STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation"), is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 1 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Town of New Cumberland (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Hancock County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the water portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of construction and installation of a 1,000-GPM prefabricated water treatment plant (WTP) for the Town's three (3) existing water wells, a new 60 Hp duplex booster station with VFP, emergency generator, and new three (3) phase electrical power line to the station will be installed (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2008 A (West Virginia Water Development Authority), in the total aggregate principal amount of not more than $1,000,000 (the "Series 2008 A Bonds"), to be initially represented by a single bond, to permanently finance the costs of acquisition and construction of the Project. The costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2008 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2008 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2008 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2008 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 40 years.

E. It is in the best interests of the Issuer that its Series 2008 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement (the "Loan Agreement") by and between the Issuer and the Authority, in form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2008 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority), dated October 27, 1994, issued in the original aggregate principal amount of $647,121 (the "Series 1994 A Bonds"); (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program), dated October 27, 1994, issued in the original aggregate principal amount of $498,666 (the "Series 1994 B Bonds"); and (3) Combined Waterworks and Sewerage System Revenue Bonds, Series 2004 A (West Virginia Water Infrastructure Fund), dated June 18, 2004, issued in the original aggregate principal amount of $238,600 (the "Series 2004 A Bonds"). The Series 1994 A Bonds, the Series 1994 B Bonds and the Series 2004 A Bonds are hereinafter collectively called the "Prior Bonds."

The Series 2008 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2008 A Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds have been met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2008 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein and in the Prior Ordinances (as hereinafter defined).

H. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2008 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2008 A Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. No Series 2008 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2008 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2008 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2008 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2008 A Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of such Bonds.

The registered Series 2008 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2008 A Bonds or transferring the registered Series 2008 A Bonds are exercised, all Series 2008 A Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2008 A Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2008 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2008 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2008 A Bonds or, in the case of any proposed redemption of Series 2008 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2008 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2008 A Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2008 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2008 A Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Positions with respect to Prior Bonds. The payment of the debt service of all Series 2008 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2008 A Bonds and the Prior Bonds and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and in the Prior Ordinances and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation and in the Prior Ordinances. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission the interest payments on the Series 1994 A Bonds as required by the Prior Ordinances; and (ii) remit to the Commission commencing 7 months prior to the first date of payment of interest on the Series 2008 A Bonds for which interest has not been capitalized or as required in the Loan Agreement, for deposit in the Series 2008 A Bonds Sinking Fund, an amount equal to 1/6th of the amount of interest which will become due on the Series 2008 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2008 A Bonds Sinking Fund and the next semiannual interest payment date is less than 7 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next semiannual interest payment date, the required amount of interest coming due on such date.

Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2008 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2008 A Bonds as the same shall become due. Monies in the Series 2008 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2008 A Bonds as the same shall come due, when other monies in the Series 2008 A Bonds Sinking Fund are insufficient therefor, and for no other purpose, except for transfers to the Rebate Fund permitted hereunder.

Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on moneys in the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2008 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2008 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2008 A Bonds Reserve Account which result in a reduction in the balance of the Series 2008 A Bonds Reserve Account to below the Series 2008 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2008 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2008 A Bonds Sinking Fund, or the Series 2008 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2008 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and Series 2008 A Bonds in accordance with the respective principal amounts then Outstanding.

The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Authority.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

Except with respect to transfers to the Rebate Fund permitted hereunder, the Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2008 A Bonds.

B. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

C. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2008 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges, fees and expenses then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

All Tap Fees shall be deposited by the Issuer, as received, in the Series 2008 A Bonds Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2008 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

From the proceeds of the Series 2008 A Bonds, there shall first be deposited with the Commission in the Series 2008 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2008 A Bonds for the period commencing on the date of issuance of the Series 2008 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2008 A Bonds, there shall be deposited with the Commission in the Series 2008 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 2008 A Bonds Reserve Account.

C. Except with respect to any transfers to the Rebate Fund permitted hereunder, moneys in the Series 2008 A Bonds Construction Trust Fund shall be used solely to pay the Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 2008 A Bonds.

Section 6.02. Disbursements From the Series 2008 A Bonds Construction Trust Fund. Except as provided in Section 6.01 hereof, disbursements from the Series 2008 A Bonds Construction Trust Fund (except for the costs of issuance of the Series 2008 A Bonds which shall be made upon request of the Issuer) shall be made each month only after a certificate, signed by an Authorized Officer stating:

(i) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(ii) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(iii) That each of such costs has been otherwise properly incurred; and

(iv) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Issuer shall disburse from the Series 2008 A Bonds Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Series 2008 A Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 2008 A Bonds Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

After completion of the Project, as certified by the Consulting Engineers, and all costs of the Project have been paid, the Issuer shall transfer any monies remaining in the Series 2008 A Bonds Construction Trust Fund to the Commission for deposit in the Series 2008 A Bonds Reserve Account, provided that, in no event shall more than 10% of the proceeds from the sale of the Series 2008 A Bonds be deposited in the Series 2008 A Bonds Reserve Account, and when the Series 2008 A Bonds Reserve Account is fully funded, shall return such remaining monies to the Issuer for deposit in the Revenue Fund. The Issuer shall thereafter, apply such monies in full, first to the next ensuing interest payment due on the Series 2008 A Bonds and thereafter to the next ensuing principal payment due thereon.

Pending such application, monies in the Series 2008 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

All monies in the Series 2008 A Bonds Construction Trust Fund shall be kept separate and apart from each other.

If applicable, the Issuer shall expend all proceeds of the Series 2008 A Bonds within 3 years of the date of issuance of the Authority's bonds, the proceeds of which were used to make the loan to the Issuer.

ARTICLE VII

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2008 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2008 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2008 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2008 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2008 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2008 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2008 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2008 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services of the facilities of the System shall be as set forth in the water rate ordinance duly enacted on August 6, 2007, and the sewer rate ordinance duly enacted on May 3, 2004, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2008 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series

2008 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority.

