B. The Issuer desires to finance and acquire, construct, operate and maintain certain additions, improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

C. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of construction of installation of 11,000 linear feet of 6 and 8-inch water mains, the replacement of an existing booster station, the replacement of 2 PRV stations, the installation or replacement of valves throughout the system, painting an existing water storage tank and the installation of telemetry control system on the tank (collectively, the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recorder of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

D. E. The estimated maximum cost of the acquisition and construction of the Project is \$2,000,000, of which approximately \$1,000,000 will be obtained from the proceeds of sale of the Series 2009 A Bonds and approximately \$1,000,000 will be obtained from the proceeds of the sale of the Series 2009 B Bonds, both herein authorized.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. There are no outstanding obligations of the Issuer which will rank on a parity with the Series 2009 Bonds as to liens, pledge and source of and security for payment.

I. It is in the best interest of the Issuer that the Series 2009 Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letter of Conditions, dated July 15, 2002, and all amendments thereto, if any (collectively, the "Letter of Conditions").

J. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2009 Bonds, or will have so complied prior to issuance of the Series 2009 Bonds, including, among other things and without limitation, obtaining a certificate of public convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

The Series 2009 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

In case the Series 2009 Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds

destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2009 Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2009 Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2009 Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2009 Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2009 Bonds as the same become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Series 2009 Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any ordinance enacted after the date of enactment hereof and prior to the issuance thereof:

\$ _____

FOR VALUE RECEIVED, the TOWN OF STONEWOOD (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SEVEN HUNDRED FORTY ONE THOUSAND (\$ _____), plus interest on the unpaid principal balance at the rate of _____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$_____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective

date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 8, Article 19 of the West Virginia Code, as amended (the "Act"), and an Ordinance of the Borrower duly enacted on

, 2009 as supplemented by Supplemental Resolution of the Issuer duly adopted on _____, 2009, authorizing issuance of this Bond (collectively, the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
TOWN OF STONEWOOD
WATER REVENUE BONDS, SERIES 2009 B
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. BR-1

\$ _____

FOR VALUE RECEIVED, the TOWN OF STONEWOOD (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SEVEN HUNDRED FORTY FOUR THOUSAND SEVEN HUNDRED DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of _____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$_____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective

date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 8, Article 19 of the West Virginia Code, as amended (the "Act"), and a Ordinance of the Borrower duly adopted

, 2009 as supplemented by Supplemental Resolution duly adopted by the Issuer on _____, 2009, authorizing issuance of this Bond (the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 2009 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED _____, 2009, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF \$_____, ISSUED SIMULTANEOUSLY HEREWITH.

Monies in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Series 2009 Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.03, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.04. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Series 2009 Bonds shall be outstanding and unpaid, or until there shall have been set apart in the respective Series 2009 Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the respective Series 2009 Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2009 Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Ordinance and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Ordinance.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Series 2009 Bonds, transfer from the Revenue Fund and (i) beginning 30 days following the Closing Date, remit to the National Finance Office, the amounts required to pay the interest on the Series 2009 A Bonds. Beginning on the 24th monthly anniversary of the Closing Date and continuing on each monthly anniversary of the Closing Date thereafter, the Issuer shall transfer from the Revenue Fund and remit to the National Finance Office the amounts required to amortize the interest on and principal of the Series 2009 A Bonds over the life of the Bond issue; and (ii) beginning 30 days following the Closing Date, remit to the National Finance Office, the amounts required to pay the interest on the Series 2009 B Bonds. Beginning on the 24th monthly anniversary of the Closing Date and continuing on each monthly anniversary of the Closing Date thereafter, the Issuer shall transfer from the Revenue Fund and remit to the National Finance Office the amounts required to amortize the interest on and principal of the Series 2009 B Bonds over the life of the Bond issue. All payments with respect to principal of and interest the Series 2009 Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate

principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, transfer from the Revenue Fund and remit (i) beginning on the date specified by the Purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission for deposit into the Series 2009 A Bonds Reserve Account, 10% of the monthly payment amount, calculated monthly, until the amount in the Series 2009 A Bonds Reserve Account equals the Minimum Reserve; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Minimum Reserve; and (ii) beginning on the date specified by the Purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission for deposit into the Series 2009 B Bonds Reserve Account, 10% of the monthly payment amount, calculated monthly, until the amount in the Series 2009 B Bonds Reserve Account equals the Minimum Reserve; provided that, no further payments shall be made into the Series 2009 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Minimum Reserve. Monies in the respective Series 2009 Bonds Reserve Accounts shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 2009 Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 2009 Bonds, or for mandatory prepayment of the Series 2009 Bonds as hereinafter provided, and for no other purpose; provided, however, earnings from monies in the respective Series 2009 Bonds Reserve Accounts, so long as the Series 2009 Bonds Reserve Requirement is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System;

provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(5) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Series 2009 A Bonds Reserve Account shall be sufficient to prepay the Series 2009 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2009 A Bonds at the earliest practical date and in accordance with applicable provisions hereof

