SECTION 3. The Bonds, including interest thereon, shall be payable in lawful money of the United States of America at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The Bonds shall be registered as to ownership and authenticated by a bank to be designated in the Bonds. The Board shall annually, at the levy term thereof, make up and lay upon all taxable property within the District a sufficient levy to provide funds for paying the interest on the Bonds as the same accrues and becomes payable and the principal thereof at their respective maturities.

SECTION 4. The Bonds shall be issued under the five percent (5%) limitation of the Better Schools Amendment and will be payable from a direct annual tax on all taxable property in the District, in the ratio, as between the several classes or types of such taxable property specified in Section 1, Article X of the West Virginia Constitution, separate and apart from and in addition to all other taxes for all other purposes, sufficient to pay, annually, the interest of such debt and the principal thereof, within and not exceeding fifteen and three-quarter (15 3/4) years, which may be levied outside the limits fixed by Section 1, Article X of the Constitution, and the Board covenants with the registered owners of the Bonds that the Board shall include in its budget the amount of the debt service for each fiscal year of the Board in which such sums are payable, shall appropriate such amount from its revenues for the payment of such debt service and shall duly and punctually pay or cause to be paid from its sinking fund or any other of its available revenues or funds the principal amount of each of the Bonds and the interest due thereupon at the date and

place and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, subject to the limitations fixed by the Board, shall and does pledge, irrevocably, its full faith, credit and taxing power.

SECTION 5. It is hereby found and determined by the Board that the maximum aggregate amount of such Bonds, to wit, Twenty Million One Hundred Seventy-Five Thousand Dollars ($20,175,000), together with all other bonds of the Board currently outstanding (if any), does not exceed or violate any provisions or limitations in any manner provided by the School Bond Amendment and the Better Schools Amendment.

SECTION 6. The Bonds hereby authorized shall be exempt from all taxation by the State of West Virginia or any political subdivision thereof and each Bond shall contain a provision that states the Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of West Virginia.

SECTION 7. Each Bond shall be signed by and on behalf of the Board by its President and countersigned by its Secretary, and the official seal of the Board shall be affixed to each Bond, which signatures and seal may be manual or by facsimile, and the Bonds herein authorized to be issued shall be upon the terms and in form or effect substantially as set forth in Exhibit A attached hereto as a part hereof. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution and Order unless and until the Registrar's Certificate of Authentication and Registration on such Bond, substantially in the form set forth in said Exhibit A, shall have been manually executed by the registrar for the Bonds to be set forth and designated in the Bonds (the "Registrar").

SECTION 8. The Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Bonds shall be paid by wire or by check or draft of the Paying Agent mailed to the registered owner thereof at the address as it appears on the books of the Registrar.

SECTION 9. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive holder of the Bonds (a "Bondholder"), in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Bondholder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a *bona fide* Bondholder for value.

SECTION 10. So long as any of the Bonds remain outstanding, the Board, through the Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

SECTION 11. The Bonds shall be transferable only upon the books of the Registrar, by the registered owner thereof in person or by his or her attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his or her duly authorized attorney.

SECTION 12. In all cases in which the privileges of exchanging Bonds or transferring the registered Bonds is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution and Order. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Registrar. Transfers and exchanges of Bonds shall be made by the Registrar without charge to the holder or the transferee thereof, except as provided hereafter. For every such exchange or transfer of Bonds, the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer, and such tax or other governmental charge shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds.

SECTION 13. The Bonds may be subject to redemption prior to their stated dates of maturity at the option of the Board, on or after such date, in such order of maturity as may be determined by the Board and by lot within a maturity, and at the redemption price or prices to be set forth in the Notice of Sale of the Bonds. At the option of the Board, the Bonds or portions thereof may also be subject to mandatory sinking fund redemption in lieu of serial maturities in the years and in the amounts set forth in the Bonds. The Board shall not levy taxes in connection with the redemption of any Bonds in excess of the taxes that would have been levied for the payment of principal of and interest on the Bonds in such year.

SECTION 14. The Bonds shall be registered upon issuance to Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"). In the event the Board determines that it is in the best interest of the beneficial owners of the Bonds that they obtain Bond certificates, the Board may notify DTC and the Registrar, whereupon DTC will notify its participants, of the availability through DTC of Bond certificates. In such event, the Registrar shall cause to be issued, transferred and exchanged Bond certificates as requested by DTC as Bondholder in appropriate amounts. DTC may determine to discontinue providing its service with respect to the Bonds at any time by giving notice to the Board or the Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Board and the Registrar shall be obligated to deliver Bond certificates as described in a resolution supplemental hereto. In the event the Bond certificates are issued, the provisions of this Resolution and Order shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such Bond certificates. Whenever DTC requests the Board and the Registrar to do so, the Registrar and the Board will cooperate with DTC in taking appropriate action after reasonable notice (a) to make available one or more separate certificates evidencing the Bonds to any participant having the Bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds. The President of the Board is hereby authorized and directed to execute and deliver to DTC an appropriate letter of representations, in consultation with the Board's bond counsel, and the Board is authorized to comply with all requirements of DTC.

