A. The New Creek Water Association Incorporated (the “Issuer”) is a non-stock, non-profit corporation organized under the laws of the State of West Virginia, and located in Mineral County, West Virginia.

B. The Issuer presently owns and operates a waterworks system. It previously deemed it necessary and desirable for the health and welfare of the customers of the Issuer that there be acquired and constructed certain additions, betterments, improvements and extensions to the existing waterworks facilities of the Issuer, including without limitation the replacement of an existing 4-inch line with a 6-inch line from the Cutoff Tank to Hoover Tank, replacement of Cutoff water tank, Cutoff pump station replacement, US 220 from Linden Drive to Stony Run waterline replacement, increasing from existing 6-inch to 8-inch, Stony Run waterline replacement from the existing 6-inch to 8-inch, Harley 0 Staggers waterline replacement from an existing 6-inch to 8-inch, Boggs pump station improvements, service line replacements, US 220 from Cutoff Road to Cutoff Tank waterline replacement, from an existing 6-inch to 8-inch, WV Route 972/93 (PHS to Cutoff Road) waterline replacement, from existing 6-inch to 8-inch, Keyser water treatment plant to Boggs pump station waterline replacement, US 220 from Stony Run to Josie Drive waterline replacement, from existing 6-inch to 8-inch, US 220 Josie Drive to Pine Swamp waterline replacement, install 8-inch parallel to existing 6-inch, meter replacements, Cameron Orchard waterline extension, Pine Pointe pump station, improvements and Highways pump station improvements, together with all appurtenant and related facilities (collectively, the “Project”) (the existing waterworks facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the “System”), in accordance with the plans and specifications prepared by Rummel, Klepper & Kahl, LLP (the “Consulting Engineers”), which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer further deemed it necessary for the Issuer to issue its (i) Water Revenue Bonds, Series 2021 A (West Virginia Infrastructure Fund), in the total aggregate principal amount of not more than \$5,000,000 (the “Series 2021 A Bonds”) and (ii) Water Revenue Bonds, Series 2021 B (United States Department of Agriculture), in the total aggregate principal amount of not more than \$3,400,000 (the “Series 2021 B Bonds” and, together with the Series 2021 A Bonds, the “Series 2021 Bonds”), to permanently finance a portion of the costs of acquisition and construction of the Project and costs of issuance of the Series 2021 Bonds and related costs. Said

costs were deemed to include but not be limited to the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2021 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Series 2021 Bonds Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2021 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2021 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes were deemed Costs of the Project, as hereinafter defined.

D. Subsequent to the closing of the issuance of the Series 2021 Bonds, the Issuer was advised that the Costs of the Project had increased significantly due primarily to the increase in the costs of the materials needed for the Project.

E. In light of the increase of the Costs of the Project, it is deemed necessary for the Issuer to issues its Water Revenue Bonds, Series 2022 A (West Virginia Infrastructure Fund), in the total aggregate principal amount of not more than \$430,000 (the "Series 2022 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project and costs of issuance of the Series 2022 A Bonds and related costs. Said costs shall be deemed to include but not be limited to the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2022 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Series 2022 A Bonds Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2022 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2022 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes were deemed Costs of the Project, as hereinafter defined.

F. The maximum cost of the acquisition and construction of the Project and the issuance of the Series 2022 A Bonds is now estimated to be \$11,092,700, \$5,000,000 of which will be obtained from the proceeds of the sale of the Series 2021 A Bonds described above, \$3,400,000 of which will be obtained from the proceeds of the sale of the Series 2021 B Bonds described above, \$430,700 of which will be obtained from the proceeds of the sale of the Series 2022 A Bonds described above, \$1,000,000 will be obtained from one or more grants from the West Virginia Infrastructure and Jobs Development Council (collectively, the “Council Grant”), \$996,000 of which will be obtained from a grant from the United States Department of Agriculture, Rural Utilities Service (the “USDA Grant”); and \$266,000 of which will be obtained from a grant by The County Commission of Mineral County, West Virginia (the “County Grant”).

