BE IT RESOLVED AND ADOPTED BY THE PUBLIC SERVICE BOARD OF THE SUN VALLEY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Sun Valley Public Service District (the “Issuer”) is a public service district and political subdivision of the State of West Virginia in Harrison County of said State.

B. The Issuer presently owns and operates a public water system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to existing

public water system of the Issuer, consisting of purchasing a truck, replacing meters and purchasing IT software and hardware, together with all appurtenant facilities (collectively, the "Project"), (the existing public water system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the "System").

C. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2016 A, in the total aggregate principal amount of not more than \$280,000 (the "Series 2016 A Bonds"), initially to be represented by a single bond, to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2016 A Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 2016 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2016 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2016 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 20 years.

E. It is in the best interests of the Issuer that its Series 2016 A Bonds be sold to the Purchaser (as hereinafter defined) pursuant to this Bond Legislation.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2016 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

(i) Water Revenue Bond, Series 1991 (United States Department of Agriculture), dated February 25, 1991, issued in the original aggregate principal amount of \$200,000 (the "Series 1991 Bonds");

(ii) Water Revenue Bonds, Series 2010 A (United States Department of Agriculture), dated January 14, 2010, issued in the original aggregate principal amount of \$2,200,000 (the "Series 2010 A Bonds");

(iii) Water Revenue Bonds, Series 2010 B (West Virginia DWTRF Program), dated January 14, 2010, issued in the original

The Series 2016 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2016 A Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2016 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all covenants of the Prior Bonds and Prior Resolutions.

G. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (as hereinafter defined) and to make all payments into all funds, accounts and other payments provided for herein.

H. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition and construction of the Project and the operation of the System and issuance of the Series 2016 A Bonds, or will have so complied prior to issuance of any thereof.

Section 1.03. Bond Legislation Constitutes Contract. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2016 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2016 A Bonds or, in the case of any proposed redemption of Series 2016 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Series 2016 A Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2016 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Series 2016 A Bond of the same series and of like tenor as the Series 2016 A Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Series 2016 A Bonds, upon surrender and cancellation of such mutilated Series 2016 A Bonds, or in lieu of and substitution for the Series 2016 A Bonds destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Series 2016 A Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Series 2016 A Bonds shall have matured or be about to mature, instead of issuing substitute Series 2016 A Bonds, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2016 A Bonds are lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2016 A Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2016 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2016 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with respect to Prior Bonds. The payment of the debt service of all Series 2016 A Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2016 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as the same become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2016 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2016 A Bonds to the original purchasers upon receipt of the documents set forth below:

Section 3.10. Sale of Bonds. The Series 2016 A Bonds shall be sold to the Purchaser, pursuant to this Bond Legislation.

Section 3.11. Form of Bonds. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month, from the Revenue Fund pay current Operating Expenses of the System.

(2) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to (i) the National Finance Office the amount required by Prior Resolutions to pay interest on the RUS Bonds; and (ii) to the Commission, commencing 1 month prior to the first date of payment of interest of the Series 2016 A Bonds, for deposit in the Series 2016 A Bonds Sinking Fund, an amount equal to the amount of interest which will mature and become due on the Series 2016 A Bonds on the next ensuing monthly interest payment date.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2016 A Bonds as the same shall come due and for no other purpose.

All investment earnings on monies in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2016 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2016 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2016 A Bonds Reserve Account which result in a reduction in the balance of the Series 2016 A Bonds Reserve Account to below the Series 2016 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority as set forth above.

As and when additional Bonds ranking on a parity with the Series 2016 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2016 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2016 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2016 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account, created hereunder, and all required amounts for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2016 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required reserve account payments with respect to the Series 2016 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. The Issuer may make the necessary arrangements whereby such required payments can be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

E. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Resolutions, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2016 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2016 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2016 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2016 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2016 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2016 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2016 A Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2016 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered August 8, 2016 which became Final Order on August 28, 2016, in Case 16-0415-PWD-42T-PC, and such rates are hereby adopted.