SECTION 15. (a) The Board hereby covenants that it will restrict the use of the proceeds of the Bonds herein authorized in such manner and to such extent, if any, and take such other actions as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute obligations the interest on which is subject to

federal income taxation or "arbitrage bonds" under Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations prescribed thereunder. In the event that at any time the Board is of the opinion that for purposes of this Section it is necessary to restrict or limit the yield on the investment of any moneys, the Board shall take such action as may be necessary. The Treasurer/Chief Business Officer of the Board (the "Treasurer") or any other officer having responsibility with respect to the issuance of the Bonds is authorized and directed to give an appropriate certificate on behalf of the Board, on the date of delivery of the Bonds for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to the use of the proceeds thereof and the provisions of said Sections 103(b)(2) and 148 of the Code and regulations thereunder, and to execute and deliver on behalf of the Board an IRS Form 8038-G in connection with the issuance of the Bonds.

(b) Without limiting the generality of the foregoing, unless the Board makes the election under Section 148(f)(4)(C)(vii) of the Code, the Board covenants that there shall be paid from time to time by the Board all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any applicable proposed, temporary or final regulations thereunder (the "Regulations"). This covenant shall survive payment in full or defeasance of the Bonds.

(c) The Board shall invest all proceeds of the Bonds and any gross proceeds of the Bonds (as defined in the Regulations), subject to the restrictions set forth in Section 148 of the Code and the Regulations. The Board shall retain all earnings (calculated by taking into account net gains or losses on sales or exchanges and taking into account amortized discount or premium as a gain or loss, respectively) on said investments, if any.

(d) The Board shall remit to the United States at the times and in the manner set forth in Section 148 of the Code and the Regulations the excess of the amount earned on said investments over the amount which would have been earned if said investments were invested at a rate equal to the yield on the Bonds plus any income attributable to such excess or, if applicable, any penalty amounts under Section 148(f)(4)(C) of the Code.

(e) Notwithstanding any provision of this section, if the Board shall obtain an opinion of nationally recognized bond counsel to the effect that any action required under this section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds pursuant to Section 103(a) of the Code, the Board may rely conclusively on such opinion in complying with the provisions hereof.

SECTION 16. The Secretary of the Board, or his or her designee, shall transmit to the Attorney General of the State of West Virginia a duly certified copy of all orders, resolutions, proclamations, notices, advertisements, affidavits and records of all proceedings connected with or pertaining to this Bond issue, and any and all other matters relative thereto required by the Attorney General, as provided by W. Va. Code § 13-1-25.

SECTION 17. The Bonds hereby authorized shall be advertised for sale to the public on sealed bids or electronic bids, in the manner set forth in W. Va. Code § 13-1-21, at such time or times as shall be determined by the Board, and the appropriate officers of the Board are hereby

authorized to place such advertisement as required thereby. The Board may issue the Bonds in one or more series and may reject any and all bids.

SECTION 18. Bowles Rice LLP is hereby retained as bond counsel to the Board for the purpose of preparing and/or reviewing the necessary documentation in connection with the issuance and delivery of the Bonds, and said bond counsel is further authorized to prepare certain necessary documents required to complete the transactions contemplated hereby.

SECTION 19. Crews & Associates, Inc. is hereby retained as municipal advisor to the Board for the purpose of assisting the Board in developing the plan of finance related to the Bonds, advise on the method of sale of the Bonds, assisting with the sale of the Bonds, including preparation of a notice of sale and preliminary Official Statement, bid verification, interest cost calculation, and said municipal advisor is further authorized to prepare certain necessary documents required to complete the transactions contemplated hereby.

SECTION 20. The Board hereby directs Crews & Associates, Inc., as its municipal advisor, to prepare and distribute, or cause the preparation and distribution of, a notice of sale, a Preliminary Official Statement and a final Official Statement relating to the Bonds and any supplements that may be required in connection therewith. The Board authorizes and directs the President of the Board and any other Authorized Officer (as defined below), in consultation with bond counsel, to approve the form of the notice of sale, Preliminary Official Statement or final Official Statement, as the case may be. This Board authorizes and directs each of the Authorized Officers to determine and to certify or otherwise represent when the Preliminary Official Statement is to be "deemed final", except for permitted omissions. The execution of the notice of sale and final Official Statement by the President, Treasurer or any other Authorized Officer shall constitute conclusive evidence that the approvals and determinations required by this paragraph have been received, which shall be deemed to be "final" for purposes of Rule 15c2-12 (as defined below), the execution thereof on behalf of the Board to be conclusive evidence of such authorization, approval and finality.

SECTION 21. The Board hereby covenants and agrees, pursuant to subsection (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), that it will execute, comply with and carry out all of the provisions of a continuing disclosure certificate dated the date of issuance and delivery of the Bonds (the "Continuing Disclosure Certificate") in connection with the issuance of the Bonds. Failure to comply with any such provisions of the Continuing Disclosure Certificate shall not constitute a default on the Bonds; however, any holder of the Bonds may take such action as may be reasonable and appropriate, including seeking specific performance, to cause the Board to comply with its obligations under this Section and the Continuing Disclosure Certificate.