So long as the Series 2008 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2008 A Bonds, immediately be remitted to the Commission for deposit in the Series 2008 A Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to immediately apply such proceeds to the payment of principal of and interest on the Series 2008 A Bonds. Any balance remaining after the payment of all the Series 2008 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and the Governing Body may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $10,000 and not in excess of $50,000, shall be deposited in the Renewal and Replacement Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received

during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2008 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2008 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2008 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2008 A Bonds pursuant to this Ordinance, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Clerk a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be

financed by such Parity Bonds, if any, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Bond Legislation then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and account created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority, or any other original purchaser of the Series 2008 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2008 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2008 A Bonds and shall submit said report to the Authority, or any other original purchaser of the Series 2008 A Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

The Issuer shall permit the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. So long as the Prior Bonds are outstanding, the Issuer will maintain rates as required in the Prior Ordinances. Prior to the issuance of the Series 2008 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2008 A Bonds including the Prior Bonds; provided that, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Series 2008 A Bonds Reserve Account and any reserve accounts for obligations on a parity with, or subordinate to, the Series 2008 A Bonds are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2008 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, or to any Holder of any Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of the System or the water system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water system is not owned by the Issuer, the Issuer will, to the extent allowed by law, use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders thereof.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2008 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or

mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 20-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the West Virginia Public Service Commission and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for the issuance of the Series 2008 A Bonds required by State law, with all appeal periods having expired without successful appeal and shall provide an opinion of counsel to such effect.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2008 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2008 A Bonds during the term thereof is, under the terms of the Series 2008 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2008 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2008 A Bonds during the term thereof is, under the terms of the Series 2008 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2008 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2008 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2008 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2008 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2008 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2008 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2008 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2008 A Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer agrees to comply with all applicable laws, rules and regulations issued by the Authority or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account except as otherwise provided herein with respect to the Rebate Fund. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and

investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2008 A Bonds which would cause the Series 2008 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to each series of the Series 2008 A Bonds) so that the interest on the Series 2008 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2008 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2008 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection

with such rebates by the Authority at the expense of the Issuer. To the extent not so performed by the Authority, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2008 A Bonds from gross income for federal income tax purposes.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2008 A Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2008 A Bonds (as such term "gross proceeds" is defined in the Code).

Section 8.04. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148 (f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Notes are private activity bonds; that 95% or more of the Net Proceeds of the Notes are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Notes are issued does not and will not exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect an applicable to the Notes. For purposes of the first paragraph of this Section and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of this Section and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of this Section and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section.

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) No Loan shall be made for the purpose of refinancing any outstanding long-term indebtedness of a Governmental Agency unless an opinion of counsel is received by the Authority to the effect that such refinancing is permitted by the Act and the General Resolution, and that such refinancing will not cause a violation of any covenant, representation or agreement of the Authority contained in the General Resolution or any tax or arbitrage certificate with respect to the exclusion of the interest on the Authority's water development revenue bonds from gross income of the holders thereof for federal income tax purposes;

(e) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority shall have received a certificate of the Consulting Engineers to such effect;

(f) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(h) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority shall have received a certificate of the accountant for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of water development projects and satisfactory to the Authority, to such effect, such certificate to be in form and substance satisfactory to the Authority, and evidence satisfactory to the Authority of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Authority for loans from the Program to finance water development projects and that the obligation of the Authority to make any such loan is subject to the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the right of the Authority to make such loans to other governmental agencies as in the aggregate will permit the fullest and most timely utilization of such proceeds to enable the Authority to pay debt service on the water development revenue bonds issued by it. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until it has available funds sufficient to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available. The Governmental Agency further specifically recognizes that during the last 90 days of a period to originate Loans from its water development revenue bond proceeds, the Authority may execute Loan Agreements, commit moneys and close Local Bond sales in such order and manner as it deems in the best interest of the Program. Additionally, the Governmental Agency recognizes that the Authority will purchase the Local Bonds only with funds from the Program and not with funds from any other loan programs of the Authority.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Authority:

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(iii) That the Governmental Agency shall complete the Project
and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally

contained in such covenants; provided that, any sale or disposition of the properties of the System in excess of $100,000 shall require the written consent of the Authority;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority; provided that, the Authority shall have received a bond counsel parity opinion and an accountant certificate stating that the coverage and parity requirements have been met and the parity bonds must have a reserve account requirement of at least 1 year's debt service, to be funded at closing or over 10 years;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Town of New Cumberland
Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A
(West Virginia Water Development Authority)

The Town of New Cumberland
New Cumberland, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The Town of New Cumberland (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its $764,000 Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), dated the date hereof (the "Bonds").

We have examined the law and a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated December 15, 2009, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Issuer and the West Virginia Water Development Authority (the "Authority"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Series 2009 A Bonds shall be dated the date of delivery thereof, shall finally mature October 1, 2029, and shall bear interest at the rate of five percent (5%) per annum. The principal on Series 2009 A Bonds shall be payable annually on October 1 of each year, commencing October 1, 2010, to and including October 1, 2029, and the interest on each installment shall be payable semi-annually on April 1 and October 1 in each year, beginning April 1, 2010, and in the amounts as set forth in the "Schedule Y" attached to the WDA Loan Agreement and incorporated in and made a part of the Series 2009 A Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 22C, Article 1 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the waterworks portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); (ii) capitalizing interest on the Series 2009 A Bonds; and (iii) paying certain costs of issuance and related costs and related costs.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on October 5, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 7, 2009 (collectively, the "Bond Legislation"), pursuant to and under which Act

and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

In connection with the issuance of the Bonds, the Issuer has executed a Certificate as to Arbitrage, dated as of the date hereof (the "Certificate as to Arbitrage"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Bonds from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Issuer without the written consent of the Authority.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority), dated October 27,1994, issued in the original aggregate principal amount of $647,121; (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program), dated October 27, 1994, issued in the original aggregate principal amount of $498,666; and (iii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), dated June 18, 2004, issued in the original aggregate principal amount of $238,600 (collectively, the "Prior Bonds"), all in accordance with the terms of the Bonds and the Bond Legislation. The Issuer has obtained the written consent of the holders of the Prior Bonds to the issuance of the Bonds on a parity with the Prior Bonds.

5. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON PLLC

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

We are counsel to The Town of New Cumberland in Hancock County, West Virginia (the "Issuer"), in connection with the above-captioned bond issue. As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a loan agreement dated December 15, 2009, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), a Bond Ordinance duly enacted by the Issuer on October 5, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 7, 2009 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Clerk and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, exemptions, consents, registrations, certificates and authorizations required by law for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Bureau for Public Health, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of ordinances prescribing such rates and charges. The time for appeal of such rate ordinances has expired prior to the date hereof without any appeal.

6. The Issuer has received a Recommended Decision of the Public Service Commission of West Virginia dated November 20, 2008 which became Final Order on December 10, 2008 in Case No. 08-1250-W-CN, granting the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of the Final Order has expired prior to the date hereof. Such Order remains in full force and effect.

7. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

8. We have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that comply with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. We have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (i) are in compliance with the contracts; (ii) are adequate in form, substance and amount to protect the various interests of the Issuer; (iii) have been executed by duly authorized representatives of the proper parties; (iv) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (v) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

FRANKOVITCH, ANETAKIS,

Re: New Cumberland Potable Water System Improvements

Dear Sir or Madam:

This firm represents the City of New Cumberland Water/Sewer Board with regard to a proposed project to upgrade its potable water system located in New Cumberland, Hancock County, West Virginia (the "Project") and provides this preliminary title opinion on behalf of the City of New Cumberland Water/Sewer Board to satisfy the requirements of the West Virginia Water Development Authority (the "Authority") with regard to the financing proposed for the project. Please be advised of the following:

1. We are of the opinion that the City of New Cumberland is duly created and validly existing as a municipality and political subdivision of the State of West Virginia possessed with all the powers and authority granted to municipalities under the laws of the State of West Virginia and through its Water/Sewer Board has the full power and authority to construct, operate, and maintain the Project.

