BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF SISSONVILLE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Sissonville Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Kanawha County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of the acquisition, construction, installation and equipping of an upgraded wastewater treatment plant to be in compliance with DEP regulations and to continue the efficient operation of the treatment plant, construction of two (2) 29.5' diameter aerated sludge holding tanks, construction of a sludge press building with a belt filter press, lime post treatment unit, sludge conveyor, controls, and sludge truck, upgrading the return activated sludge and waste activated sludge pumping systems and upgrading the wastewater treatment plant control system and related property and equipment (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquiring, constructing and equipping the Project through the issuance of its revenue bond to be sold to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bond, Series 2003 A (West Virginia SRF Program), in the aggregate principal amount of not more than \$1,313,000 (the "Series 2003 A Bond"), initially to be represented by a single bond, to permanently finance a portion of the costs of acquiring, constructing and equipping of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2003 A Bond prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2003 A Bond Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2003 A Bond and such other expenses as may be necessary or incidental to the financing herein authorized, the cost of acquiring, constructing and equipping the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2003 A Bond or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System is not less than 25 years.

F. It is in the best interests of the Issuer that its Series 2003 A Bond be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There is outstanding one obligation of the Issuer that will rank on parity with the Series 2003 A Bond as to liens, pledge and source of and security for payment, which obligation is designated as \$1,440,000 Sissonville Public Service District, Sewer Refunding Revenue Bonds, Series 2001 (the "2001 Bonds" or "Prior Bonds").

The Series 2003 A Bond shall be issued on parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the coverage and parity requirements for issuance of parity bonds as required by the Prior Bonds and the resolution authorizing the Prior Bonds and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. Prior to the issuance of the Series 2003 A Bond, the Issuer will obtain the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer that are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 2003 A Bond and the Prior Bonds, and to make payments into all Sinking Funds, Reserve Accounts and other payments provided for herein, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and equipping of the Project and the operation of the System and issuance of the Series 2003 A Bond, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2003 A Bond or such final order will not be subject to appeal or rehearing.

J. The Project has been approved by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2003 A Bond by those who shall be the Registered Owner of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owner of such Series 2003 A Bond, which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

As and when additional bonds ranking on parity with the Series 2003 A Bond are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically deducted from the Revenue Fund and transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured,

to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

Except as provided in Section 6.01 hereof, disbursements from the Series 2003 A Bond Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement as Exhibit C in compliance with the construction schedule; and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2003 A Bond Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by the Holder of the Series 2003 A Bond. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and

agrees with the Holder of the Series 2003 A Bond as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2003 A Bond or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bond not to be Indebtedness of the Issuer. The Series 2003 A Bond shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2003 A Bond shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2003 A Bond or the interest, if any, thereon.

Section 7.03. Bond Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2003 A Bond shall be secured by a first lien on the Net Revenues derived from the System, on parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2003 A Bond and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered May 5, 2003, in Case No. 02-1687-PSD-CN, and such rates are hereby adopted.

So long as the Series 2003 A Bond is outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2003 A Bond shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2003 A Bond is outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2003 A Bond, immediately be remitted to the Commission for deposit in the Series 2003 A Bond Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2003 A Bond. Any balance remaining after the payment of the Series 2003 A Bond and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Funds and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value. Such payment of such proceeds into the Sinking Funds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then

Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2003 A Bond. All obligations issued by the Issuer after the issuance of the Series 2003 A Bond and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2003 A Bond; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2003 A Bond, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2003 A Bond and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2003 A Bond pursuant to this Bond Legislation, except with the prior written consent of DEP and the Authority under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on parity in all respects with the Series 2003 A Bond.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition, or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the

increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2003 A Bond on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2003 A Bond.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the cost of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. The Issuer shall maintain separate

control accounting records. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system that may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2003 A Bond, and shall mail in each year to any Holder or Holders of the Series 2003 A Bond, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to the Holder of the Series 2003 A Bond, and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2003 A Bond. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Loan Agreement or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2003 A Bond, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 A Bond and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2003 A Bond, including the Prior Bonds; provided that when the Prior Bonds are no longer outstanding and in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2003 A Bond Reserve Account and any reserve accounts for obligations on a parity with the Series 2003 A Bond, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 A Bond and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2003 A Bond. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such