SECTION 22. That the Treasurer is hereby authorized to apply, if he or she deems it appropriate, for a rating or ratings on the Bonds from such rating agency or agencies as he deems appropriate. The Treasurer is further authorized to pay the fees and expenses for any rating to the extent authorized with proceeds of the Bonds.

SECTION 23. The Treasurer is hereby authorized, but not required, to purchase, if he or she deems it appropriate, a municipal bond insurance policy to secure the payment of interest

on and principal of the Bonds, and to pay the fee or premium for said municipal bond insurance from proceeds of the Bonds to the extent authorized by law and approved by bond counsel.

SECTION 24. All expenses incurred by the Authority in connection with the issuance and sale of the Bonds, including reasonable attorneys' fees, shall be reimbursed to the Authority from the proceeds of the Bonds.

SECTION 25. The Post-Issuance Tax Compliance Procedures for Tax-Exempt Bonds, in substantially the form set forth in Exhibit B attached hereto, and the Continuing Disclosure Compliance Procedures, in substantially the form set forth in Exhibit C attached hereto, are each hereby approved, ratified and confirmed together with such changes thereto as the President or any other Authorized Officer (as defined below), after consultation with Bond Counsel, shall determine to be reasonable or appropriate, and the execution thereof by the President or any other Authorized Officer (as defined below) shall conclusively evidence such determination.

SECTION 26. The President, Vice President, Superintendent and Secretary, Treasurer and all other officers, members and employees of the Board (collectively, the "Authorized Officers" and each, an "Authorized Officer") shall be and are each hereby authorized, empowered and directed to do any and all things proper and necessary to carry out and effectuate the issuance of the Bonds, as approved by the voters of the District, and effectuate the transactions and actions contemplated by this Resolution and Order, and all officers of the Board, including, without limitation, the Authorized Officers, respectively, shall be, and each of them hereby is, authorized and directed to take, or cause to be taken (or omitted), any and all actions and to prepare, execute, deliver and file any and all documents, agreements, instruments and certificates (collectively, "Related Documents") and to take any and all steps as each such Authorized Officer determines to be necessary or desirable to carry out the transactions contemplated by this Resolution and Order and any Related Documents, with such determination to be conclusively, but not exclusively, evidenced by the taking or omission of such actions or the execution of such Related Documents.

SECTION 27. It is hereby found and determined that all formal actions of the Board concerning and relating to the adoption of this Resolution and Order were adopted in an open meeting of the Board, and that all deliberations of the Board and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including, without limitation, Chapter 6, Article 9A of the West Virginia Code.

POST-ISSUANCE TAX COMPLIANCE PROCEDURES FOR TAX-EXEMPT BONDS

The Board of Education of the County of Wyoming Post-Issuance Tax Compliance Procedures For Tax-Exempt Bonds

The purpose of these Post-Issuance Tax Compliance Procedures is to establish policies and procedures in connection with the Public School Bonds, Series 2024 (the "Series 2024 Bonds") issued by The Board of Education of the County of Wyoming (the "Board") so as to maximize the likelihood that all applicable post-issuance requirements of federal income tax law needed to preserve the tax-exempt status of the Bonds, as such term is defined below, are met. These policies and procedures are all effective as of February 1, 2024 and, as of such effective date, shall amend and supplement any existing post-issuance tax compliance procedures previously adopted by the Board. The Board reserves the right to use its discretion as necessary and appropriate to make exceptions or request additional provisions as circumstances warrant; provided, however, any exceptions to these procedures shall not be made without engaging bond counsel or other legal counsel for consultation for a determination that such exception would not cause the Bonds to lose their tax-exempt status. The Board also reserves the right to change these policies and procedures from time to time. The Superintendent of Wyoming County Schools ("WCS") shall also be responsible for ensuring an adequate succession plan for transferring post-issuance compliance responsibility when changes in staff occur.

General

The Board now identifies the post-issuance tax compliance procedures set forth herein for all bonds and other tax-exempt obligations issued by the Board (the "Bonds"), including, but not limited to, the Series 2024 Bonds.

Post-Issuance Compliance Requirements

External Advisors / Documentation

The Board shall consult, and in the case of the Series 2024 Bonds has consulted, with bond counsel and other legal counsel and advisors, as needed, throughout the Bond issuance process to identify requirements and to establish procedures necessary or appropriate so that the Bonds will continue to qualify for tax-exempt status. The Board also shall engage bond counsel and other legal counsel and advisors, as needed, for consultation following issuance of the Bonds to ensure that all applicable post-issuance requirements in fact are met. **This shall include, without limitation, consultation in connection with any potential changes in use of Bond-financed or refinanced assets.**

The Board shall be responsible for determining (or obtain expert advice to determine) whether arbitrage rebate calculations have to be made for the Bond issue. If it is determined that such calculations are or are likely to be required, the Board shall engage expert advisors (each a "Rebate Service Provider") to assist in the calculation of arbitrage rebate payable in respect of the investment of Bond proceeds, or else shall ensure that it has adequate financial, accounting and legal resources of its own to make such calculations. In any event, the Board shall make any such rebate payments (if any) as are required on a timely basis.

