BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF OAKLAND PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Oakland Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Hancock County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, consisting of the adding green sand filters to the water treatment plant; adding a 200,000 gallon storage tank; and providing approximately 6.5 miles of waterline extension for 148 new customers along Chapman Road, Tope Road, Gibson Road, Bill Hill Road, Lowes Drive, Kit Drive, Daniel Drive and Cameron Hollow (collectively, the "Project") (the existing public waterworks system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Drinking Water Treatment Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds in the total aggregate principal amount of not more than \$4,382,294 in two series (collectively, the "Series 2012 Bonds"), being the Water Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), in the aggregate principal amount of not more than \$3,014,455 (the "Series 2012 A Bonds"), and the Water Revenue Bonds, Series 2012 B (West Virginia DWTRF Program), in the aggregate principal amount of not more than \$1,367,839 (the "Series 2012 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2012 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the Administrative Fee, if any, (as hereafter defined); discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2012 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2012 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 32 years.

F. It is in the best interests of the Issuer that its Series 2012 Bonds be sold to the Authority pursuant to the terms and provisions of a Loan Agreement by and between the Issuer and the Authority, on behalf of the West Virginia Bureau for Public Health (the "BPH"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding bonds or obligations of the Issuer which will rank on a parity with the Series 2012 Bonds as to liens, pledge and source of and security for payment, being the Issuer's Water Revenue Bonds, Series 1995 (West Virginia Water Development Authority), dated June 28, 1995, issued in the original aggregate principal amount of \$579,740 (the "Series 1995 Bonds" or the "Prior Bonds").

Prior to the issuance of the Series 2012 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consents of the Holders of the Prior Bonds to the issuance of the Series 2012 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest, if any, on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein and in the Prior Resolution, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2012 A Bonds and the Series 2012 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2012 A Bonds and the Series 2012 B Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

In case any one or more of the officers who shall have signed or sealed the Series 2012 A Bonds and the Series 2012 B Bonds shall cease to be such officer of the Issuer before the Series 2012 A Bonds and the Series 2012 B Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any such Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2012 A Bond nor Series 2012 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. So long as the Series 2012 A Bonds and the Series 2012 B Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain

books for the registration and transfer of the Series 2012 A Bonds and the Series 2012 B Bonds.

The registered Series 2012 A Bonds and the Series 2012 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2012 A Bond or Series 2012 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate, register and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2012 A Bonds and the Series 2012 B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. Monies in the Series 2012 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2012 A Bonds. Monies in the Series 2012 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2012 A Bonds when other monies in the Series 2012 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2012 A Bonds Sinking Fund, and the Series 2012 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2012 Bonds Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2012 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2012 A Bonds Reserve Account which result in a reduction in the balance of the Series 2012 A Bonds Reserve Account to below the Series 2012 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Prior Bonds, Series 2012 A Bonds and the Series 2012 B Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2012 A Bonds Sinking Fund or the Series 2012 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2012 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds, the Series 2012 A Bonds and the Series 2012 B Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2012 A Bonds Sinking Fund and the Series 2012 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2012 A Bonds Sinking Fund and the Series 2012 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2012 A Bonds Sinking Fund and the Series 2012 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2012 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2012 A Bonds and the Series 2012 B Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each

month) deposit with the Commission the Administrative Fee, if any, as set forth in the Schedule Y attached to the Loan Agreement for the Series 2012 Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form, together with a copy of its payment check, to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Resolution, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Series 2012 Bonds Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2012 A Bonds and the Series 2012 B Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2012 A Bonds, there shall next be deposited with the Commission in the Series 2012 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2012 A Bonds Reserve Account.

B. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2012 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2012 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2012 A Bonds.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2012 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2012 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2012 B Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2012 Bonds shall be applied as directed by the BPH.

Section 6.02. Disbursements From the Bond Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority and the BPH a report listing the specific purposes for which the proceeds of the Series 2012 Bonds will be expended and the disbursement procedures for such proceeds. Payments for the costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2012 Bonds Construction Trust Fund shall be made only after submission to and approval from the BPH, of

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement for the Series 2012 Bonds, and

(2) a certificate, signed by an Authorized Officer, as appropriate stating that:

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the Series 2012 Bonds Construction Trust Funds shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2012 A Bonds and the Series 2012 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2012 A Bonds and the Series 2012 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2012 A Bonds and the Series 2012 B Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2012 A Bonds and the Series 2012 B Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2012 A Bonds or the Series 2012 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2012 A Bonds or the Series 2012 B Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2012 A Bonds and the Series 2012 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2012 A Bonds, the Series 2012 B Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision dated January 27, 2012, which became a Final Order on February 16, 2012, in Case No. 11-1506-PWD-CN of the Public Service Commission of West Virginia

