THE COUNCIL OF THE CITY OF PARKERSBURG HEREBY ORDAINS:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Parkersburg (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Wood County of said State.

B. The Issuer presently owns and operates, through the Parkersburg Utility Board (the "Board"), a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of (i) the construction of modifications to the 6th Street Pumping Station, including three new pumps, controls, electrical, emergency generation, and required interior and exterior piping and valve modifications, along with miscellaneous structural and ventilation work, and (ii) the construction of approximately 4,510 linear feet of 36 inch force main, together with all appurtenant facilities, in accordance with the plans and specifications prepared by the Consulting Engineers (the "6th Street Pump Station Project") and construction of improvements to the existing sanitary sewer system to remedy existing environmental problems (the "Environmental Project"), which plans and specifications have heretofore been filed with the City Clerk of the Issuer (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System").

C. The Issuer has heretofore temporarily financed a portion of the cost of the Environmental Project pursuant to the issuance of its Combined Waterworks and Sewerage System Bond Anticipation Notes, Series 2005 A, dated August 15, 2005, issued in the original aggregate principal amount of \$9,000,000, outstanding in the approximate amount of \$636,280.84, plus accrued interest (the "Series 2005 A Notes").

D. The Series 2005 A Notes were issued pursuant to an ordinance of the Issuer enacted on July 12, 2005 (the "Series 2005 A Notes Ordinance").

E. The Issuer must provide permanent financing of the improvements heretofore temporarily financed by the proceeds of the Series 2005 A Notes pursuant to the terms of the Series 2005 A Notes Ordinance.

F. The Issuer intends (i) to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), pursuant to the Act; and (ii) to currently refund the Series 2005 A Notes through the issuance of its revenue bonds to the Authority, which administers the SRF Program pursuant to the Act.

G. The estimated revenues to be derived in each year after completion of the Project and the refunding of the Series 2005 A Notes from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal

of and interest on the Bonds (as hereinafter defined) and to make payments into all funds and accounts and other payments provided for herein.

H. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, in the total aggregate principal amount of not more than \$16,500,000 in two or more series (collectively, the "Series 2006 Bonds"), initially planned to be (i) the Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 D (West Virginia SRF Program), in the aggregate principal amount of not more than \$10,500,000 (the "Series 2006 D Bonds"), the proceeds of which will be used to currently refund the Issuer's outstanding Series 2005 A Notes, pay the costs of the acquisition and construction of the Environmental Project, and to pay costs of issuance of the Series 2006 D Bonds; and (ii) the Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 E (West Virginia SRF Program), in the aggregate principal amount of not more than \$6,000,000 (the "Series 2006 E Bonds"), the proceeds of which will be used to pay the costs of acquisition and construction of the 6th Street Pump Station Project, fund a reserve account for this series of bonds, and to pay costs of issuance of the Series 2006 E Bonds. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the Act; the cost of refunding the Series 2005 A Notes; interest, if any, upon the Series 2006 Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined) for the Series 2006 Bonds; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority including the SRF Administrative Fee (as hereinafter defined); discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2006 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the design, acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2006 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

I. The period of usefulness of the System after completion of the Project is not less than 30 years.

J. It is in the best interests of the Issuer that its Series 2006 D Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority, and the West Virginia Department of Environmental Protection (the "DEP"), and its Series 2006 E Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the DEP, all in

form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

K. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2006 D Bonds and the Series 2006 E Bonds as to liens, pledge and source of and security for payment, being the (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund), dated March 4, 2003, issued in the original aggregate principal amount of \$4,000,000, (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 B (West Virginia Water Development Authority), dated March 4, 2003, issued in the original aggregate principal amount of \$3,250,000, (iii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 D (West Virginia Infrastructure Fund), dated August 4, 2003, issued in the original aggregate principal amount of \$926,000, (iv) the Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 E (West Virginia SRF Program), dated August 4, 2003, issued in the original aggregate principal amount of \$4,326,705, (v) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A, dated August 1, 2005, issued in the original aggregate principal amount of \$34,950,000, and (vi) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 C, dated June 15, 2006, issued in the original aggregate principal amount of \$17,425,000. The Prior Bonds are payable from and secured by a first lien on the Gross Revenues of the System.