2. The City of New Cumberland Water & Sewer Board has obtained approval for all necessary permits and approvals for the construction of the Project, with the exception of the Certificate of Convenience and Necessity from the Public Service Commission, which application is currently pending.

3. Inasmuch as the Project is an upgrade to the existing potable water system, no easements and/or rights of way are necessary for the Project.

4. We have investigated and ascertained the location of and are familiar with the legal description of the necessary sites, required for the Project as set forth in the plans for the Project prepared by M.S. Consultants, Inc., the consulting engineer for the Project. We have examined the records on file in the Office of the Clerk of the County Commission of Hancock County, West Virginia, the county in which the Project is to be located and, in our opinion, the City of

New Cumberland has acquired legal title or such other estate or interest in the necessary site components for the Project sufficient to assure undisturbed use and possession for the purpose of construction, operation, and maintenance for the estimated life of the facilities to be constructed.

5. No approval was necessary from the West Virginia Department of Highways authorizing the construction of the Project inasmuch as the Project is an upgrade to the potable water system and there will be no construction upon, over, or through public rights of way as shown in the plans.

If you have any questions regarding any of the information contained in this preliminary title opinion, please contact this office.

Very truly yours,

FRANKOVITCH, ANETAKIS,
COLANTONIO & SIMON

Charleston, West Virginia

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the sewer rate ordinance of The Town of New Cumberland (the "Issuer") enacted July 20, 2009, and the water rate ordinance of the Issuer enacted July 20, 2009, and the projected operating expenses and the anticipated customer usage as furnished to us by ms consultants, Inc., it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system of the Issuer, will pay all operating expenses and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia Water Development Authority) (the "Bonds"), to be issued to the West Virginia Water Development Authority in the principal amount of $764,000 on the date hereof and all other obligations secured by or payable from the revenues of the System, including the Issuer's: (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority) dated October 27, 1994, issued in the original aggregate principal amount of $647,121 (the "Series 1994 A Bonds"); (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program) dated October 27, 1994, issued in the original aggregate principal amount of $498,666 (the "Series 1994 B Bonds"); and (3) Combined Waterworks and Sewerage System Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund) dated June 18, 2004, issued in the original aggregate principal amount of $238,600 (the "Series 2004 A Bonds") (collectively, the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

THE TOWN OF NEW CUMBERLAND

Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A
(West Virginia Water Development Authority)

CERTIFICATE AS TO ARBITRAGE FOR SERIES 2009 A BONDS

The undersigned Mayor of The Town of New Cumberland in Hancock County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of $764,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia Water Development Authority), of the Issuer, dated December 15, 2009 (the "Bonds" or the "Series 2009 A Bonds"), hereby certifies this 15th day of December, 2009 as follows:

1. This certificate is being executed and delivered pursuant to Section 148 of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (the "Code"). I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and am duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meaning as set forth in the Bond Ordinance duly enacted by the Issuer on October 5, 2009, as supplemented by Supplemental Resolution duly adopted by the Issuer on December 7, 2009 (collectively, the "Bond Legislation"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its bonds or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on December 15, 2009, the date on which the Bonds are to be physically delivered in exchange for more than a de minimus amount of the principal of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. In the Bond Ordinance pursuant to which the Bonds are issued, the Issuer has covenanted that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Bonds) so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. The Issuer has, therefore, covenanted to not intentionally use any portion of the proceeds of the Bonds to acquire higher yielding

investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Sections 103 and 148 of the Code.

6. The Series 2009 A Bonds were sold on December 15, 2009, to the West Virginia Water Development Authority (the "Authority") pursuant to a loan agreement dated December 15, 2009, by and between the Issuer and the Authority, for an aggregate purchase price of $764,000 (100% of par value) there being no accrued interest paid thereon.

7. The Series 2009 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the waterworks portion of the existing public combined waterworks and sewerage system facilities of the Issuer (the "Project"); (ii) capitalizing interest on the Series 2009 A Bonds; and (iii) paying costs of issuance of the Bonds and related costs.

8. The Issuer shall, on the date hereof or immediately hereafter, enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds for the acquisition and construction of the Project, constituting a substantial binding commitment, or has already done so. Acquisition, construction and equipping of the Project and allocation of the net sale proceeds of the Bonds to expenditures of the Project will commence immediately and will proceed with due diligence to completion, and, with the exception of proceeds constituting capitalized interest and proceeds deposited in the reserve account for the Bonds, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before November 1, 2010, except as otherwise required for rebate to the United States under Section 148(f) of the Code. Acquisition and construction of the Project is expected to be completed by May 1, 2010.

9. The total cost of the Project (including all costs of issuance of the Bonds) is estimated at $1,014,000. Sources and uses of funds for the Project are as follows:

SOURCES

Gross Proceeds of the Series 2009 A Bonds	$ 764,000
West Virginia Development Office Grant	$ 250,000
Total Sources	$ 1,014,000

USES

Acquisition and Construction of Project	$ 955,500
Transferred to Sinking Fund for Capitalized Interest	$ 38,000
Costs of Issuance	$ 20,500
Total Uses	$ 1,014,000

Except for the proceeds of the Bonds, no other funds of the Issuer will be available to meet costs of the Project, which would constitute "replacement proceeds" within the meaning of Treas. Reg. §

1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Bonds does not exceed 120% of the average expected economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article V of the Bond Ordinance, the following special funds or accounts have been created or continued:

(1) Revenue Fund (established by the Prior Ordinances);

(2) Renewal and Replacement Fund (established by the Prior Ordinances);

(3) Series 2009 A Bonds Construction Trust Fund;

(4) Series 2009 A Bonds Sinking Fund;

(5) Series 2009 A Bonds Reserve Account; and

(6) Rebate Fund.

11. Pursuant to Article VI of the Bond Ordinance, the proceeds of the Bonds will be deposited as follows:

As the Issuer receives advances of the monies derived from the sale of the Series 2009 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2009 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project as set forth in the Bond Ordinance.

Amounts in the Series 2009 A Bonds Construction Trust Fund, if invested, will be invested without yield limitation for a period necessary to complete the Project, not to exceed 3 years. All of such monies are necessary for such purpose.

None of the proceeds of the Bonds will be used to reimburse the Issuer for costs of the Project previously incurred and paid by the Issuer with its own funds.

