on January 16, 2018, authorizing the issuance of Combined Utility System Revenue Bonds, Series 2018 A (West Virginia Infrastructure Fund), in the approximate aggregate principal amount of $450,000 (the "Series 2018 A Bonds"), to finance a portion of the costs to design, acquire, construct and equip a potable water line extension to serve approximately 20-25 new customers along Rockley Road in an unincorporated area of Monongalia County outside the corporate limits of the Issuer at a total cost of approximately $857,000 (the "Rockley Road Water Project"). The remaining costs of the Rockley Road Water Project not paid from the proceeds of the Series 2018 A Bonds will be paid through grants from The County Commission of Monongalia County and the West Virginia Infrastructure and Jobs Development Council and a contribution in aid of construction of approximately $26,000 from MUB. While the Series 2018 A Bonds will be issued with a lien on the Gross Revenues of the Combined Utility System on a parity with the Prior Bonds and the Series 2017 A Bonds, each of the new Water System customers served by the Rockley Road Water Project will pay a monthly surcharge, in addition to existing rates and charges of the Water System, which will be sufficient, along with the monthly surcharges paid by the other new Water System customers served by the Rockley Road Water Project, to pay the principal of, and interest on, the Series 2018 A Bonds.

Project.

The Issuer and MUB anticipate financing the Costs of the Project not financed with the proceeds of the Series 2017 A Bonds, with proceeds of Combined Utility System Revenue Bonds, Series 2018 B, in the approximate aggregate principal amount of $1,000,000 (the "Series 2018 B Bonds). The Issuer and MUB anticipate the issuance of the Series 2018 B Bonds in the first or second quarter of 2018.

Water Reservoir Project.

The 2016 Sewer Project financed with the proceeds of the Series 2016 A Bonds and the Series 2016 B Bonds was originally planned to go to construction simultaneously with a project to construct a new water reservoir for the Water System and, depending on the availability of bond proceeds, additional assets for the Water System (hereinafter more fully described, the "Water Reservoir Project"), financed with a separate series of combined utility system bonds on a parity with the Series 2016 A Bonds and Series 2016 B Bonds. Due to design and regulatory

delays, the Water Reservoir Project has been delayed and construction bids expect to be opened in mid-February of 2018. The Issuer and MUB anticipate that the Water Reservoir Project will go to construction in the second quarter of 2018.

An ordinance authorizing the issuance by the Issuer of its Combined Utility System Revenue Bonds, Series 2016 D in an amount not to exceed $40,000,000 was enacted by City Council contemporaneously with the Series 2016 A Ordinance. A subsequent ordinance authorizing the issuance by the Issuer of its Combined Utility System Revenue Bonds, Series 2017 A in an amount not to exceed $50,000,000 was enacted by City Council on January 3, 2017, replacing and superseding the planned Series 2016 D. The Issuer anticipates issuing the bonds to finance the Water Reservoir Project in the second quarter of 2018 and will re-designate the obligations, via supplemental resolution, as "Combined Utility System Revenue Bonds, Series 2018 C," while the not to exceed amount will remain $50,000,000 (the "Series 2018 C Bonds"). The rate modifications for the Water System enacted to pay the anticipated debt service for the Project 2016 project also included sufficient revenues to for the anticipated debt service on the Series 2018 C Bonds. These rates began to be charged on July 1, 2016.

STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES

State Utility Regulation

Public water and sewer utilities in West Virginia are subject to regulatory review by the PSC. Public municipal stormwater facilities are not subject to PSC regulation. Pursuant to state legislation which became effective in June 2015, and subsequently further clarified by state legislation effective in June 2017 (collectively, "Senate Bill 234"), the scope of PSC authority over larger public water and sewer utilities such as MUB was reduced. As a result of Senate Bill 234, MUB was exempted from PSC regulation and approval of, among other things:

1. Amendments and modifications to rates and charges of the Water System and the Sewer System; and

2. The requirement to obtain prior PSC approval for construction of capital projects which are outside "the normal course of business."

The authority of the PSC over large public water and sewer utilities, however, has been effectively enlarged by a recent court decision. Specifically in SWVA v. Huntington Sanitary Board, *et. al.*, Case Number 17-0120 (Memorandum Decision, November 14, 2017), the State of West Virginia Supreme Court of Appeals held, among other things, that the PSC retains jurisdiction over, and is the proper venue for, complaints by customers of such large public water and sewer utilities for failure to satisfy statutorily mandated public notice requirements for approval by City Council of (1.) amendments and modifications of rates and charges for public water and public sewer systems; and (2.) construction of projects for public water and/or sewer systems which are outside of "the normal course of business." Accordingly, while the changes to the state regulatory structure as a result of Senate Bill 234 result in significant savings of both time and expense for MUB when pursuing both rate increases and capital projects, SWVA v. Huntington Sanitary Board created some uncertainty regarding the extent to which the regulatory jurisdiction of the PSC has been reduced.

Senate Bill 234 provided specific protection to bondholders. Specifically, West Virginia Code Section 24-2-1(b)(8) was amended by Senate Bill 234 to provide as follows:

> In the event that a political subdivision has a deficiency in either its bond revenue or bond reserve accounts, or is otherwise in breach of a bond covenant, the bondholder may petition the Public Service Commission for such redress a will bring the accounts to current status or otherwise resolve the breached covenant, and the commission shall have jurisdiction to fully resolved the alleged deficiency or breach.

Neither the Issuer or MUB is aware that any bondholder has petitioned the PSC for relief pursuant to this specific authority since it became effective on June 12, 2015.

Rate Setting and Project Approval Process

The PSC retains authority to investigate and resolve: (i) disputes between MUB and the Resale Customers regarding rates, fees and charges for the Water System and Sewer System; and (ii) complaints by MUB customers

regarding the PSC's exercise of powers enumerated in Chapter 24, Article 2, Section 1(b) of the Code of West Virginia, 1933. Moreover, the PSC regulatory oversight includes regulation of measurements, practices, acts or service of MUB, regulation of MUB's system of accounts, regulation of MUB's submission of tariffs, adjudication of service territory disputes, and certain agreements between utilities.

The Council of the City has the authority to implement rates and charges for the Combined Utility System through the enactment of a Rate Ordinance. Such rates and charges are required by the Act to be sufficient at all times to: (i) provide for the payment of interest on all bonds issued pursuant to the Act and to create a sinking fund to pay the principal of such bonds as and when the same becomes due, and reasonable reserves therefore; (ii) provide for the repair, maintenance and operation of the systems; (iii) provide an adequate revenue and replacement fund; and (iv) make any other payments required or provided for in the applicable bond ordinance. The Act provides that rates and charges established by municipally operated combined utility systems shall be just, reasonable, applied without unjust discrimination or preference and based primarily on the costs of providing service. Under the Act, a municipality is required to maintain a "working capital reserve" for its respective water, sewerage and stormwater systems in an amount of no less than one-eighth (12.5%) of its actual annual operation and maintenance expense, which amount must be separate and distinct from and in addition to any renewal and replacement fund.

Enactment of a Rate Ordinance by City Council requires a minimum of four to six weeks, including pre-enactment notice of the proposed increased rates and charges. The Council of the City must have two readings of a Rate Ordinance, separated by fourteen (14) days, with a public hearing prior to the second reading. Pre-enactment notice of the proposed rates and charges must be provided to the City's customers with the billing statement in the month prior to the first reading of a Rate Ordinance. The new rates and charges cannot go into effect any sooner than 45 days after the date of enactment of a Rate Ordinance, unless the Council affirmatively finds and declares that the Combined Utility System is in financial distress such that the 45-day waiting period would be detrimental to the ability of the Combined Utility System to deliver continued and compliant service. Once enacted by the City, the proposed rates and charges are subject to investigation by the PSC upon the filing of a complaint by any one of the Resale Customers of the portion of the Combined Utility System for which such rates and charges are being modified. Resale Customers have no statutory timeframe following the enactment of a Rate Ordinance within which they must file a complaint, nor does the PSC have a statutory time frame within which to render a decision on such a complaint. As explained in the previous section, the decision in SWVA v. Huntington Sanitary Board clarified that any customer may bring a complaint at the PSC alleging, at a minimum, failure of the City Council to follow statutorily mandated notice requirements related to the Rate Ordinance.

The Council of the City also has the authority to authorize capital projects not in the "normal course of business" through the enactment of a project ordinance (a "Project Ordinance"). Enactment of a Project Ordinance requires a minimum of four to six weeks, including pre-enactment notice of the proposed capital project and any change in rates and charges associated with the capital project. The Council of the City must have two readings of a Project Ordinance, separated by fourteen (14) days, with a public hearing prior to the second reading. Pre-enactment notice of the capital project and any associated charge in rates and charges must be provided to the City's customers with the billing statement in the month prior to the first reading of a Project Ordinance. Approval by the Council of the City of a Project Ordinance cannot go into effect any sooner than 45 days after the date of enactment of a Project Ordinance. As explained in the previous section, the decision in SWVA v. Huntington Sanitary Board clarified that any customer may bring a complaint at the PSC alleging, at a minimum, failure of the City Council to follow statutorily mandated notice requirements related to a Project Ordinance, or a determination that a particular project is "in the normal course of business" and, thus, a Project Ordinance is not required.

MUB Rate History and Comparison

The table below shows the recent rate history of MUB. MUB does not have a policy of regularly pursuing rate increases on a pre-determined schedule.

Morgantown Water				Morgantown Sewer				Cheat Sewer

7/1/2016	$23.18	$780.80	33%	7/1/2016	$39.33	$1,574.40	87.5%				

Most of MUB's rate increases have been initiated as a result of new projects and the need to increase revenues for project-related debt service. These project-related increases have also included additional new revenues to address increased O&M expenses. The need for general inflation based rate increases is limited by several favorable factors, including:

- Sustained customer growth
- Sustained system growth by both system extensions and acquisitions
- Investment income
- Rents and leases
- Additional revenues earned by sale of contract services to the Resale Customers, including
    - Operation and Maintenance
    - Billing and collection

By aggressively managing the above, MUB maintains some of the lowest rates in the State.

MUB Retail Customer Collection Process

The 10 year average of uncollectible accounts is less than 0.33% percent of invoices issued for utility services.

MUB employs a regimented collection protocol, including written reminder notices, text messages, and phone calls to customers with late accounts. Upon default, and pursuant to tariff and state law, MUB will physically terminate water service for a past due account. Reactivation of service occurs only upon full payment of the account and a deposit made as guarantee against future service billing. Pursuant to MUB policy and state law, MUB offers payment arrangements in hardship cases. No free service, however, is offered or provided to any customer, private or public.

New customers must provide a security deposit before service is provided. The deposit is held for a minimum of 1 year and, if the account is and has been current, it is returned as a credit on a bill. In the case of unpaid final bill balances, with which there is no active customer account, the accounts are referred to a third party collection agency 30 days after the bill is past due.

MUB Resale Customer Collection Process

The PSC has jurisdiction over collection issues between utilities. Accordingly, in the event that any of the Water Resale Customers or Sewer Resale Customers becomes delinquent, the PSC is the appropriate venue for MUB to seek redress. The PSC has the authority to order the rates of the customers of a Resale Customer increased and/or the imposition of a surcharge on the customers of the Retail Customer in order to assure the full payment to MUB. MUB does not have the ability to terminate service to any Resale Customer without PSC approval.

Pleasant Valley Public Service District, a water resale customer ("Pleasant Valley"), made only partial payments for its water purchases for a period of time including 2015 and 2016, culminating in 2016 with an arrearage to MUB of approximately $200,000. MUB filed a complaint case at the PSC, Case No. 16-0797-PWD-19A, seeking the imposition of rates and/or a surcharge upon the Pleasant Valley customers to repay the obligation to MUB. The case was decided in MUB's favor, and the PSC has ordered Pleasant Valley to establish both permanent and temporary rates sufficient so that the arrearage will be repaid over 24 months, and so that current amounts owed will be paid in full. Pleasant Valley's payments are currently in compliance with said Order.

LITIGATION

There is not now pending or, to the best of the Issuer's and MUB's knowledge, threatened any litigation restraining or enjoining the issuance or delivery of the Series 2017 A Bonds or questioning or affecting the validity of the Series 2017 A Bonds, the proceedings and authority under which they are to be issued, nor is the creation, organization, or existence of the Issuer or MUB being contested. Nor is there any litigation pending or, to the best of the Issuer's and MUB's knowledge, threatened which (i) in any manner questions the right of the MUB to operate the Combined Utility System or MUB's right to conduct its activities in accordance with the provisions of the Act and the Series 2017 A Ordinance, or (ii) if determined adversely to MUB, would have a material adverse impact on the financial condition of the Combined Utility System.

The Issuer and MUB are subject to a variety of suits and proceedings arising out of their ordinary course of operations, some of which may be adjudicated adversely to the Issuer or MUB. Any such litigation is of a routine nature which does not affect the right of the Issuer or MUB to conduct its business or the validity of the Issuer's obligations.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Series 2017 A Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Bond Counsel, whose opinion will be delivered concurrently with the delivery, upon original issuance, of the Series 2017 A Bonds, substantially as set forth as "APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION" herein. Steptoe & Johnson PLLC also serves as Disclosure Counsel to the Issuer and MUB. Certain legal matters will be passed upon for the Issuer by Ryan Simonton, Esquire, City Attorney. Certain legal matters will be passed on for MUB by its Counsel, Tim Stranko, PLLC. Jackson Kelly PLLC will pass upon certain matters as counsel for the Underwriter.

CONTINUING DISCLOSURE

The Issuer has agreed to an undertaking (the "Undertaking") for the benefit of the Registered Owners of the Series 2017 A Bonds to provide certain financial and operating information (the "Annual Financial Information") not later than the last day of the Fiscal Year (presently ending June 30) immediately following the end of the Issuer's Fiscal Year for which disclosure is due, commencing with the report for the Fiscal Year ending June 30, 2017, and to provide notice of the occurrence of enumerated events, all as further described in the Continuing Disclosure Agreement to be entered by the Issuer in substantially the form attached as "APPENDIX F – FORM OF CONTINUING DISCLOSURE AGREEMENT" herein. The Annual Financial Information and each notice of enumerated events is required to be filed electronically by DAC [defined in appendix F], as dissemination agent on behalf of the Issuer, with the Electronic Municipal Markets Access system ("EMMA").

The continuing disclosure obligation is being undertaken by the Issuer to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. The Issuer has agreed to give notice in a timely manner to EMMA. However, any such failure will not constitute a default under the terms of the Series 2017 A Ordinance or the Series 2017 A Bonds. Under the Continuing Disclosure Agreement, the sole remedy for such failure is to seek an order for specific performance. See "APPENDIX F – FORM OF CONTINUING DISCLOSURE AGREEMENT" herein. Registered Owners may contact the City Manager for more information. See "MISCELLANEOUS" herein.

Prior Continuing Disclosure Undertakings

The Issuer previously entered into continuing disclosure agreements with respect to certain of the Prior Bonds. Despite the existence of these prior continuing disclosure agreements and the Rule (as described above), the Issuer:

Failed to timely file Audited Financials for the Fiscal Years ended June 30, 2012, June 30, 2013, June 20, 2014 and June 30, 2015, and failed to timely file notices of failure to timely file such Audited Financials in each such instance;

Failed to timely file Operating Data for the Combined Utility System for the Fiscal Years ended June 30, 2011 and June 30, 2009, and failed to timely file notices of failure to timely file such Operating Data in each such instance; and

Failed to timely file notices of rating changes related to the insurer of the Issuer's Series 2010 A and Series 2010 F Bonds, and failed to timely file notices of failure to timely file notices of such rating changes in each such instance.

All such filings of Audited Financials and Operating Data, as well as material event notices, have been made as of the date hereof, as well as all notices of failure to timely make all such filings.

The Issuer has engaged DAC to serve as dissemination agent for the Series 2017 A Bonds, as well as the Series 2010 A Bonds, the Series 2010 F Bonds, the Series 2012 C Bonds, and the Series 2016 A Bonds.

TAX MATTERS

General

In the opinion of Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 A Bonds (i) is excludable from gross income of the holders thereof for federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Code; (ii) is not a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the federal alternative minimum tax imposed on individuals and corporations; provided, however, that interest on the Series 2017 A Bonds is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax that may be imposed on corporations; and (iii) under the laws of the State of West Virginia, the Series 2017 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia. See West Virginia Code Section 8-20-5.

The opinions described in this section are subject to the condition that the Issuer complies on a continuing basis with all requirements of the Code, and regulations thereunder that must be satisfied for interest on the Series 2017 A Bonds to be or continue to be excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2017 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation, including retroactively to the date of issuance of the Series 2017 A Bonds.

Bond Counsel's opinions may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. Bond Counsel has not undertaken to determine, or to inform any person, whether any such actions or events are taken or do occur. The Series 2017 A Ordinance and the Tax Certificate relating to the Series 2017 A Bonds permit certain actions to be taken or to be omitted if a favorable opinion of a bond counsel is provided with respect thereto. Bond Counsel expresses no opinion as to the effect on the exclusion from gross income for federal income tax purposes of interest on any Series 2017 A Bond if any such action is taken or omitted based upon the advice of counsel other than Bond Counsel.

The Internal Revenue Service (the "IRS") has initiated an expanded program for the auditing of tax-exempt bond issues, including both random and targeted audits. It is possible that the Series 2017 A Bonds will be selected for audit by the IRS. It is also possible that the market value of the series 2017 A Bonds might be affected as a result of such an audit of the Series 2017 A Bonds (or by an audit of similar bonds). No assurance can be given that in the course of an audit, as a result of an audit, or otherwise, Congress or the IRS might not change the Code (or interpretation thereof) subsequent to the issuance of the series 2017 A Bonds to the extent that it adversely affects the exclusion from gross income of interest on the Series 2017 A Bonds or their market value.

The Issuer has designated the Series 2017 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Internal Revenue Code of 1986, as amended.

Special Considerations with Respect to the Series 2017 A Bonds

The accrual or receipt of interest on the Series 2017 A Bonds may otherwise affect the federal income tax liability of the owners of the Series 2017 A Bonds. The extent of these other tax consequences will depend upon such owner's particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences. Prospective purchasers should be aware of certain collateral consequences which may result under federal tax law for certain holders of the Series 2017 A Bonds: (i) Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2017 A Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2017 A Bonds, (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for losses incurred by 15 percent of the sum of certain items, including interest on the Series 2017 A Bonds, (iii) interest on the Series 2017 A Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iv) passive investment income, including interest on the series 2017 A Bonds, may be subject to federal income taxation under Section 1375 of the Code for an S Corporation that has Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such S Corporation is passive investment income, (v) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income receipts or accruals of interest on the Series 2017 A Bonds, and (vi) receipt of investment income, including interest on the Series 2017 A Bonds, may, pursuant to Section 32(i) of the Code, disqualify the recipient from obtaining the earned income credit provided by Section 32(a) of the Code.

Backup Withholding

Interest paid on tax-exempt obligations such as the Series 2017 A Bonds is generally required to be reported by payors to the IRS and to recipients in the same manner as interest on taxable obligations. In addition, such interest may be subject to "backup withholding" if the Bondholder fails to provide the information required on IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the IRS has specifically identified the Bondholder as being subject to backup withholding because of prior underreporting. Neither the information reporting requirement nor the backup withholding requirement affects the excludability of interest on the Series 2017 A Bonds from gross income for federal tax purposes.

Changes in Federal and State Tax Law

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the Series 2017 A Bonds, including legislation, court decisions, or administrative actions, whether at the federal or state level, may affect the tax exempt status of interest on the Series 2017 A Bonds or the tax consequences of ownership of the Series 2017 A Bonds. No assurance can be given that future legislation, if enacted into law, will not contain provisions which could directly or indirectly reduce the benefit of the exclusion of the interest on the Series 2017 A Bonds from gross income for federal income tax purposes or any state tax benefit. Tax reform proposals and deficit reduction measures, including the limitation of federal tax expenditures, are expected to be under ongoing consideration by the United States Congress. These efforts to date have included proposals to reduce the benefit of the interest exclusion from income for certain holders of tax-exempt bonds, including bonds issued prior to the proposed effective date of the applicable legislation. Future proposed changes could affect the market value or marketability of the Series 2017 A Bonds, and, if enacted, could also affect the tax treatment of all or a portion of the interest on the Series 2017 A Bonds for some or all holders. Holders should consult their own tax advisors with respect to any of the foregoing tax consequences.

In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2017 A Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2017 A Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2017 A Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2017 A Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

[Original Issue Discount

Original issue discount ("OID") is the excess, if any, of the stated redemption price at maturity over the issue price. The issue price is the initial offering price to the public, excluding underwriter and other intermediaries, at which price a substantial amount of the debt instrument was sold. The Series 2017 A Bonds maturing on _____ 1, 20__, _____ 1, 20__ and _____ 1, 20__ (the "Series 2017 A Discount Bonds"), were sold with OID. For federal income tax purposes, OID accrues to the owner of a Series 2017 A Discount Bond over the period to maturity based on the constant yield method, compounded annually (or over a shorter permitted compounding interval selected by the owner). The portion of the OID that accrues during the period of ownership of a Series 2017 A Discount Bond (i) will be interest excludable from the owners' gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2017 A Bonds, and (ii) will be added to the owner's tax basis for purposes of determining a gain or loss on the maturity, redemption, prior sale or other disposition of that Series 2017 A Discount Bond. A purchaser of a Series 2017 A Discount Bond in the initial public offering at the price for that Discount Bond stated on the inside front cover page of this Official Statement who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Series 2017 A Discount Bond.

Owners of Series 2017 A Discount Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of OID properly accruable in any period with respect to the Series 2017 A Discount Bonds as to other federal tax consequences, and the treatment of the OID for purposes of state and local taxes on, or based on, income.

Original Issue Premium

The Series 2017 A Bonds maturing on _____ 1, 20__, _____ 1, 20__ and _____ 1, 20__ (the "Series 2017 A Premium Bonds") were sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity in the case of the "Noncallable Series 2017 A Premium Bonds" or their earlier call date in the case of the "Series 2017 A Callable Premium Bonds." The difference between the principal amount payable at maturity of the Series 2017 A Noncallable Premium Bonds and the tax basis of a Noncallable Premium Bond to a purchaser and the difference between the amount payable at the call date of the Callable Series 2017 A Premium Bonds that minimizes the yield to a purchaser of a Callable Premium Bond and the tax basis to a purchaser (in either case, other than a purchaser who holds a Series 2017 A Premium Bond as inventory, stock in trade or for sale to customers in the ordinary course of business) will be "bond premium." For federal income tax purposes, bond premium is amortized over the period to maturity of a Noncallable Series 2017 A Premium Bond. A purchaser of a Series 2017 A Premium Bond will be required to decrease his or her adjusted basis in the Series 2017 A Premium Bond by the amount of amortizable bond premium attributable to each taxable year he or she holds the Premium Bond. The amount of amortizable bond premium attributable to a taxable year will be determined at a constant interest rate compounded annually. The amortizable bond premium attributable to a taxable year is not deductible for federal income tax purposes. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Series 2017 A Premium Bond.

Owners of Series 2017 A Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of bond premium properly accruable in any period with respect to the Series 2017 A Premium Bonds as to other federal tax consequences, and the treatment of the bond premium for purposes of state and local taxes on, or based on, income.]

It is in the best interests of the Issuer that the Series 2017 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by Supplemental Resolution of the Issuer.

G. There are or will be outstanding obligations of the Issuer which will rank on a parity with the Series 2017 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Prior Bonds and any hereinafter issued Additional Parity Bonds, as provided in this Ordinance.

Prior to the issuance of the Series 2017 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and the Series 2016 B-1 Bonds to the issuance of the Series 2017 A Bonds on a parity with the Series 1992 Bonds, Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and Series 2016 B-1 Bonds. The Series 2010 A Bonds, Series 2010 F Bonds, Series 2014 B Bonds and Series 2016 A Bonds do not require written consent from the holders thereof.

Other than the Prior Bonds, there are no other presently outstanding bonds or obligations of the Issuer which are secured by Gross Revenues or assets of the Combined Utility System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Ordinances.

H. The Issuer intends to issue the Series 2017 A Bonds, and to pledge for payment thereof, the Gross Revenues of the Combined Utility System, on a parity with one another and on a parity with such pledge in favor of the Holders of the Prior Bonds and any hereinafter issued Additional Parity Bonds.

I. The estimated revenues to be derived in each year after the date hereof from the operation of the Combined Utility System will be sufficient to provide for the repair, maintenance and operation of the Combined Utility System, to pay the principal of and interest on the Series 2017 A Bonds and the Prior Bonds as and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

J. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2017 A Bonds, and secure the Series 2017 A Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the Combined Utility System, the monies in the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, unexpended proceeds of the Series 2017 A Bonds and as further set forth herein.

K. The Series 2017 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

L. All things necessary to make the Series 2017 A Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the

payment of the principal of and interest on the Series 2017 A Bonds, will be timely done and duly performed.

M. The enactment of this Ordinance, the execution and issuance of the Series 2017 A Bonds and the amendment, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

N. Prior to commencing, acquisition, construction and equipping of the Project, the Issuer will have complied with all requirements of West Virginia law relating to authorization and approval of the acquisition, construction and equipping of the Project and the operation of the Combined Utility System, the refunding of the Series 2012 C Bonds, and issuance of the Series 2017 A Bonds including but not limited to Chapter 24, Article 2, Paragraph 11 (l), if required.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2017 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2017 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2017 A Bond and any other Series 2017 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II
AUTHORIZATION OF ACQUISITION, CONSTRUCTION AND EQUIPPING OF THE PROJECT AND AUTHORIZATION OF REFUNDING

Section 2.01 Authorization of Acquisition, Construction and Equipping of the Project. There is hereby authorized and ordered the design, acquisition, construction and equipping of the Project, at an estimated cost of not more than $3,000,000 to be obtained from a portion of the proceeds of the Series 2017 A Bonds.

Section 2.02 Authorization of Refunding of Series 2012 C Bonds. All Series 2012 C Bonds Outstanding as of the date of issuance of the Series 2017 A Bonds and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full and the pledge of Gross Revenues in favor of the Registered Owners of the Series 2012 C Bonds imposed by the Series 2012 C Bonds Ordinance, the monies in the funds and accounts created by the Series 2012 C Bonds Ordinance pledged to payment of the Series 2012 C Bonds, and any other funds pledged by the Series 2012 C Bonds Ordinance to payment of the Series 2012 C Bonds are hereby ordered terminated, discharged and released upon such payment to the Registered Owners of the Series 2012 C Bonds. Contemporaneously with the payment in full of the Series 2012 C Bonds, the amounts on deposit in the sinking fund, and the reserve account therein, and all other funds and accounts created and maintained on behalf of the Series 2012 C Bonds, shall be released from the lien created by the Series 2012 C Bonds Ordinance authorizing the issuance of the Series 2012 C Bonds.

ARTICLE III
THE SERIES 2017 A BONDS

Section 3.01 Form and Payment of Bonds. No Series 2017 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2017 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2017 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Series 2017 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2017 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2017 A Bonds has been paid, from the date thereof; provided, however, that, if, as shown by the records of the Registrar, interest on such Series 2017 A Bonds shall be in default, Bonds issued in exchange for Series 2017 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2017 A Bonds surrendered.

The principal of, and the interest and premium, if any, on, the Series 2017 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2017 A Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2017 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2017 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2017 A Bond in the principal amount of said Series 2017 A Bond then Outstanding.

Section 3.02. Execution of the Series 2017 A Bonds. The Series 2017 A Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2017 A Bonds shall cease to be such officer of the Issuer before the Series 2017 A Bonds so signed and sealed have been actually sold and delivered, such Series 2017 A Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 A Bonds had not ceased to hold such office. Any Series 2017 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2017 A Bonds shall hold the proper office in the Issuer, although at the date of such Series 2017 A Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2017 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2017 A Bond, substantially in the form set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference with respect to the Series 2017 A Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2017 A Bond shall be conclusive evidence that such Series 2017 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any

Series 2017 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2017 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2017 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds, in accepting any of said Series 2017 A Bonds, shall be conclusively deemed to have agreed that such Series 2017 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds shall further be conclusively deemed to have agreed that said Series 2017 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2017 A Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2017 A Bonds. The Series 2017 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2017 A Bond, there shall be issued at the option of the Holder of the Series 2017 A Bonds or the transferee another Series 2017 A Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Series 2017 A Bond and of the same series, interest rate and maturity of said transferred Series 2017 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2017 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2017 A Bonds, of the same maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2017 A Bond is exercised, Series 2017 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2017 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2017 A Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2017 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2017 A Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2017 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2017 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2017 A Bond of like series, maturity and principal amount as the Series 2017 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Series 2017 A Bond, or in lieu of and substitution for the Series 2017 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the

Registrar proof of his ownership thereof and that said Series 2017 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2017 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2017 A Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 A Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2017 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2017 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2017 A Bonds be at any time found by any one, and such duplicate Series 2017 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2017 A Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2017 A Bonds Redemption Account in accordance with Section 4.03 shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2017 A Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2017 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued

interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2017 A Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2017 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2017 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer and the registered owner of the Series 2017 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2017 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be posted on EMMA.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Series 2017 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2017 A Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2017 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Series 2017 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2017 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is conditioned on, and subject to, the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited,

the Registrar shall notify all holders of Series 2017 A Bonds called for redemption of such fact and no holder of any Series 2017 A Bonds shall have any claim of any type, of law or inequity, against the Issue.

Official notice of redemption having been given as aforesaid, the Series 2017 A Bonds, or portions of the Series 2017 A Bonds so to be redeemed, shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2017 A Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2017 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2017 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2017 A Bond is registered as the owner of such Series 2017 A Bond for the purpose of receiving payment of the principal of, and interest on, such Series 2017 A Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Series 2017 A Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2017 A Bonds. For the purposes of financing all or a portion of the costs of the Project, paying in full the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds (along with other funds of the Issuer available therefor), paying the premium for a Municipal Bond Insurance Policy (if any), funding the Series 2017 A Bonds Reserve Account with proceeds of the Series 2017 A Bonds or paying the premium for a Municipal Bond Debt Service Reserve Insurance Policy (if any), in an amount equal to the Series 2017 A Bonds Debt Service Reserve Requirement and paying costs in connection with the issuance of the Series 2017 A Bonds, or any or all such purposes, there shall be issued the Series 2017 A Bonds of the Issuer, in an aggregate principal amount of not more than $3,000,000. Said Series 2017 A Bonds shall be designated "Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in the Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2017 A Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2017 A Bonds shall be

numbered from AR-1 consecutively upward. The Series 2017 A Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $3,000,000); shall bear interest at such rate or rates, (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2017 A Bonds. A. The Series 2017 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2017 A Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in Paragraph E below, all of the Series 2017 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2017 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2017 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2017 A Bond or any other evidence of ownership of the Series 2017 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2017 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in Paragraph E below.