Unless otherwise provided by the controlling bond resolution or trust indenture relating to the Bonds, unexpended Bond proceeds shall be held by a trustee or other financial institution or the West Virginia Municipal Bond Commission (the "WVMBC"), and the investment of Bond proceeds shall be managed by the Board. The Board shall prepare (or cause the trustee or other financial institution and/or the WVMBC to prepare) regular, periodic statements regarding the investments and transactions involving Bond proceeds.

Arbitrage Rebate and Yield

The Treasurer/Chief School Business Official of WCS or her/his designee (the "Oversight Officer") shall be responsible for overseeing compliance with arbitrage rebate requirements under federal tax regulations:

1) If at the time of the issuance of the Bonds, based on reasonable expectations set forth in the Tax Certificate or Tax Regulatory Agreement (the "Tax Certificate"), it appears likely that the Bond issue will qualify for an exemption from the rebate requirement, the Board may defer taking any of the actions set forth in subsection (2) below. In the case of Bonds issued to finance construction of one or more projects, not later than the time of completion of construction or acquisition of the Bond-financed project, and depletion of all funds from the project fund, the Borrower shall make a determination if expenditure of the Bond proceeds qualified for exemption from the rebate requirements is based on spending within a 6-month, 18-month or 2-year period after issuance. If rebate exemption is determined to be applicable, the Oversight Officer shall prepare and keep in the permanent records of the Bond issue a memorandum evidencing this conclusion together with records of expenditure to support such conclusion. If the transaction does not qualify for rebate exemption, the Oversight Officer shall initiate the steps set forth in subsection (2) below.

2) If at the time of Bond issuance it appears likely that arbitrage rebate calculations will be required, or upon determination that calculations are required pursuant to subsection (1) above, the Oversight Officer shall:

    - If necessary, (i) engage the services of a Rebate Service Provider, (ii) prior to each rebate calculation date, cause the trustee or other financial institution investing bond proceeds to deliver periodic statements concerning the investment of Bond proceeds to the Rebate Service Provider, and (iii) if necessary, contribute or cause the trustee or WVMBC, as applicable, to contribute any required annual payments into any rebate fund;

- Provide to the Rebate Service Provider additional documents and information reasonably requested by the Rebate Service Provider;

- Monitor efforts of the Rebate Service Provider;

- Assure payment of required rebate amounts, if any, no later than 60 days after each 5-year anniversary of the issue date of the Bonds, and no later than 60 days after the last Bond of each issue is redeemed or matures;

- In the case of Bonds issued to finance construction of one or more projects, during the construction period of each capital project financed in whole or in part by Bonds, monitor the investment and expenditure of Bond proceeds and consult with the Rebate Service Provider to determine compliance with any applicable exceptions from the arbitrage rebate requirements during each 6-month spending period following the issue date of the Bonds;

- Retain copies of all arbitrage reports and trustee statements as described below under "Record Keeping Requirements;" and

- In lieu of engaging an outside Rebate Service Provider, the Oversight Officer may make a determination that it has sufficient capabilities using WCS's own personnel, supported by its regular accounting and legal advisers, to be able to make the required rebate calculations. Such determination shall be evidenced in writing with specific reference to the personnel and advisers to carry out the calculations, and such written determination shall be maintained in the records of the Bond transaction.

Use of Bond Proceeds and Bond-Financed or Refinanced Assets:

The Oversight Officer shall be responsible for:

- Monitoring the use of Bond proceeds (including investment earnings and including reimbursement of expenditures made before Bond issuance) and the use of Bond-financed or refinanced assets (e.g., facilities, furnishings or equipment) throughout the term of the Bonds to ensure compliance with covenants and restrictions set forth in the Tax Certificate relating to the Bonds;

- Maintaining records identifying the assets or portion of assets that are financed or refinanced with proceeds of each issue of Bonds (including investment earnings and including reimbursement of expenditures made before Bond issuance), including a final allocation of Bond proceeds as described below under "Record Keeping Requirements";

- Consulting at least annually with personnel responsible for Bond-financed or refinanced assets to identify and discuss any existing or planned use of Bond-

financed or refinanced assets, to ensure that those uses are consistent with all covenants and restrictions set forth in the Tax Certificate relating to the Bonds; and

- To the extent that the Board or its staff discovers that any applicable tax restrictions regarding use of Bond proceeds and Bond-financed or refinanced assets will or may be violated, consulting promptly with bond counsel and other legal counsel and advisers to determine a course of action to remediate all nonqualified Bonds, if such counsel advises that a remedial action is necessary;

All relevant records and contracts shall be maintained as described below.

