BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF SUN VALLEY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Sun Valley Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Harrison County of said State.

B. The Issuer presently owns and operates a public sewerage system (the "System") and has heretofore financed the acquisition and construction of the System by the issuance of several series of bonds and notes, of which there are presently outstanding the following: (1) Sewer Revenue Bonds, Series 1997 A (West Virginia Infrastructure Fund), dated April 10, 1997, issued in the original aggregate principal amount of \$853,000 (the "Series 1997 A Bonds"); (2) Sewer Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), dated April 10, 1997, issued in the original aggregate principal amount of \$300,000 (the "Series 1997 B Bonds"); (3) Sewer Revenue Bonds, Series 1997 C (West Virginia SRF Program), dated April 10, 1997, issued in the original aggregate principal amount of \$300,000 (the "Series 1997 C Bonds"); (4) Sewerage System Construction Notes, Series 1997, dated November 24, 1997, issued in the original aggregate principal amount of \$385,000 (the "Series 1997 Notes"); and (5) Sewerage System Design Notes, Series 1998 (West Virginia Infrastructure Fund), dated February 23, 1998, issued in the original aggregate principal amount of \$142,500 (the "Series 1998 Notes").

C. The Issuer has determined and hereby determines that it would be to the benefit of the Issuer and its residents to refund in their entirety its Series 1997 B Bonds, Series 1997 C Bonds, Series 1997 Notes and Series 1998 Notes through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund for the West Virginia Infrastructure and Jobs Development Council (the "Council") pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Refunding Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,073,405 (the "Series 2001 A Bonds"), initially to be represented by a single bond, to currently refund Series 1997 B Bonds, Series 1997 C Bonds, Series 1997 Notes and Series 1998 Notes.

E. The period of usefulness of the System is not less than 40 years.

F. It is in the best interests of the Issuer that the Series 2001 A Bonds be sold to the Authority pursuant to the terms and provisions of the loan agreement to be entered into between the Issuer and the Authority, on behalf of the Council, in form satisfactory to the Issuer, the Authority and the Council (the "Loan Agreement"), as shall be approved by a supplemental resolution of the Issuer.

G. The Series 2001 A Bonds shall be issued on a parity as to liens, pledge and source of and security for payment with the Series 1997 A Bonds. Prior to the issuance of the Series 2001 A Bonds, the Issuer will obtain (i) the certificate of an Independent

Certified Public Accountant stating that the parity and coverage tests of the Series 1997 A Bonds have been met; and (ii) the written consent of the Holder of the Series 1997 A Bonds to the issuance of the Series 2001 A Bonds on a parity with the Series 1997 A Bonds. Other than the Series 1997 A Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year from the operation of the System after the refunding of Series 1997 B Bonds, Series 1997 C Bonds, Series 1997 Notes and Series 1998 Notes will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Bonds (as hereinafter defined) and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the refunding of Series 1997 B Bonds, Series 1997 C Bonds, Series 1997 Notes and Series 1998 Notes and issuance of the Series 2001 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2001 A Bonds or such final order will not be subject to appeal or rehearing.

J. The Council has authorized the Authority to make a loan to the Issuer from the West Virginia Infrastructure Fund.

The Certificate of Authentication and Registration on any Series 2001 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2001 A Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2001 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2001 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2001 A Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of the Series 2001 A Bonds.

The registered Series 2001 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2001 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2001 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of any of the Series 2001 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2001 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Series 1997 A Bonds. The payment of the debt service of the Series 2001 A Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Series 1997 A Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and in the 1997 Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation and in the 1997 Resolution. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

- (1) The Issuer shall first, each month, pay from the moneys in the Revenue Fund all current Operating Expenses of the System.
- (2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the

Commission (i) for deposit in the Series 1997 A Bonds Sinking Fund, the amount required by the 1997 Resolution to pay principal of the Series 1997 A Bonds; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2001 A Bonds, for deposit in the Series 2001 A Bonds Sinking Fund, a sum equal to 1/3rd of the amount of principal which will mature and become due on the Series 2001 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2001 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1997 A Bonds Reserve Account, the amount required by the 1997 Resolution; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2001 A Bonds, if not fully funded upon issuance of the Series 2001 A Bonds, for deposit in the Series 2001 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2001 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2001 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2001 A Bonds Reserve Requirement.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as provided in the 1997 Resolution and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the

Reserve Accounts shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2001 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2001 A Bonds as the same shall become due. Moneys in the Series 2001 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2001 A Bonds as the same shall come due, when other moneys in the Series 2001 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2001 A Bonds Sinking Fund and the Series 2001 A Bonds Reserve Account (if equal to at least the Series 2001 A Bonds Reserve Requirement) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2001 A Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2001 A Bonds Reserve Account which result in a reduction in the balance of such account to below the Series 2001 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority set forth above.

