(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. Under the Act, the Local Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF WEST DUNBAR PUBLIC SERVICE DISTRICT:

ARTICLE I STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof (as hereinafter defined), or both, the "Bond Legislation") is adopted pursuant to the provisions of (i) Chapter 16, Article 13A and (ii) Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. West Dunbar Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Kanawha County of said State.

B. The Issuer presently owns and operates the System (as hereinafter defined). However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the System, a description of which is attached hereto as Exhibit A and incorporated herein by reference (collectively, the "Project"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the West Virginia Department of Environmental Protection (the "DEP").

C. The Issuer intends to permanently finance a portion of the costs of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act. The remaining costs will be paid from grants received from The County Commission of Kanawha County and the West Virginia Infrastructure and Jobs Development Council (the "Council").

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2020 A (West Virginia CWSRF Program), in the aggregate principal amount not to exceed \$11,000,000 (the "Series 2020 A Bonds") and Sewer Revenue Bonds, Series 2020 B (West Virginia CWSRF Program/Principal Forgiveness), in the aggregate principal amount not to exceed \$1,500,000 (the "Series 2020 B Bonds" and together with the Series 2020 A Bonds, collectively, the "Series 2020 Bonds"), to permanently finance the costs of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof, if any. Said costs shall be deemed to include the cost of acquisition or construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2020 Bonds prior to and during acquisition and installation of the Project and for a period not exceeding 6 months after completion of acquisition and installation of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2020 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or installation of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2020 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2020 Bonds be sold to the Authority pursuant to the terms and provisions of a bond purchase agreement by and among the Issuer, the Authority and the DEP, the agreement in form satisfactory to the respective parties (the "Bond Purchase Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are currently no outstanding obligations of the Issuer which will rank on a parity with the Series 2020 Bonds as to liens, pledge and source of and security for payment.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2020 Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. (2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission, commencing 4 months prior to the first date of payment of interest on the Series 2020 A Bonds, for deposit in the Series 2020 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest and become due on the Series 2020 A Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2020 A Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

Monies in the Series 2020 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2020 A as the same shall come due, when other monies in the Series 2020 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account, shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during installation of the Project, be deposited in the respective Bond Construction Trust Fund, and following completion of installation of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2020 A Bonds and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2020 A Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2020 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2020 A Bonds Sinking Fund or the Series 2020 A Bonds Reserve Account, when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2020 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically

debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2020 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest, if any, and reserve account payments with respect to the Series 2020 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement for the Series 2020 Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder. Also if on any monthly payment date the revenues are insufficient to place the required amount in each of the accounts described in Subsections (A)(3) or (4), respectively, the deposits into each of the accounts shall be made in proportion to the amounts due.

H. The Gross Revenues of the System shall only be used for purposes of the System.

E. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2020 Bonds shall be applied as directed by the DEP.

Section 6.02. Disbursements From the Bond Construction Trust Fund.

On or before the Closing Date, the Issuer shall have delivered to the DEP and the Authority a report listing the specific purposes for which the proceeds of the Series 2020 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments of all Costs of the Project shall be made monthly.

Pending such application, monies in the Series 2020 Bond Construction Trust Funds shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII
ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2020 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2020 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds Not to be Indebtedness of the Issuer. The Series 2020 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by the Bond Legislation. No Registered Owner of the Series 2020 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2020 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payment of the debt service of the Series 2020 A Bonds and the Series 2020 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2020 Bonds and to make all

other payments provided for in this Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect.

So long as the Series 2020 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2020 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Series 2020 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2020 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2020 Bonds. Any balance remaining after the payment of the Series 2020 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall

be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2020 Bonds; provided, however, that Parity Bonds may be issued as provided for in Section 7.07 hereof. All obligations issued by the Issuer after the issuance of the Series 2020 Bonds and payable from the revenues of the System, except such additional parity bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2020 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2020 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2020 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2020 Bonds pursuant to this Bond

Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2020 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the eighteen (18) months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time

to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2020 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2020 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the acquisition and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of installation of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of installation.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public

Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP and the Authority, or any other original purchaser of the Series 2020 Bonds, and shall mail in each year to any Holder or Holders of the Series 2020 Bonds, requesting the same, an annual report containing the following:

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with 2 CFR 200 Subpart F, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2020 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2020 A Bonds. Such audit report submitted to the DEP and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Bond Purchase Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to install the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of installation of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Bond Purchase Agreement for the Series 2020 Bonds or as promulgated from time to time.

