B. The Issuer presently owns and operates a public sewer system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be designed certain extensions, additions, betterments and improvements to the Issuer’s existing sewer system, including the extensions, additions, betterments and improvements described in Exhibit A hereto (collectively, the “Project”) (the Issuer’s existing sewer system, the Project and any further additions, extensions, betterments and improvements thereto are herein called the “System”).

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Series 2022B Bonds and the Prior Bonds and all Sinking Funds, Reserve Accounts and other payments provided for herein, all as such terms are hereinafter defined.

D. It is further deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2022B (West Virginia SRF Program) (the “Series 2022B Bonds”) in the total aggregate principal amount not to exceed \$595,000.00, to permanently finance the costs of the design of the Project together with other preconstruction costs relating to the Project. the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined. 2022B

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interest of the Issuer that its Series 2022B Bonds be issued and sold to the West Virginia Water Development Authority (the "Authority") pursuant to the terms and provisions of a bond purchase agreement to be entered into by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection ("DEP") (the "Loan Agreement"), the execution, delivery and form of which are ratified and approved herein.

Section 3.05 Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2022B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds shall be conclusively deemed to have agreed that such Series 2022B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bond shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2022B Bonds remain Outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain the books for the registration and transfer of the Bonds.

The registered Series 2022B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2022B Bonds or transferring the registered Series 2022B Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2022B Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2022B Bonds, the Bond Registrar may make a charge sufficient to reimburse it

for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2022B Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2022B Bonds or, in the case of any proposed redemption of Series 2022B Bonds, next preceding the date of the selection of Series 2022B Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06 Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07 Bonds not to be Indebtedness of the Issuer. The Series 2022B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided and amounts, if any, in the Series 2022B Bonds Sinking Fund and the Series 2022B Bonds Reserve Account. No holder or holders of any of the Series 2022B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2022B Bonds or the interest thereon, if any.

Section 3.08 Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2022B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2022B Bonds and the Prior Bonds and to make the payments into all funds and accounts either existing or hereinafter established are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2022B Bonds and Prior Bonds as the same become due.

Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any of the Reserve Accounts [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2022B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2022B Bonds as the same shall become due. Moneys in the Series 2022B Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2022B Bonds, as the same shall come due, when other moneys in the Series 2022B Bond Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2022B Bonds Sinking Fund and the Series 2022B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2022B Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2022B Bonds y, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2022B Bonds Reserve Account which result in a reduction in the balance of the Series 2022B Bonds Reserve Account to below the Series 2022B

Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority set forth above.

As and when additional Bonds ranking on a parity with the Series 2022B Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in a amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2022B Bonds Sinking Fund, or into the Series 2022B Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2022B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise shall be made on a parity and pro rata with respect to the Prior Bonds and the Series 2022B Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2022B Bonds Sinking Fund and the Series 2022B Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority in writing at any time, the Issuer shall make the necessary arrangements whereby required payments into the Series 2022B Bonds Sinking Fund and the Series 2022B Bonds Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2022B Bonds Sinking Fund and the Series 2022B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2022B Bonds Sinking Fund, including the Series 2022B Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2022B Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required interest, principal and reserve account payments with respect to the Series 2022B Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the

custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the SRF Administrative Fee as set forth in the Schedule attached to the Series 2022B Bonds Loan Agreement.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the respective Loan Agreements and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

All Tap Fees shall be deposited by the Issuer, as received, in the Revenue Fund and may be used for any lawful purpose of the System.

A. From the proceeds of the Series 2022B Bonds, there shall first be deposited with the Commission in the Series 2022B Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest.

C. As the Issuer receives advances of the remaining moneys derived from the sale of such Series 2022B Bonds, such moneys shall be deposited with the Depository Bank in the Series 2022B Bonds Construction Trust Fund. The monies in the Series 2022B Bonds Construction Trust Fund shall be applied solely to payment of Costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the respective Series 2022B Bonds.

D. After completion of the design of the Project, as certified by the Consulting Engineers, and all Costs have been paid, any remaining proceeds of the Series 2022B Bonds shall be expended as directed by the Authority and DEP.

