BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF PRESTON COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I
STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Preston County Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Preston County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public sewerage system of the Issuer, consisting of upgrades to the existing collection system and construction of a new wastewater

treatment plant, together with all necessary appurtenances (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of $5,861,000, in two or more series, being the Sewer Revenue Bonds, Series 2021 A (West Virginia SRF Program), in the aggregate principal amount of $3,696,000 (the "Series 2021 A Bonds") and Sewer Revenue Bonds, Series 2021 B (West Virginia SRF Program/Forgivable) in the aggregate principal amount of not more than $1,000,000 (the "Series 2021 B Bonds"), (collectively, the "Series 2021 Bonds"); to (i) permanently finance a portion of the costs of acquisition and construction of the Project; and (ii) pay costs of issuance and related costs. The remaining Costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said Costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2021 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2021 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2021 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2021 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2021 Bonds be sold to the Authority pursuant to the terms and provisions of a Bond Purchase Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, approved hereby if not previously approved by resolution of the Issuer.

G. There are no outstanding obligations of the Issuer which will rank on a parity with the Series 2021 A Bonds as to liens, pledge and source of and security for payment.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2021 A Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2021 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2021 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. The Series 2021 A Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Series 2021 A Bonds, if any, shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

The Series 2021 Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. Any Series 2021 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2021 Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2021 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2021 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be

conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide Holder for value.

So long as the Series 2021 Bonds remain Outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2021 Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2021 Bonds or transferring the registered Series 2021 Bonds are exercised, all Series 2021 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2021 Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2021 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2021 Bonds or, in the case of any proposed redemption of Series 2021 Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2021 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2021 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2021 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2021 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2021 A Bonds shall be secured by a first lien on the Net Revenues derived from the System. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Commission Order entered August 21, 2020 in Case No. 19-0919-PSD-CN of the Public Service Commission of West Virginia and such rates are hereby adopted.

So long as the Series 2021 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2021 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation, the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Series 2021 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2021 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2021 Bonds. Any balance remaining after the payment of the Series 2021 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2021 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2021 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2021 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2021 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2021 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2021 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2021 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any Outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer

shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2021 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2021 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Authority, or any other original purchaser of the Series 2021 Bonds, and shall mail in each year to any Holder or Holders of the Series 2021 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations Outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with 2 CFR 200 Subpart F, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2021 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2021 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Bond Purchase Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2021 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the

maximum amount required in any year for payment of principal of and interest, if any, on the Series 2021 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2021 A Bonds; provided, that in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2021 A Bonds Reserve Accounts, and the reserve accounts for obligations on a parity with or junior to the Series 2021 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2021 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2021 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 45 days of adoption thereof.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Record Drawings, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement for the Series 2021 Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The Issuer shall serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer shall not reduce the number of additional customers served by the project without the prior written approval of the Authority. Following completion of the Project the Issuer shall certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Bond Purchase Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided, that the amounts and terms of such coverage are satisfactory to the Authority and the DEP, and the Issuer shall verify such insurance prior to commencement of construction. In the event the Bond Purchase Agreement so require, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments

required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2021 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2021 Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2021 Bonds as a condition to issuance of the Series 2021 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2021 Bonds as may be necessary in order to maintain the status of the Series 2021 Bonds as public purpose bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2021 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the DEP, as the case may be, from which the proceeds of the Series 2021 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2021 Bonds and any additional information requested by the Authority.

ARTICLE IX
DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2021 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2021 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2021 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2021 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(c) The Local Government shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(d) The Local Government shall either have received bids or entered into contracts for the construction of the Project, which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the proceeds of the Local Bonds will refund an interim construction financing, the Local Government must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and DEP shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit D;

(e) The Local Government shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and DEP shall have received a certificate of the Consulting Engineers to such effect;

(f) The Local Government shall have obtained all requisite orders of and approvals required by State law and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, or bond counsel but must be satisfactory to the Authority and DEP, to such effect;

(g) The Local Government shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, or bond counsel but must be satisfactory to the Authority and DEP, to such effect;

(h) The Local Government shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, or bond counsel but must be satisfactory to the Authority and DEP, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and DEP shall have received a certificate of the accountant for the Local Government, or such other person or firm experienced in the finances of local governments and satisfactory to the Authority and DEP, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority and DEP shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of wastewater treatment projects and satisfactory to the Authority and DEP, to such effect, such certificate to be in form and substance satisfactory to the Authority and DEP, and evidence satisfactory to the Authority and DEP of such irrevocably committed grants; and

(k) The Local Government shall have obtained 100% of the titles, easements and rights-of-way, or shall have received rights-of-entry or recorded binding options for the same and the Authority and DEP shall receive an opinion of counsel to the Local Government, satisfactory to the Authority and DEP, to such effect.