B. At or prior to settlement for the Series 2017 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2017 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2017 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of, or interest on, the Series 2017 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2017 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2017 A Bonds so redeemed, but DTC may retain such Series 2017 A Bonds and make an appropriate notation on the Series 2017 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2017 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2017 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2017 A Bonds, selecting the Series 2017 A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2017 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2017 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2017 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2017 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2017 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2017 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2017 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2017 A Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2017 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2017 A Bonds.

Section 3.12. Delivery of Series 2017 A Bonds. A. The Issuer shall execute and deliver the Series 2017 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2017 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2017 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2017 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies certified by the City Clerk of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2017 A Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2017 A Bonds. 2. If a Municipal Bond Insurance Policy has been obtained to secure the payment of the principal of, and interest on, the Series 2017 A Bonds, the premium for such Municipal Bond Insurance Policy shall be paid to the Bond Insurer.

3. An amount of the proceeds of the Series 2017 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2017 A Bonds Reserve Account; provided, that to the extent the Series 2017 A Bonds Reserve Requirement is satisfied in whole or in part from a Municipal Bond Debt Serve Reserve Insurance Policy, proceeds of the Series 2017 A Bonds shall be (i) paid to the Bond Insurer, via wire transfer, in an amount equal to the premium for the Municipal Bond Debt Service Reserve Insurance Policy and (ii) deposited in the Series 2017 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2017 A Bonds Reserve Requirement.

If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2017 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2017 A Bonds Construction Fund established in Section 4.01 hereof and applied to Costs of the Project. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2017 A Bonds from which such proceeds are derived.

Section 4.03. Combined Utility System Revenues and Application Thereof. So long as any of the Series 2017 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be held by the Board and kept separate and distinct from all other funds of the Issuer, the Board and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, from the monies in the Revenue Fund, on the first day of each month, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to for payment of interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds, Series 2014 B Bonds, Series 2015 A Bonds, Series 2016 A Bonds and Series 2016 B-1 Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2017 A Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2017 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2017 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2017 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective Sinking Funds for the Prior Bonds for the payment of principal of the Prior Bonds; and (ii) for deposit in the Series 2017 A Bonds Sinking Fund (and in the Series 2017 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal

payment or mandatory Redemption Date of the Series 2017 A Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2017 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2017 A Bonds on the next ensuing principal payment or mandatory Redemption Date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2017 A Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective reserve accounts for the Prior Bonds; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2017 A Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2017 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2017 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2017 A Bonds Reserve Requirement; provided further, that if the amounts in the Series 2017 A Bonds Reserve Account, as a result of a decrease in value of the Series 2017 A Bonds Reserve Account below the Series 2017 A Bonds Reserve Account Requirement or any withdrawal from the Series 2017 A Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2017 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 A Bonds Reserve Account is less than the Series 2017 A Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 A Bonds Reserve Account for deposit into the Series 2017 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 A Bonds Reserve Account to an amount equal to the Series 2017 A Bond Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Series 2017 A Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2017 A Bond Reserve Account Requirement.

Amounts deposited in, or pledged to, the Series 2017 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2017 A Bonds when due, when amounts in the Series 2017 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2.5% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, or improvements or extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such Reserve Account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided for transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the Combined Utility System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2017 A Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2017 A Bonds, if any, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2017 A Bonds and any hereinafter issued Additional Parity Bonds all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer, through the Board, shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any

profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall, though the Board, sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer, through the Board, may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2017 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer, through the Board, shall, or shall cause the Bond Commission to, annually transfer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2017 A Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 2017 A Bonds Reserve Account an amount at least equal to the Series 2017 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2017 A Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If no longer funded with a Municipal Bond Debt Service Reserve Insurance Policy equal to the Series 2017 A Bonds Reserve Requirement and the amounts on deposit in the Series 2017 A Bonds Reserve Account shall, at any time, be less than the applicable Series 2017 A Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the respective sinking funds for the Prior Bonds and the Series 2017 A Bonds Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest, if any, shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2017 A Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Series 2017 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2017 A Bonds in such manner and to such extent as may be necessary, so that such Series 2017 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Series 2017 A Bonds) so that the interest on the Series 2017 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2017 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2017 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Combined Utility System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.04. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.04 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2017 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2017 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2017 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. The Series 2017 A Bonds not to be Indebtedness of the Issuer. The Series 2017 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the Combined Utility System, the monies in the Series 2017 A Bonds Sinking Fund and the Series 2017 A Bonds Reserve Account therein, the unexpended proceeds of the Series 2017 A Bonds or monies in the Series 2017 A Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2017 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2017 A Bonds or the interest thereon.

Section 6.03. Series 2017 A Bonds Secured by Pledge of Gross Revenues and Monies in Series 2017 A Bonds Sinking Fund. The payment of the debt service of all of the Series 2017 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the Combined Utility System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and hereinafter issued Additional Parity Bonds, and with respect to the Series 2017 A Bonds, all monies and securities in the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the Combined Utility System, in an amount sufficient to pay the principal of and interest on the Prior Bonds, the Series 2017 A Bonds herein authorized and any hereinafter issued Additional Parity Bonds, and to make the payments into the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, are pledged *pari passu* by the Issuer.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the Combined Utility System have been established all in the manner and form required by law. Copies of such rates and charges so established may be obtained from the Board by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the Combined Utility System (i) to provide for all Operating Expenses of the Combined Utility System, and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2017 A Bonds and all other obligations secured by a lien on or payable from such Gross Revenues on a parity with the Series 2017 A Bonds, including the Prior Bonds and any hereinafter issued Additional Parity Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the Combined Utility System within 180 days following a determination of an Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

The Issuer expressly reserves the right to reduce the rates for the Combined Utility System, whether approved or in effect as of the date of issuance of the Series 2017 A Bonds, in the event that, based on a certificate of an Independent Certified Public Accountant, after any such decrease in rates, the Issuer will meet the requirements of this Section 6.04 and is not in default under any other provision of any ordinance authorizing any bonds or other indebtedness secured by the Gross Revenues of the Combined Utility System.

Section 6.05. Operation and Maintenance of the Combined Utility System. The Issuer will maintain the Combined Utility System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said Combined Utility System in the manner provided in this Ordinance.

The Issuer either has, or will, obtain all permits required by state and federal laws for the acquisition, construction and equipping of the Project.

Section 6.06. Sale of the Combined Utility System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the Combined Utility System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2017 A Bonds are Outstanding, the Combined Utility System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the Combined Utility System shall be immediately remitted to the Bond Commission for deposit in the Series 2017 A Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the Combined Utility System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Combined Utility System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $1,000,000, the Board shall, in writing, determine that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be used for any lawful purpose of the Combined Utility System. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $1,000,000 but not in excess of $5,000,000, the Board shall first obtain the written approval of the Consulting Engineers that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $1,000,000 and not in excess of $5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of

such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the Combined Utility System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of (i) any applicable Bond Insurer, or (ii) if the Series 2017 A Bonds are not insured, the Holders, or their duly authorized representatives, of 60% in an amount of Series 2017 A Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer or the then Holders of the Series 2017 A Bonds for the disposition of the proceeds from the sale, lease or other disposition of such properties of the Combined Utility System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the Gross Revenues of the Combined Utility System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2017 A Bonds and the Prior Bonds; and all obligations hereafter issued by the Issuer payable from the Gross Revenues of the Combined Utility System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Gross Revenues and in all other respects to the Series 2017 A Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2017 A Bonds, upon any of the income and revenues of the Combined Utility System pledged for payment of the principal of, and interest on the Series 2017 A Bonds in this Ordinance or upon the Combined Utility System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding the limitations on the issuance of parity obligations set forth in the Prior Ordinances authorizing such bonds shall be applicable. In addition, no Additional Parity Bonds, as in this section defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 A Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction and/or equipping of additions, betterments and/or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 A Bonds and the Prior Bonds, refunding all or a portion of any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 A Bonds then Outstanding;

(2) The Prior Bonds then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the Combined Utility System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received in the opinion of the Independent Certified Public Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean evidence of indebtedness, specifically including, but not limited to, bonds and notes issued under the provisions and within the limitations of the Act and this section, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 A Bonds, and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 A Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the Combined Utility System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the Combined Utility System of which is subject to the prior and superior lien of the Series 2017 A Bonds, the Prior Bonds and any theretofore issued Additional Parity Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the Combined Utility System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues with the Series 2017 A Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Series 2017 A Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the

covenants, agreements and terms in this Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2017 A Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense of the Combined Utility System, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the Combined Utility System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the Combined Utility System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require any contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during acquisition, construction and/or equipping of any additions, betterment and/or improvements for the Combined Utility System.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by public utilities of equivalent size with respect to works and properties similar to the Combined Utility System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the ownership, management, operation and maintenance of the Combined Utility System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the Combined Utility System; provided, that the Board, with the review of an independent insurance consultant and the concurrence of the Issuer, may elect to self-insure.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE COMBINED UTILITY SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of acquisition, construction and/or equipping of any additions, extensions or improvements for the Combined Utility System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the Combined Utility System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Board having custody of the revenues or of any other funds of the Combined Utility System, as required by State law.

If required by State law, the Issuer and/or the Board shall require all contractors engaged in the acquisition, construction or equipping of any additions, betterments or improvements for the Combined Utility System to furnish a performance bond and a payment bond, each in an amount equal to

100% of the contract price for that particular contract as security for the faithful performance of such contract.

The Issuer and/or the Board shall also require all contractors engaged in the acquisition, construction and/or equipping of additions, betterments or improvements for the Combined Utility System to carry such workers' compensation coverage for all of the contractor's employees and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to such contracts.

If the Issuer or the Board determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer or the Board for the Combined Utility System, taking into consideration the costs and practices of other municipal utility systems of similar size and to the extent that such information is available. The Issuer and/or the Board may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer or the Board determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its Combined Utility System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of any or all of the facilities or services provided by the Combined Utility System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the Combined Utility System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the Combined Utility System.

Section 6.11. Enforcement of Collections. The Issuer shall, through the Board, diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the Combined Utility System.

Section 6.13. Books and Records. The Board will keep books and records of the Combined Utility System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the Combined Utility System. Any Holder of a Series 2017 A Bond shall have the right at all reasonable times to inspect the Combined Utility System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the Combined Utility System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall, at least once a year, cause the books, records and accounts of the Combined Utility System to be completely audited by an Independent Certified Public Accountant.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the Combined Utility System during the succeeding Fiscal Year.

Section 6.15. Mandatory Connections. The mandatory use of the sanitary sewerage portion of the Combined Utility System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sanitary sewerage portion of the Combined Utility System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the sanitary sewerage portion of the Combined Utility System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sanitary sewerage portion of the Combined Utility System.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected to the sanitary sewerage portion of the Combined Utility System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2017 A Bonds, a statutory mortgage lien upon the Combined Utility System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2017 A Bonds and shall be on a parity with all series of the Series 2017 A Bonds and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2017 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2017 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2017 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or

5% of the interest due on the Series 2017 A Bonds during the terms thereof is, under the terms of such Series 2017 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2017 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Combined Utility System, or if the Series 2017 A Bonds are for the purpose of financing more than one project, a portion of the Combined Utility System, and shall not exceed the proceeds used for the governmental use of that portion of the Combined Utility System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2017 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2017 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2017 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2017 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Certificate, which are hereby incorporated herein. This covenant shall survive payment in full or defeasance of the Series 2017 A Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for all, or certain maturities, of the Series 2017 A Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2017 A Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2017 A Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.19. Covenants Regarding the Municipal Bond Debt Service Reserve Insurance Policy. The Issuer intends to obtain a Municipal Bond Debt Service Reserve Insurance Policy either contemporaneously with, or subsequent to, the date of issuance of the Series 2017 A Bonds to fund the Series 2017 A Bonds Debt Service Reserve Account in an amount equal to the Series 2017 A Bonds Reserve Requirement. In the event such Municipal Bond Debt Service Reserve Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to providing the Municipal Bond Debt Service Reserve Insurance Policy. These additional covenants shall be set forth in full in a Supplemental Resolution, shall apply to the Series 2017 A Bonds, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.20. Continuing Disclosure Agreement. The Issuer shall deliver a Continuing Disclosure Agreement, Dissemination Agent Agreement or Continuing Disclosure Certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Mayor is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Continuing Disclosure Agreement.

Section 6.21 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2017 A Bonds shall be and the same is hereby approved. The Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final Official Statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2017 A Bonds and as the Mayor may approve (the "Official Statement"). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.22. Bond Purchase Agreement. The Series 2017 A Bonds shall be sold to the Original Purchaser pursuant to the terms and conditions of the Bond Purchase Agreement. If not so authorized by previous ordinance, the Mayor is specifically authorized and directed to execute the said Bond Purchase Agreement in such form as may be approved by the Supplemental Resolution, and the City Clerk is directed to affix the seal of the Issuer, attest the same and deliver the said Bond Purchase Agreement to the Original Purchaser.

Section 6.23. Bond Documents. The Issuer shall deliver a Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and such other closing documents as shall be required for the issuance of the Series 2017 A Bonds, in forms acceptable to the Original Purchaser, the forms of which shall be approved by the Supplemental Resolution, and the Mayor is authorized and directed to execute and deliver such Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and other closing documents on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Tax Certificate and such other closing documents by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Pre-Payment Agreement, Tax Certificate, the Tax Compliance Policy, the Continuing Disclosure Policy and such other closing documents.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2017 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2017 A Bond; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or Supplemental Resolution or in the Series 2017 A Bonds

contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Bond Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2017 A Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute, all pro rata, with respect to the Prior Bonds and the Series 2017 A Bonds, in accordance with the respective principal amounts then Outstanding.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the Combined Utility System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2017 A Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the Combined Utility System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said Combined Utility System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2017 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Gross Revenues of the Combined Utility System shall have been paid and made good, and all defaults under the provisions of this Ordinance and any Supplemental Resolution shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the Combined Utility System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the Combined Utility System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2017 A Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the Combined Utility System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the Combined Utility System, for the sole purpose of the protection of both the Issuer and the Holders of the Series 2017 A Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said Combined Utility System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the Combined Utility System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders of the Series 2017 A Bonds will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee representing the Holders of the Series 2017 A Bonds shall consider the effect on the Holders of the Series 2017 A Bonds as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holders of the Series 2017 A Bonds. In case any Holder of the Series 2017 A Bonds shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holder of the Series 2017 A Bonds shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holder of the Series 2017 A Bonds shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2017 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2017 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2017 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2017 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2017 A Bonds, the first exchange of Series 2017 A Bonds and the exchange of Series 2017 A Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2017 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2017 A Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2017 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than sixty (60) days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within twenty (20) days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately; provided, that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided, that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within twenty (20) days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within forty-five (45) days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted, or with which it may be consolidated, or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2017 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent as required by the Act. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed

upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2017 A Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within thirty (30) days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX
DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2017 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2017 A Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Series 2017 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Series 2017 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2017 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies

which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2017 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2017 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2017 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Series 2017 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X
MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2017 A Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2017 A Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Holder of the Series 2017 A Bonds or other person, be amended, modified or supplemented in any manner which, in the written opinion of Bond Counsel, does not materially adversely affect the interests of the Holder of the Series 2017 A Bonds or any Bond Insurer; provided, that in the event any of the Series 2017 A Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Series 2017 A Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made (i) without the written consent of the Holders of 60% in aggregate principal amount of the Series 2017 A Bonds then Outstanding and affected thereby; or (ii) the Bond Insurer. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2017 A Bond without the express written consent of the Holder of such Series 2017 A Bond, nor reduce the percentage of Series 2017 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person

signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2017 A Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2017 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2017 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2017 A Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2017 A Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

SPECIMEN

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above under the Security Documents, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

BAM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of (i) the Business Day on which such principal and interest becomes Due for Payment and (ii) the first Business Day following the Business Day on which BAM shall have received a completed Notice of Nonpayment in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of this paragraph, and BAM shall promptly so advise the Trustee or Paying Agent who may submit an amended Notice of Nonpayment.

Payment by BAM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of BAM under this Policy. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, (a) BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond and (b) BAM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Security Documents and Debt Service Reserve Agreement.

SPECIMEN

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by and to the extent of any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (after taking into account the payment of interest and expenses) to BAM by or on behalf of the Issuer. Within three (3) Business Days of such reimbursement, BAM shall provide the Trustee or the Paying Agent with Notice of Reinstatement, in the form of Exhibit A attached hereto, and such reinstatement shall be effective as of the date BAM gives such notice.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the end of the Term of this Policy or (b) Bonds that are not outstanding under the Security Documents. If the amount payable under this Policy is also payable under another BAM issued policy insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall BAM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other BAM issued insurance policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "**Business Day**" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as hereinafter defined) are authorized or required by law or executive order to remain closed. "**Debt Service Reserve Agreement**" means the Debt Service Reserve Agreement, if any, dated as of the effective date hereof, in respect of this Policy, as the same may be amended or supplemented from time to time. "**Due for Payment**" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "**Nonpayment**" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. **"Notice"** means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "**Owner**" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. **"Policy Limit"** means the dollar

amount of the debt service reserve fund required to be maintained for the Bonds by the Security Documents from time to time (the "Reserve Account Requirement"), or the portion of the Reserve Account Requirement for the Bonds provided by this Policy as specified in the Security Documents or Debt Service Reserve Agreement, if any, but in no event shall the Policy Limit exceed the Maximum Policy Limit set forth above. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of or, if this Policy is only providing a portion of the Reserve Account Requirement, in the same proportion as, each reduction in the Reserve Account Requirement, as provided in the Security Documents or Debt Service Reserve Agreement. **"Security Documents"** means any resolution, ordinance, trust agreement, trust indenture, loan agreement and/or lease agreement and any additional or supplemental document executed in connection with the Bonds. "**Term**" means the period from and including the Effective Date until the earlier of (i) the maturity date for the Bonds and (ii) the date on which the Bonds are no longer outstanding under the Security Documents.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy is being issued under and pursuant to and shall be construed under and governed by the laws of the State of New York, without regard to conflict of law provisions.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing law and assuming continuing compliance with various requirements of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Bonds is excluded from gross income of the owners thereof for federal income tax purposes pursuant to the Code and such interest is not a specific item of tax preference for purposes of the Federal individual or corporate alternative minimum taxes; however, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. Bond Counsel is further of the opinion that under the laws of the State of West Virginia, as presently written and applied, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof. See West Virginia Code Section 8-20-5 and "APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION" herein. The above opinions are subject to certain limitations and exceptions. See "TAX MATTERS" herein.

This Official Statement, including the cover page and the Appendices herein, is provided to set forth certain information concerning the issuance by The City of Morgantown, a political subdivision and municipal corporation of the State of West Virginia (the "Issuer"), of $2,695,000 in aggregate principal amount of its Combined Utility System Revenue Bonds, Series 2017 A (the "Series 2017 A Bonds"). The Series 2017 A Bonds are being issued pursuant to the Constitution and laws of the State of West Virginia (the "State"), particularly Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and an ordinance enacted by the Council of the Issuer on September 5, 2017, supplemented by a Supplemental Parameters Resolution and Conformed Ordinance adopted by the Council of the Issuer on December 5, 2017, and a Certificate of Determinations executed by the Mayor of the Issuer on December 13, 2017 (said ordinance, as so supplemented, is collectively referred to herein as the "Series 2017 A Ordinance").

Capitalized terms used in this Official Statement and not otherwise defined herein shall have the meanings ascribed thereto in the Series 2017 A Ordinance.

The City of Morgantown

The Issuer is a municipality of approximately 30,000 residents located in Monongalia County, West Virginia (the "County"). The Issuer, through the Morgantown Utility Board (hereinafter described), provides potable water treatment, storage and distribution service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Water System"), sanitary sewerage collection and treatment service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Sewer System") and stormwater management, conveyance and containment service (collectively, the assets specifically including, but not limited to, real and personal property, associated with providing such service, as presently and hereafter existing, the "Stormwater System") to the residents of the Issuer, as well as to customers located in surrounding municipalities and unincorporated areas of the County, both directly as retail customers and through bulk sales to surrounding utilities. Pursuant to the Act, the Issuer enacted an ordinance on September 1, 1987 (as supplemented, the "MUB Ordinance"), creating the Morgantown Utility Board ("MUB") for the purpose of operating, managing and maintaining the Water System and the Sewer System as a combined Water System and Sewer System under the Act. Pursuant to an ordinance enacted by the Council of the Issuer on May 21, 2002, a stormwater utility was created, the management, control and operation of which was vested in MUB. Pursuant to an ordinance enacted by the Council of the Issuer on May 1, 2007, the Stormwater System, was combined with the existing combined Water System and Sewer System to create a Combined Water System, Sewer System and Stormwater System, as authorized by the Act (collectively, the "Combined Utility System").

Pursuant to the Act, the Issuer, through its City Council, retains the following authority with respect to MUB and the Combined Utility System:

a. Appointment of the members of the Board of Directors of MUB;

b. Authorization of changes in rates and charges for the Water System, Sewer System and Stormwater System;

c. Issuance of bonds, notes and other debt obligations secured by the Revenues of the Combined Utility System; and

d. Approval of capital projects for the Water System and Stormwater System which are not "in the normal course of business."

The Combined Utility System is an "enterprise" of the Issuer and, as such, the Gross Revenues from, and assets of, the Combined Utility System may only be used for the purposes of the Combined Utility System. Gross Revenues are defined in the Series 2017 A Ordinance as:

> the aggregate gross operating and non-operating revenues of the System, as hereinafter defined, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and reasonable provision for uncollectible accounts; provided, that "Gross Revenues" include any gains from the sale or other disposition of capital assets, but does not include any increase in the value of capital assets, including Qualified Investments or any Tap Fees. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Morgantown Utility Board

MUB has control over, and is responsible for, all aspects of the management, operation, maintenance, expansion and improvement of the Combined Utility System with the exception of the powers specifically reserved to City Council pursuant to the Act, as set forth herein. MUB operates as an independent and autonomous agency of the City, funded entirely from the Gross Revenues of the Combined Utility System.

MUB provides retail potable water service to approximately 26,200 service connections and retail sewer service to approximately 22,575 service connections. The Stormwater System serves 15,260 customers in the City and surrounding unincorporated areas. MUB provides wholesale potable water and/or wastewater conveyance and treatment to a variety of surrounding public utilities which serve, in aggregate, approximately 17,900 customers in their respective service territories. See "THE ISSUER AND THE MORGANTOWN UTILITY BOARD" herein.

Use of the Series 2017 A Bonds Proceeds

The net proceeds from the sale of the Series 2017 A Bonds will be applied as follows: (i) to pay, along with available funds of the Combined Utility System and/or the proceeds of Additional Parity Bonds, the costs to design, acquire, construct and equip certain additions, betterments and improvements to the Stormwater System and Sewer System of the Combined Utility System (collectively, the "Project," as hereinafter described); (ii) to refinance the outstanding Combined Utility System Revenue Bonds, Series 2012 C (Bank Qualified), dated October 5, 2012, issued in the aggregate principal amount of $2,330,000 (the "Series 2012 C Bonds"); (iii) to fund the Series 2017 A Bonds Reserve Account through the purchase of a municipal bond debt service reserve insurance policy (the "Series 2017 A Reserve Policy") from Build America Mutual Assurance Company ("BAM" or the "Bond Insurer"); (iv) to pay the premium for a municipal bond insurance policy (the "Series 2017 A Insurance Policy") from the Bond Insurer to secure the payment of the principal of, and interest on, the Series 2017 A Bonds; and (v) to pay costs of issuance of the Series 2017 A Bonds and related costs. See "INTRODUCTION – Concurrent Financing for the Project by the Issuer" and "PURPOSE AND PLAN OF FINANCING" herein.

The portion of the proceeds of the Series 2017 A Bonds to be used to finance the Costs of the Project shall be deposited in a segregated account known as the Series 2017 A Bonds Construction Account. The proceeds of the Series 2017 A Bonds will be invested in Permitted Investments pursuant to the Series 2017 A Ordinance.

Security and Sources of Payment for the Series 2017 A Bonds

The Series 2017 A Bonds are payable solely from and secured by the Gross Revenues derived from the Combined Utility System of the Issuer, on a parity with the Prior Bonds (hereinafter defined), and any Additional Parity Bonds (hereinafter defined) that may hereafter be issued by the Issuer as permitted by the Series 2017 A Ordinance (the Series 2017 A Bonds, the Prior Bonds and any such Additional Parity Bonds, are collectively referred to herein as the "Bonds"), from the unexpended proceeds of the Series 2017 A Bonds, and from funds on deposit in the Series 2017 A Bonds Sinking Fund, and the Series 2017 A Reserve Policy pledged to, and any funds in, the Series 2017 A Bonds Reserve Account, established for the Series 2017 A Bonds under the Series 2017 A Ordinance. Additionally, the payment of the principal of and interest on the Series 2017 A Bonds when due will be guaranteed under a municipal bond insurance policy to be issued by BAM. See "APPENDIX G – BOND INSURANCE" and "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY" herein.

The Series 2017 A Bonds are special obligations of the Issuer. The Series 2017 A Bonds do not constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation on indebtedness, and the Issuer shall not be obligated to pay the principal of the Series 2017 A Bonds, or the interest or any premium, thereon, except from the Gross Revenues and funds on deposit in the Series 2017 A Bonds Sinking Fund, the Series 2017 A Bonds Reserve Account established therefor, and the unexpended proceeds of the Series 2017 A Bonds. Pursuant to the Series 2017 A Ordinance, the Issuer has covenanted and agreed that the schedule or schedules of rates and charges from time to time in effect shall be sufficient to produce Net Revenues equal to not less than 115% of the Maximum Annual Debt Service on the Bonds then outstanding in any Fiscal Year. See "SECURITY FOR THE SERIES 2017 A BONDS – Rate Covenant" herein.

The Series 2017 A Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described under the heading "THE SERIES 2017 A BONDS" herein. The Series 2017 A Bonds will initially be maintained under a book-entry system. So long as the Series 2017 A Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2017 A Bonds shall be determined as described in "APPENDIX C – BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued for any reason, principal of, and interest and premium, if any, on the Series 2017 A Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Paying Agent") to the owners thereof at the address appearing in the books kept by United Bank, Charleston, West Virginia as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2017 A BONDS" herein and "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

There are outstanding obligations of the Issuer which will rank on parity with the Series 2017 A Bonds as to lien, pledge, source of and security for payment. See "SECURITY FOR THE SERIES 2017 A BONDS" herein. The Issuer may issue additional bonds on parity with the Series 2017 A Bonds and the Prior Bonds ("Additional Parity Bonds") for the purpose of financing the costs of design, acquisition, construction and/or equipping of additions, betterments or improvements to the Combined Utility System, to refund all or a portion of one or more series of Bonds or any hereinafter issued Additional Parity Bonds, to pay claims which may exist against the revenues or facilities of the Combined Utility System or all of such purposes, subject in each case to certain tests and conditions provided for in the Series 2017 A Ordinance and the Prior Ordinances. Rate Covenant

Prior to the issuance of the Series 2017 A Bonds, rates and charges for service from the Water System and the Sewer System were approved by ordinances enacted by the City Council on February 2, 2016, and went into effect on July 1, 2016, and the rates and charges for service from the Stormwater System were approved by ordinance enacted by the City Council on July 15, 2014, and went into effect on July 15, 2014, all in the manner and form required by law. See "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES" herein. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to make the prescribed payments into the funds and accounts created under the Series 2017 A Ordinance and to pay all Operating Expenses of the Combined Utility System. The Issuer has covenanted that such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer covenants and agrees in the Series 2017 A Ordinance that the schedule or schedules of rates and charges for the Combined Utility System from time to time in effect shall be sufficient to produce Net Revenues equal to not less than 115% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Series 2017 A Bonds Reserve Account

The Series 2017 A Bonds Reserve Requirement is $151,537.52, which is equal to the least of (i) 10% of the original stated principal amount of the Series 2017 A Bonds; (ii) the maximum amount of principal and interest which will become due on the Series 2017 A Bonds in any Fiscal Year; or (iii) 125% of the average amount of principal and interest which will become due on the Series 2017 A Bonds. The Issuer will obtain a Municipal Bond Debt Service Reserve Insurance Policy from the Bond Insurer in the amount equal to the Series 2017 A Bonds Reserve Account Requirement which shall be pledged to the Series 2017 A Bonds Reserve Account (the "Series 2017 A Reserve Policy"). In the event funds in the Series 2017 A Sinking Fund are insufficient to pay the principal of and/or interest on the Series 2017 A Bonds, the Paying Agent shall submit a Notice of Nonpayment to the Bond Insurer, which will, pursuant to the Series 2017 A Reserve Policy, pay the Paying Agent sufficient amounts to make payments of principal of and/or interest on the Series 2017 A Bonds as the same becomes due, subject to the Series 2017 A Reserve Policy. If the Series 2017 A Reserve Policy is not in effect, the Paying Agent shall withdraw cash from the Series 2017 A Bonds Reserve Account for transfer to the Series 2017 A Bonds Sinking Fund.

Information with respect to the Bond Insurer and the Series 2017 A Reserve Policy is set forth in "APPENDIX G – BOND INSURANCE" and "APPENDIX I – SPECIMEN MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY" herein. Under the Series 2017 A Reserve Policy, the Issuer is required to repay any draws upon the Series 2017 A Reserve Policy and any administrative expenses incurred by Bond Insurer, together with interest on the draws and the administrative expenses (collectively, the "Policy Costs"). Repayment of the Policy Costs must commence in the first month following each draw on the Series 2017 A Reserve Policy, and

each monthly payment must be in an amount at least equal to 1/12th of the aggregated Policy Costs related to such draw.

