The Series 2016 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2016 Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.09 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has

been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2016 Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2016 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of the Series 2016 Bonds, shall be conclusively deemed to have agreed that such Bond shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bond shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2016 Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Series 2016 Bonds.

The registered Series 2016 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Series 2016 Bonds or transferring the registered Bonds are exercised, the Series 2016 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. Any Bond surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of the Series 2016 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each such new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the person requesting such exchange or transfer, as a condition precedent to the exercise of the privilege of making such transfer. The Bond Registrar shall not be obliged to make any such exchange or transfer of the Series 2016 Bonds during the 15 days preceding a scheduled payment date on such Bonds or after notice of any prepayment of such Bonds has been given.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Series 2016 Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Series 2016 Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such reasonable expenses as the Issuer and the Bond Registrar may incur. The Series 2016 Bond so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Series 2016 Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds Not to Be Indebtedness of the Issuer. The Series 2016 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2016 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2016 Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2016 Bonds shall be secured forthwith by a lien on the Net Revenues derived from the System, in addition to the statutory mortgage lien on the System hereinafter provided, on a parity with the Prior Bonds. ARTICLE V

GENERAL COVENANTS

Section 5.01. General Statement. So long as the Series 2016 Bonds shall be outstanding and unpaid, or until there shall have been set apart a sum sufficient to prepay the entire principal of the Series 2016 Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. Prior to the issuance of the Series 2016 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2016 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2016 Bonds, including the Prior Bonds.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions.

Section 5.04. Issuance of Additional Parity Bonds. So long as the Prior Bonds are outstanding, no additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except as set forth in the Prior Resolutions.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2016 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding the Prior Bonds or the Bonds issued pursuant hereto or subsequent Parity Bonds, or any combination of such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 2009 B Bonds or the Series 2016 Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by

such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in the certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Series 2016 Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior liens of the Bonds on such Revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bond.

No Parity Bonds shall be issued any time, however, unless all the payments provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds. A. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2016 Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(i) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion.

(ii) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2016 Bonds.

(iii) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(iv) Workers' Compensation Coverage for All Employees of the Issuer Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(v) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(vi) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(vii) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, so long as the Series 2016 Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer with insurance carriers or bonding companies acceptable to Purchaser.

B. All insurance proceeds awarded to the Issuer that are not applied to the repair or replacement of the subject property damaged or destroyed, shall be applied by the Issuer to prepayment of the Bond, unless otherwise consented to in writing by the Bondholder.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2016 Bonds, on a parity with the Prior Bonds.

Section 5.07. Fiscal Year; Budget. While the Series 2016 Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year.

Section 5.08. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.09. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser within 60 days of completion. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.10. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2016 Bonds are outstanding.

Section 5.11. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 5.12. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

ARTICLE VI

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Recommended Decision entered October 24, 2016 which

became Final Order on November 13, 2016 in Case No. 15-1977-PWD-42R of the Public Service Commission of West Virginia which are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

ARTICLE VII

TAX COVENANTS

Section 7.01. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2016 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2016 Bonds during the term thereof is, under the terms of the Series 2016 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2016 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2016 Bonds during the term thereof is, under the terms of the Series 2016 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2016 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2016

Bonds is for the purpose of financing more than one project, a portion of the project, and shall not exceed the proceeds used for the governmental use of that portion of the project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2016 Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2016 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2016 Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2016 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions which would adversely affect such exclusion.

Section 7.02. Arbitrage and Tax Exemption. EXHIBIT B

Tax Compliance Policy

TAX COMPLIANCE POLICIES

Ravencliff-McGraws-Saulsville Public Service District

Purpose

Issuers of tax-exempt bonds must comply with federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the Ravencliff-McGraws-Saulsville Public Service District (the “*Issuer*”) with these rules in connection with the issuance of the Issuer’s Water Refunding Revenue Bonds, Series 2017 A, Water Refunding Revenue Bonds, Series 2017 B; Water Refunding Revenue Bonds, Series 2017 C and Water Revenue Bonds, Series 2017 D (collectively, the “*Tax-Exempt Bonds*”).

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Chairman of the Issuer or his/her designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Qualified Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to an approved form of requisition stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property and certify as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.
- Requisitions will be summarized in a “final allocation” of proceeds to uses not later than 18 months after the in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the Tax-Exempt Bonds).

- Expenditure of proceeds will be monitored against the expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other

potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property is bond-financed.

- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, and Form 8038-G) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.

- Retainable records pertaining to expenditures of bond proceeds include requisitions, trustee statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

Ravencliff-McGraws-Saulsville Public Service District
Water Refunding Revenue Bonds, Series 2017 A

Ravencliff-McGraws-Saulsville Public Service District
McGraws, West Virginia

The Ohio Valley Bank Company
Gallipolis, Ohio

West Virginia Water Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Ravencliff-McGraws-Saulsville Public Service District (the "Issuer") of its \$148,900 Water Refunding Revenue Bonds, Series 2017 A (the "Series 2017 A Bonds"), dated the date hereof.

The Series 2017 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on December 1, 2016, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 1, 2016 (collectively, the "Bond Resolution"), and are subject to all the terms and conditions of the Bond Resolution. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Resolution when used herein.

The Series 2017 A Bonds are originally issued in the form of one bond, numbered AR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 2.97% per annum, payable in monthly installments of principal and interest as set forth therein.

The Series 2017 A Bonds are issued for the purposes of: (i) currently refunding the Issuer's Water Revenue Bonds, Series 1988; (ii) funding the Series 2017 A Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

The Series 2017 A Bonds have been sold to The Ohio Valley Bank Company, Gallipolis, Ohio (the "Purchaser"), pursuant to a commitment letter dated October 26, 2016.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Resolution and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Resolution and in certain certificates delivered in connection with the issuance of the Series 2017 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Resolution and to issue and sell the Series 2017 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Resolution has been duly adopted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2017 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1997 (United States Department of Agriculture), dated August 20, 1997, issued in the original aggregate principal amount of \$1,021,000 (the "Series 1997 Bonds"); (ii) Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated February 2, 2009, issued in the original aggregate principal amount of \$1,114,000 (the "Series 2009 A Bonds"); (iii) Water Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated February 2, 2009, issued in the original aggregate principal amount of \$1,586,000 (the "Series 2009 B Bonds"); and (iv) Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated May 19, 2012, issued in the original aggregate principal amount of \$241,000 (the "Series 2012 A Bonds"), (collectively, the "Prior Bonds"); (v) Water Refunding Revenue Bonds, Series 2017 B dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$35,800 (the "Series 2017 B Bonds"); (vi) Water Refunding Revenue Bonds, Series 2017 C, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$187,900 (the "Series 2017 C Bonds"); and (vii) Water Revenue Bonds, Series 2017 D, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$55,400 (the "Series 2017 D Bonds") with respect to liens, pledge and source of and security for payment.

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 A Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Series 2017 A Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2017 A Bonds for interest thereon to be or continue to be excludable from gross income for federal

income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2017 A Bonds set forth in the Bond Resolution, and in certain certificates delivered in connection with the issuance of the Series 2017 A Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2017 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2017 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2017 A Bonds except as expressly set forth in paragraphs 4 and 6.

5. Under the Act, the Series 2017 A Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Series 2017 A Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Series 2017 A Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2017. Therefore, the Series 2017 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Series 1988 Bonds have been defeased within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 1988 Bonds, and the covenants, agreements and other obligations of the Issuer to the Holders and Owners of the Series 1988 Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release of the United States Department of Agriculture to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 1988 Bonds.

It is to be understood that the rights of the Holders of the Series 2017 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 A Bonds and the Bond Resolution may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. AR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Resolution when used herein.

The Series 2017 B Bonds are originally issued in the form of one bond, numbered BR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 3.31% per annum, payable in monthly installments of principal and interest as set forth therein.

The Series 2017 B Bonds are issued for the purposes of: (i) currently refunding the Issuer's Water Revenue Bonds, Series 1992; (ii) funding the Series 2017 B Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

The Series 2017 B Bonds have been sold to The Ohio Valley Bank Company, Gallipolis, Ohio (the "Purchaser"), pursuant to a commitment letter dated October 26, 2016,