Section 6.02 Disbursements From the Construction Trust Funds. A. 2. Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

3. Each of such costs has been otherwise properly incurred; and

4. Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2022B Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01 General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2022B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Series 2022B Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02 Bonds not to be Indebtedness of the Issuer. The Series 2022B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2022B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2022B Bonds or the interest thereon, if any.

Section 7.03 Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2022B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System, on parity with the lien on said Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2022B Bonds and to make the payments into the sinking funds, including the reserve accounts therein, and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Series 2022B Bonds and the Prior Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04 Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreements. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the Recommended Decision of the Public Service Commission of West Virginia entered on June 7, 2022, in Case No. 22-0247-PSD-42T, which Recommended Decision became the final order of the Public Service Commission of West Virginia on June 27, 2022, and are hereby adopted, ratified, approved and affirmed and which rates are incorporated herein by reference as a part hereof.

So long as any of the Series 2022B Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreements. In the event the schedule of

rates and charges initially established for the System in connection with the Series 2022B Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements, the Issuer hereby covenants and agrees that it will, to the extent and in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreements.

Section 7.05 Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2004 Bonds are Outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Series 2022B Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2000 Bonds Sinking Fund, the Series 2004A Bonds Sinking Fund, the Series 2004B Bonds Sinking Fund, the Series 2007 Bonds Sinking Fund, the Series 2022A Bonds Sinking Fund and the Series 2022B Bonds Sinking Fund respectively, pro rata, with respect to the principal amount of the Series 2000 Bonds, the 2004A Bonds, the Series 2004B Bonds, the Series 2007 Bonds, the Series 2022A Bonds and the Series 2022B Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2022B Bonds and Prior Bonds in such manner. Any balance remaining after the payment of all the Series 2022B Bonds and Prior Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$50,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 but not in excess of \$200,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts

required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay the Series 2022B Bonds and Prior Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Series 2022B Bonds and Prior Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Series 2022B Bonds and Prior Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06 Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07, so long as any of the Series 2022B Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2022B Bonds. All obligations issued by the Issuer after the issuance of the Series 2022B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2022B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Sinking Funds, Reserve Accounts, the Renewal and Replacement Fund and the I/A Future Connection Fund at the time of the issuance of such subordinate obligations have been made and are current. Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2022B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2022B Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07 Parity Bonds. So long as any of the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the respective Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2022B Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2022B Bonds, and must have the prior written consent of the Authority and the DEP.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, construction or acquisition of extensions, improvements or betterments to the System or refunding all or a portion of one or more series of the Prior Bonds, the Series 2022B Bonds issued pursuant hereto or one or more subsequent series of Parity Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and Series 2022B Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved in the manner required by then applicable law, the period for appeal of which has expired (without successful appeal) prior to the date of delivery of such Parity Bonds, whether or not such approved rates being charged by the Issuer.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the said Independent Certified Public Accountants on account of increased rates, rentals, fees and charges for the System enacted by the Issuer and approved in the manner required by then applicable law, the period for appeal of which has expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2022B Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation or separate resolution authorizing said parity Bonds required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and

superior lien of the Series 2022B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2022B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Resolutions with respect to the Series 2022B Bonds and Prior Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08 Books; Records and Audit. The Issuer shall keep complete and accurate records of the costs of acquiring the Project site and acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the design of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and Prior Bonds and the status of all said funds and accounts.

C. The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with 2 CRF 200 Subpart F or successor thereto in effect at the time and the laws of the State, to the extent required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and the DEP or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation, and that the Issuer's revenues are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Series 2022B Bonds Loan Agreement or as promulgated from time to time.

Section 7.09 Rates. Prior to the issuance of the Series 2022B Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2022B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022B Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit, respectively, in the Series 2022B Bonds Reserve Account and reserve accounts for obligations on a parity with the Series 2022B Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2022B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022B Bonds, including the Prior Bonds.

