BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF PUTNAM PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Putnam Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Putnam County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public sewerage system of the Issuer, consisting of constructing improvements and renovations to the North Putnam wastewater treatment plant in Hometown, Putnam County, and necessary appurtenances relating thereto, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of \$2,100,500, in two series, being the (1) Sewer Revenue Bonds, Series 2009 B (West Virginia SRF Program/ARRA), in the aggregate principal amount of \$1,050,000 (the "Series 2009 B Bonds") and (2) Sewer Revenue Bonds, Series 2009 C (West Virginia SRF Program), in the aggregate principal amount of \$1,050,500 (the "Series 2009 C Bonds") (collectively, the "Series 2009 Bonds"), to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2009 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2009 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2009 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 20 years.

F. It is in the best interests of the Issuer that its Series 2009 B Bonds and Series 2009 C Bonds be sold to the Authority pursuant to the terms and provisions of an ARRA Assistance Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the respective parties (the "ARRA Assistance Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2009 Bonds as to liens, pledge and source of and security for payment, being the Issuer's: (i) Sewer Revenue Bonds, Series 1975 (United States Department of Agriculture), dated October 23, 1975, issued in the original aggregate principal amount of \$605,000 (the "Series 1975 Bonds"), (ii) Sewer Revenue Bonds, Series 1979 (United States Department of Agriculture), dated September 12, 1980, issued in the original aggregate principal amount of \$2,200,000 (the "Series 1979 Bonds"), (iii) Sewer Revenue Bonds, Series 1993 (West Virginia Water Development Authority), dated March 30, 1993, issued in the original aggregate principal amount of \$267,000 (the "Series 1993 Bonds"), (iv) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated May 2, 1995, issued in the original aggregate principal amount of \$1,300,000 (the "Series 1995 Bonds"), (v) Sewer Revenue Bonds, Series 2002 A (United States Department of Agriculture), dated March 7, 2002, issued in the original aggregate principal amount of \$7,078,000 (the "Series 2002 A Bonds"), (vi) Sewer Revenue Bonds, Series 2002 B (West Virginia SRF Program), dated March 7, 2002, issued in the original aggregate principal amount of \$1,422,000 (the "Series 2002 B Bonds"), (vii) Sewer Revenue Bonds, Series 2006 A (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$4,946,000 (the "Series 2006 A Bonds"), (viii) Sewer Revenue Bonds, Series 2006 B (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$2,104,000 (the "Series 2006 B Bonds"), (ix) Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated March 19, 2007, issued in the original aggregate principal amount of \$2,330,000 (the "Series 2007 A Bonds"), (x) Sewer Revenue Bonds, Series 2008 A (West Virginia SRF Program), dated January 28, 2008, issued in the original aggregate principal amount of \$3,680,000 (the "Series 2008 A Bonds"), (xi) Sewer Revenue Bonds, Series 2008 B (West Virginia Infrastructure Fund), dated June 6, 2008, issued in the original aggregate principal amount of \$509,000 (the "Series 2008 B Bonds"); and (xii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 26, 2009, issued in the original aggregate principal amount of \$4,520,000 (the "Series 2009 A Bonds") (collectively referred to as the "Prior Bonds"). The Prior Bonds are payable from and secured by Net Revenues of the System.

There are also outstanding obligations of the Issuer which will not rank on a parity with the Series 2009 Bonds as to liens, pledge and source of and security for payment being the Sewerage System Bond Anticipation Notes, Series 2005 A (West Virginia

Infrastructure Fund), dated September 8, 2005, issued in the original aggregate principal amount of \$2,000,000 (the "Prior Notes").

The Series 2009 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2009 Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2009 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2009 Bonds and the Prior Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the ARRA Assistance Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2009 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2009 Bonds or such final order will not be subject to appeal or rehearing.

