STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Point Pleasant (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Mason County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements for the existing sewerage facilities portion of such system, consisting of acquisition and construction of a new wastewater treatment plant and upgrading of pumping stations, together with all appurtenant facilities and that there be performed certain engineering studies relating to such sewerage facilities (collectively, the "Project") which constitute properties for the collection and transportation of liquid or solid wastes, sewage or industrial wastes (the existing combined waterworks and sewerage facilities of the Issuer, the Project and any further additions thereto or extensions thereof is herein called the "System") at an estimated cost of \$4,330,683, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Prior Bonds and the Bonds and all Sinking Funds, Reserve Accounts and other payments provided for herein and in the Prior Ordinance, all as such terms are hereinafter defined.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds in the total aggregate principal amount of not more than \$2,500,000 in two series, being the Series 1989 A Bonds in the aggregate principal amount of not more than \$2,000,000, and the Series 1989 B Bonds in the aggregate principal amount of not more than \$500,000 (collectively, the "Original Bonds"), and (at the option of the Issuer) to issue its sewerage system bond anticipation notes prior to issuance of the Original Bonds and contemporaneously therewith, or as soon as practicable thereafter, to issue its sewerage system grant anticipation notes, and/or a note or notes evidencing a line of credit, or any combination of the foregoing (collectively, the "Notes") in the aggregate principal amount of not more than \$6,000,000 to temporarily finance costs of construction and acquisition of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Notes during the term thereof and upon the Bonds prior to and during construction or acquisition and

for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and Notes and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, including, with respect to the Notes, any fees for the providing of a letter of credit, as hereinafter defined, and any costs of obtaining insurance thereon; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or Notes or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Original Bonds be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement and a supplemental loan agreement to be entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority, as shall be approved by supplemental resolution.

G. There is an outstanding obligation of the Issuer which will rank on a parity with the Series 1989 A Bonds and which will rank senior and prior to the Series 1989 B Bonds as to lien and source of and security for payment, being the Water and Sewer Revenue Bond, Series 1976, dated May 3, 1978, issued in the original aggregate principal amount of \$1,870,000, of which \$1,841,243 remains outstanding as of the date of enactment of this Ordinance (the "Prior Bonds").

The Series 1989 B Bonds shall be issued junior and subordinate to the Prior Bonds and the Series 1989 A Bonds as set forth herein. The Bond Anticipation Notes, if issued, will be payable from the proceeds of the Bonds and Net Revenues, if necessary, all as shall be set forth in the Indenture or the Supplemental Resolution authorizing the Notes.

H. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds and the Notes, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Bonds or any of the Notes or such final order will not be subject to appeal.

as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided and amounts, if any, in the respective Reserve Accounts. No holder or holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of all the Series 1989 A Bonds shall be secured forthwith equally and ratably with each other, by a first lien on the Net Revenues derived from the System, on parity with the lien on Net Revenues in favor of the Holders of the Prior Bonds. The payment of the debt service of all the Series 1989 B Bonds shall also be secured forthwith equally and ratably with each other by a lien on the Net Revenues derived from the System, but junior and subordinate to the lien on such Net Revenues in favor of the Holders of the Prior Bonds and the Series 1989 A Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make the payments into the Sinking Funds, the Reserve Accounts therein and the Renewal and Replacement Fund, hereinafter established, are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as the same become due.

Section 3.09. Form of Original Bonds. The text of the Bonds shall be in substantially the following forms, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

(\$_____), in installments on October 1 of each year (except for the final installment due April 1, 2029) as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1989. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed

by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority, dated _____, 1989.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements for the sewerage facilities portion of the existing combined waterworks and sewerage system of the Issuer (the "Project"); (ii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iii) to pay certain costs of issuance hereof and related costs. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth in the Indenture and the Supplemental Resolution.

Section 4.04. Letters of Credit. As additional security for any Notes, the Issuer may obtain a letter or letters of credit from a bank or banks, pursuant to which such bank or banks would agree to pay to the Trustee, upon presentation by the Trustee of certain

certificates, the sum or sums set forth therein but not to exceed \$1,500,000 in the aggregate. In the event of a draw under any such letter of credit, the Issuer shall issue its refunding notes to the bank issuing such letter of credit. Any such letter or letters of credit shall be authorized and shall have such terms as shall be set forth in a resolution supplemental hereto.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first each month transfer from the Revenue Fund to the Operation and Maintenance Fund the amount necessary and sufficient to pay current Operating Expenses.

(2) The Issuer shall next, each month (i) transfer from the Revenue Fund and pay to the "National Finance Office" designated in the Prior Bonds the amount required to pay the interest on the Prior Bonds and to amortize the principal of the Prior Bonds over the life of such Bond issue, (ii) on the first day of each month, commencing 7 months prior to the first date of payment of interest on the Series 1989 A Bonds for which interest has not been capitalized, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in the Series 1989 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 1989 A Bonds on the next ensuing semiannual interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 1989 A Bonds Sinking Fund and the next semiannual interest payment date is less than 7 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next semiannual interest payment date, the required amount of interest coming due on such date, and (iii) on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1989 A Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1989 A Bonds Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Series 1989 A Bonds on the next ensuing principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1989 A Bonds Sinking Fund and the next annual principal payment date is less than 13 months then such monthly payments shall be increased proportionately to provide, one month prior to the next annual principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next (i) by the 15th day of each month, transfer from the Revenue Fund to the Prior Bonds Reserve Account, 1/120 of the maximum amount of principal and interest becoming due on the Prior Bonds in any year until the amount in the Prior Bonds Reserve Account equals such maximum annual aggregate amount of principal and interest, (ii) on the first day of each month, commencing

13 months prior to the first date of payment of principal of the Series 1989 A Bonds, if not fully funded upon issuance of the Series 1989 A Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1989 A Bonds Reserve Account, an amount equal to 1/120 of the Series 1989 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1989 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1989 A Bonds Reserve Requirement.

(4) The Issuer shall next, each month, transfer from the Revenue Fund the moneys then remaining in the Revenue Fund and shall deposit the same in the Depreciation Fund heretofore established by the Prior Ordinance until there has been accumulated therein the sum of \$115,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Fund shall be used by the Issuer first to make up any deficiencies for the payment of principal of and interest on the Prior Bonds or the Series 1989 A Bonds as the same become due, and next to restore to the Prior Bonds Reserve Account or the Series 1989 A Bonds Reserve Account any sum or sums transferred therefrom to pay the principal or interest on the Prior Bonds or the Series 1989 A Bonds. Thereafter, and provided that payments of installments of the Prior Bonds and the Series 1989 A Bonds and into the Reserve Accounts therefor are current and in accordance with the foregoing provisions, moneys in the Depreciation Fund may be withdrawn by the Issuer and used for extensions, replacements and improvements for the System, or any part thereof.

(5) From the moneys remaining in the Revenue Fund, the Issuer shall next, on the first day of each month, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Prior Bonds Reserve Account or the Series 1989 A Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of

determination of a deficiency, funded such account to the maximum extent required by Subsection 5.03(a)(3)] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1989 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1989 B Bonds Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Series 1989 B Bonds on the next ensuing principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1989 B Bonds Sinking Fund and the next annual principal payment date is less than 13 months then such monthly payments shall be increased proportionately to provide, one month prior to the next annual principal payment date, the required amount of principal coming due on such date.

(7) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Series 1989 B Bonds, if not fully funded upon issuance of the Series 1989 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1989 B Bonds Reserve Account, an amount equal to 1/120 of the Series 1989 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1989 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1989 B Bonds Reserve Requirement.

Moneys in the Series 1989 A Bonds Sinking Fund and the Series 1989 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the respective series of Bonds as the same shall become due. Moneys in the Series 1989 A Bonds Reserve Account and the Series 1989 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the respective series of Bonds, as the same shall come due, when other moneys in the attendant Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the several Sinking Funds and Reserve Accounts shall be returned, not

less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments, if any, due on the respective Series of Bonds, and then to the next ensuing principal payments due thereon.

Any withdrawals from the Series 1989 A Bonds Reserve Account which result in a reduction in the balance of the Series 1989 A Bonds Reserve Account to below the Series 1989 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments to the Prior Bonds Sinking Funds and the Series 1989 A Bonds Sinking Fund for payment of debt service on the Prior Bonds and the Series 1989 A Bonds have been made in full.

Any withdrawals from the Series 1989 B Bonds Reserve Account which result in a reduction in the balance of the Series 1989 B Bonds Reserve Account to below the Series 1989 B Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments to the Prior Bonds Sinking Funds, the Series 1989 A Bonds Sinking Fund, the Series 1989 A Bonds Reserve Account, the Depreciation Account and the Series 1989 B Bonds Sinking Fund have been made in full.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate Reserve Account in an amount equal to the maximum provided and required to be paid into the concomitant Sinking Fund in any year for account of the Bonds of such series, including such additional Bonds which by their terms are payable from such Sinking Fund.