budget without a written finding and recommendation by a professional engineer which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP and to any Holder of any Bonds, or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of construction of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulation, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential

rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2003 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for repairs and restoration of the damaged or destroyed properties, or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract, if any,

and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project, provided that the amounts and terms of such coverage are satisfactory to the DEP and the Authority. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there

is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Construction; Permits and Orders. The Issuer will cause the Project to be constructed as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the operation of the System, all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and the operation of the System and all approvals for issuance of the Series 2003 A Bond required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2003 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due, on the Series 2003 A Bonds during the term thereof is, under the terms of the Series 2003 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property, or borrowed money, used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2003 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2003 A Bonds during the term thereof is, under the terms of the Series 2003 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property, or borrowed money, used or to be used for a Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2003 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or

if the Series 2003 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or \$5,000,000 of the Net Proceeds of the Series 2003 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to person other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2003 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2003 A Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2003 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2003 A Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2003 A Bond, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms, conditions and requirements of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the DEP or other state, federal or local bodies in regard to the construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2003 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP for written approval. The Issuer shall obtain the written approval of the DEP before expending any proceeds of the Series 2003 A Bonds held in "contingency" as set forth in the schedule attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the DEP before expending any proceeds of the Series 2003 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the DEP and the Authority in any press release, publication, program, bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENTS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments

permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest on the Series 2003 A Bond from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2003 A Bonds which would cause the Series 2003 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2003 A Bonds) so that the interest on the Series 2003 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2003 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2003 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with Section 148(f) of the Code and the Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and the Regulations. In the event that there are any amounts remaining in the

Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by the Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with requirements of Section 148(f) of the Code and the Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount and all interest, penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2003 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time, as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculation and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2003 A Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2003 A Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2003 A Bond:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2003 A Bond; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2003 A Bond set forth in this Bond Legislation, any supplemental resolution or in the Series 2003 A Bond, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2003 A Bond shall be on parity with the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer

under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bond and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owner of the Bond. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto

under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BOND

Section 10.01. Payment of Bond. If the Issuer shall pay, or there shall otherwise be paid, to the Holder of the Series 2003 A Bond, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2003 A Bond shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 2003 A Bond from gross income for federal income tax purposes.

ARTICLE XI

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 2003 A Bond, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2003 A Bond, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owner of the Series 2003 A Bond shall be made without the consent in writing of the Registered Owner of the Series 2003 A Bond so affected and then Outstanding; provided, that no change shall be made in the maturity of the Series 2003 A Bond or the rate of interest, thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein respectively pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2003 A Bond, required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest, if any, on the Series 2003 A Bond from gross income of the holders thereof.

any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. If any court of competent jurisdiction should hold any section, paragraph, clause or provision of this Resolution invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution, or the Series 2003 A Bond.

Section 11.04. Headings, Etc. The headings and catch lines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by DEP.

3.5 The Local Government understands and acknowledges that it is one of several local governments which have applied to the Authority and DEP for loans from the Fund to finance wastewater treatment projects and that the obligation of the Authority to make any such loan is subject to the Local Government's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to such purchase, the Authority may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF Regulations. The Local Government further specifically recognizes that all loans will be originated in conjunction with the SRF Regulations and with the prior approval of DEP.

3.6 The Local Government shall provide DEP with the appropriate documentation to comply with the special conditions regarding the public release and audit requirements established by federal and State regulations as set forth in Exhibit E attached hereto at such times as are set forth therein.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and

on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that the Local Government is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Government shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted

to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Loan shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and

payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Loan Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local

Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this Loan Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this Loan Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

6.6 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Government hereby agrees to file with the Authority and DEP upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be

approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.4 No waiver by any party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.5 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Loan Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

Charleston, WV 25311

West Virginia Department of Environmental Protection
1560 Kanawha Boulevard, East
Charleston, WV 25311

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$ _____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the

Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.
2. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.
3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.
4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.
6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

No. AR-1

\$1,313,000.00

KNOW ALL MEN BY THESE PRESENTS: That SISSONVILLE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Kanawha County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION THREE HUNDRED THIRTEEN THOUSAND DOLLARS (\$1,313,000.00), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2004, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference, with interest on each installment at the rate per annum set forth on said EXHIBIT B. The interest and SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) on this Bond shall be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2004, as set forth on EXHIBIT B attached hereto.