So long as the Series 2016 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Resolution. In the event the schedule of rates, fees and charges initially established for

the System in connection with the Series 2016 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Resolution, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Resolution.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolutions. So long as the Series 2016 A Bonds are outstanding, the Issuer shall not sell or dispose of all, or substantially all, of the System without either defeasing, or paying in full, the Series 2016 A Bonds.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2016 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2016 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2016 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2016 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2016 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2016 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, betterments or improvements to the System, refunding any or all outstanding Bonds, to pay claims which may exist against the revenues or facilities of the System, or all such purposes.

So long as RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 2010 B Bonds, Series 2010 C Bonds or Series 2016 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved in the manner required by then applicable law, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved in the manner required by then applicable law, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security

of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said Net Revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2016 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2016 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

No additional bonds, notes, certificates, contracts or any other obligations shall be issued by the Issuer unless no Event of Default shall have occurred and be continuing with respect to the Bonds.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail and make available generally, the report of said Independent Certified Public Accountants, to any Holder or Holders of the Series 2016 A Bonds.

Subject to the terms, conditions and provisions of Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

Section 7.09. Rates. Prior to the issuance of the Series 2016 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule or schedules of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2016 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2016 A Bonds, including the Prior Bonds.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall promptly provide a copy thereof to the Holder(s) of the Series 2016 A Bonds.

Section 7.11. Reserved.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other

charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2016 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's

risk insurance (fire and extended coverage) to protect the interests of the Issuer, the prime contractor and all subcontractors as their respective interests may appear, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. The Issuer shall verify such insurance prior to commencement of construction. Such insurance shall be made payable to the order of the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project.

Section 7.18. Compliance with Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Act.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System. The Issuer will provide the Purchaser, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base).

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. **PRIVATE BUSINESS USE LIMITATION.** The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2016 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2016 A Bonds during the term thereof is, under the terms of the Series 2016 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2016 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2016 A Bonds during the term thereof is, under the terms of the Series 2016 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business

Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2016 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2016 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% or \$5,000,000 of the Net Proceeds of the Series 2016 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2016 A Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2016 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it so that the interest on the Series 2016 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions the result of which would adversely affect such exclusion.

Section 7.20 Reserved.

Section 7.21. Contracts. The Issuer shall, simultaneously with the delivery of the Series 2016 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

Section 7.22. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2016 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2016 A Bonds, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2016 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2016 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2016 A Bonds which would cause the Series 2016 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2016 A Bonds) so that the interest on the Series 2016 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Designation of Series 2016 A Bonds as "Qualified Tax-Exempt Obligations." The Issuer hereby designates the Series 2016 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2016 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code,

and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2016 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2016, all as determined in accordance with the Code

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Purchaser, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Purchaser in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Purchaser at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2016 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Purchaser, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Purchaser.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2016 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2016 A Bonds;
or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2016 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2016 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due; (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System; (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2016 A Bonds shall be on a parity with the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond

shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2016 A Bonds, the principal of and interest due or to become due thereon, if any, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2016 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2016 A Bonds from gross income for federal income tax purposes.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 2016 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2016 A Bonds, no material modification or amendment of this Resolution, or of any ordinance, resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2016 A Bonds, shall be made without the consent in writing of the Registered Owners of the Series 2016 A Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest, if any, thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the respective Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2016 A Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest, if any, on the Series 2016 A Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Registered Owners of the Series 2016 A Bonds, and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution or the Series 2016 A Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed. Except for the Prior Resolutions, all ordinances, orders or resolutions and or parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed; provided that, in the event of any conflict between this Resolution and the Prior Resolutions, the Prior Resolutions shall control (unless less restrictive), so long as the Prior Bonds are Outstanding.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Sun Valley Public Service District (the "Issuer"), a public service district and political subdivision organized and existing under the laws of the State of West Virginia, of its \$280,000 Water Revenue Bonds, Series 2016 A, dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of the Bonds, which are to be purchased by Branch Banking & Trust Company (the "Purchaser"). The Bonds are originally issued in the form of one Bond, registered as to interest and principal to the Purchaser. The Bonds shall be dated October 5, 2016, and shall finally mature November 1, 2026 and shall bear interest at the rate of 2.32% per annum. Principal and interest payments shall be payable monthly commencing December 1, 2016 to and including November 1, 2026.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on September 27, 2016, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 27, 2016, (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued. The Bonds are subject to redemption prior to maturity under the conditions and subject to the limitations set forth in the Bond Legislation. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms.

3. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (i) Water Revenue Bond, Series 1991 (United States Department of Agriculture), dated February 25, 1991, issued in the original aggregate principal amount of \$200,000 (the "Series 1991 Bonds"); (ii) Water Revenue Bonds, Series 2010 A (United States Department of Agriculture), dated January 14, 2010, issued in the original aggregate principal amount of \$2,200,000 (the "Series 2010 A Bonds"); (iii) Water Revenue Bonds, Series 2010 B (West Virginia DWTRF Program), dated January 14, 2010, issued in the original aggregate principal amount of \$300,000 (the "Series 2010 B Bonds"); and (iv) Water Revenue Bonds, Series 2010 C (West Virginia DWTRF Program/ARRA), dated January 14, 2010, issued in the original aggregate principal amount of \$1,773,000 (the "Series 2010 C Bonds"), (collectively, the "Prior Bonds").

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Resolution, and in certain certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds except as expressly set forth herein and in paragraph 6.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds or obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2016. Therefore, the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We are counsel to the Sun Valley Public Service District, in Harrison County, West Virginia (the "Issuer"), in connection with the issuance and sale of the above-captioned bonds (the "Bonds"). As such counsel, we have reviewed copies of the commitment letter dated May 6, 2016, as amended, from Branch Banking and Trust Company, West Virginia (the "Purchaser"), the Bond Resolution of the Issuer duly adopted September 27, 2016, as supplemented by the Supplemental Resolution of the Issuer duly adopted September 27, 2016 (collectively, the "Resolution"), and other documents relating to the Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a public service district and political subdivision of the State of West Virginia.
2. The Chairman, Secretary, members of the Board of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Resolution has been duly adopted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. It is to be understood that the rights of the holders of the Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Bonds and the Resolution are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges.

7. The Issuer has received the Recommended Decision of the Public Service Commission of West Virginia in Case No. 16-0415-PWD-42T-PC, entered August 8, 2016, which became Final Order on August 28, 2016, approving rates and charges for the system and the financing. Such Order is in full force and effect.

8. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Resolution, the operation of the System, the Project, the validity of the Bonds or pledge of the Net Revenues set forth in the Resolution.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Recommended Decision of the Public Service Commission of West Virginia entered August 8, 2016, which became Final Order on August 28, 2016 in Case 16-0415-PWD-42T-PC and the current operation and maintenance expenses and customer usage as furnished to us by the Sun Valley Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will (i) pay all repair, operation and maintenance expenses of the System, and (ii) leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Water Revenue Bonds, Series 2016 A dated October 5, 2016, issued in the original aggregate principal amount of \$280,000 (the "Series 2016 A Bonds"), and all other obligations secured by a lien on or payable from the revenues of the System, on a parity with the Series 2016 A Bonds, including the Issuer's:

(i) Water Revenue Bond, Series 1991 (United States Department of Agriculture), dated February 25, 1991, issued in the original aggregate principal amount of \$200,000 (the "Series 1991 Bonds");

(ii) Water Revenue Bonds, Series 2010 A (United States Department of Agriculture), dated January 14, 2010, issued in the original aggregate principal amount of \$2,200,000 (the "Series 2010 A Bonds");

(iii) Water Revenue Bonds, Series 2010 B (West Virginia DWTRF Program), dated January 14, 2010, issued in the original aggregate principal amount of \$300,000 (the "Series 2010 B Bonds"); and

(iv) Water Revenue Bonds, Series 2010 C (West Virginia DWTRF Program/ARRA), dated January 14, 2010, issued in the original aggregate principal amount of \$1,773,000 (the "Series 2010 C Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2016 A Bonds are issued will be at least 120% of the average annual debt service on the Prior Bonds and the Series 2016 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2016 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2016 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2016 A Bonds.

Sincerely,

Bennett & Dobbins PLLC
