Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2018 State Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2018 State Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2018 State Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2018 State Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2018 State Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2018 State Bonds or the interest, if any, thereon.

Section 7.03. Series 2018 State Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2018 State Bonds shall be secured by a first lien on the Gross Revenues derived from the Combined Utility System, on a parity with one another and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2018 State Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall

be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect.

So long as the Series 2018 State Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the Combined Utility System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the Combined Utility System in connection with the Series 2018 State Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the Combined Utility System. So long as the Prior Bonds and/or the Series 2018 State Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the Combined Utility System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2018 State Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the Combined Utility System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the Combined Utility System shall, with respect to the Series 2018 State Bonds, immediately be remitted to the Commission for deposit in the respective Series 2018 State Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2018 State Bonds. Any balance remaining after the payment of the Series 2018 State Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the Combined Utility System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Combined Utility System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$1,000,000, the Board shall, by resolution, determine that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$1,000,000 but not in excess of \$5,000,000, the Board shall first, determine, that such property comprising a part of the Combined Utility System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the Combined Utility System shall be made by the Board if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$5,000,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the Combined Utility System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the Combined Utility System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2018 State Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2018 State Bonds and payable from the revenues of the Combined Utility System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2018 State Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2018 State Bonds, and the interest, if any, thereon, upon any of the income and revenues of the Combined Utility System pledged for payment of the Series 2018 State Bonds and the interest, if any, thereon in this Bond Legislation, or upon the Combined Utility System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the Combined Utility System, payable from the revenues of the Combined Utility System or from any grants for the Project, or any other obligations related to the Project or the Combined Utility System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances, shall be applicable. In addition, no Parity Bonds, payable out of the Gross Revenues of the Combined Utility System, shall be issued after the issuance of the Series 2018 State Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2018 State Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the Combined Utility System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the Combined Utility System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

1. The Bonds then Outstanding;
2. Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
3. The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the Combined Utility System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the Combined Utility System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal), prior to issuance of such Parity Bonds. For purposes of this test, the terms "Gross Revenues" and "Net Revenues" shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds (with the exception of the Series 2016 B-2 Bonds), regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the Combined Utility System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the Combined Utility System is subject to the prior and superior lien of the Series 2018 State Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the Combined Utility System,

or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2018 State Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the Combined Utility System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the Combined Utility System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the Combined Utility System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the Combined Utility System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the Combined Utility System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the Combined Utility System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the Combined Utility System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

West Virginia Water Development Authority
1009 Bullitt Street

Ladies and Gentlemen:

We are bond counsel to _____ (the
“Governmental Agency”), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the “Loan Agreement”), between the Governmental Agency and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the “Local Bonds”), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the “Schedule Y” attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the “Local Statute”), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the “Local Act”), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

West Virginia Infrastructure and Jobs Development Council
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel to The City of Morgantown (the "Issuer"), a municipal corporation and political subdivision of the State of West Virginia in connection with its \$394,074 Combined Utility System Revenue Bonds, Series 2018 A (West Virginia Infrastructure Fund), dated the date hereof (the "Series 2018 A Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement dated January 31, 2018, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal and interest to the Authority, bearing interest at the rate of 1.0% per annum, payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2019 and with principal installments payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2019 to and including December 1, 2057 all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Series 2018 A Bonds.

The Series 2018 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the waterworks portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Bond Ordinance duly enacted by the Issuer on January 17, 2017, as supplemented by the Supplemental Resolution and Conformed Ordinance duly adopted by the Issuer on January 23, 2018 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2018 A Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Series 2018 A Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not defined herein shall have the same meanings set forth in the Bond Legislation.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Bond Legislation and to issue and sell the Series 2018 A Bonds, all under the Act and other applicable provisions of law.

4. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Series 2018 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with the Issuer's: (1) Combined Utility System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated February 29, 2000, issued in the original aggregate principal amount of \$7,842,000 (the "Series 2000 A Bonds"); (2) Combined Utility System Revenue Bonds, Series 2000 B (West Virginia Infrastructure Fund), dated February 29, 2000, issued in the original aggregate principal amount of \$2,488,000 (the "Series 2000 B Bonds"); (3) Combined Utility System Revenue Bonds, Series 2006 A (West Virginia SRF Program), dated June 30, 2006, issued in the original aggregate principal amount of \$6,410,191 (the "Series 2006 A Bonds"); (4) Combined Utility System Revenue Bonds, Series 2007 A (West Virginia SRF Program), dated August 14, 2007, issued in the original aggregate principal amount of \$8,500,000 (the "Series 2007 A Bonds"); (5) Combined Utility System Revenue Bonds, Series 2010 A (Direct Payment Build America Bonds), dated January 28, 2010, issued in the original aggregate principal amount of \$37,950,000 (the "Series 2010 A Bonds"); (6) Combined Utility System Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated January 28, 2010, issued in the original aggregate principal amount of \$15,380,227 (the "Series 2010 C Bonds"); (7) Combined Utility System Revenue Bonds, Series 2010 D (West Virginia DWTRF Program), dated January 28, 2010, issued in the original aggregate principal amount of \$9,317,286 (the "Series 2010 D Bonds"); (8) Combined Utility System Revenue Bonds, Series 2010 E (West Virginia DWTRF

6. The Series 2018 A Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

7. The Series 2018 A Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2018 A Bonds.

No opinion is given herein as to the effect upon enforceability of the Series 2018 A Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Series 2018 A Bond numbered AR-1, and in our opinion the form of said Series 2018 A Bonds and their execution and authentication are regular and proper.