Record Keeping Requirement

The Oversight Officer shall be responsible for maintaining the following documents for the term of each issue of Bonds (including refunding Bonds, if any) plus at least 3 more years:

- a copy of the Bond closing transcript and other relevant documentation delivered to the Board at or in connection with closing of the issue of Bonds;

- a copy of all material documents relating to capital expenditures financed or refinanced by Bond proceeds, including (without limitation) construction contracts, purchase orders, invoices, trustee requisitions and payment records, as well as documents relating to costs reimbursed with Bond proceeds and records identifying the assets or portion of assets that are financed or refinanced with Bond proceeds, including a final allocation of Bond proceeds; and

- a copy of all records of investments, investment agreements, investment earnings, arbitrage reports and underlying documents, including trustee statements, in connection with any investment agreements, and copies of all bidding documents, if any.

CONTINUING DISCLOSURE COMPLIANCE PROCEDURES

PROCEDURES FOR COMPLIANCE WITH OBLIGATIONS UNDER CONTINUING DISCLOSURE UNDERTAKINGS

These Procedures for Compliance with Obligations under Continuing Disclosure Undertakings (these "Procedures") are established and effective as of February 1, 2024, and set forth specific procedures of The Board of Education of the County of Wyoming (the "Board"), designed to assist in compliance with applicable requirements set forth in undertakings ("Continuing Disclosure Undertakings") providing for ongoing disclosure in connection with the offering of obligations to investors for obligations (whether or not tax-exempt/tax-advantaged) subject to the continuing disclosure requirements of Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, including, without limitation, in connection with the issuance and sale of the Board's Public School Bonds, Series 2024 (the "Series 2024 Bonds"). As used herein, "Continuing Disclosure Undertakings" includes any such undertakings found in continuing disclosure agreements entered into by the Board with respect to its outstanding bonds, of any series, whether previously issued or issued in the future (including the Series 2024 Bonds, as defined below). These Procedures, as of such effective date, shall be amended and supplemented by any existing continuing disclosure compliance procedures previously adopted by the Board.

These Procedures document practices and describe various procedures for preparing and disseminating related reports and information and reporting "listed events" for the benefit of the holders of the Board's obligations and to assist the Participating Underwriters (within the meaning of the Rule) in complying with the Rule and the Continuing Disclosure Undertaking.

The Board recognizes that compliance with pertinent law is an ongoing process necessary during the entire term of any obligations issued by the Board, and is an integral component of the Board's debt management. Accordingly, implementation of these Procedures will require ongoing monitoring and consultation with bond counsel and the Board's accountants and advisors.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

1. The Treasurer/Chief School Business Official or his or her designee (the "Compliance Officer") shall be responsible for monitoring post-issuance compliance issues.

2. The Compliance Officer will coordinate procedures for record retention and review of such records.

3. All documents and other records relating to obligations issued by the Board shall be maintained by or at the direction of the Compliance Officer.

4. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.

5. The Compliance Officer will review the annual information required to be filed pursuant to each Continuing Disclosure Undertaking.

Continuing Disclosure

Under the provisions of the Rule, Participating Underwriters are required to reasonably determine that issuers (such as the Board) have entered into written Continuing Disclosure Undertakings to make ongoing disclosure in connection with offerings of obligations to investors subject to the Rule. Unless the Board is exempt from compliance with the Rule or the continuing disclosure provisions of the Rule as a result of certain permitted exemptions, a Continuing Disclosure Undertaking executed by the Authority will be required.

In order to monitor compliance by the Board with its Continuing Disclosure Undertakings, the Compliance Officer will take the actions listed below as required by such Continuing Disclosure Undertakings. The Compliance Officer may coordinate with staff, and may engage a dissemination agent, counsel, and/or other professionals to assist in discharging the Compliance Officer's duties under these Procedures as the Compliance Officer deems necessary.

A. Compilation of Currently Effective Continuing Disclosure Undertakings

The Compliance Officer shall compile and maintain a set of all currently effective Continuing Disclosure Undertakings of the Board. Such agreements are included in the transcript of proceedings for the Board's respective obligation issue. Continuing Disclosure Undertakings are "Currently Effective" for purposes of these Procedures (and hence shall be included in the set of Currently Effective Continuing Disclosure Undertakings) for so long as the obligations to which they relate are outstanding. As obligations are completely repaid or redeemed, the Compliance Officer shall remove the related Continuing Disclosure Undertakings from the set of Currently Effective Continuing Disclosure Undertakings.

B. Annual Review and Annual Reporting Requirements

The Compliance Officer shall ensure that all necessary financial statements, financial information and operating data is filed in the manner and by the filing dates set forth in the Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall review the set of Currently Effective Continuing Disclosure Undertakings annually, prior to each annual filing, keeping in mind:

- The financial information and operating data required to be reported under a particular Continuing Disclosure Undertaking may differ from the financial information and operating data required to be reported under another Continuing Disclosure Undertaking; and

- The timing requirements for reporting under a particular Continuing Disclosure Undertaking may differ from the timing requirements for filing under another Continuing Disclosure Undertaking.