The Series 2009 Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

such office. Any Series 2009 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2009 Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. No Series 2009 Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the forms set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2009 Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2009 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2009 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2009 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2009 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2009 Bonds or transferring the registered Series 2009 Bonds are exercised, all Series 2009 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2009 Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2009 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the

cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2009 Bonds or, in the case of any proposed redemption of Series 2009 Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2009 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2009 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2009 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2009 B Bonds and the Series 2009 C Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2009 Bonds to the original purchasers upon receipt of the documents set forth below:

A. If other than the Authority, a list of the names in which the Series 2009 Bonds are to be registered upon original issuance, together with

C. An executed and certified copy of the Bond Legislation;

remain on deposit therein, an amount equal to the Series 2009 B Bonds Reserve Requirement; and (iii) remit to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 C Bonds, if not fully funded upon issuance of the Series 2009 C Bonds, for deposit in the Series 2009 C Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 C Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 C Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 C Bonds Reserve Requirement.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

All investment earnings on monies in the Series 2009 B Bonds Sinking Fund, the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Sinking Fund, and the Series 2009 C Bonds Reserve Account, shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the respective Bond Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2009 B Bonds and Series 2009 C Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2009 B Bonds Reserve Account or Series 2009 C Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2009 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2009 B Bonds Sinking Fund, the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Sinking Fund and the Series 2009 C Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2009 B Bonds and the Series 2009 C Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 B Bonds Sinking Fund, the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Sinking Fund and the Series 2009 C Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2009 B Bonds Sinking Fund, the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Sinking Fund and the Series 2009 C Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2009 B Bonds Sinking Fund, the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Sinking Fund and the Series 2009 C Bonds Reserve

Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 B Bonds and Series 2009 C Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest, if any, and reserve account payments with respect to the Series 2009 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the ARRA Assistance Agreement for the Series 2009 Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the ARRA Assistance Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this

Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The payment of the debt service of the Series 2009 B Bonds and the Series 2009 C Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payment of the debt service of the Series 2009 B Bonds and the Series 2009 C Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered April 23, 2009 in Case No. 06-0743-PSD-CN, and such rates are hereby adopted.

So long as the Series 2009 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2009 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Series 2009 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net

proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2009 Bonds. Any balance remaining after the payment of the Series 2009 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 Bonds and payable

from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding;
and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the RUS Bonds are no longer outstanding, the following parity requirement shall be met:

So long as the Series 1993 Bonds, Series 2002 B Bonds, Series 2007 A Bonds, Series 2008 A Bonds, Series 2008 B Bonds, Series 2009 B Bonds or Series 2009 C Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding;
and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently

issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2009 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP and the Authority, or any other original purchaser of the Series 2009 Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2009 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2009 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the ARRA Assistance Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall

also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the ARRA Assistance Agreement for the Series 2009 Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2009 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2009 B Bonds Reserve Account, the Series 2009 C Bonds Reserve Account and the reserve accounts for obligations on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased

expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP and the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the respective ARRA Assistance Agreements, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the ARRA Assistance Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

Such engineer shall certify to the DEP and the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the ARRA Assistance Agreement for the Series 2009 Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the ARRA Assistance Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The Issuer shall serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer shall not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority (the "Authority"). Following completion of the Project the Issuer shall certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2009 Bonds and any additional information requested by the Authority.

ARTICLE IX

(100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Local Government, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Local Government on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds are outstanding. Prior to commencing operation of the Project, the Local Government must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Local Government shall provide and maintain competent and adequate engineering services satisfactory to the Authority and DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, DEP and the Local Government at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies. The Local Government shall require the Consulting Engineers to submit Record Drawings, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Local Government shall notify DEP in writing of such receipt. The Local Government shall submit a Performance Certificate, the form of which is attached hereto as Exhibit A, and being incorporated herein by reference, to DEP within 60 days of the end of the first year after the Project is completed.

2.10 The Local Government shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to DEP when the Project is 90% completed. The Local Government shall at all times provide operation and maintenance of the System in compliance with any and all State and federal standards. The Local Government shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator(s) to operate the System during the entire term of this ARRA Assistance Agreement. The Local Government shall notify DEP in writing of the certified operator employed at the 50% completion stage.

2.11 The Local Government hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Authority, DEP or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

2.12 The Local Government, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit B and incorporated herein by reference, and forward a copy by the 10th of each month to DEP and the Authority.

2.13 The Local Government, during construction of the Project, shall complete Payment Requisition Forms, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward such forms to DEP in compliance with the Local Government's construction schedule.

2.14 The Local Government shall serve the additional customers at the location(s) as set forth in Schedule X. The Local Government shall not reduce the amount of additional customers served by the project without the prior written approval of the Authority Board. Following completion of the Project the Local Government shall certify to the Authority the number of customers added to the System.