3.2 Subject to the terms and provisions of this Bond Purchase Agreement, the rules and regulations promulgated by the Authority and DEP, including the SRF Regulations, or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall purchase the Local Bonds of the Local Government and the Local Government shall issue and sell the Local Bonds to the Authority, and in furtherance thereof it is agreed that the Local Government shall sell to the Authority and the Authority shall purchase the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Local Bonds shall be secured and shall be repaid in the manner hereinafter provided in this Bond Purchase Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Government by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, DEP and the Local Government. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Closing."

3.5 The Local Government understands and acknowledges that it is one of several local governments which have applied to the Authority and DEP for financing of wastewater treatment projects and that the obligation of the Authority to purchase the Local Bonds is subject to the Local Government's fulfilling all of the terms and conditions of this Bond Purchase Agreement on or prior to the Date of Closing and to the requirements of the Program. The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds

and that, prior to such purchase, the Authority may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF Regulations. The Local Government further specifically recognizes that all bonds will be purchased in conjunction with the SRF Regulations and with the prior approval of DEP.

3.6 The Local Government shall provide DEP with the appropriate documentation to comply with the special conditions regarding the public release and audit requirements, established by federal and State regulations as set forth in Exhibit E attached hereto at such times as are set forth therein.

3.7 The Local Government shall comply with all federal requirements applicable to the Loan (including those imposed by P.L. 113-76, Water Resources Reform and Development Act of 2014 (WRRDA) and related SRF Policy Guidelines issued by the EPA) which the Local Government understands includes, among other things, requirements that all of the iron and steel products used in the Project are to be produced in the United States ("American Iron and Steel Requirement") unless (i) the Local Government has requested and obtained a waiver from the EPA pertaining to the Project or (ii) DEP has otherwise advised the Local Government in writing that the American Iron and Steel Requirement is not applicable to the Project.

3.8 The Local Government shall comply with all record keeping and reporting requirements under the Clean Water Act, including any reports required by a Federal agency or DEP such as performance indicators of program deliverables, information on costs and Project progress. The Local Government understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds and/or other remedial actions.

3.9 The Local Government shall fund and maintain a working capital fund with a balance of not less than one eighth (1/8) of the Local Government's actual annual operating and maintenance expenses. This fund is separate from and in addition to the renewal replacement fund required under Section 4.1(a)(iii) hereof.

3.10 The Local Government covenants and agrees to not expend any proceeds of the Funding Assistance or enter into any contracts for components and services prohibited by 2 CFR 200.216 (Prohibition on certain telecommunication and video surveillance services or equipment), implementing section 889 of Public Law 115-232. Prior to entering into any contracts, the Local Government shall certify to DEP in writing that it has reviewed all contracts against the excluded parties list in the System for Award Management (www.sam.gov).

ARTICLE IV
Local Bonds; Security for Local Bonds; Repayment of Local Bonds; Interest on Local Bonds; Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to purchase the Local Bonds, authorize the issuance of and issue the Local Bonds pursuant

to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System

prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited in accordance with 2 CFR 200 Subpart F (or any successor thereto) or the laws of the State by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Government shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority and DEP, and with the prior written consent of the Authority and DEP;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That, unless waived by the Authority the Local Government shall authorize a sweep resolution so that monthly payments can be made to the Commission electronically. If waived by the Authority, the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Local Bonds shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 An amount equal to the outstanding invoices will be advanced on the Date of Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to purchase the Local Bonds shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to purchase the Local Bonds.

ARTICLE V
Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Bond Purchase Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to purchase the Local Bonds, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI
Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Bond Purchase Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Bond Purchase Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's purchasing and receiving the Local Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this Bond Purchase Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the issuance of the Local Bonds shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this Bond Purchase Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

6.6 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Government hereby agrees to file with the Authority and DEP upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII
Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP; or

(ii) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Bond Purchase Agreement.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of $1,200 are anticipated to be received for the year, each month the base would be increased by $100 ($1,200/12). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of $900 are anticipated to be incurred for the year, each month the base would be increased by $75 ($900/12). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 20th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a bond purchase agreement dated _____, ____, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, ___ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, ____, and ending _____ 1, ____, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. Under the Act, the Local Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Sewer Revenue Bonds, Series 2021 A
(West Virginia SRF Program)

Preston County Public Service District
Bruceton Mills, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Department of Environmental Protection
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Preston County Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its $3,696,000 Sewer Revenue Bonds, Series 2021 A (West Virginia SRF Program), dated the date hereof (the "Series 2021 A Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a Bond Purchase Agreement dated April 15, 2021, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Series 2021 A Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Series 2021 A Bonds are originally issued in the form of one Bond, registered as to principal and interest to the Authority, bearing interest at the rate of 0.25% per annum, payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2022 and with principal installments payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2022 to and including March 1, 2061 all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Series 2021 A Bonds. The SRF Administrative Fee of 0.25% shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year commencing December 1, 2022, as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Series 2021 A Bonds.