Section 7.10 Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by

resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. The Issuer, with the approval of the Governing Body, may amend the budget during the subject Fiscal Year provided that the budget remains balanced after such amendment. If the budget is so amended, a copy of the amended budget shall be submitted to the Authority, the DEP and the Council within 15 days of the adoption of such amendment. After the adoption of any such amendment, the budget, as amended, shall be the budget of the Issuer for the balance of the subject Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets, any amendments thereto and resolutions be furnished him or her and shall make available such budgets, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

The Issuer shall, each month and for two years following the completion of the design of the Project, complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11 No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12 Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges,

if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.13 No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14 Insurance and Construction Bonds. The Issuer hereby covenants and agrees that so long as any of the Series 2022B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer and the Authority from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to

protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR: AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS, will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 7.15 Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau for Public Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau for Public Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.16 Permits.

The Issuer has obtained all permits required by state and federal laws for the operation of the System and all approvals for issuance of the Series 2022B Bonds required by state law.

Section 7.17 Compliance With Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with all copies submitted to the Authority.

The Issuer also agrees to comply with the Act and all applicable laws, rules and regulations issued by the Authority and the DEP or other state, federal or local bodies in regard to the design of the Project and the operation, maintenance and use of the System.

Section 7.18 Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.19 Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Local Government on or before the Date of Closing, as hereinafter defined, and maintained so long as any of the Local Bonds are outstanding. Prior to commencing operation of the Project, the Local Government must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Local Bonds shall be secured and shall be repaid in the manner hereinafter provided in this Bond Purchase Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Government by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, DEP and the Local Government. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Closing."

The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to such purchase, the Authority may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF Regulations. The Local Government further specifically recognizes that all bonds will be purchased in conjunction with the SRF Regulations and with the prior approval of DEP.

Development Act of 2014 (WRRDA) and related SRF Policy Guidelines issued by the EPA) which the Local Government understands includes, among other things, requirements that all of the iron and steel products used in the Project are to be produced in the United States ("American Iron and Steel Requirement") unless (i) the Local Government has requested and obtained a waiver from the EPA pertaining to the Project or (ii) DEP has otherwise advised the Local Government in writing that the American Iron and Steel Requirement is not applicable to the Project.

The Local Government understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds and/or other remedial actions.

3.9 The Local Government shall fund and maintain a working capital fund with a balance of not less than one eighth (1/8) of the Local Government's actual annual operating and maintenance expenses. next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds

outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited in accordance with 2 CFR 200 Subpart F (or any successor thereto) or the laws of the State by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority and DEP, and with the prior written consent of the Authority and DEP;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That, unless waived by the Authority the Local Government shall authorize a sweep resolution so that monthly payments can be made to the Commission electronically. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to purchase the Local Bonds shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to purchase the Local Bonds.

ARTICLE V

Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Bond Purchase Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to purchase the Local Bonds, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may

exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Bond Purchase Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Bond Purchase Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. ARTICLE VII Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

Re: Union-Williams Public Service District
Sewer System Design Revenue Bonds, Series 2022B
(West Virginia SRF Program)

Ladies and Gentlemen:

We have served as Bond Counsel in connection with the issuance by Union-Williams Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$595,000 Sewer Revenue Bonds, Series 2022B (West Virginia SRF Program), dated the date hereof (the "Series 2022B Bonds").

We have examined a certified copy of proceedings and other papers relating to the authorization of a bond purchase agreement dated October 18, 2022, including all schedules and exhibits attached thereto (the "Loan Agreement"), among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP") and the Series 2022B Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Series 2022B Bonds are issued in the principal amount of \$595,000, in the form of one bond registered as to principal to the Authority, with no interest and with principal payable March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2023, all

as set forth in “Schedule Y” attached to the Loan Agreement and incorporated in and made a part of the Series 2022B Bonds.

