BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WILLIAMSTOWN:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any order or Ordinance supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 of the Code of West Virginia, 1931, as amended (the "Bond Act") and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (the "SRF Act", and together with the Bond Act, collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Williamstown (the "Issuer") is a municipality, public corporation and political subdivision of the State of West Virginia in Wood County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of the replacement modification of the headworks screening facilities, installation of blowers with an upgrade capacity, replacement of the existing solids dewatering equipment, plant piping, electrical work and necessary appurtenances (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System").

C. The Issuer intends to permanently finance a portion of the costs of acquiring, constructing and equipping the Project through the issuance of its revenue bonds to be sold to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), pursuant to the SRF Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2009, in the aggregate principal amounts of not more than \$1,750,000 (the "Series 2009 Bonds"), initially to be represented by two (2) bonds, to permanently finance a portion of the costs of acquiring, constructing and equipping of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefore; interest upon the Series 2009 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2009 Bond Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2009 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the cost of acquiring, constructing and equipping the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2009 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after the completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2009 Bonds be sold to the Authority pursuant to the terms and provisions of a Bond Purchase Agreement

by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP (the "Bond Purchase Agreement"), approved hereby if not previously approved by Ordinance of the Issuer.

G. There are outstanding obligations of the Issuer which will rank either on parity with or junior and subordinate to the Series 2009 Bonds as to liens, pledge and source of and security for payment, which obligations are designated as follows:

a. \$15,551 City of Williamstown, Sewer Revenue Bond, Series 1987 A (the "Series 1987 A Bond");

b. \$169,539 City of Williamstown, Sewer Revenue Bond, Series 1987 B (the "Series 1987 B Bond");

c. \$659,637 City of Williamstown, Sewer Revenue Bond, Series 1987 A-1 (the "Series 1987 A-1 Bond"); and

d. \$230,282 City of Williamstown, Sewer Revenue Bond, Series 2005 A (the "Series 2005 A Bond").

The Series 1987 A Bond, the Series 1987 A-1 Bond and the Series 2005 A Bond are hereinafter collectively called the "Parity Bonds." The Series 1987 B Bond is hereinafter called the "Subordinate Prior Bond."

The Series 2009 Bonds shall be issued on parity with the Parity Bonds and senior and prior to the Subordinate Prior Bond with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the coverage and parity requirements of the Parity Bonds and the Subordinate Prior Bond and the Ordinances authorizing the Parity Bonds and the Subordinate Prior Bond for issuance of the Series 2009 Bonds and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. Prior to the issuance of the Series 2009 Bonds, the Issuer will obtain the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Parity Bonds and the Subordinate Prior Bond are met and the written consent of the Holders of the Parity Bonds and the Subordinate Prior Bond to the issuance of the Series 2009 Bonds on a parity with the Parity Bonds and senior and prior to the Subordinate Prior Bond. Other than the Parity Bonds and the Subordinate Prior Bond, there are no outstanding bonds or obligations of the Issuer that are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the First Lien Bonds, and to

make payments into all Sinking Funds, Reserve Accounts and other payments provided for herein, all as such terms are hereinafter defined.

I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition, construction and equipping of the Project, the operation of the System and the issuance of the Series 2009 Bond, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2009 Bonds or such final order will not be subject to appeal or rehearing.

J. Pursuant to the Act, the Issuer has established a Sanitary Board, and the Sanitary Board has petitioned the Governing Body to issue the Series 2009 Bonds for the purposes described in this Ordinance.

K. The Project has been approved by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. The Series 2009 Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Recorder. In case any one or more of the officers who shall have signed or sealed the Series 2009 Bonds shall cease to be such officer of the Issuer before the Series 2009 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2009 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2009 Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bonds, substantially in the form set forth in Section 3.12 hereof, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bonds shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2009 Bonds shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2009 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2009 Bonds shall be conclusively deemed to have agreed that such Bonds shall

be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2009 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the same.

The registered Series 2009 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Series 2009 Bonds or transferring the registered Series 2009 Bonds is exercised, the Series 2009 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. The Series 2009 Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of the Series 2009 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of the Series 2009 Bonds during the period commencing on the 15th day of the month next preceding an interest payment date, if any, on the Series 2009 Bonds or, in the case of any proposed redemption of the Series 2009 Bonds, next preceding the date of the selection of the portion of the Series 2009 Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bond Mutilated, Destroyed, Stolen or Lost. In case a bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new bond of the same series and of like tenor as the bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated bond, upon surrender and cancellation of such mutilated bond, or in lieu of and substitution for the bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. The bond so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such bond shall have matured or be about to mature, instead of issuing a substitute bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2009 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely, in the case of the Series 2009 Bonds only, from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2009 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Parity Bonds. The payment of the debt service of the Series 2009 Bonds shall be secured by a first lien on the Net Revenues derived from the System, on parity with the lien on such Net Revenues in favor of the Holders of the Parity Bonds and senior and prior to the Subordinate Prior Bond. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Parity Bonds and the Series 2009 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2009 Bonds to the original purchasers upon receipt of the documents set forth below:

- A. If other than the Authority, a list of the names in which the Series 2009 Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Bond Registrar may reasonably require;

- C. An executed and certified copy of the Bond Legislation;
- D. Executed copy of the Bond Purchase Agreement;
and
- E. The unqualified approving opinion of bond counsel on the Series 2009 Bonds.