The amount available under the Series 2017 A Reserve Policy will be reduced by, and to the extent of, any payment made pursuant to the Series 2017 A Reserve Policy. Amounts equal to Policy Costs paid to BAM, will be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to BAM on account of principal due, the coverage under the Series 2017 A Reserve Policy will be increased by a like amount, subject to the terms of the Series 2017 A Reserve Policy. All cash and investments, if any, in the Series 2017 A Bonds Reserve Account shall be transferred to the Series 2017 A Bonds Sinking Fund for payment of the debt service on the Series 2017 A Bonds before any draw may be made on the Series 2017 A Reserve Policy. The Issuer does not expect there to be any cash or investments in the Series 2017 A Bonds Reserve Account.

If the Series 2017 A Reserve Policy is not in effect, in the event of a transfer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund as aforesaid, the Issuer shall restore the balance to the Series 2017 A Bonds Reserve Account in an amount up to the Series 2017 A Bonds Reserve Requirement. The transfer of any cash by the Issuer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund shall be replenished over twelve (12) equal monthly payments.

The Issuer's obligation to repay the Policy Costs or to otherwise replenish the Series 2017 A Bonds Reserve Account will be secured only by the Gross Revenues, as defined in the Ordinance, derived from the Combined Utility System and the funds on deposit in the Renewal and Replacement Fund.

The Issuer shall be required to replace the Series 2017 A Reserve Policy, or fund the Series 2017 A Bonds Reserve Account with cash, only in the event that the Bond Insurer, or its successor or assign, ceases to be licensed by any one state of the United States of America to provide such Series 2017 A Reserve Policy or similar insurance product. In such event, the Issuer shall have twelve (12) months after becoming aware of such event to either provide a new municipal bond debt service reserve insurance policy for, or deposit sufficient cash in, the Series 2017 A Bonds Reserve Account to satisfy the Series 2017 A Bonds Reserve Requirement therefore.

Working Capital Reserve

Pursuant to Chapter 24, Article 1, Section (k) of the Code of West Virginia, 1931, as amended (the "State Code"), effective June 12, 2015, the Combined Utility System is required to ". . . maintain a working capital reserve in an amount of no less than one eighth of actual annual operation and maintenance expense" (the "Working Capital Reserve"). The budget adopted by MUB for the July 1, 2017 to June 30, 2018 Fiscal Year includes the Working Capital Reserve. In the event that any audited or unaudited year-end financial statement of the Combined Utility System shall find that the Working Capital Reserve for such Fiscal Year was insufficient, such finding shall not be an event of default with respect to the Series 2017 A Bonds.

Application of Gross Revenues

The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing seven (7) months prior to the first interest payment date of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2017 A Bonds on the next ensuing semiannual interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than seven (7) months, then such monthly payments shall be decreased or increased proportionately to provide, one (1) month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and provided, further, that there shall be credited against the amount deposited any interest capitalized from the proceeds of the Series 2017 A Bonds and applied to such payment. All payments of interest on the Prior Bonds and the Series 2017 A Bonds shall be pro rata.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Sinking Fund and in the Series 2017 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2017 A Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 13 months, then such monthly payments shall be decreased or increased proportionately to provide, one (1) month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

Monies in the Series 2017 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2017 A Bonds, whether by maturity or redemption prior to maturity and, with respect to the Series 2017 A Bonds Reserve Account therein, any amounts necessary to fund such Reserve Account to maintain the Series 2017 A Bonds Reserve Account Requirement. Pending such use, such monies shall be invested in accordance with the Series 2017 A Ordinance.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously, remit to the Paying Agent: (i) for deposit in the Reserve Accounts of the Prior Bonds, the amount required by the Prior Ordinances; and (ii) in the event that the Series 2017 A Reserve Policy is no longer in effect, for deposit in the Series 2017 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2017 A Bonds Reserve Account below the Series 2017 A Reserve Account Requirement or any withdrawal from the Series 2017 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 A Bonds Reserve Account is less than the Series 2017 A Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 A Bonds Reserve Account for deposit into the Series 2017 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 A Bonds Reserve Account to an amount equal to the Series 2017 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided, however, that if the shortfall in the Series 2017 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than four (4) equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2017 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, from the monies remaining in the Revenue Fund, on the first day of each month, transfer to the Renewal and Replacement Fund a sum equal to not less than 2.5% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. Subject to the restrictions contained in the Prior Ordinances so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements and extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required thereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Enforcement of Collections

The Issuer covenants in the Series 2017 A Ordinance to diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State. Such fees, rentals and charges, if not paid when due, shall, to the extent allowed by the Act, become a lien on the premises served by the Combined Utility System.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the Combined Utility System and will not restore such services of the Combined Utility System until all billing for charges for the services and facilities of the Combined Utility System, including penalties and reconnect fees, have been fully paid, or the customer has entered into a payment agreement. For additional information on MUB's collection policy and history, see "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – MUB Retail Customer Collection Process" and "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – MUB Retail Customer Uncollectible Accounts" herein.

Additional Parity Bonds

So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Ordinances authorizing the Prior Bonds shall be applicable. In addition, no Additional Parity Bonds, as herein defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 A Bonds pursuant to the Ordinance, except under the conditions and in the manner set forth herein.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction or equipping of additions, betterments or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 A Bonds issued pursuant hereto, the Prior Bonds, and/or any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 A Bonds then Outstanding;

(2) The Prior Bonds then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and the Series 2017 A Ordinance then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal), prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, as stated in a certificate on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal), prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used herein, shall be deemed to mean additional bonds issued under the provisions and within the limitations of the Series 2017 A Ordinance, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 A Bonds and the Prior Bonds, and all the covenants and other provisions of the Series 2017 A Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 A Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with the Series 2017 A Ordinance. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any series of Bonds over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in the ordinance authorizing such Additional Parity Bonds required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Series 2017 A Ordinance and the Prior Ordinances.

The term "Additional Parity Bond," shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the System of which is subject to the prior and superior lien of the Series 2017 A Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Gross Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Gross Revenues with the Series 2017 A Bonds except in the manner and under the conditions provided in the Series 2017 A Ordinance.

No Additional Parity Bonds, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in the Series 2017 A Ordinance and the Prior Ordinances on account of the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in the Series 2017 A Ordinance and the other Prior Ordinances, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms in the Series 2017 A Ordinance and the Prior Ordinances and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance. See "APPENDIX E – FORM OF SERIES 2017 A ORDINANCE" herein.

Provided, however, that if the audit by an Independent Certified Public Accountant for the Combined Utility System for the Fiscal Year immediately preceding the date of the proposed issuance of Additional Parity Bonds states that the Issuer was not in compliance with the rate covenant in the Series 2017 A Ordinance for the year being audited and the Issuer has, as required by the Series 2017 A Ordinance, enacted a rate ordinance changing the rates and charges for the Combined Utility System to comply with the Series 2017 A Ordinance, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Series 2017 A Ordinance, so as to prevent the Issuer from issuing Additional Parity Bonds under the Series 2017 A Ordinance.

The Issuer anticipates that it will from time to time issue Additional Parity Bonds to finance the costs of additions, betterments and improvements to the Combined Utility System and to refinance the Bonds and any hereinafter issued Additional Parity Bonds. See "OUTSTANDING INDEBTEDNESS OF THE COMBINED UTILITY SYSTEM – Future Bond Issues" herein.

Special Limited Obligations

The Series 2017 A Bonds do not constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation on indebtedness. No registered owner of any Series 2017 A Bond shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2017 A Bonds or the interest or any premium thereon, or to make any claim against and of the funds or revenues of Issuer, either existing as of the date of issuance of the Series 2017 A Bonds or in the future, MUB has no taxing power.

BOND INSURANCE AND RESERVE POLICY

The Issuer has applied to, and executed commitments from, the Bond Insurer for the issuance, concurrently with the issuance of the Series 2017 A Bonds, of the Series 2017 A Insurance Policy and the Series 2017 A Reserve Policy. Information regarding the Bond Insurer, the Series 2017 A Insurance Policy and the Series 2017 A Reserve Policy, specifically including "APPENDIX G – BOND INSURANCE," "APPENDIX H – SPECIMEN MUNICIPAL BOND INSURANCE POLICY," and "APPENDIX I – SPECIMEN MUNICIPAL BOND DEBT

SERVICE RESERVE INSURANCE POLICY," has been furnished by the Bond Insurer for inclusion in this Official Statement. No representation is made by the Issuer nor the Underwriter as to the accuracy, completeness or adequacy of such information or as to the absence of material adverse changes in the condition of the Bond Insurer. Series 2017 A Insurance Policy

Concurrently with the issuance of the Series 2017 A Bonds, the Bond Insurer will issue the Series 2017 A Insurance Policy for the benefit of the holders of the Series 2017 A Bonds. The Series 2017 A Insurance Policy guarantees the scheduled payment of principal of and interest on the Series 2017 A Bonds when due as set forth in the form of the Series 2017 A Insurance Policy included as an appendix in this Official Statement.

The Series 2017 A Insurance Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Series 2017 A Reserve Policy

Concurrently with the issuance of the Series 2017 A Bonds, the Bond Insurer will issue the Series 2017 A Reserve Policy for the Series 2017 A Bonds. The Series 2017 Reserve Policy is issued in an amount equal to the Series 2017 A Reserve Requirement and is pledged to the Series 2017 A Bonds Reserve Account.

THE ISSUER AND THE MORGANTOWN UTILITY BOARD

The City of Morgantown is the county seat of Monongalia County, located along the Monongahela River and close to the Pennsylvania border in north central West Virginia. Morgantown is the home of West Virginia University, the largest institution of higher education in the State with an annual enrollment of approximately 29,000 students. The City is the medical, cultural, and commercial hub of the region. The population of Morgantown is estimated to be 30,000.

Morgantown and Monongalia County offer "Mountains of Opportunity" for business development and expansion. This is one of the major growth areas in the State. Monongalia County was the only county in north central West Virginia to realize population growth for the last 20 years, and it has been one of the fastest growing counties in the State over the last two decades.

Morgantown and Monongalia County have consistently experienced some of the lowest unemployment rates in the State. Major employers in the area include the National Institute of Occupational Safety and Health (NIOSH), Mylan Pharmaceuticals, and West Virginia University.

One-half of the population of the United States and one-third of the population of Canada is within a 500-mile radius of Morgantown. The City is one day's drive from 6 of the 8 largest U.S. metropolitan areas, 20 metro areas with populations of 1 million or more, and 22 of the nation's top 35 industrial markets. See "APPENDIX A – THE CITY OF MORGANTOWN (WEST VIRGINIA) ECONOMIC AND DEMOGRAPHIC DATA" herein.

Audited Financial Statements

The Series 2017 A Bonds are payable only from the Gross Revenues of the Combined Utility System, which are pledged to their payment, and the unexpended proceeds of the Series 2017 A Bonds. No other funds of the Issuer are available for, or expected to be used to, pay the principal of, or interest on, the Series 2017 A Bonds. Likewise, the Gross Revenues of the Combined Utility System are not used for other purposes of the Issuer. Accordingly, detailed information regarding the Issuer has not been included in this Official Statement. The audited financial statements of the Morgantown Utility Board for the Fiscal Year ended June 30, 2017 are included in Appendix B herein. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF THE MORGANTOWN UTILITY BOARD FOR FISCAL YEAR ENDED JUNE 30, 2017" herein.

Morgantown Utility Board

The Morgantown Utility Board is a municipally owned and operated utility providing potable water, sanitary sewer, and stormwater services directly to the residents of The City of Morgantown and to customers in certain surrounding municipalities and unincorporated areas of Monongalia County, as well as bulk water sales and sanitary sewer transmission and treatment to certain potable water and wastewater utilities owned and operated by nearby municipalities and public service districts. MUB was created in 1987 by ordinance enacted on September 1, 1987 by the Council of The City of Morgantown under the provisions of the Act. The former Morgantown Water Commission and the Morgantown Sanitary Board were merged in 1987 to create MUB and the combined waterworks and sewerage system. On May 21, 2002, the Council of the Issuer enacted an ordinance creating a stormwater utility and expanding the authority of MUB to include stormwater management and control. On May 1, 2007, the City Council enacted an ordinance combining the existing combined waterworks and sewerage system and the stormwater system to create the combined waterworks, sewerage and stormwater system which presently exists.

MUB has provided bulk water sales and sanitary sewer transmission and treatment under longstanding mutually beneficial arrangements with surrounding public utilities (collectively, the "Resale Customers"). MUB benefits from strong working relationships with the Resale Customers, often providing other contract services such as repairs and billing. While MUB does not have long term contracts with the Resale Customers, the practical constraints created by regulatory requirement, state utility regulation and the economies of scale which MUB enjoys would make any other arrangement for these bulk customers difficult to realize.

The Combined Utility System includes retail potable water service to approximately 26,200 connections and retail sewer service to approximately 22,575 service connections. MUB provides wholesale potable water and/or wastewater conveyance and treatment to a variety of surrounding public utilities which serve, in aggregate, approximately 17,900 customers in their respective service territories. The Stormwater System serves approximately 15,260 customers in the City and surrounding unincorporated areas.

MUB's assets are valued at over $307,000,000. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF THE MORGANTOWN UTILITY BOARD FOR FISCAL YEAR ENDED JUNE 30, 2017" herein. These assets include the main wastewater treatment plant in Star City, a wastewater treatment plant at Cheat Lake, and the water treatment plant in Morgantown. In addition, the Combined Utility System includes approximately 414 miles of water distribution lines, 299 miles of sewerage collection and transmission lines, and approximately 225 miles of stormwater management, conveyance and control facilities. MUB operates with approximately 150 employees.

MUB Board of Directors

Pursuant to the Act and the MUB Ordinance, MUB is overseen and directed by a Board of Directors appointed by the City Council (the "Board"). The Board is comprised of five residential customers of MUB appointed for staggered terms of five years. In addition to being customers of the Combined Utility System, up to two MUB members may be residents of Monongalia County residing outside of the Issuer's corporate boundaries. The remaining three members must be residents of the Issuer. The Board is responsible to oversee the management, control and operation of the Combined Utility System. The Board selects a chairman and other officers from its members annually. The names, offices and summary biographical information of the current members of the Board are set forth below:

Mr. Ganz attended Potomac State College, Keyser, WV and received a BS Agriculture from Arizona State University, Tempe, AZ. Mr. Ganz's term expires on November 11, 2020.

William Rice is a retired engineer, and has brought a host of directly relevant experience and skills to MUB since joining the Board in 2013. This includes service on the County Commission's Water and Wastewater Committee as well as the Sewage Advisory Board for the West Virginia Department of Health. Mr. Rice currently serves on the West Run Board of Zoning Appeals for the County Commission and as chairman of the Citizen's Advisory Committee for the Greater Morgantown Metropolitan Planning Organization (MPO). He is a veteran of the US Army having served as a medic in the 3rd Infantry Division.

Mr. Dale maintains mub.org, ensures that area residents remain informed of MUB activities, maintains relationships with members of the media and community leaders, continuously monitors traditional and social media, plans and conducts various outreach events, consults with MUB leadership on internal/external impacts of policy changes, provides customer service for demanding customers as well as 24/7 social media support, writes and designs various internal and external communication vehicles, and maintains MUB's crisis communications plan.

Mr. Dale holds a BA in Psychology and a MS in Journalism with a specialization in public relations, both from West Virginia University.

MUB Personnel

MUB employs approximately 150 individuals. Of that number, approximately 37 are assigned to the Treatment and Production Facilities Department, approximately 72 are assigned to the Distribution Department and 41 are assigned to Administration. All employees are available to work on any aspect of the three utilities, while employee and equipment time, as well as materials, are tracked and allocated to each of the three utilities. Employees are cross-trained in each Department and succession plans for key leadership positions throughout MUB are regularly reviewed and updated.

Employees of MUB are employed directly by MUB, not the Issuer. MUB employees are not represented by a collective bargaining unit. The City Charter expressly prohibits employees of the City and MUB from organizing collective bargaining units. MUB employees are required to participate in group medical insurance and retirement plans.

MUB Business Philosophy

MUB has several keystone practices that guide its business approach. One is that of minimizing reliance upon outside services, and doing as much as possible with its own staff. In addition to staffing for the regular operation and maintenance the Combined Utility System requires, MUB maintains sufficient personnel and equipment to field two to three full time construction crews. Doing so allows MUB to construct system extensions and perform renewal and replacement work at lower cost, and with less preparation time, than would be required using outside contractors. Engineering staffing is similarly robust and beneficial.

The pursuit of value, rather than minimizing immediate cost, is also a key practice of MUB. An easy example is the purchase of premium efficiency pump motors. A premium efficiency pump motor may cost 10% more than a standard efficiency motor, but will yield reduced electrical consumption to pay for its incremental cost in just two or three years, while providing continued savings for decades more. MUB invests for value at every purchase opportunity.

MUB requires that expansion of the Combined Utility System be self-supporting. Line extensions to newly developed areas are designed and constructed by MUB at the expense of the developer. Line extensions to existing unserved areas are designed and constructed by MUB at the expense of the new customers to be served. Acquisition of other systems is accomplished at a zero purchase price other than assumption of the acquired system's existing debt, in which case the associated debt service continues to be paid by the customers on the acquired system through a separate rate schedule for the acquired area.

MUB Governance

The municipal governmental structure in which MUB was created and continues to operate is designed to provide professional, apolitical, oversight and management of the Combined Utility System. The Board, while appointed by City Council, operates with near total autonomy. The only aspects of MUB which remain subject to City Council approval are establishment of rates and charges, the issuance of bonds, and approval of large capital projects, all of which require the enactment of an ordinance by City Council.

As a subunit of the City, MUB does not participate in political issues. MUB does, however, regularly work with political bodies to further MUB's mission.

For example, municipal ordinances to establish enforceable standards related to utility services are routinely drafted and proposed by MUB, and subsequently implemented by City Council as needed. Similarly, MUB's occasional acquisition of surrounding utilities requires and receives the cooperation of The County Commission of Monongalia County.

Similarly, MUB works closely with the West Virginia Legislature occasionally on its own behalf, but more often through the West Virginia Rural Water Association and/or the West Virginia Municipal League. MUB is well regarded in both organizations by virtue of its recognized leadership in the State and region. Two legislative initiatives in which MUB played a key role deserve special mention.

The first is House Bill 4619, enacted March 2002, which allowed the creation of stormwater utilities in West Virginia. MUB recognized early when regulations applying to municipal separate storm sewer systems (known as "MS4's") were newly issued, that MUB was better suited to meet the regulations than was the Morgantown Street Department which had responsibility for the Morgantown storm system at the time. MUB drafted a bill, obtained sponsors, and advocated successfully at the State Legislature for its passage, modifying the State code to authorize creation of locally owned and operated stormwater utilities. MUB then worked with City Council to enact the necessary ordinances to create the State's first stormwater utility under MUB. Since that time, MUB's Stormwater System has served as a model for others in the State and region.

The second is Senate Bill 234, enacted in March 2015, with further clarifications enacted March 2017 (collectively, "Senate Bill 234") which reduced the regulatory authority of the Public Service Commission of West Virginia ("PSC") over the state's largest publicly owned water and/or sewer utilities. Excessive regulation of rates by the PSC was widely perceived to have suppressed and/or discouraged justifiable rate increases, thus leaving utilities without adequate revenues to fund proper O&M activities. Similarly, the PSC capital project approval process was widely viewed as an unproductive and expensive review that added little or no value, but often delayed work as much as a year. In 2014, a report by an internationally recognized credit rating agency cited excessive regulation as a significant credit risk arising from West Virginia's regulatory scheme. To address this issue, MUB drafted and proposed to the Legislature Senate Bill 234, and working with its partners at WVWRA and West Virginia Municipal League, obtained multiple sponsors from the leadership in both houses of the Legislature, and successfully advocated for its passage. See "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – State Utility Regulation" and "STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES – Rate Setting and Project Approval Process" herein.

The above examples illustrate MUB's willingness and ability to achieve Legislative solutions to issues. MUB also monitors legislation each year and provides insight to the West Virginia Legislature on the potential impact of proposed bills.

MUB Fiscal Policies

The Board has adopted a comprehensive Statement of Investment Policy. The statement outlines broad investment policies to include delegation of certain authority to the General Manager, investment objectives, collateralization of deposits, protection of funds, permitted investments, investment of bond proceeds and investment reporting.

The Board recently formalized MUB's long-standing practices regarding cash management through the adoption of a Liquidity Policy. The Liquidity Policy establishes a stated goal for MUB to maintain between 110 – 140 days of operation and maintenance expense in unrestricted cash and cash equivalents available for unexpected economic and operational events. The Liquidity Policy assumes daily operation and maintenance expense of $40,000, which results in available liquid assets of $4,400,000 to $5,600,000.

MUB's combined cash reserves are currently and temporarily reduced by the unique costs related to planning and design of the proposed stormwater and sanitary sewer improvements, and by similar costs related to proposed water system improvements which will be funded by a future bond issue. MUB typically finances the pre-construction costs of bond financed projects "out of pocket". Those costs are then reimbursed to MUB immediately upon closing of the long-term financing for the project. For the Project the anticipated reimbursement will be up to $160,000 from the Series 2017 A Bonds and up to $750,000 from the Series 2018 B Bonds, respectively.

MUB PENSION OBLIGATIONS

As authorized by state law and required by City ordinance, MUB employees are enrolled in The City of Morgantown Employees' Retirement and Benefit Fund. Employees contribute 5.95% of their compensation. MUB likewise contributes an actuarially determined share toward each employee account, currently at 13.23% of payroll. See "MUB Personnel" herein.

The pension fund is managed by an elected Board of Trustees and its agents. The fund is estimated to be

78.35% funded as of June 30, 2017. MUB's share of the unfunded pension liability as of June 30, 2017 was $8,686,000.

As of the July 1, 2011 actuarial valuation, the Board of Trustees adopted a closed amortization period of 25 years to amortize the unfunded liability. As of the July 1, 2016 valuation, the remaining amortization period is 20 years.

Of the 13.23% of payroll currently contributed by MUB, 6.91% goes toward the amortized unfunded liability. The remaining 6.32% of payroll is MUB's actuarially determined normal contribution.

MUB Water System

The Water System provides retail potable water service to approximately 26,200 customers. Water System facilities include, but are not limited to, approximately 414 miles of transmission pipe, a 16 million gallon per day (MGD) water treatment plant, 15 booster pumping stations and 34 water storage tanks with a combined volume of 18.8 million gallons. Raw water is currently supplied through an intake on the Monongahela River and Coburn Creek Reservoir #1. The water treatment plant was recently significantly upgraded, the design for which began in 2009. Construction of the overall water treatment plant upgrade began in 2010 and was completed in 2012. The project replaced the existing Monongahela River intake structure, added a membrane filtration process, expanded clear well storage and updated and improved the various chemical feed systems. The improved water treatment plant has an immediate capacity of 16 MGD, and can be incrementally expanded to 24 MGD.

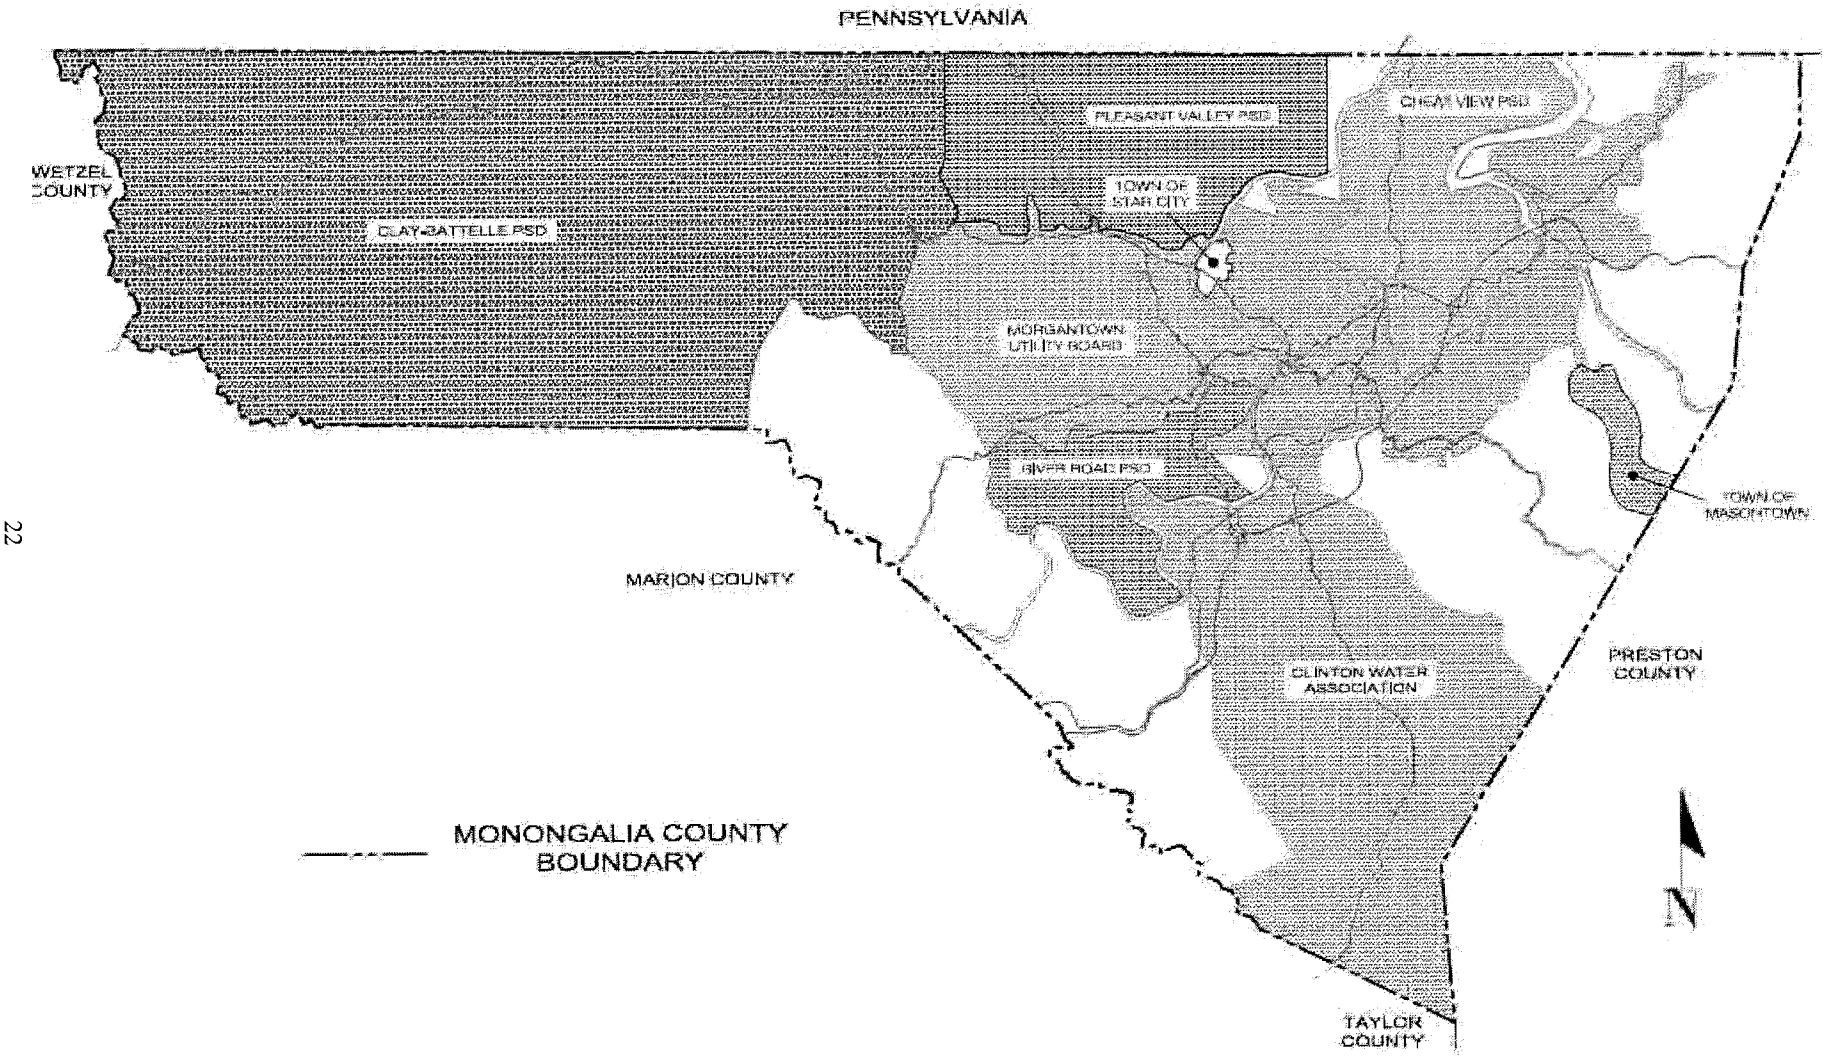

MUB Water System – Service Area

MUB's Water System retail service area:

MUB Sewer System

The Sewer System provides sanitary sewer service directly to approximately 22,575 customers. The Sewer System has two distinct portions. The first, the "Morgantown Sewer System," includes both The City of Morgantown and the immediately surrounding areas, encompassing the traditional service area of MUB. The facilities in the Morgantown Sewer System include, but are not limited to, approximately 299 miles of collection lines and mains, the primary wastewater treatment plant located in Star City (the "Star City WWTP") which has a 12 million gallon per day (MGD) capacity, 53 lift stations, and 40 combined sewer overflows. The Series 2016 A Bonds, the Series 2016 B-1 Bonds and the Series 2016 B-2 Bonds were issued to finance the costs of design, acquisition, construction and equipping of a project to upgrade the Star City WWTP (the "2016 Sewer System Project"). The 2016 Sewer Project will increase treatment capacity at the Star City WWTP to 20.8 MGD and is expected to be completed in 2020.

