STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order, resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the “Act”) and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Union-Williams Public Service District (the “Issuer”) is a public service district, public corporation and political subdivision of the State of West Virginia in Wood and Pleasants Counties of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements to the Issuer’s existing public sewerage facilities, including the additions, betterments and improvements described in Exhibit A hereto (collectively, the “Project”) (the Issuer’s existing sewerage facilities, the Project and any further additions thereto or extensions thereof are herein called the “System”) in accordance with the plans and specifications prepared by The Thrasher Group, Inc., Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer has received bids for the Project. It is deemed necessary for the Issuer to issue its sewer revenue bonds in an aggregate principal amount of not more than \$8,747,217 in two series, the first series being its Sewer Revenue Bonds, Series 2025A (Clean Water State Revolving Fund) in an aggregate principal amount not to exceed \$7,247,217 (the “Series 2025A Bonds”) and the second series being its Sewer Revenue Bonds, Series 2025B (Clean Water State Revolving Fund – Principal Forgiveness) in an aggregate principal amount not to exceed \$1,500,000 (the “Series 2025B Bonds” and together with the Series 2025A Bonds, the “Series 2025 Bonds”) to permanently finance a portion of the costs of the Project and the costs of issuance of the Series 2025 Bonds and related costs.

D. It is in the best interests of the Issuer that the Series 2025 Bonds be sold to the West Virginia Water Development Authority (the “Authority”) pursuant to the terms and provisions of a Bond Purchase Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the “DEP”) (the “Bond Purchase Agreement”), the execution, delivery and form of which are ratified and approved herein.

E. The estimated maximum cost of the acquisition and construction of the Project and issuance of the Series 2025 Bonds is \$9,816,725, of which (i) not to exceed \$474,508 will be paid with a Grant from the West Virginia Infrastructure and Jobs Development Council (the "Council"), (ii) not to exceed \$595,000 has been or will be paid with proceeds of the Issuer's Sewer System Design Revenue Bonds, Series 2022 B (West Virginia SRF Project), issued on October 18, 2022, (iii) not to exceed \$7,247,217 will be permanently financed with the proceeds of the Issuer's Series 2025A Bonds herein authorized and (iv) the balance of which will be permanently financed with the proceeds of the Issuer's Series 2025B Bonds in an original principal amount not to exceed \$1,500,000 herein authorized.

F. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2025 Bonds as to liens, pledge and source of and security for payment, which obligations (collectively, the "Prior Bonds") are as follows:

Section 5.03. System Revenues; Flow of Funds.

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

1. The Issuer shall first, each month, pay from the moneys in the Revenue Fund all Operating Expenses of the System.

2. The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) make the payments of interest, if any, payable with respect to the Prior Bonds in the manner and in the amounts set forth in the respective Prior Resolutions and (ii) remit to the Commission beginning 3 months prior to the first interest payment date on the Series 2025A Bonds, for deposit in the Series 2025A Bonds Sinking Fund, a sum equal to 1/3rd of the amount of interest which will become due on the Series 2025A Bonds on the next ensuing quarterly interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2025A Bonds Sinking Fund and the next ensuing quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next ensuing quarterly interest payment date, the required amount of interest coming due on such date.

3. The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) make the payments of principal payable with respect to the Prior Bonds in the manner and in the amounts set forth in the respective Prior Resolutions and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2025A Bonds, remit to the Commission for deposit in the Series 2025A Bonds Sinking Fund, a sum equal to 1/3rd of the amount of principal which will mature and become due on said Series 2025A Bonds on the

next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2025A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

4. The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) make the payments, if any, required by the respective Prior Resolutions into the respective Prior Bonds Reserve Accounts; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2025A Bonds, if not fully funded upon the issuance of the Series 2025A Bonds, remit to the Commission for deposit in the Series 2025A Bonds Reserve Account, an amount equal to 1/120th of the Series 2025A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2025A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2025A Bonds Reserve Requirement.

5. The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any reserve account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

6. The Issuer shall next, each month, transfer from the monies remaining in the Revenue Fund the amount required, if any, to fund or maintain the Cash Working Capital Reserve at the required level. All funds in the Cash Working Capital Reserve shall be kept separate and apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Cash Working Capital Reserve for such purposes as permitted by the laws and regulations of the State in effect at such time.