The Series 2006 Bonds shall be issued on a parity with the Prior Bonds, with respect to liens, pledge, source of and security for payment and in all other respects. Prior to the issuance of the Series 2006 Bonds, the Issuer will obtain (a) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met and (b) the written consent of the registered owners of the Prior Bonds to the issuance of the Series 2006 Bonds on a parity with the Prior Bonds. Except for the Prior Bonds the Issuer has no other bonds, notes or other obligations secured by or payable from revenues or assets of the System.

L. The Issuer has complied with all requirements of West Virginia law and the Loan Agreements (hereinafter defined) relating to authorization of the acquisition, construction and operation of the Project and the System, the refunding of the Series 2005 A Notes, and issuance of the Series 2006 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the West Virginia Water Pollution Control Revolving Fund Program and the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will (1) have expired prior to the issuance of the Series 2006 Bonds; (2) such final order will not be subject to appeal; or (3) the time for appeal of such order shall not have expired, however, all parties to such case

the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreements.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority and the DEP.

So long as the Series 2006 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2006 D Bonds Sinking Fund and the Series 2006 E Bonds Sinking Fund, respectively, pro rata with respect to the principal amount of each of the Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2006 D Bonds and the Series 2006 E Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$50,000 and not in excess of \$200,000, shall be deposited by the Issuer into the Depreciation Fund. Such payments of such proceeds into the Depreciation Fund shall not reduce the amounts required to be paid into said fund by other provisions of the Prior Ordinances and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2006 Bonds. All obligations issued by the Issuer after the issuance of the Series 2006 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2006 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2006 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2006 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2006 Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of any outstanding

debt, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2005 A Bonds are outstanding, no additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Clerk of the Issuer a written statement by Independent Accountants, reciting the conclusion that the Net Revenues actually derived from the System during the 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the increased annual Net Revenues expected to be received after the date of issuance of such parity Bonds shall not be less than 120% of the Maximum Annual Debt Service on the following:

- (1) The Prior Bonds then Outstanding;
- (2) The Series 2005 A Bonds then Outstanding;
- (3) Any additional parity Bonds theretofore issued and then Outstanding; and
- (4) The additional parity Bonds then proposed to be issued.

So long as the Series 2006 C Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received after the date of issuance of such additional Parity Bonds shall not be less than 120% of the Maximum Annual Debt Service on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued and then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

When the Series 2005 A Bonds and the Series 2006 C Bonds are no longer outstanding, Series 2006 D Bonds, and Series 2006 E Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity

Bonds, if any, shall not be less than 120% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinance and this Bond Legislation then Outstanding; and
- (3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and account created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in

this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of designing, acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the design, acquisition, construction and installation of the Project, the operation and maintenance of the System, and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board and the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer or the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as the Governing Body shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2006 Bonds and shall mail in each year to any Holder or

Holders of the Series 2006 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2006 Bonds and shall submit the report to the Authority and the DEP or any other original purchaser of the Series 2006 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreements and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreements and the Act, the Issuer or the Board has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in the Loan Agreements for the Series 2006 Bonds or any Exhibit thereto or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably

necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2006 Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) so long as the Series 2006 C Bonds, the Series 2005 A Bonds, and the Series 2006 Bonds are outstanding, to leave a balance each year equal to at least 120% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2006 Bonds, and thereafter 115% of such amount; provided that, when the Series 2006 C Bonds and the Series 2005 A Bonds are no longer outstanding, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2006 Bonds are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2006 Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding

and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP, and any Holder of any Bonds or anyone acting for and on behalf of such Holder.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreements, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreements, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP, and the Board at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Board shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Board shall notify the DEP in writing of such receipt. The Board shall submit a "Performance Certificate," a form of which is attached to the Loan Agreements as

Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Board shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Board shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Board shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreements. The Board shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Board further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of the System until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same

rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as the Series 2006 Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Board, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer and the Board from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not

less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Board shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Board shall verify such bonds prior to commencement of construction.

The Board shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council. In the event the Loan Agreements so require, such insurance shall be made payable to the order of the Authority, the DEP, the Issuer, the Board, the prime contractor and all subcontractors, as their interests may appear. The Board shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau for Health from such house, dwelling or

building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau for Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Board will complete the acquisition and construction of the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Board will obtain all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2006 Bonds required by State law, with all requisite appeal periods having expired without successful appeal, except as otherwise provided in Section 1.02(L).