The Issuer shall not be required to make any further payments into the Series 1989 A Bonds Sinking Fund, or the Series 1989 B Bonds Sinking Fund or into the Reserve Accounts therein when the aggregate amount of funds in said respective Sinking Funds and Reserve Accounts are at least equal to the aggregate principal amount of the respective Bonds issued pursuant to this Bond Legislation then

Outstanding and all interest to accrue until the respective maturities thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Sinking Funds, including the Reserve Accounts therein and the Sinking Funds established for the Prior Bonds, and the Depreciation Account during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System, including, but not limited to, payment to the Trustee for deposit in the Notes Debt Service Fund.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Depreciation Account shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder; and provided further, that all payments to be made on a parity basis shall, in the event that revenues or other funds are insufficient therefor, be made pro-rata, in accordance with the Outstanding principal amounts of each respective issue of bonds.

F. All remittances made by the issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

1 G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System, provided that, in the event Notes are issued, Tap Fees may, with the written consent of the Authority be deposited otherwise.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1989 A Bonds, there shall first be deposited with the Commission in the Series 1989 A Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1989 A Bonds for the period commencing on the date of issuance of the Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1989 A Bonds, there shall be deposited with the Commission in the Series 1989 A Bonds Reserve Account and from the proceeds of the Series 1989 B Bonds, there shall be deposited with the Commission in the Series 1989 B Reserve Account the respective sums, if any, set forth in the Supplemental Resolution for funding of the Reserve Accounts.

C. Next, from the proceeds of the Series 1989 A Bonds, there shall first be credited to the Bond Construction Trust Fund and then paid, any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, including interest accrued thereon to the date of such payment, not otherwise paid from funds of the Issuer.

D. The remaining moneys derived from the sale of the Bonds shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02.

E. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so expended, are hereby pledged as additional security for the Series 1989 A Bonds, and thereafter for the Series 1989 B Bonds. In the event that Notes are issued, the disposition of funds in the Bonds Construction Trust Fund

may be modified from that set forth herein, with the written consent of the Authority.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond Construction Trust Fund (except for the costs of issuance of the Original Bonds which shall be made upon request of the Issuer), shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

1 In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund to the Series 1989 A Bonds Reserve Account, and when fully funded to the Series 1989 B

Bonds Reserve Account, and when both Reserve Accounts are fully funded, shall return such remaining moneys to the Issuer for deposit in the Revenue Fund. The Issuer shall thereafter, apply such moneys in full, first to the next ensuing interest payments, if any, due on the respective Series of Bonds and thereafter to the next ensuing principal payments due thereon. Notwithstanding the foregoing, if the Authority tenders any of its Series 1989 B Bonds to the Issuer pursuant to the provisions of the Supplemental Loan Agreement, such moneys shall be applied to the purchase of such Series 1989 B Bonds.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Until the payment in full of the principal of and interest on the Notes when due, and to the extent they do not materially adversely affect Bondholders, the covenants, agreements and provisions contained in this Bond Legislation shall, where applicable, also inure to the benefit of the Holders of the Notes and the Trustee therefor and constitute valid and legally binding covenants of the Issuer, enforceable in any court of competent jurisdiction by the Trustee or any Holder or Holders of said Notes as prescribed in the Indenture; provided, that Section 7.09 shall not be applied to the Grant Anticipation Notes.

Section 7.02. Bonds and Notes not to be Indebtedness of the Issuer. Neither the Bonds nor the Notes shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds or Notes, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or Notes or the interest thereon.

Section 7.03. Bonds Secured by Parity and Subordinate Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 1989 A Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System on a parity with the lien in favor of the Holders of the Prior Bonds. Payment of the debt service of the Series 1989 B Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Net Revenues, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Holders of the Prior Bonds and the Series 1989 A Bonds. The Revenues derived from the

System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the ordinance of the Issuer enacted May 8, 1989.

Section 7.05. Sale of the System. Except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds and Notes, if any, Outstanding, or to effectively defease this Bond Legislation in accordance with Section 10.01 hereof and, if entered into and not previously defeased, the Indenture in accordance with Section 8.01 thereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System. With respect to the Notes, such proceeds in an amount sufficient to pay the Notes in full shall be applied to the payment of the Notes, either at maturity or, if allowable under the Supplemental Resolution or Indenture, prior thereto.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The

proceeds of any such sale shall be deposited in the Depreciation Account. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Sinking Fund or the Depreciation Account shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07B, the Issuer shall not issue any obligations whatsoever with a lien on or otherwise payable from any source of payment pledged originally to the Notes issued under the Indenture or supplemental resolution prior to or on a parity with the lien on behalf of such Notes until such Notes have been defeased in accordance with the provisions of the Indenture and the Bond Legislation; and, so long as any of the Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Series 1989 B Bonds only may be issued as provided for in Section 7.07 hereof. All obligations issued by the

Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1989 A Bonds and the Series 1989 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Reserve Accounts and the Depreciation Account at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1989 B Bonds. No Parity Bonds shall be issued which shall be payable out of the revenues of the System on a parity with the Series 1989 A Bonds, unless the Series 1989 B Bonds are no longer outstanding.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become

due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Prior Bonds and any other obligations with a lien on the Gross Revenues prior to that of the Bonds;

(2) The Bonds then Outstanding;

(3) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(4) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

1 The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with

this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1989 A Bonds and the Series 1989 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1989 A Bonds or the Series 1989 B Bonds.

4 No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

B. Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority to the issuance of bonds on a parity with the Bonds.

Section 7.08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds or of a Note or Notes issued pursuant to this Bond Legislation or the Trustee shall have the right at all reasonable times to inspect the System and all

parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Trustee and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds or Notes, as the case may be, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the Indenture with respect to said Bonds or Notes, as the case may be, and the status of all said funds and accounts.

(C) The amount of any Bonds, Notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds or Notes, as the case may be, and shall submit said report to the Trustee and the Authority, or any other original purchaser of the Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all

in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Reserve Accounts and reserve accounts for obligations prior to or on a parity with the Bonds (including the Prior Bonds) are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual

budget and all resolutions authorizing increased expenditures for operation and maintenance to the Trustee and the Authority and to any Holder of any Bonds or Notes, as the case may be, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Trustee and to any Holder of any Bonds or Notes, as the case may be, or anyone acting for and in behalf of such Holder of any Bonds or Notes, as the case may be.

In addition, the Issuer shall annually cause the records of the System to be audited by an independent certified public accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement.

Section 7.11. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services

of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds or the Notes remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of

the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods

approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.16. Completion of Project. The Issuer will complete the Project and operate and maintain the System in good condition.

Section 7.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used

for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including those deemed necessary by the Authority) so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including those determined by the Authority) which would adversely affect such exclusion.

Section 7.18. Statutory Mortgage Lien. For the further protection of the Holders of the Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Bonds and shall be for the equal benefit of all Holders of each respective Series of Bonds, provided however, that the statutory mortgage lien in favor of the Holders of the Series 1989 A Bonds shall be on a parity with that of the Holders of the Prior Bonds and senior to the statutory mortgage lien in favor of the Holders of the Series 1989 B Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation or the Indenture, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Trustee, if any, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, and the Indenture, if any, the need for such moneys for the purposes set forth herein and in the Indenture, if any, and the specific restrictions and provisions set forth in this Section 8.01 and in the Indenture.

Except as provided in the Indenture, if any, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Trustee, if any, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Trustee, if any, the Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Trustee, if any, and the Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding.

Section 8.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Bonds in such manner and to such extent as may be necessary, in view of the Issuer's reasonable expectations at the time of issuance of the Bonds, so that the Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Bonds) so that the interest on the Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Rebate of Excess Investment Earnings to the United States. In accordance with Section 148(f)(4)(C) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that the Bonds are not private activity bonds as defined in Section 141 of the Code; that 95% or more of the Net Proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds as defined in Section 141 of the Code) issued by the Issuer during the calendar year in which the Bonds are issued will not exceed \$5,000,000, determined in accordance with Section 148(f)(4)(C) of the Code and the Regulations promulgated thereunder. For purposes of this Section 8.03 and for purposes of applying Section 148(f)(4)(C) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this Section 8.03 and Section 148(f)(4)(C) of the Code to any other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(C) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer shall take the following actions:

A. CREATION OF FUNDS. There are hereby created, to be held by the Depository Bank as separate funds distinct from all other funds and accounts held by the Depository Bank under this Bond Legislation, the Earnings Fund and the Rebate Fund. All interest earnings and profits on amounts in all funds and accounts established under this Bond Legislation, other than (i) interest earnings and profits on any

funds referenced in Subsection C(5) of this Section if such earnings in any Bond Year are less than \$500,000, provided that, if the Bonds are not private activity bonds (including any "qualified 501(c)(3) bond" as defined under Section 145 of the Code), if the average maturity of the issue of the Bonds (determined in accordance with Section 147(b)(2)(A) of the Code) is at least 5 years and if the rate of interest on the issue of the Bonds does not vary during the term of the issue, then this clause (i) of this Section 8.03A shall be applied without regard to such dollar limitation, (ii) interest earnings and profits on amounts in funds and accounts which do not constitute Gross Proceeds, (iii) interest earnings and profits on the Rebate Fund, and (iv) interest earnings and profits on amounts in funds and accounts otherwise excepted under the Regulations shall, upon receipt by the Depository Bank, be deposited in the Earnings Fund. In addition, all interest earnings and profits on Gross Proceeds in funds held by the Issuer shall, upon receipt, be paid to the Depository Bank for deposit in the Earnings Fund. Annually, before the 30th day following the end of each Bond Year or on the preceding business day in the event that such last day is not a business day, or such earlier date as may be required under the Code, the Depository Bank shall transfer from the Earnings Fund to the Rebate Fund for purposes of ultimate payment to the United States an amount equal to Excess Investment Earnings, all as more particularly described in this Section. Following the transfer referenced in the preceding sentence, the Depository Bank shall transfer all amounts remaining in the Earnings Fund to be used for the payment of Debt Service on the next interest payment date and for such purpose, Debt Service due from the Issuer on such date shall be credited by an amount equal to the amount so transferred.