As and when additional Bonds ranking on a parity with the Series 2001 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2001 A Bonds Sinking Fund or the Series 2001 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2001 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to Series 1997 A Bonds and Series 2001 A Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2001 A Sinking Fund and the Series 2001 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required

payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2001 A Bonds Sinking Fund and the Series 2001 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2001 A Bonds Sinking Fund, including the Series 2001 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2001 A Bonds under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2001 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement for the Series 2001 A Bonds, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges, and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and Section 5.03 of the 1997 Resolution, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

as directed in writing by the Authority and the Council. The Issuer shall expend all proceeds of the Series 2001 A Bonds within 3 years of the date of issuance of the State's general obligation bonds, the proceeds of which were used to make the loan to the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2001 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2001 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2001 A Bonds or the interest thereon is outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2001 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2001 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2001 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Series 1997 A Bonds. The payment of the debt service of the Series 2001 A Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Series 1997 A Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of sewer rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered on May 15, 2001, and the Further Order entered on May 29, 2001, in Case No. 99-1509-PSWD-19A, and such rates are hereby adopted.

So long as the Series 2001 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2001 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Series 1997 A Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the 1997 Resolution. Additionally, so long as the Series 2001 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, pro rata with respect to the principal amount of each of the Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Bonds in such manner. Any balance remaining after the payment of all Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property

comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into such fund under this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2001 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2001 A Bonds and payable from the revenues of the System, except additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2001 A Bonds, and the interest thereon, upon any or all of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the System.

Section 7.07. Parity Bonds. So long as the Series 1997 A Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the 1997 Resolution shall be applicable. Additionally, no Parity Bonds, payable out of the revenues

of the System, shall be issued after the issuance of the Series 2001 A Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2001 A Bonds, and must have the prior written consent of the Authority and the Council.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding the Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding;
and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountant, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and

charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the System site and the costs of acquiring, constructing and installing the System. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the System, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the System.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the System and

commencement of operation thereof, or, if an improvement to the System, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of the Series 2001 A Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of the Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations Outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2001 A Bonds and shall submit said report to the Council, the Authority, or any other original purchaser of the Series 2001 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement, this

Bond Legislation and the Act and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired the site of the System and has constructed the System in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the System and the System site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the System site and facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the System, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2001 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2001 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds, including Series 1997 A Bonds; provided that, in the event amounts equal to the Reserve Requirement are on deposit in the respective Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2001 A Bonds, including Series 1997 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2001 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds, including Series 1997 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the Public Service Commission order described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

For two years following the Closing Date, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit C, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. If required, the Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System so long as the Series 2001 A Bonds are Outstanding.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. The Issuer hereby covenants and agrees that so long as any of the Series 2001 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance

policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer and the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter

produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Permits and Orders. The Issuer shall operate and maintain the System as a revenue producing utility in good condition and in compliance with all federal and state requirements and standards. The Issuer has obtained all permits required by state and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West Virginia and the Council for the issuance of the Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement, the Act and all applicable laws, rules and regulations issued by the Authority, or other State, federal or local bodies in regard to the operation, maintenance and use of the System. Notwithstanding anything herein to the contrary, the Issuer shall provide the Council with copies of all documents submitted to the Authority.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. **PRIVATE BUSINESS USE LIMITATION.** The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2001 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2001 A Bonds during the term thereof is, under the terms of the Series 2001 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments,

whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2001 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2001 A Bonds during the term thereof is, under the terms of the Series 2001 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2001 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2001 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2001 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2001 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. If required, the Issuer shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2001 A Bonds and the interest, if any, thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest, if any, on the Series 2001 A Bonds will be and remain excludable from gross income for federal income tax purposes, and shall not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2001 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2001 A Bonds and

shall be on a parity with the statutory mortgage lien in favor of the Holders of Series 1997 A Bonds.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account, except as otherwise provided with respect to the Rebate Fund. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2001 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Series 2001 A Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2001 A Bonds as a condition to issuance of the Series 2001 A

Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2001 A Bonds as may be necessary in order to maintain the status of the Series 2001 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2001 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the West Virginia Infrastructure and Jobs Development Council, as the case may be, from which the proceeds of the Series 2001 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the West Virginia Infrastructure and Jobs Development Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2001 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2001 A Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2001 A Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2001 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2001 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer or Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to Series 1997 A Bonds or 1997 Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Series 2001 A Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including, but not limited to, the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2001 A Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 2001 A Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Series 2001 A Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2001 A Bonds shall be on a parity with the Holders of the Series 1997 A Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, and, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the System and

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute unless a sale or transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, during and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance

to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

2.10 The Governmental Agency shall at all times provide operation and maintenance of the System in compliance with any and all State and federal standards. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.11 The Governmental Agency hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Council, the Authority or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

2.12 The Governmental Agency, commencing on the date contracts are executed for the construction of the Project and for two years following the completion of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward a copy by the 10th of each month to the Authority and Council.

ARTICLE III

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority and Council to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority and the Council, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. (c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which

may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of projects and satisfactory to the Authority and the Council, to such effect, such certificate to be in form and substance satisfactory to the Authority and the Council, and evidence satisfactory to the Authority and the Council of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority, the Council or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the

Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, the Council and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by the Council.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third ($\frac{1}{3}$)

of the interest payment next coming due on the Local Bonds and one-third ($\frac{1}{3}$) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth ($\frac{1}{12}$) of one-tenth ($\frac{1}{10}$) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent ($2\frac{1}{2}\%$) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxi) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

(xxiii) That the Governmental Agency shall submit all proposed change orders to the Council for written approval. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule B attached to the certificate of the Consulting Engineer. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds available due to bid/construction/project underruns; and

(xxiv) That the Governmental Agency shall list the funding provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any groundbreaking or dedication of the Project.

(xxv) That, unless it qualifies for an exception, the Governmental Agency shall comply with all the requirements of Chapter 21, Article 1C of the Code of West Virginia, 1931, as amended (the "West Virginia Jobs Act") and shall require its contractors and subcontractors to comply with the West Virginia Jobs Act. The Governmental Agency shall provide the Council and the Authority with a certificate stating that (I) the Governmental Agency will comply with all the requirements of the West Virginia Jobs Act; (II) the Governmental Agency has included the provisions of the West Virginia Jobs Act in each contract and subcontract for the Project; (III) the Governmental Agency has received or will receive, prior to entering into contracts or subcontracts, from each contractor or subcontractor a certificate demonstrating compliance with Section 4 of the West Virginia Jobs Act or waiver certificates from the West Virginia Division of Labor ("DOL"); and (IV) the Governmental Agency will file with the DOL and the Council copies of the waiver certificates and certified payrolls or comparable documents that include the number of employees, the county and state wherein the employees reside and their occupation, following the procedures established by the DOL. The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority and the Council.

4.3 The principal of the Loan shall be repaid by the Governmental Agency on the days and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a quarterly basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date and at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.5 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.6 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the bonds which are the source of money used to purchase the Local Bonds, unless otherwise agreed to by the Council.

ARTICLE V

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under the Act and State law, including, without limitation, the right to an appointment of a receiver.

Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and
(ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Instructions for Completing Monthly Financial Report

1. You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual gross revenues for the current month and the total amount year to date in the respective columns. Divide the budgeted annual gross revenues by 12. For example, if gross revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($1200/12$). This is the incremental amount for the Budget Year to Date column.
2. In Item 2, provide the amount of actual operating expenses for the current month and the total amount year to date in the respective columns. Any administrative fee should be included in the operating expenses. Divide the budgeted annual operating expenses by 12. For example, if operating expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($900/12$). This is the incremental amount for the Budget Year to Date column.
3. In Item 3, provide the principal, interest and reserve account payments for all the outstanding bonds of the Governmental Agency other than this Loan.
4. In Item 4, provide the principal, interest and reserve account payments for this Loan. You need to call the Municipal Bond Commission for the exact amount of these payments and when they begin.
5. In Item 5, provide the amount deposited into the Renewal and Replacement Fund each month. This amount is equal to 2.5% of gross revenues minus the total reserve account payments included in Items 3 and 4. If gross revenues are \$12,000, the Renewal and Replacement Fund should have an amount of \$300 (2.5% of \$12,000), LESS the amount of all reserve account payments in Items 3 & 4. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.
6. The Governmental Agency must complete the Monthly Financial Report and forward it to the Council by the 10th day of each month, commencing on the date contracts are executed for the construction of the Project and for 2 years following the completion of the Project. The Council will notify the Governmental Agency when the Monthly Financial Report no longer needs to be filed.