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest and SRF Administrative Fee on this Bond are payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of the Registrar (as defined in the hereinafter described Bond Legislation) on the 15th day of the month next preceding a payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the DEP, dated May 22, 2003.

This Bond is issued (i) to pay a portion of the costs of acquiring, constructing and equipping certain improvements and extensions to the existing public sewerage

The existing public sewerage facilities of the Issuer, the improvements and extensions constructed by the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on June 5, 2003, and a Supplemental Resolution duly adopted by the Issuer on June 5, 2003 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2003 A Bond Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds that may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2003 A Bond Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on this Bond and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that when the Prior Bonds are no longer outstanding and so long as there exists in the Series 2003 A Bond Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owner of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the registered

owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of constructing the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

Re: Sissonville Public Service District Sewer Revenue Bond,
Series 2003 A (West Virginia SRF Program)

Ladies and Gentlemen:

We have served as bond counsel to Sissonville Public Service District (the "Issuer") in connection with the issuance of its Sewer Revenue Bond, Series 2003 A (West Virginia SRF Program), dated the date hereof (the "Bond").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a loan agreement for the Bonds, dated May 22, 2003, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bond to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bond is issued in the principal amount of \$1,313,000, in the form of one bond, registered to the Authority, bearing interest at a rate of 2% per annum, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2004, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Bond. The Bond is subject to the SRF Administrative Fee equal to 1.0% of the principal amount of the Bond as set forth in the Schedule Y attached to the Loan Agreement.

GOODWIN & GOODWIN, LLP

June 17, 2003

Page 2

The Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquiring and constructing certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Resolution duly adopted by the Issuer on June 5, 2003, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 5, 2003 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bond is authorized and issued, and the Loan Agreement is entered into. The Bond is subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

In connection with the issuance of the Bond, the Issuer has executed a Certificate as to Arbitrage, dated as of the date hereof (the "Certificate as to Arbitrage"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Bond from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bond, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

GOODWIN & GOODWIN, LLP

June 17, 2003

3. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer, without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bond. The Resolution constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Bond has been duly authorized, issued, executed and delivered by the Issuer to the Authority and is a valid, legally enforceable and binding special obligation of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Prior Bonds, all in accordance with the terms of the Bond and the Resolution.

6. Under the Act, the Bond and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bond (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bond is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bond for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bond set forth in the Resolution and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bond. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bond to be includable in gross income retroactive to the date of issuance of the Bond. We express no opinion regarding other federal tax consequences arising with respect to the Bond.

No opinion is given herein as to the effect upon the enforceability of the Bond under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Re: Sissonville Public Service District Sewer Revenue Bond
Series 2003 A (West Virginia SRF Program)

Ladies and Gentlemen:

We are counsel to Sissonville Public Service District (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Goodwin & Goodwin, LLP, as bond counsel, relating to the above-captioned bond of the Issuer (the "Bond"), a loan agreement for the Bond, dated May 22, 2003, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), a Bond Resolution duly adopted by the Public Service Board of the Issuer (the "Board") on June 5, 2003, as supplemented by a Supplemental Resolution duly adopted on June 5, 2003 (collectively, the "Resolution"), orders of The County Commission of Kanawha County relating to the Issuer and the appointment of members of the Board, and other documents relating to the Bond and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Loan Agreement and the Resolution when used herein.

GOODWIN & GOODWIN, LLP

June 17, 2003

Page 2

We are of the opinion that:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

2. The members and officers of the Board have been duly and properly appointed and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority and the DEP, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Resolution has been duly adopted by the Board and is in full force and effect.

5. The execution and delivery of the Bond and the Loan Agreement and the consummation of the transactions contemplated by the Bond, the Loan Agreement and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for the use of the System, including, without limitation, all requisite permits, approvals, orders and certificates from the DEP and the Public Service Commission of West Virginia (the "PSC"), and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the PSC order entered on February 6, 2002, in Case No. 01-1470-PSD-PC, approving the engineering agreement between the Issuer and the consulting engineer and the PSC Order entered May 5, 2003, in Case No. 02-1687-PSD-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the rates for the System and the financing for the Project. The time for appeal of all such orders has expired without any

appeal. Such orders are in full force and effect.