C. Calendar; EMMA Notification System

The Compliance Officer shall keep a calendar of all pertinent filing dates required under the Board's Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall also subscribe to notification services made available through the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board.

D. Annual Review of Prior Filings

As part of the annual review process, the Compliance Officer shall also review prior filings made within the past five years subsequent to the last such review of prior filings. If the Compliance Officer discovers any late or missing filings, the Compliance Officer (after discussing the circumstances with the Board's dissemination agent, legal/bond counsel or other agents as necessary) shall file the missing information.

E. Monitoring of Listed events

The Compliance Officer shall monitor the occurrence of any of the following events and/or other events set forth in the Currently Effective Continuing Disclosure Undertakings and shall provide notice of the same in the required manner and by the relevant reporting deadline (generally within 10 days of the occurrence):

- Principal and interest payment delinquencies;

- Unscheduled draws on debt service reserves reflecting financial difficulties;

- Appointment of a successor or additional trustee or the change of name of a trustee, if material.

- Incurrence of a Financial Obligation of the Board, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Board, any of which affect Bondholders, if material; and

- Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Board, any of which reflect financial difficulties.

F. Review of Official Statements

The Compliance Officer shall review drafts of any offering document for a new offering of obligations, with assistance from its dissemination agent, counsel or other agents of the Board as necessary, and shall determine that the offering document accurately and completely describes the Board's continuing disclosure compliance history within the five years prior to the date of the respective Official Statement. This compliance review is not meant to limit the Board's other reviews of or diligence procedures relating to its offering documents.

G. Record Retention

The Compliance Officer shall retain documentation evidencing the Board's annual reviews and its reviews of offering documents in connection with new offerings as set forth above. This Board shall retain this documentation, for each Continuing Disclosure Undertaking, for the period that the related obligations are outstanding.

H. Annual Review Checklist (see Schedule 1)

THE BOARD OF EDUCATION OF THE COUNTY OF WYOMING
SUPPLEMENTAL BOND RESOLUTION

WHEREAS, on August 1, 2022, The Board of Education of the County of Wyoming, West Virginia (the "Board"), approved and adopted an Order (the "Election Order") directing an election to be held for the purpose of submitting to the voters of the Wyoming County School District (the "District") all questions connected with the contracting of a debt and the issuing of general obligation bonds in the principal amount not to exceed Twenty Million One Hundred Seventy-Five Thousand Dollars ($20,175,000) (the "Bonds"), as more particularly set forth in the Election Order; and

WHEREAS, in accordance with the Election Order, an election was held on November 8, 2022, at each of the legally established voting precincts in the District, for the purpose of ascertaining the will of the voters upon the question of whether or not the Bonds should be issued; and

WHEREAS, the result of said election, as shown by a certified canvass of the returns thereof, was Two Thousand Three Hundred Twenty (2,320) votes for the issuance of the Bonds and One Thousand Eight Hundred Thirty-Seven (1,837) votes against the issuance of the Bonds; so that a majority of the voters, to wit, 55.8095% voting upon said proposition at said election, voted for the issuance of the Bonds; and

WHEREAS, on January 2, 2024, the Board approved and adopted a Resolution and Order Directing the Issuance of the Bonds (as the same may be amended or supplemented from time to time, the "Prior Resolution") which, among other things, (i) authorized and directed the issuance of the Bonds within certain parameters, as more particularly described in the Prior Resolution and (ii) directed Crews & Associates, Inc., as the Board's municipal advisor (the "Municipal Advisor"), to prepare and distribute, or cause the preparation and distribution of, a notice of sale, a Preliminary Official Statement and a final Official Statement relating to the Bonds and any supplements that may be required in connection therewith; and

WHEREAS, the Board has determined to proceed with the issuance of the Bonds, in accordance with this Supplemental Resolution.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board, that:

1. The Prior Resolution is hereby confirmed, approved and ratified in all respects.

2. The Board hereby authorizes and approves the Preliminary Official Statement, substantially in the form presented at this meeting and attached hereto as Exhibit A (the "Preliminary Official Statement"), with such changes, insertions and omissions as may be necessary or advisable in the opinion of the President of the Board or any other Authorized Officer (as such term is defined below), in consultation with the Municipal Advisor. The Board authorizes and directs the President of the Board, the Superintendent and any other Authorized Officer to approve the final form, distribution and publication by the Municipal Advisor of the notice of sale, Preliminary Official Statement or final Official Statement, as applicable, and the Board hereby authorizes, ratifies and directs the Municipal Advisor to publish, or cause to be published, such

notice of sale in the *Bond Buyer* and *The Register-Herald*, a qualified newspaper of general circulation in the District. This Board authorizes and directs each of the Authorized Officers to determine and to certify or otherwise represent when the Preliminary Official Statement is to be "deemed final", except for permitted omissions. The execution of the notice of sale and final Official Statement by the President, the Superintendent, the Treasurer or any other Authorized Officer shall constitute conclusive evidence that the approvals and determinations required by this paragraph have been received, which shall be deemed to be "final" for purposes of Rule 15c2-12 (as defined below), the execution thereof on behalf of the Board to be conclusive evidence of such authorization, approval and finality.

