(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System (or eliminating any deficiencies in the Reserve Account, if applicable); and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) Unless waived in Schedule X, that the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum

amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the ARRA Assistance Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West

Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of St. Marys, West Virginia (the “Issuer”) is a municipal corporation and political subdivision of the State of West Virginia in Pleasants County of said State. The Issuer presently owns and operates a public combined waterworks and sewerage system (together with the Project, as hereinafter defined, and any other further additions or extensions, the “System”).

B. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the System of the Issuer, consisting of the construction of a .525 million gallon-per-day (MGD) wastewater treatment plant, to replace the Issuer’s existing .3 MGD wastewater treatment facilities, including upgrading the existing wastewater treatment facilities, including upgrading the existing pump station and installing a new grit channel, two sequencing batch reactors with 270,000 gallons of capacity, and an ultraviolet (UV) disinfection unit rates at 500 gallons per minute and 600 linear feet of drainage channel and improvements (collectively, the “Project”), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the DEP.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the “Authority”), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. The Issuer has heretofore issued its Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (West Virginia Water Development Authority), dated October 22, 2003, in the original principal amount of \$425,000 (the “Series 2007 A Notes”), to temporarily finance a portion of the costs of design of the Project. The Issuer hereby determines that it is in its best interest to pay the entire outstanding principal of and all accrued interest on the Series 2003 A Bonds in full with proceeds of the Series 2009 A Bonds on the date of issuance thereof. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project and the costs of prepayment of the Series 2003 A Bonds through the issuance of its revenue bonds to the Authority.

E. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds in three series being the Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia CWSRF Program) in an amount not to exceed \$4,000,000, (the “Series 2009 A Bonds”), the Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 B (West Virginia CWSRF Program/ARRA) in an amount not to exceed \$2,500,000 (the “Series 2009 B Bonds”), and the Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 C (West Virginia CWSRF Program/ARRA Green) in an amount not to exceed \$1,000,000 (the “Series 2009 C Bonds” and collectively with

the Series 2009 A Bonds and the Series 2009 B Bonds, the “Series 2009 Bonds”), to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2009 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); the costs of payment of the Series 2003 A Bonds; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2009 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2009 Bonds or the repayment of indebtedness incurred by the issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that its Series 2009 Bonds be sold to the Authority pursuant to the terms and provisions of an ARRA assistance agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the “DEP”), the agreement in form satisfactory to the respective parties (the “ARRA Assistance Agreement”), approved hereby if not previously approved by resolution of the Issuer.

H. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2009 Bonds as to liens, pledge, source of and security for payment, being the (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 1996 B, dated November 13, 1996, issued in the original principal amount of \$128,000 (the “Series 1996 B Bonds”); (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 1998 A, dated June 18, 1998, issued in the original principal amount of \$554,000 (the “Series 1998 A Bonds”); (iii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A (West Virginia Infrastructure Fund), dated July 10, 2006, issued in the original principal amount of \$1,581,250 (the “Series 2006 A Bonds”); (iv) Combined Waterworks and Sewerage System Revenue Bonds, Series 2008 A (United States Department of Agriculture), dated November 5, 2008, issued in the original principal amount of \$4,315,000 (the “Series 2008 A Bonds”); and (v) Combined Waterworks and Sewerage System Revenue Bonds, Series 2008 B (United States Department of Agriculture), dated November 5, 2008, issued in the original principal amount of \$1,034,000 (the “Series 2008 B Bonds”). Bonds, and other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by Revenues or assets of the System.

I. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2009 Bonds and to make payments into all funds and accounts and other payments provided for herein.

J. The Issuer has complied with all requirements of West Virginia law and the ARRA Assistance Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, the payment of the Series 2003 A Bonds and issuance of the Series 2009 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2009 Bonds or such final order will not be subject to appeal or rehearing.

K. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2009 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2009 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues: Lien Positions with Respect to Prior Bonds. The payments required by the Series 2009 Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien of Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

E. The unqualified approving opinion of bond counsel on the Series 2009 Bonds.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2009 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2009 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payments required by the Series 2009 Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien of such Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect.

So long as the Series 2009 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2009 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient

to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Series 2009 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP, the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 Bonds, immediately be remitted to the Commission for deposit in the Renewal and Replacement Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2009 Bonds. Any balance remaining after the payment of the Series 2009 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds,

if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2009 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Authority, or any other original purchaser of the Series 2009 Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2009 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2009 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the ARRA Assistance Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the ARRA Assistance Agreement for the Series 2009 Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2009 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be

sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2009 A Bonds Reserve Account, Series 2009 B Bonds Reserve Account and Series 2009 C Bonds Reserve Account and the reserve accounts for obligations on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP and the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the respective ARRA Assistance Agreements, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the ARRA Assistance Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the DEP and the Authority, the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Record Drawings, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the ARRA Assistance Agreement for the Series 2009 Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the Site Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the ARRA Assistance Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the

rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of any system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water or sewer facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water and sewer providers, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(I) FIRE, LIGHTNING, VANDALISM. MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require

each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the ARRA Assistance Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP and the Issuer shall verify such insurance prior to

commencement of construction. In the event the ARRA Assistance Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage facilities portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Ladies and Gentlemen:

We have reviewed the water and sewer service rates of The City of St. Marys (the "Issuer"), enacted by the Issuer on February 23, 2009, and the projected operating expenses and anticipated customer usage provided by S&S Engineers, Inc., the consulting engineer of the Issuer. It is our opinion that such rates are sufficient (i) to provide for all operating expenses of the Combined Waterworks and Sewerage System of the Issuer (the "System"), and (ii) to leave a balance each fiscal year equal to at least 115% of the maximum amount required in any succeeding fiscal year for the payment of principal of and interest on the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia CWSRF Program), Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 B (West Virginia CWSRF

{C1595433.1}

Program/ARRA) and Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 C (West Virginia CWSRF Program/ARRA Green) (the "Bonds") and all other obligations secured by or payable from revenues of the System on a parity with the Bonds, including the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 1996 B, Combined Waterworks and Sewerage System Revenue Bonds, Series 1998 A, Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, Combined Waterworks and Sewerage Revenue Bonds, Series 2008 A and Combined Waterworks and Sewerage Revenue Bonds, Series 2008 B (the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the fiscal year following the year in which the Bonds are to be issued will be at least 120% of the average annual debt service on the Prior Bonds and the Bonds; and (ii) the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, will not be less than 115% of the maximum debt service in any succeeding year on the Prior Bonds and the Bonds.