7. The Issuer has duly published the required notice with respect to, among other things, the amount of the Bond to be issued, the interest rate and terms of the Bond, the Project to be acquired or constructed and the cost of the Project, the anticipated user rates and charges and the date that a formal application for a certificate of public convenience and necessity is to be filed with the PSC in accordance with Chapter 16, Article 13A, Section 25 of the Code of West Virginia, 1931, as amended, and has duly complied with the provisions thereof.

8. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond and the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bond, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bond.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Resolution and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Re: Final Title Opinion

Ladies and Gentlemen:

I am counsel to Sissonville Public Service District (the "Issuer") in connection with a proposed project to construct certain improvements and extensions to the existing public sewer facilities of the Issuer, as set forth in the plans and specifications prepared by Thrasher Engineering, Inc., the consulting engineers for the project (the "Project"). I provide this final title opinion on behalf of the Issuer to satisfy the requirements of the West Virginia Department of Environmental Protection (the "DEP") for the Project. Please be advised of the following:

1. The Issuer is a duly created and validly existing public service district possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the DEP.
2. The Issuer has obtained all necessary permits and approvals for the construction of the Project.

3. I have investigated and ascertained the location of, and am familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the Project.

4. I have examined the records on file in the Office of the Clerk of the County Commission of Kanawha County, West Virginia, the county in which the Project is to be located, and, in my opinion, the Issuer has acquired legal title or such other estate or interest in all the necessary site components for the Project, including all easements and/or rights of way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

5. All deeds, easements and rights of way which have been acquired to date by the Issuer for the Project have been duly recorded in the Office of the Clerk of the County Commission of Kanawha County to protect the legal title to and interest of the Issuer.

Respectfully submitted,

The balance of the principal amount of the Series 2003 A Bond will be advanced to the Issuer from time to time as acquisition and construction of the Project progresses. The Issuer has committed \$115,000 of its own funds for the Project.

15. **CONFLICTS OF INTEREST:** No member, officer or employee of the Issuer has a substantial financial interest, direct, indirect or by reason of ownership of stock in any corporation, in any contract with the Issuer or the sale of any land, materials, supplies or services to the Issuer, or to any contractor supplying the Issuer, relating to the Bond, the Resolutions and/or the Project, including, without limitation, with respect to the Depository

(STATE REVOLVING FUND)

CERTIFIED PUBLIC ACCOUNTANTS CERTIFICATE

I, Todd Dingess, of Smith, Cochran & Hicks, P.L.L.C., a Certified Public Accountant, License No. 2295, Charleston, West Virginia, have reviewed the sewer service rates which have been adopted by the Sissonville Public Service District (the "District"), pursuant to the Rate Resolution, and authorized by the Public Service Commission of West Virginia in a Final Order dated May 5, 2003. It is my opinion that such rates are adequate (i) to may all operation and maintenance expenses of the System, and (ii) to leave a balance each fiscal year equal to at least 115% of the maximum amount required in any succeeding fiscal year for payment of principal of and interest on the Series 2003 Bond and the Prior Bonds, as defined in the resolution authorizing the Series 2003 A Bond.

It is my further opinion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of actual issuance of the Series 2003 A Bond, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2003 A Bond, will not be less than 115% of the largest aggregate amount that will mature and become due to any succeeding fiscal year for principal of and interest on the Prior Bonds and the Series 2003 A Bond.

WITNESS my signature as of this 17th day of June, 2003.

Section 1.01. Purchaser for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Resolution") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 13, Article 2E of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Sissonville Public Service District (the "Issuer") is a public service district, public corporation and political subdivision duly created under the laws of the State of West Virginia and located in Kanawha County.

B. The Issuer desires to refinance certain indebtedness of its existing sewer system. Therefore, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer and surrounding areas that such refinancing occur. The refinancing will consist of the current refunding of the outstanding principal balance of the Issuer's \$1,400,000 Sewerage System Revenue Bonds, 1987 Series A (the "Refunded Bonds"), currently outstanding in the principal amount of \$1,291,194, at an estimated cost of \$1,485,000 to complete the current refunding of the Refunded Bonds.

