ARTICLE I

**STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS**

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. The Page-Kincaid Public Service District (the "Issuer") is a public corporation, public service district and political subdivision of the State of West Virginia in Fayette County of said State, duly created pursuant to the Act by The County Commission of Fayette County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public sewerage system and desires to finance and acquire, construct, operate and maintain certain additional public service

properties consisting of additions, improvements and extensions to such existing sewerage facilities consisting of extension of sewer service to the Johnson Branch and North Page areas of Fayette County with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing sewerage facilities of the Issuer, consisting of construction of wastewater facilities to extend public sewer service to the Johnson Branch and North Page areas of the District at Kincaid, Fayette County (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing sewerage facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein and in the Prior Resolutions.

D. The estimated maximum cost of the acquisition and construction of the Project is \$2,480,000 of which \$300,000 will be obtained from the proceeds of sale of the Series 2013 A Bonds, herein authorized; \$1,580,000 as a grant from the Purchaser; and \$600,000 from a West Virginia Infrastructure and Jobs Development Council grant.

E. It is necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2013 A (United States Department of Agriculture), in the aggregate principal amount of \$300,000 (the "Series 2013 A Bonds"), to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2013 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2013 A Bonds as to liens, pledge and source of and security for payment being the Issuer's: (i) Sewer Revenue Bonds, Series 1988 (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$112,000 (the "Series 1988 A Bonds"); (ii) Sewer Revenue Bonds, Series 1993 (United States Department of Agriculture), dated June 16, 1993, issued in the original aggregate principal amount of \$120,000 (the "Series 1993 Bonds"); (iii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 11, 2009, issued in the original aggregate principal amount of \$550,000 (the "Series 2009 A Bonds"); and (iv) Sewer Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated June 11, 2009, issued in the original aggregate principal amount of \$470,000 (the "Series 2009 B Bonds"), (collectively, the "First Lien Bonds").

There is an outstanding obligation of the Issuer which will rank junior and subordinate to the Series 2013 A Bonds as to liens, pledge and source of security for payment, being the Issuer's Sewer Revenue Bonds, Series 1988 B (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$28,000 (the "Series 1988 B Bonds"), (collectively with the First Lien Bonds, the "Prior Bonds").

The Series 2013 A Bonds shall be issued on a parity with the First Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2013 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the First Lien Bonds are met; (ii) the written consent of the Holders of the First Lien Bonds to the issuance of the Series 2013 A Bonds on a parity with the First Lien Bonds; and (iii) the written consent of the Holders of the Series 1998 B Bonds to the issuance of the Series 2013 A Bonds senior to the Series 1998 B Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

The Issuer is not in default under the terms of the Prior Bonds, or the resolutions authorizing issuance of the Prior Bonds or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid consent or waiver thereof.

H. It is in the best interest of the Issuer that the Series 2013 A Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letters of Conditions, dated June 2, 2005, and all amendments thereto, if any (collectively, the "Letter of Conditions").

I. The Series 2013 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 3.5% per annum, and shall be sold for the par value thereof. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$1,191, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond.

The Series 2013 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the respective Bond forms hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 2013 A Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the

Series 2013 A Bonds, and the right to principal of and stated interest on the Series 2013 A Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 2013 A Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2013 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

No registration of transfer of the Series 2013 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Series 2013 A Bonds.

The Bond Registrar shall accept the Series 2013 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Purchaser, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2013 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. So long as the Series 2013 A Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

In case any one or more of the officers who shall have signed or sealed the Series 2013 A Bonds shall cease to be such officer of the Issuer before the Series 2013 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. The Series 2013 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the

execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Series 2013 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2013 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2013 A Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2013 A Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the First Lien Bonds, and senior and prior to the Series 1988 B Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2013 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$ _____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the sewerage system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. So long as any of the Series 2013 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2013 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2013 Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2013 A Bonds as follows:

Whenever the money in the Series 2013 A Bonds Reserve Account shall be sufficient to prepay the Series 2013 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2013 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2013 A Bonds Reserve Account. Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2013 A Bonds and the First Lien Bonds, in accordance with the respective principal amounts then Outstanding.

Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2013 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2013 A Bonds Reserve Account, sums sufficient to prepay the entire principal of the Series 2013 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2013 A Bonds.

Section 5.02. Rates. Prior to the issuance of the Series 2013 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 A Bonds, including the Prior Bonds; provided that, in the event that an amount equal to or in excess of the reserve requirement is on deposit respectively in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2013 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 A Bonds, including the Prior Bonds. In any event,

subject to any requirements of law, the Issuer shall not reduce the rates or charges for services described in Section 6.01 hereof.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2013 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser. No Parity Bonds shall be issued after issuance of the Series 2013 A Bonds unless the provisions contained in the Prior Resolution respecting issuance of Parity Bonds have been satisfied.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2013 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2013 A Bonds and the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 1988 A Bonds, Series 1988 B Bonds and Series 2009 B Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months,

within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2013 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section,

equally, as to lien on and source of and security for payment from such revenues, with the Series 2013 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2013 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2013 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of

vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2013 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2013 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the delivery of the Series 2013 A Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and senior and prior to the Series 1988 B Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an “Event of Default”:

(a) Failure to make payment of any monthly amortization installment upon the Series 2013 A Bonds at the date specified for payment thereof;

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2013 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and

(c) If a default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that, all rights and remedies of the Series 2013 A Bonds shall be on a parity with the First Lien Bonds shall be on a parity with the Series 2013 A Bonds and senior to the Series 1988 B Bonds.