B. DUTIES OF ISSUER IN GENERAL. The Issuer shall calculate Excess Investment Earnings in accordance with Subsection C and shall assure payment of an amount equal to Excess Investment Earnings to the United States in accordance with Subsections D and E.

C. CALCULATION OF EXCESS INVESTMENT EARNINGS. Within 15 days following the last day of the first Bond Year, or such earlier date as may be required under the Regulations, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the Excess Investment Earnings referenced in clause (A) of the definition of Excess Investment Earnings. Thereafter, within 15 days following the last day of each Bond Year and within 15 days following the date of the retirement of the Bond, or such earlier dates as may be required under the Regulations, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the amount of Excess Investment Earnings. Said calculations shall be made or caused to be made by the

Issuer in accordance with the following, or in accordance with such other requirements as may be applicable under the Regulations:

(1) Except as provided in (2), in determining the amount described in clause A(i) of the definition of Excess Investment Earnings, the aggregate amount earned on Nonpurpose Investments shall include (i) all income realized under federal income tax accounting principles (whether or not the person earning such income is subject to federal income tax) with respect to such Nonpurpose Investments and with respect to the reinvestment of investment receipts from such Nonpurpose Investments (without regard to the transaction costs incurred in acquiring, carrying, selling or redeeming such Nonpurpose Investments), including, but not limited to, gain or loss realized on the disposition of such Nonpurpose Investments (without regard to when such gains are taken into account under Section 453 of the Code relating to taxable year of inclusion of gross income), and income under Section 1272 of the Code (relating to original issue discount) and (ii) any unrealized gain or loss as of the date of retirement of the Bonds in the event that any Nonpurpose Investment is retained after such date.

(2) In determining the amount described in clause (A) of the definition of Excess Investment Earnings, Investment Property shall be treated as acquired for its fair market value at the time it becomes a Nonpurpose Investment, so that gain or loss on the disposition of such Investment Property shall be computed with reference to such fair market value as its adjusted basis.

(3) In determining the amount described in clause (A)(ii) of the definition of Excess Investment Earnings, the Yield on the Bonds shall be determined based on the actual Yield of the Bonds during the period between the Closing Date of the Bonds and the date the computation is made (with adjustments for original issue discount or premium).

(4) In determining the amount described in clause (B) of the definition of Excess Investment Earnings, all income attributable to the excess described in clause (A) of said definition must be taken into account, whether or not that income exceeds the Yield of the Bonds, and no amount may be treated as "negative arbitrage."

(5) In determining the amount of Excess Investment Earnings, there shall be excluded any amount

earned on any fund or account which is used primarily to achieve a proper matching of revenues and Debt Service within each Bond Year and which is depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1 year's earnings on such fund or account or 1/12th of annual Debt Service (which may include a portion of a fund or account, although not a separate and distinct fund or account) as well as amounts earned on said earnings if the gross earnings on such fund or account for the Bond Year is less than \$500,000, provided that, if the Bonds are not private activity bonds (including any "qualified 501(c)(3) bond" as defined under Section 145 of the Code), if the average maturity of the issue of the Bonds (determined in accordance with Section 147(b)(2)(A) of the Code) is at least 5 years and if the rate of interest on the issue of the Bonds does not vary during the term of the issue, then all amounts earned on such fund or account as well as amounts earned on said earnings shall be excluded in determining the amount of Excess Investment Earnings.

4 D. PAYMENT TO THE UNITED STATES. The Issuer shall direct the Depository Bank to pay from the Rebate Fund an amount equal to Excess Investment Earnings to the United States in installments with the first payment to be made not later than 30 days after the end of the 5th Bond Year and with subsequent payments to be made not later than 5 years after the preceding payment was due, except to the extent otherwise required under the Regulations. The Issuer shall assure that each such installment is in an amount equal to at least 90% of the Excess Investment Earnings with respect to the Gross Proceeds as of the close of the computation period or other period required under the Regulations. Not later than 60 days after the retirement of the Bonds, the Issuer shall direct the Depository Bank to pay from the Rebate Fund to the United States 100% of the theretofore unpaid Excess Investment Earnings in the Rebate Fund. In the event that there are any amounts remaining in the Rebate Fund following the payment required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required by this Subsection D, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

E. FURTHER OBLIGATIONS OF ISSUER. The Issuer shall assure that Excess Investment Earnings are not paid or disbursed except as

required in this Section. To that end the Issuer shall assure that investment transactions are on an arm's length basis and that Nonpurpose Investments are acquired at their fair market value. In the event that Nonpurpose Investments consist of certificates of deposit or investment contracts, investment in such Nonpurpose Investments shall be made in accordance with the procedures described in applicable Regulations as from time to time in effect. The Depository Bank shall keep the moneys in the Earnings Fund and Rebate Fund invested and reinvested to the fullest extent practicable in Government Obligations with maturities consonant with the required use thereof and investment profits and earnings shall be credited to the account of such fund on which earned.

F. MAINTENANCE OF RECORDS. The Issuer shall keep, and retain for a period of 6 years following the retirement of the Bonds, records of the determinations made pursuant to this Section 8.03.

G. INDEPENDENT CONSULTANTS. In order to provide for the administration of this Section 8.03, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate.

H. FURTHER AGREEMENT. Notwithstanding the foregoing, the Issuer further covenants to comply with all Regulations from time to time in effect and applicable to the Bonds, as may be necessary in order to fully comply with Section 148(f) of the Code.

I. REPORTING TO AUTHORITY. The Issuer shall furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, then the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Bonds subject to rebate.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Notes:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Notes; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Notes set forth in this Bond Legislation, any supplemental resolution, the Indenture or in the Notes, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Trustee, any other bank or banking association holding any fund or account hereunder or a Holder of a Note; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

1 B. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Note or Bond, as the case may be, may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Notes or Bonds, as the case may be, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Notes or Bonds, as the case may be, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Notes or Bonds, or the rights of such Registered Owners, provided however, that no remedy herein stated may be exercised by a Noteholder in a manner which adversely affects any remedy available to the Bondholders, and provided further, that all rights and remedies of the Holders of the Series 1989 B Bonds shall be subject to those of the Holders of the Series 1989 A Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond or Bond Anticipation Note may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds or Bond Anticipation Notes any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(b) The Governmental Agency shall have authorized the issuance of and delivered to the Authority for purchase the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided, that, if the Loan will refund an interim financing of construction, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority shall have received a certificate of the Consulting Engineers to such effect;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") necessary for the construction of the Project and operation of the System, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(h) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsection 4.1(b)(ii) hereof, and the Authority shall have received a certificate of the accountants for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority, to such effect; and

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of water development projects and satisfactory to the Authority, to such effect, such certificate to be in form and substance satisfactory to the Authority, and evidence satisfactory to the Authority of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Authority for loans to finance water development projects and that the obligation of the Authority to make any such loan is subject to the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the right of the Authority to make such loans to other governmental agencies as in the aggregate will permit the fullest and most timely utilization of such proceeds to enable the Authority to pay debt service on the water development revenue bonds issued by it. The Governmental Agency specifically recognizes that the Authority will not execute this Loan Agreement unless and until it has available funds sufficient to purchase all the Local Bonds and that, prior to such execution, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available. The Governmental Agency further specifically recognizes that during the last 90 days of a period to originate Loans from its water development revenue bond proceeds, the Authority may execute Loan Agreements, commit moneys and close Local Bond sales in such order and manner as it deems in the best interest of the Program.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly, in the order of priority listed, as set forth on Schedule Y attached hereto and incorporated herein by reference. The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by the gross or net revenues from the System, as more fully set forth in Schedules X and Y attached hereto;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the reserve account established for the payment of debt service on the Local Bonds (the "Reserve Account") is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount at least equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement") and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%)

of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That any Local Bond owner may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement;

(xii) That the Governmental Agency shall annually adopt a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing for non-construction costs) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency shall not authorize redemption of any Local Bonds by it without the written consent of the Authority and otherwise in compliance with this Loan Agreement;

(xvi) That, unless it qualifies for an exception to the provisions of Section 148 of the Code, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority; and

(xvii) That the Governmental Agency shall take any and all action, or shall refrain from taking any action, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for Federal income tax purposes of interest on the Authority's water development revenue bonds.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit A.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority.

