ARTICLE I

**STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS**

Section 1.01. Authority for this Ordinance. This Ordinance is adopted and enacted pursuant to the provisions of Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. The Town of Wayne (the "Issuer") is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia in Wayne County of said State.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public sewerage system and desires to acquire, construct and operate certain additional public sewerage facilities consisting of additions, betterments and improvements to such existing sewerage facilities, with all appurtenant facilities.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and,

accordingly, it is hereby ordered, that there be acquired and constructed certain additions, betterments and improvements to the existing sewerage system of the Issuer, consisting of improvements to the existing sanitary sewer system including separation of the sanitary sewer and stormwater systems and all necessary appurtenances (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recorder of the Issuer. The existing sewerage facilities of the Issuer, together with the Project and any further additions, betterments and improvements, are herein called the "System". The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Series 2012 A Bonds and all debt service, reserve fund and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$2,500,000 which a portion of which will be obtained from the proceeds of sale of the Bonds herein authorized.

E. The Issuer has heretofore temporarily financed the design and other preliminary costs of the Project by the issuance of its Sewerage System Revenue Bonds, Series 2008 A (West Virginia Water Development Authority), dated February 20, 2008, issued in the original aggregate principal amount of \$80,000 (the "Series 2008 A Bonds").

F. It is deemed necessary and desirable for the Issuer to pay the Series 2008 A Bonds.

G. It is necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2012 A (United States Department of Agriculture) in one or more series, in the aggregate principal amount of \$2,500,000 (the "Series 2012 A Bonds"), to pay the Series 2008 A Bonds and permanently finance a portion of the cost of acquisition and construction of the Project. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2012 A Bonds prior to and during acquisition and construction, and for a period not exceeding six months after completion of such acquisition or construction, of the Project; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby; provided that, reimbursement to the Issuer for any amounts expended by it for allowable costs prior to

the issuance of the Series 2012 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project.

H. The period of usefulness of the System, as herein defined, after completion of the Project is not less than 40 years.

I. Upon payment of the Series 2008 A Bonds, the Issuer will not have any outstanding obligations which will rank on a parity with the Series 2012 A Bonds as to liens, pledge, source of and security for payment.

J. It is in the best interest of the Issuer that the Series 2012 A Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letter of Conditions dated July 24, 2009, and any amendments, thereto (collectively, the "Letter of Conditions").

K. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2012 A Bonds, or will have so complied prior to issuance of the Series 2012 A Bonds, including, among other things and without limitation, obtaining a certificate of convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

FOR VALUE RECEIVED, the TOWN OF WAYNE (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of _____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of this Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof, and \$ _____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided herein below. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for (i) paying the Series 2008 A Bonds; and (ii) permanently financing costs of acquisition and construction of additions, betterments and improvements to the sewerage system (the "System") of Borrower, is payable solely from and secured by the revenues to be derived from the operation of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (herein called the "Act"), an Ordinance of Borrower duly enacted on _____, 2012, and a Supplemental Resolution duly adopted by the Issuer on _____, 2012 authorizing issuance of this Bond (collectively, the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with, and shall be held by, the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund;
- (2) Renewal and Replacement Fund; and
- (3) Project Construction Account.

Section 4.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by, the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

- (1) Series 2012 A Bonds Reserve Account.

Section 4.03. Bond Proceeds; Project Construction Account. The proceeds of sale of the Series 2012 A Bonds shall be deposited upon receipt by the Issuer in the Project Construction Account. The monies in the Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Monies in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Monies in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installment payments on the Series 2012 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.03, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.04. Covenants of the Issuer as to Revenues and Funds. So long as any of the Series 2012 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2012 A Bonds Reserve Account, sums sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2012 A Bonds remaining unpaid, together with interest accrued to the date of such payment, the Issuer further covenants with the holder of the Series 2012 A Bonds as follows:

A. **REVENUE FUND.** The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Ordinances and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Ordinances.

B. **DISPOSITION OF REVENUES.** All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

- (1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.
- (2) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and remit to the National Finance Office, commencing 30 days following the date of delivery of the Series 2012 A Bonds, the amounts required to pay interest on the Series 2012 A Bonds over the life of the bond issue.
- (3) The Issuer shall next, each month, transfer from the Revenue Fund and, on or before the due date thereof, remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2012 A Bonds, the amount required to amortize the principal of the Series 2012 A Bonds over the life of the bond issue.
- (4) The Issuer shall next, each month, transfer from the Revenue Fund beginning on the date specified by the Purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, thereafter, transfer from the Revenue Fund and remit to the Commission for deposit in the Series 2012 A Bonds Reserve Account, an amount equal to 10% of the monthly payment amount each month, until the amount in the Series 2012 A Bonds Reserve Account equals the Series 2012 A Bonds Reserve Requirement; provided that, no further payments shall be made

into the Series 2012 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2012 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 ½ % of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article IV hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose of the System.