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that its Series 2022 A Bonds be sold to the Authority pursuant to the terms and provisions of loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), in form satisfactory to the respective parties (the “Loan Agreement”), approved hereby if not previously approved by resolution of the Issuer.

I. The Series 2022 A Bonds will be secured by a Credit Line Deed of Trust, Security Agreement and Fixture Filing by and among the Issuer, the trustee named therein and the Authority (the “Series 2022 A Bonds Deed of Trust”), and a Security Agreement by and between the Issuer and the Authority (the “Series 2022 A Bonds Security Agreement”), pursuant to which the Issuer shall grant the Authority a security interest in, among other things, the revenues and accounts receivable of the Issuer.

J. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2022 A Bonds as to liens, pledge and source of and security for payment, which obligations (collectively, the “Prior Bonds”) are designated and described as follows:

Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund) dated November 18, 2004 (“Series 2004 B Bonds”), issued in the original principal amount of \$1,095,000, bearing no interest;

Water Revenue Bonds, Series 2004 C (West Virginia Infrastructure Fund) dated November 18, 2004 (“Series 2004 C Bonds”), issued in the original principal amount of \$286,000, bearing interest at the rate of 3.0% per annum;

Water Revenue Bonds, Series 2021 A (West Virginia Infrastructure Fund), dated June 18, 2021 (the “Series 2021 A Bonds”), issued in the original principal amount of \$5,000,000, bearing interest at the rate of 2.0% per annum; and

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

K. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Prior Bonds and the Series 2022 A Bonds, and to make payments into all funds and accounts and other payments provided for herein.

L. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2022 A Bonds, or will have so complied prior to issuance of any thereof, the financing thereof by the Authority, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2021 Bonds or such final order will not be subject to appeal.

For every such exchange or transfer of Series 2022 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which

sum or sums shall be paid by the Issuer. All Series 2022 A Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Series 2022 A Bond shall have matured or be about to mature, instead of issuing a substitute Series 2022 A Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2022 A Bond be lost, stolen or destroyed, without surrender thereof.

Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2022 A Bonds and the Prior Bonds, and to make all other payments provided for in the Resolution, are hereby irrevocably pledged to such payments as they become due.

The Issuer shall not be required to make any further payments into the Series 2022 A Bonds Sinking Fund or the Series 2022 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2022 A Bonds issued pursuant to this Resolution then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2022 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2021 A Bonds Sinking Fund, the Series 2021 A Bonds Reserve Account and the Series 2021 B Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at any time, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2022 A Bonds Sinking Funds and the Series 2022 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2022 A Bonds Sinking Fund and the Series 2022 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2022 A Bonds, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2021 Bonds that are to be remitted to the Commission and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required

by the Act, such excess shall be considered as surplus revenues (the “Surplus Revenues”). Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; DISBURSEMENTS

Section 6.01 Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2022 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2022 A Bonds, there shall first be deposited with the Commission in the Series 2022 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2022 A Bonds for the period commencing on the date of issuance of the Series 2022 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2022 A Bonds, there shall be deposited with the Commission in the Series 2022 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2022 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2022 A Bonds, such monies shall be deposited with the Depository Bank in the Project Fund and applied solely to payment of the costs of the acquisition and construction of the Project in the manner set forth in Section 6.03 and until so expended, are hereby pledged as additional security for the Series 2022 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2021 A Bonds shall be applied as directed by the Council.

Section 6.02 Disbursements of Proceeds of the Series 2021 A Bonds From the Project Fund. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of the proceeds of the Series 2022 A Bonds from the Project Fund shall be made only after submission to and approval from the Council, of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

- (a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;
- (b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the Project Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

If applicable, the Issuer shall expend all proceeds of the Series 2022 A Bonds within 3 years of the date of issuance of the Council's Bonds, the proceeds of which were used to make the loan to the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01 General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2022 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2021 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02 Reserved.