The Series 2021 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on March 23, 2021, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 23, 2021 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2021 A Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Series 2021 A Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Series 2021 A Bonds, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

4. The Series 2021 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System.

5. The Series 2021 A Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2021 A Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Series 2021 A Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2021 A Bonds.

It is to be understood that the rights of the Holders of the Series 2021 A Bonds and the enforceability of the Series 2021 A Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Preston County Public Service District, a public service district, in Preston County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a bond purchase agreement for the Series 2021 A Bonds and Series 2021 B Bonds dated April 15, 2021, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), the Bond Resolution duly adopted by the Issuer on March 23, 2021, as supplemented by the Supplemental Resolution duly adopted by the Issuer on March 23, 2021 (collectively, the "Bond Legislation"), orders of The County Commission of Preston County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, and other documents, papers, agreements, instruments and certificates relating to the above-captioned bonds of the Issuer (collectively, the "Series 2021 Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

5. The execution and delivery of the Series 2021 Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Series 2021 Bonds, the Bond Purchase Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Series 2021 Bonds, the acquisition and construction of the Project, the operation of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Preston County, the West Virginia Infrastructure and Jobs Development Council, the DEP and the Public Service Commission of West Virginia.

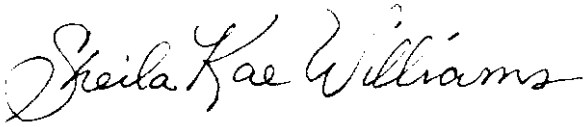

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bond Purchase Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Series 2021 Bonds or the collection or pledge of the Net Revenues therefor.

8. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug-free workplace plan, and the contracts contain language that complies with the Drug-Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. I have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy and the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Bond Purchase Agreement; and (5) all

such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Re: Final Title Opinion for the Preston County Public Service District

Dear Mr. Morgan and Ms. Emery:

The undersigned represents the Preston County Public Service District ("PSD"), with regard to a proposed project to replace the existing Bruceton Mills waste water treatment plant and to close a sewer lagoon located in Valley Point which was replaced by a packaged plant to serve a small housing development with the use of $1,000,000.00 from WVDEP Principal Forgiveness Loan, $3,696,000.00 from WVDEP Loan 0.25% interest and 0.25% administrative fee for 40 years, $1,000,000.00 from WVIJDC District grant, and $65,000.00 WVIJDC soft cost grant and provides this final title opinion on behalf of the PSD to satisfy the requirements of WVIJDC and WVDEP for the Project. Please be advised of the following:

1. I am of the opinion that the Preston County Public Service District is a duly created and validly existing public service district, as created upon the Petition of the Preston County Commission and approved by Order of the West Virginia Public Service Commission ("PSC"), and is possessed with all of the powers and authority granted to public service districts under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the WVIJDC and WVDEP.

2. I have investigated and ascertained the location of, and am familiar with the legal description of the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project and Schedule of Line Easements as prepared by The Thrasher Group, Inc., the consulting engineers for the Project.

3. I have examined the records on file in the Office of the Clerk of the County

Commission of Preston County, West Virginia, the county in which the Project is to be located, and, in my opinion, based upon the Schedule of Line Easements and site requirements prepared by The Thrasher Group, Inc., the PSD has acquired legal title or such other estate or interest in 100% of the necessary site components for the Project, including easements and/or rights of way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project. All rights-of-way and deeds for acquisition sites as obtained have been recorded in the aforesaid County Clerk's office..

4. All easements and rights of way which have been acquired by the PSD have been duly recorded in the Office of the Clerk of the County Commission of Preston County, West Virginia, to protect the legal title to and interest of the PSD.

5. That the PSD has obtained all necessary permits and approvals for the construction of the Project, in accordance with information provided by the PSD's engineering firm, The Thrasher Group, Inc.

6. The Public Service Commission of West Virginia ("PSC") has issued an Order granting a certificate of necessity to the PSD. An agreement in regard to mediation with the Federal Bureau of Prisons ("FBOP") in a separate PSC case in regard to rates and alleged over charging by the PSD has been negotiated and an Order of approval by the PSC has been issued and the case closed.

7. There is no litigation pending nor judgements against the PSD and there are no federal or state tax liens filed against the PSD.

8. The bonds to be provided by the companies securing the bid for the construction of this project will be reviewed by the undersigned and will be recorded in the aforesaid County Clerk's office prior to closing in this project.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

If you have any questions regarding any of the information contained in this preliminary title opinion, or need anything further, please do not hesitate to let me know.

Very truly yours,

Sheila Kae Williams