4.3 The principal of the Loan shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a semiannual basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date of the delivery to the Authority of the Local Bonds until the date of payment thereof, at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.5 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.6 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be as determined by the Authority and shall include without limitation Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for the water development revenue bonds. The Authority shall provide both the Governmental Agency and the trustee for the water development revenue bonds with a schedule of such fees and charges, and the Governmental Agency shall pay such fees and charges on the dates indicated directly to the trustee. The Governmental Agency hereby specifically authorizes the Authority to exercise the powers granted it by Section 9.06 of the General Resolution.

4.7 As long as the Authority is the owner of any of the Local Bonds outstanding, the Governmental Agency shall not redeem any of such Local Bonds outstanding without the written consent of the Authority, and any such redemption of Local Bonds authorized by the Authority shall provide for the payment of interest to the first allowable redemption date for the applicable water development revenue bonds, the redemption premium payable on the applicable water development revenue bonds redeemable as a consequence of such redemption of Local Bonds and the costs and expenses of the Authority in effecting any such redemption, all as further prescribed by Section 9.11 of the General Resolution. Nothing in this Loan Agreement shall be construed to prohibit the Authority from refunding applicable water development revenue bonds, and such refunding need not be based upon or result in any benefit to the Governmental Agency.

ARTICLE V

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System, as set forth in the Local Act and in compliance with the provisions of Subsection 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the minimum sums set forth in the Local Act, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges so as to provide funds sufficient to produce the minimum sums set forth in the Local Act and as required by this Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment of any fees due to the Authority pursuant to Section 4.6 hereof, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under Section 6a of the Act, including without limitation the right to impose, enforce and collect directly charges upon users of the System.

ARTICLE VI

Other Agreements of the Governmental Agency

6.1 The Governmental Agency hereby acknowledges to the Authority its understanding of the provisions of the Act, vesting in the Authority certain powers, rights and privileges with respect to water development projects in the event of default by governmental agencies in the terms and covenants of

loan agreements, and the Governmental Agency hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Governmental Agency shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 At the option of the Authority, the Governmental Agency shall issue and sell to the Authority additional, subordinate bonds to evidence the Governmental Agency's obligation to repay to the Authority any grant received by the Governmental Agency from the Authority in excess of the amount to which the Governmental Agency is entitled pursuant to applicable policies or rules and regulations of the Authority. Also at the option of the Authority, the Governmental Agency may issue and sell to the Authority additional, subordinate bonds for such purposes as may be acceptable to the Authority.

6.3 The Governmental Agency hereby warrants and represents that all information provided to the Authority in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority shall have the right to cancel all or any of its obligations under this Loan Agreement if (a) any representation made to the Authority by the Governmental Agency in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Governmental Agency has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of this Loan Agreement.

6.4 The Governmental Agency hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority for the planning or design of the Project, and such repayment shall be a condition precedent to the Authority's making the Loan.

6.5 The Governmental Agency hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for Federal income tax purposes of interest on the Local Bonds.

6.6 Notwithstanding Section 6.5, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.7 The Governmental Agency hereby agrees to give the Authority prior written notice of the issuance by it of any other obligations to be used for the Project, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.8 The Governmental Agency hereby agrees to file with the Authority upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

7.2 Schedule X shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Governmental Agency supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.3 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.4 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.5 No waiver by either party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.6 This Loan Agreement merges and supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.7 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

1.5 "Supplemental Loan" means the loan to be made by the Authority to the Governmental Agency through the purchase of Supplemental Bonds pursuant to this Supplemental Loan Agreement.

1.6 Additional terms and phrases are defined in this Supplemental Loan Agreement as they are used.

ARTICLE II

The Project and the System

2.1 The Project shall generally consist of the construction and acquisition of the facilities described in the Application, to be, being or having been constructed in accordance with plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers, the Authority having found, to the extent applicable, that the Project is consistent with the applicable comprehensive plan of water management approved by the Director of the West Virginia Department of Natural Resources (or in the process of preparation by such Director), has been approved by the West Virginia Department of Health and is consistent with the standards set by the West Virginia Water Resources Board for the waters of the State affected thereby.

2.2 Subject to the terms, conditions and provisions of this Supplemental Loan Agreement and of the Local Act, the Governmental Agency has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute.

2.4 The Governmental Agency agrees that the Authority and its duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and its duly authorized agents shall, prior to, at and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority in respect of the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority, acting by and through its Director or his duly authorized representatives, to inspect all books, documents, papers and records relating to the Project at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority such documents and information as it may reasonably require in connection with the construction, acquisition and installation of the Project and the administration of the Supplemental Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and its agents to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract, as security for the faithful performance of such contract.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and

all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing and maintained so long as any of the Supplemental Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Supplemental Bonds is outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

2.10 The Governmental Agency agrees that it will at all times provide operation and maintenance of the System to comply with any and all State and federal standards. The Governmental Agency agrees that qualified operating personnel properly certified by the State will be retained to operate the System during the entire term of this Supplemental Loan Agreement.

ARTICLE III

Conditions to Supplemental Loan; Issuance of Supplemental Bonds

3.1 The agreement of the Authority to make the Supplemental Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority, of each and all of those certain conditions precedent on or before the delivery date for the Supplemental Bonds, which shall be the

date established pursuant to Section 3.4 of the Loan Agreement for delivery of the Local Bonds. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Supplemental Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivered to the Authority for purchase the Supplemental Bonds described in this Article III and in Article IV hereof and shall have delivered to the Authority for purchase the Local Bonds in accordance with the Loan Agreement;

(c) The Governmental Agency shall either have received bids or entered contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided, that, if the Supplemental Loan will refund an interim financing of construction, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and in either case, the Authority shall have received a certificate of the Consulting Engineers to such effect;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") necessary for the construction of the Project and operation of the System, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Supplemental Bonds required by State law, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such

rates and charges is not, however, required to be effective until completion of construction of the Project), and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(h) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsection 4.1(b)(ii) hereof, and the Authority shall have received a certificate of the accountants for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority, to such effect; and

(i) The net proceeds of the Supplemental Bonds, together with the net proceeds of the Local Bonds and all other moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of water development projects and satisfactory to the Authority, to such effect, such certificate to be in form and substance satisfactory to the Authority, and evidence satisfactory to the Authority of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Supplemental Loan Agreement, the rules and regulations promulgated by the Authority or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Supplemental Loan to the Governmental Agency and the Governmental Agency shall accept the Supplemental Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Supplemental Loan by purchasing the Supplemental Bonds in the principal amount and at the price set forth in Schedule X hereto. The Supplemental Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Supplemental Loan shall be secured and shall be repaid in the manner hereinafter provided in this Supplemental Loan Agreement.

3.4 The Supplemental Loan will be made only in conjunction with the Loan. The Supplemental Bond shall be delivered to the Authority, at the offices of the Authority,

simultaneously with the delivery of the Local Bond to the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Authority for loans to finance water development projects and that the obligation of the Authority to make any such loan is subject to the Governmental Agency's fulfilling all of the terms and conditions of this Supplemental Loan Agreement and the Loan Agreement on or prior to the Date of Loan Closing and to the right of the Authority to make such loans to other governmental agencies under the conditions and in the manner described in the Loan Agreement. The Governmental Agency further understands and acknowledges that the Authority's obligation to make the Supplemental Loan is subject to the availability on the Date of Loan Closing of funds legally available therefor.

3.6 Anything in this Loan Agreement notwithstanding, if the Authority is unable to pay the proceeds of the Supplemental Bonds to the Governmental Agency on the Date of Loan Closing due to the time required for processing the purchase order or requisition for such moneys with the State, the Authority may pay such proceeds as soon as received after the Date of Loan Closing; provided, that the Supplemental Bonds shall not evidence any debt to be repaid to the Authority until the proceeds thereof are received by the Governmental Agency.