C. In accordance with Section 18 of the Act, the System will be under the supervision and control of the Public Service Board of the Issuer (the "Board").

D. The estimated revenues being and to be derived in each year from the System will be sufficient to pay the costs of said System, the principal of and interest on the Bonds and all other parity debt and all sinking funds, reserve accounts and other payments provided for herein and all as such terms are hereinafter defined.

E. It is deemed necessary for the Issuer to issue its Sewer Refunding Revenue Bonds, Series 2001, in the total aggregate principal amount of \$1,485,000 to currently refund the Refunded Bonds.

F. The estimated cost of the debt necessary to currently refund the Refunded Bonds is \$1,485,000, which will be obtained from the sale of the Bonds. The cost of such current refunding shall be deemed to include, but not be limited to, the cost of the refunding and all attendant expenses; legal expenses; expenses for estimates of costs and revenues; other expenses necessary or incident to the enterprise, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the refinancing herein authorized, and the performance of the things herein required or permitted in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds shall be deemed Costs, as hereinafter defined.

G. The period of usefulness of the System after issuance of the Bonds is not less than thirty (30) years.

H. It is in the best interests of the Issuer that its Bonds be sold to the Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement entered into between the Issuer and the Purchaser.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the refinancing and issuance of the Bonds including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia in Case No. 01-1543-PSD-PC, which became a Final Order of the Public Service Commission on December 12, 2001. Prior to the issuance of any additional indebtedness, the Issuer will comply with all requirements of West Virginia law including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, if necessary, the time for rehearing and appeal of which will either have expired prior to the issuance of the Bonds or such final order will not be subject to appeal.

Said Bonds shall be issued and designated as "Sewer Refunding Revenue Bonds, Series 2001" and shall have such terms as set forth hereinafter or in a Supplemental Resolution.

the date of such Bonds such person may not have held such office or may not have been so authorized.

No Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bonds, substantially in the form set forth in Section 3.09 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bonds shall be conclusive evidence that such Bonds have been authenticated, registered and delivered under this Resolution. So long as any of the Bonds remain outstanding, the Bond Registrar shall keep and maintain books for the registration and transfer of the Bonds.

The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the

Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds shall be secured by a parity lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and any other debt on a parity therewith and to make the payments into the Series 2001 Bond Sinking Fund and the Debt Service Reserve Fund, hereinafter established, are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as the same become due.

Section 3.09. Form of Bonds. The text of the Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to Issuer or its agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

All funds in the Debt Service Reserve Fund shall be kept apart from all other funds of the Issuer and shall be invested and reinvested in accordance with Article VII hereof. Withdrawals and disbursements may be made from the Debt Service Reserve Fund for the payment of principal and interest on the Bonds to the extent funds on deposit in the Series 2001 Bond Sinking Fund are insufficient to make such payments.

Moneys in the Series 2001 Bond Sinking Fund shall be used only for the purposes of paying principal of and interest, as the same shall become due.

Except to the extent transferred to the Rebate Fund at the request of the Issuer, all investment earnings on moneys in the Series 2001 Bond Sinking Fund shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments due on the respective Series of Bonds, and then to the next ensuing principal payments due thereon.

The Issuer shall not be required to make any further payments into the Series 2001 Bond Sinking Fund when the amount of funds in said Series 2001 Bond Sinking Fund is at least equal to the aggregate principal amount of the Bonds issued pursuant to this Resolution then Outstanding and all interest to accrue until the maturity thereof.

The West Virginia Municipal Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2001 Bond Sinking Fund created hereunder, and all amounts required for said Series 2001 Bond Sinking Fund shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Series 2001 Bond Sinking Fund and the Debt Service Reserve Fund during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Such Surplus Revenues shall be used to redeem the Bonds or for any lawful purposes of the Issuer.

D. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank, on such dates as the Commission or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Commission's fees and the Depository Bank's charges then due.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

ARTICLE V

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds issued hereunder shall be secured forthwith by a lien on the Net Revenues derived from the operation of the System collected by the Issuer and authorized by an Order of the Public Service Commission of West Virginia in Case No. 01-1543-PSD-PC, dated December 12, 2001. The Revenues derived from the System, in an amount sufficient to pay the principal of and

interest on the Bonds and to make the payments into the Series 2001 Bond Sinking Fund and all other payments provided for in the Resolution are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Resolution.