(WEST VIRGINIA INFRASTRUCTURE FUND)

No. AR-1

\$1,073,405

KNOW ALL MEN BY THESE PRESENTS: That SUN VALLEY PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Harrison County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION SEVENTY THREE THOUSAND FOUR HUNDRED FIVE DOLLARS (\$1,073,405), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2002, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement entered into between the Issuer and the Authority, on behalf of the Council, dated October 18, 2001.

This Bond is issued to refund the Issuer's (i) Sewer Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), (ii) Sewer Revenue Bonds, Series 1997 C (West Virginia SRF Program), (iii) Sewerage System Construction Notes, Series 1997, and (iv) Sewerage System Design Notes, Series 1998 (West Virginia Infrastructure Fund), heretofore issued to pay a portion of the costs of design, acquisition and construction of public sewerage facilities of the Issuer (the "System"); and to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. This Bond is issued under the

authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), a Bond Resolution and Supplemental Resolution duly adopted by the Issuer on June 26, 2001, and a Second Supplemental Resolution duly adopted by the Issuer on October 9, 2001 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 1997 A (WEST VIRGINIA INFRASTRUCTURE FUND) (THE "SERIES 1997 A BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the Holders of Series 1997 A Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 2001 A Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2001 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including Series 1997 A Bonds; provided however, that so long as there exists in the Series 2001 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including Series 1997 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as

provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation), by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond shall be applied solely for the purposes described above and in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Sun Valley Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,073,405 Sewer Refunding Revenue Bonds, Series 2001 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated October 18, 2001, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal to the Authority, with no interest and with principal installments payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2002, and maturing December 1, 2038, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of refunding the Issuer's (i) Sewer Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), (ii) Sewer Revenue Bonds, Series 1997 C (West Virginia SRF Program), (iii) Sewerage System Construction Notes, Series 1997, and (iv) Sewerage System Design Notes, Series 1998 (West Virginia Infrastructure Fund) (collectively, the "Prior Bonds"), heretofore issued to pay a portion of the costs of design, acquisition and

construction of public sewerage facilities of the Issuer (the "System"); and to pay certain costs of issuance of the Bonds and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on June 26, 2001, as supplemented by a First Supplemental Resolution and a Second Supplemental Resolution duly adopted by the Issuer on June 26, 2001 and October 9, 2001, respectively, (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to operate and maintain the System, to adopt the Bond Legislation, to refund the Prior Bonds and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer, are in full force and effect as of the date hereof and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's outstanding Sewer Revenue Bonds, Series 1997 A (West Virginia Infrastructure Fund), all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and the interest on the Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON PLLC

(West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We are counsel to Sun Valley Public Service District, a public service district, in Harrison County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson, PLLC, as bond counsel, a loan agreement dated October 18, 2001, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council") (the "Loan Agreement"), the Bond Resolution duly adopted by the Issuer on June 26, 2001, as supplemented by the First Supplemental Resolution and Second Supplemental Resolution duly adopted by the Issuer on June 26, 2001, and October 9, 2001, respectively, (collectively, the "Bond Legislation"), orders of The County Commission of Harrison County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (the "Bonds"). Capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the operation of the system and the imposition of rates and charges for use of the System, including,

without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Harrison County and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The time for appeal of the Orders of the Public Service Commission of West Virginia entered on May 15, 2001, May 29, 2001, June 21, 2001, and August 24, 2001, in Case No. 99-1509-PSWD-19A, among other things, approving this financing and the necessary user rates and charges, has expired prior to the date hereof without any appeal. All such orders are in full force and effect.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds, the Loan Agreement, the Bond Legislation, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely yours,

WEST & JONES