ARTICLE IV

Supplemental Bonds; Security for Supplemental Loan;
Repayment of Supplemental Loan; No Interest on
Supplemental Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Supplemental Loan, authorize the issuance of and issue the Supplemental Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly, in the order of priority listed, as set forth on Schedule Y attached hereto and incorporated herein by reference. The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Supplemental Bonds shall be secured by the gross or net revenues from the System, as more fully set forth in Schedules X and Y attached hereto, subject to the prior and senior security therefrom granted to the Local Bonds;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and the Supplemental Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or the Supplemental Bonds or, if the reserve accounts established for the payment of debt service on the Local Bonds (the "Reserve Account") and for the payment of debt service on the Supplemental Bonds (the "Supplemental Reserve Account") are funded (whether by bond proceeds, monthly deposits or otherwise), respectively, at an amount at least equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement") or on the Supplemental Bonds in the then current or any succeeding year (the "Supplemental Reserve Requirement"), as the case may be, and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and the Supplemental Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds and Supplemental Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Supplemental Bonds, except the Local Bonds and bonds on a parity with the Supplemental Bonds, which parity bonds shall only be issued if net revenues of

the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Supplemental Bonds and parity bonds theretofore and then being issued and on the Local Bonds and any other obligations secured by a lien on or payable from the revenues of the System prior to the Supplemental Bonds; provided, however, that additional parity Local Bonds and additional parity Supplemental Bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That any Supplemental Bond owner may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal or of interest on the Supplemental Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law, subject to the prior and senior rights of the owner or owners of the Local Bonds;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Supplemental Loan Agreement;

(xii) That the Governmental Agency shall annually adopt a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Supplemental Bonds, except any proceeds deposited in the Reserve Account or the Supplemental Reserve Account, must be deposited in a construction fund on which the owners of the Supplemental Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing for non-construction costs); provided, that said construction fund may be the one established for the Local Bonds, which shall have a prior and senior lien thereon, but shall otherwise be kept separate and apart from all other funds of the Governmental Agency; and

(xv) That, as long as the Authority is the owner of any of the Supplemental Bonds, the Governmental Agency shall not authorize redemption of any Supplemental Bonds by it without the written consent of the Authority.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Supplemental Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Supplemental Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to the prior and senior security therefrom for the Local Bonds and to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority.

4.3 The principal of the Supplemental Loan shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto.

4.4 The Supplemental Loan shall not bear interest.

4.5 The Supplemental Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency.

4.6 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the reasonable administrative expenses of the Authority relating to the Supplemental Program, which administrative expenses shall be as determined by the Authority and shall include, but not be limited to, legal fees paid by the Authority.

4.7 If the schedule furnished to the Authority pursuant to Section 6.5 reflects an excess of funding for the Project, or if the Authority is otherwise advised of an excess of funding for the Project, the Authority may tender to the Governmental Agency its Supplemental Bonds for payment in an amount equal to such excess. Notwithstanding the foregoing, if the Governmental Agency has grant anticipation notes or some other interim financing outstanding upon completion of construction of the Project, it shall advise the Authority of such fact and submit a second schedule to the Authority upon payment of the interim financing, and the Authority shall not tender its Supplemental Bonds for payment until the outstanding interim financing has been paid.

ARTICLE V

Certain Covenants of the Governmental Agency;
Imposition and Collection of User Charges;
Payments To Be Made by
Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Supplemental Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Supplemental Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System, as set forth in the Local Act and in compliance with the provisions of Subsection 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds and the Supplemental Bonds shall prove to be insufficient to produce the minimum sums set

forth in the Local Act, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges so as to provide funds sufficient to produce the minimum sums set forth in the Local Act and as required by this Supplemental Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment of any fees due to the Authority pursuant to Section 4.6 hereof, the amount of such default shall bear interest at the rate of five percent (5%) per annum, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under Section 6a of the Act, including without limitation the right to impose, enforce and collect directly charges upon users of the System.

ARTICLE VI

Other Agreements of the Governmental Agency

6.1 The Governmental Agency hereby acknowledges to the Authority its understanding of the provisions of the Act, vesting in the Authority certain powers, rights and privileges with respect to water development projects in the event of default by governmental agencies in the terms and covenants of loan agreements, and the Governmental Agency hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Governmental Agency shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Supplemental Loan Agreement.

6.2 The Governmental Agency hereby warrants and represents that all information provided to the Authority in this Supplemental Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time provided, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. 6.3 The Governmental Agency hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority for the planning or design of the Project, and such repayment shall be a condition precedent to the Authority's making the Supplemental Loan.

6.4 The Governmental Agency hereby agrees to give the Authority prior written notice of the issuance by it of any other obligations to be used for the Project, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.5 The Governmental Agency hereby agrees to file with the Authority upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

7.3 If any provision of this Supplemental Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Supplemental Loan Agreement, and this Supplemental Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.4 This Supplemental Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Supplemental Loan Agreement.

7.5 No waiver by either party of any term or condition of this Supplemental Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Supplemental Loan Agreement.

7.6 This Supplemental Loan Agreement merges and supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Supplemental Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.7 By execution and delivery of this Supplemental Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Supplemental Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF POINT PLEASANT, a municipal corporation and political subdivision of the State of West Virginia in Mason County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION EIGHT HUNDRED THIRTY-SEVEN THOUSAND SIX HUNDRED DOLLARS (\$1,837,600), in installments on October 1 of each year (except for the final installment due April 1, 2029) as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1989. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar") on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority, dated June 27, 1989.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements for the sewerage facilities portion of the existing combined waterworks and sewerage system of the Issuer (the "Project"); (ii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iii) to pay certain costs of issuance hereof and related costs. City of Point Pleasant Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A

West Virginia Water Development Authority
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the City of Point Pleasant (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of \$1,837,600 Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A, dated the date hereof (the "Local Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated June 27, 1989, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Issuer and the West Virginia Water Development Authority (the "Authority") and the Local Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are originally issued in the form of one bond, registered as to principal and interest to the Authority, with interest payable April 1 and October 1 of each year, commencing October 1, 1989, at the rate of 8.4% per annum, and with principal installments payable on October 1 in each of the years 1991 through 2028, inclusive, and on April 1, 2029, all as set forth in "Schedule X," attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Local Statute"), for the purposes of (i) paying a portion of the costs of acquisition and construction of additions, betterments and improvements for the existing sewerage facilities portion of the combined municipal waterworks and sewerage system of the Issuer (the "Project"); (ii) funding a reserve account for the Local Bonds; and (iii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of the Local Statute, the bond ordinance duly enacted by the Issuer on June 12, 1989, as supplemented by a supplemental resolution adopted June 12, 1989 (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued and the Loan Agreement that has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to construct and acquire the Project, to operate and maintain the System referred to in the Loan Agreement and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.
2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Issuer without the written consent of the Authority.
3. The Local Act and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable upon the Issuer. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
4. The Local Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Local Act and secured by a first lien on and pledge of the Net Revenues of said System, on parity, however, with respect to lien and sources of and security for payment with the Issuer's outstanding Water and Sewer Revenue Bond, Series 1976, dated May 3, 1978, issued in the original aggregate

principal amount of \$1,870,000 (the "Prior Bonds"), all in accordance with the terms of the Local Bonds and the Local Act.

5. The interest on the Local Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years beginning after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Local Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the Local Bonds to be included in gross income retroactive to the date of issuance of the Local Bonds. The Issuer has covenanted to comply with all such requirements. We express no opinion regarding other federal tax consequences arising with respect to the Local Bonds.

6. The Local Bonds are, under the Local Statute, exempt from all direct taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof, and the interest on the Local Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

7. The time for appeal of the Final Order of the Public Service Commission of West Virginia entered June 23, 1989 (Case No. 89-205-S-CN), granting to the Issuer a Certificate of Convenience and Necessity is not subject to appeal to the Supreme Court of Appeals of West Virginia by any customer, protestant or other person who has not been made a party to the original application.

It is to be understood that the rights of the holders of the Local Bonds and the enforceability of the Local Bonds, the Loan Agreement and the Local Act may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered AR-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B

West Virginia Water Development Authority
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the City of Point Pleasant (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia of \$272,400 Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B, dated the date hereof (the "Supplemental Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a supplemental loan agreement, dated June 27, 1989, including all schedules and exhibits attached thereto (the "Supplemental Loan Agreement"), between the Issuer and the West Virginia Water Development Authority (the "Authority") and the Supplemental Bonds, which are to be purchased by the Authority in accordance with the provisions of the Supplemental Loan Agreement. The Supplemental Bonds are originally issued in the form of one bond registered as to principal to the Authority, without interest thereon, with principal payable in installments on October 1 in each of the years 1991 through 2028, inclusive, and on April 1, 2029, all as set forth in "Schedule X," attached to the Supplemental Loan Agreement and incorporated in and made part of the Supplemental Bonds.

The Supplemental Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (the "Local Statute"), for the purposes of (i) permanently financing a portion of the costs of acquisition and construction of additions, betterments and improvements for the existing sewerage facilities portion of the combined waterworks and sewerage system of the Issuer (the "Project"); (ii) funding a reserve account for the Supplemental Bonds; and (iii) paying certain issuance and other costs in connection therewith.