2.15 The Local Government shall perform an annual maintenance audit which maintenance audit shall be submitted to the Authority and the Public Service Commission of West Virginia.

Said conditions precedent are as follows:

(a) The Local Government shall have delivered to the Authority and DEP a report listing the specific purposes for which the proceeds of the Loan will be expended and the procedures as to the disbursement of loan proceeds, including an estimated monthly draw schedule;

(b) The Local Government shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this ARRA Assistance Agreement;

(c) The Local Government shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(d) The Local Government shall either have received bids or entered into contracts for the construction of the Project, which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Local Government must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and DEP shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit D;

(e) The Local Government shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and DEP shall have received a certificate of the Consulting Engineers to such effect;

(f) The Local Government shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, bond counsel or special PSC counsel but must be satisfactory to the Authority and DEP, to such effect;

(g) The Local Government shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, bond counsel or special PSC counsel but must be satisfactory to the Authority and DEP, to such effect;

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Government by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, DEP and the Local Government. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of

execution of this ARRA Assistance Agreement by the Authority or such later date as is agreed to in writing by DEP.

3.5 The Local Government understands and acknowledges that it is one of several local governments which have applied to the Authority and DEP for loans from the Fund to finance wastewater treatment projects and that the obligation of the Authority to make any such loan is subject to the Local Government's fulfilling all of the terms and conditions of this ARRA Assistance Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to such purchase, the Authority may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF Regulations. The Local Government further specifically recognizes that all loans will be originated in conjunction with the SRF Regulations and with the prior approval of DEP.

3.6 The Local Government shall provide DEP with the appropriate documentation to comply with the special conditions regarding the public release and audit requirements established by federal and State regulations as set forth in Exhibit E attached hereto at such times as are set forth therein.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) unless waived or modified by Schedule X and to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on

the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System (or eliminating any deficiencies in the Reserve Account, if applicable); and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) Unless waived in Schedule X, that the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum

amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Government shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month. The Local Government shall authorize the Commission to electronically sweep the monthly payments from its general revenue fund or by such other means as the Authority shall direct in writing;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Loan shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees

paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this ARRA Assistance Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this ARRA Assistance Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this ARRA Assistance Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this ARRA Assistance Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this ARRA Assistance Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this ARRA Assistance Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this ARRA Assistance Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this ARRA Assistance Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this ARRA Assistance Agreement.

6.3 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this ARRA Assistance Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this ARRA Assistance Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ARRA Assistance Agreement, and this ARRA Assistance Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This ARRA Assistance Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this ARRA Assistance Agreement.

7.4 No waiver by any party of any term or condition of this ARRA Assistance Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this ARRA Assistance Agreement.

7.5 This ARRA Assistance Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this ARRA Assistance Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This ARRA Assistance Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) unless waived or modified by Schedule X, payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Loan made under this ARRA Assistance Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to make the Loan. In the event funds are not appropriated or otherwise available to make all of the Loan, the responsibility of the Authority and DEP to make all the Loan is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Loan made by the Authority and DEP is not terminated due to such non-funding on any balance of the Loan. The DEP agrees to use its best efforts to have the amount contemplated under this ARRA Assistance Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this ARRA Assistance Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this ARRA Assistance Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. 5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

(West Virginia SRF Program/ARRA)

Putnam Public Service District

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Department of
Environmental Protection
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Putnam Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,050,000 Sewer Revenue Bonds, Series 2009 B (West Virginia SRF Program/ARRA), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of an ARRA Assistance Agreement dated October 29, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal forgivable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2011, to and including September 1, 2021, all as set forth in the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