Section 7.18. Compliance with Loan Agreements and Law. The Issuer and the Board shall perform, satisfy and comply with all the terms and conditions of the Loan Agreements and the Act. Notwithstanding anything herein to the contrary, the Issuer and the Board will provide the DEP with copies of all documents submitted to the Authority. The Issuer and the Board also agree to comply with all applicable laws, rules and regulations issued by the Authority, the DEP, or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2006 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2006 Bonds during the term thereof is, under the terms

of the Series 2006 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2006 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2006 Bonds during the term thereof is, under the terms of the Series 2006 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2006 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2006 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2006 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2006 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2006 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Board in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission or Depository Bank shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Board, at least once each year, or more often as reasonably requested by the Board, a summary of such funds, accounts and investment earnings. The Board shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2006 Bonds are Outstanding.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2006 Bonds as a condition to issuance of the Series 2006 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2006 Bonds as may be necessary in order to maintain the status of the Series 2006 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2006 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, as the case may be, from which

the proceeds of the Series 2006 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2006 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2006 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Series 2006 Bonds; or

(2) If default occurs in the Issuer or the Board's observance of any of the covenants, agreements or conditions on their respective parts relating to the Series 2006 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2006 Bonds, and such default shall have continued for a period of 30 days after the Issuer or Board, as appropriate, shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner or Holder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners or Bondholders including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners or Bondholders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2006 Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer or the Board under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient

rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer or the Board, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Any Series 2006 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

All Series 2006 Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2006 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2006 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2006 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2006 Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2006 Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with each other and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2006 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as

In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2006 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2006 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2006 Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2006 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2006 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2006 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2006 Bonds issued hereunder shall be secured equally and ratably by a first lien on the Gross Revenues derived from the System, on a parity with each other and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreements. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted March 25, 2004, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2006 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreements. In the event the schedule of rates and charges initially established for the System in connection with the Series 2006 Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreements, the Issuer hereby covenants and agrees that it will, to

the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreements.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority and the DEP.

So long as the Series 2006 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2006 D Bonds Sinking Fund and the Series 2006 E Bonds Sinking Fund, respectively, pro rata with respect to the principal amount of each of the Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2006 D Bonds and the Series 2006 E Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$50,000 and not in excess of \$200,000, shall be deposited by the Issuer into the Depreciation Fund. Such payments of such proceeds into the Depreciation Fund shall not reduce the amounts required to be paid into said fund by other provisions of the Prior Ordinances and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2006 Bonds. All obligations issued by the Issuer after the issuance of the Series 2006 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2006 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2006 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2006 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2006 Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of any outstanding

debt, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2005 A Bonds are outstanding, no additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Clerk of the Issuer a written statement by Independent Accountants, reciting the conclusion that the Net Revenues actually derived from the System during the 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the increased annual Net Revenues expected to be received after the date of issuance of such parity Bonds shall not be less than 120% of the Maximum Annual Debt Service on the following:

- (1) The Prior Bonds then Outstanding;
- (2) The Series 2005 A Bonds then Outstanding;
- (3) Any additional parity Bonds theretofore issued and then Outstanding; and
- (4) The additional parity Bonds then proposed to be issued.

So long as the Series 2006 C Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received after the date of issuance of such additional Parity Bonds shall not be less than 120% of the Maximum Annual Debt Service on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued and then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

When the Series 2005 A Bonds and the Series 2006 C Bonds are no longer outstanding, Series 2006 D Bonds, and Series 2006 E Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity

Bonds, if any, shall not be less than 120% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinance and this Bond Legislation then Outstanding; and
- (3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and account created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in

this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of designing, acquiring, constructing and installing the Project. The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the design, acquisition, construction and installation of the Project, the operation and maintenance of the System, and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Board and the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer or the Board relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Board. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Board as the Governing Body shall direct.