The Supplemental Loan Agreement is supplemental to a loan agreement also dated June 27, 1989, between the Issuer and the Authority (the "Loan Agreement"). The Supplemental Bonds are junior, subordinate and inferior as to lien and source of and security for payment to the bonds issued pursuant to the Loan Agreement and designated "Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A" (the "Local Bonds"), which Local Bonds are issued simultaneously herewith, and to the Issuer's outstanding Water and Sewer Revenue Bond, Series 1976, dated May 3, 1978, issued in the original aggregate principal amount of \$1,870,000 (the "Prior Bonds").

We have also examined the applicable provisions of the Local Statute, the bond and notes ordinance duly enacted by the Issuer on June 12, 1989, as supplemented by a supplemental resolution adopted June 12, 1989 (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act Supplemental Bonds are authorized and issued and the Supplemental Loan Agreement that has been undertaken. The Supplemental Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Supplemental Loan Agreement.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to construct and acquire the Project, to operate and maintain the System referred to in the Supplemental Loan Agreement and to issue and sell the Supplemental Bonds, all under the Local Statute and other applicable provisions of law. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Supplemental Loan Agreement.

2. The Supplemental Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Issuer without the written consent of the Authority.

3. The Local Act and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable upon the Issuer.

4. The Supplemental Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Local Act and secured by a lien on and pledge of the Net Revenues of said System, junior and subordinate only to the Local Bonds and the Prior Bonds, all in accordance with the terms of the Supplemental Bonds and the Local Act.

5. The Issuer has reserved the right to issue additional bonds ranking on a parity with the Supplemental Bonds, as provided in the Local Act.

6. The Supplemental Bonds are, under the Local Statute, exempt from direct taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

7. The time for appeal of the Final Order of the Public Service Commission of West Virginia entered June 23, 1989 (Case No. 89-205-S-CN) granting to the Issuer a Certificate of Convenience and Necessity is not subject to appeal to the Supreme Court of Appeals of West Virginia by any customer, protestant or other person who has not been made a party to the original application.

It is to be understood that the rights of the holders of the Supplemental Bonds and the enforceability of the Supplemental Bonds, the Supplemental Loan Agreement and the Local Act may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Supplemental Bond numbered BR-1, and in our opinion the form of such bond and its execution and authentication are regular and proper.

City of Point Pleasant Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A

West Virginia Water Development Authority

Dunbar, West Virginia 25064

Gentlemen:

We have examined a transcript of proceedings relating to the issuance of \$1,837,600 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A (the "Local Bonds"), of the City of Point Pleasant (the "Issuer"), and a Certificate as to Arbitrage executed by the Mayor of the Issuer on this date.

Based upon such Certificate as to Arbitrage, we are of the opinion that the facts, estimates and circumstances set forth in the Certificate as to Arbitrage are sufficient to satisfy the requirements of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), to support the conclusion that the Local Bonds are not "arbitrage bonds" as therein defined. While we have undertaken no independent verification or investigation of the certifications, statements, expectations or representations set forth in such Certificate as to Arbitrage, no matters have come to our attention which make unreasonable or incorrect such certifications, statements, expectations or representations.

Accordingly, it is our opinion that, under existing statutes, regulations, rulings and court decisions, the Local Bonds are not "arbitrage bonds" as so defined. It is our further opinion, based upon such Certificate as to Arbitrage and under existing statutes, regulations, rulings and court

//

decisions, that proceeds of the Local Bonds are not subject to the arbitrage rebate requirements set forth in Section 148(f) of the Code.

The opinions set forth above are subject to the condition that the Issuer comply with all requirements of the Code relating to arbitrage that must be satisfied subsequent to the issuance of the Local Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the Local Bonds to be so included in gross income retroactive to the date of issuance of the Local Bonds. The Issuer has covenanted to comply with all such requirements.

Very truly yours,

Gentlemen:

I am counsel to the City of Point Pleasant, in Mason County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinions of Steptoe & Johnson, as bond counsel, a loan agreement and supplemental loan agreement, both dated June 27, 1989, by and between the West Virginia Water Development Authority (the "Authority") and the Issuer (collectively, the "Loan Agreement"), the Local Act (as defined therein) and other documents relating to the above-captioned Bonds of the Issuer. Terms used in said opinions, Local Act and Loan Agreement and not otherwise defined herein have the same meanings herein.

I am of the opinion that:

1. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer in accordance with its terms.
2. The Mayor, City Clerk and members of the council of the Issuer have been duly and properly elected or appointed, have taken the requisite oaths, and are authorized to act on behalf of the Issuer.
3. The Local Act has been duly enacted and adopted by the Issuer and is in full force and effect.

West Virginia Water Development Authority, et al.
June 27, 1989
Page Two

4. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Loan Agreement, and the carrying out of the terms thereof, do not and will not in any material respect conflict with or constitute on the part of the Issuer a breach of or default under any agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. To the best of my knowledge and upon information provided by Dunn Engineers, Inc., the Issuer has received all permits, licenses, approvals and authorizations necessary for the issuance of the Bonds, construction of the Project, operation of the System and imposition of rates and charges, including, without limitation, the receipt of all requisite orders and approvals from the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges. The time for appeal of such rate ordinance has expired prior to the date hereof without any appeal. The time for appeal of the Final Order of the Public Service Commission of West Virginia entered June 23, 1989 (Case No. 89-205-S-CN) granting to the Issuer a Certificate of Convenience and Necessity with respect to the Project has not expired prior to the date hereof. However, the Public Service Commission staff has stated in a letter dated June 23, 1989, that it does not intend to appeal such Order and there are no intervenors or other parties of record in the case other than the Issuer.

6. To the best of my knowledge and upon information provided by the City of Point Pleasant, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, construction of the Project, operation of the System or the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

W. Dan Roll

Gentlemen:

Based upon the rates and charges as set forth in the ordinance of the City of Point Pleasant enacted May 8, 1989 (the "Ordinance"), and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Dunn Engineers, Inc., consulting engineers, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system of the City of Point Pleasant, will pay all repair, operation and maintenance expenses and leave a balance each year equal to at least 110% of the maximum amount required in any year for debt service on the Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 A and Series 1989 B, to be issued to West Virginia Water Development Authority and all other obligations secured or payable from the revenues of the System prior to or on a parity with such Bonds including the Prior Bonds, as defined in the Ordinance.

Very truly yours,

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of Article 20, Chapter 8 of the West Virginia Code (the "Act") and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

(A) The City of Point Pleasant (herein called the "City"), in the County of Mason, State of West Virginia, is now served by a municipal waterworks, but the existing waterworks is not adequate and is not capable of providing needed water to the City and adjacent areas. The inhabitants of the City and surrounding area to be served by the System (hereinafter defined) urgently require that the Project (hereinafter defined) be constructed and acquired as herein provided in order that adequate provision may be made for supplying sufficient quantities of potable water to the inhabitants of the City and surrounding area. The City has heretofore combined its waterworks and its sewerage system into a combined waterworks and sewerage system pursuant to the Act.

(B) It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the said inhabitants, and, accordingly, it is hereby ordered that the City cause the Project to be

constructed and acquired. The Project shall consist of*

with all necessary appurtenant facilities, particularly described in the
* The Project shall consist of a new 2100 GPM Water treatment-
including four new wells, new pressure filters, a clear well,
two 750,000 gallon storage tanks and new transmission lines.
a public purpose of the City for the City to issue its revenue bond in the
principal amount of \$1,870,000 to finance the costs of acquisition and con-
struction of the Project in the manner hereinafter provided. Such financing
will promote the health, welfare and safety of the residents of the City.

(D) The estimated maximum cost of the acquisition and construction
of the Project is \$3,813,000 of which \$1,870,000 will be obtained from the
proceeds of sale of the Bond herein authorized and \$1,943,000 will be obtained
from a grant by Economic Development Administration of the United States De-
partment of Commerce.

(E) The costs of such acquisition and construction of the Project
shall be deemed to include, without being limited to, the construction and
acquisition of the properties and facilities constituting the Project; interest
on the 1976 Bond and the Notes during and for six months after the estimated
completion of such construction, or not to exceed three years from the issuance
of the Bond, whichever occurs first, to the extent that revenues of the System
are not sufficient therefor; engineering and legal expenses; expenses for es-
timates of costs and revenues; expenses for plans, specifications and surveys;
and such other expenses as may be necessary or incidental to the acquisition
and construction of the Project and the financing authorized hereby, and pay-
ment of outstanding unbonded indebtedness of the System.

(F) The period of usefulness of the System after completion of
the Project is not less than forty years.

(G) There are outstanding the Water and Sewer Revenue Refunding
Bonds of the City dated January 1, 1955, originally issued in the principal
amount of \$930,000, the last maturity of which is January 1, 1990 (the "1955

Bonds"). The Bond will be junior and subordinate to the 1955 Bonds as to liens, pledges and source of and security for payment and in all other respects.

Section 1.03. Ordinance to Constitute Contract. In consideration of the acceptance of the Bond authorized to be issued hereunder by the Holder from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the City and such Bondholder, and the covenants and agreements herein set forth to be performed by the City shall be for the benefit, protection and security of the legal holder of the Bond.