The Issuer is current on all payment to the funds and accounts established under the Bond Resolutions, including RUS reserve accounts.

Capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Ordinance authorizing the Bonds.

Re: The City of St. Marys
Combined Waterworks and Sewerage System Revenue Bonds,
Series 2009 A (West Virginia CWSRF Program)

Ladies and Gentlemen:

We have served as bond counsel to The City of St. Marys (“the Issuer”), a municipal corporation, in connection with the issuance of its Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia CWSRF Program), dated the date hereof (the “Bonds”).

We have examined certified copies of proceedings and other papers relating to the authorization of (i) an ARRA assistance agreement for the Bonds dated November 20, 2009, including all schedules and exhibits attached thereto (the “ARRA Assistance Agreement”), by and among the Issuer, the West Virginia Water Development Authority (the “Authority”) and the West Virginia Department of Environmental Protection (the “DEP”), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are issued in the principal amount of \$3,057,992, in the form of one bond, registered as to principal and interest to the Authority, will bear no interest, and with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, commencing December 1, 2011, all as set forth in the Schedule Y attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Bonds are subject to the SRF

Administrative Fee equal to 1% of the principal amount of the Bonds as set forth in the Schedule Y attached to the ARRA Assistance Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the Issuer's 2003 A Bonds; (ii) paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Ordinance duly passed by the Issuer on October 26, 2009, effective November 2, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 2, 2009 (collectively, the "Ordinance"), pursuant to and under which Act and Ordinance the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Ordinance and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance and in the ARRA Assistance Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Ordinance and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The ARRA Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the

Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively enacted the Ordinance and adopted all other necessary resolutions in connection with the issuance and sale of the Bonds. The Ordinance constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Prior Bonds (as that term is defined in the Ordinance) and the Series 2009 B Bonds (as that term is defined in the Ordinance) issued simultaneously herewith, all in accordance with the terms of the Bonds and the Ordinance.

6. Under the Act, the Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or in the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Re: The City of St. Marys
Combined Waterworks and Sewerage System Revenue Bonds,
Series 2009 B (West Virginia CWSRF Program/ARRA)

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The City of St. Marys (the "Issuer"), a municipal corporation created and existing under the laws of the State of West Virginia, of its \$2,067,400 Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 B (West Virginia CWSRF Program/ARRA), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of an ARRA Assistance Agreement dated as of the date hereof, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are originally issued in the form of one Bond, registered to the Authority, bearing no interest and subject to principal forgiveness on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2011, to and including September 1, 2021, all as set forth in

the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly. Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond Ordinance duly passed by the Issuer on October 26, 2009, effective November 2, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 2, 2009 (the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein. Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms.

The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment from the Net Revenues with the Issuer's Prior Bonds (as defined in the Bond Legislation) and the Series 2009 A Bonds (as defined in the Bond Legislation) issued simultaneously herewith, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State. The Bonds bear no interest.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Ladies and Gentlemen:

I am counsel to The City of St. Marys in Pleasants County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Jackson Kelly PLLC as bond counsel, relating to the above-captioned bonds of the Issuer (the "Bonds"), an ARRA assistance agreement for the Bonds, dated November 20, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority

(the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), a Bond Ordinance duly passed by the Issuer on October 26, 2009, effective November 2, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 2, 2009, (collectively, the "Ordinance"). All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the ARRA Assistance Agreement and the Ordinance of the Issuer when used herein.

I am of the opinion that:

1. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct a .525 million gallon-per-day (MGD) wastewater treatment plant, to replace the Issuer's existing .3 MGD wastewater treatment facilities, including upgrading the existing wastewater treatment facilities, including upgrading the existing pump station and installing a new grit channel, two sequencing batch reactors with 270,000 gallons of capacity, and an ultraviolet (UV) disinfection unit rates at 500 gallons per minute (the "Project"), to operate and maintain the System and to enact the Ordinance, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the DEP and the Authority, constitutes valid and binding agreements of the Issuer, enforceable in accordance with the terms.

3. The Mayor, Recorder and members of the Council and the Sanitary Board of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Ordinance has been duly adopted and enacted by the Issuer and is in full force and effect.

5. The execution and delivery of the Bonds and the ARRA Assistance Agreement and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreement and the Ordinance, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the

part of the Issuer, a breach or default under any ordinance, resolution, order, agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges, including, without limitation, all requisite orders, consents, certificates and approvals from the DEP, the West Virginia Infrastructure and Jobs Development Council and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreement, the Bonds and the Ordinance, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

8. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Ordinance and the ARRA Assistance Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

9. The contracts contain language requiring the contractors to provide affidavits from all contractors and subcontractors indicating that each contractor and subcontractor have a drug free workplace policy pursuant to Chapter 21, Article 1D of

the West Virginia Code of 1931, as amended. The contractor has submitted a plan to implement the drug free workplace policy prior to the awarding of the contract pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.