Whenever the money in the Series 2009 B Bonds Reserve Account shall be sufficient to prepay the Series 2009 B Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2009 B Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2009 Bonds Reserve Accounts as herein provided, and all amounts required for the Series 2009 Bonds Reserve Accounts will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein. If required by the Purchaser at anytime, the Issuer shall make the necessary arrangements whereby required payments into said account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required reserve account payments with respect to the Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2009 Bonds and the interest thereon

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2009 Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission, at the direction of the Issuer, shall keep the monies in the Series 2009 Bonds Reserve Accounts invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2009 Bonds Reserve Accounts, so long as the Minimum Reserve is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2009 Bonds, provide evidence that there will be at least 465 bona fide users upon the Project on completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Commission or the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2009 Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2009 Bonds Reserve Accounts a sum sufficient to prepay the entire principal of the Series 2009 Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2009 Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2009 Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2009 Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding;
- (3) The Parity Bonds then proposed to be issued.

No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2009 Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2009 Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the Town Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2009 Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2009 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2009 Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 2009 Bonds at the date specified for payment thereof; and

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2009 Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 2009 Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Recorder on the date of adoption hereof, subject to permitted changes.

Section 5.11. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.12. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2009 Bonds are outstanding.

Section 5.13. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges: Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in a water rate ordinance of the Issuer enacted April 16, 2007, which rates are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2009 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2009 Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2009 Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
TOWN OF STONEWOOD
WATER REVENUE BONDS, SERIES 2009 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

\$741,000

FOR VALUE RECEIVED, the TOWN OF STONEWOOD (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SEVEN HUNDRED FORTY ONE THOUSAND (\$741,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$3,402, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the

holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 8, Article 19 of the West Virginia Code, as amended (the "Act"), and an Ordinance of the Borrower duly enacted On April 20, 2009 as supplemented by Supplemental Resolution of the Issuer duly adopted on April 20, 2009, authorizing issuance of this Bond (collectively, the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 2009 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED APRIL 24, 2009, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF \$744,700, ISSUED SIMULTANEOUSLY HERewith.

United States Department of Agriculture

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Stonewood, in Harrison County, West Virginia (the "Issuer"), of its \$741,000 Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated the date hereof (the "Series 2009 A Bonds"), pursuant to Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and a bond ordinance of the Issuer duly enacted on April 20, 2009, as supplemented by Supplemental Resolution duly adopted by the Issuer on April 20, 2009 (collectively, the "Bond Legislation"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a municipal corporation and political subdivision of the State of West Virginia with full power and authority to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Series 2009 A Bonds, pursuant to the provisions of the Act and other applicable provisions of law.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's Water Revenue Bonds, Series 2009 B (United States Department of Agriculture), dated April 24, 2009, in the original aggregate principal amount of \$744,700 issued simultaneously herewith.

4. The Series 2009 A Bonds have been duly authorized, executed and delivered by the Issuer and is a valid and binding special obligation of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Series 2009 A Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes; therefore, the interest on the Series 2009 A Bonds is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Series 2009 A Bonds.

6. The Series 2009 A Bonds are, under the Act, exempt from all taxation by the State of West Virginia, and the other taxing bodies of said State, and interest on the Series 2009 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holder of the Series 2009 A Bonds and the enforceability of the Series 2009 A Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Town of Stonewood
Stonewood, West Virginia

United States Department of Agriculture
Elkins, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Stonewood, in Harrison County, West Virginia (the "Issuer"), of its \$744,700 Water Revenue Bonds, Series 2009 B (United States Department of Agriculture), dated the date hereof (the "Series 2009 B Bonds"), pursuant to Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and a bond ordinance of the Issuer duly enacted on April 20, 2009, as supplemented by Supplemental Resolution duly adopted by the Issuer on April 20, 2009 (collectively, the "Bond Legislation"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a municipal corporation and political subdivision of the State of West Virginia with full power and authority to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Series 2009 B Bonds, pursuant to the provisions of the Act and other applicable provisions of law.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's Water Revenue Bonds, Series 2009 A (United States Department of Agriculture), dated April 24, 2009, in the original aggregate principal amount of \$741,000 issued simultaneously herewith.

4. The Series 2009 B Bonds have been duly authorized, executed and delivered by the Issuer and is a valid and binding special obligation of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Series 2009 B Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes; therefore, the interest on the Series 2009 B Bonds is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Series 2009 B Bonds.

6. The Series 2009 B Bonds are, under the Act, exempt from all taxation by the State of West Virginia, and the other taxing bodies of said State, and interest on the Series 2009 B Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holder of the Series 2009 B Bonds and the enforceability of the Series 2009 B Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Terms used in the Bond Legislation and not otherwise defined herein shall have the same meanings as in the Bond Legislation when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a municipal corporation and a political subdivision of the State of West Virginia.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Bond Legislation, and the carrying out of the terms thereof, do not

5. All permits, licenses, approvals, consents, certificates, orders, exemptions and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bond, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges have been entered and/or received, including, without limitation, all requisite orders, certificates, consents and approvals from the Public Service Commission of West Virginia, and the Issuer has duly taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges, the time for appeal of which has expired prior to the date hereof without successful appeal.

6. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Bond Legislation, the acquisition and construction of the Project, the operation of the System, or the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

Very truly yours,

Thomas R. Michael

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.