10

CH5227924.2

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on October 22, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 22, 2009 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 and Exhibit E of the ARRA Assistance Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (i) Sewer Revenue Bonds, Series 1975 (United States Department of Agriculture), dated October 23, 1975, issued in the original aggregate principal amount of \$605,000 (the "Series 1975 Bonds"), (ii) Sewer Revenue Bonds, Series 1979 (United States Department of Agriculture), dated September 12, 1980, issued in the original aggregate principal amount of \$2,200,000 (the "Series 1979 Bonds"), (iii) Sewer Revenue Bonds, Series 1993 (West Virginia Water Development Authority), dated March 30, 1993, issued in the original aggregate principal amount of \$267,000 (the "Series 1993 Bonds"), (iv) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated May 2, 1995, issued in the original aggregate principal amount of \$1,300,000 (the "Series 1995 Bonds"), (v) Sewer Revenue Bonds, Series 2002 A (United States Department of Agriculture), dated March 7, 2002, issued in the original aggregate principal amount of \$7,078,000 (the "Series 2002 A Bonds"), (vi) Sewer Revenue Bonds, Series 2002 B (West Virginia SRF Program), dated March 7, 2002, issued in the original aggregate principal amount of \$1,422,000 (the "Series 2002 B Bonds"), (vii) Sewer Revenue Bonds, Series 2006 A (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$4,946,000 (the "Series 2006 A Bonds"), (viii) Sewer Revenue Bonds, Series 2006 B (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$2,104,000 (the "Series 2006 B Bonds"), (ix) Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated March

19, 2007, issued in the original aggregate principal amount of \$2,330,000 (the "Series 2007 A Bonds"), (x) Sewer Revenue Bonds, Series 2008 A (West Virginia SRF Program), dated January 28, 2008, issued in the original aggregate principal amount of \$3,680,000 (the "Series 2008 A Bonds"), (xi) Sewer Revenue Bonds, Series 2008 B (West Virginia Infrastructure Fund), dated June 6, 2008, issued in the original aggregate principal amount of \$509,000 (the "Series 2008 B Bonds"); and (xii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 26, 2009, issued in the original aggregate principal amount of \$4,520,000 (the "Series 2009 A Bonds") (collectively referred to as the "Prior Bonds"); and Sewer Revenue Bonds, Series 2009 C (West Virginia SRF Program), dated October 29, 2009, issued concurrently herewith in the original aggregate principal amount of \$1,050,500 (the "Series 2009 C Bonds") all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Putnam Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,050,500 Sewer Revenue Bonds, Series 2009 C (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of an ARRA Assistance Agreement, dated October 29, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2011, to and including September 1, 2031, all as set forth in the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Series 2009 C Bonds are subject to the SRF Administrative Fee equal to 1% of the principal amount of the Series 2009 C Bonds as set forth in the Schedule Y attached to the ARRA Assistance Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and

extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on October 22, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 22, 2009 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 and Exhibit E of the ARRA Assistance Agreement.
4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (i) Sewer Revenue Bonds, Series 1975 (United States Department of Agriculture), dated October 23, 1975, issued in the original aggregate principal amount of \$605,000 (the "Series 1975 Bonds"), (ii) Sewer Revenue Bonds, Series 1979 (United States Department of Agriculture), dated September 12, 1980, issued in the original aggregate principal amount of \$2,200,000 (the "Series 1979 Bonds"), (iii) Sewer Revenue Bonds, Series 1993 (West Virginia Water Development Authority), dated March 30, 1993, issued in the original aggregate principal amount of \$267,000 (the "Series 1993 Bonds"), (iv) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated May 2, 1995, issued in the original aggregate principal amount of \$1,300,000 (the "Series 1995 Bonds"), (v) Sewer Revenue Bonds, Series 2002 A (United States Department of Agriculture), dated March 7, 2002, issued in the original aggregate principal amount of \$7,078,000 (the "Series 2002 A Bonds"), (vi) Sewer Revenue Bonds, Series 2002 B (West Virginia SRF Program), dated March 7, 2002, issued in the original aggregate principal amount of \$1,422,000 (the "Series 2002 B Bonds"), (vii) Sewer Revenue Bonds, Series 2006 A (United States Department of Agriculture), dated

May 12, 2006, issued in the original aggregate principal amount of \$4,946,000 (the "Series 2006 A Bonds"), (viii) Sewer Revenue Bonds, Series 2006 B (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$2,104,000 (the "Series 2006 B Bonds"), (ix) Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated March 19, 2007, issued in the original aggregate principal amount of \$2,330,000 (the "Series 2007 A Bonds"), (x) Sewer Revenue Bonds, Series 2008 A (West Virginia SRF Program), dated January 28, 2008, issued in the original aggregate principal amount of \$3,680,000 (the "Series 2008 A Bonds"), (xi) Sewer Revenue Bonds, Series 2008 B (West Virginia Infrastructure Fund), dated June 6, 2008, issued in the original aggregate principal amount of \$509,000 (the "Series 2008 B Bonds"); and (xii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 26, 2009, issued in the original aggregate principal amount of \$4,520,000 (the "Series 2009 A Bonds") (collectively referred to as the "Prior Bonds."); and Sewer Revenue Bonds, Series 2009 B (West Virginia SRF Program/ARRA), dated October 29, 2009, issued concurrently herewith in the original aggregate principal amount of \$1,050,000 (the "Series 2009 B Bonds") all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered CR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Ladies and Gentlemen:

I am counsel to Putnam Public Service District, a public service district, in Putnam County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, an ARRA Assistance Agreement for the Series 2009 Bonds dated October 29, 2009, including all schedules and exhibits attached thereto, by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection ("DEP"), (the "ARRA Assistance Agreement"), the Bond Resolution duly adopted by the Issuer on October 22, 2009, as supplemented by the Supplemental Resolution duly adopted by the Issuer on October 22, 2009 (collectively, the "Bond Legislation"), orders of The County Commission of Putnam County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, and other documents, papers, agreements, instruments and

certificates relating to the above-captioned Bonds of the Issuer (collectively, the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The ARRA Assistance Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding agreements of the Issuer enforceable in accordance with their terms.
3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.
5. The execution and delivery of the Bonds and the ARRA Assistance Agreement and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.
6. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

7. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that comply with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. I have also ascertained that all successful bidders have made the required provisions for all insurance and payment and performance bonds and verified such insurance policies and bonds for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the ARRA Assistance Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Ladies and Gentlemen:

I am special counsel to Putnam Public Service District, a public service district in Putnam County, West Virginia (the "Issuer"). As such counsel, I have represented the Issuer before the Public Service Commission of West Virginia in connection with the issuance of the above-referenced bonds, and the acquisition and construction of the Project. Re: Final Title Opinion for Putnam Public Service District – Hometown Phase II

Ladies and Gentlemen:

We are counsel to Putnam Public Service District (the "Issuer") in connection with a proposed project to construct Hometown Phase II Sewer Upgrade (the "Project"). We provide this final title opinion on behalf of the Issuer to satisfy the requirements of the West Virginia Department of Environmental Protection (the "DEP") for the Project. Please be advised of the following:

1. We are of the opinion that the Issuer is a duly created and validly existing public service district possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the DEP.

2. The Issuer has obtained all necessary permits and approvals for the construction of the Project.

3. We have investigated and ascertained the location of, and are familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by Dunn Engineers, Inc., the consulting engineers for the Project.

4. We have examined the records on file in the Office of the Clerk of the County Commission of Putnam County, West Virginia, the county in which the Project is to be located, and, in our opinion, the Issuer has acquired legal title or such other estate or interest in all of the necessary site components for the Project, including all easements and/or rights of way, with the exception of those listed in Paragraph 5, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

5. The following listed properties are to be acquired by eminent domain and the necessary filings have been made in the Office of the Clerk of the Circuit Court of Putnam County, West Virginia, to permit the Issuer a right-of-entry for the purpose of construction, operation and maintenance of the Project on the subject properties. The Issuer's title thereto is defeasible in the event the Issuer does not satisfy any resulting judgment and/or award in the proceedings for acquisition of said properties, and our certification is subject to the following pending litigation: NONE

6. All deeds, easements and rights of way which have been acquired to date by the Issuer have been duly recorded in the Office of the Clerk of the County Commission of Putnam County to protect the legal title to and interest of the Issuer.

Very truly yours,

Ralph W. Bassett, Jr.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Recommended Decision entered January 16, 2007 and Commission Order dated April 23, 2008 of the Public Service Commission of West Virginia in Case No. 06-0743-PSD-CN, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Dunn Engineers, Consulting Engineer, it is my opinion that such rates and charges (i) will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Sewer Revenue Bonds, Series 2009 B (West Virginia SRF Program/ARRA) and Sewer Revenue Bonds, series 2009 C (West Virginia SRF Program) (the "Series 2009 Bonds") and the Prior Bonds, as herein after defined, and sufficient to make the payments required into all funds and accounts and all the necessary expenses of operating and maintaining the System during such

Fiscal Year and (ii) be sufficient to provide revenues to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 Bonds, and all other obligations secured by or payable from the revenues of the System on a parity with the Series 2009 Bonds, including the Issuer's:

(i) Sewer Revenue Bonds, Series 1975 (United States Department of Agriculture), dated October 23, 1975, issued in the original aggregate principal amount of \$605,000 (the "Series 1975 Bonds");

(ii) Sewer Revenue Bonds, Series 1979 (United States Department of Agriculture), dated September 12, 1980, issued in the original aggregate principal amount of \$2,200,000 (the "Series 1979 Bonds");

(iii) Sewer Revenue Bonds, Series 1993 (West Virginia Water Development Authority), dated March 30, 1993, issued in the original aggregate principal amount of \$267,000 (the "Series 1993 Bonds");

(iv) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated May 2, 1995, issued in the original aggregate principal amount of \$1,300,000 (the "Series 1995 Bonds");

(iv) Sewer Revenue Bonds, Series 2002 A (United States Department of Agriculture), dated March 7, 2002, issued in the original aggregate principal amount of \$7,078,000 (the "Series 2002 A Bonds");

(v) Sewer Revenue Bonds, Series 2002 B (West Virginia SRF Program), dated March 7, 2002, issued in the original aggregate principal amount of \$1,422,000 (the "Series 2002 B Bonds");

(vi) Sewer Revenue Bonds, Series 2006 A (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$4,946,000 (the "Series 2006 A Bonds");

(vii) Sewer Revenue Bonds, Series 2006 B (United States Department of Agriculture), dated May 12, 2006, issued in the

original aggregate principal amount of \$2,104,000 (the "Series 2006 B Bonds");

(ix) Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated March 19, 2007, issued in the original aggregate principal amount of \$2,330,000 (the "Series 2007 A Bonds");

(x) Sewer Revenue Bonds, Series 2008 A (West Virginia SRF Program), dated January 28, 2008, issued in the original aggregate principal amount of \$3,680,000 (the "Series 2008 A Bonds");

(xi) Sewer Revenue Bonds, Series 2008 B (West Virginia Infrastructure Fund), dated June 6, 2008, issued in the original aggregate principal amount of \$509,000 (the "Series 2008 B Bonds"); and

(xii) Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated June 26, 2009, issued in the original aggregate principal amount of \$4,520,000 (the "Series 2009 A Bonds") (collectively referred to as the "Prior Bonds").

It is our further opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Bonds are issued will be at least 120% of the average annual debt service requirements on the Bonds and the Prior Bonds, and (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, if any, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

BOND RESOLUTION

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC SEWERAGE SYSTEM OF PUTNAM PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY PUTNAM PUBLIC SERVICE DISTRICT OF NOT MORE THAN \$4,520,000 IN AGGREGATE PRINCIPAL AMOUNT OF SEWER REVENUE BONDS, SERIES 2009 A (UNITED STATES DEPARTMENT OF AGRICULTURE); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF PUTNAM PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Putnam Public Service District (the "Issuer") is a public corporation, public service district and political subdivision of the State of West Virginia in Putnam County of said State, duly created pursuant to the Act by The County Commission of Putnam County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public sewerage system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing sewerage facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing sewerage facilities of the Issuer, consisting of a sewer system upgrade in the Teays Valley area of its service territory which will result in the extension of sewer service to 27 customers, together with all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing sewerage facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$4,520,000 which will be obtained from the proceeds of sale of the Series 2009 A Bonds.

E. It is necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2009 A (United States Department of Agriculture), in the aggregate principal amount of \$4,520,000 (the "Series 2009 A Bonds"), to finance the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2009 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2009 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's (i) Sewer Revenue Bonds, Series 1975 (United States Department of Agriculture), dated October 23, 1975, issued in the original aggregate principal amount of \$605,000 (the "Series 1975 Bonds"), (ii) Sewer Revenue Bonds, Series 1979 (United States Department of Agriculture), dated September 12, 1980, issued in the original aggregate principal amount of \$2,200,000 (the "Series 1979 Bonds"), (iii) Sewer Revenue Bonds, Series 1993 (West Virginia Water Development