Section 7.03 Bonds Secured by Pledge of Gross Revenues: Lien Position with Respect to Prior Bonds. The payment of the debt service of Series 2022 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System and the accounts receivable of the Issuer on a parity with each other and with the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2022 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Resolution are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Resolution.

Section 7.04 Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Letter of Conditions. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision entered on January 8, 2021, in Public Service Commission of West Virginia (the "PSC") Case No. 20-0709-W-CN, which Recommended Decision became the Final Order of the PSC on January 18, 2021.

So long as the Series 2022 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Resolution and in compliance with the Loan Agreement and the Letter of Conditions. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2022 A Bonds shall prove to be insufficient to produce the required sums set forth in this Resolution, the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Resolution and the Loan Agreement.

Section 7.05 Sale of the System. So long as any of the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the applicable Prior Resolution(s). Additionally, so long as the Series 2022 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2022 A Bonds, immediately be remitted to the Commission for deposit in the Series 2022 A Bonds Sinking Fund, and, with the written permission of the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2022 A Bonds. Any balance remaining after the payment of the Prior Bonds, the Series 2022 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with a professional engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into such account by other provisions of this Resolution. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06 Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2022 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2022 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, and source of and security for payment from such revenues and in all other respects, to the Series 2022 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Resolution have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2022 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2022 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, for the Project or any other obligations related to the Project or the System.

Section 7.07 Parity Bonds. So long as any of the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the applicable Prior Resolution(s) shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2022 A Bonds pursuant to this Resolution, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2022 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions extensions, improvements or betterments to the System or refunding all or a portion of any outstanding Bonds, or both such purposes.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 2021 B Bonds held by the United States of America, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2021 B Bonds held by the United States of America are no longer Outstanding and any of the Series 2021 A Bonds are Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved in the manner required by then applicable law, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the

prior and superior liens of the Series 2022 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2022 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.08 Books: Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer shall keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Council, the Authority or any other original purchaser of the Series 2022 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2022 A Bonds, requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution, and the status of all said funds and accounts.

C. The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in accordance with 2 CFR 200 Subpart F (or any successor thereto), the Single Audit Act (or any successor thereto) and the laws of the State, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2022 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2022 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09 Rates. Prior to the issuance of the Series 2022 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for

contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115 % of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2022 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Series 2022 A Bonds Reserve Accounts and the reserve accounts for obligations on a parity with the Series 2022 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2022 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022 A Bonds, including the Prior Bonds. In the event none of the Series 2004 B Bonds, Series 2004 C Bonds, Series 2021 A and Series 2022 A Bonds are Outstanding and any of the Series 2021 B Bonds are Outstanding, the Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2021 B Bonds and all other obligations secured by a lien on and payable from the Gross Revenues on a parity with the Series 2021 B Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Gross Revenues for such purposes. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10 Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, and shall make available such budgets and all resolutions authorizing

increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Holder of any Bonds, or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11 Engineering Services and Operating Personnel. The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council, covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications, and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

The Issuer will serve the additional customers at the location(s) as set forth in the Certificate of Engineer. The Issuer will not reduce the amount of additional customers served by the project without the prior written approval of the Board of the West Virginia Water Development Authority. Following completion of the Project, the Issuer will certify to the Authority the number of customers added to the System.

Section 7.12 No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13 Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other

charges which shall become delinquent to the full extent permitted by the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14 No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15 Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2022 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement and the Letter of Conditions, during

construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

INVESTMENT OF FUNDS; USE OF PROCEEDS

Section 8.01 Investments. Any monies held as a part of the funds and accounts created by this Resolution other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2022 A Bonds are Outstanding.