12. Monies held in the Series 2009 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2009 A Bonds, and will not be available to meet costs of acquisition and construction of the Project. Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on monies in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account will be withdrawn therefrom, not less than once each year, and, during construction of the Project, deposited into the Series 2009 A Bonds Construction Trust Fund, and following completion of construction of the Project, will be deposited in the Revenue Fund, and such amounts will be applied as set forth in the Bond Ordinance.

13. Except for the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay debt service on the Series 2009 A Bonds, or which are pledged as collateral for the Series 2009 A Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Series 2009 A Bonds, if the Issuer encounters financial difficulties. The Issuer does not expect that monies in the Renewal and Replacement Fund will be used or needed for payments upon the Series 2009 A Bonds, and because such amounts may be expended for other purposes, there is no reasonable assurance that such amounts would be available to meet debt service if the Issuer encounters financial difficulties; thus, such amounts may be invested without yield limitation. Except as provided herein, no funds which have been or will be used to acquire directly or indirectly securities, obligations, annuity contracts, investment-type property or any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved desegregation plan or other investment property producing a yield in excess of the yield on the Series 2009 A Bonds, have been or will be pledged to payment of the Series 2009 A Bonds. Less than 10% of the proceeds of the Series 2009 A Bonds, if any, will be deposited in the Series 2009 A Bonds Reserve Account and or any other reserve or replacement fund. The amounts deposited in the Series 2009 A Bonds Reserve Account from time to time by the Issuer will not exceed the maximum annual principal and interest on the Series 2009 A Bonds, and will not exceed 125% of average annual principal and interest on the Series 2009 A Bonds. Amounts in the Series 2009 A Bonds Reserve Account, not to exceed 10% of the proceeds of the Series 2009 A Bonds, if invested, will be invested without yield limitation. The establishment of the Series 2009 A Bonds Reserve Account is required by the Authority, is vital to its purchase of the Series 2009 A Bonds, and is reasonably required to assure payments of debt service on the Series 2009 A Bonds.

14. The Issuer shall, on the date hereof or immediately hereafter, enter into a contract for the construction of the Project, and the amount to be expended pursuant to such contract exceeds 5% of the net sale proceeds of the Bonds.

15. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 5 months.

16. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Bonds to the Authority.

17. With the exception of the amount deposited in the Series 2009 A Bonds Sinking Fund for payment of interest on the Bonds, if any, and amounts deposited in the Series 2009 A Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 11 months from the date of issuance thereof.

18. The Series 2009 A Bonds Sinking Fund (other than the Series 2009 A Bonds Reserve Account therein) is intended primarily to achieve a proper matching of payments of debt service on the Series 2009 A Bonds each year. The Series 2009 A Bonds Sinking Fund (other than the Series 2009 A Bonds Reserve Account therein) will be depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1/12th of annual debt service on the Series 2009 A Bonds, or 1 year's interest earnings on the Series 2009 A Bonds Sinking Fund (other than the Series 2009 A Bonds Reserve Account therein). Except as otherwise allowed, any money deposited in the Series 2009 A Bonds Sinking Fund for payment of the principal of or interest on the Series 2009 A Bonds (other than

the Series 2009 A Bonds Reserve Account therein), will be spent within a 13-month period beginning on the date of receipt and will be invested without yield limitation, and any monies received from the investment of amounts held in the Series 2009 A Bonds Sinking Fund (other than in the Series 2009 A Bonds Reserve Account therein) will be spent within a 1-year period beginning on the date of receipt.

19. All proceeds of the Bonds which will be used for the payment of costs of the Project will be expended for such purposes within three years of the date hereof.

20. The amount designated as cost of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

21. All property financed with the proceeds of the Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

22. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service Center, Ogden, Utah 84201.

23. No more than 10% of the proceeds of the Bonds will be used (directly or indirectly) in any trade or business carried on by, and less than 5% of the proceeds of Bonds or $5,000,000 have been or will be used to make or finance loans to, any person who is not a governmental unit.

24. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue, except to the extent any such proceeds are required for rebate to the United States.

25. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

26. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and the Treasury Regulations promulgated or to be promulgated thereunder in order to assure that the interest on the Bonds is excluded from gross income for federal income tax purposes.

27. The Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

28. In accordance with Section 148 (f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Notes are private activity bonds; that 95% or more of the Net Proceeds of the Notes are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Notes are issued does not and will not exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect an applicable to the Notes. For purposes of the first paragraph of this Section and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental

unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of this Section and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of this Section and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as one issuer.

28. The Issuer will rebate to the United States the amount, if any, required by the Code and take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount and any and all penalties and other amounts from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

29. The Issuer has retained the right to amend the Bond Ordinance authorizing the issuance of the Bonds if such amendment is necessary to assure compliance with Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Bonds from the gross income for federal income tax purposes of interest on the Bonds.

30. The Issuer shall comply with the yield restriction on Bond proceeds as set forth in the Code.

31. The Issuer has either (a) funded the Series 2009 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Series 2009 A Bonds in the then current or any succeeding year with the proceeds of the Series 2009 A Bonds, or (b) created the Series 2009 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10 year period until such Series 2009 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Series 2009 A Bonds in the then current or any succeeding year. Monies in the Series 2009 A Bonds Reserve Account and the Series 2009 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2009 A Bonds and will not be available to pay costs of the Project.

32. The Issuer shall submit to the Authority within 15 days following the end of each bond year a certified copy of its rebate calculation and a certificate with respect thereto or, if the Issuer qualifies for the small governmental issuer exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the bond year which would make the Bonds subject to rebate.

33. The Issuer expects that no part of the Project financed by the Bonds will be sold or otherwise disposed of prior to the last maturity date of the Bonds.

34. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Bonds and the interest thereon. In addition, the Issuer has covenanted to comply with all Regulations from time to time in effect and applicable to the Bonds as may

be necessary in order to fully comply with Section 148(f) of the Code, and has covenanted to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Ordinance authorizing issuance of the Bonds.

The Issuer has further covenanted to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. The Issuer has further covenanted to pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

35. The Bonds are each a fixed yield issue. No interest or other amount payable on the Bonds (other than in the event of an unanticipated contingency) is determined by reference to (or by reference to an index that reflects) market interest rates or stock or commodity prices after the date of issue.

36. The acquisition and construction of the Project and the financing thereof in part with proceeds of the Bonds are in the public interest, serve a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer. Capitalizing interest with bond proceeds is reasonable and necessary.

37. None of the Bonds has a yield-to-maturity more than one-fourth of one percent higher than the yield on the Bond determined by assuming the Bond is retired on the date that when used in computing the yield on the Bond produces the lowest yield.