Whenever the monies in the Series 2012 A Bonds Reserve Account shall be sufficient to prepay the Series 2012 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2012 A Bonds, at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Renewal and Replacement Fund as herein provided, and all amounts required for the Renewal and Replacement Fund will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written directions stating the amount remitted for deposit into each such fund.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2012 A Bonds Reserve Account as herein provided, and all amounts required for said account shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Purchaser at anytime, the Issuer shall make the necessary arrangements whereby required payments into said account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required reserve account payments with respect to the Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

The Revenue Fund and the Renewal and Replacement Fund shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2012 A Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Commission and the Depository Bank, at the direction of the Issuer, shall keep the monies in the Series 2012 A Bonds Reserve Account and the Renewal and Replacement Fund invested and reinvested to the fullest extent possible, in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2012 A Bonds Reserve Account so long as the Minimum Reserve is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer to be deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK AND FISCAL AGENT.

The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2012 A Bonds, provide evidence of 756 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Commission or the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in lawful manner for securing deposits of State and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS

Section 5.01. General Statement. So long as the Series 2012 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2012 A Bonds Reserve Account a sum sufficient to prepay the entire principal of the Series 2012 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2012 A Bonds.

Section 5.02. Rates. Prior to the issuance of the Series 2012 A Bonds, the Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2012 A Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2012 A Bonds are outstanding.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional Parity Bonds or obligations payable out of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

So long as the Series 2012 A Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 2012 A Bonds, representing 75% of the then-outstanding principal indebtedness.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2012 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2012 A Bonds.

C. VEHICULAR PUBLIC LIABILITY INSURANCE, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

D. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF THE ISSUER ELIGIBLE THEREFOR AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Recorder of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' Compensation coverage will be maintained as provided by law.

E. FLOOD INSURANCE to be procured, to the extent available at reasonable cost to the Issuer; provided, however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

F. FIDELITY BONDS will be provided as to every member of the Governing Body and as to every officer and employee of the Issuer having custody of the Revenue Fund or of any Revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

G. Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2012 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2012 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared

to be valid and binding and shall take effect immediately upon the delivery of the Series 2012 A Bonds and shall be for the equal benefit of the Series 2012 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

A. Failure to make payment of any monthly amortization installment upon the Series 2012 A Bonds at the date specified for payment thereof; or

B. Failure to duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2012 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2012 A Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 2012 A Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Series 2012 A Bonds, or the rights of such Registered Owners.

Any Registered Owner of the Bonds, by proper legal action, compel the performance of the duties of the Issuer under this Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of the Bonds shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Section 5.09. Fiscal Year; Budget. While the Series 2012 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, it shall adopt a Budget of Current Expenses from

month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Recorder on the date of adoption hereof, subject to permitted changes.

Section 5.11. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.12. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2012 A Bonds are outstanding.

Section 5.13. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules.

A. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the rate ordinance of the Issuer enacted on September 12, 2011 which rate ordinance is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be a lien on the premises served if not paid when due. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges, including, without limitation, any right and power of foreclosure under the Act and/or such other applicable provisions of law.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer shall not be liable to any customer for any damage resulting from bursting or breakage of any pipe, line, main, valve, equipment or part or from discontinuance of the operation of any part of the System or from failure of any part thereof for any cause whatever.

G. In case of emergency, the Issuer shall have the right to restrict the use of any part of the System in any reasonable manner for the protection of the System and the inhabitants of the Issuer.

H. The fees, rates and charges above provided will be increased whenever such increase is necessary in order to comply fully with all provisions hereof, and the Issuer shall always be obligated to and shall fix, establish and collect fees, rates and charges for the services and facilities of the System which shall at all times be sufficient to provide revenues to meet its payments and obligations provided hereunder, but in any event, not less than 110% of the annual debt service on the Bonds outstanding.