The second distinct portion of the Sewer System is the sanitary sewer collection and treatment system which serves the Cheat Lake area outside of, but adjacent to, the municipal limits of the Issuer in Monongalia County. The Cheat Lake System serves approximately 2,800 retail customers. The facilities of the Cheat Lake System includes approximately 50 miles of collection and transmission lines, a 750,000 gallon per day (GPD) wastewater treatment plant (the "Cheat Lake WWTP") and 20 lift stations. The Cheat Lake System contains no combined sewer overflows. The Cheat Lake WWTP, lift stations, and major interceptors and force mains were constructed in 2000 at a cost of $10,000,000. Growth and demand for expanded utility services is generally strong throughout the MUB service area and particularly so in the Cheat Lake area.

MUB Sewer System – Service Area

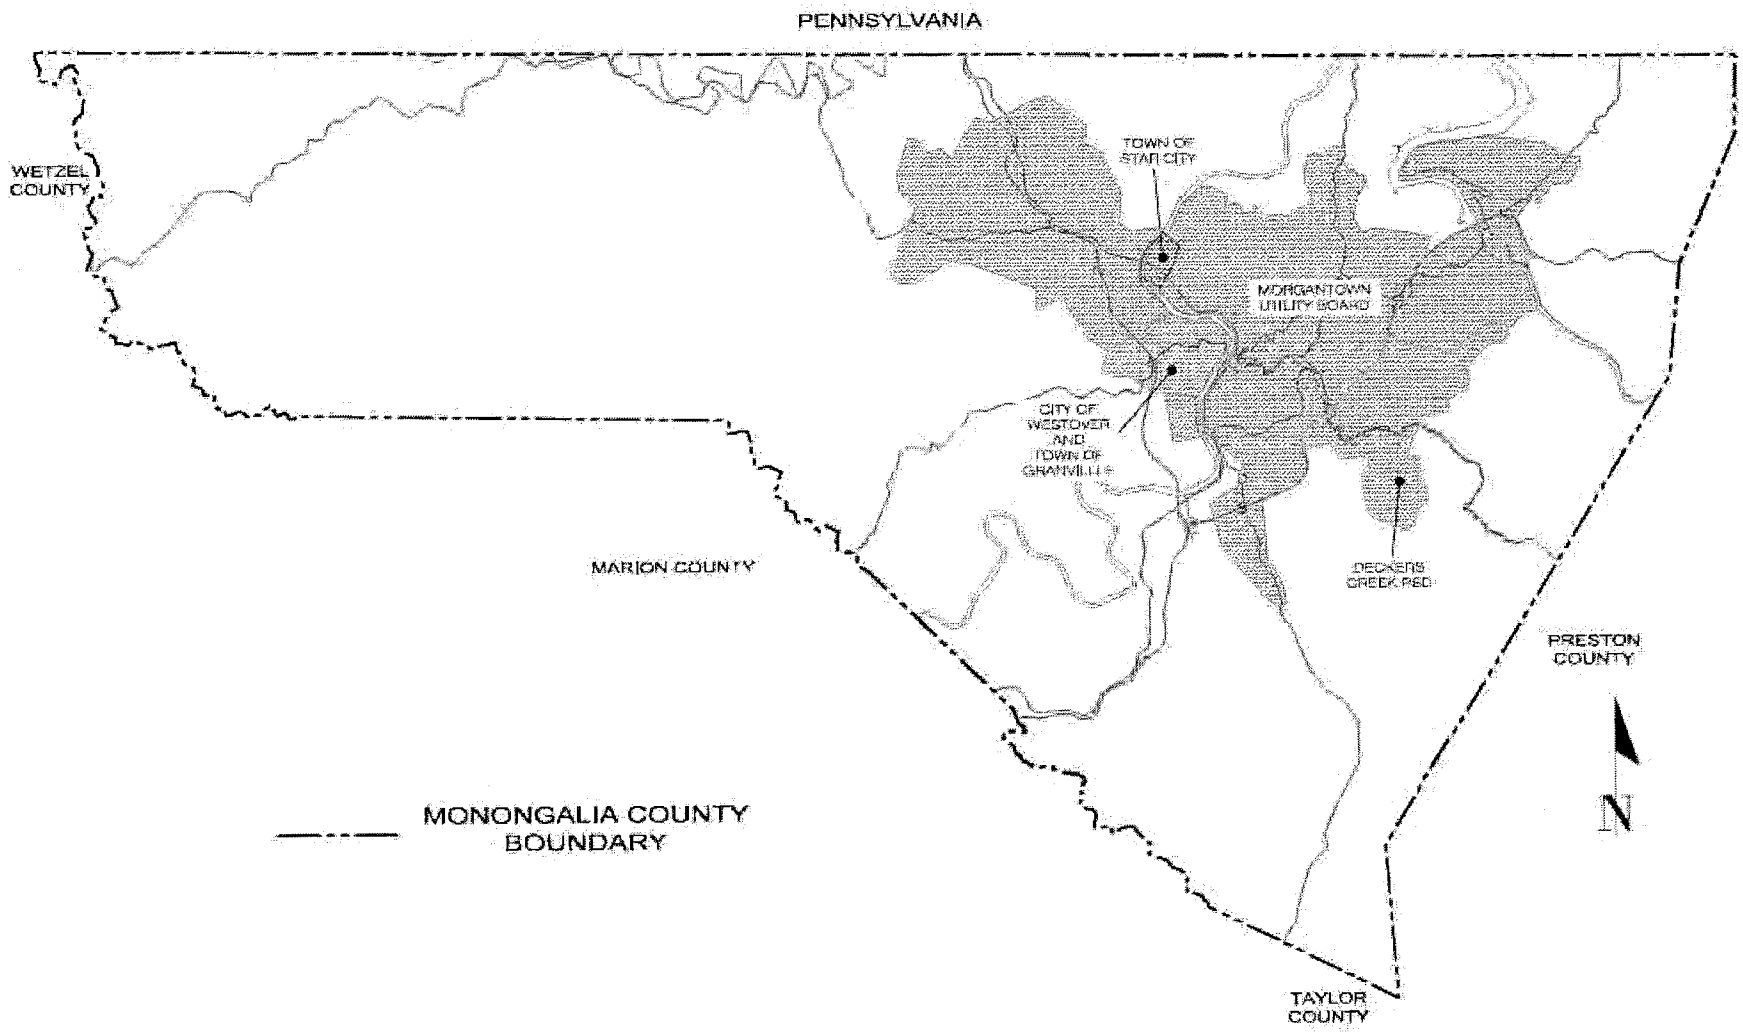

MUB's Sewer System Service area:

- includes the entirety of the City and surrounding areas in Monongalia County, West Virginia;
- covers approximately 49.75 square miles; and
- includes a diversified group of healthcare, higher education, manufacturing, and service industry customers.

In addition to MUB's retail customers, MUB provides sanitary sewerage transmission and treatment to four (4) separate adjacent public sewer utilities: the City of Westover, Deckers Creek Public Service District ("Decker's Creek PSD"), the Town of Star City, and the Town of Granville (collectively, the "Sewer Resale Customers"). The Sewer Resale Customers provide retail sanitary sewer service to nearly 5,500 customers within their respective service territories.

MUB Stormwater System

The Stormwater System serves approximately 15,260 customers. The West Virginia Department of Environmental Protection ("DEP") implemented federal MS4 (Municipal Separate Storm Sewer System) regulations effective 2003. The City of Morgantown added stormwater to the mission of MUB on May 21, 2002. Prior to that, the Stormwater System was maintained by the City Street department. The MUB stormwater utility was the first created in West Virginia, and has served as the model for others created statewide since that time. Stormwater rates, based on measured impervious area, were enacted by the Council of the Issuer to fund a suitable annual budget for both ongoing operations and maintenance, and for capital improvements. The MUB stormwater service area is defined on a watershed basis, and therefore includes areas that flow into the City from beyond the municipal corporate limits. Stormwater System facilities include a known inventory of 103 miles of pipe and culverts, however, the length of the total stormwater conveyance facilities is estimated to be approximately 225 miles. A mapping project to determine the full system inventory is underway, as required by recent federal regulations. An $8,500,000 project was completed in 2009 to improve the Burroughs Run and Popenoe Run streams, providing stream restoration to stabilize the streams and to improve stream conveyance capacity in order to reduce the potential for flooding. A $2,475,000 project to improve and protect the Sabraton area along the Hartman Run stream, and at the intersection of Hartman Run Road (W.V. Route 857) and W.V. Route 7 was completed in 2015.

MUB Stormwater System – Proposed Improvements

Forest Ave - Includes installation of approximately 500 feet of stormwater piping, related catchment structures, curb and pavement reconstruction.

Valley View Ave - Includes installation of approximately 1,100 feet of stormwater pipe ranging in sizes from 18 inches to 48 inches in diameter, related catchment structures and pavement reconstruction. Additionally, approximately 600 feet of sanitary sewer will need to be installed to facilitate the construction of the proposed storm line.

Acorn Village/Tanglewood – Includes approximately 1,000 feet of storm system reconstruction including a combination of pipeline and stream/ditch line restoration and potentially detention facilities.

Third Street - Includes replacement approximately 260 of 15 inch storm line.

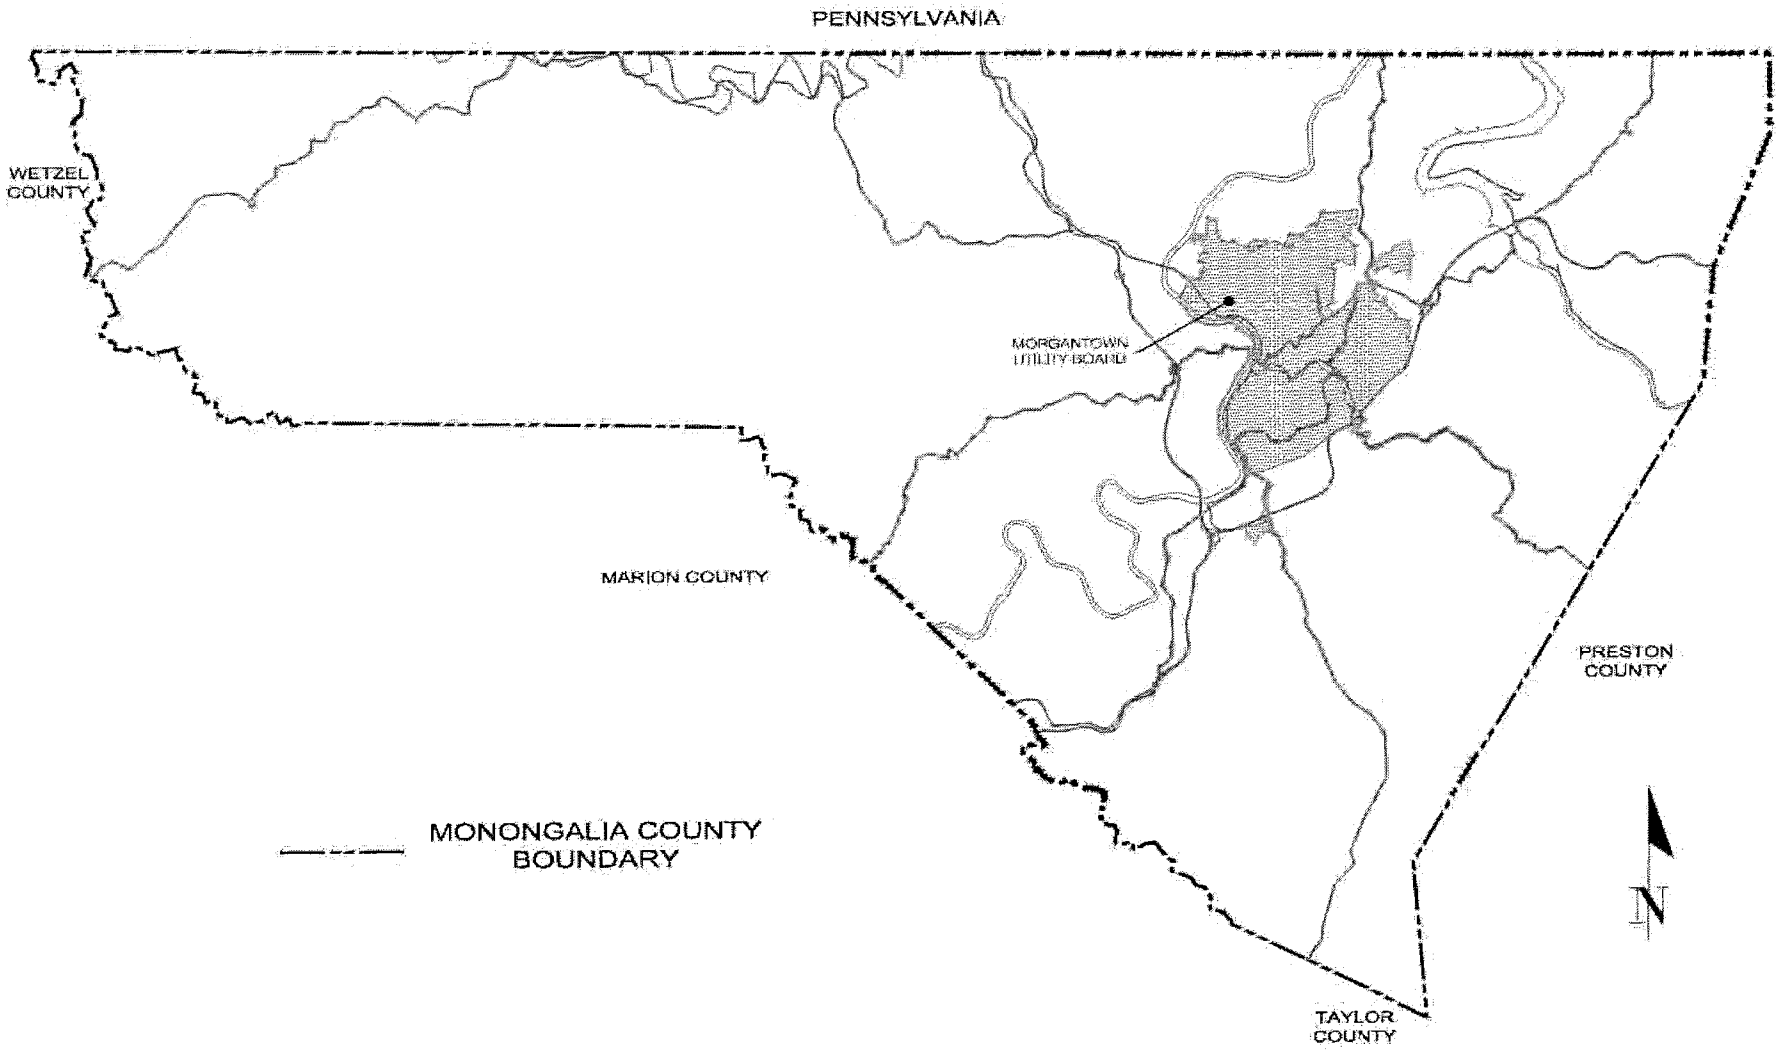

MUB Stormwater System – Service Area

MUB stormwater service area:

- includes the entirety of the City and surrounding areas in Monongalia County, West Virginia;
- covers approximately 14.68 square miles; and
- includes a diversified group of healthcare, higher education, manufacturing, and service customers.

Set forth on the next page is a map which reflects the retail service area of the Stormwater System.

MUB Operating and Capital Budgets

Operating and Capital budgets for the Water System, Sewer System and Stormwater System are prepared and approved annually by MUB.

MUB Combined Utility System Environmental Regulatory Performance

MUB maintains an excellent record of regulatory compliance. Discussion follows with respect to the Water System, the Sewer System and the Stormwater System.

MUB Water System.

Although numerous standards apply to regulate the treatment process and quality of treated potable water, a permitting process analogous to the National Pollutant Discharge Elimination System ("NPDES") permit does not exist. Nonetheless, monthly reports are required by WV Department of Health and Human Resources ("DHHR"), and consistently indicate full compliance.

The PSC requires annual reporting of water loss, which is measured by a percentage of water that is un-accounted, and requires a corrective action plan for water loss exceeding 15%. MUB's program of loss prevention and leak location is very effective, and consistently complies with the PSC standard. The most recent reported water loss was 10.35% for FY 2017.

There are no outstanding enforcement actions applicable to the Water System.

MUB Sewer System.

Sewer service is regulated under the separate NPDES permits for the Star City WWTP and the Cheat Lake WWTP, and each corresponding collection system. As evidenced by receipt of numerous consecutive Platinum Awards from the National Association of Clean Water Agencies ("NACWA"), MUB has had zero permit violations in the last 16 years at the Star City WWTP, and in the last 18 years at the Cheat Lake WWTP.

An Administrative Order has been issued by West Virginia Department of Environmental Protection ("DEP") related to the Long Term Control Plan, and is procedural in nature. MUB is fully compliant with the terms of the Administrative Order.

An Administrative Order has been issued by DEP related to the 2016 Sewer System Project, and confirms the construction plan and schedule proposed by MUB in the approved NPDES permit modification. MUB anticipates full compliance with the Administrative Order.

There are no other outstanding enforcement actions applicable to the Sewer System.

MUB Stormwater System

Numerous standards apply to regulate the operation and maintenance of stormwater systems by way of the MS4 variation of the NPDES permit. Semi-annual reports are required by DEP, and consistently indicate substantial compliance.

A 2014 inspection by DEP of MUB's MS4 reporting resulted in a Notice of Violation for failure to achieve certain permit requirements and/or goals expressed in MUB's Stormwater Management Plan. In most cases, the requirement/goal had been achieved, but the achievement was not properly documented. MUB was directed to submit a report describing how the unmet goals would be achieved/documented for compliance; said report was promptly submitted, appropriate program corrections were made, and no further enforcement action has been taken or is expected to be taken.

A 2015 inspection by the United States Environmental Protection Agency ("EPA") of MUB's MS4 reporting (for years 2012 and 2013) resulted in an Administrative Order for failure to achieve certain permit requirements. MUB was directed to submit a report describing how the unmet goals would be achieved/documented for compliance; said report was promptly submitted, and EPA has now issued a letter accepting the Report and closing the Administrative Order docket as having been appropriately resolved.

There are no outstanding enforcement actions applicable to the Stormwater System.

MUB Sewer System Long Term Control Plan

MUB's original Long Term Control Plan ("LTCP") was submitted to WV DEP and approved in 2002. Because such complex plans and the regulations to which they respond are constantly evolving, the LTCP is best considered a "living document" that remains subject to continuous revision and re-negotiation.

Work completed under the 2002 LTCP includes the following: (i) an addition of a third secondary clarifier at the Star City WWTP, which was completed in 2009 at a cost of $6,400,000; and (ii) an upgrade of Deckers Creek Pump station and force main, which was completed in 2012 at a cost of $15,500,000.

MUB submitted updates to its LTCP to WV DEP in 2011 and 2014. These updates have not been formally approved or rejected by DEP, and remain under ongoing discussion. The 2014 LTCP served as the basis for the 2016 Sewer System Project.

The 2014 LTCP describes four phases of anticipated improvements (all cost estimates are in 2015-2016 dollars):

- Group 1 – 2020 completion
  - WWTP upgrade – financed as a portion of the 2016 Sewer System Project at a cost of $101,000,000 (estimated $70,000,000 in LTCP).
  - Popenoe Run Interceptor replacement – financed as a portion of the 2016 Sewer System Project at a cost of $1,600,000 (estimated $6,000,000 in LTCP).

- Group 2 – 2025 completion
  - Star City WWTP upgrade Phase 2 at $21,000,000.* (Since the 2014 LTCP, portions of the Star City WWTP upgrade Phase 2 have been included in the 2016 Sewer System Project.)

- Group 3 – 2030 completion
  - Upgrade of Deckers Creek Pump Station and Interceptor at $19,000,000.*
  - Popenoe Run Pumping and Storage at $12,000,000.*

- Group 4 – 2035 completion
  - Add High Flow Wet Weather Treatment to WWTP at $44,000,000.*

* Preliminary, subject to change. Also, construction subject to availability of grant and low interest loan funds and affordability under %MHI indices.

MUB actively participates in the activities and leadership of several West Virginia based industry groups and national industry organizations, including:

West Virginia Based Organizations

- WV American Water Works Association ("WV AWWA"),
- WV Rural Water Association ("WV RWA"),
- West Virginia Municipal League ("WVML"),
- West Virginia Municipal Water Quality Association ("WVMWQA"), and
- West Virginia Water Environment Association ("WVWEA").

National Organizations

- American Water Works Association ("AWWA"),
- Water Environment Federation ("WEF"),
- Rural Water Association ("RWA"),
- National Association of Clean Water Agencies,
- Association of Metropolitan Water Agencies ("AMWA"),
- Wet Weather Partnership, and
- National Association of Clean Water Agencies ("NACWA).

MUB's active participation in these organizations has broadened its reach to include a wide network of resources and contacts. This allows MUB to bring cutting edge ideas to practice in its service areas. Most importantly, it empowers MUB to compare itself to, learn from, and compete with larger utilities throughout the nation and region.

In addition to formal recognition, MUB is unique among public utilities in West Virginia as the first, and to this date, the only, combined potable water, sanitary sewer and stormwater utility.

MUB Operations, Maintenance, and Asset Management

MUB Operations Overview.

The Water Treatment Plant, Star City WWTP and the Cheat Lake WWTP (collectively, the "Treatment Plants") are under the direct supervision of the Manager of Treatment and Production Facilities. The Treatment Plants are operated by professionals licensed by the WV Bureau for Public Health (Water) and the West Virginia Department of Environmental Protection (Sewer). In addition to the Treatment Plants, the Manager of Treatment and Production Facilities is responsible for the operation and maintenance of the 15 pumping stations and 34 storage tanks included in the Water System and the 73 pumping stations in the Sewer System.

The distribution and transmission lines in the Water System, collection and transmission lines in the Sewer System and the management and conveyance infrastructure in the Stormwater System are the responsibility of the Distribution Superintendent. The Combined Utility System includes approximately 414 miles of water distribution

lines, 299 miles of sewerage collection and transmission lines, and approximately 225 miles of stormwater management, conveyance and control facilities.

MUB Maintenance Overview.

MUB has a structured maintenance program which focuses on ensuring the expected useful life of facilities and equipment throughout the Combined Utility System. A computerized maintenance management system is utilized to track and document preventative maintenance, predictive maintenance and unplanned repair activities. A computerized purchasing and inventory control system is utilized.

Asset Management Plan Overview.

MUB maintains an Asset Management Plan which is updated on an annual basis to reflect depreciation, replacement and upgrades of existing assets, as well the addition of new assets. The purposes of the Asset Management Plan are to (i) ensure the maximum reasonable useful life of assets; (ii) reduce the occurrence of lost service through anticipatory replacement, repair or improvement of assets; and (iii) support optimal decision-making through consistent life-cycle costing and renewal and replacement planning.

MUB CAPITAL IMPROVEMENT PROGRAM

MUB utilizes an annually adopted five-year Capital Improvement Program ("CIP") to plan and manage the capital improvements necessary to fulfill its service mission, comply with regulatory requirements and preserve and upgrade each system within the Combined Utility System. MUB updates the CIP annually in conjunction with its budget process, based on detailed project review by engineering staff, external engineering consultants retained by MUB and senior management.

MUB CIP Management and Administration

Consulting engineering services are generally employed for the design of major projects. MUB's engineering department has fourteen (14) employees who design certain projects and review and coordinate the plans submitted by consulting engineers for others. Depending on the size and type of project, responsibility for design, bidding, construction management, and/or resident inspection may be provided by MUB engineering, staff, consulting engineers, or a combination of both. All projects are scheduled and monitored under the direction of a licensed professional engineer. Overall project coordination and management is the responsibility of the General Manager and Assistant General Manager/Chief Engineer.

MUB CIP Funding Sources

MUB anticipates funding the CIP through a combination of long term debt (i.e. Additional Parity Bonds) and internally generated funds for capital additions. Additional funding is routinely received from developers, the West Virginia Department of Highways, West Virginia University and others for the purpose of increasing capacity, relocating facilities and expanding the service area.

Method of Accounting

The accounts of the Water System, Sewer System and Stormwater System are organized on the basis of fund accounting as enterprise funds. With respect to operating revenues and expenses, the MUB accounts are maintained in accordance with generally accepted accounting principles. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF MORGANTOWN UTILITY BOARD FOR FISCAL YEAR ENDED JUNE 30, 2017" herein.

Future Bond Issues

The Issuer and MUB anticipate the issuance of bonds on a parity with the Series 2017 A Bonds in the future. Such future bond issues include, but will not be limited to, Additional Parity Bonds to finance the following projects which are in various states of planning or commitment:

Rockley Road Water Project.

The Issuer is scheduled to enact a Supplemental Resolution on January 16, 2018, authorizing the issuance of Combined Utility System Revenue Bonds, Series 2018 A (West Virginia Infrastructure Fund), in the approximate aggregate principal amount of $450,000 (the "Series 2018 A Bonds"), to finance a portion of the costs to design, acquire, construct and equip a potable water line extension to serve approximately 20-25 new customers along Rockley Road in an unincorporated area of Monongalia County outside the corporate limits of the Issuer at a total cost of approximately $857,000 (the "Rockley Road Water Project"). The remaining costs of the Rockley Road Water Project not paid from the proceeds of the Series 2018 A Bonds will be paid through grants from The County Commission of Monongalia County and the West Virginia Infrastructure and Jobs Development Council and a contribution in aid of construction of approximately $26,000 from MUB. While the Series 2018 A Bonds will be issued with a lien on the Gross Revenues of the Combined Utility System on a parity with the Prior Bonds and the Series 2017 A Bonds, each of the new Water System customers served by the Rockley Road Water Project will pay a monthly surcharge, in addition to existing rates and charges of the Water System, which will be sufficient, along with the monthly surcharges paid by the other new Water System customers served by the Rockley Road Water Project, to pay the principal of, and interest on, the Series 2018 A Bonds.

Project.

The Issuer and MUB anticipate financing the Costs of the Project not financed with the proceeds of the Series 2017 A Bonds, with proceeds of Combined Utility System Revenue Bonds, Series 2018 B, in the approximate aggregate principal amount of $1,000,000 (the "Series 2018 B Bonds). The Issuer and MUB anticipate the issuance of the Series 2018 B Bonds in the first or second quarter of 2018.

Water Reservoir Project.

The 2016 Sewer Project financed with the proceeds of the Series 2016 A Bonds and the Series 2016 B Bonds was originally planned to go to construction simultaneously with a project to construct a new water reservoir for the Water System and, depending on the availability of bond proceeds, additional assets for the Water System (hereinafter more fully described, the "Water Reservoir Project"), financed with a separate series of combined utility system bonds on a parity with the Series 2016 A Bonds and Series 2016 B Bonds. Due to design and regulatory delays, the Water Reservoir Project has been delayed and construction bids expect to be opened in mid-February of 2018. The Issuer and MUB anticipate that the Water Reservoir Project will go to construction in the second quarter of 2018.

An ordinance authorizing the issuance by the Issuer of its Combined Utility System Revenue Bonds, Series 2016 D in an amount not to exceed $40,000,000 was enacted by City Council contemporaneously with the Series 2016 A Ordinance. A subsequent ordinance authorizing the issuance by the Issuer of its Combined Utility System Revenue Bonds, Series 2017 A in an amount not to exceed $50,000,000 was enacted by City Council on January 3, 2017, replacing and superseding the planned Series 2016 D. The Issuer anticipates issuing the bonds to finance the Water Reservoir Project in the second quarter of 2018 and will re-designate the obligations, via supplemental resolution, as "Combined Utility System Revenue Bonds, Series 2018 C," while the not to exceed amount will remain $50,000,000 (the "Series 2018 C Bonds"). The rate modifications for the Water System enacted to pay the anticipated debt service for the Project 2016 project also included sufficient revenues to for the anticipated debt service on the Series 2018 C Bonds. These rates began to be charged on July 1, 2016.

STATE REGULATION, RATES, BILLING AND COLLECTION PROCEDURES

State Utility Regulation

Public water and sewer utilities in West Virginia are subject to regulatory review by the PSC. Public municipal stormwater facilities are not subject to PSC regulation. Pursuant to state legislation which became effective in June 2015, and subsequently further clarified by state legislation effective in June 2017 (collectively, "Senate Bill 234"), the scope of PSC authority over larger public water and sewer utilities such as MUB was reduced. As a result of Senate Bill 234, MUB was exempted from PSC regulation and approval of, among other things:

1. Amendments and modifications to rates and charges of the Water System and the Sewer System; and

2. The requirement to obtain prior PSC approval for construction of capital projects which are outside "the normal course of business."

The authority of the PSC over large public water and sewer utilities, however, has been effectively enlarged by a recent court decision. Specifically in SWVA v. Huntington Sanitary Board, *et. al.*, Case Number 17-0120 (Memorandum Decision, November 14, 2017), the State of West Virginia Supreme Court of Appeals held, among other things, that the PSC retains jurisdiction over, and is the proper venue for, complaints by customers of such large public water and sewer utilities for failure to satisfy statutorily mandated public notice requirements for approval by City Council of (1.) amendments and modifications of rates and charges for public water and public sewer systems; and (2.) construction of projects for public water and/or sewer systems which are outside of "the normal course of business." Accordingly, while the changes to the state regulatory structure as a result of Senate Bill 234 result in significant savings of both time and expense for MUB when pursuing both rate increases and capital projects, SWVA v. Huntington Sanitary Board created some uncertainty regarding the extent to which the regulatory jurisdiction of the PSC has been reduced.

Senate Bill 234 provided specific protection to bondholders. Specifically, West Virginia Code Section 24-2-1(b)(8) was amended by Senate Bill 234 to provide as follows:

> In the event that a political subdivision has a deficiency in either its bond revenue or bond reserve accounts, or is otherwise in breach of a bond covenant, the bondholder may petition the Public Service Commission for such redress a will bring the accounts to current status or otherwise resolve the breached covenant, and the commission shall have jurisdiction to fully resolved the alleged deficiency or breach.

Neither the Issuer or MUB is aware that any bondholder has petitioned the PSC for relief pursuant to this specific authority since it became effective on June 12, 2015.