38. No portion of the proceeds of the Bonds will be used, directly or indirectly, to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

39. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

40. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such issue was issued or as otherwise allowed, no portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire higher yielding investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

41. The transaction contemplated herein does not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Bonds is not occurring sooner than otherwise necessary, nor are the Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

42. On the basis of the foregoing, it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

43. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

44. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Bonds.

45. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of New Cumberland (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Hancock County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of a secondary sewage treatment facility, together with all appurtenant facilities, including a conventional gravity vacuum and low pressure force main sewer system with a gravity collection station and raw sewage pumping station already constructed (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") at an estimated cost of not more than $4,600,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Bonds (as hereinafter defined) and to make payments into all Sinking Funds, Reserve Accounts and other payments provided for herein and in the Series 1994 B Bonds Ordinance (as hereinafter defined).

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority), in the total aggregate principal amount of not more than $700,000 (the "Series 1994 A Bonds"), initially to be represented by a single bond, to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1994 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 1994 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the West Virginia Water Development Authority (the "Authority"), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1994 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1994 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 1994 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement to be entered into by and between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority, as shall be approved by supplemental resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 1994 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program) (the "Series 1994 B Bonds"), issued concurrently with the Series 1994 A Bonds, pursuant to an ordinance enacted by the Issuer simultaneously herewith on October 3, 1994 (the "Series 1994 B Bonds Ordinance"). The Issuer has met the parity test requirements of the Series 1994 B Bonds and the Series 1994 B Bonds Ordinance. Other than the Series 1994 B Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1994 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 1994 A Bonds or such final order will not be subject to appeal.

I. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Series 1994 A Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(D) of the Code and all other entities benefiting thereby reasonably expect to issue less than $5,000,000 aggregate principal amount of tax-exempt obligations (other than private activity bonds) during the calendar year in which the Series 1994 A Bonds and the Series 1994 B Bonds are to be issued.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of Series 1994 A Bonds by the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be

performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

The proceeds of the Series 1994 A Bonds hereby authorized shall be applied as provided in Article VI hereof. The Issuer has received bids and will enter into contracts for the acquisition and construction of the Project, compatible with the financing plan submitted to the Authority.

The Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Bonds shall be paid by check or draft of the Paying Agent or its agent, mailed to the registered owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 1994 A Bonds shall initially be issued in the form of a single bond, fully registered to the Authority, with a debt service schedule attached, representing the aggregate principal amount of the Series 1994 A Bonds, and shall mature in principal installments, all as provided in the Supplemental Resolution. The Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Section 3.03. Execution of Bonds. The Series 1994 A Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 1994 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 1994 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in

writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 1994 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1994 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided and amounts, if any, in the Series 1994 A Bonds Sinking Fund and the Series 1994 A Bonds Reserve Account. No holder or holders of any of the Series 1994 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 A Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues. The payment of the debt service of all Series 1994 A Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the System, on parity with the lien on the Gross Revenues in favor of the Holders of the Series 1994 B Bonds.

Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 1994 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 1994 A Bonds to the original purchasers upon receipt of the documents set forth below:

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Series 1994 A Bonds Reserve Account and the Series 1994 B Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Any withdrawals from the Series 1994 A Bonds Reserve Account which result in a reduction in the balance of the Series 1994 A Bonds Reserve Account to below the Series 1994 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full to the Series 1994 A Bonds Sinking Fund and the Series 1994 B Bonds Sinking Fund.

As and when additional Bonds ranking on a parity with the Series 1994 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish

retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional Bonds.

The Issuer shall not be required to make any further payments into the Series 1994 A Bonds Sinking Fund, or the Series 1994 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1994 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal and interest payments, and any payments made for the purpose of funding a deficiency in any Reserve Account, shall be made on a parity and pro rata, with respect to the Series 1994 A Bonds and the Series 1994 B Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1994 A Bonds Sinking Fund and the Series 1994 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges, fees and expenses then due.

E. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and Section 5.03 of the Series 1994 B Bonds Ordinance, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

E. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Series 1994 A Bonds Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Series 1994 A Bonds Construction Trust Fund set forth in the Bond Legislation. Moneys in the Series 1994 A Bonds Construction Trust Fund shall be used solely to pay Costs of the Project and until so transferred or expended, are hereby pledged as additional security for the Series 1994 A Bonds.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly. Except as provided in Section 6.01 hereof, disbursements from the Series 1994 A Bonds Construction Trust Fund (except for the costs of issuance of the Series 1994 A Bonds which shall be made upon request of the Issuer), shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Series 1994 A Bonds Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Series 1994 A Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 1994 A Bonds Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Series 1994 A Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, and all Costs have been paid, the Depository Bank shall transfer any moneys remaining in the Series 1994 A Bonds Construction Trust Fund to the Series 1994 A Bonds Reserve Account, and when fully funded, shall return such remaining moneys to the Issuer for deposit in the Revenue Fund; provided that, in no event shall more than 10% of the proceeds of the Series 1994 A Bonds be deposited in the Series 1994 A Bonds Reserve Account and any balance in excess of said amounts shall be returned to the Issuer for deposit in the Revenue Fund. The Issuer shall thereafter, apply such moneys in full, first to the next ensuing interest payments due on the Series 1994 A Bonds and thereafter to the next ensuing principal payments due thereon.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1994 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1994 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1994 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1994 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 1994 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues. The payment of the debt service of the Series 1994 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on said Gross Revenues in favor of the Holders of the Series 1994 B Bonds. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The initial schedule of water and sewer rates and charges for the services and facilities of the System shall be as set forth respectively in the water rate ordinance of the Issuer enacted April 4, 1994, and the Final Order of the Public Service Commission of West Virginia, entered August 31, 1994, in Case No. 94-0319-S-MA, which rates are incorporated herein by reference as a part hereof.

Section 7.05. Sale of the System. Except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Article X hereof. The proceeds

from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1994 A Bonds, immediately be remitted to the Commission for deposit in the Series 1994 A Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Series 1994 A Bonds. Any balance remaining after the payment of all the Series 1994 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $10,000 and not in excess of $50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Series 1994 A Bonds Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Series 1994 A Bonds Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1994 A Bonds. All obligations issued by the Issuer after the issuance of the Series 1994 A Bonds and payable from the revenues of the System, except additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 1994 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1994 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the Series 1994 A Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate

amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Within 30 days of the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of such extensions, additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1994 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1994 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Notwithstanding the foregoing, or any provision of Section 7.06 hereof to the contrary, additional Parity Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority to the issuance of the Parity Bonds.