Each Note shall be designated "Bond Anticipation Note", shall be dated May 4, 1977, shall be in denominations which are integral multiples of \$5,000, shall be in bearer form, shall be dated as of the date of delivery, shall bear interest from the date of delivery at the rate of 3 1/2% per annum payable at maturity which shall be on May 4, 1978, shall be numbered from one upward, shall be payable at Chase Manhattan Bank, N.A., New York, New York, and Citizens National Bank of Point Pleasant, West Virginia, as Paying Agents, and shall contain the provisions shown in the form of Notes set forth in Section 1.1 A below.

The Notes shall be executed for the City by its Mayor, and the seal of the City shall be affixed or imprinted thereon and attested by the signature of the City Clerk of the City.

The Notes shall be sold to Lehman Brothers Incorporated (acting on behalf of itself and for Lehman Special Securities Incorporated) and Horner Barksdale & Co., as Underwriters, pursuant to a Purchase Agreement to be entered into between the City and said Underwriters, to be substantially in the form of the draft purchase agreement submitted to the City Council, and shall be sold at 99.4 per cent of the par value thereof.

Section 1.02 A. Deposit of Note Proceeds. \$1,793,330 of the proceeds received from the sale of the Notes shall be deposited on receipt by the City in Citizens National Bank of Point Pleasant, West Virginia (the "Trustee"), a member of the Federal Deposit Insurance Corporation (herein called "FDIC"), in the Project Construction Account established by Section 3.01 hereof.

The balance of the proceeds from the sale of the Notes shall be directly deposited on receipt by the City with the Trustee in a special segregated account designated as "City of Point Pleasant Note Repayment Account", as more particularly described and upon the further terms and conditions of Section 1.06 A hereof.

Section 1.03 A. Security for the Notes. The Notes shall be secured by the pledge by the City of and by a first lien on (i) the obligation of the Government to make the loan to the City in the amount of \$1,870,000 (the "Loan") by purchasing the 1976 Bond, (ii) the proceeds of the sale of the 1976 Bond when received from the Government, (iii) all moneys and securities in the Note Repayment Account, and (iv) the proceeds from the sale of the Notes until expended as herein authorized, and said pledge by the City for the benefit of the holders of the Notes to the extent of the aggregate principal amount of the Notes and the interest thereon, is hereby made and granted. The City will execute such financing statements, security agreements and other documents that may be required to perfect such pledge and lien. The Trustee shall act as agent for the holders of the Notes in connection with the execution of all Financing Statements and other instruments necessary under applicable laws in order to fully perfect the interests of the holders of the Notes in the assets pledged hereby, and to receive all notices and respond to all inquiries in connection therewith. The Notes shall also be secured by a statutory mortgage lien on the System as provided in the Act, which statutory mortgage lien shall be on a parity in all respects with the statutory mortgage lien in favor of the Bond but junior and subordinate to such lien in favor of the 1955 Bonds.

Section 1.04 A. Payment of Notes. The City will immediately deposit with the Trustee all proceeds from the sale of the 1976 Bond to the Government, to be placed by the Trustee directly into the Note Repayment Account held by the Trustee. Upon maturity of the Notes, the Trustee will pay to the Paying Agents all principal and interest owing on the Notes, with the balance of moneys in the Note Repayment Account remaining after payment of all such principal and interest on the Notes to be refunded to the City.

Section 1.05A. Notes are Limited Obligations. The Notes shall

be limited obligations of the City, the interest of which is payable solely from certain of the proceeds from the sale of the Notes, the principal of which is payable from the sources described in Section 1.03 A above, or, the principal of and interest on which is payable from the net revenues of the City arising from ownership and operation of System in the event that the Government shall not purchase the 1976 Bond in accordance with its agreement to do so, subject to the prior lien and pledge in favor of the 1955 Bonds.

Section 1.06 A. Trustee; Note Repayment Account. The Trustee shall segregate all funds and securities in the Note Repayment Account separate and apart from other deposits and funds of the Trustee and other deposits and funds of the City, including the Project Construction Account. All moneys in the Note Repayment Account, until payment in full of all principal and interest owing on the Notes at their maturity, shall be held by the Trustee for the holders of the Notes and the City shall have no rights with respect thereto. All moneys in the Note Repayment Account in excess of the amount insured by FDIC shall be continuously secured by, or invested by the Trustee in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America, which obligations shall mature at least 1 day prior to the maturity of the Notes. At or prior to the maturity of the Notes, the Trustee shall transfer to the Paying Agents in immediately available funds the total principal of and interest owing on the Notes to their maturity. Upon such transfer the Trustee may refund to the City any excess amounts remaining in the Note Repayment Account. The Trustee is hereby authorized, upon such payment of all principal and interest owing on the Notes, to execute UCC termination statements indicating the termination of the security interest of the holders of the Notes in the assets referred to in Section 1.03 A hereof.

The City shall pay to the Trustee from time to time reasonable compensation for all services rendered by the Trustee under this Ordinance and all reasonable expenses, charges, counsel fees and other disbursements incurred by the Trustee in connection with its performance of its functions

hereunder. The City shall from time to time have the right to appoint a successor Trustee provided that such successor Trustee be a bank or trust company or national banking association insured by the FDIC. The Trustee shall signify its acceptance of the duties and obligations imposed by this Ordinance by executing and delivering to the City a written acceptance thereof.

Section 1.08 A. Covenants. The City agrees that prior to the occurrence of any event of Default (as hereinafter defined) and until payment in full of the principal and interest owing on the Notes at maturity, the following covenants contained in Article IV for the benefit of the Bondholder shall also inure to the benefit of the holders of the Notes: Sections 4.03, 4.04, 4.05, 4.06, 4.08, 4.10, 4.11, 4.12, 4.13, 4.15 and 4.16. Upon the occurrence of an event of Default, the holders of the Notes shall be entitled to the benefit of all covenants contained in Article IV as if the holders of the Notes were the Bondholder.

In addition, the City covenants to issue and sell the 1976 Bond to the Government not later than May 3, 1978, and to take all actions necessary to cause the Government to purchase the Bond.

Section 1.09 A. Events of Default and Enforcement. Each of the following events is hereby declared an "Event of Default": (a) failure to make timely payment of all principal and interest owing on the Notes at maturity; and (b) failure duly and punctually to observe or perform any of

the covenants, conditions and agreements on the part of the City for the benefit of the holders of the Notes as hereinabove provided.

On the happening of any Event of Default, then, and in each such case, each Noteholder shall be entitled to proceed against all assets pledged and shall have and is hereby given all further rights and remedies as are granted by this Ordinance to the Bondholder and each holder of the Notes shall be deemed to be a Bondholder upon such default.

In the event that any Note is not paid when due, the interest rate on such Note until payment thereof in full, shall be 6% per annum and the City will pay the holder of every Note not paid when due the principal amount of such Note, together with interest at the rate of 3.5% per annum from the date of such Note until the due date thereof, and at the rate of 6% per annum from the due date of such Note until payment thereof in full.

Section 1.10 A. Defeasance of Notes. Upon deposit by the City with the Trustee into the Note Repayment Account of the \$1,870,000 proceeds of sale of the 1976 Bond, the Notes shall be considered to have been paid in full insofar as this Ordinance is concerned; and the holders of the Notes shall have no further lien on or pledge of any properties or assets whatever of the System or any part of the System or upon any of the revenues of the System; and the holders of the Notes shall, upon such deposit, be entitled to payment of the Notes and the interest thereon solely from the moneys then on deposit in the Note Repayment Account.

Section 1.11 A. Form of Notes. The Notes shall be in the following form, subject to such changes, insertions and deletions as the Mayor of the City shall agree to by execution of the Notes:

Section 2.02. Description of 1976 Bond. The 1976 Bond shall be issued in negotiable form, without coupons, and shall be dated on the date of delivery thereof, which shall be no later than May 3, 1978. WATER AND SEWER REVENUE BOND

SERIES 1976

THE CITY OF POINT PLEASANT

\$1,870,000

Date: _____

FOR VALUE RECEIVED, THE CITY OF POINT PLEASANT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (herein called the "Government") at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of One Million Eight Hundred Seventy Thousand Dollars (\$1,870,000), plus interest on the unpaid principal balance at the rate of five per cent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Installments of interest only on the first day of each month for the first twenty-four months after the date hereof and \$9,182, covering principal and interest on the first day of each month thereafter, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof,

may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its activities at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions for the waterworks of the Borrower, is payable solely from the revenues to be derived from the operation of such waterworks after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the waterworks. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including among others, Article 19 of Chapter 8 of the West Virginia Code (herein called the "Act"), and with an Ordinance of the City duly enacted.

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not in-

consistent with the express provisions hereof.

This Bond is junior and subordinate to the Water and Sewer Revenue Refunding Bonds of the City dated January 1, 1955, as to lien and source of and security for payment, and in all other respects.