Rate Setting and Project Approval Process

The PSC retains authority to investigate and resolve: (i) disputes between MUB and the Resale Customers regarding rates, fees and charges for the Water System and Sewer System; and (ii) complaints by MUB customers regarding the PSC's exercise of powers enumerated in Chapter 24, Article 2, Section 1(b) of the Code of West Virginia, 1933. Moreover, the PSC regulatory oversight includes regulation of measurements, practices, acts or

service of MUB, regulation of MUB's system of accounts, regulation of MUB's submission of tariffs, adjudication of service territory disputes, and certain agreements between utilities.

The Council of the City has the authority to implement rates and charges for the Combined Utility System through the enactment of a Rate Ordinance. Such rates and charges are required by the Act to be sufficient at all times to: (i) provide for the payment of interest on all bonds issued pursuant to the Act and to create a sinking fund to pay the principal of such bonds as and when the same becomes due, and reasonable reserves therefore; (ii) provide for the repair, maintenance and operation of the systems; (iii) provide an adequate revenue and replacement fund; and (iv) make any other payments required or provided for in the applicable bond ordinance. The Act provides that rates and charges established by municipally operated combined utility systems shall be just, reasonable, applied without unjust discrimination or preference and based primarily on the costs of providing service. Under the Act, a municipality is required to maintain a "working capital reserve" for its respective water, sewerage and stormwater systems in an amount of no less than one-eighth (12.5%) of its actual annual operation and maintenance expense, which amount must be separate and distinct from and in addition to any renewal and replacement fund.

Enactment of a Rate Ordinance by City Council requires a minimum of four to six weeks, including pre-enactment notice of the proposed increased rates and charges. The Council of the City must have two readings of a Rate Ordinance, separated by fourteen (14) days, with a public hearing prior to the second reading. Pre-enactment notice of the proposed rates and charges must be provided to the City's customers with the billing statement in the month prior to the first reading of a Rate Ordinance. The new rates and charges cannot go into effect any sooner than 45 days after the date of enactment of a Rate Ordinance, unless the Council affirmatively finds and declares that the Combined Utility System is in financial distress such that the 45-day waiting period would be detrimental to the ability of the Combined Utility System to deliver continued and compliant service. Once enacted by the City, the proposed rates and charges are subject to investigation by the PSC upon the filing of a complaint by any one of the Resale Customers of the portion of the Combined Utility System for which such rates and charges are being modified. Resale Customers have no statutory timeframe following the enactment of a Rate Ordinance within which they must file a complaint, nor does the PSC have a statutory time frame within which to render a decision on such a complaint. As explained in the previous section, the decision in SWVA v. Huntington Sanitary Board clarified that any customer may bring a complaint at the PSC alleging, at a minimum, failure of the City Council to follow statutorily mandated notice requirements related to the Rate Ordinance.

The Council of the City also has the authority to authorize capital projects not in the "normal course of business" through the enactment of a project ordinance (a "Project Ordinance"). Enactment of a Project Ordinance requires a minimum of four to six weeks, including pre-enactment notice of the proposed capital project and any change in rates and charges associated with the capital project. The Council of the City must have two readings of a Project Ordinance, separated by fourteen (14) days, with a public hearing prior to the second reading. Pre-enactment notice of the capital project and any associated charge in rates and charges must be provided to the City's customers with the billing statement in the month prior to the first reading of a Project Ordinance. Approval by the Council of the City of a Project Ordinance cannot go into effect any sooner than 45 days after the date of enactment of a Project Ordinance. As explained in the previous section, the decision in SWVA v. Huntington Sanitary Board clarified that any customer may bring a complaint at the PSC alleging, at a minimum, failure of the City Council to follow statutorily mandated notice requirements related to a Project Ordinance, or a determination that a particular project is "in the normal course of business" and, thus, a Project Ordinance is not required.

MUB Rate History and Comparison

The table below shows the recent rate history of MUB. MUB does not have a policy of regularly pursuing rate increases on a pre-determined schedule.

7/1/2016	$23.18	$780.80	33%	7/1/2016	$39.33	$1,574.40	87.5%				

Most of MUB's rate increases have been initiated as a result of new projects and the need to increase revenues for project-related debt service. These project-related increases have also included additional new revenues

to address increased O&M expenses. The need for general inflation based rate increases is limited by several favorable factors, including:

- Sustained customer growth
- Sustained system growth by both system extensions and acquisitions
- Investment income
- Rents and leases
- Additional revenues earned by sale of contract services to the Resale Customers, including
    - Operation and Maintenance
    - Billing and collection

By aggressively managing the above, MUB maintains some of the lowest rates in the State.

MUB Retail Customer Collection Process

The 10 year average of uncollectible accounts is less than 0.33% percent of invoices issued for utility services.

MUB employs a regimented collection protocol, including written reminder notices, text messages, and phone calls to customers with late accounts. Upon default, and pursuant to tariff and state law, MUB will physically terminate water service for a past due account. Reactivation of service occurs only upon full payment of the account and a deposit made as guarantee against future service billing. Pursuant to MUB policy and state law, MUB offers payment arrangements in hardship cases. No free service, however, is offered or provided to any customer, private or public.

New customers must provide a security deposit before service is provided. The deposit is held for a minimum of 1 year and, if the account is and has been current, it is returned as a credit on a bill. In the case of unpaid final bill balances, with which there is no active customer account, the accounts are referred to a third party collection agency 30 days after the bill is past due.

MUB Resale Customer Collection Process

The PSC has jurisdiction over collection issues between utilities. Accordingly, in the event that any of the Water Resale Customers or Sewer Resale Customers becomes delinquent, the PSC is the appropriate venue for MUB to seek redress. The PSC has the authority to order the rates of the customers of a Resale Customer increased and/or the imposition of a surcharge on the customers of the Retail Customer in order to assure the full payment to MUB. MUB does not have the ability to terminate service to any Resale Customer without PSC approval.

Pleasant Valley Public Service District, a water resale customer ("Pleasant Valley"), made only partial payments for its water purchases for a period of time including 2015 and 2016, culminating in 2016 with an arrearage to MUB of approximately $200,000. MUB filed a complaint case at the PSC, Case No. 16-0797-PWD-

19A, seeking the imposition of rates and/or a surcharge upon the Pleasant Valley customers to repay the obligation to MUB. The case was decided in MUB's favor, and the PSC has ordered Pleasant Valley to establish both permanent and temporary rates sufficient so that the arrearage will be repaid over 24 months, and so that current amounts owed will be paid in full. Pleasant Valley's payments are currently in compliance with said Order.

LITIGATION

There is not now pending or, to the best of the Issuer's and MUB's knowledge, threatened any litigation restraining or enjoining the issuance or delivery of the Series 2017 A Bonds or questioning or affecting the validity of the Series 2017 A Bonds, the proceedings and authority under which they are to be issued, nor is the creation, organization, or existence of the Issuer or MUB being contested. Nor is there any litigation pending or, to the best of the Issuer's and MUB's knowledge, threatened which (i) in any manner questions the right of the MUB to operate the Combined Utility System or MUB's right to conduct its activities in accordance with the provisions of the Act and the Series 2017 A Ordinance, or (ii) if determined adversely to MUB, would have a material adverse impact on the financial condition of the Combined Utility System.

The Issuer and MUB are subject to a variety of suits and proceedings arising out of their ordinary course of operations, some of which may be adjudicated adversely to the Issuer or MUB. Any such litigation is of a routine nature which does not affect the right of the Issuer or MUB to conduct its business or the validity of the Issuer's obligations.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Series 2017 A Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Bond Counsel, whose opinion will be delivered concurrently with the delivery, upon original issuance, of the Series 2017 A Bonds, substantially as set forth as "APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION" herein. Steptoe & Johnson PLLC also serves as Disclosure Counsel to the Issuer and MUB. Certain legal matters will be passed upon for the Issuer by Ryan Simonton, Esquire, City Attorney. Certain legal matters will be passed on for MUB by its Counsel, Tim Stranko, PLLC. Jackson Kelly PLLC will pass upon certain matters as counsel for the Underwriter.

CONTINUING DISCLOSURE

The Issuer has agreed to an undertaking (the "Undertaking") for the benefit of the Registered Owners of the Series 2017 A Bonds to provide certain financial and operating information (the "Annual Financial Information") not later than the last day of the Fiscal Year (presently ending June 30) immediately following the end of the Issuer's Fiscal Year for which disclosure is due, commencing with the report for the Fiscal Year ending June 30, 2017, and to provide notice of the occurrence of enumerated events, all as further described in the Continuing Disclosure Agreement to be entered by the Issuer in substantially the form attached as "APPENDIX F – FORM OF CONTINUING DISCLOSURE AGREEMENT" herein. The Annual Financial Information and each notice of enumerated events is required to be filed electronically by DAC [defined in appendix F], as dissemination agent on behalf of the Issuer, with the Electronic Municipal Markets Access system ("EMMA").

The continuing disclosure obligation is being undertaken by the Issuer to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. The Issuer has agreed to give notice in a timely manner to EMMA. However, any such failure will not constitute a default under the terms of the Series 2017 A Ordinance or the Series 2017 A Bonds. Under the Continuing Disclosure Agreement, the sole remedy for such failure is to seek an order for specific performance. See "APPENDIX F – FORM OF CONTINUING DISCLOSURE AGREEMENT" herein. Registered Owners may contact the City Manager for more information. See "MISCELLANEOUS" herein.

Prior Continuing Disclosure Undertakings

The Issuer previously entered into continuing disclosure agreements with respect to certain of the Prior Bonds. Despite the existence of these prior continuing disclosure agreements and the Rule (as described above), the Issuer:

Failed to timely file Audited Financials for the Fiscal Years ended June 30, 2012, June 30, 2013, June 20, 2014 and June 30, 2015, and failed to timely file notices of failure to timely file such Audited Financials in each such instance;

Failed to timely file Operating Data for the Combined Utility System for the Fiscal Years ended June 30, 2011 and June 30, 2009, and failed to timely file notices of failure to timely file such Operating Data in each such instance; and

All such filings of Audited Financials and Operating Data, as well as material event notices, have been made as of the date hereof, as well as all notices of failure to timely make all such filings.

The Issuer has engaged DAC to serve as dissemination agent for the Series 2017 A Bonds, as well as the Series 2010 A Bonds, the Series 2010 F Bonds, the Series 2012 C Bonds, and the Series 2016 A Bonds.

TAX MATTERS

General

In the opinion of Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 A Bonds (i) is excludable from gross income of the holders thereof for federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Code; (ii) is not a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the federal alternative minimum tax imposed on individuals and corporations; provided, however, that interest on the Series 2017 A Bonds is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax that may be imposed on corporations; and (iii) under the laws of the State of West Virginia, the Series 2017 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia. See West Virginia Code Section 8-20-5.

The opinions described in this section are subject to the condition that the Issuer complies on a continuing basis with all requirements of the Code, and regulations thereunder that must be satisfied for interest on the Series 2017 A Bonds to be or continue to be excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2017 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation, including retroactively to the date of issuance of the Series 2017 A Bonds.

Bond Counsel's opinions may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. Bond Counsel has not undertaken to determine, or to inform any person, whether any such actions or events are taken or do occur. The Series 2017 A Ordinance and the Tax Certificate relating to the Series 2017 A Bonds permit certain actions to be taken or to be omitted if a favorable opinion of a bond counsel is provided with respect thereto. Bond Counsel expresses no opinion as to the effect on the exclusion from gross income for federal income tax purposes of interest on any Series 2017 A Bond if any such action is taken or omitted based upon the advice of counsel other than Bond Counsel.

The Internal Revenue Service (the "IRS") has initiated an expanded program for the auditing of tax-exempt bond issues, including both random and targeted audits. It is possible that the Series 2017 A Bonds will be selected for audit by the IRS. It is also possible that the market value of the series 2017 A Bonds might be affected as a result of such an audit of the Series 2017 A Bonds (or by an audit of similar bonds). No assurance can be given that in the course of an audit, as a result of an audit, or otherwise, Congress or the IRS might not change the Code (or interpretation thereof) subsequent to the issuance of the series 2017 A Bonds to the extent that it adversely affects the exclusion from gross income of interest on the Series 2017 A Bonds or their market value.

The Issuer has designated the Series 2017 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Internal Revenue Code of 1986, as amended.

Special Considerations with Respect to the Series 2017 A Bonds

The accrual or receipt of interest on the Series 2017 A Bonds may otherwise affect the federal income tax liability of the owners of the Series 2017 A Bonds. The extent of these other tax consequences will depend upon such owner's particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences. Prospective purchasers should be aware of certain collateral consequences which

may result under federal tax law for certain holders of the Series 2017 A Bonds: (i) Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2017 A Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2017 A Bonds, (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for losses incurred by 15 percent of the sum of certain items, including interest on the Series 2017 A Bonds, (iii) interest on the Series 2017 A Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iv) passive investment income, including interest on the series 2017 A Bonds, may be subject to federal income taxation under Section 1375 of the Code for an S Corporation that has Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such S Corporation is passive investment income, (v) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income receipts or accruals of interest on the Series 2017 A Bonds, and (vi) receipt of investment income, including interest on the Series 2017 A Bonds, may, pursuant to Section 32(i) of the Code, disqualify the recipient from obtaining the earned income credit provided by Section 32(a) of the Code.

Backup Withholding

Interest paid on tax-exempt obligations such as the Series 2017 A Bonds is generally required to be reported by payors to the IRS and to recipients in the same manner as interest on taxable obligations. In addition, such interest may be subject to "backup withholding" if the Bondholder fails to provide the information required on IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the IRS has specifically identified the Bondholder as being subject to backup withholding because of prior underreporting. Neither the information reporting requirement nor the backup withholding requirement affects the excludability of interest on the Series 2017 A Bonds from gross income for federal tax purposes.

Changes in Federal and State Tax Law

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the Series 2017 A Bonds, including legislation, court decisions, or administrative actions, whether at the federal or state level, may affect the tax exempt status of interest on the Series 2017 A Bonds or the tax consequences of ownership of the Series 2017 A Bonds. No assurance can be given that future legislation, if enacted into law, will not contain provisions which could directly or indirectly reduce the benefit of the exclusion of the interest on the Series 2017 A Bonds from gross income for federal income tax purposes or any state tax benefit. Tax reform proposals and deficit reduction measures, including the limitation of federal tax expenditures, are expected to be under ongoing consideration by the United States Congress. These efforts to date have included proposals to reduce the benefit of the interest exclusion from income for certain holders of tax-exempt bonds, including bonds issued prior to the proposed effective date of the applicable legislation. Future proposed changes could affect the market value or marketability of the Series 2017 A Bonds, and, if enacted, could also affect the tax treatment of all or a portion of the interest on the Series 2017 A Bonds for some or all holders. Holders should consult their own tax advisors with respect to any of the foregoing tax consequences.

In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2017 A Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2017 A Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2017 A Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2017 A Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

Original Issue Discount

Original issue discount ("OID") is the excess, if any, of the stated redemption price at maturity over the issue price. The issue price is the initial offering price to the public, excluding underwriter and other intermediaries, at which price a substantial amount of the debt instrument was sold. The Series 2017 A Bonds maturing on October 1, 2038, October 1, 2042 and October 1, 2047 (collectively, the "Series 2017 A Discount Bonds"), were sold with OID. For federal income tax purposes, OID accrues to the owner of a Series 2017 A Discount Bond over the period to maturity based on the constant yield method, compounded annually (or over a shorter permitted compounding interval selected by the owner). The portion of the OID that accrues during the period of ownership

of a Series 2017 A Discount Bond (i) will be interest excludable from the owners' gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2017 A Bonds, and (ii) will be added to the owner's tax basis for purposes of determining a gain or loss on the maturity, redemption, prior sale or other disposition of that Series 2017 A Discount Bond. A purchaser of a Series 2017 A Discount Bond in the initial public offering at the price for that Discount Bond stated on the inside front cover page of this Official Statement who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Series 2017 A Discount Bond.

Owners of Series 2017 A Discount Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of OID properly accruable in any period with respect to the Series 2017 A Discount Bonds as to other federal tax consequences, and the treatment of the OID for purposes of state and local taxes on, or based on, income.

Original Issue Premium

The Series 2017 A Bonds maturing on October 1, 2028 and October 1, 2032 (the "Series 2017 A Premium Bonds") were sold to the public at a price in excess of their stated redemption price (the principal amount) at their earlier call date. The difference between the amount payable at the call date of the Series 2017 A Premium Bonds that minimizes the yield to a purchaser of a Series 2017 A Premium Bond and the tax basis to a purchaser (in either case, other than a purchaser who holds a Series 2017 A Premium Bond as inventory, stock in trade or for sale to customers in the ordinary course of business) will be "bond premium". A purchaser of a Series 2017 A Premium Bond will be required to decrease his or her adjusted basis in the Series 2017 A Premium Bond by the amount of amortizable bond premium attributable to each taxable year he or she holds the Premium Bond. The amount of amortizable bond premium attributable to a taxable year will be determined at a constant interest rate compounded annually. The amortizable bond premium attributable to a taxable year is not deductible for federal income tax purposes. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Series 2017 A Premium Bond.

Owners of Series 2017 A Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of bond premium properly accruable in any period with respect to the Series 2017 A Premium Bonds as to other federal tax consequences, and the treatment of the bond premium for purposes of state and local taxes on, or based on, income.

RATINGS

Based on the 2017 A Insurance Policy issued by BAM, S&P Global Rating Services, a division of the McGraw Hill Companies, Inc. ("S&P") is expected to assign a rating of "AA" (stable outlook) to the Series 2017 A Bonds.

The Issuer did not apply for any other ratings related to this bond issue.

Each such rating reflects only the views of such rating agency. Any desired explanation of the significance of such rating should be obtained from S&P. Certain information and materials not included in this Official Statement were furnished by the Issuer to S&P. There is no assurance either of these ratings will continue for any period of time or that the rating will not be reviewed, downgraded or withdrawn entirely if, in the judgment of S&P circumstances so warrant. The Underwriter have undertaken no responsibility to bring to the attention of the Bondholders any proposed revision or withdrawal of the ratings of the Series 2017 A Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of a rating could have an adverse effect on the market price of the Series 2017 A Bonds.

UNDERWRITING

The Series 2017 A Bonds are being purchased by the Underwriter named on the cover of this Official Statement. The Bond Purchase Agreement provides that the Underwriter will purchase all the Series 2017 A Bonds, if any are purchased, at a purchase price equal to the initial public offering prices set forth on the cover page hereof less an Underwriter's discount of $40,425.00, minus net original issue discount of $3,999.65. The obligation to make such purchase is subject to the terms and conditions set forth in the Bond Purchase Agreement, including the approval of certain legal matters by counsel. The Underwriter may change the initial public offering prices from time to time. The Underwriter may offer and sell Series 2017 A Bonds to certain dealers (including dealers

depositing Series 2017 A Bonds into investment trusts) and certain dealer banks acting as agents at prices lower than the public offering prices stated on the cover page hereof, and such public offering price also may be changed without prior notice, from time to time, by the Underwriter.

The Underwriter and its affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. In the course of their various business activities, the Underwriter and its affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of MUB directly, as collateral securing other obligations or otherwise and/or persons and entities with relationships with MUB. The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

Business Taxes: The state of West Virginia presently imposes two primary business taxes: the Corporate Net Income Tax and the Business Franchise Tax. The Corporation Net Income Tax rate is 8.5 percent of the federal taxable income of the corporation for the year. The Corporation Net Income Tax is being reduced in 2012 to 7.75 percent, in 2013 to 7 percent and in 2014 to 6.5 percent. The measure of the Business Franchise Tax is the net worth of the corporation or partnership as determined for federal income tax purposes. The tax is levied at the rate of 0.27 percent or $50, whichever is greater. The Business Franchise Tax is being phased out each year for the next three years. Three additional taxes are levied upon specialized industries. A Severance Tax is imposed on the production of natural resources. The Business and Occupation Tax, a gross receipts levy, is imposed upon public utilities and electric power producers.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia in Monongalia County of said State.

B. The Issuer presently owns and operates, through the Board, a public combined potable waterworks, sanitary sewerage, and stormwater utility system, the design, acquisition, construction and equipping of additions, betterments and improvements for which have been financed or refinanced through the issuance of the Prior Bonds and the Series 2012 C Bonds. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the Stormwater System and Sewer System of the Combined Utility System, specifically the Project.

C. The Issuer has determined that present value debt service savings will result from the current refunding of the Series 2012 C Bonds, and that it is in the best interest of the residents of The City of Morgantown and the customers of the Combined Utility System to currently refund the Series 2012 C Bonds.

D. It is deemed necessary for the Issuer to issue its Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified), in the aggregate principal amount of not more than $3,000,000, in order to permanently finance all or a portion of the costs of design, acquisition, construction and equipping of the Project and to pay in full the outstanding principal amount of, and all interest accrued on, the Issuer's Series 2012 C Bonds. Said costs shall be deemed to include, but not be limited to, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2017 A Bonds prior to and during acquisition, construction and/or equipping and for a period not exceeding 6 months after completion of acquisition, construction and equipping of the Project; amounts which may be deposited in the Series 2017 A Bonds Reserve Account; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expenses; commitment fees; the premium for a Municipal Bond Insurance Policy; the premium for a Municipal Bond Debt Service Reserve Insurance Policy; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2017 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the design, acquisition, construction and equipping of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2017 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project.

E. The period of usefulness of the Combined Utility System is not less than 30 years.

F. It is in the best interests of the Issuer that the Series 2017 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by Supplemental Resolution of the Issuer.

G. There are or will be outstanding obligations of the Issuer which will rank on a parity with the Series 2017 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Prior Bonds and any hereinafter issued Additional Parity Bonds, as provided in this Ordinance.

Prior to the issuance of the Series 2017 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and the Series 2016 B-1 Bonds to the issuance of the Series 2017 A Bonds on a parity with the Series 1992 Bonds, Series 1995 Bonds, Series 2000 A Bonds, Series 2000 B Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2012 A Bonds, Series 2013 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2015 C Bonds, Series 2015 D Bonds, Series 2015 E Bonds and Series 2016 B-1 Bonds. The Series 2010 A Bonds, Series 2010 F Bonds, Series 2014 B Bonds and Series 2016 A Bonds do not require written consent from the holders thereof.

Other than the Prior Bonds, there are no other presently outstanding bonds or obligations of the Issuer which are secured by Gross Revenues or assets of the Combined Utility System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Ordinances.

H. The Issuer intends to issue the Series 2017 A Bonds, and to pledge for payment thereof, the Gross Revenues of the Combined Utility System, on a parity with one another and on a parity with such pledge in favor of the Holders of the Prior Bonds and any hereinafter issued Additional Parity Bonds.

I. The estimated revenues to be derived in each year after the date hereof from the operation of the Combined Utility System will be sufficient to provide for the repair, maintenance and operation of the Combined Utility System, to pay the principal of and interest on the Series 2017 A Bonds and the Prior Bonds as and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

J. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2017 A Bonds, and secure the Series 2017 A Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the Combined Utility System, the monies in the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, unexpended proceeds of the Series 2017 A Bonds and as further set forth herein.

L. All things necessary to make the Series 2017 A Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the

payment of the principal of and interest on the Series 2017 A Bonds, will be timely done and duly performed.

M. The enactment of this Ordinance, the execution and issuance of the Series 2017 A Bonds and the amendment, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

N. Prior to commencing, acquisition, construction and equipping of the Project, the Issuer will have complied with all requirements of West Virginia law relating to authorization and approval of the acquisition, construction and equipping of the Project and the operation of the Combined Utility System, the refunding of the Series 2012 C Bonds, and issuance of the Series 2017 A Bonds including but not limited to Chapter 24, Article 2, Paragraph 11 (l), if required.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2017 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2017 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2017 A Bond and any other Series 2017 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

All Series 2012 C Bonds Outstanding as of the date of issuance of the Series 2017 A Bonds and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full and the pledge of Gross Revenues in favor of the Registered Owners of the Series 2012 C Bonds imposed by the Series 2012 C Bonds Ordinance, the monies in the funds and accounts created by the Series 2012 C Bonds Ordinance pledged to payment of the Series 2012 C Bonds, and any other funds pledged by the Series 2012 C Bonds Ordinance to payment of the Series 2012 C Bonds are hereby ordered terminated, discharged and released upon such payment to the Registered Owners of the Series 2012 C Bonds. ARTICLE III
THE SERIES 2017 A BONDS

Section 3.01 Form and Payment of Bonds. No Series 2017 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2017 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2017 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity. All Series 2017 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2017 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2017 A Bonds has been paid, from the date thereof; provided, however, that, if, as shown by the records of the Registrar, interest on such Series 2017 A Bonds shall be in default, Bonds issued in exchange for Series 2017 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2017 A Bonds surrendered.

The principal of, and the interest and premium, if any, on, the Series 2017 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2017 A Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2017 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2017 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2017 A Bond in the principal amount of said Series 2017 A Bond then Outstanding.

Section 3.02. Execution of the Series 2017 A Bonds. The Series 2017 A Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2017 A Bonds shall cease to be such officer of the Issuer before the Series 2017 A Bonds so signed and sealed have been actually sold and delivered, such Series 2017 A Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2017 A Bonds had not ceased to hold such office. Any Series 2017 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2017 A Bonds shall hold the proper office in the Issuer, although at the date of such Series 2017 A Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2017 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2017 A Bond, substantially in the form set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference with respect to the Series 2017 A Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2017 A Bond shall be conclusive evidence that such Series 2017 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any

Series 2017 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2017 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2017 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds, in accepting any of said Series 2017 A Bonds, shall be conclusively deemed to have agreed that such Series 2017 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder of the Series 2017 A Bonds shall further be conclusively deemed to have agreed that said Series 2017 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2017 A Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2017 A Bonds. The Series 2017 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2017 A Bond, there shall be issued at the option of the Holder of the Series 2017 A Bonds or the transferee another Series 2017 A Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Series 2017 A Bond and of the same series, interest rate and maturity of said transferred Series 2017 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2017 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2017 A Bonds, of the same maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2017 A Bond is exercised, Series 2017 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2017 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2017 A Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2017 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2017 A Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2017 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2017 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2017 A Bond of like series, maturity and principal amount as the Series 2017 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Series 2017 A Bond, or in lieu of and substitution for the Series 2017 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the

Registrar proof of his ownership thereof and that said Series 2017 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2017 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2017 A Bond shall have matured or be about to mature, instead of issuing a substitute Series 2017 A Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2017 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2017 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2017 A Bonds be at any time found by any one, and such duplicate Series 2017 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2017 A Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2017 A Bonds Redemption Account in accordance with Section 4.03 shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2017 A Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2017 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued

interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2017 A Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2017 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2017 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer and the registered owner of the Series 2017 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2017 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices shall also be posted on EMMA.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all Outstanding Series 2017 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2017 A Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2017 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Series 2017 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and

(6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2017 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is conditioned on, and subject to, the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited,

the Registrar shall notify all holders of Series 2017 A Bonds called for redemption of such fact and no holder of any Series 2017 A Bonds shall have any claim of any type, of law or inequity, against the Issue.

Official notice of redemption having been given as aforesaid, the Series 2017 A Bonds, or portions of the Series 2017 A Bonds so to be redeemed, shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2017 A Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2017 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2017 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2017 A Bond is registered as the owner of such Series 2017 A Bond for the purpose of receiving payment of the principal of, and interest on, such Series 2017 A Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Series 2017 A Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2017 A Bonds. For the purposes of financing all or a portion of the costs of the Project, paying in full the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds (along with other funds of the Issuer available therefor), paying the premium for a Municipal Bond Insurance Policy (if any), funding the Series 2017 A Bonds Reserve Account with proceeds of the Series 2017 A Bonds or paying the premium for a Municipal Bond Debt Service Reserve Insurance Policy (if any), in an amount equal to the Series 2017 A Bonds Debt Service Reserve Requirement and paying costs in connection with the issuance of the Series 2017 A Bonds, or any or all such purposes, there shall be issued the Series 2017 A Bonds of the Issuer, in an aggregate principal amount of not more than $3,000,000. Said Series 2017 A Bonds shall be designated "Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in the Supplemental Resolution, and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2017 A Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2017 A Bonds shall be

numbered from AR-1 consecutively upward. The Series 2017 A Bonds shall be dated; shall be in such aggregate principal amount (not to exceed $3,000,000); shall bear interest at such rate or rates, (not to exceed 8%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2017 A Bonds. A. The Series 2017 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2017 A Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in Paragraph E below, all of the Series 2017 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2017 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2017 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2017 A Bond or any other evidence of ownership of the Series 2017 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2017 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in Paragraph E below.

B. At or prior to settlement for the Series 2017 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2017 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2017 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of, or interest on, the Series 2017 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2017 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2017 A Bonds so redeemed, but DTC may retain such Series 2017 A Bonds and make an appropriate notation on the Series 2017 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2017 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2017 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2017 A Bonds, selecting the Series 2017 A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2017 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2017 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2017 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2017 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2017 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2017 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2017 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2017 A Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2017 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2017 A Bonds.

Section 3.12. Delivery of Series 2017 A Bonds. A. The Issuer shall execute and deliver the Series 2017 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2017 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2017 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2017 A Bonds to DTC for the benefit of the Original Purchaser;

(3) Copies certified by the City Clerk of this Ordinance and the Supplemental Resolution;

(4) The unqualified approving opinion upon the Series 2017 A Bonds by Bond Counsel; and

(5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2017 A Bonds. The definitive Series 2017 A Bonds shall be in substantially the form set forth in "EXHIBIT A – FORM OF SERIES 2017 A BONDS" attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2017 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2017 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2017 A Bonds. Upon the issuance and delivery of the Series 2017 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2017 A Bonds from the date thereof to the date of delivery thereof, if any, shall be deposited in the Series 2017 A Bonds Sinking Fund and applied to payment of interest on the Series 2017 A Bonds at the first interest payment date.

2. If a Municipal Bond Insurance Policy has been obtained to secure the payment of the principal of, and interest on, the Series 2017 A Bonds, the premium for such Municipal Bond Insurance Policy shall be paid to the Bond Insurer.