Section 5.09. Fiscal Year; Budget. While the Series 2013 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%;

and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

SEWER REVENUE BONDS, SERIES 2013 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$300,000

No. AR-1

Date: June 13, 2013

FOR VALUE RECEIVED, PAGE-KINCAID PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of THREE HUNDRED THOUSAND DOLLARS (\$300,000), plus interest on the unpaid principal balance at the rate of 3.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing July 13, 2013 and continuing on the 13th day of each month to and including June 13, 2015 (the first 24 months after the date hereof), and thereafter commencing July 13, 2015, monthly payments of \$1,191, covering principal and interest, and on the 13th day of each month to and including June 13, 2053 (40 years from the date of this Bond), except that the final installment shall be paid in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter

basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the sewerage system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted June 11, 2013, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar

purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S:

(1) SEWER REVENUE BONDS, SERIES 1988 A (WEST VIRGINIA WATER DEVELOPMENT AUTHORITY), DATED JULY 1, 1988, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$112,000 (THE "SERIES 1988 A BONDS");

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Page-Kincaid Public Service District in Kincaid, West Virginia (the "Issuer"), of its \$300,000 Sewer Revenue Bonds, Series 2013 A (United States Department of Agriculture) dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on June 11, 2013, (the "Bond Legislation"). We have examined the law and such certified copies of proceedings and other papers as we deem necessary to render this opinion.

The Bonds are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain issuance and other costs in connection therewith.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (i) Sewer Revenue Bonds, Series 1988 A (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$112,000, (ii) Sewer Revenue Bonds, Series 1993 (United States Department of Agriculture), dated June 16, 1993, issued in the original aggregate principal amount of \$120,000 (the "Series 1993 Bonds"), (iii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 11, 2009, issued in the original aggregate principal amount of \$550,000 (the "Series 2009 A Bonds"); and (iv) Sewer Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated June 11, 2009, issued in the original aggregate principal amount of \$470,000 (the "Series 2009 B Bonds"), and senior and prior to the Issuer's Sewer Revenue Bonds, Series 1988 B (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$28,000 (the "Series 1988 B Bonds").

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies & Gentlemen:

I am counsel to Page-Kincaid Public Service District, a public service district in Fayette County, West Virginia (the 'Issuer'). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson, as bond counsel, a resolution of the Issuer duly adopted on June 11, 2013, (the 'Resolution'), other documents and papers relating to the Issuer and the above-captioned Bonds of the Issuer (the "Bonds") and documents and orders of The County Commission of Fayette County relating to the creation of the Issuer and the appointment of members of the Public Service Board of the Issuer. All capitalized terms used in the Resolution and not otherwise defined herein shall have the same meanings as defined in the Resolution when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Resolution has been duly adopted by the Issuer and is in full force and effect.
4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. All permits, licenses, approvals, consents, certificates, orders, exemptions and authorizations necessary for the due creation and valid existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and the charges have been entered and/or received, including, without limitation, all requisite orders, certificates, consents and approvals from The County Commission of Fayette County and the Public Service Commission of West Virginia, and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has duly published a notice of the acquisition and construction of the Project, the issuance of the Bonds and related matters, as required under Chapter 16, Article 13A, Section 25 of the West Virginia Code of 1931, as amended, and has duly complied with the provisions thereof.

6. To the best of my knowledge, there is no action, suit, proceeding or investigation at law of in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds or the Resolution, the acquisition and construction of the Project, the operation of the System, or the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

North Page/Johnson Branch Sewer Project

Dear Ladies & Gentlemen:

This firm represents Page-Kincaid Public Service District with regard to the construction of a sewer system project more particularly entitled the "Page-Kincaid Public Service District Johnson Branch-North Page Sewer Extension contract; and provides this narrative opinion on behalf of Page-Kincaid Public Service District to satisfy the requirements of the Infrastructure and Jobs Development Council with regard to the financing proposed for the project. Please be advised of the following:

1. That I am of the opinion that the Page-Kincaid Public Service District is a duly created and existing public service district possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia and has the full power and authority to construct, operate and maintain the Project.
2. That the Page-Kincaid Public Service District has obtained approval for all necessary permits and approvals for the construction of the Project, including: 1) Public Lands Permit (4/4/11), Army Corps of Engineers (5/24/11), NPDES Permit (1/31, 12), WVBPH Permit (1/11/11), and the WVDOH Permit 3/7/12).
3. That the District has likewise obtained the appropriate Certificate of Convenience and Necessity, which was issued by the West Virginia Public Service Commission, on October 11, 2011, in Case No. 11-0784-PSD-CN.
3. That I have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by Pentree Incorporated, the consulting engineers for the Project.
4. That I have examined the records on file in the Office of the Clerk of the County Commission of Fayette County, West Virginia, the county in which the Project is to be located, and in my opinion, the Page-Kincaid Public Service District has acquired legal title, or such other estate or interest in the necessary site components for the Project, including in excess of one hundred percent (100%) easements and/or

rights-of-way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the facilities to be constructed. More specifically, my review indicates the following:

- (a) Sixty-eight (68) signed easements
- (b) Twelve (12) final condemnation orders
- (c) One (1) pending condemnation with court ordered right of entry

5. Twenty five (25) condemnation suits have been filed and twelve (12) of those condemnation suits have been brought to a successful conclusion by obtaining final condemnation orders from the Circuit Court of Fayette County. Twelve (12) condemnation suits have resulted in obtaining the appropriate signatures of the owners of the property in question. One (1) condemnation suit remains pending but a legal order of entry has been obtained..

6. That all deeds or other documents which have been acquired to date by the Page-Kincaid Public Service District have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title and interest of the Page-Kincaid Public Service District.

7. At the present time, I know of no condemnation issues other than the continuing process of bringing the single condemnation case to a conclusion.

8. I am unaware of any claims or legal actions against the Page-Kincaid Public Service District, now pending either in court or before an administrative tribunal as of May 29, 2013.

9. I am also unaware of any outstanding judgments against the Page-Kincaid Public Service District.

10. I hereby certify that as to the rights of way obtained thus far, and the acquisition of the sole site component for the project, that all requirements of the Uniform Relocation Assistance and Real Property Acquisition Properties Act of 1970 and West Virginia State Code Chapter 54 have been met in the acquisition of said real property and rights of way.

If you have any questions regarding any of the information contained in this narrative opinion, or need anything further whatsoever from me prior to authorizing this Project for bid, please do not hesitate to let me know.

Very truly yours,

2. NO LITIGATION: No controversy or litigation of any nature is now pending, or, to the knowledge of any of the undersigned, threatened, restraining, enjoining or affecting in any manner the issuance and delivery of the Series 2013 A Bonds or receipt of any grant monies, if any, committed for the System, hereinafter defined; nor questioning the proceedings and authority by which the Issuer authorized the issuance and sale of the Series 2013 A Bonds; nor in any way questioning or affecting the validity of the grants, if any, committed for the System or the validity of the Series 2013 A Bonds or any provisions made or authorized for the payment thereof, including, without limitation, the pledge or application of any monies or security therefor; nor questioning the existence, powers or proceedings of the Issuer or its Public Service Board (the "Governing Body") or the title of the members and officers thereof to their respective offices; nor questioning the operation of the System or the acquisition and construction of the Project, a portion of the cost of which is being financed out of the proceeds of sale of the Series 2013 A Bonds; nor questioning the rates and charges provided for services of the System.

3. GOVERNMENTAL APPROVALS: All applicable and necessary approvals, permits, authorizations, registrations, exemptions, consents and certificates required by law for the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2013 A Bonds have been duly and timely obtained and remain in full force and effect. Competitive bids for the acquisition and construction of the Project were solicited in accordance with Chapter 5, Article 22, Section 1 of the Official West Virginia Code of 1931, as amended, which bids remain in full force and effect.

Ladies and Gentlemen:

Based upon the sewer rates and charges set forth in the Recommended Decision dated October 11, 2011 which became Final Order on October 31, 2011 in Case No. 11-0784-PSD-CN of the Public Service Commission of West Virginia, and projected operating expenses and anticipated customer usage as furnished to us by Pentree, Inc., Consulting Engineer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of Page-Kincaid Public Service District (the "Issuer"), will provide for all Operating Expenses of the System and will leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Sewer Revenue Bonds, Series 2013 A (United States Department of Agriculture), issued in the original aggregate principal amount of \$300,000 (the "Series 2013 A Bonds"), and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 A Bonds, including the Issuer's:

- (i) Sewer Revenue Bonds, Series 1988 A (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$112,000 (the "Series 1988 A Bonds");

- (ii) Sewer Revenue Bond, Series 1993 (United States Department of Agriculture), dated June 16, 1993, issued in the original aggregate principal amount of \$120,000 (the "Series 1993 Bonds");
- (iii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 11, 2009, issued in the original aggregate principal amount of \$550,000 (the "Series 2009 A Bonds");
- (iv) Sewer Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated June 11, 2009, issued in the original aggregate principal amount of \$470,000 (the "Series 2009 B Bonds"); and
- (v) Sewer Revenue Bonds, Series 1988 B (West Virginia Water Development Authority), dated July 1, 1988, issued in the original aggregate principal amount of \$28,000 (the "Series 1988 B Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2013 A Bonds are issued will be at least 115% of the average annual debt service on the Prior Bonds and the Series 2013 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2013 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2013 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2013 A Bonds.