The Board shall file with the Authority and the DEP, or any other original purchaser of the Series 2006 Bonds and shall mail in each year to any Holder or

Holders of the Series 2006 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2006 Bonds and shall submit the report to the Authority and the DEP or any other original purchaser of the Series 2006 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreements and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreements and the Act, the Issuer or the Board has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in the Loan Agreements for the Series 2006 Bonds or any Exhibit thereto or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably

necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2006 Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) so long as the Series 2006 C Bonds, the Series 2005 A Bonds, and the Series 2006 Bonds are outstanding, to leave a balance each year equal to at least 120% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2006 Bonds, and thereafter 115% of such amount; provided that, when the Series 2006 C Bonds and the Series 2005 A Bonds are no longer outstanding, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2006 Bonds are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2006 Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding

and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP, and any Holder of any Bonds or anyone acting for and on behalf of such Holder.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreements, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreements, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP, and the Board at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Board shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Board shall notify the DEP in writing of such receipt. The Board shall submit a "Performance Certificate," a form of which is attached to the Loan Agreements as

Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Board shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Board shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Board shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreements. The Board shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Board further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of the System until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same

rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as the Series 2006 Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Board will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Board, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Board shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Board shall verify such bonds prior to commencement of construction.

The Board shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council. In the event the Loan Agreements so require, such insurance shall be made payable to the order of the Authority, the DEP, the Issuer, the Board, the prime contractor and all subcontractors, as their interests may appear. The Board shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau for Health from such house, dwelling or

building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau for Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Board will complete the acquisition and construction of the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

Section 7.18. Compliance with Loan Agreements and Law. The Issuer and the Board shall perform, satisfy and comply with all the terms and conditions of the Loan Agreements and the Act. Notwithstanding anything herein to the contrary, the Issuer and the Board will provide the DEP with copies of all documents submitted to the Authority. The Issuer and the Board also agree to comply with all applicable laws, rules and regulations issued by the Authority, the DEP, or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2006 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2006 Bonds during the term thereof is, under the terms

of the Series 2006 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2006 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2006 Bonds during the term thereof is, under the terms of the Series 2006 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2006 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2006 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2006 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2006 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2006 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2006 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Law Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices

of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2006 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Authority and the DEP for written approval. The Issuer shall obtain the written approval of the Authority and the DEP before expending any proceeds of the Series 2006 Bonds held in "contingency" as set forth in the Schedule attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Authority and the DEP before expending any proceeds of the Series 2006 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the Authority and the DEP in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

Section 7.22. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2006 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2006 Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Board in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission or Depository Bank shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Board, at least once each year, or more often as reasonably requested by the Board, a summary of such funds, accounts and investment earnings. The Board shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2006 Bonds are Outstanding.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2006 Bonds as a condition to issuance of the Series 2006 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2006 Bonds as may be necessary in order to maintain the status of the Series 2006 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2006 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, as the case may be, from which

the proceeds of the Series 2006 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2006 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2006 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Series 2006 Bonds; or

(2) If default occurs in the Issuer or the Board's observance of any of the covenants, agreements or conditions on their respective parts relating to the Series 2006 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2006 Bonds, and such default shall have continued for a period of 30 days after the Issuer or Board, as appropriate, shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner or Holder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners or Bondholders including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners or Bondholders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2006 Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer or the Board under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient

rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer or the Board, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting

Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on

any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all

such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Bond Purchase Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Local Bonds.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or

desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall

not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated

or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Bond Purchase Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

180 Association Drive
Charleston, WV 25311

West Virginia Department of Environmental Protection
601 57th Street
Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a

_____.
We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a bond purchase agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local

Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.
2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.
3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.
4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.
5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.
6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

WHEREAS, the Local Government constitutes a local government as defined by the Act;

WHEREAS, the Local Government is included on the DEP State Project Priority List and the Intended Use Plan and has met DEP's pre-application requirements for the Program;

WHEREAS, the Local Government is authorized and empowered by the statutes of the State to acquire, construct, improve, operate and maintain a wastewater treatment project and to finance the cost of acquisition and construction of the same by borrowing money to be evidenced by revenue bonds issued by the Local Government;

WHEREAS, the Local Government intends to construct, is constructing or has constructed such a wastewater treatment project at the location and as more particularly described and set forth in the Application, as hereinafter defined (the "Project");

WHEREAS, the Local Government has completed and filed with the Authority and DEP an Application for Purchase of Bonds with attachments and exhibits and an Amended Application for Purchase of Bonds also with attachments and exhibits (together, as further revised and supplemented, the "Application"), which Application is incorporated herein by this reference;

2.7 The Local Government shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Local Government shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority and DEP and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Local Government, the Local Government or (at the option of the Local Government) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Local Government, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Local Government on or before the Date of Closing, as hereinafter defined, and maintained so long as any of the Local Bonds are outstanding. 2.13 The Local Government, during construction of the Project, shall complete Payment Requisition Forms, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward such forms to DEP in compliance with the Local Government's construction schedule.