Section 7.08. Books; Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, or its agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority, or its agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Authority, or any other original purchaser of the Series 1994 A Bonds, and shall mail in each year to any Holder or Holders of the Series 1994 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1994 A Bonds and shall submit said report to the Authority, or any other original purchaser of the Series 1994 A Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

The Issuer shall permit the Authority, or its agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority, or its agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law,

and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 1994 A Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 A Bonds, including the Series 1994 B Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1994 A Bonds Reserve Account and any reserve accounts for obligations prior to or on a parity with the Series 1994 A Bonds, including the Series 1994 B Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 1994 A Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 A Bonds, including the Series 1994 B Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased

expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

In addition, the Issuer shall annually cause the records of the System to be audited by an Independent Certified Public Accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit C, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer agrees that qualified operating personnel properly certified by the State will be employed to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent

available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer and the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and all applicable

laws, rules and regulations issued by the Authority, or other State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1994 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1994 A Bonds during the term thereof is, under the terms of the Series 1994 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1994 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1994 A Bonds during the term thereof is, under the terms of the Series 1994 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1994 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1994 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1994 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1994 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1994 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1994 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account, except as otherwise provided with respect to the Rebate Fund. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1994 A Bonds which would cause the Series 1994 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 1994 A Bonds) so that the interest on the

Series 1994 A Bonds will be and remain excludable from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148 (f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Series 1994 A Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Series 1994 A Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Series 1994 A Bonds are issued does not and will not exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect an applicable to the Series 1994 A Bonds. For purposes of the first paragraph of Section 8.03 and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 A Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 A Bonds. In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be

requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1994 A Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's or the Issuer's observance of any of the covenants, agreements or conditions on their respective parts relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer or Issuer, as appropriate shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Series 1994 B Bonds or the Series 1994 B Bonds Ordinance.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 1994 A Bonds shall be on a parity with the Holders of the Series 1994 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any

Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

DEFEASANCE

Section 10.01. Defeasance of Bonds. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1994 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1994 A Bonds from gross income for federal income tax purposes.

All Series 1994 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Series 1994 A Bonds on and prior to the next redemption date or the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of and interest on said Series 1994 A Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the next redemption date or the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Commission or its agent, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE XI

Following issuance of the Series 1994 A Bonds, no material modification or amendment of this Ordinance, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Bonds shall be made without the consent in writing of the Registered Owners of 66-2/3% or more in principal amount of the Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. Section 2. All other provisions relating to the Bonds and the text of the Bonds shall be in substantially the form provided in the Bond Ordinance.

Section 3. The Issuer does hereby authorize, approve and accept the Loan Agreement, a copy of which is incorporated herein by reference, and the execution and delivery of the Loan Agreement by the Mayor, and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, directed, ratified and approved. The Issuer hereby affirms all covenants and representations made in the Loan Agreement and in the application to the Authority. The price of the Bonds shall be 100% of par value, there being no interest accrued thereon.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF NEW CUMBERLAND:

ARTICLE I

STATUTORY AUTHORITY; FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of New Cumberland (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Hancock County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of a secondary sewage treatment facility, together with all appurtenant facilities, including a conventional gravity vacuum and low pressure force main sewer system with a gravity collection station and raw sewage pumping station already constructed (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") at an estimated cost of not more than $4,600,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program), in the total aggregate principal amount of not more than $600,000 (the "Series 1994 B Bonds"), initially to be represented by a single bond, to permanently finance costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1994 B Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 1994 B Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1994 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1994 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 20 years.

F. It is in the best interests of the Issuer that its Series 1994 B Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 1994 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority) (the "Series 1994 A Bonds"), issued concurrently with the Series 1994 B Bonds, pursuant to an ordinance enacted by the Issuer simultaneously herewith on October 3, 1994 (the "Series 1994 A Bonds Ordinance"). The Issuer has met the parity test requirements of the Series 1994 A Bonds and the Series 1994 A Bonds Ordinance. Other than the Series 1994 A Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Bonds (as hereinafter defined) and to make payments into all Sinking Funds, Reserve Accounts and other payments provided for herein and in the Series 1994 A Bonds Ordinance, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1994 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1994 B Bonds or such final order will not be subject to appeal.

J. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Series 1994 B Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of

Section 1.03. Bond Legislation Constitutes Contract. The Series 1994 B Bonds shall bear interest, if any, at such rate or rates, not exceeding the then legal maximum, payable quarterly on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in a Supplemental Resolution or as specifically provided in the Loan Agreement. The Series 1994 B Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Series 1994 B Bonds, if any, shall be paid by check or draft of the Paying Agent or its agent, mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 1994 B Bonds shall initially be issued in the form of a single bond, fully registered to the Authority, with a record of advances and a debt service schedule attached, representing the aggregate principal amount of the Series 1994 B Bonds, and shall mature in principal installments, all as provided in the Supplemental Resolution. The Series 1994 B Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. The Bonds shall be dated as of the date specified in a Supplemental Resolution and shall bear interest, if any, from the date so specified therein.

Section 3.03. Execution of Bonds. The Series 1994 B Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk. In case any one or more of the officers who shall have signed or sealed the Series 1994 B Bonds shall cease to be such officer of the Issuer before the Series 1994 B Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 1994 B Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 1994 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 1994 B Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 1994 B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 1994 B Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 1994 B Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of such Bonds.

The registered Series 1994 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 1994 B Bonds or transferring the registered Series 1994 B Bonds are exercised, all Series 1994 B Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 1994 B Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 1994 B Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 1994 B Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 1994 B Bonds or, in the case of any proposed redemption of Series 1994 B Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 1994 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1994 B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided and amounts, if any, in the Series 1994 B Bonds Sinking Fund and the Series 1994 B Bonds Reserve Account. No holder or holders of the Series 1994 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 B Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues. The payment of the debt service of all Series 1994 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the System, on parity with the lien on the Gross Revenues in favor of the Holders of the Series 1994 A Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 1994 B Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 1994 B Bonds to the original purchasers upon receipt of the documents set forth below:

A. If other than the Authority, a list of the names in which the Series 1994 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Bond Registrar may reasonably require;

B. A request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 1994 B Bonds to the original purchasers;

C. An executed and certified copy of the Bond Legislation;

D. An executed copy of the Loan Agreement; and

E. The unqualified approving opinion of bond counsel on the Series 1994 B Bonds.

Section 3.10. Form of Series 1994 B Bonds. The text of the Series 1994 B Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, dated _____, 19_____.