Section 3.10. Form of Bonds. The text of the Series 2009 Bonds shall be in substantially the following forms, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

applied in full, first to the next ensuing interest payment due, if any, on the Series 2009 Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2009 Bond Reserve Account which result in a reduction in the balance therein below the Series 2009 Bond Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional bonds ranking on a parity with the Series 2009 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefore.

The Issuer shall not be required to make any further payments into the Series 2009 Bond Sinking Fund or the Series 2009 Bond Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2009 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Parity Bonds and the Series 2009 Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 Bond Sinking Fund and the Series 2009 Bond Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into the Series 2009 Bond Sinking Fund and the Series 2009 Bond Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2009 Bond Sinking Fund and the Series 2009 Bond Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2009 Bond Sinking Fund, including the Series 2009 Bond Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2009 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically deducted from the Revenue Fund and transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made

pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2009 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2009 Bonds, there shall be deposited with the Commission in the Series 2009 Bond Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2009 Bond Reserve Account.

B. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2009 Bonds, such moneys shall be deposited with the Depository Bank in the Series 2009 Construction Trust Fund and applied solely to payment of costs of construction of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2009 Bonds.

C. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2009 Bonds shall be used to fund the Series 2009 Bond Reserve Account, if not funded upon issuance of the Series 2009 Bonds, in an amount not to exceed the Series 2009 Bond Reserve Requirement; provided that, in no event shall more than 10% of the proceeds of the Series 2009 Bonds be deposited in the Series 2009 Bond Reserve Account. Any remaining proceeds thereafter shall be used as directed by the DEP.

Section 6.02. Disbursements from Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2009 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments of all Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2009 Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Bond Purchase Agreement as Exhibit C in compliance with the construction schedule; and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2009 Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by the Holders of the Series 2009 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2009 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Parity Bonds. The payment of the debt service of the Series 2009 Bonds shall be secured by a first lien on the Net Revenues derived from the System, on

parity with the lien on such Net Revenues in favor of the Holders of the Parity Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Parity Bonds and the Series 2009 Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered December __, 2009, in Case No. 09-1062-S-CN, and such rates are hereby enacted.

So long as the Series 2009 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2009 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2009 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 Bond, immediately be remitted to the Commission for deposit in the Series 2009 Bond Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2009 Bonds. Any balance remaining after the payment of the Series 2009 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefore, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by Ordinance, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by Ordinance duly enacted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System that rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 Bonds that are payable from the revenues of the System, except such additional parity bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Parity Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 Bonds pursuant to this Bond Legislation, except with the prior written consent of DEP and the Authority under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on parity in all respects with the Series 2009 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition, or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Parity Prior Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Bonds and the Holder of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the cost of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. The Issuer shall maintain separate control accounting records. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system that may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchasers of the Series 2009 Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this

Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and, to the extent legally required, in compliance with the applicable OMB Circular or any successor thereto, and the Single Audit Act, or any successor thereto) and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to the Holder of the Series 2009 Bond, and shall submit said report to the Authority and the DEP, or any other original purchasers of the Series 2009 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance, and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Bond Purchase Agreement or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2009 Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at

all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2009 Bonds, including the Parity Bonds; provided that in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2009 Bond Reserve Account and any reserve accounts for obligations on a parity with the Series 2009 Bond, including the Parity Bonds, are funded at least at the requirement therefore, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2009 Bonds, including the Parity Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and enact by Ordinance a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefore in such budget without a written finding and recommendation by a professional engineer which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a Ordinance duly enacted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all Ordinances authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all Ordinances authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the DEP and to any Holder of any Bonds, or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of construction of

the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulation, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2009 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2009 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 Bonds, and shall be on a parity, as to the Series 2009 Bonds with the statutory mortgage lien in favor of the Holders of the Parity Bonds.

ARTICLE VIII

INVESTMENTS; USE OF PROCEEDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2009 Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2009 Bonds as a condition to issuance of the Series 2009 Bond. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2009 Bonds as may be necessary in order to maintain the status of the Series 2009 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2009 Bonds that would cause any bonds or notes, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or DEP, as the case may be, from which the proceeds of the Series 2009 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2009 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2009 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2009 Bonds set forth in this Bond Legislation, any Supplemental Resolution or in the Series 2009 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owner including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owner of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owner; provided that, all rights and remedies of the Holders of the Series 2009 Bonds shall be on parity with the Holders of the Parity Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bond and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have

the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owner of the Bond. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owner of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. - Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Re: City of Williamstown, Sewer Revenue Bonds
Series 2009 A (West Virginia SRF Program) and
Series 2009 B (ARRA Program)

Ladies and Gentlemen:

We have served as bond counsel to the City of Williamstown (the "Issuer") in connection with the issuance of its Sewer Revenue Bonds, Series 2009 A (West Virginia SRF Program) (the "Series 2009 A Bond") and Series 2009 B (ARRA Program) (the "Series 2009 B Bond" and, together with the Series 2009 A Bond, collectively, the "Bonds"), dated the date hereof.