The Series 2022B Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (the “Act”) for the purposes of (i) permanently financing the costs of the design of and other preconstruction activities relating to certain additions, betterments and improvements to the existing public sewer facilities of the Issuer (the “Project”), and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond Resolution duly adopted by the Issuer on September 26, 2022, as supplemented by a Supplemental Resolution duly adopted on September 26, 2022 (collectively, the “Resolution”), pursuant to and under which Act and Resolution the Series 2022B Bonds are authorized and issued and the Loan Agreement has been undertaken. The Series 2022B Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution and the Loan Agreement.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof.
2. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the consent of the Authority and the DEP.
3. The Issuer is a duly organized and presently existing public service district, public corporation and political subdivision of the State of West Virginia with full power and authority to design the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Series 2022B Bonds, all under the Act and other applicable provisions of law.
4. The Resolution and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer in connection with the issuance and sale of the Series 2022B Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Resolution contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
5. The Series 2022B Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid and legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of said System, on parity with the liens, pledge and source of and security for payment in favor of the holders of the Issuer’s (i) Sewer Revenue Bonds, Series 2000 (West Virginia SRF

Program), of the Issuer, dated December 15, 2000, issued in the original principal amount of \$412,000; (ii) Sewer Revenue Bonds, Series 2004A (West Virginia SRF Program), dated February 19, 2004, issued in the original aggregate principal amount of \$15,596,291; (iii) Sewer Revenue Bonds, Series 2004B (West Virginia Infrastructure Fund), dated February 19, 2004, issued in the original aggregate principal amount of \$1,900,000; (iv) Sewer Revenue Bonds, Series 2007 (West Virginia Infrastructure Fund), dated March 29, 2007, issued in the original aggregate principal amount of \$284,652; and (v) Sewer Refunding Revenue Bonds, Series 2022 A, dated August 5, 2022, issued the original aggregate principal amount of \$197,465, all in accordance with the terms of the Series 2022B Bonds and the Resolution.

6. The Series 2022B Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

7. The Series 2022B Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2022B Bonds.

8. The Issuer has reserved the right to issue additional bonds ranking on a parity with the Series 2022B Bonds, as provided in the Resolution.

No opinion is given herein as to the effect upon enforceability of the Series 2022B Bonds or the Resolution of bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, fraudulent transfer or other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Series 2022B Bond, No. BR-1, and are of the opinion that the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Charleston, West Virginia 25301

Ladies and Gentlemen:

Based upon the rates and charges approved in the Recommended Decision of the Public Service Commission of West Virginia entered on June 7, 2022, which became the Final Order of the Public Service Commission of West Virginia on June 27, 2022, in Case No. 22-0247-PSD-42T (the "PSC Order"), for the sewer system (the "System") of the Union-Williams Public Service District (the "Issuer") and the projected operating expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient (i) to provide for all operating expenses and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Sewer System Design Revenue Bonds, Series 2022B (West Virginia SRF Program) (the "Series 2022B Bonds"), to be issued to the West Virginia Water Development Authority and all other obligations secured by or payable from the revenues of the System on a parity with the Series 2022B Bonds, including the Prior Bonds. All capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to them in the Bond Resolution adopted by the Issuer on September 26, 2022, as supplemented by a Supplemental Resolution adopted on September 26, 2022.

It is our further opinion that the Net Revenues actually derived from the System during 12 consecutive months within the 18 months immediately preceding the date hereof, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2022B Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2022B Bonds and the Prior Bonds.

The Net Revenues referenced above in the immediately preceding paragraph have been adjusted by adding to such Net Revenues the amount of \$109,662, which is the amount of the additional Net Revenues which, in our opinion, would have been received during the 12 consecutive months within the 18 months immediately preceding the date hereof on account of the increased rates and charges for the System authorized by the PSC Order if said rates had been in effect during the entirety of the said 12 consecutive month period.

In the course of our due diligence to render this Certificate, we have reviewed the books and records of the System and further opine as follows:

(a) The Debt Service Reserve Funds for the Prior Bonds are each funded or are being funded at the level required by the respective resolution of the Issuer authorizing the issuance of such Prior Bonds (collectively, the "Prior Resolutions");

(b) The Renewal and Replacement Fund required by the Prior Resolutions is established and the rates and charges for the System have been established which are projected to be sufficient in the upcoming Fiscal Year to make the required deposits in the Renewal and Replacement Fund; and

(c) The Working Capital Reserve Account required by W. Va. Code Section 24-1-1(k) is established and the rates and charges for the System have been established which are projected to be sufficient in the upcoming Fiscal Year to make the required deposits in the Working Capital Reserve Account.

Very truly yours,

Bennett & Dobbins PLLC