Authority), dated March 30, 1993, issued in the original aggregate principal amount of \$267,000 (the "Series 1993 Bonds"), (iv) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated May 2, 1995, issued in the original aggregate principal amount of \$1,300,000 (the "Series 1995 Bonds"), (v) Sewer Revenue Bonds, Series 2002 A (United States Department of Agriculture), dated March 7, 2002, issued in the original aggregate principal amount of \$7,078,000 (the "Series 2002 A Bonds"), (vi) Sewer Revenue Bonds, Series 2002 B (West Virginia SRF Program), dated March 7, 2002, issued in the original aggregate principal amount of \$1,422,000 (the "Series 2002 B Bonds"), (vii) Sewer Revenue Bonds, Series 2006 A (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$4,946,000 (the "Series 2006 A Bonds"), (viii) Sewer Revenue Bonds, Series 2006 B (United States Department of Agriculture), dated May 12, 2006, issued in the original aggregate principal amount of \$2,104,000 (the "Series 2006 B Bonds"), (ix) Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated March 19, 2007, issued in the original aggregate principal amount of \$2,330,000 (the "Series 2007 A Bonds"), (x) Sewer Revenue Bonds, Series 2008 A (West Virginia SRF Program), dated January 28, 2008, issued in the original aggregate principal amount of \$3,600,000 (the "Series 2008 A Bonds"), and (xi) Sewer Revenue Bonds, Series 2008 B (West Virginia Infrastructure Fund), dated June 6, 2008, issued in the original aggregate principal amount of \$509,000 (the "Series 2008 B Bonds") (collectively referred to as the "Prior Bonds"). The Prior Bonds are payable from and secured by Net Revenues of the System.

There are also outstanding obligations of the Issuer which will not rank on a parity with the Series 2009 A Bonds as to liens, pledge and source of and security for payment being the Sewerage System Bond Anticipation Notes, Series 2005 A (West Virginia Infrastructure Fund), dated September 8, 2005, issued in the original aggregate principal amount of \$2,000,000 (the "Prior Notes").

The Issuer is not in default under the terms of the Prior Bonds, or the resolutions authorizing issuance of the Prior Bonds or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid consent or waiver thereof.

H. It is in the best interest of the Issuer that the Series 2009 A Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letters of Conditions, dated September 12, 2007, and all amendments thereto, if any (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2009 A Bonds, or will have so complied prior to issuance of the Series 2009 A Bonds, including, among other things and without limitation, obtaining a certificate of public convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2009 A Bonds by those who shall be the Registered Owner of the same from time to time, this Resolution (the "Bond Legislation") shall be deemed to be and shall

constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Series 2009 A Bonds.

The Series 2009 A Bonds shall bear interest from the date of delivery, each payable monthly at the rate of 4.25% per annum, and shall be sold for the par value thereof. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Series 2009 A Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$20,024, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of the Series 2009 A Bond.

Whenever the Series 2009 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Series 2009 A Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 2009 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Purchaser, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2009 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

In case the Series 2009 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2009 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2009 A Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2009 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2009 A Bonds and the Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2009 A Bonds and the Prior Bonds as the same become due.

UNITED STATES OF AMERICA
PUTNAM PUBLIC SERVICE DISTRICT
SEWER REVENUE BONDS, SERIES 2009 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

\$ _____

FOR VALUE RECEIVED, PUTNAM PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ (\$ _____), plus interest on the unpaid principal balance at the rate of _____ % per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$ _____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on

an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the sewerage system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2009, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

So long as any of the Series 2009 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2009 A Bonds Reserve Account a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2009 A Bonds, as applicable, remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2009 A Bonds as follows:

A. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolutions not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to (i) the National Finance Office the amounts required by the Prior Resolutions to pay interest on the RUS Bonds; (ii) the Commission the amounts required by Prior Resolution to pay interest on the Series 1993 Bonds, Series 2002 B Bonds, Series 2007 A Bonds and Series 2008 A Bonds; and (iii) the National Finance Office, the amounts required to pay the interest on the Series 2009 A. All payments with respect to principal of and interest on the Series 2009 A Bonds and the Prior Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit (i) to the National Finance Office the amounts required by Prior Resolution to pay principal on the RUS Bonds; (ii) to the Commission the amounts required by Prior Resolution to pay principal on the Series 1993 Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2006 B Bonds, Series 2007 A Bonds, Series 2008 A Bonds and Series 2008 B Bonds; and (iii) on or before the due date thereof, remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2009 A

Bonds, the amount required to amortize the principal of the Series 2009 A Bonds over the life of the bond issue