Section 7.09. Rates. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2020 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 2020 Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2020 A Bonds Reserve Account and the reserve accounts for obligations on a parity with or junior to the Series 2020 Bonds, are funded at least at the requirement therefore, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2020 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 2020 Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the

The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Such insurance shall initially cover the following risks and be in the following amounts:

The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2020 Bonds as may be necessary in order to maintain the status of the Series 2020 Bonds as public purpose bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2020 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the DEP, as the case may be, from which the proceeds of the Series 2020 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2020 Bonds and any additional information requested by the Authority.

ARTICLE IX DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2020 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2020 Bonds; or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2020 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2020 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond;

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and installation of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Re: West Dunbar Public Service District Sewer Revenue Bonds,
Series 2020 A (West Virginia CWSRF Program)

Ladies and Gentlemen:

We have served as bond counsel to West Dunbar Public Service District (the “Issuer”) in connection with the issuance of its Sewer Revenue Bonds, Series 2020 A (West Virginia CWSRF Program), dated the date hereof (the “Bonds”).

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a bond purchase agreement for the Bonds, dated January 13, 2020, including all schedules and exhibits attached thereto (the “Bond Purchase Agreement”), by and among the Issuer, the West Virginia Water Development Authority (the “Authority”), and the West Virginia Department of Environmental Protection (the “DEP”), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are issued in the principal amount of \$10,040,000, in the form of one bond, registered to the Authority, bearing interest at a rate of 0.25% per annum, with principal and interest payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing March 1, 2022, all as set forth in the Schedule Y attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the “Act”), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the “Project”); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Resolution duly adopted by the Issuer on January 9, 2020, as supplemented by a Supplemental Resolution duly adopted by the Issuer on January 9, 2020 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Bond Purchase Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Bond Purchase Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and a political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.
3. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Resolution constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.
5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System. There are currently no outstanding obligations of the Issuer which will rank on a parity with the Bonds as to liens, pledge and source of and security for payment.

6. Under the Act, the Bonds and any interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Re: West Dunbar Public Service District Sewer Revenue Bonds
Series 2020 A (West Virginia CWSRF Program) and
Series 2020 B (West Virginia CWSRF Program/Principal Forgiveness)

Ladies and Gentlemen:

I am counsel to West Dunbar Public Service District (the "Issuer"). As such counsel, I have examined copies of the approving opinions of Jackson Kelly PLLC, as bond counsel, relating to the above-captioned bonds of the Issuer (the "Bonds"), a bond purchase agreement for the Bonds, dated January 13, 2020, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), a Bond Resolution duly adopted by the Public Service Board of the Issuer (the "Board") on January 9, 2020, as supplemented by a Supplemental Resolution duly adopted on January 9, 2020 (collectively, the "Resolution"), orders of The County Commission of Kanawha County relating to the Issuer and the appointment of members of the Board, and other documents relating to the Bonds and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Purchase Agreement and the Resolution when used herein.

I am of the opinion that:

I, The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power

and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

2. The members and officers of the Board have been duly and properly appointed and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Resolution has been duly adopted by the Board and is in full force and effect.

5. The execution and delivery of the Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Bonds, the Bond Purchase Agreement and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received the Public Service Commission of West Virginia (the "PSC") order which became final on May 1, 2019, in Case No. 18.1568-PSD-CN-PC (the "Order"), granting to the Issuer a certificate of public convenience and necessity for the Project, approving the rates for the System and the financing for the Project. The time for appeal of the Order has expired prior to the date hereof without any appeal having been filed. The Order is in full force and effect. The Issuer received a supplemental Order dated January 10, 2020, approving the increased rates, revised project funding, and project scope.

7. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for the use of the System, including, without limitation, all requisite permits, approvals, orders and certificates from The County Commission of Kanawha County, the DEP, the PSC and the West Virginia Infrastructure and Jobs Development Council. The Issuer has taken all actions required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges.

8. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bond Purchase Agreement, the Bonds and the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Resolution and the Bond Purchase Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

10. The contracts contain language requiring the contractors to provide affidavits from all contractors and subcontractors indicating that each contractor and subcontractor have a drug free workplace policy pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended. The contractor has submitted a plan to implement the drug free workplace policy prior to the awarding of the contract pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,