NOTE PROCEEDS; REVENUES AND
APPLICATION THEREOF

Section 3.01. Note Proceeds; Project Construction Account.

~~\$1,793,330~~
~~\$1,793,330.51~~ received from the sale of the Notes shall be deposited on receipt by the City in Citizens National Bank of Point Pleasant, West Virginia, a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "City of Point Pleasant Waterworks Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the City solely for the purposes provided herein.

Until completion of construction of the Project, the City will pay from the Project Construction Account such sums as shall be from time to time required to pay the interest becoming due on the 1976 Bond.

If the City shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the City may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be promptly used in accordance with the regulations of the Government.

Section 3.02. Covenants as to Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and the Reserve Account therein hereinafter established, a sum sufficient to pay the entire principal of the Bond remaining unpaid together with interest accrued thereon, the City further covenants with the holder of the Bond issued pursuant hereto as follows:

(A) Waterworks and Sewerage System Revenue. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the City in a special fund known as the "Waterworks and Sewerage System Revenue Fund" (the "Revenue Fund") heretofore established by the 1955 Ordinance and now on deposit with said Bank. The Revenue Fund shall constitute a trust fund for the purposes provided herein, and shall be kept separate and distinct from all other funds of the City and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The City shall first, each month, from the moneys in the Revenue Fund, transfer and pay to the State Sinking Fund Commission of West Virginia the monthly amounts required by the 1955 Ordinance to be paid into the Water and Sewer Revenue Refunding Bonds Sinking Fund ("1955 Sinking Fund") for debt service on the 1955 Bonds and for the reserve in the 1955 Sinking Fund.

(2) The City shall next, each month, from the moneys in the Revenue Fund, transfer to the Operation and Maintenance Fund established by the 1955 Ordinance and now on deposit with said Bank an amount considered necessary and sufficient to pay the reasonable expenses of operating and maintaining the System for the current month,

(3) The City shall next, before the end of each month, pay from

the Revenue Fund to the Bondholder, as provided in the 1976 Bond, the installment payment required by the terms of the 1976 Bond.

(4) The City shall next, each month, transfer from the Revenue Fund and deposit into the Reserve Account, hereby established with said Bank, one-twelfth of one-tenth of the maximum annual aggregate amount of interest and principal which will fall due on the 1976 Bond until the amount in the Reserve Account equals such maximum annual aggregate amount of interest and principal (such account being called the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Account, the City shall monthly pay into the Reserve Account such part of the moneys remaining in the Water Fund, after such provision for payment of maturing principal of and interest on the 1976 Bond, as shall be required to maintain the Reserve Requirement. Moneys in the Reserve Account shall be used solely to make up any deficiency of revenues for payment of the principal of and interest on the 1976 Bond as the same shall mature or for mandatory prepayment of the principal of the 1976 Bond as hereinafter provided and for no other purpose.

(5) The City shall next, each month, transfer from the Revenue Fund the moneys then remaining in the Revenue Fund and shall deposit the same in the Depreciation Fund heretofore established by the 1955 Ordinance and now on deposit with the said Bank until there has been accumulated therein the sum of \$115,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Fund shall be used by the City first to make up any deficiencies for the payment of principal of and interest on the 1955 Bonds and next on the 1976 Bond as the same become due, and next to restore to the Reserve Account any sum or sums transferred therefrom to pay the principal or interest on the 1976 Bond. Thereafter, and provided that payments of installments of the 1976 Bond and into the Reserve Account are current and in accordance with the foregoing provisions, moneys in the Depreciation Fund may be withdrawn by the City and used for extensions, replacements and improvements of the System, or any part thereof.

(6) After all the foregoing provisions for use of moneys in the Revenue Fund, as the case may be, have been fully complied with, any moneys remaining therein may be used to prepay the principal of the 1976 Bond or for any lawful purpose in connection with the System.

Whenever the moneys in the Reserve Account shall be sufficient to pay or prepay the 1976 Bond, it shall be the mandatory duty of the City, anything to the contrary in this Ordinance notwithstanding, to pay or prepay, at the earliest practical date and in accordance with applicable provisions hereof, the 1976 Bond and accrued interest thereon to such prepayment date.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used the Bondholder shall have a lien thereon for further securing payment of the Bond and the interest thereon, subject to the lien in favor of the holders of the 1955 Bonds. The moneys in excess of the sum insured by FDIC in the Revenue Fund, the Reserve Account and the Depreciation Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to place the required amount in any of the funds or accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to those which would otherwise be required to be made into the funds or accounts on the subsequent payment dates.

The City shall keep the moneys in the Reserve Account and the Depreciation Fund invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

(C) The bank in which the funds provided for in this Section are on deposit shall not be the trustee of any of such funds, but merely the depository thereof, insofar as the 1976 Bond is concerned.

GENERAL COVENANTS

Section 4.01. General Statement. So long as any portion of the principal of the 1976 Bond shall be outstanding and unpaid, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the City and the Bondholder.

Section 4.02. Rates. The City will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the average annual debt service on the 1976 Bond and to make the payments required herein to be made for payment of the 1955 Bonds and the 1976 Bond and the interest thereon and into the Reserve Account and the Depreciation Reserve, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of without the prior written consent of the Government. Such consent will specify the use of the proceeds of any such disposition.

Section 4.04. Covenant Against Encumbrances. The City will not issue any obligations whatsoever payable from the revenues of the System without the prior written consent of the Government.

Section 4.05. Issuance of Additional Parity Bonds. No additional parity Bonds payable out of the revenues of the System shall be issued after the issuance of the 1976 Bond pursuant hereto, except upon prior written consent of the Government.

Section 4.06. Insurance and Bonds. The City hereby covenants and agrees that so long as the 1976 Bond remains outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and

ing the following and in the following amount:

(a) Fire, Lightning, Vandalism, Hailstorm, Rischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the City will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The City will itself, or will require each contractor and subcontractor to obtain and maintain builder's risk insurance to protect the interests of the City during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the City from claims for bodily injury and/or death and not less than \$200,000 from claims for damages to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(c) Vehicular Public Liability Insurance, in the event the City owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the City is operated for the benefit of the City, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the City from claims for bodily injury and/or death, and not less than \$200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(d) Workmen's Compensation Coverage for all Employees of or for the System Eligible Therefor; and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be

required of each contractor dealing directly with the City and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 33, Article 2, Section 39.

(e) Fidelity Bonds will be provided as to every officer and employee of the City having custody of the Revenue Fund or of any other funds of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$30,000 upon the Clerk, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Government holds the 1976 Bond, the City will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the City and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, with insurance carriers or bonding companies acceptable to the Government.

Section 4.07. Events of Default. - Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any installment of the principal or interest due on the 1976 Bond on the date specified for the payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the City in the 1976 Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, any Bondholder may proceed to protect and enforce the rights of the Bondholders by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by such Bondholder, such court may, upon proof of such default, appoint a receiver for the affairs of the City and the System. The receiver so appointed shall administer the System on behalf of the City, shall exercise all the rights and powers of the City with respect to the System and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the 1976 Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the City agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Council. Copies of each Annual Budget shall be delivered to the Government by the beginning of each fiscal year.

If for any reason the City shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current

Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt a Annual Budget be for a reason beyond the control of the City. Each such Budget of Current Expenses shall be delivered and mailed immediately as in the case of the Annual Budget.

Section 4.10. Covenant to Proceed and Complete. The City hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Clerk on the date of enactment hereof, subject to changes to which the Government has agreed in writing.

Section 4.11. Books and Records. The City will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the City in which complete and correct entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds, his agents and representatives, shall have the right at all reasonable times to inspect the System and all records, accounts and data of the City relating thereto.

The City shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants, shall mail a copy of such audit report to the Government, and shall make available the report of said accountants at all reasonable times to any customer receiving services from the System, or anyone acting for and in behalf of such Bondholder or customer. The Government, so long as it holds the 1976 Bond, may permit substitution of a copy of the annual audit report by the office of the State Tax Commissioner for the copy of annual audit report by a certified public accountant.

Section 4.12. Maintenance of the System. The City covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 4.13. No Competition. The City will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to, or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the City or within the territory served by the System.

Section 4.14. Initial Connections. The Bond will not be issued until there are not less than 2474 bona fide water customers connected with the System.

Section 4.15. Arbitrage Covenant. The City will not permit at any time or times any of the proceeds of the 1976 Bond or any other funds of the City to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause the 1976 Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code, and the Mayor of the City shall deliver his certificate, based upon this covenant, with regard thereto to the original purchaser of the 1976 Bond directly from the City.

Section 4.16. Statutory Mortgage Lien. The Act provides a statutory mortgage lien upon the System as further security for the Bondholder, and the City recognizes that such statutory mortgage lien applies as further security for payment of the 1976 Bond and the interest thereon, subject and subordinate to the statutory mortgage lien in favor of the 1955 Bonds.