(4) The Issuer shall next, on the first day of each month simultaneously, transfer from the Revenue Fund and remit (i) to the Depository Bank the amounts required by the Prior Resolutions to be deposited in the respective Reserve Accounts for the Series 1975 Bonds, Series 1979 Bonds and Series 1995 Bonds; (ii) to the Commission the amounts required by Prior Resolution to be deposited in the respective reserve accounts for the Series 1993 Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2007 A Bonds, Series 2008 A Bonds and Series 2008 B Bonds; and (iii) beginning on the date specified by the Purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission for deposit into the Series 2009 A Bonds Reserve Account, 10% of the monthly payment amount, calculated monthly, until the amount in the Series 2009 A Bonds Reserve Account equals the Minimum Reserve; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Minimum Reserve. Monies in the Series 2009 A Bonds Reserve Accounts shall be used solely to make up any deficiency for the monthly payments of the principal of and interest on the Series 2009 A Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 2009 A Bonds, or for mandatory prepayment of the Series 2009 A Bonds as hereinafter provided, and for no other purpose; provided, however, earnings from monies in each Series 2009 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 ½% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account; and shall use the monies therein as provided by the Prior Resolutions, except that any deficiencies in the debt service payments on the Series 2009 A Bonds shall be payable from the Renewal and Replacement Fund on a parity with the Prior Bonds. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Series 2009 A Bonds Reserve Account shall be sufficient to prepay the Series 2009 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2009 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2009 A Bonds Reserve Account. All amounts required for the Series 2009 A Bonds Reserve Accounts will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund shall constitute a Trust Fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2009 A Bonds and the interest thereon, on a parity with the Prior Bonds.

The Series 2009 A Bonds Reserve Account shall constitute a trust fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2009 A Bonds the interest thereon, on a parity with the Prior Bonds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2009 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolutions, the Commission shall keep the monies in the Series 2009 A Bonds Reserve Account invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2009 A Bonds Reserve Account,

so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually by the Commission to the Issuer and deposited in the Revenue Fund.

C. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. The Issuer shall, prior to delivery of the Series 2009 A Bonds, provide evidence that there will be at least 7,777 bona fide users upon the System on completion, in full compliance with the requirements and conditions of the Purchaser.

E. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

F. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

GENERAL COVENANTS, ETC.

Section 6.01. General Statement. So long as the Series 2009 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2009 A Bonds Reserve Accounts, sums sufficient to prepay the entire principal of the Series 2009 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2009 A Bonds.

Section 6.02. Rates. So long as the Prior Bonds are outstanding, the Issuer will maintain rates as required in the Prior Resolutions. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2009 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 6.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2009 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 6.04. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the RUS Bonds or the Series 2009 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the RUS Bonds are no longer outstanding, the following parity requirement shall be met:

So long as the Series 1993 Bonds, Series 2002 B Bonds, Series 2007 A Bonds, Series 2008 A Bonds, or Series 2008 B Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 6.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2009 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2009 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2009 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 6.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2009 A Bonds.

Section 6.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 2009 A Bonds at the date specified for payment thereof;

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series A 2009 Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and

(c) If a default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 6.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that, all rights and remedies of the Holders of the Prior Bonds shall be on a parity with the Series 2009 A Bonds.

Section 6.09. Fiscal Year; Budget. While the Series 2009 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 6.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 6.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 6.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 6.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2009 A Bonds are outstanding.

Section 6.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VII

RATES, ETC.

Section 7.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on April 23, 2008 Case No. 06-0743-PSD-CN, which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2009 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2009 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2009 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2009 A Bonds, the Issuer may not defease the Series 2009 A Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 8.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 8.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2009 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 8.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2009 A Bonds.

Section 8.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 8.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 8.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed

and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 8.08. Effective Time. This Resolution shall take effect immediately upon its adoption.

PUTNAM PUBLIC SERVICE DISTRICT
SEWER REVENUE BONDS, SERIES 2009 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

\$4,520,000

FOR VALUE RECEIVED, PUTNAM PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FOUR MILLION FIVE HUNDRED TWENTY THOUSAND DOLLARS (4,520,000), plus interest on the unpaid principal balance at the rate of 4.25% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$20,024, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made

by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the sewerage system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted June 24, 2009, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for

similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.