Section 6.04. Rates. Prior to issuance of the Bonds, equitable rates or charges for the proposed and/or actual use of and service rendered by the System have been or will be established, all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. The Issuer shall take the necessary actions with respect to the imposition of rates at such times and with such provisions with respect to interest rate and maturity of the Bonds to finance the issuance of the Bonds as the purchaser thereof shall require. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each Fiscal Year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest on the Bonds and the Parity Bonds.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in the Resolution.

Section 6.06. Sale of the System. Except as otherwise required by state law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Outstanding Bonds and effectively defease this Resolution in accordance with Section 9.01 hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Outstanding Bonds, immediately be remitted to the Commission for deposit in the Series 2001 Bond Sinking Fund, and the Issuer shall direct the Commission to apply such proceeds to the payment of principal and interest at maturity of and interest on the Outstanding Bonds. Any balance remaining after the payment of all the Outstanding Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal

Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Series 2001 Bond Sinking Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall be remitted by the Issuer to the Commission for deposit in the Series 2001 Bond Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the redemption price of such Bonds. Such payment of such proceeds into the Series 2001 Bond Sinking Fund or the Debt Service Reserve Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percent (66 2/3%) in amount of the Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 6.07 and in Section 6.08B, the Issuer shall not issue any obligations whatsoever with a lien on or otherwise payable from any source of payment pledged originally whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds and the Parity Bonds. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds and the Parity Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Debt Service Reserve Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Resolution, or upon the System or any part thereof.

Section 6.08. Parity Bonds. A. No additional parity bonds, payable out of the revenues of the System, shall be issued after the issuance of the Bonds issued pursuant to this Resolution, except under the conditions and in the manner herein provided.

All additional parity bonds issued hereunder shall be on a parity in all respects with the Bonds and the Parity Bonds.

No such additional parity bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of the System or extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No additional parity bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any twelve (12) consecutive months, within the eighteen (18) months immediately preceding the date of the actual issuance of such additional parity bonds, plus the estimated average increased annual Net Revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional parity bonds, shall not be less than one hundred fifteen percent (115%) of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Parity Bonds and the Bonds then Outstanding;
- (2) Any additional parity bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The additional parity bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the three (3) succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such additional parity bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such additional parity bonds, and shall not exceed the amount to be stated in a certificate of the Issuer's Consulting Engineers, which shall be filed in the office of the Secretary prior to the issuance of such additional parity bonds.

The Net Revenues actually derived from the System during the twelve (12) consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such additional parity bonds.

Not later than simultaneously with the delivery of such additional parity bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such additional parity bonds.

All covenants and other provisions of this Resolution (except as to details of such additional parity bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any additional parity bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such additional parity bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

All additional parity bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified in a Bond Resolution or Supplemental Resolution.

Additional parity bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No additional parity bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such additional parity bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

B. Notwithstanding the foregoing, the Issuer may issue additional parity bonds without compliance with any other conditions for the purpose of refunding prior to maturity any issues or series of the Bonds, provided that the annual debt service required on account of the refunding Bonds and the Bonds which are not refunded shall not be greater in any year in which the Bonds not refunded and the refunding Bonds are to be Outstanding than the annual debt service required in such year if the Bonds to be refunded were not so refunded.

Section 6.09. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all

reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The Issuer shall keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any owner of a Bond or Bonds issued pursuant to the Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. The Issuer shall maintain separate control accounting records. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system that may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers or the Purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Outstanding Bonds or other obligations outstanding and secured by a lien on the Net Revenues of the System.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and the Purchaser of the Bonds. Such audit report submitted to the Purchaser shall include a statement that the Issuer is in compliance with the terms and provisions of this Resolution and the Act and that Gross Revenues are adequate to meet operation/maintenance expenses and debt service requirements.

Section 6.10. Compliance With Rules and Regulations. The Issuer hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by any state, federal or local bodies in regard to the operation, maintenance and use of the System.

Section 6.11. Operating Budget and Audit. The Issuer shall annually, at least forty-five (45) days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated reserves and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of ten percent (10%) of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall, within thirty (30) days of the adoption thereof, mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Holder of any Bond, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bond, or anyone acting for and on behalf of such Holder of any Bonds.