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Resolution and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Resolution and in certain certificates delivered in connection with the issuance of the Series 2017 B Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Resolution and to issue and sell the Series 2017 B Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Resolution has been duly adopted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2017 B Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1997 (United States Department of Agriculture), dated August 20, 1997, issued in the original aggregate principal amount of \$1,021,000 (the "Series 1997 Bonds"); (ii) Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated February 2, 2009, issued in the original aggregate principal amount of \$1,114,000 (the "Series 2009 A Bonds"); (iii) Water Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated February 2, 2009, issued in the original aggregate principal amount of \$1,586,000 (the "Series 2009 B Bonds"); and (iv) Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated May 19, 2012, issued in the original aggregate principal amount of \$241,000 (the "Series 2012 A Bonds"), (collectively, the "Prior Bonds"); (v) Water Refunding Revenue Bonds, Series 2017 A, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$148,900 (the "Series 2017 A Bonds"); (vi) Water Refunding Revenue Bonds, Series 2017 C, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$187,900 (the "Series 2017 C Bonds"); and (vii) Water Revenue Bonds, Series 2017 D, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$55,400 (the "Series 2017 D Bonds"), with respect to liens, pledge and source of and security for payment.

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 B Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Series 2017 B Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2017 B Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2017 B Bonds set forth in the Bond Resolution, and in certain certificates delivered in connection with the issuance of the Series 2017 B Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2017 B Bonds to be includable in gross income

retroactive to the date of issuance of the Series 2017 B Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2017 B Bonds except as expressly set forth in paragraphs 4 and 6.

5. Under the Act, the Series 2017 B Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Series 2017 B Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Series 2017 B Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2017. Therefore, the Series 2017 B Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Series 1992 Bonds have been defeased within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 1992 Bonds, and the covenants, agreements and other obligations of the Issuer to the Holders and Owners of the Series 1992 Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release of the United States Department of Agriculture to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 1992 Bonds.

It is to be understood that the rights of the Holders of the Series 2017 B Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 B Bonds and the Bond Resolution may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. BR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Ravencliff-McGraws-Saulsville Public Service District (the "Issuer") of its \$187,900 Water Refunding Revenue Bonds, Series 2017 C (the "Series 2017 C Bonds"), dated the date hereof.

The Series 2017 C Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on December 1, 2016, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 1, 2016 (collectively, the "Bond Resolution"), and are subject to all the terms and conditions of the Bond Resolution. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Resolution when used herein.

The Series 2017 C Bonds are originally issued in the form of one bond, numbered CR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 3.55% per annum, payable in monthly installments of principal and interest as set forth therein.

The Series 2017 C Bonds are issued for the purposes of: (i) currently refunding the Issuer's Water Revenue Bonds, Series 1994; (ii) funding the Series 2017 C Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

The Series 2017 A Bonds have been sold to The Ohio Valley Bank Company, Gallipolis, Ohio (the "Purchaser"), pursuant to a commitment letter dated October 26, 2016.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Resolution and in the certified proceedings and other

certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Resolution and in certain certificates delivered in connection with the issuance of the Series 2017 C Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Resolution and to issue and sell the Series 2017 C Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Resolution has been duly adopted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2017 C Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1997 (United States Department of Agriculture), dated August 20, 1997, issued in the original aggregate principal amount of \$1,021,000 (the "Series 1997 Bonds"); (ii) Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated February 2, 2009, issued in the original aggregate principal amount of \$1,114,000 (the "Series 2009 A Bonds"); (iii) Water Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated February 2, 2009, issued in the original aggregate principal amount of \$1,586,000 (the "Series 2009 B Bonds"); and (iv) Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated May 19, 2012, issued in the original aggregate principal amount of \$241,000 (the "Series 2012 A Bonds"), (collectively, the "Prior Bonds"); (v) Water Refunding Revenue Bonds, Series 2017 A, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$148,900 (the "Series 2017 A Bonds"); (vi) Water Refunding Revenue Bonds, Series 2017 B, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$35,800 (the "Series 2017 B Bonds"); and (vii) Water Revenue Bonds, Series 2017 D, dated January 24, 2017, issued simultaneously herewith in the original aggregate principal amount of \$55,400 (the "Series 2017 D Bonds"); with respect to liens, pledge and source of and security for payment.

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 C Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Series 2017 C Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2017 C Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2017 C Bonds set forth in the Bond

Resolution, and in certain certificates delivered in connection with the issuance of the Series 2017 C Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2017 C Bonds to be includable in gross income retroactive to the date of issuance of the Series 2017 C Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2017 C Bonds except as expressly set forth in paragraphs 4 and 6.

5. Under the Act, the Series 2017 C Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Series 2017 C Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Series 2017 C Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2017. Therefore, the Series 2017 C Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Series 1994 Bonds have been defeased within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 1994 Bonds, and the covenants, agreements and other obligations of the Issuer to the Holders and Owners of the Series 1994 Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release of the United States Department of Agriculture to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 1994 Bonds.