So long as the Series 2012 A Bonds and the Series 2012 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2012 A Bonds and the Series 2012 B Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2012 A Bonds and the Series 2012 B Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the BPH, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2012 A Bonds and the Series 2012 B Bonds, immediately be remitted to the Commission for deposit in the Series 2012 A Bonds Sinking Fund, and, with the written

permission of the Authority and the BPH, or, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2012 A Bonds. Any balance remaining after the payment of the Series 2012 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000, but not in excess of \$50,000, the Issuer shall first, in writing, determine upon consultation with a professional engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2012 A Bonds and the Series 2012 B Bonds. All obligations issued by the Issuer after the issuance of the Series 2012 A Bonds and the Series 2012 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior

and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2012 A Bonds and the Series 2012 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2012 A Bonds and the Series 2012 B Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2012 A Bonds and the Series 2012 B Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2012 A Bonds and the Series 2012 B Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the BPH under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2012 A Bonds and the Series 2012 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 1995 Bonds or Series 2012 Bonds are outstanding no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2012 A Bonds and the Series 2012 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2012A Bonds and the Series 2012 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the

Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the BPH such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction and commencement of operation of the Project, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the BPH, the Authority, or any other original purchaser of the Series 2012 A Bonds and the Series 2012 B Bonds, and shall mail in each year to any Holder or Holders of the Series 2012 A Bonds and the Series 2012 B Bonds and the Consulting Engineer, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2012 A Bonds and the Series 2012 B Bonds, and shall submit said report to the Authority, or any other original purchaser of the Series 2012 A Bonds and the Series 2012 B Bonds. Such audit report submitted to the Authority shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the BPH, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Purchaser, the Authority and the BPH with respect to the System pursuant to the Act.

The Issuer shall provide the BPH with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit D of the Loan Agreement for the Series 2012 B Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2012 A Bonds and the Series 2012 B Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder.

Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2012 A Bonds and the Series 2012 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2012 A Bonds and the Series 2012 B Bonds, including the Prior Bonds; provided that, in the event amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2012 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2012 A Bonds and the Series 2012 B Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2012 A Bonds and the Series 2012 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2012 A Bonds and the Series 2012 B Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the BPH within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the BPH and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the BPH and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached

to the Loan Agreement, and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the BPH is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the BPH, covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications, and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the BPH, and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the DWTRF Regulations, to the Issuer within 60 days of the completion of the Project. The Issuer shall notify the BPH in writing of such receipt.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the DWTRF Regulations, to the Issuer when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the BPH in writing of the certified operator employed at the 50% completion stage.

The Issuer will serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer will not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority. Following completion of the Project the Issuer will certify to the Authority the number of customers added to the System.

Section 7.12 No Competing Franchise. INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Entity to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Entity according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Entity.

The Local Entity must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

The Local Bonds have been duly authorized, issued, executed and delivered by the Local Entity to the Authority and are valid, legally enforceable and binding special obligations of the Local Entity, payable from the gross or net revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the gross or net revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

West Virginia Bureau for Public Health
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Oakland Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$3,014,455 Water Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated May 24, 2012, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2014 to and including March 1, 2044, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds. The Series 2012 A Bonds are subject to the Administrative Fee equal to 1.0% of the principal amount of the Series 2012 A Bonds as set forth in the Schedule Y attached to the Loan Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purpose of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on May 16, 2012, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 16, 2012 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation, and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary orders and resolutions have been duly adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with the Issuer's Water Revenue Bonds, Series 1995 (West Virginia Water Development Authority), dated June 28, 1995, issued in the original aggregate principal amount of \$579,740 (the "Series 1995 Bonds") and Water Revenue Bonds, Series 2012 B (West Virginia DWTRF Program), dated May 24, 2012, issued in the original aggregate principal amount of \$1,367,839 issued simultaneously herewith all in accordance with the terms of the Bonds and the Bond Legislation.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross

income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter adopted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Oakland Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,367,839 Water Revenue Bonds, Series 2012 B (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated May 24, 2012, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with the principal amounts advanced deemed forgiven on the 30th day of June in the fiscal year in which advanced. The Bonds shall be deemed no longer outstanding after the last advance is forgiven. The Series 2012 B Bonds are not subject to the Administrative Fee.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purpose of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on May 16, 2012, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 16, 2012 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation, and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary orders and resolutions have been duly adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.I of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with the Issuer's Water Revenue Bonds, Series 1995 (West Virginia Water Development Authority), dated June 28, 1995, issued in the original aggregate principal amount of \$579,740 (the "Series 1995 Bonds") and Water Revenue Bonds, Series 2012 A (West Virginia DWTRF Program), dated May 24, 2012, issued in the original aggregate principal amount of \$3,014,455 issued simultaneously herewith all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax

purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter adopted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