Section 6.12. Engineering Services and Operating Personnel. The Issuer shall provide and maintain competent and adequate resident engineering services covering the supervision and inspection of the System. Such resident engineer shall certify to the Issuer that the System is operating in accordance with the approved plans, specifications and design, or amendments thereto, approved by all necessary governmental bodies.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid, to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia. Rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia,

discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 6.15. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.16. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer and its contractors and subcontractors will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, ON ALL above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Purchaser, the prime contractor and all subcontractors as their respective interests may appear on a one hundred percent (100%) basis (completed value form) on the insurable portion of the System, such insurance to be made payable to the order of the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the

Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR.

(4) FLOOD INSURANCE, to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall also require all contractors engaged in working on the System to carry such Workers' Compensation coverage for all employees working on the System and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the System. Such insurance shall be made payable to the order of the Purchaser, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 6.17. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a thirty (30) day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction, provided that Issuer gives no assurance of compliance with these requirements for parties outside the limits of the Issuer.

Section 6.18. Permits and Orders. The Issuer will operate and maintain the System in good condition and in compliance with all federal and State requirements and standards.

The Issuer will obtain all permits required by State and federal laws and all orders and approvals from the West Virginia Public Service Commission necessary for the operation of the System.

Section 6.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PUBLIC PURPOSE BONDS. The Issuer shall use the Bond proceeds solely for the current refunding of the Refunded Bonds and as otherwise set forth herein, and the System will be solely operated as a public purpose and as a local governmental activity of the Issuer.

B. PRIVATE ACTIVITY BOND COVENANT. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Bonds.

C. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of five percent (5%) of the Net Proceeds of the Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

D. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

E. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

F. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes and will not take any actions, or fail to take any actions, which would adversely affect such exclusion.

Section 6.20. Securities Law Compliance. The Issuer will provide the Purchaser, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Purchaser may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 6.21. Public Service Commission Approval. The Issuer shall obtain all requisite orders of and approvals from the Public Service Commission of West Virginia necessary for the current refunding of the Refunded Bonds and operation of the System, and the Purchaser shall receive an opinion of counsel to the Issuer to such effect.

ARTICLE VII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 7.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 7.01 and in Section 7.02 and 7.03.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount. The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are outstanding.

Section 7.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Bonds in such manner and to such extent as may be necessary, in view of the Issuer's reasonable expectations at the time of issuance of the Bonds, so that the Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal Information Return with respect to the Bonds) so that the interest on the Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 7.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Bonds. In addition, the Issuer covenants to comply with all Regulations from time

to time in effect and applicable to the Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder, and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States that are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Purchaser in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Purchaser at the expense of the Issuer. To the extent not so performed by the Purchaser, the Issuer (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 7.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 7.03 in accordance with the requirements of Section 148(f) of the Code or such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Issuer shall submit to the Purchaser within fifteen (15) days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Purchaser a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Bonds subject to rebate. The Issuer shall furnish to the Purchaser such information with respect to earnings on all moneys constituting "Gross Proceeds" of the Bonds (as such term is defined in the Code) from time to time as the Purchaser may request. The Issuer shall also furnish to the Purchaser, at any time, such additional information relating to rebate as may be reasonably

requested by the Purchaser, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as defined in the Code).

The Issuer shall furnish to the Purchaser, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Purchaser and shall furnish to the Purchaser such information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as that term is defined in the Code) from time to time as the Purchaser may request.

Section 7.04. Restriction of Yield and Bond Proceeds. The Issuer shall comply with the yield restriction on Bond proceeds as set forth in Section 148 of the Code.

ARTICLE VIII

DEFAULT AND REMEDIES

Section 8.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any of the Bonds or the Parity Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Resolution, or any Supplemental Resolution or in the Bonds, and such default shall have continued for a period of thirty (30) days after the Issuer shall have been given written notice of such default by the Commission or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 8.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of Outstanding Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Outstanding Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Outstanding Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Resolution with respect to the Outstanding Bonds, or the rights of such Registered Owners.

Section 8.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Resolution and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bond any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bond and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bond. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the Purchaser of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owner of such Bond and the curing and making good of any Event of Default with respect thereto under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.