It is to be understood that the rights of the Holders of the Series 2017 C Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 C Bonds and the Bond Resolution may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. CR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Ravencliff-McGraws-Saulsville Public Service District, in Wyoming County, West Virginia (the "Issuer"), in connection with the issuance and sale of the above-captioned bonds (collectively, the "Series 2017 Bonds"). As such counsel, I have reviewed copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, the commitment letters dated October 26, 2016, from The Ohio Valley Bank Company, Gallipolis, Ohio (the "Purchaser"), the Bond Resolutions of the Issuer duly adopted December 1, 2016, as supplemented by the Supplemental Resolutions of the Issuer duly adopted December 1, 2016 (collectively, the "Resolution"), and other documents relating to the Series 2017 Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution when used herein.

I am of the opinion that:

1. The Issuer has been duly created and validly exists as a public service district and political subdivision of the State of West Virginia.

2. The Chairman, Secretary, and members of the Board of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

3. The Resolution has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Series 2017 Bonds and the consummation of the transactions contemplated by the Series 2017 Bonds and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. It is to be understood that the rights of the holders of the Series 2017 Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 Bonds and the Resolution are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Series 2017 Bonds, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Wyoming County and the Public Service Commission of West Virginia.

7. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Series 2017 Bonds and the Resolution, the operation of the System, the validity of the Series 2017 Bonds or pledge of the funds set forth in the Resolution.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Recommended Decision entered October 24, 2016 which became Final Order on November 13, 2016 in Case No. 15-1977-PWD-42R of the Public Service Commission of West Virginia, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Ravencliff-McGraws-Saulsville Public Service District, it is our opinion that such rates and charges will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 115% of the annual debt service on (i) Water Refunding Revenue Bonds, Series 2017 A, dated January 24, 2017, issued in the original aggregate principal amount of \$148,900, (ii) Water Refunding Revenue Bonds, Series 2017 B, dated January 24, 2017, issued in the original aggregate principal amount of \$35,800; (iii) Water Refunding Revenue Bonds, Series 2017 C, dated January 24, 2017, issued in the original aggregate principal amount of \$187,900; and (iv) Water Revenue Bonds, Series 2017 D, dated January 24, 2017, issued in the original aggregate principal amount of \$55,400 (collectively, the "Series 2017 Bonds"), and all other obligations secured by or payable from the revenues of the System on a parity with the Series 2017 Bonds, including the Issuer's:

(i) Water Revenue Bonds, Series 1997 (United States Department of Agriculture), dated August 20, 1997, issued in the original aggregate principal amount of \$1,021,000 (the "Series 1997 Bonds");

(ii) Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated February 2, 2009, issued in the original aggregate principal amount of \$1,114,000 (the "Series 2009 A Bonds");

(iii) Water Revenue Bonds, Series 2009 B (West Virginia Infrastructure Fund), dated February 2, 2009, issued in the original aggregate principal amount of \$1,586,000 (the "Series 2009 B Bonds"); and

(iv) Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated May 19, 2012, issued in the original aggregate principal amount of \$241,000 (the "Series 2012 A Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2017 Bonds are issued will be at least 115% of the average annual debt service on the Prior Bonds and the Series 2017 Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2017 Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2017 Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2017 Bonds.

Very truly yours,

LOWE & ASSOCIATES, PLLC

TAX COMPLIANCE POLICIES

Ravencliff-McGraws-Saulsville Public Service District

Purpose

Issuers of tax-exempt bonds must comply with federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the Ravencliff-McGraws-Saulsville Public Service District (the “*Issuer*”) with these rules in connection with the issuance of the Issuer’s Water Refunding Revenue Bonds, Series 2017 A, Water Refunding Revenue Bonds, Series 2017 B; Water Refunding Revenue Bonds, Series 2017 C and Water Revenue Bonds, Series 2017 D (collectively, the “*Tax-Exempt Bonds*”).

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Chairman of the Issuer or his/her designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Qualified Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to an approved form of requisition stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property and certify as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.
- Requisitions will be summarized in a “final allocation” of proceeds to uses not later than 18 months after the in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the Tax-Exempt Bonds).

- Expenditure of proceeds will be monitored against the expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other

potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property is bond-financed.

- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, and Form 8038-G) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.

- Retainable records pertaining to expenditures of bond proceeds include requisitions, trustee statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.