3. An amount of the proceeds of the Series 2017 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2017 A Bonds Reserve Account; provided, that to the extent the Series 2017 A Bonds Reserve Requirement is satisfied in whole or in part from a Municipal Bond Debt Serve Reserve Insurance Policy, proceeds of the Series 2017 A Bonds shall be (i) paid to the Bond Insurer, via wire transfer, in an amount equal to the premium for the Municipal Bond Debt Service Reserve Insurance Policy and (ii) deposited in the Series 2017 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2017 A Bonds Reserve Requirement.

4. An amount of the proceeds of the Series 2017 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2012 C Bonds as set forth in the Supplemental Resolution, less any monies available at the Bond Commission for payment of the Series 2012 C Bonds, shall be remitted to the Bond Commission to pay the Series 2012 C Bonds in full.

5. The amount of Series 2017 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2017 A Bonds shall be deposited with the Depository Bank in the Series 2017 A Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2017 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2017 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2017 A Bonds Construction Fund established in Section 4.01 hereof and applied to Costs of the Project. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2017 A Bonds from which such proceeds are derived.

6. The balance of Series 2017 A Bonds proceeds, if any, shall be deposited in the Series 2017 A Bonds Construction Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2017 A Bonds Construction Fund. Disbursements from the Series 2017 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2017 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for design, acquisition, construction and equipping of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2017 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the direction of the Board.

Section 4.03. Combined Utility System Revenues and Application Thereof. So long as any of the Series 2017 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the Combined Utility System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be held by the Board and kept separate and distinct from all other funds of the Issuer, the Board and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, from the monies in the Revenue Fund, on the first day of each month, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to for payment of interest on the Series 1995 Bonds, Series 2001 A Bonds, Series 2006 A Bonds, Series 2007 A Bonds, Series 2010 A Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2010 E Bonds, Series 2010 F Bonds, Series 2012 A Bonds, Series 2014 B Bonds, Series 2015 A Bonds, Series 2016 A Bonds and Series 2016 B-1 Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2017 A Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2017 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2017 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2017 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2017 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective Sinking Funds for the Prior Bonds for the payment of principal of the Prior Bonds; and (ii) for deposit in the Series 2017 A Bonds Sinking Fund (and in the Series 2017 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal

payment or mandatory Redemption Date of the Series 2017 A Bonds, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2017 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2017 A Bonds on the next ensuing principal payment or mandatory Redemption Date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2017 A Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2017 A Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2017 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Bond Commission (i) the amounts required by the Prior Ordinances to be deposited in the respective reserve accounts for the Prior Bonds; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2017 A Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2017 A Bonds, for deposit in the Series 2017 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2017 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2017 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2017 A Bonds Reserve Requirement; provided further, that if the amounts in the Series 2017 A Bonds Reserve Account, as a result of a decrease in value of the Series 2017 A Bonds Reserve Account below the Series 2017 A Bonds Reserve Account Requirement or any withdrawal from the Series 2017 A Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2017 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2017 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2017 A Bonds Reserve Account is less than the Series 2017 A Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2017 A Bonds Reserve Account for deposit into the Series 2017 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2017 A Bonds Reserve Account to an amount equal to the Series 2017 A Bond Reserve Account Requirement to the full extent that such Net Revenues are available; provided, however, that if the shortfall in the Series 2017 A Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2017 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2017 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2017 A Bond Reserve Account Requirement.

Amounts deposited in, or pledged to, the Series 2017 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2017 A Bonds when due, when amounts in the Series 2017 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

(4) The Issuer shall next, each month, transfer from the Revenue Fund an amount sufficient to pay current Operating Expenses of the Combined Utility System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2.5% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, or improvements or extensions to the Combined Utility System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such Reserve Account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided for transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the Combined Utility System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2017 A Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2017 A Bonds, if any, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2017 A Bonds and any hereinafter issued Additional Parity Bonds all in accordance with the respective principal amounts then Outstanding.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer, through the Board, shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any

profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall, though the Board, sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer, through the Board, may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2017 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer, through the Board, shall, or shall cause the Bond Commission to, annually transfer from the Series 2017 A Bonds Reserve Account to the Series 2017 A Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2017 A Bonds Reserve Requirement; provided, however, that there shall at all times remain on deposit in the Series 2017 A Bonds Reserve Account an amount at least equal to the Series 2017 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2017 A Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If no longer funded with a Municipal Bond Debt Service Reserve Insurance Policy equal to the Series 2017 A Bonds Reserve Requirement and the amounts on deposit in the Series 2017 A Bonds Reserve Account shall, at any time, be less than the applicable Series 2017 A Bonds Reserve Requirement, the applicable Bond Insurer shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the respective sinking funds for the Prior Bonds and the Series 2017 A Bonds Sinking Fund and otherwise in accordance with Section 4.03(3).

(E) All amounts representing accrued and capitalized interest, if any, shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2017 A Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(F) Notwithstanding the foregoing, all monies deposited in the Series 2017 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2017 A Bonds in such manner and to such extent as may be necessary, so that such Series 2017 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Series 2017 A Bonds) so that the interest on the Series 2017 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate (the "Tax Certificate") to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2017 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2017 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Combined Utility System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.04. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.04 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2017 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2017 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2017 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. The Series 2017 A Bonds not to be Indebtedness of the Issuer. The Series 2017 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the Combined Utility System, the monies in the Series 2017 A Bonds Sinking Fund and the Series 2017 A Bonds Reserve Account therein, the unexpended proceeds of the Series 2017 A Bonds or monies in the Series 2017 A Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2017 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2017 A Bonds or the interest thereon.

Section 6.03. Series 2017 A Bonds Secured by Pledge of Gross Revenues and Monies in Series 2017 A Bonds Sinking Fund. The payment of the debt service of all of the Series 2017 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the Combined Utility System on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and hereinafter issued Additional Parity Bonds, and with respect to the Series 2017 A Bonds, all monies and securities in the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the Combined Utility System, in an amount sufficient to pay the principal of and interest on the Prior Bonds, the Series 2017 A Bonds herein authorized and any hereinafter issued Additional Parity Bonds, and to make the payments into the Series 2017 A Bonds Sinking Fund, including the Series 2017 A Bonds Reserve Account therein, are pledged *pari passu* by the Issuer.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the Combined Utility System have been established all in the manner and form required by law. Copies of such rates and charges so established may be obtained from the Board by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the Combined Utility System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the Combined Utility System (i) to provide for all Operating Expenses of the Combined Utility System, and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2017 A Bonds and all other obligations secured by a lien on or payable from such Gross Revenues on a parity with the Series 2017 A Bonds, including the Prior Bonds and any hereinafter issued Additional Parity Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the Combined Utility System within 180 days following a determination of an Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

The Issuer expressly reserves the right to reduce the rates for the Combined Utility System, whether approved or in effect as of the date of issuance of the Series 2017 A Bonds, in the event that, based on a certificate of an Independent Certified Public Accountant, after any such decrease in rates, the Issuer will meet the requirements of this Section 6.04 and is not in default under any other provision of any ordinance authorizing any bonds or other indebtedness secured by the Gross Revenues of the Combined Utility System.

Section 6.05. Operation and Maintenance of the Combined Utility System. The Issuer will maintain the Combined Utility System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said Combined Utility System in the manner provided in this Ordinance.

The Issuer either has, or will, obtain all permits required by state and federal laws for the acquisition, construction and equipping of the Project.

Section 6.06. Sale of the Combined Utility System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the Combined Utility System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2017 A Bonds are Outstanding, the Combined Utility System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the Combined Utility System shall be immediately remitted to the Bond Commission for deposit in the Series 2017 A Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Revenues of the Combined Utility System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Combined Utility System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $1,000,000, the Board shall, in writing, determine that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be used for any lawful purpose of the Combined Utility System. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $1,000,000 but not in excess of $5,000,000, the Board shall first obtain the written approval of the Consulting Engineers that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof, and the Board may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $1,000,000 and not in excess of $5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of

such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the Combined Utility System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of (i) any applicable Bond Insurer, or (ii) if the Series 2017 A Bonds are not insured, the Holders, or their duly authorized representatives, of 60% in an amount of Series 2017 A Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer or the then Holders of the Series 2017 A Bonds for the disposition of the proceeds from the sale, lease or other disposition of such properties of the Combined Utility System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the Gross Revenues of the Combined Utility System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2017 A Bonds and the Prior Bonds; and all obligations hereafter issued by the Issuer payable from the Gross Revenues of the Combined Utility System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Gross Revenues and in all other respects to the Series 2017 A Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2017 A Bonds, upon any of the income and revenues of the Combined Utility System pledged for payment of the principal of, and interest on the Series 2017 A Bonds in this Ordinance or upon the Combined Utility System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding the limitations on the issuance of parity obligations set forth in the Prior Ordinances authorizing such bonds shall be applicable. In addition, no Additional Parity Bonds, as in this section defined, payable out of the Gross Revenues of the Combined Utility System shall be issued after the issuance of the Series 2017 A Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction and/or equipping of additions, betterments and/or improvements for the Combined Utility System, refunding all or a portion of one or more series of the Series 2017 A Bonds and the Prior Bonds, refunding all or a portion of any series of Additional Parity Bonds hereinafter issued, paying claims which may exist against the revenues or facilities of the Combined Utility System, or all of such purposes.

No such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the date of issuance of such Additional Parity Bonds, shall be not less than 115% of the Maximum Annual Debt Service on the following:

(1) The Series 2017 A Bonds then Outstanding;

(2) The Prior Bonds then Outstanding;

(3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the Combined Utility System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received in the opinion of the Independent Certified Public Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean evidence of indebtedness, specifically including, but not limited to, bonds and notes issued under the provisions and within the limitations of the Act and this section, payable from the Gross Revenues of the Combined Utility System on a parity with the Series 2017 A Bonds, and the Prior Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2017 A Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the Combined Utility System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Gross Revenues of the Combined Utility System of which is subject to the prior and superior lien of the Series 2017 A Bonds, the Prior Bonds and any theretofore issued Additional Parity Bonds on such Gross Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the Combined Utility System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues with the Series 2017 A Bonds except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Series 2017 A Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Ordinance, shall have been made in full as required to the date of delivery of the Additional Parity Bonds and the Issuer shall then be in full compliance with all the

covenants, agreements and terms in this Ordinance and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency with respect to such payments and compliance.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2017 A Bonds remain Outstanding, the Issuer or the Board will, as an Operating Expense of the Combined Utility System, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the Combined Utility System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the Combined Utility System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require any contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Board and the Issuer during acquisition, construction and/or equipping of any additions, betterment and/or improvements for the Combined Utility System.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by public utilities of equivalent size with respect to works and properties similar to the Combined Utility System to protect the Issuer and the Board from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the ownership, management, operation and maintenance of the Combined Utility System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the Combined Utility System; provided, that the Board, with the review of an independent insurance consultant and the concurrence of the Issuer, may elect to self-insure.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE COMBINED UTILITY SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such bonds will be filed with the Clerk of the County Commission of Monongalia County prior to commencement of acquisition, construction and/or equipping of any additions, extensions or improvements for the Combined Utility System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the Combined Utility System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Board having custody of the revenues or of any other funds of the Combined Utility System, as required by State law.

If required by State law, the Issuer and/or the Board shall require all contractors engaged in the acquisition, construction or equipping of any additions, betterments or improvements for the Combined Utility System to furnish a performance bond and a payment bond, each in an amount equal to

100% of the contract price for that particular contract as security for the faithful performance of such contract.

The Issuer and/or the Board shall also require all contractors engaged in the acquisition, construction and/or equipping of additions, betterments or improvements for the Combined Utility System to carry such workers' compensation coverage for all of the contractor's employees and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to such contracts.

If the Issuer or the Board determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer or the Board for the Combined Utility System, taking into consideration the costs and practices of other municipal utility systems of similar size and to the extent that such information is available. The Issuer and/or the Board may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer or the Board determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

Section 6.10. Services Rendered to the Board or Issuer. The Board will not render or cause to be rendered any free services of any nature by its Combined Utility System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of any or all of the facilities or services provided by the Combined Utility System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Board, the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Board or the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the Combined Utility System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the Combined Utility System.

Section 6.11. Enforcement of Collections. The Issuer shall, through the Board, diligently enforce and collect all fees, rentals or other charges for the services and facilities of the Combined Utility System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the Combined Utility System.

Section 6.13. Books and Records. The Board will keep books and records of the Combined Utility System, which shall be separate and apart from all other books, records and accounts of the Board or the Issuer, in which complete and correct entries shall be made of all transactions relating to the Combined Utility System. Any Holder of a Series 2017 A Bond shall have the right at all reasonable times to inspect the Combined Utility System, and all parts thereof, and all records, accounts and data of the Board relating thereto.

The accounting system for the Combined Utility System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as it shall direct.

The Issuer or the Board shall, at least once a year, cause the books, records and accounts of the Combined Utility System to be completely audited by an Independent Certified Public Accountant.

Section 6.14. Operating Budget. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the Combined Utility System during the succeeding Fiscal Year.

Section 6.15. Mandatory Connections. The mandatory use of the sanitary sewerage portion of the Combined Utility System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sanitary sewerage portion of the Combined Utility System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the sanitary sewerage portion of the Combined Utility System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sanitary sewerage portion of the Combined Utility System.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected to the sanitary sewerage portion of the Combined Utility System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2017 A Bonds, a statutory mortgage lien upon the Combined Utility System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2017 A Bonds and shall be on a parity with all series of the Series 2017 A Bonds and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2017 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2017 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2017 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or

5% of the interest due on the Series 2017 A Bonds during the terms thereof is, under the terms of such Series 2017 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2017 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Combined Utility System, or if the Series 2017 A Bonds are for the purpose of financing more than one project, a portion of the Combined Utility System, and shall not exceed the proceeds used for the governmental use of that portion of the Combined Utility System to which such Private Business Use is related. All of the foregoing shall be determined as provided for in the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2017 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2017 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2017 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2017 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Certificate, which are hereby incorporated herein. This covenant shall survive payment in full or defeasance of the Series 2017 A Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for all, or certain maturities, of the Series 2017 A Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2017 A Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2017 A Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.19. Covenants Regarding the Municipal Bond Debt Service Reserve Insurance Policy. The Issuer intends to obtain a Municipal Bond Debt Service Reserve Insurance Policy either contemporaneously with, or subsequent to, the date of issuance of the Series 2017 A Bonds to fund the Series 2017 A Bonds Debt Service Reserve Account in an amount equal to the Series 2017 A Bonds Reserve Requirement. In the event such Municipal Bond Debt Service Reserve Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to providing the Municipal Bond Debt Service Reserve Insurance Policy. These additional covenants shall be set forth in full in a Supplemental Resolution, shall apply to the Series 2017 A Bonds, and shall be controlling in the event any other provisions of this Ordinance or Supplemental Resolution may be in conflict therewith.

Section 6.20. Continuing Disclosure Agreement. The Issuer shall deliver a Continuing Disclosure Agreement, Dissemination Agent Agreement or Continuing Disclosure Certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Mayor is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Continuing Disclosure Agreement by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Continuing Disclosure Agreement.

Section 6.21 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2017 A Bonds shall be and the same is hereby approved. The Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final Official Statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2017 A Bonds and as the Mayor may approve (the "Official Statement"). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.22. Bond Purchase Agreement. The Series 2017 A Bonds shall be sold to the Original Purchaser pursuant to the terms and conditions of the Bond Purchase Agreement. If not so authorized by previous ordinance, the Mayor is specifically authorized and directed to execute the said Bond Purchase Agreement in such form as may be approved by the Supplemental Resolution, and the City Clerk is directed to affix the seal of the Issuer, attest the same and deliver the said Bond Purchase Agreement to the Original Purchaser.

Section 6.23. Bond Documents. The Issuer shall deliver a Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and such other closing documents as shall be required for the issuance of the Series 2017 A Bonds, in forms acceptable to the Original Purchaser, the forms of which shall be approved by the Supplemental Resolution, and the Mayor is authorized and directed to execute and deliver such Pre-Payment Agreement, Tax Certificate, Tax Compliance Policy, Continuing Disclosure Policy and other closing documents on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of the Tax Certificate and such other closing documents by the Mayor. The Mayor and City Clerk are further authorized to take all actions necessary for the Issuer to comply with the Pre-Payment Agreement, Tax Certificate, the Tax Compliance Policy, the Continuing Disclosure Policy and such other closing documents.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2017 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2017 A Bond; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or Supplemental Resolution or in the Series 2017 A Bonds

contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Bond Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2017 A Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute, all pro rata, with respect to the Prior Bonds and the Series 2017 A Bonds, in accordance with the respective principal amounts then Outstanding.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the Combined Utility System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2017 A Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the Combined Utility System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said Combined Utility System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2017 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Gross Revenues of the Combined Utility System shall have been paid and made good, and all defaults under the provisions of this Ordinance and any Supplemental Resolution shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the Combined Utility System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the Combined Utility System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2017 A Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the Combined Utility System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the Combined Utility System, for the sole purpose of the protection of both the Issuer and the Holders of the Series 2017 A Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said Combined Utility System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the Combined Utility System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders of the Series 2017 A Bonds will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee representing the Holders of the Series 2017 A Bonds shall consider the effect on the Holders of the Series 2017 A Bonds as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holders of the Series 2017 A Bonds. In case any Holder of the Series 2017 A Bonds shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holder of the Series 2017 A Bonds shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holder of the Series 2017 A Bonds shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2017 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2017 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2017 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2017 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2017 A Bonds, the first exchange of Series 2017 A Bonds and the exchange of Series 2017 A Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2017 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2017 A Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2017 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than sixty (60) days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within twenty (20) days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately; provided, that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided, that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2017 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within twenty (20) days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within forty-five (45) days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted, or with which it may be consolidated, or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2017 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent as required by the Act. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed

upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2017 A Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within thirty (30) days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX
DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2017 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2017 A Bonds made hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Series 2017 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Series 2017 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2017 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies

which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2017 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2017 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2017 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Series 2017 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X
MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2017 A Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2017 A Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Holder of the Series 2017 A Bonds or other person, be amended, modified or supplemented in any manner which, in the written opinion of Bond Counsel, does not materially adversely affect the interests of the Holder of the Series 2017 A Bonds or any Bond Insurer; provided, that in the event any of the Series 2017 A Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Series 2017 A Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made (i) without the written consent of the Holders of 60% in aggregate principal amount of the Series 2017 A Bonds then Outstanding and affected thereby; or (ii) the Bond Insurer. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2017 A Bond without the express written consent of the Holder of such Series 2017 A Bond, nor reduce the percentage of Series 2017 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person

signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2017 A Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2017 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2017 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2017 A Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2017 A Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly

Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Bonds or under any other document relating to the Bonds, and all rights and remedies shall be limited to those expressly stated herein.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Disclosure Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Issuer has complied with this Disclosure Agreement. The Disclosure Dissemination Agent may conclusively rely upon Certifications of the Issuer at all times.

The obligations of the Issuer under this Section shall survive resignation or removal of the Disclosure Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Disclosure Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. SECTION 12. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Disclosure Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Issuer and the Disclosure Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of Holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided, neither the Issuer or the Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

Notwithstanding the preceding paragraph, the Disclosure Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time by giving not less than twenty (20) days written notice of the intent to do so together with a copy of the proposed amendment to the Issuer. BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. BAM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of (i) the Business Day on which such principal and interest becomes Due for Payment and (ii) the first Business Day following the Business Day on which BAM shall have received a completed Notice of Nonpayment in a form reasonably satisfactory to it. The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by and to the extent of any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (after taking into account the payment of interest and expenses) to BAM by or on behalf of the Issuer. Within three (3) Business Days of such reimbursement, BAM shall provide the Trustee or the Paying Agent with Notice of Reinstatement, in the form of Exhibit A attached hereto, and such reinstatement shall be effective as of the date BAM gives such notice.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the end of the Term of this Policy or (b) Bonds that are not outstanding under the Security Documents. If the amount payable under this Policy is also payable under another BAM issued policy insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall BAM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other BAM issued insurance policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "**Due for Payment**" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "**Nonpayment**" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. **"Notice"** means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "**Owner**" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. **"Policy Limit"** means the dollar

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

Morgantown, WV 26505

Ladies and Gentlemen:

Crews & Associates, Inc. (the "Underwriter"), offers to enter into this Bond Purchase Agreement (the "Purchase Agreement") with The City of Morgantown, a political subdivision and municipal corporation duly organized and validly existing under and pursuant to the laws of the State of West Virginia (the "Issuer"), for the purchase of the Issuer's Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified) (the "Series 2017 A Bonds"). This offer is made subject to acceptance and execution of this Purchase Agreement by the Issuer prior to 6:00 p.m., local prevailing time on the date hereof (the "Sale Date"), or until withdrawn by the Underwriter upon written notice to the Issuer as permitted herein, whichever shall occur earlier. Upon such acceptance and approval, as evidenced by the signature of the Mayor of the Issuer in the space provided below, this Purchase Agreement shall be in full force and effect in accordance with its terms and shall be binding upon the Issuer and the Underwriter. All capitalized terms used in this Purchase Agreement and not otherwise defined herein shall have the meanings set forth in the hereinafter described Ordinance.

The Issuer acknowledges and agrees that (i) the purchase and sale of the Series 2017 A Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the Issuer and the Underwriter, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent or fiduciary of the Issuer, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Issuer with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters), (iv) the Underwriter has no obligation to the Issuer with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Agreement, and (v) the Issuer has consulted its own legal, financial and other advisors to the extent it has deemed appropriate.

1. (a) The proceeds of the Series 2017 A Bonds shall be used: (i) to design, acquire, construct and equip certain additions, betterments and improvements to the stormwater portion and sanitary sewer portion of the Issuer's existing combined potable water, sanitary sewer and stormwater utility system (collectively, the "Project," as described in the Ordinance); (ii) to refund the Issuer's Combined Utility System Revenue Bonds, Series 2012 C, dated October 5, 2012, issued in the aggregate principal amount of $2,330,000, of which $1,860,000 is outstanding as of December 1, 2017 (the "Series 2012 C Bonds"); (iii) to fund the Series 2017 A Bonds Reserve Account through the purchase of a municipal bond debt service reserve insurance policy (the "Series 2017 A Reserve Policy") from Build America Mutual Assurance Company ("BAM" or the "Bond Insurer"); (iv) to pay the premium for a municipal bond insurance policy (the "Series 2017 A Insurance Policy") from the Bond Insurer to secure the payment of the principal of, and interest on, the Series 2017 A Bonds; and (v) to pay Costs of Issuance (defined herein) of the Series 2017 A Bonds and related costs.

The Issuer expects to call the Series 2012 C Bonds for redemption on or about January 16, 2018.

(b) The Series 2017 A Bonds shall be as described in, and shall be issued and secured under and pursuant to the provisions of, the Ordinance enacted by the City Council of the Issuer on September 5, 2017 (the "Original Ordinance"), as supplemented, amended and conformed by a Supplemental Parameters Resolution adopted by the City Council of the Issuer on December 5, 2017 (the "Supplemental Parameters Resolution"), and a Certificate of Determinations, signed by the Mayor of the Issuer, on December 13, 2017 (the "Certificate of Determinations" and, collectively with the Original Ordinance and the Supplemental Parameters Resolution, the "Ordinance"). The Series 2017 A Bonds shall be secured by the Gross Revenues as defined in the Ordinance derived from the combined potable water, sanitary sewer and stormwater utility system of the Issuer, which is managed, operated and maintained by the Morgantown Utility Board (the "Utility Board"), and any additions, extensions, improvements and betterments thereto, specifically including, but not limited to, the Project (collectively, the "Combined Utility System") and the monies on deposit in, and, with respect to the Series 2017 A Bonds Reserve Account, the Series 2017 A Reserve Policy pledged to, the Series 2017 A Bonds Sinking Fund and the Series 2017 A Bonds Reserve Account therein, on parity with the Prior Bonds, as defined in the Ordinance.

Upon the terms and conditions and upon the basis of the representations and warranties set forth in this Purchase Agreement, the Underwriter agrees to purchase from the Issuer, and the Issuer agrees to sell to the Underwriter, the Series 2017 A Bonds, at an aggregate purchase price of $2,650,575.35 ($2,695,000.00 minus Underwriter's discount of $40,425.00 minus an original issue discount of $3,999.65).

(c) The Series 2017 A Bonds shall mature on the dates and in the amounts, and shall bear interest from their date until maturity or until the date fixed for redemption if the Series 2017 A Bonds are called for prior redemption and payment on such date provided therefore, payable semiannually on April 1 and October 1 (each an "Interest Payment Date"), commencing April 1, 2018, as more fully described on Exhibit A attached hereto and incorporated herein by reference.

The Underwriter agrees to make a bona fide public offering of the Series 2017 A Bonds at the initial offering prices as set forth in the Official Statement (as hereinafter defined) and in Exhibit A hereto, which prices, except as otherwise set forth herein, may be changed from time to time by the Underwriter.

2. Concurrently with the acceptance of this Purchase Agreement by the Issuer, the Issuer shall deliver or cause to be delivered to the Underwriter three copies of the Official Statement relating to the Series 2017 A Bonds, substantially in the form of the Preliminary Official Statement, dated December 11, 2017 (the "Preliminary Official Statement"), and prior to delivery of the Series 2017 A Bonds, seven copies of the Official Statement (the "Official Statement"), dated the date of this Purchase Agreement, signed on behalf of the Issuer by its Mayor.

3. The Official Statement has been approved for distribution by the Ordinance. The Issuer authorizes the use of copies of the Official Statement and the Ordinance in connection with the public offering and sale of the Series 2017 A Bonds.

On December 11, 2017, the Issuer delivered to the Underwriter the Preliminary Official Statement and the Underwriter received a certificate from the Issuer which deemed the Preliminary Official Statement "final" within the meaning of clause (b)(1) of Rule 15c2-12 ("Rule 15c2-12") under the Securities and Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) and Rule G-32 and all other rules of the Municipal Securities Rulemaking Board. The Issuer shall deliver or cause to be delivered to the Underwriter, after the acceptance by the Issuer of this Purchase Agreement, and within the time required by Rule 15c2-12, an adequate number of copies of the Official Statement.

Unless otherwise notified in writing by the Underwriter on or prior to the date of Closing, the "End of the Underwriting Period" for the Series 2017 A Bonds for all purposes of Rule 15c2-12 is the date of the Closing, as hereinafter defined. In the event such notice is given in writing by the Underwriter, the Underwriter agrees to notify the Issuer in writing following the occurrence of the End of the Underwriting Period for the Series 2017 A Bonds as defined in Rule 15c2-12.

The Issuer covenants and agrees that if, after the date of this Purchase Agreement and until after the End of the Underwriting Period (as determined above), any event shall occur of which the Issuer has actual knowledge as a result of which it is necessary to amend or supplement the Official Statement to make the Official Statement not misleading in any material respect in light of the circumstances then existing, or if it is necessary to amend or supplement the Official Statement to comply with law, to notify the Underwriter (and for the purposes hereof to provide the Underwriter with such information as it may from time to time reasonably request), and to cooperate in the preparation of a reasonable number of copies of either amendments or supplements to the Official Statement (in form and substance satisfactory to the Underwriter and its counsel) at the expense of the Issuer so that the Official Statement as so amended and supplemented will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances

existing at the time the Official Statement is delivered to a purchaser, not misleading in any material respect.

For the purposes of this paragraph and for only so long as required by this paragraph, the Issuer will furnish such information with respect to itself as the Underwriter from time to time reasonably requests. The Underwriter hereby agrees that it will deposit or cause to be deposited with the Municipal Securities Rulemaking Board a copy of the Official Statement at or prior to the time contemplated by Rule 15c2-12.

The Underwriter acknowledges and agrees that any liability of the Issuer that may arise from its representations and agreements made in this paragraph 3 shall be limited to the proceeds of the Series 2017 A Bonds (provided that the foregoing shall not be deemed to prevent the Underwriter or the Issuer from seeking to enforce such agreements).

4. At 10:00 a.m. prevailing time, on December 21, 2017, or such other date as shall be agreed upon by the parties to this Purchase Agreement (the "Closing"), the Issuer will deliver or cause to be delivered to the Underwriter, (a) the Series 2017 A Bonds in the form of one certificate for each maturity fully registered in the name of CEDE & CO., as registered owner and nominee of The Depository Trust Company, New York, New York ("DTC"), duly executed by the Issuer and authenticated by the Registrar, and (b) at such other place as the parties to this Agreement mutually agree upon, will deliver to the Underwriter the other documents required in this Purchase Agreement and by the Ordinance. Upon such delivery of the Series 2017 A Bonds, the Underwriter will accept such delivery and pay the purchase price therefor, plus any accrued interest thereon, in immediately available funds to the order of the Depository Bank, for the account of the Issuer, or in such manner as the Issuer may otherwise instruct. Such delivery shall be made at DTC or to the Registrar, with the payment and other requisite actions to be taken at the place designated by the parties to this Purchase Agreement. The Series 2017 A Bonds shall be made available to the Underwriter at DTC at least forty-eight (48) hours before the Closing for the purpose of inspection and packaging; provided, that if DTC Fast delivery is used, then the Series 2017 A Bonds shall be made available to the Registrar by 4:00 p.m. on December 20, 2017. If the Issuer does not have a Blanket DTC Letter of Representation (the "DTC Letter of Representations"), the Issuer agrees to provide one to DTC.