Moneys in the Series 2025A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2025A Bonds as the same shall become due. Moneys in the Series 2025A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2025A Bonds, as the same shall come due, when other moneys in the Series 2025A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2025A Bonds Sinking Fund and Series 2025A Bonds Reserve Account (if equal to at least the Series 2025A Bonds Reserve Requirement) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2025A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments due on the Series 2025A Bonds.

Until the Series 2025A Bonds Reserve Requirement is on deposit in the Series 2025A Bonds Reserve Account, all investments earnings on the Series 2025A Bond Reserve Account shall remain in the Series 2025A Bonds Reserve Account, except as may be needed to pay principal of and interest on the Series 2025A Bonds, as the same shall come due, when other moneys in the Series 2025A Bonds Sinking Fund are insufficient therefor.

Notwithstanding any provision herein or in the Prior Resolutions to the contrary, the Issuer covenants and agrees to transfer moneys in the Series 2000 Bonds Reserve Account to the Series 2007 Bonds Reserve Account upon the payment in full of the Series 2000 Bonds up to the amount needed to have on deposit in the Series 2007 Bonds Reserve Account the Series 2007 Bonds Reserve Requirement. In the event any moneys remain after making the foregoing transfer, such remaining moneys shall be paid to the Issuer. The Issuer covenants and agrees not to use the monies in the 2000 Bonds Reserve Account for the final payments on the Series 2000 Bonds.

Notwithstanding any provision herein or in the Prior Resolutions to the contrary, the Issuer covenants and agrees to transfer moneys in the Series 2022A Bonds Reserve Account to the Series 2007 Bonds Reserve Account upon maturity of the Series 2022A Bonds up to the amount needed to have on deposit in the Series 2007 Bonds Reserve Account the Series 2007 Bonds Reserve Requirement. In the event any moneys remain after making the foregoing transfer, such remaining moneys shall be paid to the Issuer. The Issuer covenants and agrees not to use the monies in the Series 2022A Bonds Reserve Account for the final payments on the Series 2022A Bonds.

Any withdrawals from the Series 2025A Bonds Reserve Account which result in a reduction in the balance of the Series 2025A Bonds Reserve Account to below the Series 2025A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2025 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2025A Bonds Sinking Fund or into the Series 2025A Bonds Reserve Account therein when the aggregate amount of funds therein is at least equal to the aggregate principal amount of the Series 2025A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise shall be made on a parity and pro rata with respect to the Series 2025 Bonds and the Prior Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2025A Bonds Sinking Fund and the Series 2025A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2025A Bonds Sinking Fund and the Series 2025A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2025A Bonds Sinking Fund, including the Series 2025 Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2025A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2025 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of the Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement and submit a copy of said form along with a copy of its payment check or electronic transfer to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds and accounts, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds and accounts during the following month or such other

period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amount insured by FDIC in all funds and accounts on deposit with the Depository Bank shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI
BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from time to time from the sale of any or all of the Series 2025 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2025 Bonds, there shall first be deposited with the Commission in the Series 2025A Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2025A Bonds for the period commencing on the date of issuance of the Series 2025A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2025A Bonds, there shall be deposited with the Commission in the Series 2025A Bonds Reserve Account the sum, if any, set forth in the Supplemental Resolution for funding of the Series 2025A Bonds Reserve Account.

C. Next, from the proceeds of the Series 2025 Bonds, there shall be paid, any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, including the BAN if payable from the proceeds of the Series 2025 Bonds as set forth in the Supplemental Resolution, together with interest accrued thereon to the date of such payment and any administrative fees payable in connection therewith, not otherwise paid from funds of the Issuer.

D. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2025 Bonds, such moneys shall be deposited with the Depository Bank in the Series 2025 Bonds Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2025 Bonds.

E. After completion of construction of the Project, as certified by the Consulting Engineers, and all Costs have been paid, any remaining proceeds of the Series 2025 Bonds shall be expended as directed by DEP.

Section 6.02. Disbursements From the Series 2025 Bonds Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the DEP and the Authority a report listing the specific purposes for which the proceeds of the Series 2025 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2025 Bonds Construction Trust Fund (except for costs of issuance of the Series 2025 Bonds which shall be paid upon the request of the Issuer) shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is to be attached to the Bond Purchase Agreement, and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

1. None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

2. Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

3. Each of such costs has been otherwise properly incurred; and

4. Payment for each of the items proposed is then due and owing.

All payments made from the Series 2025 Bonds Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Series 2025 Bonds Construction Trust Fund.