3. The Board hereby covenants and agrees, pursuant to subsection (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12"), that it will execute, comply with and carry out all of the provisions of a continuing disclosure certificate or agreement dated the date of issuance and delivery of the Bonds (the "Continuing Disclosure Agreement") in connection with the issuance of the Bonds. Failure to comply with any such provisions of the Continuing Disclosure Agreement shall not constitute a default on the Bonds; however, any holder of the Bonds may take such action as may be reasonable and appropriate, including seeking specific performance, to cause the Board to comply with its obligations under this Section and the Continuing Disclosure Agreement.

4. The Board hereby approves, authorizes, confirms, ratifies and designates (i) United Bank, a Virginia banking corporation with corporate trust offices in Charleston, West Virginia ("United Bank"), to serve as Registrar for the Bonds, (ii) United Bank to serve as Dissemination Agent under the Continuing Disclosure Agreement and (iii) the West Virginia Municipal Bond Commission to serve as Paying Agent for the Bonds.

5. The Board reasonably expects that the it will be reimbursed from the proceeds of the Bonds for certain capital expenditures made not more than sixty (60) days prior to the date of this declaration of official intent, and after date of such adoption, but prior to the issuance of the Bonds, in connection with the Projects, all such capital expenditures to be undertaken or incurred prior to the execution and delivery of the Bonds, which are reasonably expected to be executed and delivered within eighteen (18) months from the later of (i) the expenditure for payment of said cost, or (ii) the placing of the Projects in service, but in no event shall the reimbursement allocation be made more than three (3) years after the original expenditure is paid unless permitted by Section 1.150-2 of the Treasury Regulations promulgated under the Internal Revenue Code of 1986, as amended (the "Code"). This Resolution is intended, among other things, to constitute a "declaration of official intent" pursuant to Section 1.150-2 of the Treasury Regulations promulgated under the Code. The source or sources of payment for such capital expenditures were or will be from the Board's available funds for such purposes, and upon issuance of the Bonds, proceeds thereof not to exceed the amount of such capital expenditures will be applied to the reimbursement of the funds from which these qualifying expenditures were made. The Board shall provide written evidence of all reimbursement allocations within the time provided in Section 1.150-2 of the Treasury Regulations, which written evidence may be satisfied by one or more requisitions submitted in connection with the subject financing.

6. The President, Vice President, Superintendent and Secretary, Treasurer and all other officers, members and employees of the Board (collectively, the "Authorized Officers" and

each, an "Authorized Officer") shall be and are each hereby authorized, empowered and directed to do any and all things proper and necessary to carry out and effectuate the issuance of the Bonds, as approved by the voters of the District, and effectuate the transactions and actions contemplated by the Prior Resolution and this Supplemental Resolution, and all officers of the Board, including, without limitation, the Authorized Officers, respectively, shall be, and each of them hereby is, authorized and directed to take, or cause to be taken (or omitted), any and all actions and to prepare, execute, deliver and file any and all documents, agreements, instruments and certificates (collectively, "Related Documents") and to take any and all steps as each such Authorized Officer determines to be necessary or desirable to carry out the transactions contemplated by the Prior Resolution, this Supplemental Resolution and any Related Documents, with such determination to be conclusively, but not exclusively, evidenced by the taking or omission of such actions or the execution of such Related Documents.

7. It is hereby found and determined that all formal actions of the Board concerning and relating to the adoption of this Supplemental Resolution were adopted in an open and properly noticed meeting of the Board, and that all deliberations of the Board and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including, without limitation, Chapter 6, Article 9A of the West Virginia Code.

8. This Supplemental Resolution shall be effective immediately upon its adoption and entry of record.

The Board of Education of the County of Wyoming pursuant to the provisions of Chapter 13, Article 1, Section 25, of the West Virginia Code of 1931, as amended, has caused to be transmitted to me duly certified copies of all orders, ordinances, proclamations, notices, advertisements, affidavits, resolutions and records of all the proceedings connected with or pertaining to such bond issue, and I have examined the same.

---

[1] As approved by the voters, the issuance of the Bonds was contingent upon the Board's receipt of an award of at least $13,761,250 in grant funds from the School Building Authority of West Virginia or from other funding sources available to the Board in amounts sufficient to undertake and complete the Projects. At its meeting on December 11, 2023, the School Building Authority of West Virginia awarded the Board the amount of $15,711,654 for the construction of a new Mullens PreK-8 School to be located in Mullens, West Virginia. As also approved by the voters, such additional money may be used either in substitution for or in addition to the proceeds of the sale of the Bonds, as may be determined by the Board and the applicable granting body or agency. Accordingly, such funding contingency has been satisfied and, upon the issuance of the Bonds, the Board will have sufficient funds to undertake and complete the Projects.