ARTICLE VII

If the Issuer shall pay or there shall otherwise be paid to the Holder of the Series 2012 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2012 A Bonds, the pledge of Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2012 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

TOWN OF WAYNE

SEWER REVENUE BONDS, SERIES 2012 A (UNITED STATES DEPARTMENT OF AGRICULTURE)

\$2,061,000

No. AR-1

Date: December 17, 2012

FOR VALUE RECEIVED, the TOWN OF WAYNE (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of TWO MILLION SIXTY-ONE THOUSAND DOLLARS (\$2,061,000), plus interest on the unpaid principal balance at the rate of 2.125% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of this Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof, and \$6,596, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided herein below. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly

or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for (i) paying the Series 2008 A Bonds; and (ii) permanently financing costs of acquisition and construction of additions, betterments and improvements to the sewerage system (the "System") of Borrower, is payable solely from and secured by the revenues to be derived from the operation of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (herein called the "Act"), an Ordinance of Borrower duly enacted on August 13, 2012, and a Supplemental Resolution and Conformed Bond Ordinance duly

adopted by the Issuer on December 13, 2012 authorizing issuance of this Bond (collectively, the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

There are no outstanding bonds or obligations secured by the revenues or assets of the System.

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Wayne, in Wayne County, West Virginia (the "Issuer"), of its \$2,061,000 Sewer Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated the date hereof (the "Series 2012 A Bonds"), pursuant to Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance of the Issuer duly enacted on August 13, 2012 as supplemented by Supplemental Resolution and Conformed Bond Ordinance duly adopted on December 13, 2012 (collectively, the "Bond Legislation"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

The Bonds are issued for the purposes of: (i) paying the Issuer's Sewerage System Revenue Bonds, Series 2008 A (the "Series 2008 A Bonds"); (ii) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); and (iii) paying certain issuance and other costs in connection therewith.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a municipal corporation and political subdivision of the State of West Virginia with full power and authority to adopt and enact the

Bond Legislation, perform the agreements on its part contained therein and issue and sell the Series 2012 A Bonds, pursuant to the provisions of the Act and other applicable provisions of law.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Legislation for the security of the Series 2012 A Bonds. There are no other outstanding bonds or obligations of the Issuer which rank prior to or on a parity with the Series 2012 A Bonds as to liens, pledge and/or source of and security for payment.

4. The Series 2012 A Bonds have been duly authorized, executed and delivered by the Issuer and is a valid and binding special obligation of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Series 2012 A Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes; therefore, the interest on the Series 2012 A Bonds is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Series 2012 A Bonds.

6. With proceeds from the Series 2012 A Bonds, the Series 2008 A Bonds have been paid in full within the meaning and with the effect expressed in the ordinances and resolutions authorizing such Series 2008 A Bonds, and the covenants, agreements and other obligations of the Issuer to the owners of such Series 2008 A Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release from the West Virginia Municipal Bond Commission, the paying agent of the Series 2008 A Bonds that they have received payment for the entire outstanding principal of and all interest accrued thereon on the date hereof and that such Series 2008 A Bonds have been paid in full.

7. The Series 2012 A Bonds are, under the Act, exempt from all taxation by the State of West Virginia, and the other taxing bodies of said State, and interest on the Series 2012 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holder of the Series 2012 A Bonds and the enforceability of the Series 2012 A Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

We are counsel to the Town of Wayne, a municipal corporation and political subdivision of the State of West Virginia in Wayne County of said State (the "Issuer"). As such counsel, we have examined a copy of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a Bond Ordinance of the Issuer duly enacted on August 13, 2012 as supplemented by Supplemental Resolution and Conformed Bond Ordinance duly adopted on December³¹⁰ 10, 2012 (collectively, the "Bond Legislation"), and other documents and papers relating to the Issuer and the above-captioned Bonds of the Issuer (the "Bonds"). Terms used in the Bond Legislation and not otherwise defined herein shall have the same meanings as in the Bond Legislation when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a municipal corporation and a political subdivision of the State of West Virginia.
2. The Mayor and Recorder and members of the Council of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.
4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Bond Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer

or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. We are of the opinion that the Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Recommended Decision dated April 30, 2012, which became a Final Order on May 20, 2012 in Case No. 11-1526-S-CN approving the financing for the Project. The time for appeal of the Commission Orders has expired prior to the date hereof. All Orders remain in full force and effect.

6. All permits, licenses, approvals, consents, certificates, orders, exemptions and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bond, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges have been entered and/or received, including, without limitation, all requisite orders, certificates, consents and approvals from the Public Service Commission of West Virginia, and the Issuer has duly taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges, the time for appeal of which has expired prior to the date hereof without successful appeal.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Bond Legislation, the acquisition and construction of the Project, the operation of the System, or the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

FRAZIER & OXLEY, L.C.