3.2 Subject to the terms and provisions of this Bond Purchase Agreement, the rules and regulations promulgated by the Authority and DEP, including the SRF Regulations, or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that

the Authority shall purchase the Local Bonds of the Local Government and the Local Government shall issue and sell the Local Bonds to the Authority, and in furtherance thereof it is agreed that the Local Government shall sell to the Authority and the Authority shall purchase the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Local Bonds shall be secured and shall be repaid in the manner hereinafter provided in this Bond Purchase Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Government by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, DEP and the Local Government. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Closing." Notwithstanding the foregoing, the Date of Closing shall in no event occur more than ninety (90) days after the date of execution of this Bond Purchase Agreement by the Authority or such later date as is agreed to in writing by DEP.

3.5 The Local Government understands and acknowledges that it is one of several local governments which have applied to the Authority and DEP for financing of wastewater treatment projects and that the obligation of the Authority to purchase the Local Bonds is subject to the Local Government's fulfilling all of the terms and conditions of this Bond Purchase Agreement on or prior to the Date of Closing and to the requirements of the Program. The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to such purchase, the Authority may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF

Regulations. The Local Government further specifically recognizes that all bonds will be purchased in conjunction with the SRF Regulations and with the prior approval of DEP.

3.6 The Local Government shall provide DEP with the appropriate documentation to comply with the special conditions regarding the public release and audit requirements, established by federal and State regulations as set forth in Exhibit E attached hereto at such times as are set forth therein.

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting

Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on

any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall

the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to purchase the Local Bonds shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to purchase the Local Bonds.

ARTICLE V

Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Bond Purchase Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to purchase the Local Bonds, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all

such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Bond Purchase Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Bond Purchase Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's purchasing and receiving the Local Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this Bond Purchase Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the issuance of the Local Bonds shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this Bond Purchase Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Local Bonds.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or

desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

6.6 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Government hereby agrees to file with the Authority and DEP upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall

not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated

or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Bond Purchase Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

OPINION OF BOND COUNSEL FOR LOCAL GOVERNMENT

[To Be Dated as of Date of Closing]

West Virginia Water Development Authority
180 Association Drive
Charleston, WV 25311

West Virginia Department of Environmental Protection
601 57th Street
Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a

_____.
We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a bond purchase agreement dated _____, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Local Bonds are issued in the principal amount of \$ _____, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local

Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.
2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.
3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.
4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.
5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.
6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The City of Parkersburg (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$9,000,000 Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 D (West Virginia SRF Program), dated the date hereof (the "Series 2006 D Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a bond purchase agreement dated November 16, 2006, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Series 2006 D Bonds are originally issued in the form of one bond, registered as to principal only to the Authority, with no interest accruing thereon, and with principal installments payable quarterly on March 1, June 1, September 1, and December 1 of each year, commencing June 1, 2008, and ending March 1, 2038, all as set forth in "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds. The Series 2006 D Bonds are subject to the SRF Administration Fee equal to .5 % of the principal amount of the Series 2006 D Bonds as set forth in the Schedule Y attached to the Loan Agreement.

The Series 2006 D Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20, and

Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) currently refunding the Issuer's outstanding Combined Waterworks and Sewerage System Bond Anticipation Notes, Series 2005 A, dated August 15, 2005 (the "Series 2005 A Notes"); (ii) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the wastewater treatment plant portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (iii) paying certain issuance and others costs in connection therewith.

We have also examined the applicable provisions of the Act, the bond ordinance duly enacted by the Issuer on November 28, 2006, as supplemented by the supplemental resolution duly adopted by the Issuer on December 12, 2006 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2006 D Bonds are authorized and issued, and the Loan Agreement has been entered into. The Series 2006 D Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings as set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Series 2006 D Bonds, all under the Act and other applicable provisions of law.
2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the consent of the Authority and the DEP.
3. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer in connection with the issuance and sale of the Series 2006 D Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
4. The Series 2006 D Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System on a parity with the Issuer's (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund), dated March 4, 2003, issued in the original aggregate principal amount of \$4,000,000, (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 B (West Virginia Water Development Authority), dated March 4, 2003,