5. (A) The Issuer represents and warrants to the Underwriter and agrees that:

(a) The Issuer is a political subdivision and municipal corporation duly organized and validly existing under and pursuant to the laws of the State of West Virginia. The Issuer is duly authorized to operate and maintain the Combined Utility System and establish rates for the Combined Utility System. (b) The Issuer shall have complied and will comply at the Closing in all respects with all applicable statutes and laws, including the Act;

(c) The Issuer has full legal right, power and authority to issue bonds for the purposes provided in the Ordinance and to enter into this Purchase Agreement, to enact the Ordinance and to issue, sell and deliver the Series 2017 A Bonds to the Underwriter as provided herein and to carry out and consummate all other transactions contemplated by each of the aforesaid documents;

(d) The information contained in the Preliminary Official Statement dated December 8, 2017, and in the Official Statement is and, as of the Closing Date (as hereinafter defined), will be, to the best knowledge of the Issuer, true and to the best knowledge of the Issuer does not contain and will not contain any untrue statement of a material fact and does not omit and will not omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading;

(e) At the time of the Issuer's acceptance hereof and (unless an event occurs of the nature described in this paragraph 5, subparagraph (i) hereof) at all times during the period from the date of this Purchase Agreement to and including the date which is twenty-five (25) days following the End of the Underwriting Period for the Series 2017 A Bonds (as determined in accordance with paragraph 5, subparagraph (i) hereof), to the best knowledge of the Issuer, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(h) Prior to the Issuer's acceptance hereof, the Issuer delivered to the Underwriter copies of the Preliminary Official Statement which the Issuer deemed final (for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934) as of the date thereof; provided, however, that in making the representation and warranty contained in this paragraph (h) the Issuer shall not be deemed to have made any additional representation or warranty as to the Preliminary Official Statement other than the representation and warranty contained in paragraph (e);

(i) For purposes of this Purchase Agreement, the End of the Underwriting Period for the Series 2017 A Bonds shall mean the earlier of (1) the day of the Closing unless the Issuer has been notified in writing by the Underwriter, on or prior to the day of the Closing, that the End of the Underwriting Period for the Series 2017 A Bonds for all purposes of Rule 15c2-12 of the Securities and Exchange Commission promulgated under the Securities Exchange Act of 1934 (the "Rule") will not occur on the day of the Closing, or (2) the date on which notice is given to the Issuer by the Underwriter in accordance with the following sentence. shall a tax ever be levied for the payment of the principal of, premium, if any, or the interest on the Series 2017 A Bonds;

(m) There is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the best knowledge of the Issuer, threatened against or affecting the Issuer (or, to the best knowledge of the Issuer, any basis therefor) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated hereby or by the Official Statement or the validity of the Series 2017 A Bonds, the Ordinance, the Undertaking, this Purchase Agreement or any agreement or instrument to which the Issuer is a party and which is used or contemplated hereby or by the Official Statement or the validity of the Series 2017 A Bonds, the Ordinance, this Purchase Agreement or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or by the Official Statement;

B. The Utility Board represents to, and agrees and covenants with, the Underwriters that:

(a) The financial statements of the Utility Board as of June 30, 2017 fairly represent the receipts, expenditures, assets, liabilities and cash balances of such amounts and, insofar as presented, other funds of the Combined Utility System as of the dates and for the periods therein set forth. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the Combined Utility System or in its operations since June 30, 2017 and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(b) Any certificates executed by any officer of the Utility Board and delivered to the Underwriter pursuant hereto or in connection herewith shall be deemed a representation and warranty of the Utility Board as to the accuracy of the statements therein made.

All representations, warranties and agreements of the Issuer and the Utility Board shall remain operative and in full force and effect, regardless of any investigations made by any Underwriter or on the Underwriter's behalf, and shall survive the delivery of the Bonds.

6. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and agreements of the Issuer made herein. The Underwriter's obligations under this Purchase Agreement are and shall be subject to the following further conditions:

(a) At or prior to the time of the Closing, the Ordinance and the Undertaking, as approved by the Underwriter or its counsel, shall have been approved by the appropriate parties, shall have been duly executed, acknowledged, sealed and delivered, shall be in full force and effect and shall not have been amended, modified or supplemented, except as therein permitted or as may have been agreed to in writing by the Underwriter;

(b) The Underwriter shall have the right to cancel its obligations hereunder to purchase the Series 2017 A Bonds (such cancellation shall not constitute a default hereunder) by notifying the Issuer in writing of its election to do so between the date hereof and the Closing Date, if at any time hereafter and prior to the Closing Date:

(i) Any legislation shall be introduced in, enacted by, reported out of committee, or recommended for passage by the State of West Virginia or either House of the Congress, or recommended to the Congress or otherwise endorsed for passage (by press release,

(iv) The opinion of Timothy Stranko, Esquire, counsel to the Utility Board, dated the date of Closing and addressed to the Underwriters, to the effect: (1) no litigation is pending, or to his knowledge, threatened in any court in any way affecting the existence of the Utility Board or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Bonds, or the collection of revenues and assets of the Combined Utility System pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or the construction of the Project, or any transaction described in or contemplated by the Official Statement; (2) that the Official Statement, as amended or supplemented to the date of Closing (except as aforesaid) contains no untrue statement regarding

8. The Underwriter shall pay from the underwriting spread all expenses incurred by it in connection with its public offering and distribution of the Series 2017 A Bonds, including all out-of-pocket expenses, travel and other expenses and filing fees.

9. For so long as the Underwriter, or dealers or banks, if any, participating in the distribution of the Series 2017 A Bonds, is offering the Series 2017 A Bonds which constitute the whole or a part of its unsold participations, the Issuer will: (a) not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriter shall object in writing or which shall be disapproved by Counsel for the Underwriter, unless, in the opinion of the Counsel to the Issuer, such amendment or supplement is required to make the Official Statement not misleading, and (b) if any event relating to or affecting the Issuer shall occur as a result of which it is necessary, in the opinion of Bond Counsel or Counsel for the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, forthwith prepare and furnish to the Underwriter a reasonable number of copies of an amendment or a supplement to the Official Statement (in form and substance satisfactory to the Counsel for the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. The expense of preparing such amendment or supplement shall be borne by the Issuer. 10. Neither the officials of the Issuer nor its employees shall be personally liable for breach of any representation, agreement or warranty made by the Issuer within this Purchase Agreement.

11. Any notice or other communication to be given under this Purchase Agreement may be given by delivering the same in writing as follows:

To the Issuer:

The City of Morgantown

To the Underwriter:

Crews & Associates, Inc.
300 Summers Street, Suite 930
Charleston, WV 25301

12. (a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Series 2017 A Bonds and shall execute, and deliver to the Issuer at Closing, an "issue price" or similar certificate substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2017 A Bonds.

(b) The Issuer will treat the first price at which 10% of each maturity of the Series 2017 A Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test).

(c) With respect to the maturities of the Series 2017 A Bonds for which the 10% test has not been satisfied, set forth on Schedule A of the attached Exhibit B, if any, the Underwriter agrees that the Underwriter will neither offer nor sell unsold Series 2017 A Bonds of such maturities to any person at a price that is higher than the initial offering price to the public during the period starting on the Sale Date and ending on the earlier of the following:

The Underwriter shall promptly advise the Issuer or the Issuer's municipal advisor, if any, when the Underwriter has sold 10% of that maturity of the Series 2017 A Bonds to the public at a price that is no higher than the initial offering price to the public if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

13. This Purchase Agreement is made solely for the benefit of the Issuer and the Underwriter (including the successors or assigns of the Underwriter) and no other person, partnership, association or corporation shall acquire or have any right hereunder or by virtue hereof. All agreements of the Issuer in this Purchase Agreement shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriter and shall survive the delivery of and payment for the Series 2017 A Bonds.

14. This Purchase Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one instrument.

15. The approval of the Underwriter when required hereunder or the determination of its satisfaction with any document referred to herein shall be in writing signed by the Underwriter and delivered to the Issuer. This Purchase Agreement shall become legally effective upon its acceptance by the Issuer, as evidenced by the signature of the Mayor of the Issuer in the space provided hereinafter therefor.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM") hereby commits, subject to the terms and conditions contained herein or added hereto, to issue its Municipal Bond Insurance Policy (the "Policy") relating to the Bonds referenced above (the "Bonds") issued by or on behalf of the Member. To keep this Commitment in effect after the Expiration Date set forth above, a written request for renewal must be submitted to BAM prior to such Expiration Date. BAM reserves the right to grant or deny a renewal in its sole discretion.

THE MUNICIPAL BOND INSURANCE POLICY SHALL BE ISSUED IF THE FOLLOWING CONDITIONS ARE SATISFIED:

1. The documents to be executed and delivered in connection with the issuance and sale of the Bonds (collectively, the "Security Documents"), shall not contain any untrue or misleading statement of a material fact and shall not fail to state a material fact necessary in order to make the information contained therein not misleading.

2. No event shall occur which would permit any underwriter or purchaser of the Bonds, otherwise required, not to be required to underwrite or purchase the Bonds on the date scheduled for the issuance and delivery thereof (the "Closing Date").

3. As of the Closing Date, there shall have been no material adverse change in, as to or affecting (i) the Member or the Bonds, including, without limitation, the security for the Bonds or (ii) any disclosure document relating to the Bonds (including any financial statements and other information included or incorporated by reference therein) (the "Official Statement"), the Security Documents to be executed and delivered with respect to the Bonds, any project to be financed with the proceeds of the Bonds (if applicable), the legal opinions to be delivered in connection with the issuance and sale of the Bonds, or any other information submitted to BAM

with respect to the issuance and sale of the Bonds, including the proposed debt service schedule of the Bonds, from information previously provided to BAM in writing.

4. The applicable Security Documents shall contain the document provisions set forth in Exhibit A hereto and shall be in form and substance acceptable to BAM. No variation shall be permitted therefrom except as specifically approved by BAM in writing prior to the Closing Date.

5. The Bonds shall contain no reference to BAM, the Policy or the insurance evidenced thereby except as may be approved in writing by BAM. BOND PROOFS SHALL BE APPROVED IN WRITING BY BAM PRIOR TO PRINTING. The Bonds shall bear a Statement of Insurance in the form found on BAM's website (www.buildamerica.com) and in Exhibit B hereto entitled "DOCUMENT, PRINTING AND DISCLOSURE INFORMATION FOR PUBLIC FINANCE TRANSACTIONS".

6. The Official Statement shall contain the language provided by BAM and only such other references to BAM as BAM shall supply or approve in writing, and BAM shall be provided with final drafts of any preliminary and final Official Statement at least two business days prior to printing/electronic posting. BAM SHALL BE PROVIDED WITH AN ELECTRONIC COPY OF THE OFFICIAL STATEMENT SEVEN (7) DAYS PRIOR TO CLOSING, unless BAM shall agree in writing to a shorter period.

7. BAM shall be provided with:

(a) Copies of all Security Document drafts prepared subsequent to the date of this Commitment (blacklined to reflect all revisions from previously reviewed drafts) for review and approval. Final drafts of such documents shall be provided at least three (3) business days prior to the issuance of the Policy, unless BAM shall agree in writing to a shorter period. Copies of all drafts of the Security Documents shall be delivered to the BAM contacts specified in Exhibit 1.

(b) Copies of any consulting reports, feasibility studies, rate reports, engineer's reports or similar expert reports for review and approval, along with any revisions thereto (blacklined to reflect all revisions from previously reviewed drafts). Final drafts of such documents shall be provided at least three (3) business days prior to the issuance of the Policy, unless BAM shall agree in writing to a shorter period.

(c) The amortization schedule for, and final maturity date of, the Bonds, which schedule shall be acceptable to BAM. Please be aware that BAM will only insure fixed rate Bonds.

(d) A No-Litigation Certificate or a description of any material pending litigation relating to the Member or the Bonds and any opinions BAM shall request in connection therewith.

(e) A description of any material change in the Member's financial position from and after the date of the financial statements provided to BAM.

(f) Executed copies of all Security Documents, the Official Statement and the various legal opinions delivered in connection with the issuance and sale of the Bonds (which shall be dated the Closing Date and which, except for the opinions of counsel relating to the adequacy of disclosure, shall be addressed to BAM or accompanied by a letter of such counsel permitting BAM to rely on such opinion as if such opinion were addressed to BAM), including, without limitation, the unqualified approving opinion of bond counsel, in form and substance satisfactory to BAM. The foregoing shall be in form and substance acceptable to BAM. (For your information, the form of legal opinion, primary market disclosure certificate and officer's certificate to be delivered by BAM at Closing is attached hereto as Exhibit C.)

(g) Evidence of wire transfer in federal funds of an amount equal to the Insurance Payment, unless alternative arrangements for the payment of such amount acceptable to BAM have been made prior to the Closing Date.

8. Promptly, but in no event more than thirty (30) days after the Closing Date, BAM shall receive two (2) CD-ROMs, which contain the final closing transcript of proceedings or if CD-ROMs are not available, such other electronic form as BAM shall accept.

9. To maintain this commitment until the Expiration Date set forth above, BAM must receive a copy of the signature page of this Commitment fully executed by an authorized officer of the undersigned by the earlier of the date on which the Official Statement containing disclosure language regarding BAM is circulated and ten (10) days after the date of this Commitment.

REPRESENTATION AND AGREEMENT BY BAM

(a) BAM is a mutual insurance corporation organized under the laws of, and domiciled in, the State of New York.

(b) BAM covenants that it will only insure obligations of states, political subdivisions, an integral part of states or political subdivisions or entities otherwise eligible for the exclusion of income under Section 115 of the Internal Revenue Code of 1986, as amended, or any successor thereto.

(c) BAM covenants that it will not seek to convert to a stock insurance corporation.

(d) The issuance of the Policy qualifies the Member as a member of BAM until the Bonds are no longer outstanding. As a member of BAM, the Member is entitled to certain rights and privileges as provided in BAM's charter and by-laws and as may otherwise be provided under New York law, including the right to receive dividends if and when declared by BAM's Board of Directors. No dividends have been paid to date, and BAM has no current expectation that any dividends will be paid.

(e) The Policy is non-assessable and creates no contingent mutual liability.

(f) Refundings.

If (1) the Security Documents relating to the Bonds permit a legal defeasance (such that the bonds are no longer treated as outstanding under the Security Documents), (2) refunding bonds ("Refunding Bonds") will be issued for the purpose of legally defeasing such then outstanding BAM-insured Bonds (in this context, the "Refunded Bonds") and (3) upon their issuance (A) such Refunding Bonds have a final maturity date that is not later than the final Maturity Date of the Refunded Bonds, (B) the average annual debt service on the Refunding Bonds does not exceed the average annual debt service on the Refunded Bonds, and (C) the net proceeds of such Refunding Bonds are applied solely towards the legal defeasance of the Refunded Bonds and related costs of issuance, then, if BAM is requested to, and in its sole discretion determines to, offer a municipal bond insurance policy covering the Refunding Bonds (the "Refunding Policy") BAM will credit the then available Member Surplus Contribution for the Refunded Bonds against the insurance payment then charged with respect to the Refunding Bonds (proportionate to the amount of Refunding Bonds insured by BAM). If the Security Documents are silent on the matter of a legal defeasance, BAM may, in its sole and absolute discretion, accept such certificates, opinions and reports from or on behalf of the Member in connection with the issuance of such Refunding Bonds in order to establish to its satisfaction that the Refunding Bonds will be issued to retire the outstanding Refunded Bonds and that the Refunding Bonds comply with the criteria set forth in clause (3) of the preceding sentence for the purpose of determining whether a supplemental Member Surplus Contribution is or is not required to be made at that time.

AGREED AND ACCEPTED

The undersigned agrees and accepts the conditions set forth above and further agrees that (i) if the Bonds (and any of the Bonds to be issued on the same date and for which BAM has issued a commitment) are insured by a policy of municipal bond insurance, such insurance shall be provided by BAM in accordance with the terms of this Commitment; (ii) it has made an independent investigation and decision as to whether to insure the payment when due of the principal of and interest on the Bonds and whether the Policy is appropriate or proper for it based upon its judgment and upon advice from such legal and financial advisers as it has deemed necessary; (iii) BAM has not made, and therefore it is not relying on, any recommendation from BAM that the Bonds be insured or that a Policy be obtained, it being understood and agreed that any communications from BAM (whether written or oral) referring to, containing information about or negotiating the terms and conditions of the Policy, and any related insurance document or the documentation governing the Bonds, do not constitute a recommendation to insure the Bonds or obtain the Policy; (iv) the undersigned acknowledges that BAM has not made any representation, warranty or undertaking, and has not given any assurance or guaranty, in each case, expressed or implied, as to its future financial strength or the rating of BAM's financial strength by the rating agency; (v) the undersigned acknowledges that a credit or claims-paying rating of BAM assigned by a Rating Agency reflects only the views of, and an explanation of the significance of any such rating may be obtained only from, the assigning Rating Agency, any such rating may change or be suspended, placed under review or withdrawn by such Rating Agency if circumstances so warrant, and BAM compensates a Rating Agency to maintain a credit or claims-paying ability rating thereon, but such payment is not in exchange for any specific rating or for a rating within any particular range; (vi) the undersigned acknowledges that BAM may in its sole and absolute discretion at any time request that a Rating Agency withdraw any rating maintained in respect of BAM; and (vii) BAM has made no representation that any dividend will be declared or paid while the Bonds are outstanding, the undersigned has no reason for expecting that any dividend will be declared or paid and the potential receipt of any dividend was not a reason for acquiring the Policy. Notwithstanding anything to the contrary set forth herein, upon issuance of the Policy, the provisions set forth under subparagraphs (ii) through (vii) above and the representations and agreements of BAM shall survive the expiration or termination of this Commitment.

DOCUMENT PROVISIONS

EXHIBIT A

GENERAL REVENUE BOND TRANSACTION DOCUMENT PROVISIONS

The following terms and provisions (the "Insurer Provisions") shall be incorporated into the Security Documents. If the Insurer Provisions are attached to any of the Security Document as an exhibit, such Security Document shall include a provision that incorporates by reference the Insurer Provisions directly into the Security Documents. The Insurer Provisions shall control and supersede any conflicting or inconsistent provisions in the Security Documents.

1) Notice and Other Information to be given to BAM. The [Issuer] [Obligor] will provide BAM with all notices and other information it is obligated to provide (i) under its Continuing Disclosure Agreement and (ii) to the holders of Insured Obligations or the Trustee under the Security Documents.

   The notice address of BAM is: Build America Mutual Assurance Company, 200 Liberty Street, 27th Floor, New York, NY 10281, Attention: Surveillance, Re: Policy No. _____, Telephone: (212) 235-2500, Telecopier: (212) 235-1542, Email: notices@buildamerica.com. In each case in which notice or other communication refers to an event of default or a claim on the Policy, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel at the same address and at claims@buildamerica.com or at Telecopier: (212) 235-5214 and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

2) Defeasance. The investments in the defeasance escrow relating to Insured Obligation shall be limited to non-callable, direct obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, or as otherwise maybe authorized under State law and approved by BAM.

   At least (three) 3 Business Days prior to any defeasance with respect to the Insured Obligations, the Issuer shall deliver to BAM draft copies of an escrow agreement, an opinion of bond counsel regarding the validity and enforceability of the escrow agreement and the defeasance of the Insured Obligations, a verification report (a "Verification Report") prepared by a nationally recognized independent financial analyst or firm of certified public accountants regarding the sufficiency of the escrow fund. Such opinion and Verification Report shall be addressed to BAM and shall be in form and substance satisfactory to BAM. In addition, the escrow agreement shall provide that:

   a) Any substitution of securities following the execution and delivery of the escrow agreement shall require the delivery of a Verification Report, an opinion of bond

counsel that such substitution will not adversely affect the exclusion (if interest on the Insured Obligations is excludable) from gross income of the holders of the Insured Obligations of the interest on the Insured Obligations for federal income tax purposes and the prior written consent of BAM, which consent will not be unreasonably withheld.

b) The [Issuer] [Obligor] will not exercise any prior optional redemption of Insured Obligations secured by the escrow agreement or any other redemption other than mandatory sinking fund redemptions unless (i) the right to make any such redemption has been expressly reserved in the escrow agreement and such reservation has been disclosed in detail in the official statement for the refunding bonds, and (ii) as a condition to any such redemption there shall be provided to BAM a Verification Report as to the sufficiency of escrow receipts without reinvestment to meet the escrow requirements remaining following any such redemption.

c) The [Issuer] [Obligor] shall not amend the escrow agreement or enter into a forward purchase agreement or other agreement with respect to rights in the escrow without the prior written consent of BAM.

3) Trustee and Paying Agent.

a) BAM shall receive prior written notice of any name change of the trustee (the "Trustee") or, if applicable, the paying agent (the "Paying Agent") for the Insured Obligations or the resignation or removal of the Trustee or, if applicable, the Paying Agent. Any Trustee must be (A) a national banking association that is supervised by the Office of the Comptroller of the Currency and has at least $250 million of assets, (B) a state-chartered commercial bank that is a member of the Federal Reserve System and has at least $1 billion of assets, or (C) otherwise approved by BAM in writing.

b) No removal, resignation or termination of the Trustee or, if applicable, the Paying Agent shall take effect until a successor, acceptable to BAM, shall be qualified and appointed.

4) Amendments, Supplements and Consents. BAM's prior written consent is required for all amendments and supplements to the Security Documents, with the exceptions noted below. The [Issuer] [Obligor] shall send copies of any such amendments or supplements to BAM and the rating agencies which have assigned a rating to the Insured Obligations.

a) *Consent of BAM.* Any amendments or supplements to the Security Documents shall require the prior written consent of BAM with the exception of amendments or supplements:

i. To cure any ambiguity or formal defect or omissions or to correct any

inconsistent provisions in the transaction documents or in any supplement thereto, or

ii. To grant or confer upon the holders of the Insured Obligations any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the holders of the Insured Obligations, or

iii. To add to the conditions, limitations and restrictions on the issuance of bonds or other obligations under the provisions of the Security Documents other conditions, limitations and restrictions thereafter to be observed, or

iv. To add to the covenants and agreements of the [Issuer/Obligor] in the Security Documents other covenants and agreements thereafter to be observed by the [Issuer/Obligor] or to surrender any right or power therein reserved to or conferred upon the [Issuer/Obligor].

v. To issue additional parity debt in accordance with the requirements set forth in the Security Documents.

b) *Consent of BAM in Addition to Bondholder Consent.* Any amendment, supplement, modification to, or waiver of, any of the Security Documents that requires the consent of holders of the Insured Obligations or adversely affects the rights or interests of BAM shall be subject to the prior written consent of BAM.

c) *Insolvency.* Any reorganization or liquidation plan with respect to the Issuer [or Obligor] must be acceptable to BAM. The Trustee and each owner of the Insured Obligations hereby appoint BAM as their agent and attorney-in-fact with respect to the Insured Obligations and agree that BAM may at any time during the continuation of any proceeding by or against the Issuer or Obligor under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Insured Obligations delegate and assign to BAM, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Insured Obligations with respect to the Insured Obligations in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding.

d) *Control by BAM Upon Default.* Anything in the Security Documents to the contrary notwithstanding, upon the occurrence and continuance of a default or an

event of default, BAM shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Insured Obligations or the Trustee or Paying Agent for the benefit of the holders of the Insured Obligations under any Security Document. No default or event of default may be waived without BAM's written consent.

e) *BAM as Owner*. Upon the occurrence and continuance of a default or an event of default, BAM shall be deemed to be the sole owner of the Insured Obligations for all purposes under the Security Documents, including, without limitations, for purposes of exercising remedies and approving amendments.

f) *Consent of BAM for acceleration*. BAM's prior written consent is required as a condition precedent to and in all instances of acceleration.

g) Grace Period for Payment Defaults. No grace period shall be permitted for payment defaults on the Insured Obligations. No grace period for a covenant default shall exceed 30 days without the prior written consent of BAM.

h) *Special Provisions for Insurer Default*. If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraphs 4(a)-(e) above to the contrary, (1) if at any time prior to or following an Insurer Default, BAM has made payment under the Policy, to the extent of such payment BAM shall be treated like any other holder of the Insured Obligations for all purposes, including giving of consents, and (2) if BAM has not made any payment under the Policy, BAM shall have no further consent rights until the particular Insurer Default is no longer continuing or BAM makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph, "Insurer Default" means: (A) BAM has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) BAM shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of BAM (including without limitation under the New York Insurance Law).

5) Loan/Lease/Financing Agreement.

a) The security for the Insured Obligations shall include a pledge and assignment of any agreement with any underlying obligor that is a source of payment for the Insured Obligations (a "Financing Agreement") and a default under any Financing Agreement shall constitute an Event of Default under the Security Documents. In accordance with the foregoing, any such Financing Agreement is hereby pledged and assigned to the Trustee for the benefit of the holders of the Insured Obligations.

b) Any payments by the Obligor under the Financing Agreement that will be applied to the payment of debt service on the Insured Obligations shall be made directly to the Trustee at least fifteen (15) days prior to each debt service payment date for the Insured Obligations.

6) BAM As Third Party Beneficiary. BAM is recognized as and shall be deemed to be a third party beneficiary of the Security Documents and may enforce the provisions of the Security Documents as if it were a party thereto.

7) Payment Procedure Under the Policy.

In the event that principal and/or interest due on the Insured Obligations shall be paid by BAM pursuant to the Policy, the Insured Obligations shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of BAM, and BAM shall be subrogated to the rights of such registered owners.

In the event that on the second (2nd) business day prior to any payment date on the Insured Obligations, the Paying Agent or Trustee has not received sufficient moneys to pay all principal of and interest on the Insured Obligations due on such payment date, the Paying Agent or Trustee shall immediately notify BAM or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency. If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or Trustee shall so notify BAM or its designee.

In addition, if the Paying Agent or Trustee has notice that any holder of the Insured Obligations has been required to disgorge payments of principal of or interest on the Insured Obligations pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such holder within the meaning of any applicable bankruptcy law, then the Paying Agent or Trustee shall notify BAM or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of BAM.

The Paying Agent or Trustee shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Insured Obligations as follows:

a) If there is a deficiency in amounts required to pay interest and/or principal on the Insured Obligations, the Paying Agent or Trustee shall (i) execute and deliver to BAM, in form satisfactory to BAM, an instrument appointing BAM as agent and attorney-in-fact for such holders of the Insured Obligations in any legal proceeding related to the payment and assignment to BAM of the claims for interest on the Insured Obligations, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment from BAM with respect to the claims for interest so assigned, (iii) segregate all such payments in a separate account (the "BAM Policy Payment Account") to only be used to make scheduled payments of principal of and interest on the Insured Obligation, and (iv) disburse the same to such respective holders; and

b) If there is a deficiency in amounts required to pay principal of the Insured Obligations, the Paying Agent or Trustee shall (i) execute and deliver to BAM, in form satisfactory to BAM, an instrument appointing BAM as agent and attorney-in-fact for such holder of the Insured Obligations in any legal proceeding related to the payment of such principal and an assignment to BAM of the Insured Obligations surrendered to BAM, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from BAM, (iii) segregate all such payments in the BAM Policy Payment Account to only be used to make scheduled payments of principal of and interest on the Insured Obligation, and (iv) disburse the same to such holders.

The Trustee shall designate any portion of payment of principal on Insured Obligations paid by BAM, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Obligations registered to the then current holder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Obligation to BAM, registered in the name directed by BAM, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Insured Obligation shall have no effect on the amount of principal or interest payable by the Issuer on any Insured Obligation or the subrogation or assignment rights of BAM.

Payments with respect to claims for interest on and principal of Insured Obligations disbursed by the Paying Agent or Trustee from proceeds of the Policy shall not be considered to discharge the obligation of the Issuer with respect to such Insured Obligations, and BAM shall become the owner of such unpaid Insured Obligations and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraphs or otherwise. The Security Documents shall not be discharged or terminated unless all amounts due or to become due to BAM have been

paid in full or duly provided for.

Irrespective of whether any such assignment is executed and delivered, the Issuer, [Obligor] and the Paying Agent and Trustee agree for the benefit of BAM that:

a) They recognize that to the extent BAM makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent or Trustee), on account of principal of or interest on the Insured Obligations, BAM will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer/Obligor, with interest thereon, as provided and solely from the sources stated in the Security Documents and the Insured Obligations; and

b) They will accordingly pay to BAM the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Insured Obligations, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Insured Obligations to holders, and will otherwise treat BAM as the owner of such rights to the amount of such principal and interest.

8) Additional Payments. The [Issuer] [Obligor] agrees unconditionally that it will pay or reimburse BAM on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that BAM may pay or incur, including, but not limited to, fees and expenses of BAM's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of the Security Documents ("Administrative Costs"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of BAM spent in connection with the actions described in the preceding sentence. The [Issuer] [Obligor] agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to BAM until the date BAM is paid in full.

Notwithstanding anything herein to the contrary, the [Issuer][Obligor] agrees to pay to BAM (i) a sum equal to the total of all amounts paid by BAM under the Policy ("BAM Policy Payment"); and (ii) interest on such BAM Policy Payments from the date paid by BAM until payment thereof in full by the [Issuer][Obligor], payable to BAM at the Late Payment Rate per annum (collectively, "BAM Reimbursement Amounts") compounded semi-annually. Notwithstanding anything to the contrary, including without limitation the post default application of revenue provisions, BAM Reimbursement Amounts shall be, and the [Issuer][Obligor] hereby covenants and agrees that the BAM Reimbursement Amounts are, payable from and secured by a lien on and pledge of the same revenues and other collateral pledged to the Insured Obligations on a parity with debt service due on the Insured Obligations.

9) Debt Service Reserve Fund. The prior written consent of BAM shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Debt Service Reserve Fund, if any. Amounts on deposit in the Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Insured Obligations.

10) Exercise of Rights by BAM. The rights granted to BAM under the Security Documents to request, consent to or direct any action are rights granted to BAM in consideration of its issuance of the Policy. Any exercise by BAM of such rights is merely an exercise of the BAM's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the holders of the Insured Obligations and such action does not evidence any position of BAM, affirmative or negative, as to whether the consent of the holders of the Insured Obligations or any other person is required in addition to the consent of BAM.

11) BAM shall be entitled to pay principal or interest on the Insured Obligations that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Policy) and any amounts due on the Insured Obligations as a result of acceleration of the maturity thereof in accordance with the Security Documents, whether or not BAM has received a claim upon the Policy.

12) So long as the Insured Obligations are outstanding or any amounts are due and payable to BAM, the [Issuer/Obligor] shall not sell, lease, transfer, encumber or otherwise dispose of the [System] or any material portion thereof, except upon obtaining the prior written consent of BAM.

13) No contract shall be entered into or any action taken by which the rights of BAM or security for or source of payment of the Insured Obligations may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of BAM.