The existing public combined

This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on _____, 199____, and a Supplemental Resolution duly adopted by the Issuer on _____, 199____ (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and in the Series 1994 A Bonds Ordinance and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation and in the Series 1994 A Bonds Ordinance. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first, (i) on the first day of each month, commencing 4 months prior to the first date of payment of principal of the Series 1994 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1994 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 1994 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1994 B Bonds Sinking Fund and the next quarterly principal payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next quarterly principal payment date, the required amount of principal coming due on such date, and (ii) simultaneously with the transfer set forth in subsection 5.03A(1)(i), on the first day of each month, transfer from the Revenue Fund and remit to the Commission the amounts required by the Series 1994 A Bonds Ordinance to be deposited in the Series 1994 A Bonds Sinking Fund for payment of the principal of and interest on the Series 1994 A Bonds.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the

Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Series 1994 A Bonds Reserve Account and the Series 1994 B Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 1994 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 1994 B Bonds as the same shall become due. Moneys in the Series 1994 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 1994 B Bonds as the same shall come due, when other moneys in the Series 1994 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1994 B Bonds Sinking Fund and the Series 1994 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 1994 B Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due, if any, on the Series 1994 B Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 1994 B Bonds Reserve Account which result in a reduction in the balance of the Series 1994 B Bonds Reserve Account to below the Series 1994 B Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full to the Series 1994 A Bonds Sinking Fund and the Series 1994 B Bonds Sinking Fund.

As and when additional Bonds ranking on a parity with the Series 1994 B Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional Bonds.

The Issuer shall not be required to make any further payments into the Series 1994 B Bonds Sinking Fund, or the Series 1994 B Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1994 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal and interest payments, and any payments made for the purpose of funding a deficiency in any Reserve Account, shall be made on a parity and pro rata, with respect to the Series 1994 A Bonds and Series 1994 B Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1994 B Bonds Sinking Fund and the Series 1994 B Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

Moneys in the Series 1994 B Bonds Sinking Fund and the Series 1994 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1994 B Bonds Sinking Fund, including the Series 1994 B Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1994 B Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 1994 B Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges, fees and expenses then due. The Issuer shall also remit from the Revenue Fund to the Authority, on such dates as

the Authority shall require, the Issuer's allocable share of reasonable administrative expenses, if any, incurred by the Authority with respect to the SRF Program.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and Section 5.03 of the Series 1994 A Bonds Ordinance, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Series 1994 B Bonds Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Series 1994 B Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 1994 B Bonds Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Series 1994 B Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1994 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1994 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1994 B Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1994 B Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 1994 B Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 B Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues. The payment of the debt service of the Series 1994 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System, on parity with the lien on said Gross Revenues in favor of the Holders of the Series 1994 A Bonds. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The initial schedule of water and sewer rates and charges for the services and facilities of the System shall be as set forth respectively in the water rate ordinance of the Issuer enacted April 4, 1994, and the Final Order of the Public Service Commission of West Virginia, entered August 31, 1994, in Case No. 94-0319-S-MA, which rates are incorporated herein by reference as a part hereof.

Section 7.05. Sale of the System. Except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Article X hereof. The proceeds

from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1994 B Bonds, immediately be remitted to the Commission for deposit in the Series 1994 B Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Series 1994 B Bonds. Any balance remaining after the payment of all the Series 1994 B Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $10,000 and not in excess of $50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Series 1994 B Bonds Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Series 1994 B Bonds Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1994 B Bonds. All obligations issued by the Issuer after the issuance of the Series 1994 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 1994 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1994 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the Series 1994 B Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements

to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Within 30 days of the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of such extensions, additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for

and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1994 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1994 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Notwithstanding the foregoing, or any provision of Section 7.06 hereof to the contrary, additional Parity Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority and the DEP submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority and the DEP to the issuance of the Parity Bonds.

Section 7.08. Books; Records and Facilities. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and

correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Consulting Engineers, the Authority and the DEP, or any other original purchaser of the Series 1994 B Bonds, and shall mail in each year to any Holder or Holders of the Series 1994 B Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1994 B Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 1994 B Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1994 B Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 B Bonds, including the Series 1994 A Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1994 B Bonds Reserve Account and any reserve accounts for obligations prior to or on a parity with the Series 1994 B Bonds, including the Series 1994 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1994 B Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 B Bonds, including the Series 1994 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget; Audit and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such

increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

In addition, the Issuer shall annually cause the records of the System to be audited by an Independent Certified Public Accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit B, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Issuer agrees that qualified operating personnel properly certified by the State will be employed before the Project is 25% complete and agrees that it will retain such a certified operator(s) to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 25% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates

be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 1994 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and

every such owner, tenant or occupant shall, after a 30 day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the West Virginia Public Service Commission necessary for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the DEP or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1994 B Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1994 B Bonds during the term thereof is, under the terms of the Series 1994 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1994 B Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1994 B Bonds during the term thereof is, under the terms of the Series 1994 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property

used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1994 B Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1994 B Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1994 B Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1994 B Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1994 B Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1994 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1994 B Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1994 B Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Series 1994 A Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1994 B Bonds which would cause the Series 1994 B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 1994 B Bonds) so that the interest on the Series 1994 B Bonds will be and remain excludable from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148 (f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Series 1994 B Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Series 1994 B Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Series 1994 B Bonds are issued does not and will not exceed $5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect an applicable to the Series 1994 B Bonds. For purposes of the first paragraph of Section 8.03 and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 B Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 B Bonds. In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1994 B Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's or the Issuer's observance of any of the covenants, agreements or conditions on their respective parts relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer or Issuer, as appropriate shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Series 1994 A Bonds or the Series 1994 A Bonds Ordinance.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 1994 B Bonds shall be on a parity with the Holders of the Series 1994 A Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any

Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

DEFEASANCE

Section 10.01. Defeasance of Bonds. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Series 1994 B Bonds, the principal of and interest due or to become due thereon, if any, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1994 B Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1994 B Bonds from gross income for federal income tax purposes.

Series 1994 B Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due either at maturity or at the next redemption date, the principal installments of and interest on such Series 1994 B Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 1994 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Series 1994 B Bonds on and prior to the next redemption date or the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of and interest on said Series 1994 B Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of and interest to become due on said Bonds on and prior to the next redemption date or the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Commission or its agent, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 1994 B Bonds, this Ordinance may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 1994 B Bonds, no material modification or amendment of this Ordinance, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Bonds shall be made without the consent in writing of the Registered Owners of 66 2/3% or more in principal amount of the Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest on the Series 1994 B Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Ordinance should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance, the Series 1994 A Bonds Ordinance, the Supplemental Resolutions thereto, or the Bonds.

The Bonds shall be subject to redemption upon the written consent of the Authority and the DEP, and upon payment of the interest and redemption premium, if any, and otherwise in compliance with the Loan Agreement, so long as the Authority shall be the registered owner of the Bonds.

Section 2. All other provisions relating to the Bonds and the text of the Bonds shall be in substantially the form provided in the Bond Ordinance.

Section 3. The Issuer does hereby ratify, approve and accept the Loan Agreement, a copy of which is incorporated herein by reference, and the execution and delivery of the Loan Agreement by the Mayor, and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, directed, ratified and approved. The Issuer hereby affirms all covenants and representations made in the Loan Agreement and in the application to the DEP and the Authority. Section 4. The Issuer does hereby appoint and designate One Valley Bank, National Association, Charleston, West Virginia, as Registrar (the "Registrar") for the Bonds and does approve and accept the Registrar's Agreement to be dated the date of delivery of the Bonds, by and between the Issuer and the Registrar, in substantially the form attached hereto, and the execution and delivery of the Registrar's Agreement by the Mayor, and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, approved and directed.