Ladies and Gentlemen:

We are counsel to The City of Morgantown in Monongalia County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a Loan Agreement for the Series 2018 A Bonds, dated January 31, 2018, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority") on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council") (the "Loan Agreement"), a Bond Ordinance duly enacted by the Issuer on January 17, 2017, as supplemented by a Supplemental Resolution and Conformed Ordinance duly adopted by the Issuer on January 23, 2018 (collectively, the "Bond Legislation"), and other documents relating to the Issuer's Combined Utility System Revenue Bonds, Series 2018 A (West Virginia Infrastructure Fund), issued in the aggregate principal amount of \$394,074 (the "Series 2018 A Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the Council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer, and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding agreements of the Issuer, enforceable in accordance with their terms.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Series 2018 A Bonds, the Loan Agreement, and the consummation of the transactions contemplated by the Series 2018 A Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Series 2018 A Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the Council, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of a water ordinance adopted February 2, 2016, sewer rate ordinance adopted February 2, 2016 and stormwater rate ordinance adopted December 6, 2011. Such ordinances remain in full force and effect.

6. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Series 2018 A Bonds or the collection or pledge of the Gross Revenues therefor.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Re: City of Morgantown Final Title Opinion

Ladies and Gentlemen:

I represent the Morgantown Utility Board ("MUB") with regard to a proposed project that will install public water service at a location at/near Rockley Road in Monongalia County, West Virginia.

In support of this transaction, I provide this title opinion on behalf of MUB with regard to the financing proposed for this transaction. Please be advised of the following:

1. I am of the opinion that the City is a duly created and existing municipality possessed with all the powers and authority granted to municipalities under the laws of the State of West Virginia; that MUB is a duly created and existing combined public water, sewer and stormwater utility; and, that it possesses all the power and authority granted to said entities under the laws of the State of West Virginia; and, that it has the full power and authority to reconstruct, operate and maintain the water treatment and distribution system serving Morgantown and the surrounding service area.
2. I have investigated and ascertained the location of, and are familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the construction, operation and maintenance of the proposed project. I find that the project is duly licensed to be conducted wholly upon public rights of way, and that no easements or other property rights are required to perform the project tasks and operate the constructed facilities.
4. I have examined the records on file in the Office of the Clerk of the County Commission of Monongalia County, West Virginia, the county in which the subject of the transaction is located, and, in my opinion, MUB has legal title or such other license, right, estate or interest in the necessary site components sufficient to assure undisturbed construction, use and possession for the purpose of operation and maintenance for the estimated life of the facilities to be constructed.
Property rights remaining to be obtained include: None

15. The Issuer does not expect to sell or otherwise dispose of the Rockley Road Project in whole or in part prior to the last maturity date of the Series 2018 A Bonds.

16. The amount designated as costs of issuance of the Series 2018 A Bonds consists only of costs which are directly related to and necessary for the issuance of the Series 2018 A Bonds.

17. All property financed with the proceeds of the Series 2018 A Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Series 2018 A Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The original proceeds of the Series 2018 A Bonds will not exceed the amount necessary for the purposes of the issue.

20. The Issuer shall use the Series 2018 A Bond proceeds solely for the costs of the Rockley Road Project, and the Rockley Road Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Series 2018 A Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Ordinance authorizing the issuance of the Series 2018 A Bonds if such amendment is necessary to assure that the Series 2018 A Bonds remain public purpose or governmental bonds.

23. The Issuer has either (a) funded with cash or a municipal bond debt service reserve insurance policy the Series 2018 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Series 2018 A Bonds in the then current or any succeeding year with the proceeds of the Series 2018 A Bonds, or (b) created the Series 2018 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2018 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Series 2018 A Bonds in the then current or any succeeding year. Monies in the Series 2018 A Bonds Reserve Account and the Series 2018 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2018 A Bonds and will not be available to pay costs of the Rockley Road Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Series 2018 A Bonds, (b) are to be sold pursuant to a common plan of financing together with the Series 2018 A Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Series 2018 A Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Series 2018 A Bonds, rebates and rebate calculations.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the sewer rate ordinance enacted by The City of Morgantown (the "Issuer") on February 2, 2016, the water rate ordinance enacted on February 2, 2016, and the stormwater rate ordinance enacted on December 6, 2011, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks, sewerage and stormwater system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Combined Utility System Revenue Bonds, Series 2018 A (West Virginia Infrastructure Fund), dated January 31, 2018, issued in the original aggregate principal amount of \$394,074 (the "Series 2018 A Bonds"), and all other obligations secured by a lien on or payable from such revenues, including the Issuer's:

- (18) Combined Utility System Revenue Bonds, Series 2016 A, of the Issuer, dated December 1, 2016 issued in the original aggregate principal amount of \$69,755,000 (the "Series 2016 A Bonds");
- (19) Combined Utility System Revenue Bonds, Series 2016 B-1 (West Virginia SRF Program), of the Issuer, dated December 15, 2016 issued in the original aggregate principal amount of \$25,000,000 (the "Series 2016 B-1 Bonds"); and
- (20) Combined Utility Revenue Bonds, Series 2017 A (Bank Qualified), dated December 21, 2017, issued in the original aggregate principal amount of \$2,695,000 (the "Series 2017 A Bonds" and, collectively with the Bonds listed above, the "Prior Bonds").

It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2018 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2018 A Bonds, if any, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2018 A Bonds and the Prior Bonds.

Very truly yours,

PERRY & ASSOCIATES CPA's A.C.