14) If an event of default occurs under any agreement pursuant to which any Obligation of the [Issuer/Obligor] has been incurred or issued and that permits the holder of such Obligation or trustee to accelerate the Obligation or otherwise exercise rights or remedies that are adverse to the interest of the holders of the Insured Obligations or BAM, as BAM may determine in its sole discretion, then an event of default shall be deemed to have occurred under this [Indenture] and the related Security Documents for which BAM or the Trustee, at the direction of BAM, shall be entitle to exercise all available remedies under the Security Documents, at law and in equity. For purposes of the foregoing "Obligation" shall mean any bonds, loans, certificates, installment or lease payments or similar obligations that are payable and/or secured on a parity or subordinate basis to the Insured Obligations.

15) Definitions.

"BAM" shall mean Build America Mutual Assurance Company, or any successor thereto.

"Insured Obligations" shall mean the [bonds].

"Issuer" shall mean the [Authority].

"Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank, N.A., at its principal office in The City of New York, New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank, N.A.) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Obligations and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. In the event JPMorgan Chase Bank, N.A., ceases to announce its Prime Rate, the Prime Rate shall be the prime or base lending rate of such other bank, banking association or trust company as BAM, in its sole and absolute discretion, shall designate. Interest at the Late Payment Rate on any amount owing to BAM shall be computed on the basis of the actual number of days elapsed in a year of 360 days.

The Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

BUILD AMERICA MUTUAL ASSURANCE COMPANY

BAM is a New York domiciled mutual insurance corporation and is licensed to conduct financial guaranty insurance business in all fifty states of the United States and the District of Columbia. BAM provides credit enhancement products solely to issuers in the U.S. public finance markets. BAM will only insure obligations of states, political subdivisions, integral parts of states or political subdivisions or entities otherwise eligible for the exclusion of income under section 115 of the U.S. Internal Revenue Code of 1986, as amended. No member of BAM is liable for the obligations of BAM.

The address of the principal executive offices of BAM is: 200 Liberty Street, 27th Floor, New York, New York 10281, its telephone number is: 212-235-2500, and its website is located at: www.buildamerica.com.

BAM is licensed and subject to regulation as a financial guaranty insurance corporation under the laws of the State of New York and in particular Articles 41 and 69 of the New York Insurance Law.

BAM's financial strength is rated "AA/Stable" by S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"). An explanation of the significance of the rating and current reports may be obtained from S&P at www.standardandpoors.com. The rating of BAM should be evaluated independently. The rating reflects the S&P's current assessment of the creditworthiness of BAM and its ability to pay claims on its policies of insurance. The above rating is not a recommendation to buy, sell or hold the Bonds, and such rating is subject to revision or withdrawal at any time by S&P, including withdrawal initiated at the request of BAM in its sole discretion. Any downward revision or withdrawal of the above rating may have an adverse effect on the market price of the Bonds. BAM only guarantees scheduled principal and scheduled interest payments payable by the issuer of the Bonds on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the Policy), and BAM does not guarantee the market price or liquidity of the Bonds, nor does it guarantee that the rating on the Bonds will not be revised or withdrawn.

Additional Information Available from BAM

Credit Insights Videos. For certain BAM-insured issues, BAM produces and posts a brief Credit Insights video that provides a discussion of the obligor and some of the key factors BAM's analysts and credit committee considered when approving the credit for insurance. The Credit Insights videos are easily accessible on BAM's website at buildamerica.com/creditinsights/. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Credit Profiles. Prior to the pricing of bonds that BAM has been selected to insure, BAM may prepare a pre-sale Credit Profile for those bonds. These pre-sale Credit Profiles provide information about the sector designation (e.g. general obligation, sales tax); a preliminary summary of financial information and key ratios; and demographic and economic data relevant to the obligor, if available. Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at buildamerica.com/obligor/. BAM will produce a Credit Profile for all bonds insured by BAM, whether or not a pre-sale Credit Profile has been prepared for such bonds. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Disclaimers. The Credit Profiles and the Credit Insights videos and the information contained therein are not recommendations to purchase, hold or sell securities or to make any investment decisions. Credit-related and other analyses and statements in the Credit Profiles and the Credit Insights videos are statements of opinion as of the date expressed, and BAM assumes no responsibility to update the content of such material. The Credit Profiles and Credit Insight videos are prepared by BAM; they have not been reviewed or approved by the issuer of or the underwriter for the Bonds, and the issuer and underwriter assume no responsibility for their content.

BAM receives compensation (an insurance premium) for the insurance that it is providing with respect to the Bonds. Neither BAM nor any affiliate of BAM has purchased, or committed to purchase, any of the Bonds, whether at the initial offering or otherwise.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.

BAM LEGAL OPINION AND CERTIFICATE

[CLOSING DATE]

[ADDRESSEES (ISSUER, UNDERWRITER AND TRUSTEE)]

Re: Municipal Bond Insurance Policy No. [POLICY NO.] With Respect to
$_____ [Name of Issuer] (the "Issuer")
_____ Bonds, Series ____ (the "Bonds")

Ladies and Gentlemen:

I am Counsel of Build America Mutual Assurance Company, a New York mutual insurance company ("BAM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by BAM of its above-referenced policy (the "Policy"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. BAM is a mutual insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policy has been duly authorized, executed and delivered by BAM.

3. The Policy constitutes the valid and binding obligation of BAM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the bankruptcy or insolvency of BAM and to the application of general principles of equity.

4. The issuance of the Policy qualifies [the Issuer] as a member of BAM until [the Bonds] are no longer outstanding. As a member of BAM, [the Issuer] is entitled to certain rights and privileges as provided in BAM's charter and by-laws and as may otherwise be provided under New York law. The Policy is non-assessable and creates no contingent mutual liability.

In addition, please be advised that I have reviewed the description of the Policy under the caption "BOND INSURANCE" in the official statement relating to the above-referenced Bonds dated [DATE] (the "Official Statement"). There has not come to my attention any information which would cause me to believe that the description of the Policy referred to above, as of the date of the Official Statement or

as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that I express no opinion with respect to any information contained in, or omitted from, "the Official Statement".

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

This letter and the legal opinions herein are intended for the information solely of the addresses hereof and solely for the purposes of the transactions described in the Official Statement and are not to be relied upon by any other person or entity (including, without limitation, any person or entity that acquires bonds from an addressee of this letter.) I do not undertake to advise you of matters that may come to my attention subsequent to the date hereof that may affect the conclusions expressed herein.

Very truly yours,

DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF BUILD AMERICA MUTUAL ASSURANCE COMPANY

The undersigned hereby certifies on behalf of BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), in connection with the issuance by BAM of its Policy No. [POLICY NO.] (the "Policy") in respect of the [$AMOUNT] [NAME OF TRANSACTION] (the "Bonds") that:

(i) The information set forth under the caption "BOND INSURANCE-BUILD AMERICA MUTUAL ASSURANCE COMPANY" in the official statement dated [DATE], relating to the Bonds (the "Official Statement") is true and correct;

(ii) BAM is not currently in default nor has BAM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation;

(iii) The Policy is an unconditional and recourse obligation of BAM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds when due in the event of Nonpayment by the Issuer (as set forth in the Policy);

(iv) The insurance payment (inclusive of the sum of the Risk Premium and the Member Surplus Contribution) (the "Insurance Payment") is solely a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to BAM as a condition to the issuance of the Policy;

(v) BAM will, for federal income tax purposes, treat the Insurance Payment as solely in consideration for the insurance risk it assumes in the Policy and not as consideration for an investment in BAM or its assets;

(vi) No portion of such Insurance Payment represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by BAM to maintain its rating, which, together with all other overhead expenses of BAM, are taken into account in the formulation of its rate structure, or for the provision of additional services by BAM, or represents a direct or indirect payment for any goods or services provided to the Issuer (including the right to receive a dividend), or the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor);

(vii) BAM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Insurance Payment, BAM will not use any portion of the Bond proceeds;

(viii) Except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by BAM;

(ix) (a) BAM has not paid any dividends to date, (b) BAM's Board of Directors has resolved that BAM's priorities for surplus, as it accumulates, will be to preserve capital strength and claims paying resources for the benefit of its members and secondarily to

return value by reducing premiums charged for its insurance, and (c) BAM has no current expectation that any dividends will be paid;

(x) BAM does not expect that a claim or any other payment will be made on or with respect to the Policy or by BAM to the Issuer; and

(xi) Neither the Issuer nor any other Obligor is entitled to a refund of the Insurance Payment for the Policy in the event a Bond is retired before the final maturity date.

BAM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

"Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

IN WITNESS WHEREOF, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.

Date of the Official Statement: December 13, 2017

Ladies and Gentlemen:

I am Counsel of Build America Mutual Assurance Company, a New York mutual insurance company ("BAM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by BAM of its above-referenced Bond Insurance Policy and DSR Policy (collectively, the "Policies"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. BAM is a mutual insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policies have been duly authorized, executed and delivered by BAM.

3. Each of the Policies constitutes the valid and binding obligation of BAM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the

bankruptcy or insolvency of BAM and to the application of general principles of equity.

4. The issuance of the Policies qualifies the Member as a member of BAM until the Bonds are no longer outstanding. As a member of BAM, the Member is entitled to certain rights and privileges as provided in BAM's charter and by-laws and as may otherwise be provided under New York law. The Policies are non-assessable and create no contingent mutual liability.

In addition, please be advised that I have reviewed the description of the Bond Insurance Policy under the caption "BOND INSURANCE" in APPENDIX G to the Official Statement related to the above-referenced Bonds. There has not come to my attention any information which would cause me to believe that the description of the Bond Insurance Policy, as of the date of the Official Statement or as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to the make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that except as described above, I express no opinion with respect to any information contained in, or omitted, from the Official Statement.

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

This letter and the legal opinions herein are intended for the information solely of the addresses hereof and solely for the purposes of the transactions described in the Official Statement and are not to be relied upon by any other person or entity (including, without limitation, any person or entity that acquires bonds from an addressee of this letter.) I do not undertake to advise you of matters that may come to my attention subsequent to the date hereof that may affect the conclusions expressed herein.

Very truly yours,

The City of Morgantown, West Virginia
Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified)

Date of the Official Statement: December 13, 2017

The undersigned hereby certifies on behalf of BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), in connection with the issuance by BAM of its Policy referenced above (the "Policy") in respect of the Bonds referenced above (the "Bonds") that:

(i) The information set forth under the caption "BOND INSURANCE-BUILD AMERICA MUTUAL ASSURANCE COMPANY" in APPENDIX G to the official statement referenced above, relating to the Bonds (the "Official Statement") is true and correct;

(ii) BAM is not currently in default nor has BAM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation;

(iii) The Policy is an unconditional and recourse obligation of BAM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds when due in the event of Nonpayment by the Issuer (as set forth in the Policy);

(iv) The insurance payment (inclusive of the sum of the Risk Premium and the Member Surplus Contribution) (the "Insurance Payment") is solely a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to BAM as a condition to the issuance of the Policy;

(v) BAM will, for federal income tax purposes, treat the Insurance Payment as solely in consideration for the insurance risk it assumes in the Policy and not as consideration for an investment in BAM or its assets;

(vi) No portion of such Insurance Payment represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by BAM to maintain its rating, which, together with all other overhead expenses of BAM, are taken into account in the formulation of its rate structure, or for the provision of additional services by BAM, or represents a direct or indirect payment for any goods or services provided to the Issuer (including the right to receive a dividend), or the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor);

(vii) BAM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Insurance Payment, BAM will not use any portion of the Bond proceeds;

(viii) Except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by BAM;

(ix) (a) BAM has not paid any dividends to date, (b) BAM's Board of Directors has resolved that BAM's priorities for surplus, as it accumulates, will be to preserve capital strength and claims paying resources for the benefit of its members and secondarily to return value by reducing premiums charged for its insurance, and (c) BAM has no current expectation that any dividends will be paid;

(x) BAM does not expect that a claim or any other payment will be made on or with respect to the Policy or by BAM to the Issuer; and

(xi) Neither the Issuer nor any other Obligor is entitled to a refund of the Insurance Payment for the Policy in the event a Bond is retired before the final maturity date.

BAM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above under the Security Documents, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

BAM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of (i) the Business Day on which such principal and interest becomes Due for Payment and (ii) the first Business Day following the Business Day on which BAM shall have received a completed Notice of Nonpayment in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of this paragraph, and BAM shall promptly so advise the Trustee or Paying Agent who may submit an amended Notice of Nonpayment.

Payment by BAM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of BAM under this Policy. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, (a) BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond and (b) BAM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Security Documents and Debt Service Reserve Agreement.

SPECIMEN

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by and to the extent of any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (after taking into account the payment of interest and expenses) to BAM by or on behalf of the Issuer. Within three (3) Business Days of such reimbursement, BAM shall provide the Trustee or the Paying Agent with Notice of Reinstatement, in the form of Exhibit A attached hereto, and such reinstatement shall be effective as of the date BAM gives such notice.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the end of the Term of this Policy or (b) Bonds that are not outstanding under the Security Documents. If the amount payable under this Policy is also payable under another BAM issued policy insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall BAM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other BAM issued insurance policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "**Business Day**" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as hereinafter defined) are authorized or required by law or executive order to remain closed. "**Debt Service Reserve Agreement**" means the Debt Service Reserve Agreement, if any, dated as of the effective date hereof, in respect of this Policy, as the same may be amended or supplemented from time to time. "**Due for Payment**" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "**Nonpayment**" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. **"Notice"** means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "**Owner**" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. **"Policy Limit"** means the dollar

amount of the debt service reserve fund required to be maintained for the Bonds by the Security Documents from time to time (the "Reserve Account Requirement"), or the portion of the Reserve Account Requirement for the Bonds provided by this Policy as specified in the Security Documents or Debt Service Reserve Agreement, if any, but in no event shall the Policy Limit exceed the Maximum Policy Limit set forth above. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of or, if this Policy is only providing a portion of the Reserve Account Requirement, in the same proportion as, each reduction in the Reserve Account Requirement, as provided in the Security Documents or Debt Service Reserve Agreement. **"Security Documents"** means any resolution, ordinance, trust agreement, trust indenture, loan agreement and/or lease agreement and any additional or supplemental document executed in connection with the Bonds. "**Term**" means the period from and including the Effective Date until the earlier of (i) the maturity date for the Bonds and (ii) the date on which the Bonds are no longer outstanding under the Security Documents.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy is being issued under and pursuant to and shall be construed under and governed by the laws of the State of New York, without regard to conflict of law provisions.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

EXHIBIT B

With respect to the Municipal Bond Debt Service Reserve Insurance Policy, notwithstanding anything to the contrary set forth in the Authorizing Documents the Issuer and the Trustee agree to comply with the following provisions:

(a) The Issuer shall repay any draws under the Municipal Bond Debt Service Reserve Insurance Policy (the "Reserve Policy") and pay all related reasonable expenses incurred by BAM (the "Bond Insurer"). Interest shall accrue and be payable on such draws and expenses from the date of payment by the Bond Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (A) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such changes are announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds, and (B) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such bank, banking association or trust company bank as the Bond Insurer in its sole and absolute discretion shall specify.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, the "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Bond Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Bond Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

All cash and investments in the Debt Service Reserve Fund established for the Bonds shall be transferred to the Debt Service Fund for payment of the debt service on the Bonds before any drawing may be made on the Reserve Policy or any other Reserve Fund Credit Instrument in lieu of cash.

Payment of any Policy Cost shall be made prior to replenishment of any cash amounts. Draws on all Reserve Fund Credit Instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Debt Service Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Reserve Fund Credit Instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Debt Service Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to

honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) Draws under the Reserve Policy may only be used to make payments on Bonds insured by the Bond Insurer.

(c) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of paragraph (a) above, the Bond Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under this Indenture other than (i) acceleration of the maturity of the Bonds, or (ii) remedies which would adversely affect owners of the Bonds.

(d) This Indenture shall not be discharged until all Policy Costs owing to the Bond Insurer shall have been paid in full. The Issuer's oblgation to pay such amount shall expressly survive payment in full of the Bonds.

(e) The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of paragraph (a) hereof and provide notice to the Bond Insurer at least three business days prior to each date upon which interest or principal is due on the Bonds.

(f) The Reserve Policy shall expire on the earlier of the date the Bonds are no longer outstanding and the final maturity date of the Bonds.

EXHIBIT C

1. The Obligor shall repay BAM any draws under the Reserve Policy and pay all Administrative Expenses (as defined below) incurred by BAM. Interest shall accrue and be payable on such draws and expenses from the date of payment by BAM at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Obligations and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate, the Prime Rate shall be the prime or base-lending rate of such national bank as BAM shall designate.

2. Repayment of draws and payment of Administrative Expenses and the interest accrued thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12th of the aggregate of Policy Costs related to such draw*[; provided, however, that all such payments shall be due prior to termination of the [Lease] Agreement dated as of _____ between the Issuer and Obligor]*. Amounts in respect of Policy Costs paid to BAM shall be credited first to interest due, then to the expenses due and then to principal due. *[For Ca. RDA add: The Obligor shall include the repayment of Policy Costs in its Recognized Payment Obligation Schedule.]*

3. As and to the extent that payments are made to BAM on account of principal due, the coverage under the Reserve Policy will be reinstated by a like amount, subject to the terms of the Reserve Policy.

4. All cash and investments in the debt service reserve fund or account securing the Insured Obligations (the "Reserve Fund") shall be transferred to the debt service fund for payment of debt service on the Insured Obligations before any drawing may be made on the Reserve Policy or on any alternative credit instrument. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all alternative credit instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to available coverage under each such alternative credit instrument) after applying available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to alternative credit instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

5. Draws on the Reserve Policy may only be used to make payments on the Insured Obligations (and for the avoidance of doubt, not any other obligations of the *[Issuer or]* Obligor, whether issued on parity with the Insured Obligations, or otherwise).

6. If the Obligor shall fail to pay any Policy Costs in accordance with the requirements of the Authorizing Document and this Agreement, BAM shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Authorizing Document, other than (i) acceleration of the maturity of the Insured Obligations or (ii) remedies which would adversely affect owners of the Insured Obligations.

7. The Authorizing Document shall not be discharged until all Policy Costs owing to BAM shall have been paid in full. The Obligor's obligation to pay such amounts shall expressly survive payment in full of the Insured Obligations.

8. In order to secure the Obligor's payment obligations with respect to the Policy Costs, there is hereby granted and perfected in favor of BAM a security interest (subordinate only to that of the owners of the Insured Obligations) in all revenues and collateral pledged as security for the Insured Obligations *[payment obligations of the Obligor under the Lease/Loan Agreement]*.

9. Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test and the rate covenant in the Authorizing Document *[Lease/Loan Agreement]*.

10. The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of paragraph 4 hereof and shall provide notice to BAM in accordance with the terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due on the Insured Obligations. Where deposits

are required to be made by the Obligor with the Trustee to the debt service fund for the Insured Obligations more often than semi-annually, the Trustee shall give notice to BAM of any failure of the Obligor to make timely payment in full of such deposits within two business days of the date due.

11. The Obligor agrees unconditionally that it will pay or reimburse BAM on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that BAM may pay or incur, including, but not limited to, fees and expenses of BAM's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of this Agreement, the Authorizing Document and any other document executed in connection with the Insured Obligations ("Administrative Expenses"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of BAM spent in connection with the actions described in the preceding sentence. The Obligor agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to BAM until the date BAM is paid in full.

12. The obligation of the Obligor to pay all amounts due under this Agreement shall be an absolute and unconditional obligation of the Obligor and will be paid or performed strictly in accordance with this Agreement.

13. So long as a default or event of default has occurred and is continuing under this Agreement, the Authorizing Document or any other document executed in connection with the Insured Obligations, the Obligor shall not be eligible for a dividend or any other economic benefit under BAM's organizational documents.

14. Notices to BAM shall be sent to the following address (or such other address as BAM may designate in writing): Build America Mutual Assurance Company, 200 Liberty Street, 27th Floor, New York, NY 10281, Attention: Surveillance, Re: Policy No. _____, Telephone: (212) 235-2500, Telecopier: (212) 235-1542, Email: notices@buildamerica.com; with a copy of such notice or other communication sent to the attention of the General Counsel at the same address and at claims@buildamerica.com or at Telecopier: (212) 235-5214.

15. If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such agreements, provisions or terms shall be deemed severable from the remaining agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement. In the event of any conflict in the terms of this Agreement and the Authorizing Document, the terms of this Agreement shall control.

16. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Authorizing Document.

17. This Agreement may be executed in counterparts, each of which alone and all of which together shall be deemed one original Agreement.

18. This Agreement and the rights and obligations of the parties to the Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, each of the parties hereto has duly executed and delivered this Agreement as of the date first above written.

BAM LEGAL OPINION

[CLOSING DATE]

[ADDRESSEES (ISSUER, UNDERWRITER AND TRUSTEE)]

Re: Bond Insurance Policy: Municipal Bond Insurance Policy No. [POLICY NO.]
DSR Policy: Debt Service Reserve Policy No. [POLICY NO.]
Member:

Official Statement: dated [ ]

Ladies and Gentlemen:

I am Counsel of Build America Mutual Assurance Company, a New York mutual insurance company ("BAM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by BAM of its above-referenced Bond Insurance Policy and DSR Policy (collectively, the "Policies"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. BAM is a mutual insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policies have been duly authorized, executed and delivered by BAM.

3. Each of the Policies constitutes the valid and binding obligation of BAM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the bankruptcy or insolvency of BAM and to the application of general principles of equity.

4. The issuance of the Policies qualifies the Member as a member of BAM until the Bonds are no longer outstanding. As a member of BAM, the Member is entitled to certain rights and privileges as provided in BAM's charter and by-laws and as may otherwise be provided under New York

law. The Policies are non-assessable and create no contingent mutual liability.

In addition, please be advised that I have reviewed the description of the Bond Insurance Policy under the caption "BOND INSURANCE" in the Official Statement related to the above-referenced Bonds. There has not come to my attention any information which would cause me to believe that the description of the Bond Insurance Policy, as of the date of the Official Statement or as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to the make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that except as described above, I express no opinion with respect to any information contained in, or omitted, from the Official Statement.

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

This letter and the legal opinions herein are intended for the information solely of the addresses hereof and solely for the purposes of the transactions described in the Official Statement and are not to be relied upon by any other person or entity (including, without limitation, any person or entity that acquires bonds from an addressee of this letter.) I do not undertake to advise you of matters that may come to my attention subsequent to the date hereof that may affect the conclusions expressed herein.

Very truly yours,

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above under the Security Documents, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

BAM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of (i) the Business Day on which such principal and interest becomes Due for Payment and (ii) the first Business Day following the Business Day on which BAM shall have received a completed Notice of Nonpayment in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of this paragraph, and BAM shall promptly so advise the Trustee or Paying Agent who may submit an amended Notice of Nonpayment.

Payment by BAM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of BAM under this Policy. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, (a) BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond and (b) BAM shall become entitled to

reimbursement of the amount so paid (together with interest and expenses) pursuant to the Security Documents and Debt Service Reserve Agreement.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by and to the extent of any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (after taking into account the payment of interest and expenses) to BAM by or on behalf of the Issuer. Within three (3) Business Days of such reimbursement, BAM shall provide the Trustee or the Paying Agent with Notice of Reinstatement, in the form of Exhibit A attached hereto, and such reinstatement shall be effective as of the date BAM gives such notice.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the end of the Term of this Policy or (b) Bonds that are not outstanding under the Security Documents. If the amount payable under this Policy is also payable under another BAM issued policy insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall BAM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other BAM issued insurance policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "**Business Day**" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as hereinafter defined) are authorized or required by law or executive order to remain closed. "**Debt Service Reserve Agreement**" means the Debt Service Reserve Agreement, if any, dated as of the effective date hereof, in respect of this Policy, as the same may be amended or supplemented from time to time. "**Due for Payment**" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "**Nonpayment**" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. **"Notice"** means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "**Owner**" means, in respect of a Bond, the person or entity who, at the time of

Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. **"Policy Limit"** means the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Security Documents from time to time (the "Reserve Account Requirement"), or the portion of the Reserve Account Requirement for the Bonds provided by this Policy as specified in the Security Documents or Debt Service Reserve Agreement, if any, but in no event shall the Policy Limit exceed the Maximum Policy Limit set forth above. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of or, if this Policy is only providing a portion of the Reserve Account Requirement, in the same proportion as, each reduction in the Reserve Account Requirement, as provided in the Security Documents or Debt Service Reserve Agreement. **"Security Documents"** means any resolution, ordinance, trust agreement, trust indenture, loan agreement and/or lease agreement and any additional or supplemental document executed in connection with the Bonds. "**Term**" means the period from and including the Effective Date until the earlier of (i) the maturity date for the Bonds and (ii) the date on which the Bonds are no longer outstanding under the Security Documents.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy is being issued under and pursuant to and shall be construed under and governed by the laws of the State of New York, without regard to conflict of law provisions.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.

DEBT SERVICE RESERVE AGREEMENT

DEBT SERVICE RESERVE AGREEMENT, dated December 21, 2017 (the "Agreement"), by and between The City of Morgantown, West Virginia (the "Obligor") and BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM").

In consideration of the issuance by BAM of its Municipal Bond Debt Service Reserve Insurance Policy No. 2017R0761 (the "Reserve Policy") with respect to the City of Morgantown, West Virginia, Combined Utility System Revenue Bonds, Series 2017 A (Bank Qualified) (the "Series 2017 A Bonds" or "Insured Obligations") issued under the Ordinance enacted by the Obligor on September 5, 2017 as supplemented by a Supplemental Parameters Resolution adopted by the Obligor on December 5, 2017, and a Certificate of Determinations executed by the Mayor on December 13, 2017 (collectively, the "Authorizing Documents"), which Series 2017 A Bonds are secured by the Gross Revenue pledge of the Obligor and the other revenue and collateral described in the Authorizing Documents, and the payment to BAM of the Insurance Payment for the Reserve Policy, the Obligor and BAM hereby covenant and agree as follows:

1. The Obligor shall repay BAM any draws under the Reserve Policy and pay all Administrative Expenses (as defined below) incurred by BAM. Interest shall accrue and be payable on such draws and expenses from the date of payment by BAM at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Obligations and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate, the Prime Rate shall be the prime or base-lending rate of such national bank as BAM shall designate.

2. Repayment of draws and payment of Administrative Expenses and the interest accrued thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12th of the aggregated of Policy Costs related to such draw. Amounts in respect of Policy Costs paid to BAM shall be credited first to interest due, then to the expenses due and then to principal due.

3. As and to the extent that payments are made to BAM on account of principal due, the coverage under the Reserve Policy will be reinstated by a like amount, subject to the terms of the Reserve Policy.

4. All cash and investments in the debt service reserve fund or account securing the Insured Obligations (the "Reserve Fund") shall be transferred to the debt service fund for payment of debt service on the Insured Obligations before any drawing may be made on the Reserve Policy or on any alternative credit instrument. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all alternative credit instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to available coverage under each such alternative credit instrument) after applying available cash and investments in the Reserve Fund, if any. Payment of Policy Costs and reimbursement of amounts with respect to alternative credit instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

5. Draws on the Reserve Policy may only be used to make payments on the Insured Obligations (and for the avoidance of doubt, not any other obligations of the Obligor, whether issued on parity with the Insured Obligations, or otherwise).

6. If the Obligor shall fail to pay any Policy Costs in accordance with the requirements of the Authorizing Documents and this Agreement, BAM shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Authorizing Documents, other than (i) acceleration of the maturity of the Insured Obligations or (ii) remedies which would adversely affect owners of the Insured Obligations.

7. The Authorizing Documents shall not be discharged until all Policy Costs owing to BAM shall have been paid in full. The Obligor's obligation to pay such amounts shall expressly survive payment in full of the Insured Obligations.

8. In order to secure the Obligor's payment obligations with respect to the Policy Costs, there is hereby granted and perfected in favor of BAM a security interest (subordinate only to that of the owners of the Insured Obligations and those obligations secured on a parity with the Insured Obligations) in all revenues and collateral pledged as security for the Insured Obligations.

9. Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test and the rate covenant in the Authorizing Documents.

10. The Paying Agent, as defined in the Authorizing Documents, shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of paragraph 4 hereof and shall provide notice to BAM in accordance with the

terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due on the Insured Obligations. Where deposits are required to be made by the Obligor with the Paying Agent to the debt service fund for the Insured Obligations more often than semi-annually, the Paying Agent shall give notice to BAM of any failure of the Obligor to make timely payment in full of such deposits within two business days of the date due.

11. The Obligor agrees unconditionally that it will pay or reimburse BAM on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that BAM may pay or incur, including, but not limited to, fees and expenses of BAM's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of this Agreement, the Authorizing Documents and any other document executed in connection with the Insured Obligations ("Administrative Expenses"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of BAM spent in connection with the actions described in the preceding sentence. The Obligor agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to BAM until the date BAM is paid in full.

12. The obligation of the Obligor to pay all amounts due under this Agreement shall be an absolute and unconditional obligation of the Obligor and will be paid or performed strictly in accordance with this Agreement.

13. So long as a default or event of default has occurred and is continuing under this Agreement, the Authorizing Documents or any other document executed in connection with the Insured Obligations, the Obligor shall not be eligible for a dividend or any other economic benefit under BAM's organizational documents.

14. Notices to BAM shall be sent to the following address (or such other address as BAM may designate in writing): Build America Mutual Assurance Company, 200 Liberty Street, 27th Floor, New York, NY 10281, Attention: Surveillance, Re: Policy No. 2017R0761, Telephone: (212) 235-2500, Telecopier: (212) 235-1542, Email: notices@buildamerica.com; with a copy of such notice or other communication sent to the attention of the General Counsel at the same address and at claims@buildamerica.com or at Telecopier: (212) 235-5214.

15. If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such agreements, provisions or terms shall be deemed severable from the remaining agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement. In the event of any conflict in the terms

of this Agreement and the Authorizing Documents, the terms of this Agreement shall, to the extent permitted by law of the State of West Virginia, control.

16. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Authorizing Documents.

17. This Agreement may be executed in counterparts, each of which alone and all of which together shall be deemed one original Agreement.

18. This Agreement and the rights and obligations of the parties to the Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

(To Blanket Issuer Letter of Representations)

SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the"Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue,and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $500 million, one certificate will be issued with respect to each $500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at **www.dtcc.com.**

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner")is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity

of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC [nor its nominee], Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.