Section 15. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder or under any predecessor thereto (the "Code"), by reason of the classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and Treasury Regulations to be promulgated thereunder.

Section 16. The Issuer is a governmental unit with general taxing powers to finance operations of or facilities of the nature of the Project and the System; no part of the Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer; and the Issuer reasonably expects to issue less than $5,000,000 aggregate principal face amount of tax-exempt obligations (other than private activity bonds) during the calendar year 1994, being the calendar year in which the Bonds are to be issued. For purposes of this Section and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this Section and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this Section and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF NEW CUMBERLAND:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of New Cumberland (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Hancock County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of upgrading the existing disinfection system at the wastewater treatment plant, together with all appurtenant facilities (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Infrastructure Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2004 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $280,000 (the "Series 2004 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2004 A Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 2004 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2004 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2004 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2004 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2004 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 A (West Virginia Water Development Authority), dated October 27, 1994, issued in the original aggregate principal amount of $647,121 (the "Series 1994 A Bonds"), and (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 1994 B (West Virginia SRF Program), dated October 27, 1994, issued in the original aggregate principal amount of $498,666 (the "Series 1994 B Bonds") (collectively, the "Prior Bonds").

H. Prior to the issuance of the Series 2004 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2004 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Ordinances.

I. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2004 A Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

J. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2004 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2004 A Bonds or such final order will not be subject to appeal.

K. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more

of the Net Proceeds of the Series 2004 A Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(D) of the Code and all other entities benefitting thereby reasonably expect to issue less than $5,000,000 aggregate principal amount of tax-exempt obligations (other than private activity bonds) during the calendar year in which the Series 2004 A Bonds are to be issued.

L. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2004 A Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Series 2004 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Any Series 2004 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2004 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2004 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2004 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2004 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2004 A Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of such Bonds.

The registered Series 2004 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2004 A Bonds or transferring the registered Series 2004 A Bonds are exercised, all Series 2004 A Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2004 A Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2004 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2004 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2004 A Bonds or, in the case of any proposed redemption of Series 2004 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2004 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2004 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the System as herein provided. No Holder or Holders of the Series 2004 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2004 A Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of debt service of the Series 2004 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2004 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation are hereby irrevocably pledged to such payments as they become due.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Prior Ordinances and this Bond Legislation. All monies at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Series 1994 A Bonds Sinking Fund, the amount required by the 1994 A Ordinance for payment of the interest on the Series 1994 A Bonds.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission (i) for deposit in the

deficiencies in the Reserve Accounts (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2004 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2004 A Bonds, as the same shall become due. Monies in the Series 2004 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2004 A Bonds, as the same shall come due, when other monies in the Series 2004 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

Any withdrawals from the Series 2004 A Bonds Reserve Account which results in a reduction in the balance therein to below the Series 2004 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2004 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest, if any, on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2004 A Bonds Sinking Fund or the Series 2004 A Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2004 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2004 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2004 A Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day), deposit with the Commission the required interest, if any, principal and reserve payments with respect to the Series 2004 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

So long as the Series 2004 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2004 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2004 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2004 A Bonds, immediately be remitted to the Commission for deposit in the Series 2004 A Bonds Sinking Fund, and, with the written permission of the Council and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2004 A Bonds. Any balance remaining after the payment of the Series 2004 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine, upon consultation with the Consulting Engineers, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation

thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2004 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2004 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2004 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2004 A Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2004 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be

issued after the issuance of the Series 2004 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2004 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of extensions, additions, improvements or betterments to the System or refunding the Series 2004 A Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent

Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from the Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2004 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2004 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and

commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Authority and the Council, or any other original purchaser of the Series 2004 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2004 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by an Independent Certified Public Accountant in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of the Series 2004 A Bonds and shall submit said report to the Authority and the Council, or any other original purchaser of the Series 2004 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and

this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2004 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2004 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2004 A Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 A Bonds,

including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall within 30 days of adoption thereof mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection

of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances

shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2004 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR

(4) FIDELITY BONDS will be provided as to every officer and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by

the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau for Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau for Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the West Virginia Public Service Commission and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2004 A Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the Council with copies of all documents submitted to the Authority.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the Authority and the Council or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2004 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest, if any, due on the Series 2004 A Bonds during the term thereof is, under the terms of the Series 2004 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2004 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest, if any, due on the Series 2004 A Bonds during the term thereof is, under the terms of the Series 2004 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2004 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2004 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or $5,000,000 of the Net Proceeds of the Series 2004 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2004 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2004 A Bonds and the interest, if any, thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so

that the interest, if any, on the Series 2004 A Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2004 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Council for written approval. The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2004 A Bonds held in "contingency" as set forth in the schedule attached to the Certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2004 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

Section 7.22. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2004 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2004 A Bonds, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2004 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Series 2004 A Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate and Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2004 A Bonds as a condition to issuance of the Series 2004 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to

time in effect and applicable to the Series 2004 A Bonds as may be necessary in order to maintain the status of the Series 2004 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2004 A Bonds which would cause any bonds, the interest, if any, on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2004 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2004 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2004 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any Series 2004 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions relating to the Series 2004 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2004 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest, if any, then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Holders of the Series 2004 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after

commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond

Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2004 A Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2004 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2004 A Bonds from gross income for federal income tax purposes.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. SWEEP RESOLUTION

The Town of New Cumberland

WHEREAS, The Town of New Cumberland (the "Issuer") is a governmental body and political subdivision of West Virginia;

WHEREAS, the Issuer has issued bonds, as more specifically set forth on Exhibit A, attached hereto and incorporated herein by reference (the "Bonds");

WHEREAS, the Issuer makes or will make monthly debt service payments on and transfers reserve funds for the Bonds by check to the West Virginia Municipal Bond Commission (the "MBC") which in turn pays the owners of the Bonds and deposits funds in the reserve accounts;

WHEREAS, the MBC may accept such monthly payments by electronic funds transfer, thereby eliminating delay in payments and lost checks;

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1) The monthly debt service payments on and reserve funds for the Bonds, as set forth in Exhibit A, shall be made to the MBC by an electronic transfer by the State Treasurer from the accounts set forth in Exhibit A in such form and at such directions as are provided by the MBC.

2) The Mayor and Recorder are hereby authorized to sign and execute all such documents as are necessary to facilitate the electronic transfer of the Bond debt service and reserve fund payments.

3) This resolution shall be effective immediately upon adoption.

Adopted this 7th day of December, 2009.

Mayor