We have examined certified copies of proceedings and other papers relating to the authorization of (i) the ARRA Assistance Agreement for the Bonds, dated December 9, 2009, including all schedules and exhibits attached thereto (the "Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP") and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Agreement.

The Series 2009 A Bond is issued in the principal amount of \$800,000, in the form of one bond, registered to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2011, all as set forth in the Schedule Y attached to the Agreement and incorporated in and made a part of the Bond. The Series 2009 A Bond is

subject to the SRF Administrative Fee equal to 1.0% of the principal amount of the Series 2009 A Bond as set forth in the Schedule Y attached to the Agreement and incorporated in and made a part of the Series 2009 A Bond.

The Series 2009 B Bond is issued in the principal amount of \$660,000, in the form of one bond, registered to the Authority, bearing interest at the rate of negative three percent (-3%) per annum, with principal forgiveness, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2011, all as set forth in the Schedule Y attached to the Agreement and incorporated in and made a part of the Series 2009 B Bond.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 16 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of constructing certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Ordinance duly enacted by the Issuer on November 3, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 1, 2009 (collectively, the "Ordinance"), pursuant to and under which Act and Ordinance the Bonds are authorized and issued, and the Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Ordinance and the Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance and the Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipality and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to construct the Project, to operate and maintain the System, to adopt the Ordinance and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

GOODWIN & GOODWIN, LLP

3. The Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer, without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively enacted the Ordinance and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Ordinance constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Prior Bonds, all in accordance with the terms of the Bonds and the Ordinance.

6. Under the Act, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bonds numbered AR-1 and BR-1 and in our opinion, the forms of said Bonds and their execution and authentication are regular and proper.

Respectfully submitted,

subject to the SRF Administrative Fee equal to 1.0% of the principal amount of the Series 2009 A Bond as set forth in the Schedule Y attached to the Agreement and incorporated in and made a part of the Series 2009 A Bond.

The Series 2009 B Bond is issued in the principal amount of \$660,000, in the form of one bond, registered to the Authority, bearing interest at the rate of negative three percent (-3%) per annum, with principal forgiveness, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2011, all as set forth in the Schedule Y attached to the Agreement and incorporated in and made a part of the Series 2009 B Bond.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 16 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of constructing certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Ordinance duly enacted by the Issuer on November 3, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 1, 2009 (collectively, the "Ordinance"), pursuant to and under which Act and Ordinance the Bonds are authorized and issued, and the Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Ordinance and the Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance and the Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipality and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to construct the Project, to operate and maintain the System, to adopt the Ordinance and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer, without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively enacted the Ordinance and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Ordinance constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Prior Bonds, all in accordance with the terms of the Bonds and the Ordinance.

6. Under the Act, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bonds numbered AR-1 and BR-1 and in our opinion, the forms of said Bonds and their execution and authentication are regular and proper.

Re: City of Williamstown
Sewer Revenue Bonds
Series 2009 A (West Virginia SRF Program) and
Series 2009 B (ARRA Program)

Ladies and Gentlemen:

I am counsel to City of Williamstown (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Goodwin & Goodwin, LLP, as bond counsel, relating to the above-captioned bonds of the Issuer (the "Bonds"), the ARRA Assistance Agreement for the Bonds, dated December 9, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), a Bond Ordinance duly enacted by the City Council of the Issuer (the "Council") on November 3, 2009, as supplemented by a Supplemental Resolution duly adopted by the Council on December 1, 2009 (collectively, the "Ordinance"), the Charter of the Issuer and the election of members of the Council, and other documents relating to the Bonds and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the ARRA Assistance Agreement and the Ordinance when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing municipality and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the

System, to enact the Ordinance and to issue the Bonds, all under the Act and other applicable provisions of law.

2. The members, officials and officers of the Issuer and Council have been duly and properly elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The ARRA Assistance Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority and the DEP, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Ordinance has been duly enacted by the Council and is in full force and effect.

5. The execution and delivery of the Bonds and the ARRA Assistance Agreement and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreement and the Ordinance, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject and of which I am aware.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer and the issuance of the Bonds.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreement, the Bonds and the Ordinance, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues and the pledge of the Net Revenues for the payment of the Bonds.

8. In reliance upon the Engineer's Certificate of Boyles & Hildreth, all successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (1) are in compliance with the contracts:

December 9, 2009

Page 3

(2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Ordinance and the ARRA Assistance Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

The opinions given herein are all subject to the effect upon enforceability of any document under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

My opinion specifically excludes any matters involving the regulatory, tax, securities or public finance activities of the Issuer. This opinion is given for the benefit of those addressed on page 1 hereof, in connection with the Bonds, and may not be relied on by them for any other purpose or relied on by any other person, firm or corporation for any purpose whatsoever.

Very truly yours,

C. BLAINE MYERS