Section 8.02 Certificate as to the Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2022 A Bonds as a condition to issuance of the Series 2022 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2022 A Bonds in order to maintain the status of the Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2022 A which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code; issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2022 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2022 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01 Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2022 A Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on Series 2022 A Bonds; or
- (2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2022 A Bonds set forth in this Resolution, any supplemental resolution or in the Series 2022 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, or Paying Agent, or any other Paying Agent or a Holder thereof; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 9.02 Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2022 A Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2022 A Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners thereof, (v) by action or bill in equity enjoin any acts in violation of the Resolution with respect to the Series 2022 A Bonds, or the rights of such Registered Owners; (vi) exercise its rights and remedies under the Series 2022 A Bonds Deed of Trust and/or Series 2022 A Bonds Security Agreement; provided that, all rights and remedies of the holders of the Series 2022 A Bonds shall be on a parity with the Holders of the Prior Bonds.

Section 9.03 Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Resolution, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and

segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

OPINION OF BOND COUNSEL FOR GOVERNMENTAL AGENCY

[To Be Dated as of Date of Loan Closing]

West Virginia Infrastructure and

West Virginia Water Development Authority
1009 Bullitt Street
Charleston, WV 25301

Ladies and Gentlemen:

We are bond counsel to _____ (the
“Governmental Agency”), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, including all schedules and exhibits attached thereto (the “Loan Agreement”), between the Governmental Agency and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the “Local Bonds”), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the “Schedule Y” attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the “Local Statute”), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the “Local Act”), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. - Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Series 2022 A Bonds are issued under the authority of and full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 31, Article 15A and Chapter 31E, Article 1 *et seq.* and Section 31E-3-302(7), of the Code of West Virginia, 1931, as amended (collectively, the “Act”), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public waterworks system of the Issuer (the “Project”); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on August 9, 2022, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 9, 2022 (collectively, the “Bond Legislation”), pursuant to and under which Act and Bond Legislation the Series 2022 A Bonds are authorized and issued, and the Loan Agreement has been entered into. The Series 2022 A Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing under the laws of the State of West Virginia as a nonprofit corporation, with full corporate power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Series 2022 A Bonds, all under the Act and other applicable provisions of law.
2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended by the Issuer so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.
3. The Bond Legislation and all other necessary resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
4. The Series 2022 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding obligations of the Issuer, payable from the Gross Revenues of the System and secured by the Series 2022 A Bonds Deed of Trust, and a security interest in and pledge of the Gross Revenues of the System and account receivables of the Issuer created pursuant to the Series 2022 A Bonds Security Agreement, on a parity with respect to liens, pledge and source of and security for payment with the Issuer’s Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund), dated November 18, 2004, issued in the original

aggregate principal amount of \$1,095,000, the Issuer's Water Revenue Bonds, Series 2004 C (West Virginia Infrastructure Fund), dated November 18, 2004, issued in the original aggregate principal amount of \$286,000, the Issuer's Water Revenue Bonds, Series 2021 A (West Virginia Infrastructure Fund), dated June 18, 2021, issued in the original aggregate principal amount of \$5,000,000, and the Issuer's Water Revenue Bonds, Series 2021 B (United States Department of Agriculture), dated June 18, 2021, issued in the original aggregate principal amount of \$3,400,000 all in accordance with the terms of the Series 2022 A Bonds and the Bond Legislation.

5. The lien granted to the Authority pursuant to the Series 2022 A Bonds Deed of Trust constitutes a valid lien against the real property described therein under applicable law. The filing of the Series 2022 A Bonds Deed of Trust as a fixture filing in the real estate records of the office of the Clerk of the County Commission of Mineral County, West Virginia will perfect the security interest of the Authority in the fixtures of the Issuer located at the real property described therein. The Series 2022 A Bonds Security Agreement creates a valid security interest in the personal property described therein. The filing of the UCC-1 financing statement in the office of the Secretary of State of the State of West Virginia will create a perfected security interest in the personal property described therein to the extent a security interest can be perfected by the filing of a financing statement. All such documents have been duly recorded and filed on the date hereof.

It is to be understood that the rights of the holders of the Series 2022 A Bonds and the enforceability of the Series 2022 A Bonds, the Loan Agreement, the Series 2022 A Bonds Deed of Trust, the Series 2022 A Bonds Security Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,