issued in the original aggregate principal amount of \$3,250,000, (iii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 D (West Virginia Infrastructure Fund), dated August 4, 2003, issued in the original aggregate principal amount of \$926,000, (iv) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 E (West Virginia SRF Program), dated August 4, 2003, issued in the original aggregate principal amount of \$4,326,705, (v) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A, dated August 1, 2005, issued in the original aggregate principal amount of \$34,950,000, (vi) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 C, dated June 15, 2006, issued in the original aggregate principal amount of \$17,425,000, and (vii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 E, dated December 14, 2006, issued concurrently herewith in the original aggregate principal amount of \$4,372,600, all in accordance with the terms of the Series 2006 D Bonds and the Bond Legislation.

5. The Series 2006 D Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof, and the interest on the Series 2006 D Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Series 2006 D Bonds and the enforceability of the Series 2006 D Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered DR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

We have also examined the applicable provisions of the Act, the bond ordinance duly enacted by the Issuer on November 28, 2006, as supplemented by the supplemental resolution duly adopted by the Issuer on December 12, 2006 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2006 E Bonds are authorized and issued, and the Loan Agreement has been entered into. 2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer in connection with the issuance and sale of the Series 2006 E Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. Ladies and Gentlemen:

I am Counsel to the Parkersburg Utility Board (the "Board") of the City of Parkersburg, Wood County, West Virginia (the "Issuer"). I am of the opinion that:

1. The Board has been duly created by the Issuer and is validly existing and the members of the Board have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Board in the respective capacities.

2. The execution and delivery of the Bonds and the Loan Agreements and the consummation of the transactions contemplated by the Bonds, the Loan Agreements and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Board, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Board is a party of by which the Board or its properties are bound or any existing law, regulation, court order or consent decree to which the Board is subject.

3. The Board has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Bureau for Public Health, the DEP, the West Virginia Infrastructure and Jobs Development Council (the "Council") and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges.

5. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Board; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreements; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

I provide this final title opinion on behalf of the issuer to satisfy the requirements of the West Virginia Department of Environmental Protection (the "DEP"), and the West Virginia Water Development Authority (the "Authority") for the Projects.

2. The Issuer has obtained all necessary permits and approvals for the construction of the projects.

3. I have investigated and ascertained the location of, and am familiar with the legal descriptions of, the necessary sites, that the necessary rights of way and easements have been previously acquired and those documents recorded in the Office of the Clerk of the County Commission of Wood County, West Virginia,

An Order was entered in a condemnation action filed on December 9, 2006, in the Circuit Court of Wood County, West Virginia, against CSX Transportation, Inc., Civil Action No. 06-C-692, which order granted a Writ of Entry in favor of the City of Parkersburg for the rights of way and easements across the CSX Transportation property.

No additional easements and/or rights of way are required for the Projects as set forth in the plans for the Projects prepared by Strand & Associates, Inc., the consulting engineers for the Projects.

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the water rate ordinance of The City of Parkersburg (the "Issuer"), enacted November 26, 2004, and the sewer rate ordinance of the Issuer, enacted March 25, 2004, the current operation and maintenance expenses of the Issuer, and the current number and type of customers of the Issuer, it is our opinion that such rates and charges will be sufficient to produce Net Revenues of the combined waterworks and sewerage system of the Issuer (the "System") equal to not less than the sum of (i) 120% of the Maximum Annual Debt Service in any fiscal year on the Issuer's Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 D (West Virginia SRF Program) and the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 E (West Virginia SRF Program) (collectively, the "Series 2006 Bonds"), and all other obligations secured by or payable from the revenues of the System, on a parity with the Series 2006 Bonds, including the Issuer's: (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund), (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 B (West Virginia Water Development Authority), (iii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 D (West Virginia Infrastructure Fund), (iv) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 E (West Virginia SRF Program), (v) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A, and (vi) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2006 C (collectively, the "Prior Bonds").

It is our further opinion that the Net Revenues actually derived from the System during the Fiscal Year preceding the date of the actual issuance of the Series 2006 Bonds will not be less than 120% of the Maximum Annual Debt Service on the Prior Bonds and the Series 2006 Bonds, all in accordance with the resolutions authorizing the Prior Bonds and the Series 2006 Bonds.

Very truly yours,

Smith, Cochran & Hicks, P.L.L.C.

2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.