It appears from the records so transmitted to me that with respect to the proposition of incurring debt and issuing bonds, as provided in said order, Two Thousand Three Hundred Twenty (2,320) votes were cast for and One Thousand Eight Hundred Thirty-Seven (1,837) votes were cast against the issuance of said bonds, so that fifty-five and 81/100 percent (55.81%) of the voters in said election voted in favor of incurring debt and issuing bonds as provided in said order.

In my opinion, there has been substantial compliance with the law relating to the issuance of said bonds, and I, therefore, approve the validity of such Bond Issue pursuant to the provisions of Chapter 13, Article 1, Section 25, of the West Virginia Code of 1931 as amended.

The Board of Education of the County of Wyoming
Pineville, West Virginia

Re: $20,175,000 The Board of Education of the County of Wyoming (West Virginia) Public School Bonds, Series 2024

Ladies and Gentlemen:

We have examined, in our capacity as Bond Counsel to The Board of Education of The County of Wyoming (West Virginia) (the "Issuer"), the transcript of proceedings (the "Transcript") relating to the issuance by the Issuer of its $20,175,000 in aggregate principal amount of Public School Bonds, Series 2024, dated July 17, 2024 (the "Bonds"). The Bonds are (i) issued in fully registered form, (ii) are dated July 17, 2024, (iii) upon original issuance, are represented by a single bond for each maturity, numbered R-1 through R-15, (iv) are of the denominations of $5,000 or integral multiples thereof, and (v) mature on June 1 in years and amounts and bear interest payable each June 1 and December 1, commencing June 1, 2025, at the rates set forth in the Official Statement of the Issuer, dated June 26, 2024. The Bonds are subject to redemption prior to maturity as set forth in the Official Statement.

The Bonds were authorized at an election held in the Wyoming County School District (the "School District") on November 8, 2022 (the "Election"), and by a resolution and order adopted by the Issuer on January 2, 2024 (as amended or supplemented from time to time, the "Bond Resolution"), and are issued pursuant to Chapter 13, Article 1 of the Code of West Virginia Code, 1931, as amended (the "Act"), for the purposes of set forth in the Order of the Issuer, approved and adopted by the Issuer on August 1, 2022 (the "Bond Election Order"), and approved by voters of the School District at the Election.

As to questions of fact material to our opinion, we have relied upon the representations, covenants and certifications of the Issuer contained in the Bond Resolution, the Bond Election Order, a Tax and Non-Arbitrage Certificate of the Issuer dated the date hereof (the "Tax Certificate") and the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties. We have assumed, without undertaking to verify,

the accuracy of the factual matters represented, warranted or certified in the documents contained in the Transcript.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer contained in the Bond Resolution, the Bond Election Order, the Tax and Non-Arbitrage Certificate and in certain other certificates delivered in connection with the issuance of the Bonds, we are of the opinion, under existing law, as of the date hereof, that:

1. The Issuer duly organized and is a validly existing statutory corporation charged with the supervision and control of the School District, which is a validly existing political subdivision of the State of West Virginia, and has full power and authority to adopt the Bond Resolution and to issue and sell the Bonds under the provisions of the Act and other applicable provisions of law.

2. The issuance and sale of the Bonds have been duly authorized pursuant to and in full compliance with the Constitution of the State of West Virginia, the Act and the Bond Resolution. The Bond Resolution is in full force and effect as of the date hereof.

3. The Bonds have been duly authorized and validly issued by the Issuer in accordance with the Constitution and statutes of the State of West Virginia and constitute valid and legally binding general obligations of the Issuer, and unless the Bonds are paid from other sources, the Issuer has the power and is obligated to levy ad valorem taxes upon all the taxable property within Wyoming County School District to pay the Bonds and the interest thereon, without limitation as to rate or amount.

4. Under existing laws, regulations, rules and published rulings and judicial decisions of the United States of America, as presently written and applied, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations promulgated pursuant thereto, and such interest will not be treated as a preference item in calculating the alternative minimum tax that may be imposed under the Code upon individuals. The opinions set forth in the proceeding sentence are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. We express no other opinion regarding federal tax consequences with respect to the Bonds.

5. Under the Act, as currently written and applied, the Bonds are exempt from all taxation by the State of West Virginia or by any political subdivision thereof.

6. We have examined the executed and authenticated Bond No. R-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Except as described herein, we express no opinion regarding other federal or state tax consequences arising with respect to the Bonds. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the excludability from gross income for federal income tax purposes of interest on the Bonds, or under state and local tax law.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds and the liens, pledges, rights or remedies with respect to the Bonds and the Bond Resolution are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents or other offering material relating to the Bonds and express no opinion with respect thereto.

This opinion is rendered solely for your benefit and is furnished only with respect to the transactions contemplated by the Bond Resolution and the documents included in the Transcript. Accordingly, this opinion may not be relied upon by or quoted to any other person or entity without, in each instance, our prior written consent.

The opinions herein may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters that come to our attention after the date hereof. Accordingly, this opinion speaks only as of its date and is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Very truly yours,

Bowles Rice LLP