I am counsel to Oakland Public Service District, a public service district, in Hancock County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, a loan agreement for the Series 2012 Bonds dated May 24, 2012, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), the Bond Resolution duly adopted by the Issuer on May 16, 2012, as supplemented by the Supplemental Resolution duly adopted by the Issuer on May 16, 2012 (collectively, the "Bond Legislation"), and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (collectively, the "Bonds") and orders of The

County Commission of Hancock County relating to the Issuer and the appointment of the members of the Public Service Board of the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

As of the date of May 24, 2012, I am of the opinion that:

1. The Issuer has been duly created and validly exists as a public service district and public corporation and political subdivision of the State of West Virginia.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. In reliance upon the Certificate of Engineer and the Opinion of Bond Counsel, the Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from the West Virginia Bureau for Public Health, The County Commission of Hancock County, and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of resolution prescribing such rates and charges.

7. The Issuer has received all orders, certificates and authorizations from the Public Service Commission of West Virginia necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the implementation

of rates and charges, and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received a Recommended Decision of the Public Service Commission of West Virginia entered January 27, 2012, which became Final Order on February 16, 2012 and an affidavit of CPA dated April 17, 2012 in Case No. 11-1506-PWD-CN, among other things, granting to the Issuer a certificate of public convenience and necessity for the Project; approving rates for the System and approving the financing for the Project. The time for appeal of the Order has expired prior to the date hereof. Such Order remains in full force and effect.

8. To the best of my knowledge, there is no litigation, action, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

9. Prior to construction I will ascertain that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that complies with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. Prior to construction I will also ascertain that all successful bidders have made required provisions for all insurance and payment and performance bonds and I will review such insurance policies or binders and such bonds for accuracy. Prior to construction, I will review the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project and verify that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

Michael W. Lucas III, Esq.

WATER REVENUE BONDS,
SERIES 1995

No. R-1

\$579,740

Date:

June 28, 1995

KNOW ALL MEN BY THESE PRESENTS: That OAKLAND PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia, located in Hancock County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns, the sum of Five Hundred Seventy-Nine Thousand Seven Hundred Forty and 00/100 Dollars (\$579,740.00), in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference, with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest due on each installment shall run from the original date of delivery of the Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1995. Principal and interest installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). Principal and interest on this Bond are payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of United National Bank, Charleston, West Virginia (the "Registrar"), on the 15th day of the month next preceding such payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole at par, but only with the written consent of the Authority and upon the terms and conditions prescribed by and otherwise in compliance with the Loan Agreement by and between the Issuer and the Authority, dated June 18, 1995.

This Bond is issued (i) to pay a portion of the costs of construction of certain extensions, additions, betterments and improvements to the existing public water facilities of the Issuer (the "Project"); (ii) to pay capitalized interest on the Bond during the construction of the Project and for a period of not more than six (6) months after completion; and (iii) to pay certain costs of issuance hereof and related costs. The existing water system of the Issuer, together with the Project, and any further

extensions, additions, betterments or improvements thereto is herein called the "System". This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Resolution duly adopted and enacted by the Issuer and effective June 14, 1995 (the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bond under the Resolution.

THIS BOND IS ON A PARITY AS TO LIEN AND SOURCE OF AND SECURITY FOR PAYMENT WITH THE ISSUER'S 1989 LOAN DATED MAY 5, 1989, IN THE ORIGINAL PRINCIPAL AMOUNT OF \$183,500, OWED TO WHEELING NATIONAL BANK (the "PRIOR DEBT").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, from moneys in the Reserve Account created under the Resolution for the Bond (the "Series 1995 Bond Reserve Account") and unexpended proceeds of the Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series 1995 Bond Reserve Account and unexpended proceeds of the Bond. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, to pay principal and interest on the 1989 Loan, and to leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount payable in any year for principal of and interest on the Bond, as hereinafter defined, and all other obligations secured by a lien on or payable from such net revenues prior to or on a parity with the Bond including the Prior Debt, provided however, that so long as there exists in the Series 1995 Bond Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bond in the then current or any succeeding year and in the reserve account established for any other obligations outstanding prior to or on a parity with the Bond including the Prior Debt, an amount at least equal to the requirement therefor, such percentage may be reduced to one hundred ten percent (110%). The Issuer has entered into certain further covenants with the registered owners

of the Bond for the terms of which reference is made to the Resolution. Remedies provided the registered owners of the Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Resolution, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the Costs of the Project described in the Resolution and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, OAKLAND PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairman and its corporate seal to be hereunto affixed and attested by its Secretary and has caused this Bond to be dated June 28, 1995.