Pending such application, moneys in the Series 2025 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

After completion of construction of the Project, as certified by the Consulting Engineers, and all costs of the Project have been paid, any remaining proceeds of the Series 2025 Bonds shall be expended as directed by the DEP.

ARTICLE VII ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2025 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2025 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Series 2025 Bonds or the interest thereon, if any, is Outstanding and unpaid.

Section 7.02. Series 2025 Bonds not to be Indebtedness of the Issuer. The Series 2025 Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any of the Series 2025 Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest, if any, thereon.

Section 7.03. Series 2025 Bonds Secured by Pledge of Net Revenues; Lien Position With Respect to Prior Bonds. The payment of the debt service of the Series 2025 Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the operation of the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2025 Bonds and to make the payments into all funds and accounts, and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to such payments as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall provide an opinion of local counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall provide a certificate of a Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the Commission Order of the PSC entered on December 1, 2025, in Case No. 25-0451-PSD-PW-42T and such adjusted rates are hereby adopted and approved.

So long as the Series 2025 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions

necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2025 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the respective Prior Resolutions. Additionally, so long as the Series 2025 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2025 Bonds and Prior Bonds, immediately be remitted to the Commission for deposit in the Series 2025A Bonds Sinking Fund and the Prior Bonds Sinking Funds, respectively, pro rata, with respect to the principal amount of the Series 2025A Bonds and Prior Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2025 Bonds and Prior Bonds in such manner. Any balance remaining after the payment of all the Series 2025 Bonds and Prior Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$250,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$250,000 but not in excess of \$1,000,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted,

authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$1,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07, so long as any of the Series 2025 Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2025 Bonds. All obligations issued by the Issuer after the issuance of the Series 2025 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2025 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein at the time of the issuance of such subordinate obligations have been made and are current. Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2025 Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Series 2025 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as any of the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the respective Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2025 Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2025 Bonds and must have the prior written consent of the Authority.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of additions, extensions, improvements and/or betterments to the System, refunding all or a portion of one or more series of outstanding Bonds, and/or to pay claims which may exist against the revenues or facilities of the System or all or any combination of such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Prior Bonds and Series 2025 Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved in the manner required by the then applicable law, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, whether or not such approved rates are being charged and collected by the Issuer.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the said Independent Certified Public Accountants on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved in the manner required by the applicable law, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the

Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2025 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2025 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Resolution with respect to the Series 2025 Bonds and Prior Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books, Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued

pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and the status of all said funds and accounts.

C. The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with 2 CFR 200 Subpart F (or any successor thereto) and the laws of the State, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Issuer's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. The Issuer shall verify such bonds prior to commencement of construction. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in

In the event the Bond Purchase Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein, and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts, and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2025 Bonds are Outstanding and the Issuer shall furnish to the Authority such information at the request of the Authority.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2025 Bonds as a condition of issuance of the Series 2025 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2025 Bonds as may be necessary in order to maintain the status of the Series 2025 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2025 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the

DEP, as the case may be, from which the proceeds of the Series 2025 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section 8.02, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2025 Bonds and any additional information requested by the Authority.

ARTICLE IX DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2025 Bonds:

A. If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2025 Bonds; or

B. If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2025 Bonds, set forth in this Bond Legislation, any supplemental resolution or in the Series 2025 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

C. If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

D. If default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Holders of the Bonds, including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that all rights and remedies of the Holders of the Series 2025 Bonds shall be on a parity with the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Holder of a Bond, may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Holder of a Bond, shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates,

rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other avenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder of any Bonds, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Holders of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds, and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X
PAYMENT OF BONDS

Section 10.01.Payment of Series 2025 Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2025 Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2025 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

ARTICLE XI MISCELLANEOUS

Section 11.01.Amendment or Modification of Bond Legislation. Prior to the issuance of the Series 2025 Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2025 Bonds, no material modification or amendment of this Bond Legislation, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2025 Bonds shall be made without the consent in writing of the Holders of the Series 2025 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure that the Series 2025 Bonds remain public purpose bonds.

Section 11.04.Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05.Conflicting Provisions Repealed. Except for the Prior Resolutions, all orders or resolutions and or parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed. In the event of any conflict between this Resolution and the respective Prior Resolutions (so long as any of the respective Prior Bonds are Outstanding), the more restrictive provision shall control.

Section 11.06.Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken

precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.
